thyrotropin releasing hormone-induced & basal levels of thyroid stimulating hormone, 19–71 yr old inpatients with depression vs schizophrenia vs adjustment disorder vs alcoholism, 6476
treatment of phallic character & oedipal conflict, 43 yr old male, case report, 30602
treatment strategies, oral character resistances & therapist's countertransference, clients with oral character pathology, 30570
usefulness of combining Millon Clinical Multiaxial Inventory & MMPI, identification & discrimination of personality disorders & clinical syndromes, 2844
utility of ego defense mechanisms, assessment of psychological resilience & personality disorders, middle aged males who were socially disadvantaged in childhood, longitudinal study, conference presentation, 27381
utility of MacAndrew Alcoholism Scale as differential diagnostic tool, male 19–67 yr old alcoholic vs nonalcoholic with neurosis vs personality disorders, 23408
utility of miniworkshop for teaching characteristics of personality disorders, medical students, 20563

Personality Factors (Psychoanalytic) [See Psychoanalytic Personality Factors]

Personality Measures [See Also Bender Gestalt Test, California F Scale, California Psychological Inventory, Childrens Apperception Test, Embedded Figures Testing, Eysenck Personality Inventory, Fear Survey Schedule, Franck Drawing Completion Test, Gough Adjective Check List, High Sch Personality Questionnaire, Human Figures Drawing, Marlowe Crowne Soc Desirabil Scale, Minn Multiphasic Personality Inven, Myers Briggs Type Indicator, Nonprojective Personality Measures, Projective Personality Measures, Psychological Screening Inventory, Rod and Frame Test, Rokeach Dogmatism Scale, Rorschach Test, Rosenzweig Picture Frustration Study, Rotter Intern Extern Locus Cont Scal, Sensation Seeking Scale, Sixteen Personality Factors Question, State Trait Anxiety Inventory, Thematic Apperception Test, Vineland Social Maturity Scale]
acquiescent response style, Kirton Adaption-Innovation Inventory's identification of individual problem solving styles, college students, 28953
administration of French version of Association of Methodology & Documentation in Psychiatry Psychopathology & Somatic scales, extraction of 17-item anxiety scale, patients, France, 16125
age & education, internal consistencies of personality scales, 13–25 yr olds, 10817
age differences on multidimensional vs domain specific measures of locus of control, college students vs 60–91 yr olds, 23448
astrological natal charts, measurement of personality traits, 17 yr olds & older, 30007
Barnum effect in Luscher Color Test interpretation, college students, 16140
bipolar internal-external locus of control scale, measurement of locus of control in politics & achievement, implications for J. B. Rotter's concept & rating scale, 8079
Cattell Anxiety Scale scores, prediction of academic achievement, 18–42 yr old college students, implications for counseling, 5012
Children's Environmental Response Inventory, measurement of personality & demographic variables & extracurricular activities in acquisition of environmental disposition, 9–16 yr olds, 8819
clinical utility & validity of psychological inventory of personality & symptoms, measurement of psychopathology based on DSM-III criteria, 20–66 yr old psychiatric patients, 18992
comparison of measures of cognitive styles associated with depression, college students, 2875
consistency & variation among Type A behavior measurement instruments, 40–49 yr old males at risk for coronary heart disease, 119
construct validity of Bem Sex-Role Inventory & Personality Research Form ANDRO Scale, investigation of gender schema theory, female vs male college students, 16154
construct validity of Dyadic Trust Scale, measurement of trust, married couples, 18986
construct validity of irritability & emotional susceptibility scales, 23419
construct validity of Self-Control Schedule, college students, 13459
construct validity of Torrance Tests of Creative Thinking when task instructions differ in clarity, college students, 13451
construction & validation of Boredom Proneness Scale, college students, 23428
construction & validation of late-life paranoid scale, geriatric patients, 2870
construction & validity of locus of control questionnaire, college students, France, 28944
construction & validity of pre- & postlabor forms of Schroeder Labor Locus of Control Scale, primigravidous females who had vs had not attended childbirth classes assessed prior to vs 6–18 hrs following delivery, 23476
construction of Hindi scale assessing emotional stability, 10–13 yr olds, India, 23439
construction of reliable & valid questionnaire, measurement of impulsivity, 5285
convergent & discriminant validity of Body Esteem Scale, assessment of body awareness, college students, 23430
convergent & divergent validity of Revised Children's Manifest Anxiety Scale, gifted children, 2911
convergent validity of 4 innovativeness scales, college students, 23437

correlations among self report anxiety & depression scales, male vs female college students, 8062
correlations between Millon Clinical Multiaxial Inventory & mood of symptom states scales & MMPI, male alcoholic patients, 9165
criterion validity of new internal external locus of control scale vs Rotter's scale, job satisfaction, employees, 8101
cross validation of objective tests used to measure authoritarianism & psychoticism & Machiavellian views & neuroticism, college students, England, 28938
current developments & future directions in computer usage in personality assessment, 10763
defective validity of Altemeyer authoritarianism scale, adults, Australia, 23472
determination of age & sex & racial test bias of subscales of Personality Inventory for Children, adolescents & children referred for evaluation for behavior & emotional problems, 13430
development & construct & discriminant validities of Parental Locus of Control Scale, parents with vs without parenting problems vs with behaviorally or emotionally disturbed school age children, 28936
development & factorial validity of Personality Priorities Inventory for Adolescents, 7th–12th graders, 28942
development & psychometric properties of Pragmatism scale, 21025
development & reliability & validity of Individual Scale assessment of willingness to publicly behave differently than others, college students, 2904
development & test-retest reliability & construct validity of health locus of control scale, hospital physicians & nurses & patients, 2922
development & validation of general causality orientations scale, measurement of autonomy & control & impersonal orientations, college students, 13407
development & validation of Positive Sex Role Inventory, assessment of sex role characteristics considered positive for counseling psychologist employment settings, college students, 29000
development & validation of Power Apprehension Scale, measurement of concerns about power of self vs others, college students, 28986
development & validation of 3 personality scales included in National Health & Nutrition Examination Survey Epidemiologic Follow-up Study, 20–96 yr olds, 26203
development & validity of differential anxiety & depression inventory, trait & interactional perspective in assessment of anxiety & depression, college students, 26206
development & validity of Multidimensional Measure of Children's Perception of Control, 3rd–9th graders, 123
development & validity of Pseudoautonomy & Peer-Group Dependence scales, assessment of grandiosity & idealization, adolescent psychiatric inpatients & high school students, 28974
development of & psychometric data for Multidimensional Anger Inventory, male vs female 40–63 yr old factory workers, 26245
development of brief self report measure of Type A behavior pattern, 20–71 yr old patients referred for coronary angiogram, 18925
development of German version of Wilson-Patterson Conservatism Scale, measure of conservatism, students, 163
development of How I See Myself scale, assessment of self esteem, 7th–8th graders, 10803
development of Life Philosophy Scale, measurement of general & situational locus of control at work, factory employees at all hierarchy levels, 8070
development of Rasch-type loneliness scale, employed & disabled & jobless adults, 10792
development of Reflections of Self & Environment, assessment of self actualization & creativity, adult students, 13402
development of social psychopathy scale & self monitoring & anxiety, male vs female American college students, US & West Germany, 13462
differential diagnosis of Personality Inventory for Children, 6–13 yr olds in regular education vs in learning vs mental vs emotional disabilities placements, 4983
dimensionality of Freiburg Personality Inventory–Short Form, adult female students, 126
discriminant validity of Arrow Dot subtest of Id/Ego/Superego Test, 12–18 yr old delinquents vs secondary school students, Nigeria, 8097
discriminant validity of free-response self description method for personality assessment, 15–25 yr olds, 23485
Egocentricity Index as measure of self esteem, criminal defendants referred for psychiatric evaluation, 2861
evaluation of Millon Adolescent Personality Inventory, 18932
evaluation of self disclosure items on Lutheran Youth Research Inventory, Indonesian college students, 31365
examiner sex & ethnicity & style of administration, responses on Jourard Self Disclosure Questionnaire, White vs Mexican American college students, implications for group personality testing, 18948
experimental cuing, evaluation apprehension & disclosure of deviant & symptomatic responses obtained from bogus pipeline vs open format testing, 19–55 yr old incarcerated male sex offenders, 30292
explanation of method & meaning of trait ratings, test of systematic distortion hypothesis, college students, 18998
Eysenck Personality Inventory & psychoticism scales vs self report & peer ratings of 5-factor model, 24–96 yr old females vs males, 21007
Eysenck Personality Questionnaire vs Strelau Temperament Inventory, female vs male college students, 21018
factor analysis & construct validity of A. Vando's Reducer–Augmenter Scale, college students & correctional inmates, 28971
factor analysis & validity of Self Description Questionnaire vs peer rating of others' self concept, college students, 11821
factor analysis of Comrey Personality Scales, psychiatric outpatients, implications for use of tests of normal personality traits with disturbed individuals, 2882
factor analysis of Fear of Negative Evaluation Scale & Avoidance of Social Situations Scale, male vs female students, 5322
factor analysis of Groninger Androgyny Scale items, validation of androgyny theories of S. L. Bem, males vs females, 172
factor analysis of Millon Clinical Multiaxial Inventory, 18–86 yr old psychiatric inpatients, 18936
factor analysis of Multiple Affect Adjective Check List, college students, 23438
factor analysis of Spanish translation of W. P. Kreml's scale, measurement of authoritarian personality, college students, Spain, 155
factor analysis of Stewart Personality Inventory & correlations of subscales with California Psychological Inventory & Eysenck Personality Inventory, 19–42 yr old college students, 10839
factor patterns of self report vs desirability ratings for traits on Bem Sex Role Inventory, female college students, 14390
factor structure & construct validity of Central State Trait Kit, emotional state scales, married couple, 18922
factor structure & recommended uses of Symptom Check List-90-R, clinical assessment, literature review, 16129
factor structure of Bem Sex Role Inventory, 60–90 yr olds, 8118
factor structure of Motivation Analysis Test, comments on article by C. Cooper & P. Kline, 18926
factor structure of Philadelphia Geriatric Center Morale Scale, male vs female elderly, 16155
factor structure of responses to Masculinity/Femininity scale of Comrey Personality Scales, males vs females, 2903
factor structure of self consciousness & self monitoring & embarrassibility scales & total score & subscale correlations, 18–57 yr old college students, 6385
factor structure of short form of Freiburger Personality Inventory, 14–19 yr old students, 2871
factor structure of Wilson-Patterson Conservatism Scale, college students, 2898
false negatives on MacAndrew Alcoholism Scale & elevated repression scores, measurement of addictive personality, male chronic alcoholics vs drug addicts, 28937
FORTRAN computer program, scoring of Toddler Temperament Scale, 2814
Hamilton Rating Scale for Anxiety vs Melancholia Scale, measurement of pre- & postoperative anxiety, 34–69 yr old cardiac patients, 1- & 3- & 6-mo followups, Denmark, 18924

Harvard Group Scale of Hypnotic Susceptibility Form A vs global depth estimates, measurement of hypnotic responsiveness, 19–66 yr olds in weight reduction program, 11811
individual differences in predictability & cross-situational behavior consistency, idiographic theory in personality assessment & behavioral prediction methodology, 13362
intercorrelation of measures of distress & depression & anxiety & causal attributions, college students, replication of study by I. H. Gotlib, 24688
internal consistency reliability & convergent validity of Stress Processing Report, measurement of stressful thinking styles & psychological & physiological symptoms, respondents, 23421
internal structure of Jenkins Activity Survey, assessment of Type A behavior, business executives, 16121
interparent agreement on Personality Inventory for Children, parents of behaviorally & emotionally disturbed 3–18 yr olds, implications for use of father as informant in psychodiagnostic assessment process, 16107
interparental ratings using Infant Temperament Questionnaire, low vs high risk infants, 939
Interpersonal Check List measures vs Inventory of Personality scores, assessment of interpersonal style & Jungian psychological types, college students, 23444
interrater reliability of translated version of Paykel's stressful life events scale, 21–63 yr old psychiatric patients, Italy, 13392
interrogative suggestibility scale & personality & perceptual defensiveness & paranormal beliefs, college students, 24548
item analysis of US-developed Machiavellian scales, college students, Great Britain, 2900
item response theory, distinction of group differences due to psychologically meaningful construct vs test bias in attitude & personality measures, male vs female college students, 13466
Jenkins Activity Survey vs Framingham Type A Scale, correlations with psychological & control aspects vs neuroticism-related dimensions of Type A behavior & coronary heart disease, college students, 28998
Junior Eysenck Personality Inventory vs Junior Eysenck Personality Questionnaire, measurement of extraversion & neuroticism, male vs female 10–11 yr olds, England, 2847
Leadership Opinion Questionnaire, assessment of leadership style typologies, male vs female White vs Black business administration & management college students, 14445
limits of interpretive flexibility within sphere of personality assessments, graduate & college students, 23402
loneliness assessed by UCLA Loneliness Scale vs self labeling measure, male vs female college students, 6376
lunar phases, personality test scores, college students, attempted replication of study by R. Davenhill & F. N. Johnson, 6420
masculinity & femininity factor structures of Australian sex role scale, 17–54 yr old male vs female college students, 20992
Maudsley Obsessional Compulsive Questionnaire, measurement of checking & worrying vs contamination & cleaning vs doubts & intrusive thoughts, male vs female 18–25 yr old students, Italy, 9174
Maudsley Obsessive-Compulsive Inventory, assessment of relationship between obsessions & compulsions & headaches, migraine &/or tension headache sufferers, 20112
maximum likelihood factor analyses of Personality Research Form-E multitrait personality inventory, college students, 18947
measurement of authoritarianism & political leftist orientation, adults, Australia, 6263
measurement of masculinity & femininity, 14509
MMPI 27/72 code type & Millon Clinical Multiaxial Inventory high point codes, identification of fearfully vs conforming vs ambivalently dependent personality subgroups, psychiatric patients, psychodiagnostic implications, 8085
modified semantic differential scale, measurement of contradictory components in personality, 16152
mood state inventory scales, measurement of tension & depression & fatigue & confusion & vigor, college students with high vs low communication apprehension, 18930
motor inhibition & time-interval estimation tasks & personality inventories, measurement of impulsivity, male college students, 2845
MPPI 24/42 code & code type & Millon Clinical Multiaxial Inventory high point codes, identification of & discrimination among personality disorders & clinical syndromes, patients, 8048
need achievement & affiliation & locus of control toward school & instrumentality motivation measures, prediction of school achievement, college students, 7624
norms & reliability & preliminary validity of Subjective Anger Scale, measurement of propensity for anger responsiveness, adults, New Zealand, 10806
oral stimulus recognition test, measurement of short term memory, elderly paranoid patients, 3816
order effect in administration of Self-Consciousness Scale with other personality measures, college students, implications for S selection for personality research, 8098
original vs short scales of Personality Inventory for Children, 6–12.9 yr olds seen at child psychology clinic, 16133
paced arithmetic & RT stressful tasks, Type A scale & factors of Jenkins Activity Survey & diastolic blood pressure, adults, 26548
parental attitudes & infant temperament questionnaire, mothers vs fathers & their 1st born infants, 21801
performance on measures of hopelessness & social desirability & irrational beliefs, suicidal vs nonsuicidal patients, 6644
person consistency & variability of traits & classical homogeneity of personality questionnaire, 1185
personality assessment, discrimination of levels of drunk driving, 17–63 yr old males in alcohol safety action program, 20549
Personality Inventory for Children—Revised & age & developmental status, identification of cognitive impairment, 3–5 yr olds vs 7–13 yr olds referred for suspected learning problems, 28934
principal-factor deletion technique, control of socially desirable responding on personality inventories, adult Ss, 6375
Profile Index of Emotions, measurement of reproduction & incorporation & opposition & aggression as personality dimensions, 8–15 yr olds with vs without migration experience, Yugoslavia, 17011
psychometric properties & concurrent validity & test-retest reliability of Nurses' Assertiveness Inventory, nurses, 10819
psychometric properties of long & short form & feasibility of improvement of Beck Depression Inventory, depressed patients & college students, 18918
psychometric properties of revised Self Consciousness Scale, college students, implications for use with other populations, 10834
race/ethnicity, scores on Buss-Durkee Hostility & Guilt Inventory & Form A of Holtzman Inkblot Technique, Black vs Hispanic vs White male forensic patients, 18979
reanalysis of higher order factor structure of Motivation Analysis Test & Eight State Questionnaire, 10762
redundancy vs independence of Buss-Durkee Hostility-Guilt Inventory vs Rosenzweig Picture-Frustration Study, measures of aggression, college students, 28954
relationship between factors of Death Anxiety Scale & measures of subjective states, 18–73 yr old normal Ss vs psychiatric inpatients, 23434
relationship between personality traits & sporting activities, personality testing & psychological counseling, members of national sailing team, West Germany, 18218
reliability & age norms for impulsiveness questionnaire, female vs male 16–87 yr olds, 20991
reliability & concurrent validity of forms of Developing Understanding of Self & Others Affectivity Assessment Device vs California Test of Personality, 1st graders, 13391
reliability & concurrent validity of self report measures of depression & anxiety & social desirability, college students, 21020
reliability & concurrent validity of trait & state forms of Multiple Affect Adjective Check List, male vs female 14–16 yr olds, 23462
reliability & construct validity of learning style questionnaire, college students, 23458
reliability & distribution & mean & variance scores, revised version of Psychoticism scale of Eysenck Personality Questionnaire, 17–70 yr olds, 2885
reliability & factorial validity of Self Concept as a Learner measure & subscales, 7th graders, Australia, 7740
reliability & psychometric characteristics of Negative Self-Evaluation Scale for Children, sampling differences, 2926

reliability & psychometric properties of Carlson Psychological Survey & applicability as personality screening test, male adolescent offenders, 29009
reliability & validity of Beck Depression Inventory, differentiation between depression & neuroticism, psychiatric patients & college students, Netherlands, 13400
reliability & validity of confidence & popularity scales of Self-Attitude Inventory, assessment of self esteem, 13–17 yr old Catholic males, 23457
reliability & validity of extended version of Objective Measure of Ego Identity Status, college & high school students, 2890
reliability & validity of Form B of Coopersmith Self Esteem Inventory concurrent with peers' sociometric choices & teachers' rankings of popularity & ratings of self esteem, 4th–7th graders, 15888
reliability & validity of Personality Style Inventory, assessment of Jungian personality types, college students, 18996
reliability & validity of Portuguese- & Spanish-language translation of revised Janis-Field Feelings of Inadequacy Scale, assessment of self concept, 12–19 yr olds, Brazil & Ecuador & Paraguay & Uruguay & Venezuela, 18938
reliability & validity of self report & interview measures, DSM-III Axis II personality disorders, 18978
reliability & validity of self report ego strength questionnaire & correlation with 16PF subtest & school conduct, 16124
reliability of Clinical Analysis Questionnaire, simultaneous assessment of normal & pathological traits, 16189
reliability of Modified Rathus Assertiveness Schedule, 7th graders, 26205
reliability of Psychological Inventory of Personality & Symptoms, college students, 18966
reliability of short form of Interpersonal Style Inventory, assessment of interpersonal behavior & impulse control, high school seniors, 23456
response latency & impulsivity & errors on Matching Familiar Figures Test, measurement of relationship between cognitive tempo & hyperactivity & Child Behavior Checklist variables & depression, 6–11 yr olds, 18949
review of Millon Behavioral Health Inventory, assessment of personality factors & psychogenic attitudes, medical patients, 10831
revision of Eysenck-Withers Personality Inventory, measurement of extraversion & neuroticism, educable mentally retarded students with mean age of 14.9 yrs, Canada, 18628
revision of Frieburg Personality Inventory, adults aged 16 yrs & older, 5299
scales of Adjective Check List & musical creativity, adult vs student jazz vs symphonic musicians, 14232
scores on self monitoring scale vs Self Consciousness Scale's public vs private self consciousness vs social anxiety subscales, college students, 13468
sentence completion method, assessment of personality & development & psychopathology, literature review, 16168
sex differences & SES & translation of Parent Temperament Questionnaire, French-speaking 2nd graders, Canada, reprint, 29724
short-item "catch phrase" vs traditional statement-form questions approach, measurement of personality characteristics underlying social attitude patterns, 2930
Singer-Loomis Inventory of Personality, test of cognitive style on basis of perception of environment & behavior using Jungian typologies, adults, 5337
Spiral Aftereffect Technique vs Defense Mechanism Test, measurement of perceptgenetic defense against anxiety & threatened sense of self, female college students, 19834
standardization & factorial validity of Jenkins Activity Survey, measurement of coronary prone behavior, male 45–59 yr olds with coronary heart disease vs risk factors, East Germany, 13474
standardization of R. H. Rosenman's structured interview for Type A behavior, Czechoslovakia, 5308
standardized condition vs neutral response option, validity of Clinical Analysis Questionnaire, psychiatrically classified vs normal adults, 21008
state anxiety, personality test scores before vs 6 wks after alprazolam treatment, patients being treated for panic disorder & agoraphobia, 27991
statistical base rates vs probability scales vs random assignment, improvement of diagnostic capability of Diagnostic Inventory of Personality & Symptoms, psychiatric patients, 28920
SUPOS 7 subjective rating scale, measurement of mental states & emotional stress & physical actualization, males & females, implications for prediction of psychological breakdowns, 10771
test norms for Harvard Group Scale of Hypnotic Susceptibility Form A, West Germany, 10788
test-retest reliability of Beck Depression Inventory & significance of life events scores, college students, 19000
test-retest reliability of personality vs symptom scales of Millon Clinical Multiaxial Inventory, measurement of treatment outcomes, psychiatric patients assessed at admission vs before discharge, 23466
test-retest reliability of Spanish version of Junior Eysenck Personality Questionnaire, children & adolescents, Spain, 28990
test standards of German adaptation of Self-Consciousness Scale by W. Heinemann, 17–42 yr olds, 5318
test–retest reliability & convergent validity of self ratings on 9 point scales, social psychological perspective on social knowledge & scientific conceptions of personality, 109
translation of Soviet Pathocharacterological Inventory vs semantic differential, psychodiagnosis & measurement of attitudes toward life & themselves, secondary school students, Finland, 5277
two-factor solution of Jenkins Activity Survey-Form T, 17–28 yr old male vs female college students, 132
use of inappropriate cutoff scores, validity of Personality Inventory for Children Intellectual Screening & Adjustment scales, 4–5 yr olds, reevaluation of original study, 2891
use of Infant Temperament Questionnaire, assessment of parent's prenatal perception of infant personality, reply to comments of W. B. Carey & S. C. McDevitt, 16190
use of Infant Temperament Questionnaire, assessment of parent's prenatal perception of infant personality, comments on article by C. H. Leanah et al, 16126
usefulness of combining Millon Clinical Multiaxial Inventory & MMPI, identification & discrimination of personality disorders & clinical syndromes, 2844
usefulness of Piers-Harris Children's Self Concept Scale, 8–15 yr olds, Australia, 20989
utility & reliability & validity of measures of self control, 4th–6th graders & teachers & parents, 16169
utility of combining Millon Clinical Multiaxial Inventory high point code data & MMPI 89/98 code type, refinement of interpretation of MMPI assessment, psychiatric patients, 23398
utility of Pain Assessment Index, prediction of surgical outcome or rehabilitation following nonsurgical treatment, chronic pain patients, 13387
utility of Personality Inventory for Children as typology for psychopathology, emotionally & behaviorally disturbed children & adolescents, 1423
validity & interobserver reliability, World Health Organization schedule for Standardized Assessment of Depressive Disorders vs DSM-III vs Research Diagnostic Criteria vs Newcastle vs melancholia scales, depressive inpatients, Denmark, 18923
validity & psychometric evaluation of Attributional Style Questionnaire, 14–17 yr olds, Netherlands, 16118
validity & reliability of Anxiety Sensitivity Index vs fear & anxiety frequency measures, prediction of fearfulness & anxiety disorders, college students vs 20–71 yr olds with agoraphobia vs anxiety disorders, 10827
validity & reliability of Children's Action Tendency Scale & Children's Assertive Behavior Scale & Children's Assertiveness Inventory, 4th–5th graders, 16172
validity & reliability of envy & possessiveness & nongenerosity scales & sentence completion task, measurement of materialism, 13–92 yr olds, 10785
validity & reliability of measure of authoritarian personality, police officers & other adults, 8078
validity & reliability of Pictorial Self Concept Scale, hearing impaired 4–8 yr olds, 5297
validity of academic dimensions of self concept scale relative to scales of Maslach Burnout Inventory, elementary education graduate students, 15898

validity of Adjustment Scale of Personality Inventory for Children as screening measure, identification of behavior disorders, normal vs behavior disordered vs learning disabled 1st–6th graders, 24608
validity of Cassel Type-A Personality Assessment, identification of coronary prone individuals, 18–83 yr olds, 23433
validity of Fear Questionnaire, agoraphobic 18–62 yr olds, diagnostic implications, 10815
validity of Lennox-Wolfe Self-Monitoring Scale, prediction of shrewd & pragmatic behavior style & relationship to shyness & sociability, freshmen college students, 10807
validity of objective personality tests, differential diagnosis, neurotic vs alcoholic vs schizophrenic Ss, 5333
validity of Separation/Individuation Test of Adolescence, 9th–11th graders & college students, 23452
validity to behavioral criteria, free-vs fixed-format self report personality assessment method, male high school students & army officer candidates, 2878
Personality Tests [See Personality Measures]
Personality Theory
addictive behavior & theory of psychological reversals, 12082
analysis of S of published biography or autobiography according to particular personality theory, college students in upper-level personality course, 15688
antisocial vs social concepts of human nature & world peace, conference presentation, 14257
application of group behavior principles to systems theories of personality, 24555
assessment of relationship among social interest & irrational beliefs & identity, medical & college students & psychiatric patients & Benedictine nuns, 27175
autonomous vs social individuality orientations to self, White male vs female 19–72 yr olds, 14503
category breadth & hierarchical structure in models of personality trait concepts & their relations, college students, 27181
Christianity's affirmation of personhood & personality theory, 14279
collaboration & contention between psychiatry & law, model of criminal personality & criticism of K. Schneider's psychopathic personality concept, 30249
comparison of personality theories, 9138
concept of conscious personality & personal consciousness, 3753
concepts of state & trait, implications for theory & research, 17245
congruence & choice models of reciprocal interactionism, college students, 24469
contributions of H. Deutsch to psychoanalytic understanding of female personality, 11852
deintegration concept of M. Fordham, implications for psychoanalysis, 30053
deintegration theory of M. Fordham & synchronicity concept of Jung, 30052
dextroamphetamine vs reserpine & lever press FR 25 schedule for food, open field ambulation as measure of extraversion & resistance to extinction, male rats, test of H. J. Eysenck's drug postulate, 5849
distraction & RT performance, test of H. J. Eysenck's activation theory of personality, 24538
distribution of like-self vs unlike-self judgments & self-other constructs & personal constructs development, 8–18 yr old anglophones & francophones, Canada, 29662
examination of G. A. Kelly's personal construct theory & emotions, 1187
experience as component of personality theory, 9171
factor analysis of teacher ratings of pupil personality traits, relationship of 5 robust factors to other models of personality, 6th graders & their teachers, 16982
formation of personality components prior to old age, male vs female Black vs White 15–60 yr olds, South Africa, cross cultural test of E. H. Erikson's development theory, 24211
historicodevelopmental analysis of interpersonal circle model of trait-descriptive terms & basic axes of affiliation & control, 30001
history of concept of personality, 9126
human relatedness concept incorporating facilitating environment & other aspects of D. Winnicott's theory, psychotherapy, 13 yr old female with school phobia & her family, implications for social casework clinical practice, 22691
location of humor dimensions within personality space, college students, 24549
miniscripts & structural & compound personality types, implications for transactional analysis, 17252
new achievements in middle age as reflected through writings of V. Nabokov, 14111
nomothetic vs demographic vs idiodynamic theories of personality, 19860
personal construct theory, personal styles & psychiatric treatment based on constructive alternativism, clients & therapists, 17752
personal history of author & development of idiodynamics, 30041
personality theories of A. Adler vs S. Freud, 6417
physiological psychology & model of personality & integration of functional ego states in neurobiological approach to transactional analysis, 25122
reasons & suggestions for difficulties in personality research, 14488
reformulation of object relations theory in cognitive terms, 6418
relationships & emotional experience, gay identity development, married male, application of G. A. Kelly's personal construct theory, case report, 27178
relevance of Jung's theory to theroy of narcissism in context of dispute between Freud & Jung, 27207
self psychological theory & therapy & history & meanings of narcissism in psychoanalysis, 4320
sibling differences & role of environmental variables in implicit personality theories, pediatricians & psychologists, 8898
similarity of ratings on personality trait scales of artificial stimulus persons, replication of earlier study, 3776
social constructivist viewpoint of conceptions of personality, 1206
social theory of authoritarianism & sexuality & its application to study of post-World War I fascist regimes, Europe, conference presentation, 9134
sociobiology & behavior genetics research, personality psychology, comments on study of D. M. Buss, 14483
structural organization of personality & their organization in common sense, college students, West Germany & Great Britain, 1205
systematic variability in quality of moral action, college students, examination of moral development theories of L. Kohlberg vs N. Haan, 24547
temperamental system of G. Heymans & application to personality research, 24575
template method as explanation of situational influences in trait theory vs method of evaluating process theories, comment on proposal by D. J. Bem & D. C. Funder, 6396
test–retest reliability & convergent validity of self ratings on 9 point scales, social psychological perspective on social knowledge & scientific conceptions of personality, 109
theory of self, radical criminology, 17130
usefulness of research methods employing classical personality theory outside of Euro-American culture, 11786

focus on training & reorganization of corporate structure, maintenance of competitive edge in airline industry, People's Express, 28803
grid identifying various behavior & styles & job requirements, technical consultant training & targeting, 5051
helmet-mounted stereoscopic vs biocular display as advanced simulator, training performance, military pilots, 16036
Hewlett-Packard HP-41CV hand-held computer, mastery of mathematics part of 45G10 training course, fire control systems repairers, 28685
hospice volunteer training, death anxiety & attitudes & locus of control, hospice volunteers, 28314
human resource accounting methods, assessment of economic impact of human resource programs, 13187
human system performance measurement in training simulators, 2621
identification & diagnosis & response to emergencies, operators of man-machine systems, implications for training, 25964
illegitimate police violence against juvenile crime victims or witnesses or perpetrators, implications for police training, 10597
innovative training programs & participative management, growth from car radio manufacturer to leader in semiconductor industry, Motorola Inc., 28779
learning ability & occupational interest measures, prediction of success in occupational training & employment, female welfare recipients & participants of Work Incentive Program, 23165
left & right brain as metaphor for behavior in application of holistic concepts in education & management programs, comments on view of T. Hines, 26528
long- vs short-term assignments & cross-cultural personnel training, business effectiveness overseas, 5052

low-fidelity simulator, formation of hypotheses based on feasible set of symptom-case pairs & strategy for shifting to evaluation stage, marine engineer trainees, 18726
microcomputers & training needs, manufacturing supervisors, 28686
need for pedagogy in training for informated work places, 31429
needs assessment & design strategy & pilot evaluation & follow-through, assembly line production & technical training development, 5059
negative stereotyped attitudes toward & of sales personnel, implications for training, 13175
organizational training program, employee tensions & discrimination as females enter management positions, 28706
orientation program, attitude & morale & productivity, employees, 10586
payment for employee professional development, employee vs organization, 28692
Peace Corps integrated experience-based program of language & technical & cross-cultural training, volunteers, 5043
perceptions of effectiveness & role & interpersonal interaction & competency & outcome, field training officer program, 23–24 yr old police officers, 25957
perceptions of training needs, female police officer candidates for promotion to rank of sergeant, 25967
performance appraisal training program, management personnel, 28740
personality profile of newcomer vs successful job incumbent, training performance & absenteeism & turnover rate, airline attendants who completed company training program & incumbents, 18732
planning personnel training facility for effective learning, 28693
preferences pertaining to interpersonal communication training needs, police officers & county sheriffs & highway patrol officers, 25958
prolonged weightlessness, otolith tilt-translation reinterpretation, astronauts, implication for preflight training, 13193
provision of procedures in plant operation with vs without instruction in theory of plant, procedural compliance & errors in simulated process, college students, 31426
psychological simulation of task & mental training methods vs training-by-doing, safe training method, machine plant trainees, 25965
rater training programs, quality of personnel performance ratings, literature review, 15975
recommendations for development of training skills, subject matter experts, 31424
retail sales training & organizational support, store performance, 13186
right vs left brain research & information processing, implications for human resources development, 26509
sales training programs tailored to company's sales cycle, 28702
scarcity of job candidates, selection & training & retention policies of service industries, 28699
seniority & training performance & previous job performance & interjob similarity, trainability, textile workers, 31434
separate phased vs combined training exposure to stressors & visual search task & stressor fidelity, males, 31421
software for computer based training programs, 28697
statistical power of training evaluation designs, 2800
strategies for dealing with automation training problems, executives, 28755
strategies to guarantee training transfer, personnel trainers, 13212
structural transformation & technology, economic & work life & training demands in Landskrona, Sweden, 25942
suggestions for successful sales training programs, trainers, 13184
supported work model, competitive employment placement & training & retention, moderately & severely retarded clients, 28203
surveillance & investigation & analysis & evaluation, training needs analysis, 31431
teaching & training as facet of staff supervision, child/youth care workers, 31083
technical training program for high-risk jobs & those which require quickly attained competence, 28698
training at Los Angeles Police Department academy, role perceptions, police recruits, 28704
training in foreign companies, cross-cultural awareness & international business relations, engineers & managers, 5089
training program for learning social customs of foreign countries, specialists being assigned to foreign countries, 15962
training program to improve selling skills, blue collar beer sales force, 28710
training programs for developing high performance skills, 2619
transition from teacher-controlled classroom program to student-controlled learning center, employee trainees with developmental disabilities, 5055
trends in assessment of jobs & learning skills & need for retraining in industry, Great Britain, conference presentation, 5046
video technology in corporate personnel training, 31416
Weaponeer marksmanship trainer, prediction of M16A1 rifle qualification performance, Army troops, 2618

Personnel [See Also Related Terms]
adaptive skills & job adjustment, work flow, employees, 7873
age & employment in same department or profession, diffusion of word-processing behavior, 22–58 yr old research institute staff members, 16008
choosing individuals with characteristics for high performing organizational teams, 28782
co-worker layoffs & their circumstances, work performance of survivors, college students as employees, application of equity theory, 25968
corporate mergers & role of human resources department, coping with physical & mental stress, employees, 28786
design & management of workplace, health & safety, employees, 31494
dimensionality & variation in job characteristics, organizational employees, 31509
drinking patterns at work, job accidents, employees, 23263
education & workplace training & development, employees, 28689
educational level, organizational commitment & intrinsic & extrinsic rewards, employees in professional & managerial & clerical & service & blue collar positions, 26025
expression of affective emotions & degree of affect in interpersonal relationships, managers & subordinates in rail transportation industry, 31531
factor structure of meaning of working, students & business & professional & industrial personnel, Israel, 31515
importance of membership in & acceptance by group, personality congruence & satisfaction with & functioning in environment, 16–70 yr olds in occupational & educational groups, 18774
management practices & employee attitudes & behavior, companies in which most or all employees share ownership of firm, 28798
management style & perceptions of extent of substance abuse & characteristics of employee assistance programs within organizations, employees & program staff & corporate administrators, 10637
model of personal control, employees, 16010
need for employee counseling, workers with plateaued careers, 2610
need for power vs socialized vs personalized power, males vs females in nonmanagerial & professional occupations, 18701
need for theories, relationship between workers & work process, 7872
need to consider optimization of health & safety & well-being of worker in ergonomics, conference presentation, 5127
perception of argumentativeness & verbal aggressiveness of superiors, argumentativeness & job satisfaction, subordinates in organizations, 23264
perceptions of private security personnel, police officers, Canada, 28664
personality characteristics & ratings of program effectiveness, staff members vs residents of correctional halfway houses, implications for program development & staff selection & training, 15426
pre- vs postcognitive recursive vs nonrecursive models of causal relationship between job perceptions & satisfaction, nonsupervisory workers in 5 occupations, 18767
psychodynamics of obsessional neurosis in individual defensive & ritualistic bureaucratic practices, analysis of social character of & adjustment to bureaucracy, new organizational members, 31503
relationship of vocational adjustment to personal adjustment, nonprofessional & nonmanagerial workers, 25953

role perceptions & role of need for clarity & achievement & autonomy, work satisfaction & involvement, Black workers, South Africa, 5093
self management policies of 1956 & 1970, labor unrest & economic reform, workers, Poland, 7832
social support, work stress responses, employees, 18761
stress levels, casino floor employees vs workers in other occupations, 31530
structure of bureaucratic authority & managers' definitions of organizational work situations, dramatic escape & compensation, subordinate employees, 31493
test theory & item analysis procedures, identification of item bias in Hebrew translation of Job Descriptive Index, workers, US vs Israel, 18765
training in guest service tasks, hotel employees, 28688
Type B personality & social support & personal habits & attitudes, stress resistance, employees, 28715
Perspective Taking [See Role Taking]
Perspiration [See Sweat]
Persuasion Therapy
positive reinforcement & persuasion & parent counseling, hysterical blindness, 7 yr old with parents holding strict childrearing attitudes, conference presentation, 25071
Persuasive Communication [See Also Brainwashing]
activation of left vs right cerebral hemisphere & body orientation, persuasibility, right handed college students, 5672
attention paid to staged theft & biased suggestive instruction, eyewitness identification of "criminals", witnesses, 11765
attitude-relevant information in memory & message quality vs length of persuasive communication, opinion change, college students, 14448
classroom exercise, awareness of common persuasion techniques used in advertising, college students, 2382
cognitive responses elicited vs arguments recalled during persuasive communication, attitude change toward energy conservation, preservice elementary teachers, 22905
commercial vs noncommercial advertisement vs news article format, effectiveness of advocacy messages, college students, 26765
construction of persuasive message to familiar vs unfamiliar target, educable mentally retarded children, 9420
credibility of & conformity between message & communicator in persuasive communication, adults, 24472
democratic social engineering as method of social control using small groups & discussion & leadership & participation of objects of control, 1900–50, 29948
effectiveness of "that's-not-all" compliance procedure technique, adolescents & college students & adults, 31576
ego involvement with social skills or career & credibility of counselor presenting reasoned arguments for participation in or career counseling group, attitudes toward counseling, college students, support for Elaboration Likelihood Model, 31336
exchange strategy of influence vs logical persuasion, organizational negotiations, 5092
foot in door vs door in face strategies, influence of favorability of available information on compliance with behavioral requests, literature review, 24471
high- vs low-threat message regarding stimulus written by male, funniness rating of cartoon, females vs males, 3063
information & consumer education & energy conservation, literature review, 31569
method & intention & content & evaluation theses of indoctrination as interactive process, implications for teaching & institutionalized transmission of norms & values, 29956
no vs negative vs positive labeling with vs without touch, foot-in-the-door procedure, Ss approaching university library, implications for work of J. L. Freedman & S. C. Fraser, 24473
noncompliance & relational contexts & actor's gender, compliance-gaining behavior, male vs female college students, 21908
oral information statement &/vs written persuasive communication &/vs public commitment, recycling, households that did not recycle during 6 wk baseline period, 23301
persuasive appeals to male vs female officials of bureaucratic organizations, male vs female college students, 17219
persuasive health message, retention & health attitudes & behavior change, adults, 2003
predictive ultility of M. J. Cody & M. L. McLaughlin typology of compliance-gaining message selection behavior, college students, 29943
reading vs listening to persuasive communication in pleasant vs unpleasant environment, attitude change, college students, 2708
relationship between self esteem & reactance in achievement & persuasion contexts, college students, implications for worker motivation in organizations, 19814
resistance to persuasion skills training & sex, identification of use of resistance to peer pressure, 6th grade students, implications for school health education, 25770
sex of communication on persuasive presentation, opinion change, male vs female college students, 24495
social comparison vs persuasive argumentation processes as mechanisms underlying group polarization, literature review & meta-analysis, 24477
social influence dynamics in discussion of democratic social engineering in small groups, 1900–50, comments on paper by W. Graebner, 29960
student-produced vs quoted metaphors, argument persuasiveness, college students, 4896
timing & order of message presentation, voting preferences, voters, 27060
vivid trial testimony, jury judgments, implications for understanding discrepant findings in mock juror experiments, 17099
Pessimism
cognitions & hopelessness, depression & anxiety, college students, 3763
conception of future & its expression in optimistic or pessimistic terms, 12 & 15 & 18 yr olds, Sweden, 29669
defensive pessimistic vs optimistic cognitive strategies, attributions in performance on anagram task, college students, 29095
family characteristics & coping behavior, feelings of hopelessness, 8–16 yr old cancer patients, 14801
locus of control content dimensions & hopelessness, college students, 1213
performance on measures of hopelessness & social desirability & irrational beliefs, suicidal vs nonsuicidal patients, 6644
positive reframing & paradoxical directives in counseling, negative emotions, college students, 10053
rapprochement crisis during separation-individuation, chronic hopelessness & response to analyst, 30 yr old female, 7076
relationship among results of Beck Depression Inventory & fear of death & hopelessness scale, college students, 19853
retest correlations for Rorschach test variables, hospitalized patients with symptoms of depression &/or helplessness, conference presentation, 8074
self esteem & peer popularity & optimistic vs pessimistic future expectancies for personal self success, 4th–6th graders, 16986
Pesticides [See Insecticides]
Petit Mal Epilepsy
etiology & pathophysiology & clinical & EEG features & diagnosis & prognosis & treatment of pyknoleptic petit mal, literature review, 27539
Pets
acquisition & maintenance of emotional bond with animals, individuals throughout their life span, 8815
attitudes toward pets, 3–13 yr olds, 29711
development of pet placement service, elderly residents receiving community based in-home services, 10029
differential financial resources allocated to pets & zoo animals vs mentally handicapped or emotionally disturbed children, 20268
goldfish aquariums as therapeutic hobby, diastolic blood pressure & leisure satisfaction & relaxation states, 57–94 yr old noninstitutionalized elderly residents in subsidized housing complex, 9672
love of horses as protector & gratifier of genital needs & aggressive fantasy, "horse crazy" 20 yr old female analysis patient, 7068
patterns in care of pets, families & their 10–14 yr old children, 8972
pet death, grief & functioning, families, 8971
pet death, grief responses, pet owners, 9133
pet involvement patterns during vs after transfer, junior vs senior enlisted vs officer families, 8966
pet visiting programs, interactions with family, elderly nursing home residents, 10115
pets & bonding, psychosocial development, preadolescents, 8829
pets, childhood development & socialization, 8890

pets, functional vs dysfunctional family systems, literature review, 9014
pets, interaction patterns, families in military communities, implications for therapy, 8969
pets, promotion of health & social interactions, families, implications for therapists, 8982
projective & social & surrogate function in social interactions, pets, 9101
therapeutic factors in pet therapy, 1699
therapeutic use of dogs in child welfare work, 22657
volunteer work at animal shelter, socialization, adolescent psychiatric inpatients, 10112
Phantom Limbs
dorsal root entry zone thermocoagulation, phantom arm phenomena, nonamputee male 18–62 yr olds with cervical root avulsions & brachial plexus injuries, 25368
Pharmacology [See Also Psychopharmacology]
determination of anxiolytic & anticonvulsant & muscle relaxant properties of CGS 9896, male rats, 23938
discriminative stimulus properties of opioid agonists & agonist-antagonists in animal species & drug effects in humans, implications for drug abuse, conference presentation, 8551
education & role of psychiatric clinical pharmacist, 10204
inhibition of biogenic amine uptake & beta-adrenergic subsensitivity as mechanisms of action of antidepressant drugs, 3278
mechanisms of action & clinical pharmacology & treatment efficacy & side effects of valproate, literature review, 22542
mianserin & its enantiomers & metabolites, noradrenergic transmission & re-uptake & release & relation to mechanism of antidepressant action, literature review, conference presentation, 29468
new group of neuroleptics & antidepressants, tranquilizing & "thymoleptic" & neuroleptic actions, mice & rats, 5923
overview of pharmacologic actions of neuroleptics & affinities for various neurotransmitter receptors, 22580
pharmacokinetic & pharmaco-EEG & psychometric analysis of fluoxetine, 21–27 yr olds, conference presentation, 5930
pharmacokinetics & pharmacodynamics & receptor physiology & clinical use of molindone, literature review, 22525
pharmacological & clinical effects of busipirone vs benzodiazepines, conference presentation, 29482
pharmacological & clinical properties of zopiclone & suriclone, mice & rats & cats, conference presentation, 29432
pharmacological & neurochemical effects of tracazolate, conference presentation, 29463
pharmacology of antipsychotic drugs, implications for interaction with dopaminergic systems, 8519
pharmacology of regulation of appetite & eating behavior, literature review, 8587
profiles of mesoridazine & thioridazine, implications for drug therapy, 30782
taste aversion conditioning paradigm, modification of immune responses, 13950
2,5-dimethoxy-4-methylamphetamine vs N-N dimethyltryptamine, male rats, test of animal model of mechanism of action of LSD in humans, 5814
Pharmacotherapy [See Drug Therapy]
Pharynx
oropharyngeal stimulation, cholecystokinin-induced satiety during sham feeding, male rats, 23885
Phencyclidine
acute adverse reactions to alcohol vs marihuana vs hallucinogens vs phencyclidine & psychological distress, drug use patterns, 10th vs 11th vs 12th graders, 1-yr study, implications for drug abuse prevention programs, 26907
acute vs chronic administration of amphetamine & phencyclidine, stereotyped behavior & locomotor responses & cross-sensitization, male rats, 19449
acute vs chronic administration of phencyclidine, locomotor activity & stereotypy & ataxia & neurotensinlike immunoreactivity in frontal cortex, male rats, 8620
acute vs chronic phencyclidine, EEG activities & gross behavior, monkeys, 5897
affinity for binding at sigma opioid vs phencyclidine receptor site, male rats, 14023
analysis of phencyclidine content in hair vs blood vs urine, 18–55 yr old newly hospitalized patients with acute psychiatric illness, implications for diagnosis of phencyclidine intoxication, 1382
anesthetic phencyclidine vs ketamine, auditory & visual thresholds & RTs, baboons, 26701
antidotal strategies based on symptoms, phencyclidine intoxication, 1920
arylcycloalkylamines vs benzomorphans vs cyclazocine vs other phencyclidine-like drugs, synaptosomal dopamine uptake & radioactive phencyclidine binding & turning behavior, male rats, 11307
calcium channel inhibitors, phencyclidine-induced behavioral stimulation, female mice, 29420
chlorpromazine vs meperidine, phencyclidine psychosis, 20–32 yr old male inpatients, 1921
cocaine &/vs phencyclidine, errors & rates in repeated acquisition of response chains, female patas monkeys, 26753
concurrent presentation of phencyclidine & saccharin, reduction of drug intake, monkeys, 8526
continuous iv infusion of phencyclidine followed by abrupt withdrawal, tolerance to impairment of motor activity & physical dependence, male rats, 19502
dose & route of administration of phencyclidine, disposition & metabolic profile, dogs, 19517
dose of phencyclidine vs morphine vs meperidine vs cimetidine with vs without chronic haloperidol administration, schedule-controlled behavior, rats, 684
food deprivation vs satiation, performance maintained by oral phencyclidine under second-order vs tandem vs FI schedules, monkeys, 630
heroin & methadone & cyclazocine & phencyclidine & naltrexone, acquisition & performance of response sequences, female monkeys, 16723
incidence of phencyclidine intoxication & clinical pattern & treatment course, involuntary psychiatric patients, 9255
ip injection vs smoke inhalation of phencyclidine, discrimination of phencyclidine & brain levels, male rats, 29488
ketamine & phencyclidine & quipazine & synthetic opioid, spike & wave activity in cingulum & amygdaloid complex & septal areas, cats, 3281
light microscopy autoradiography, determination of neuroanatomical localization of phencyclidine/sigma-opiate receptors, rats, 21325
medical & moral issues, phencyclidine abuse, females who bear children, conference presentation, 30280
metaphit, cataleptic effects of drugs like phencyclidine in structure or action, pigeons, 19468
morphine vs phencyclidine, place conditioning, male rats, 16553
patterns of alcohol & drug & phencyclidine abuse prior to hospitalization, 18–59 yr old psychiatric patients, 20526
phencyclidine & chlordiazepoxide & shock, target biting, male mice, 21532
phencyclidine &/vs delta-9-tetrahydrocannabinol, complex operant behavior, patas monkeys, 29483
phencyclidine, active avoidance & escape of shock, male rats, 16708
phencyclidine, dopamine-dependent behaviors following withdrawal from chronic haloperidol treatment, male rats, 26758
phencyclidine-like discriminative stimulus properties of dexoxadrol vs levoxadrol stereoisomers of dioxadrol, male rats, 24026
phencyclidine, 5-HT & 5-hydroxyindoleacetic acid in brain, mice, 16733
problems in monitoring urinary phencyclidine in drug rehabilitation settings, 31022
stereoisomers of N-allylnormetazocine vs phencyclidine, conditioned behavior on multiple FI/FR schedule, pigeons vs squirrels, 655
2nd order reinforcement schedule, FR self administration of phencyclidine, monkeys, 16582
Phenelzine
dexamethasone suppression test & amitriptyline & phenelzine effectiveness, depression with melancholia, 36–58 yr olds with minor closed head injuries, 20413
imipramine vs phenelzine vs tranylcypromine, globus hystericus syndrome, 40–78 yr old females, case reports, 27941

ip injections of phenelzine vs isocarboxazid vs iproniazid vs tranylcypromine, duration of thiopentone-induced anesthesia, male rats, 21550
occurrence of side effects in phenelzine & tryptophan therapy, 28 & 57 yr old males & 31 yr old female with major depression & melancholia or bipolar depression, implications for use of serotonergic agents with MAO inhibitors, 25301
phenelzine, atypical somatization & affective & anxiety disorders, adult females, conference presentation, 12547
phenelzine sulfate, bulimia, 18–45 yr old females, conference presentation, 25331
verapamil, phenelzine-induced hypomania, depressed 48 yr old female, 30719
Phenethylamines
beta-phenylethylamine & its metabolites, binding of 3H-flunitrazepam in rostral forebrain, female mice, 29477
beta-phenylethylamine injections into locus ceruleus, brain noradrenaline neuron activity, male rats, 16699
cold restraint stress, urinary excretion of endogenous beta-phenylethylamine, male rats, 5769
dextroamphetamine vs beta-phenylethylamine, self regulated duration of electrical hypothalamic stimulation, male rats, 29421
dihydropteridine reductase activity & phenylethylamine, 22–61 yr old schizophrenic males, 17429
discriminative stimulus properties of amphetamine vs caffeine &/vs phenylethylamines, male rats, 16657
discriminative training using cocaine as CS & generalization to methamphetamine vs phenylethylamine, cocaine tolerance & cross-tolerance, male rats, 703
electrode implantation with vs without lateral hypothalamic self stimulation & levo-deprenyl, striatal levels of endogeneous beta-phenylamine & behavioral responses, male rats, 21380
pentametric distribution of platelet monoamine oxidase activity & tryptamine & phenylethylamine, 18 yr old males, Sweden, 16435
plasma phenylacetic acid concentrations, dominant hierarchical status, dominant vs nondominant male vervet monkeys, implications for human aggressive psychopathy, 23847
potency of cathinone vs dextroamphetamine, conditioned taste aversion & drug-induced adipsia, female rats, 23976
Phenmetrazine
methamphetamine vs phenmetrazine vs phentermine vs methylphenidate vs pemoline, prevention of motion sickness, Ss with normal vestibular function, implications for drug therapy & space flight, 14006
Phenobarbital
benzodiazepines vs phenobarbital vs anxiolytics, food intake & hyperphagia & receptor binding, male rats, 21492
chronic phenobarbital, synaptosomal sodium transport & membrane fluidity, mice, 16721
chronic phenobarbital vs ethanol, binding characteristics of radioactive flunitrazepam in cerebellum & cortex, male mice, implications for development of tolerance & dependence to ethanol & barbiturates, conference presentation, 16696
diazepam vs phenobarbital vs amphetamine, naloxone-precipitated morphine withdrawal, rats & mice, 26653
diphenylhydantoin & trimethadione & phenobarbital, delayed development & hyperactivity & impaired learning & brain amino acids, rats & their prenatally exposed offspring, conference presentation, 29486
independence in daily life & family relations & self esteem, medication compliance, 9–17 yr old epileptics on phenobarbital regimen, 30729
neonatal exposure to phenobarbital, performance in 8-arm maze as indicator of hippocampal deficits, infant mice, 11329
phenobarbital concentrations in brain & plasma, anticonvulsant effect measured by electroshock seizures, 6 vs 12 vs 24 vs 30 mo old female mice, 16679
phenobarbital prior to pentylenetetrazol, autonomic dysfunction associated with epileptogenic activity, cats, implications for mortality in epileptic humans, 14012
phenobarbital vs clonazepam vs valproic acid vs ethosuximide vs phenytoin, delayed matching-to-sample performance, pigeons, 21571
phenytoin &/vs phenobarbital &/vs valproic acid, leverpressing under FR schedule of food delivery, male rats, 5918
pregnancy, seizure threshold & valproic acid vs phenobarbital vs carbamazepine vs phenytoin disposition & efficacy, late gestation mice, implications for humans, 19383
prenatal exposure to phenobarbital, hypothalamic & striatal dopamine & norepinephrine levels & brain stem tryptophan hydroxylase activity, mice tested at 8 vs 22 vs 50 days of age, 21626
prenatal vs neonatal exposure to phenobarbital, acetylcholinesterase & pseudocholinesterase activities in hippocampus & cerebellum, mice, 21537
sodium pentobarbital vs phenobarbital injections during pregnancy, offspring response to shock, female rats & offspring, 8575
trimethyltin & phenobarbital in repeated doses, convulsions & limbic neuropathology, female rats, 16841
6-hydroxydopamine vs 5,7-dihydroxytryptamine during early postnatal period & subsequent phenobarbital & phenytoin, tonic convulsive threshold & hindlimb extension, rats, 21622
Phenomenology
classification & phenomenology & etiology research in anxiety disorders, 22024
existential phenomenology of J. P. Sartre & R. D. Laing's focus on subjective vs intersubjective dimensions of psychosis, 10695
Heideggerian phenomenological approach to nursing science & quality of life, 14538
methodological principles of phenomenological psychopathology, 27342
phenomenological dimensions of childbirth, female Ss, 20466
phenomenology of J. Sartre in R. D. Laing's theory of etiology of schizophrenia, 30097
phenomenology of manic & paranoid & melancholia states, psychiatric patients, 30228
Phenothiazine Derivatives [See Also Chlorpromazine, Chlorprothixene, Fluphenazine, Mesoridazine, Perphenazine, Prochlorperazine, Promazine, Thioridazine, Trifluoperazine]
computer analysis of voiceprints, diagnosis of tardive dyskinesia, psychiatric patients who had been treated with long acting phenothiazines, 6741
haloperidol & thiothixene & imipramine & lithium & carbamazepine & chlordiazepoxide & pentobarbital & bentropine mesylate & trihexyphenidyl, physical properties of platelet membranes, healthy volunteers, 14076
phenothiazine derivatives, immune response & cytotoxicity, 5920
phenothiazine therapy, agranulocytosis, 35 & 33 yr old males & 64 & 63 yr old females with schizophrenia, 20424
toxic hepatitis as side effect induced by antidepressants or phenothiazines or antiepileptics or anxiolytics or other neuroleptic drugs, psychiatric disorders, 30726
use of caffeinated vs decaffeinated coffee, prescribed dosages of phenothiazines, psychiatric inpatients, 30778
Phenotypes
alcohol & aldehyde dehydrogenase isoenzymes in autopsy liver samples, Native Americans with age range at death of 8 mo to 90 yrs, 5656
intellectual & memory & language functions & phenotypic features, noninstitutionalized 4–63 yr old family members with pattern of genetic transmission of fragile-X syndrome, 30325
phenotype & social background, mate selection, monozygotic & dizygotic twins & their spouses, 3134
phenotype, motor activity & maze & discrimination learning following thiamine deficiency, mice, 23784
Phenoxybenzamine
dextroamphetamine &/vs haloperidol vs chlorpromazine vs phenoxybenzamine vs propranolol, play fighting, juvenile rats, 16554
posttraining administration of epinephrine & pretraining iv propranolol & phenoxybenzamine, retention of appetitive task, male rats vs mice, 29478
Phenylalanine [See Also Parachlorophenylalanine]
discontinuation of low-phenylalanine diet therapy, medical & social functioning, 3.5–11.4 yr olds with phenylketonuria, 27728
intrauterine exposure to phenylalanine, biological & behavioral consequences, infant offspring of female rhesus monkeys, 8596
phenylalanine, attention deficit disorder, 23–35 yr olds, 25333
Phenylethylamines [See Phenethylamines]
Phenylketonuria
benefit-cost analysis of screening program for phenylketonuria detection, newborns, 20438

discontinuation of low-phenylalanine diet therapy, medical & social functioning, 3.5–11.4 yr olds with phenylketonuria, 27728
maternal phenylketonuria & risk to infants, nonhuman primates & untreated mothers, 30449
maternal phenylketonuria induced by parachlorophenylalanine & phenylalanine or phenylacetate, retarded brain development, rat pups, 26698
screening for fragile X syndrome & phenylketonuria, 4–21 yr old autistic males, 1356
valine & isoleucine & leucine administration, neuropsychological test performance, 6–20 yr olds with phenylketonuria, 4498
Pheromones
alteration of photoperiod & food deprivation, presence of urinary chemosignals & age of puberty in females, house mice, 3224
androgen-dependent urinary compounds added to castrate urine vs urine of intact male mice, frequency of estrous cycle, female mice, 26537
color pattern &/vs chemical cues, recognition of & response to male vs female conspecifics, territorial male wasps, 449
consumption of maternal feces containing deoxycholic acid, protection against acute enteritis, preweanling rats, 3114
development of behavioral responses to estrous female chemostimuli, preweanling vs adolescent vs adult male rats, 11102
differentiation of odors of dominant member vs novel male vs S in scented vs unscented areas, male gerbils paired based on dominance status, 23709
estradiol benzoate with vs without progesterone, perception of odor of male urine & facilitation of lordosis, male rats, 23947
exposure to female odors, uptake of deoxyglucose in hypothalamic & limbic structures, male rats, 23855
exposure to scent marking of estrous females, sexual behavior, male rats, 3110
extract containing chemical cues from damaged conspecifics, alarm reaction, western toad vs Cascades frog tadpoles, 419
female mimicry by production of female pheromone, reproductive competence, male garter snakes, 16377
female release of sex pheromones, courtship displays, male American cockroaches, 8368
female sex pheromones, running & upwind orientation & wing raising, male American cockroaches, 8367
Harderianectomization in males, proceptive behavior & aggression & investigation, female gerbils, 16539
homozygous vs heterozygous & H-2-locus genotype of female, preference for female odor, male mice, 23776
immediate vs delayed & magnitude of reward & delay of reinforcement, production of odor cues, male rats, 21224
male contact with model impregnated with odor of virgin females, subsequent attractiveness to other males, sweat bees, 427
male Harderianectomy, proceptive & agonistic behavior, estrous vs nonestrous female gerbils, 8500
matching of odors of mothers & offspring & husbands & wives in determination of olfactory signatures as means of human kin recognition, 13–61 yr olds, 8156
mediation of reproductive isolation by odorous substances associated with territorial defense, house mice, comments on study by T. P. Cox, 13770
pheromone in feces of maternally-behaving female rats, physiological & neurological development, rat pups, 26475
pheromones sprayed onto boar snout & pairing with sexually receptive gilt, aggressive & sexual behavior, bulbectomized & estrogen-treated ovariectomized gilts & castrated prepubertal boars, 21400
preferences for combinations of water & urine as means of detection of reproductive status, intact vs castrated male & estrous vs nonestrous female kangaroo rats, 5631
preputial glands, preference for urine of male vs female pups, mother rats, 16532
prolonged exposure to maternal pheromone, sustained responsiveness, postweanling rat pups, 21262
reactions to sprayed vs excretory urine from strange vs familiar males vs females, male vs female sexually experienced cats, 21270
removal of territorial marker &/or chemical cues & territorial intrusion, territorial prior residence effect, adult convict cichlids, 21249
removal of vomeronasal organs, excretion of male vs female chemosignals that accelerate vs delay puberty in young females & maternal processes, male vs female mice, 23923
retardation of myelin formation, attraction to & consumption of pheromone feces, rat pups, 8366
social status, reproduction & release of urinary chemosignals associated with sexual maturation, female house mice, 13762
testosterone vs dihydrotestosterone &/vs estradiol, copulatory & chemoinvestigatory responses to receptive females, male hamsters, 24013
urinary marking patterns & odors from male mice bred for high vs low aggressiveness, exploratory behavior, male NMRI & female Swiss mice, 23744
urine as possible pheromone in ACTH-induced submissive behavior, prepubertal pigs, 5611
water conditioned by familiar & unfamiliar siblings, water preference & chemosensory recognition of siblings, juvenile coho salmon, 452
Phi Coefficient
3 phi coefficients for testing significance in prediction-configural frequency analysis, 16200
Philippines
ability to combine hunting & reproduction & mothering duties, females of Agta Negrito tribe, Philippines, 21883
creative dream work in high vs low synergy cultures, Malaysia vs Philippines, 11583
culture & personality & values & resistance to modernization, findings incompatible with theory of cultural evolution & professional retreat from research, Filipinos, Philippines, literature review, 26968
demographic characteristics & self concept & study methods, causal attributions for performance on college entrance exam, high school students, Philippines, 4922
frequency & types of discrepancies between migration intentions & behavior, adults, Philippines, conference presentation, 29789
intentions & social support & accessibility of contraceptive services, contraceptive behavior, 15–45 yr old females, Venezuela vs Kenya vs Philippines, 29919
personal & structural background factors & value-expectancy perceptions of place utility, migration intentions & behavior, rural residents, Philippines, 29786
place utility expectations & migration intentions, Egypt vs Kenya vs Philippines vs Thailand vs US, 29805
self concept & sex role attitudes & perceptions of closeness of self to TV & TV exposure, male vs female adults, Japan vs Korea vs Philippines vs US vs UK, 21985
semantic counterconditioning, evaluation of premarital sexual behavior, unmarried middle class English speaking Roman Catholic 15–21 yr old female college students, Philippines, 21890
Philosophies [See Also Animism, Asceticism, Dualism, Epistemology, Existentialism, Fatalism, Humanism, Logic (Philosophy), Materialism, Metaphysics, Mysticism, Nihilism, Pragmatism, Realism (Philosophy), Reductionism]
alchemy as philosophical doctrine & historical counterpart of psychology of unconscious, 7971
alterations in scientific metatheory of B. F. Skinner, 1930–38, 7944
analysis of B. Spinoza's concepts of pride & self abasement using K. Horney's psychoanalytic conceptions, 5209
analysis of S. de Beauvoir's notion of lesbian attitude, conference presentation, 17150
anthropomorphism from psychoanalytic & cognitive psychology & philosophy of science points of view, 20945
antifeminist conceptions of women, 17157
aphorism of G. W. Leibniz & reference to J. Locke's sensualism, 18824
applicability of scientific method to philosophy, 7949
application of constructivism to development of Socola school of psychiatry as alternative to biomedical model, Romania, 123ن6
application of E. Durkheim's arguments to critique of L. Kohlberg's theory of morality, 14133
application of scientific change theories of T. S. Kuhn & I. Lakatos & L. Laudan to history of physics & psychology, 10704
awareness of time order of events in terms of temporal sensations, B. Russell vs F. Brentano, 7965
clash of Christian theology with deterministic psychology & psychoanalysis, 20th century, 978

concept of alienation of human essence through religion in writings of L. Feuerbach, 23335
conception of psychophysical problem & theory of interactionism developed by K. Popper, 11830
concepts of reflectivity as formulated by J. Lacan & R. Decartes & Freud, 18841
contributions of V. Frankl to philosophical foundations of psychotherapy & logotherapy, 1782
creativity & Plato's Ion & Socratic dialectic, 8648
criticism of S. de Beauvoir's analysis of women's sexuality & lesbian identity, implication for feminist movement, conference presentation, 17154
development of Afrocentric paradigm for transpersonal psychology combining modern physics & Eastern mysticism & traditional African philosophy, 20942
developments in philosophy of science & implications for psychoanalysis, 20950
elaboration on social constructionist theory, reply to comments by G. Nettler & A. Kukla, 20937
Freud's attitudes toward religion & philosophy, 28854
Freud's relation with German Romanticism, 16076
hermeneutic inquiry of M. Heidegger vs rationalism vs empiricism, psychology & epistemology, 10720
historical & philosophical bases of psychobiology, reprint of W. Muncie's article, 25067
humans as mental & spiritual entities with physical nature, 28864
identity of process between philosophical activities of L. Wittgenstein & therapeutic activities of S. Minuchin's family therapy, 25205
ideology & social affiliation, conference presentation, 56
ideology of Mao Zedong & manipulation of symbols, perceptions of science & education & art, political leaders, 1961–74, People's Republic of China, 29871
imagination & rational thought in I. Kant's theory of moral judgment, 26111
impact of new philosophy of science on psychology, reply to comments by D. F. Leary & S. A. Muliak & W. L. Stroud, 7958
importance of biographical data & relationship to philosophy of science, comment on interpretation of P. T. Manicas & P. F. Secord, 7976
influence of German-language culture on Freud's thought, 26125
influence of L. Wittgenstein's analytic philosophy of language on P. Watzlawick's theory of clinical psychology, 25052
influence of philosophical anthropology of M. Heidegger on practice of psychiatry & psychotherapy, 17780
intellectual development of P. Ricoeur & contributions to psychoanalysis & other human sciences, 7950
interdisciplinary curriculum for teaching introductory psychology & philosophy & biology, college students, 15694
methodological aspects of S. Scheffler's book "The Rejection of Consequentialism," implications for moral theory, 7945
methodological solipsism in psychology, comments on article by J. A. Fodor, 7951
need for clarification of person & environment terminology in contemporary interactionism, 18830
origin of id in psychoanalytic theory & connection to 19th century philosophy, reply to comments on author's essay, 28873
phenomenological-existential philosophies & psychopathological art, 5988
philosophical concepts of self & Freud's structural theory, 13300
philosophical theories of human reflection by R. Descartes & D. Hume, implications for psychoanalytic therapy, 2782
philosophical world view of science & technology & its implications for counseling, 27816
philosophical/economical analysis of concept of work & its implications, 28677
Plato's concept of The Good as precursor of maximization theory, 23351
psychoanalytic perspective on constructivism, discussion of papers presented at Symposium of William Alanson White Society, 54
psychological view of problems in philosophy & cultural & missionary practice of Constantine St. Cyril & Method, Slovakia, 19707
role of technical rationalism & bourgeois individualism in creation of view of reality, 32
social constructionism & knowledge of world, comments on article by K. J. Gergen, 20940
social constructionist movement in modern psychology, comments on article by K. J. Gergen, 20944
sociology vs literature as appropriate philosophy of life in industrial society, 971
synthesis of philosophies & psychoanalytic humanistic & behavioristic theories, 2796
team teaching of radical behaviorism & cognitivism by college psychology & philosophy departments, 31197
theological & political & social aspects of biblical parable of prodigal son & Enlightenment writings on conscience, 984
theories of H. L. Hart on language structure, legal ideology, 29906
universal experience of fragmentation/holism & statement of motion picture "E.T. the Extra-Terrestrial", 3342
use of term Calvinism to denote opposition to individual & social improvement, psychologists, comment on view of G. W. Albee, 7962
value of philosophic psychology, 18820

Phobias [See Also Acrophobia, Agoraphobia, Claustrophobia, Dysmorphophobia, Ophidiophobia, School Phobia, Social Phobia]
age at onset of disorder, adult outpatients with agoraphobia with vs without panic attack or simple vs social phobia or obsessive compulsive or panic or generalized anxiety disorder, 3943
age regress hypnotherapy, deconditioning of phobia & reconstruction of memories of traumatic event, adult phobic clients, 22605
alcohol abuse, agoraphobic vs panic disorder vs simple vs social phobic vs generalized anxiety disorder patients, 27377
avoidance-extinction responding in conditioning paradigms with Pavlovian safety signals, model for phobias & treatment by flooding, rats, 10735
behavior therapy, multiple phobias & grief, 29 yr old male following 1st wife's death, 4455
behavioral psychotherapy, phobic & obsessive compulsive & other anxiety disorders, 1885
brief exposure to phobic stimulus, subsequent phobic response, female college students, implications for incubation & sensitization theories, 21202
childhood experience & learning & memory formation & hormonal or environmental stress, acquisition & reinstatement & extinction of conditional phobias & fears, 14614
childhood separation anxiety disorder & sudden object loss, development of panic disorder, adults with panic disorder vs small-animal phobia, 19994
clinical & demographic & etiological characteristics, 16–40 yr olds with phobias of blood & injury & illness, literature review, 1390
clinical process & outcome methodology in investigation of systematic desensitization & psychophysiology, 21–37 yr old dental phobics, 27900
content of psychotherapeutic session, skin conductance response, 37 yr old female with multiple phobias & anxiety, 17805
contextual therapy, phobias, patients in clinic of medical center, conference presentation, 1730
correlations between symptom-related constructs & effects of desensitization, spider phobics, 17436
counterphobia, aircraft pilots with phobic-anxiety states, comment on O. Fenichel's study, implications for personnel selection, 6578
counterphobia phenomenon in therapy, phobic patients, 9756
cross-sample generalizability of Fear Survey Schedule-III dimensions, invariance of phobic factors, noninstitutionalized phobics vs heterogeneous psychiatric inpatients, 26189
development of self report questionnaire, measurement of distress & assertive behavior in interpersonal relations, phobic outpatients, 28928
diphasic nature of vasovagal fainting, 20 yr old female with blood-injury-illness phobia, 1389
direct conditioning or observation of collision or transmission of information, driving phobias, adults, 3896
direct vs indirect acquisition of phobia, outcome of behavioral vs physiological vs cognitive treatments, phobic patients, 9852
education on physiology of their feelings & phobic responses, 58 yr old female with agoraphobic & claustrophobia & 60 yr old male with phobia, implications for social work, 18209

educational aspect only vs entire procedure of stress inoculation training, dental anxiety & pain tolerance & follow through with appointment, dental phobics, conference presentation, 9849
epidemiological & demographic & clinical features of anxiety disorder, literature review, 19975
epidemiology & natural course & risk factors of phobic & obsessive compulsive disorders, adults, conference presentation, 1815
etiology & maintenance of severe animal phobias, 22–57 yr old behavioral treatment outpatients, 1333
exposure therapy in morning vs evening, anxiety & endocrine & cardiovascular responses, 25–43 yr old females with severe animal phobias, 20359
exposure to neutral vs phobic slides, distress & cortisol levels in urine & electrodermal activity, Ss with blood & mutilation vs snake or spider phobias, 19918
family therapy, 14 yr old female with school phobia & her phobic parents, 22468
generalization effects of exposure treatment for phobias, 20 yr old female who presented with fears of death & losing control of self & excessive vulnerability to criticism, 25255
graded exposure in vivo & cognitive restructuring, 23 yr old female with scriptophobia, case report, 27888
hypnotic regression & reframing, 30 & 38 yr old females with insect phobia, 6933
hypnotically induced covert modeling, desensitization of escalator phobia, 43 yr old female, 18128
indirect hypnotic techniques, 34 yr old female with nyctophobia since childhood, 4–12 yr followup, 20434
model for avoidance behavior, flooding & emotional & avoidance response extinction, animals vs humans, Spain, literature review, 7136
motivational & emotional components of memory & attention & search processes, regulation of behavior, phobic patients, implications for treatment, 24719
multifaceted exposure program, disease phobia, 27 yr old male, 12-mo followup, 9862
multilevel systemic approach, 8 yr old quadraplegic female with phobic symptoms & deteriorating mood following fulminant meningitis, implications for child psychiatry, conference presentation, 25070
muscle tensing &/vs cognitive coping strategies, fear ratings & heart rate, 37 yr old male who fainted with exposure to injury stimuli, 6- & 30-mo followup, 22496
phobic content slide, cardiac response, snake- or spider-phobic 16–61 yr olds, implications for orienting response., 27367
prepared conditioned stimuli, characteristics of phobias, patients with specific phobias, replication of experiment by P. De Silva et al, 20004
propranalol vs atenolol administration, anxiety & heart rate & blood pressure & peripheral temperature, phobic 24–55 yr olds, 25285
psychological & physiological correlations & music & central & autonomous nervous system activity, cardiac-phobic patients, 1373
reliability & generalizability of Fear Survey Schedule & Fear Questionnaire across samples & gender & nations, measurement of phobic dimensions, review of research, 116
repeated exposure to behavior approach-avoidance tests, validity of treatment outcome measurement, 20960
short term dynamic psychotherapy, phobias & mildly obsessive compulsions, patients, conference presentation, 1805
simple vs social phobia vs agoraphobia vs obsessive compulsive vs panic disorder & sex, expressed fears, female vs male psychiatric patients, 22133
subjective ratings of physiological reactions & negative cognitions, 15–68 yr olds with blood phobia vs small animal phobia vs social phobia vs agoraphobia vs claustrophobia, 6526
systematic desensitization treatment, phobia of babies, 20 yr old married female, 1-yr followup, 12510
treatment outcome, inpatients with cardiac phobia & depression, 2.5-yr followup, conference presentation, 24691
validity of DSM-III subgroups of anxiety states & phobias, patients meeting DSM-III anxiety disorder criteria, 23483

Phobic Neurosis

medazepam, patients with neurasthenic or depressive or anxiety or phobic neurosis, 7157
sociocultural factors, identification of phobic states presenting as somatic complaints, 15–65 yr old psychoneurotic patients, Nigeria, implications for psychotherapy, 9307

Phonemes [See Also Consonants]

ability to discriminate selected acoustic cues for distinctive phoneme features in word discrimination task, 34–72 yr old Broca's vs conduction aphasia patients, 24935
age, phonemic processing RT during picture recognition task, male vs female children vs adolescents vs adults, 14152
auditorily presented sentences containing phonemes similar to target, time needed to detect target phoneme, college students who were native speakers of English, 10947
classification of phonemic errors, aphasic 30–53 yr olds, Finland, 6826
harmonics & estimation of 1st formant frequency, 21128
identification of /p/ & /v/ in English minimal pairs spoken by native Arabic speakers learning English, native English speakers, Jordan, test of contrastive analysis hypothesis, 16846
lists of word pairs with varied lexical & phonological & orthographic factors, speed & accuracy in production of phonemic Spoonerisms, 18–40 yr olds, Australia, 19522
markedness analysis of consonant & phonemic errors in naming & narrative tasks, 58 & 59 & 73 yr old males with apraxia of speech, 25018
nonsense-syllable stems with varied accessibility of segment & feature categories & place/manner articulation of possible suffixes, learning of suffixing & phonological rules, college students, 13650
patterns of phoneme identification disorder, 22–62 yr olds with cochlear vs 8th nerve disorder, 12210
phonemic training program, phonemic-synthesis test scores, kindergartners, 1-yr followup, 4862
phonemic vs semantic partial information clues, guessing target words, 13–48 yr old patients with left vs right frontal vs temporal vs right frontal-temporal lobectomies, 14877
signed target phoneme & traditional therapy, acquisition of target phonemes, 5 yr old male with developmental apraxia of speech, 7304
stages of acquisition of phonemic split, functionally misarticulating male 4.9 mo old, implications for normal language acquisition & foreign language learning, 27491
TRACE II model of speech perception & interactions of phoneme & word perception, 10942
training with attentional cues, phonemic restoration illusion, adult Ss, 16282
treatment withdrawal, production of target behaviors in untrained single words vs connected speech in phoneme acquisition process, phonologically impaired 4–4.8 yr old males, 7302
visually presented VCV nonsense syllables, identification of visual phonemes, hearing impaired 22–62 yr olds, 4180
vowel normalization based on machine classifications of speaker vs phoneme information in short vowels occurring in constant context, male vs female Finnish speaking 20–45 yr olds, 8185

Phonetics

acoustic analysis of perceived diphthongs vs pairs of vowels in Maithili, Nepal & India, 5435
acoustical & perceptual bases for phonetic distinctions in language, 21140
age at onset of meaningful speech, phonetic inventory size & place & manner of articulation of consonantal phones, 15 vs 18 vs 21 vs 24 mo olds, 11453
anxiety level & cognitive vs emotional mode & high vs low degree of stress, phonatory & articulatory processes during speech production, college students, 26768
cognitive theory of phonetics, speech synthesis & automatic speech recognition, 16284
communicative value & nonsegmental features, sequence length & pause & vocalization duration, 4–6 mo olds, 19586
consonant attraction, linking at phonetic syllable level & verbal fluency, native English-speakers vs German-speaking learners of English, 14090
corrective feedback, initial vs final consonant deletion in utterances, 4 vs 5 yr olds, implications for reading education, 29587
deficit in phonological processing abilities, performance on reading & spelling & immediate memory tasks, 21 yr old female college student, 22215

developmental processes in children's production of their native language, pronunciation & final stops in CVC English words, adult native speakers of English vs Polish vs Spanish vs Chinese, 717
diphone speech synthesis system, conference presentation, 82
explicit phonetic analysis of speech & reading acquisition, literature review, 804
first formant masking effects at different decibels, identification of voiced stop consonants, adults with sensorineural hearing loss, 4121
higher formant frequencies & relative amplitude levels of 3-formant stimuli, identification of /i/ & /y/ & RT, college students, Finland, 5426
identification of whispered vs phonated isolated vowels, 22.2–32.8 yr olds, 5436
incidence of velar vs palatal fronting, 31–54 mo olds, 6072
integration of fricative-vowel syllable information across nonlinguistic sounds, adult Ss, 24060
lists of word pairs with varied lexical & phonological & orthographic factors, speed & accuracy in production of phonemic Spoonerisms, 18–40 yr olds, Australia, 19522
metathesis & favorite sound usage in phonological pattern, 4 yr old phonologically disordered male, clinical implications, 6701
modulation-analyzing model of speech perception, 21136
nonsense-syllable stems with varied accessibility of segment & feature categories & place/manner articulation of possible suffixes, learning of suffixing & phonological rules, college students, 13650
orthographic vs phonetic memory coding using cued recall, 10.9–14.4 yr old dyslexic readers, 22210
performance on tests to measure phonetic analysis of speech, 4–6 yr olds, literature review, 8713
phonetic & syntactic constraints, articulation of /k/ & /l/ sounds, 21130
phonetic change in received pronunciation of vowels in English, Great Britain, 1949–66, 5960
phonetic characteristics of vocalizations during interaction with mother, 13 mo olds, 8752
phonetic contexts, control of duration of fricatives /s, z/, 49–73 yr olds with Broca's aphasia, 4140
phonetic features of primary vs secondary responses containing vowel-consonant syllables, response latency & accuracy, college students, expansion of interactive-activation model of speech production, 5971
phonetic tendencies & consonant use in babbling & early words & phonological word-selection patterns, 16 mo olds, 7-mo study, 26871
phonetic vs semantic thought processing, recognition, college students, implications of noise effects, Spain, 29121
phonetics vs phonology as defined in linguistics, application to speech pathology vs phonetic & phonological disorders, 9480
presentation of words in 1st vs 2nd languages, acoustic vs semantic coding in long term memory, 18–30 yr old Hindi- or Nyanja-English bilinguals, 5973
production & perception of articulatory continuum for English fricatives, 21139
selective adaptation in boundary shifts & acoustic structure of French voiced stops, detection of place of articulation, French speaking college students, replication of experiment by W. E. Cooper, 21138
sex roles & percentage of nasal consonants in mother vs father names & in infant babbling, 29597
social motivational factors, segmental phonological style-shifting, male English speaking broad-accented radio personality & entertainer, Wales, 29512
spectral rate-of-change & endpoints in diphthongs, dynamic processing of speech, 21125
steady-state formant frequency patterns & place of articulation, identification of vowels & stop consonants in syllable initial position, 18–51 yr olds with dyslexia, 12136
suprasegmental variables identified by acoustic correlates of stress & pragmatic function of repair vs original utterance in conversation, preschool age children in age & ability groups, 6069
temporary memory skills, early reading ability, 2nd graders, Japan, 11435
terms "phonetics" & "phonology" as applied in study of speech pathology, 9479
trading relations among acoustic cues in phonetic discrimination task, college students, implications for phonetic classification, 269
transcription of phonetic detail in speech, unintelligible 5–8 yr old males, 12145
use of phonetic rules in automatic speech recognition, conference presentation, 104
voice onset time & vowel duration in identification of object or action pictures, acquisition of voicing contrast for English stop consonants, Arabic speaking 2–5 vs 7–11 yr olds with 2–12 vs 18–54 mo of English experience, 19593
vowel pairs with same phonetic qualities & different acoustic characteristics, paired comparison judgments, college students, test of accuracy of perceptual features obtained in multidimensional scaling studies, 16274

Phonics
phonic instruction & application of phonic rules in inferential learning of word pronounciations & reading education, 28428
reading by phonics or letter-training vs visual or word-training, transfer of learning, male vs female college students, implications for language teaching, 4873

Phonology [See Also Consonants, Phonemes, Phonetics, Syllables, Vowels]
activation of semantic & phonological coding processes during reading, adult Ss, 19100
articulatory suppression, reading latencies & retention of text, 7.9–8.6 yr olds, Greece, evidence for role of phonological recoding, 29638
characteristics of phonological processing & problems in learning to read & write, literature review, 12135
coarticulation vs phonological assimilation & phonemes & phonological segments as physically definable entities, discussion of debate in papers by R. E. Hammarberg vs C. A. Fowler, 16847
distinctive features phonological theory, study & treatment of articulation disorders, 4084
homonymy in children's rudimentary phonological systems, response to criticism by M. Vihman, 8744
level of reading progress, nonlexical vs lexical substitution errors & phonological mediation on word reading tests, 6 yr olds, 28492
lexical analogy in interpretation of ability to read aloud nonwords embedded in words, male phonological dyslexic patient, comments on study by V. A. Bradley & M. E. Thomson, 6677
metathesis & favorite sound usage in phonological pattern, 4 yr old phonologically disordered male, clinical implications, 6701
nature of phonological processing in oral reading, patient with dyslexia, 4065
nonwords & high vs low frequency Hebrew words & pointed vs unpointed spelling & semantic context & word length, phonological encoding in lexical decision task, college students, Israel, 13666
orthographic syllable structure & phonological representation of words, RT & performance on syllable detection task, college students, 8186
phonemic segmentation skill & reading achievement, 1st graders, implications for reading education, 2442
phonetics vs phonology as defined in linguistics, application to speech pathology vs phonetic & phonological disorders, 9480
phonological analysis procedures, 4 & 6 & 7 yr olds in speech-language clinic for phonological remediation, 7303
phonological coding & inner speech & short term memory, patients who are dysarthric due to brain damage, 20113
phonological constraints, transition from single-word to combinatorial speech, male from 11–23 mo old, longitudinal study, 29594
phonological deficit & reading & spelling of nonwords, 10 yr old male with developmental phonological dyslexia, case report, 24843
production of action vs object words, language-impaired 2.7–3.3 vs language-normal 1.4–2.1 yr olds, evidence for relationship between phonology & semantics, 4081
prose passage reading & comprehension task while performing concurrent tasks, use of phonological codes in reading, college students, 5480

rhyme priming to visually dissimilar rhymes in lexical decision task, access & maintenance of speech-based codes in sentence comprehension, college students, 24053
semantic vs phonological processing skills, deep dyslexic-type errors in word recognition responses, 7–8.8 yr olds with severe reading disabilities, 6694
Spanish vs English phonological & syntactic structure, frequency & location fluency breakdown, 50 yr old male bilingual stutterer, 1499
spelling-to-sound regularity, pronunciation of low frequency words, criticism of articles by M. S. Seidenberg & Seidenberg et al, 21639
spelling-to-sound regularity, pronunciation of low frequency words, response to criticism of D. Norris & G. Brown, 21641
temporary vs permanent extrasyllabic consonants & rule of shwa insertion or deletion, inflectional processing, college students, 3354
terms "phonetics" & "phonology" as applied in study of speech pathology, 9479
time course of phonological code activation in English vs Chinese writing systems, native speakers of English vs Cantonese, 5976
visually presented letter strings, phonological coding & access to mental lexicon, college students, 10958
Phosphatases
behavior & family therapy & fructose-free diet, deficiency of fructose-1,6-diphosphatase & hypoglycemia & overanxious disorder & developmental disability, 14 yr old female, 22356
carbamazepine, inhibition of erythrocyte sodium-potassium adenosine triphosphatase by ammonium metavanadate, manic depressive females, 1942
sodium-potassium-stimulated & magnesium-dependent adenosine triphosphatase, development of membrane potentials & postnatal ontogenetic development of epileptic reactivity in motor cortex, male rabbits, 26679
Phosphatides
electric shock, sulfhydryl & phospholipid groups of endogenous opioid agonist & antagonist receptors in synaptic membranes, male rats, 21433
ethanol consumption, acyl group profile of phosphatidylcholine & triacylglycerols in serum, miniature swine, animal models of alcoholism in humans, 16627
perinatal exposure to soy lecithin, brain cell maturation & sensorimotor development, rats, 26557
phosphatidylserine, retention of passive avoidance & performance on psychomotor tasks, aged rats, 5829
purified soya lecithin, plasma choline levels, Alzheimer's disease patients, 22558
tendency of cholinergic neurons to utilize choline in membrane phospholipids as structural component & as source for acetylcholine synthesis, pathogenesis of Alzheimer's disease, 30485
Phospholipids [See Phosphatides]
Phosphorus
subacute soman intoxication, regional sensitivity of neuroleptic receptors, rats, 8617
Phosphorylases
protein kinase C & protein F1, synaptic & behavioral plasticity, literature review, implications for spatial information storage, 23829
Photic Threshold [See Illumination, Visual Thresholds]
Photographic Art
society as a photographic culture, US, 14100
Photographic Memory [See Eidetic Imagery]
Photographs
ambiguous photographs, overcoming psychotherapeutic resistance, illustrative case examples of 40 yr old female & 50 yr old male, conference presentation, 25159
experimental evaluation of pictures for projective tests, psychiatric patients, 13442
high vs low kinetic structure & unified vs varied micrograph content, acquisition of scanning electron micrograph reading skills, college biology students, 25774
knowledge of photography & responses to photographs, pre-operational or concrete operational 2nd graders vs late concrete operational or formal operational 6th graders, 8753
object vs photograph training, acquisition & transfer & generalization of category labels, severely retarded 5–21 yr olds, 18009
photographs vs line drawing caricatures of individuals, RT on name recall & face recognition & name-face verification tasks, college students, 13697
psychiatrist's theoretical orientation, multidimensional analysis of facial expressions in photographs, 25–50 yr old psychiatric patients in subacute or chronic phase of manic psychosis, 1880–1900 vs 1920–40, 27333
psychiatrist's theoretical orientation, multidimensional analysis of facial expressions in photographs, 25–50 yr old psychiatric patients in subacute or chronic depressive state, 1880–1900 vs 1920–40, 27334
rapid presentation of series of color photographs, determination of which photograph appeared within black outline rectangle, college students, investigation of illusory conjunction of pictures & forms, 10918
use of family photographs in treatment, 36 yr old female with anorexia nervosa, conference presentation, 25161
Photopic Stimulation
background, spatial properties of cone-rod interaction, adult Ss, 23535
duration & size of peripheral vs foveal targets during scotopic vs mesopic vs photopic stimulation, duration of visual presentation in probe matching task, adult O's, 29048
EEG spectral analysis & visual EPs & photic-driving as correlates of personality & memory, 18–30 yr olds, 3204
intermittent photic stimulation induced photic driving as diagnostic technique for brain tumors, 54 yr old female with left mastectomy & parietal lobe tumor, case report, 24999
light-induced retinal damage, CFF frequency at scotopic & photopic luminance, male rats, 5812
retinal illuminance during color-matching of monochromatic lights in 10° field, visibility curves, 19–67 yr old Os, 5414
scotopic background stimulation, photopic increment thresholds, adult Os, implications for cone-rod interaction, 13543
spatial frequency vs exposure duration of gratings at various eccentricities, spatial contrast sensitivity & temporal integration functions in foveal vs peripheral vision, experienced Ss, 21323
Photoreceptors [See Also Cones (Eye), Rods (Eye)]
bleaching of rhodopsin in isolated retina & background light & test flashes, responses of photoreceptors & increment thresholds, skates, conference presentation, 540
chronic stress, neuronal cell death in retina, male vs female rats, 23896
conditioning-induced enhancement of type B photoreceptor depolarization & acquisition & retention of associative learning, nudibranch mollusks, 23792
electrophysiological correlates, extinction of associative conditioned behavior, nudibranch mollusks, 8296
mixing of red & green cone signals by photoreceptors in outer retina, turtles, 26515
morphological & electrophysiological features of photoreceptor cells in visual system, marine gastropods, conference presentation, 29281
photopic spectral mechanism, rats, 16444
response properties of retinal horizontal & photoreceptor cells, tree squirrels, 29283
responses of segment of primary visual cortex, monocularly deprived vs normal rabbits, 13937
Stiles-Crawford effect, blowfly, 23836
study of visual pigment ecology & color vision & extraretinal photoreceptors, invertebrates & vertebrates, literature review, conference presentation, 523
Phrases
acceptability judgments of adjective/noun switches inside noun phrases, Spanish-English bilingual college students who had code-switched since childhood, 731
antecedent length & consistency, surface coping vs discourse model strategies in comprehension of anaphoric verb phrases, college students, 8639
qualification phrases, measurement of spontaneity in extemporaneous vs impromptu speeches, 1st yr medical students, 8643
Phrenic Nerve [See Spinal Nerves]
Phylogenesis
cerebral lateralization & evolution of brain morphological asymmetries, lower vertebrates, 519

Physical Agility [See Also Physical Dexterity]
comprehensive assessment of physical ability & functioning & psychosocial adjustment & pain perception, 20–62 yr old chronic low back pain patients, 26182
perceived physical self efficacy, female vs male 42–74 yr olds, 14156
Physical Appearance [See Also Physique]
accent of Indian male & visual information, impression formation, White adolescents, England, 19662
anthropometric variables & canonical correlation analysis of assortative mating, couples of Jewish ancestry with husband in military service, Brazil, 27108
clothing choice & management of appearance in dealing with stigmata, college students with physical disabilities, 17607
contrasting hair color & facial expression & profile types in photographs, selection of photograph of mate preferred in long term husband-wife relationship, male & female college students, test of minority-type mating advantage, 29970
endowment of therapist's gaze & appearance with object relational significance & meaning to self development, psychotherapy patients, 25124
ethics in facial surgery, children with Down's syndrome, 7341
face vs civilian clothing vs police uniform conditions, perceptions of attributes of male 21–27 yr old police recruits, female 13–16 yr olds, New Zealand, 24229
facial appearance & speech style & handwriting, personality attributions, college students, 21951
low vs high neuroticism, life stress & concern about eating & body weight & appearance, 18–55 yr old females, 17250
minor physical anomalies, prediction of personality, college students, 24562
perception of female protagonist on TV, 3–5 vs 6–7 vs 9–10 yr olds, 8851
physiognomic similarity in photographs of engaged & newlywed 18–28 yr old couples, pairing judgments, 18–33 yr old judges, implications for mate selection, 29939
sex & race, preferred traits of prospective infant, Black vs White male vs female 6th–7th graders, 11483
slides vs passage and/vs photographic presentation & dress of rapist & victim, attribution of rape responsibility, college students vs 50–74 yr olds, 29998
Physical Attractiveness
adult female facial features, judgment of attraction & attribution & altruistic responses, adult males, 21934
age & cross cultural differences, self concept & self esteem & attitudes toward bodily physical attractiveness & effectiveness, 7th graders vs college students, Japan vs US, 916
anxiety & physical attractiveness & level of social skill, unmarried White 18–30 yr old males & female confederates, 21942
applicant sex & physical attractiveness & type of job & rater, perceived performance & personality ratings & employment decision, college students vs professional employment interviewers, 31422
applicant's physical attractiveness vs sex vs qualifications, evaluation of applicants for managerial position, sex typed vs androgynous college students, 6352
attractive vs unattractive intruder of interpersonal space, emotional responses, replication of study by C. Kmiecik et al, 3664
attractiveness & perceived security of parking lots adjacent to commercial vs multifamily residential structures, college students, 23308
attractiveness ratings of photographs of White females vs males, female vs male Cruzan vs American residents, Virgin Islands, 9112
attribution of physical attractiveness of pictured Ss, categorization into groups from which social identity is derived vs social deviance group, 11th & 12th graders & college students, Canada, 24190
being in love, perception of stranger's physical attractiveness, college students, 3696
candidate gender & physical attractiveness & office prestige & responsibility & vote characteristics, outcomes of mayoral or county clerk elections, college students, 24396
caste, perception of attractiveness of photographs from same vs different caste, 35–40 yr olds, India, 11772
child's physical attractiveness, prediction of child abuse, college students rating photographs of 10–13 yr olds, 12104
degree of social support & physical attractiveness & social skills, male vs female college students, 1155
early pubertal development & physical attractiveness, popularity & body image & self esteem, female 6th graders, 3409
expert & referent influence & counselor physical attractiveness & client & counselor sex, perceptions of counselor's professional & personal attributes, college students, 15326
facial & full-length ratings of peer attractiveness, prosocial vs aggressive behaviors, male vs female 2.8–5.6 yr olds, 6153
facial attractiveness rated by college students, academy performance & rank attained 12 yrs later, White male military service academy graduates, implications for organizational stereotyping, 18731
facial attractiveness, visual preferences for faces, 3 vs 6 mo olds, 3458
facial disfigurement & precautiousness & physical attractiveness of victims, verdicts, college students as jurors, US vs Great Britain, 3702
factors in perceived attractiveness of father, late adolescent daughters, 3595
female counselor race & physical attractiveness, client impressions & expectations, Black vs White female college students, 28119
female's 1st name, perception of female attractiveness, college students, 17229
individual differences & sex roles & locus of control, cosmetics use, female college students, 24503
interactional context & gaze behavior & arousal source, nonverbal & affective reactions & interpersonal attraction, male college students, 3680
married vs unmarried persons with vs without facial deformity, perceptions of physical attractiveness, college students, 24502
peer appraisal of attractiveness, self appraisal of attractiveness, 4th–8th graders, 6120
physical attractiveness & maladjustment, 17–49 yr old female vs male newly admitted psychiatric inpatients, 20503
physical attractiveness & school performance assessed by GPA, 5–12 yr old students, Lebanon, 10461
physical attractiveness &/vs gender role behavioral information, inferences of stereotypic dimensions, male & female college students, 24513
physical attractiveness stereotyping & individual differences in cognitive structure & political party affiliation, active party supporters, Canada, 1147
physical attractiveness stereotyping in verbal messages & sexism on TV commercials, college students, 21882
premorbid adjustment & physical attractiveness & adequacy of present interpersonal behavior & hospital adjustment before discharge, length of time before readmission, male vs female 18–56 yr old psychiatric patients, 24629
research methodology & societal norms & advertising & importance of attractiveness, criticism of studies by E. Berscheid & T. F. Cash & E. Garfield & K. Ottomeyer, 9084
ritual hair grooming behavior & perception of themes in grooming TATs, 18–26 yr old consumers, implications for marketing, 13283
semantic differential assessment of self perception vs personal ideal of beauty, 16–26 yr olds undergoing surgical correction of maxillo-facial deformities, 9993
sex & age, ratings of physical attractiveness, 10–70 yr olds & over, implications for work of S. J. Holmes & C. E. Hatch & D. Symons, 24205
sex & ratings of perceived mature vs immature facial features, perceptions of social dominance & attractiveness, college students, 6364
sex role & homosexuality attitudes, inferences of homosexuality & perceived physical attractiveness of female, male vs female college students, 3625
willingness to seek help from attractive co-workers, male vs female college students, implications for impression management, 19788
Physical Comfort
acne or psoriasis or eczema, physical discomfort & personal & social life, 16–79 yr olds, 6802
lifting of boxes from floor to waist vs shoulder vs from waist to shoulder, perceived exertion via heart rate & body part discomfort, 31538

use of video display units, visual discomfort level & visual function, data preparation & word processing personnel, 16030
Physical Contact
beginning of playing interaction through cutaneous contacts, mothers & their 0–6 mo olds, 8822
developmental value of appropriate teacher-child physical contact in early childhood programs, 7673
early handling, selection of alcohol, inbred strains of male mice, 8274
gender & sexist touching behavior in classroom, teachers, 2465
handling, selection & consumption of ethanol vs tap water, 60 vs 90 vs 120 day old C57Bl/10J vs BALB/cJ vs C3H/21bg male mice, conference presentation, 16475
handling vs ACTH vs naloxone, preening behavior, chickens, 16506
initial pattern of newborn handling, new mothers vs female nursing students during 1st day at hospital nursery, implications for assessment of maternal attachment, 14325
model of thermal limitation of body contact, mother rats & their young, 3115
no vs negative vs positive labeling with vs without touch, foot-in-the-door procedure, Ss approaching university library, implications for work of J. L. Freedman & S. C. Fraser, 24473
perceptions of counselor touch conditions in counselor-client interaction, male vs female 19–65 yr old counselors vs clients, 10058
photographs of cross- vs same-sex touching vs nontouching interactions, affective reactions, male & female adults, 14431
postnatal handling between birth & 21st day, glucocorticoid receptor concentrations in brain regions, rat pups, 11163
preference for holding infant on left side, males vs females, 21830
role of touch in therapy, counselors & clients, literature review, 22702
sodium salicylate, brain temperature & intervals between maternal contact bouts, female rats & their offspring, 13956
touching behaviors, 15–22 yr old winners vs losers of university championship swimming meets, 9086
Physical Development [See Also Motor Development, Neural Development, Prenatal Development, Psychomotor Development, Sexual Development, Speech Development]
behavior disorders & plasma testosterone, male adolescents with abnormal rate of sexual development & psychopathological syndrome, 9497
biological maturation & peer relations in socialization process, females studied from age 8–25 yrs, longitudinal study, 21669
caloric intake, weight gain, 2–28 mo olds with organic vs nonorganic failure to thrive syndrome, 17554
casein- vs cereal-based diet & varied costs of procurement & expenditure, food intake & meal patterns & growth, 50 day old male rats, 26568
casein- vs cereal-based diets, growth & food intake in self selection paradigm, weanling male rats, 26577
clinical analysis of physical & temperament development through drawings, male twins followed from 2 to 5.3 yrs of age, 3377
craniofacial growth as well defined perceptual category defined in terms of geometric invariants, 13519
development of behavioral & biological systems & effects of experience with testing situation & individual differences, male vs female gerbils from birth to 5 mo of age, 11047
development of CNS, 6–13 yr olds with speech & language disorders, 24850
development of facial asymmetries, 3 day olds vs 2–4 vs 18–24 yr olds, 8670
dorsomedial hypothalamic nuclei lesions, diurnal patterns of plasma growth hormones, growth retarded male rats, 13918
early onset of anorexia nervosa, breast development & growth in height & stature & delayed puberty, 14.8–24 yr old female patients, conference presentation, 24979
ethanol, somatic development & maternal behavior, rats, 8619
feeding regimens, growth, water snakes, implications for effects on reproduction, 8483
fundamental frequency during reading episode & phonetograms & pubertal stages & endocrine analysis, prediction of voice puberty, 8–9 yr old female singers, conference presentation, 765
genetic & genital & neuro-organizational & nongenital morphological & behavioral sexual differentiation, onset age & outcome differences in schizophrenia, 22117
growth & development during 1st 18 mo, preterm infants, 3381
growth rate & pattern & distribution of weight for age, male & female anorexia nervosa patients, longitudinal study, Scandinavia, conference presentation, 24953
nest vs cage rearing environment, physical development, Norway rat pups, 21342
parenting practices, social & physical & cognitive development of child, teenage vs adult mothers, literature review, 29545
pheromone in feces of maternally-behaving female rats, physiological & neurological development, rat pups, 26475
photic period during ontogeny, age at eye-opening & vaginal introitus & feeding on solid food & age at 1st parturition, gerbils, 3071
physical & psychological & social characteristics, 7 yr olds, 29687
physical growth & development, mentally retarded vs normal 8–16 yr olds, 6686
play, emotional & intellectual & physical development, children, 14119
predictors of survival & normal neurodevelopmental outcome, infants weighing 1000 g or less at birth tested at 6 & 9 & 12 & 18 & 24 mo postnatal age, 27666
premature birth with necrotizing enterocolitis vs other serious illness, parental perceptions of later physical & emotional development, 1–4 yr olds, 25015
prenatal treatment with estradiol benzoate or diethylstilbestrol dipropionate, development of sex-related reproductive traits & behavior, female guinea pigs, 21527
presence of juveniles & number of nest sites in burrow system, social & parental behavior & physical development of younger siblings, gerbil families, 447
preweanling handling, development of postural & motor asymmetries & lateralization of brain dopamine, adult male vs female rats, 26484
psychoanalytic theories of M. Klein & psychological & spiritual & physical transformations, mother & infant in 3.5 mo after birth, 29555
reliability of measures & developmental trends in scores & correlations of F. Galton's 19th century data on sensory & psychomotor & physical attributes, 11–25 vs 26–84 yr olds, comparison with contemporary developmental literature, 11384
sex & somatic growth & family background, psychomotor development & later intellectual development, children during 1st yr of life, 19630
Physical Dexterity
expected level of task difficulty & time feedback, simple dexterity task performance, 9th–12th graders, 1;442
free-running temperature & sleep-wake cycles during temporal isolation of circadian rhythms, performance efficiency of serial search vs verbal reasoning vs manual dexterity tasks, 22–79 yr olds, 3191
norms of original vs new version of Crawford Small Parts Dexterity Test, 20–35 yr olds, 20337
statistical evaluation of Box and Block Test, measurement of manual dexterity norms, male vs female 20–94 yr olds in 5-yr interval age groups, 10813
validity & reliability & construction of adult norms for Nine Hole Peg Test, assessment of finger dexterity, 20–94 yr olds, 5316
Physical Disfigurement
married vs unmarried persons with vs without facial deformity, perceptions of physical attractiveness, college students, 24502
maternal use of alcohol, fetal talipes equinovarus, pregnant problem drinkers & their neonates, 4139
viewing images of facially normal vs simulated disfigured self vs others, autonomic arousal response & perception of change in social relationships due to disfigurement, college students, 24517
visibility of scar, psychosocial adjustment or adaptation, patients with severe burn injuries, literature review, 24916
Physical Divisions (Geographic) [See Geography]
Physical Education
behavioral coaching, track skills, high school runners, 2405
competitive vs noncompetitive instructional climate, teacher expectations, kindergarten through 3rd grade physical education students & their instructors, 2383

competitive vs noncompetitive learning, motor performance, physically or mentally handicapped & nonhandicapped kindergartners to 3rd graders in mainstream physical education, 4947
experiences with vaulting & gymnastics & horseback riding teachers, satisfaction, 9–17 yr old vaulters, 15810
influences on student teacher behavior in physical education classes, elementary education student teachers, implications for teacher education, 25832
integration of motivation training program into physical education curriculum, achievement motivation, elementary school students, 15677
medical & psychological & physiological reasoning behind physical education, 2396
motivation training in physical education program, achievement motivation, 4th graders, 7642
physical education, difficulty with motor activities, language disordered children, 2487
research on teaching physical education, literature review, 28427
sensorimotor exercises, quality of life, 8–14 yr old autistic males, implications for physical education, 7725
teacher personality, behaviors in physical education class, junior high & elementary middle school teachers & students, 2471
Physical Endurance
backpack load carriage, ratings of perceived exertion, well-conditioned adult males walking on motor treadmill, 23865
clorazepate, exercise tolerance & arterial blood gases & pulmonary function & breathlessness & depression & anxiety, 51–68 yr olds with severe chronic lung disease, 25284
specific goal setting vs "do your best" conditions, performance on sit-up test, college students, 21205
upper vs lower body muscular strength & endurance ratios, males vs females, 11181
Physical Exercise [See Exercise]
Physical Fitness
aerobic fitness, pulse rate & subjective response to stressful task, female college students, 23871
attitudes toward sports & reasons for participation in sports & mental & physical changes after physical activity, 19–55 yr old fitness class students, 31388
behavioral sports fitness training, social status, 7–13 yr olds, 9831
body fat & lean body mass, slow wave sleep & onset & length of sleep, athletic vs nonathletic college students, 346
cardiovascular fitness program, psychologic functioning, 19–30 yr old inactive males, 4235
exercise, simple cognitive performance & psychological well-being, new & active volunteers from fitness club for persons aged 50 yrs & older, 24103
frequency of physical training, maximum oxygen consumption, male 20 yr old monozygotic triplets, 13776
group fitness program with fast walking & safe calisthenics, older blind adults, 9682
living in rugged mountainous vs flat terrain, physical fitness, 50–79 yr old high caste Hindu male farmers, Nepal, 21652
physical exercise & confinement in nuclear submarine, cardiorespiratory fitness & cognitive performance, male Navy crew members, 5742
physical fitness & body composition, sleep & nighttime secretion of human growth hormone & prolactin & cortisol, 20 yr old male athletes vs nonathletes, 578
physical fitness, cognitive work capacity & fatigue onset under sustained combat operations, male Army Reserve Officers' Training Corps cadets, 15973
physical fitness, relationship between stressful life events & subsequent illness, 17–31 yr olds, 3795
physical training, esprit de corps & self confidence & self esteem, male Marine Corps recruits, 13169
psychosocial stimuli, physical fitness & depression & anxiety & urine level of 3-methoxy-4-hydroxyphenylglycol & normetanephrine & metanephrine, 23–46 yr old males, 580
Scientific Program of Aerobic & Resistance Training Exercises in Navy, optimal job performance & prevention of job-related injuries, Navy personnel, 5025
self reported maintenance of physical activity from community exercise programs, participants, 6-mo followup, 22666
systematic exercise, physical fitness &/vs self concept &/vs psychological stress, 22–75 yr olds, 27749
training variables & post race performance & self efficacy & cognitive strategy use, marathon finishing time, runners, 23151
Type A & B behavior pattern &/vs aerobic fitness level, heart rate & blood pressure reactivity, male college students, 11193
urinary 3-methy-4-hydroxyphenylglycol relative to peripheral catecholamine activity & self reported depression, normal 23–46 yr old physically active vs sedentary males, 29339
Physical Geography [See Geography]
Physical Growth [See Physical Development]
Physical Handicaps (Attit Toward)
attitudes toward same sex child with physical handicap vs mental retardation & social & academic competence vs incompetence, 3rd–4th vs 7th–8th vs 11th–12th grades, 24227
disability-linked attributions of behavior & disposition, spinally injured males vs amputees vs nonhandicapped medical patients, 20248
discomfort experienced by nonhandicapped in dealings with handicapped, 24923
disintegration vs integration, attitudes toward handicapped, 24879
perceptions of personal attributes of self vs normal vs handicapped children, physically handicapped or learning disabled or emotionally disturbed vs nonhandicapped 4th–7th graders, 19881
previous contact with disabled children & adults, attitudes toward disabled, children, Australia, 11546
psychoanalytic interpretation, attitudes toward blind & visually impaired, 9600
reactions to Black vs opposite sex vs glasses-wearing vs wheelchair-bound vs facially disfigured vs obese child, White nursery school students through 3rd graders, 24228
trait attributions about college students with physical disability, able-bodied college student, implications for design of programs to reduce prejudice, 31247
type of physical handicap & sex & competence of potential employees, evaluation & expectations of performance & hiring & salary recommendations, industrial technology students, 2629
Physical Illness [See Disorders]
Physical Illness (Attitudes Toward)
attitudes toward hypertension & hypotension, France vs Ivory Coast, 1559
attribution for success vs failure of illness outcome & present status of disease, arthritic vs diabetic vs hypertensive patients, 6817
brief school based cancer education workshop, knowledge of & attitudes & concerns toward peer with cancer, 1st vs 3rd vs 6th graders, 28650
chronic illness, family relations & coping behaviors, families with member with multiple sclerosis, 6846
cognitive functioning & verbal IQ & psychosocial adaptation, developmental progression in understanding body functioning & illness, 6–16 yr old outpatients with thalassemia vs healthy 1st–10th graders & their mothers, conference presentation, 22324
cultural perceptions vs biomedical evidence of severity of malaria, low income 0–9.9 mo olds & their 14–47 yr old mothers, Liberia, 14850
didactic information & relaxation training & cognitive behavioral techniques, self concept & attitudes toward illness, 37–61 yr old female pain patients in outpatient pain management program, 27911
drawings as indicators of perception of pain, 5–9 yr olds in ambulatory clinic with acute health problem, 28042
experience in counseling cancer patients & their families, attitudes toward cancer, 3rd-yr medical students, 15503
knowledge & attitudes about genital herpes, college student clients of university health service, implications for education & counseling, 4912
preventive group intervention, knowledge & feelings toward sibling's cancer, 7–12 yr old siblings of oncology patients, 28045
psychiatric ward admission, therapeutic milieu & other patient & staff reactions, 32 & 33 & 34 yr old male homosexuals with acquired immune deficiency syndrome or delusions of having disease & 27 yr old female drug abuser, 4669
psychological & sociological attitudes toward care of terminal cancer patients, Europe vs England vs North America, 12253
psychosocial & ethical & moral issues & public reaction & attitudes toward acquired immune deficiency syndrome & homosexuals, conference presentation, 4093

validity & reliability of attitude scale & clinical rotation in rheumatology, measurement & improvement in attitudes toward arthritis, nursing students, 28985

Physical Maturity

physiological maturity, attitudes toward school science in 1st & 2nd vs 5th yrs of secondary school, male vs female students, England, 18539

Physical Restraint

acute ethanol ingestion, restraint stress-induced gastric & duodenal ulcer, male rats, 23972

alpha- vs beta- vs cholinergic receptor blockers & epinephrine vs angiotensin, immobilization stress-induced changes in cerebral blood flow & partial pressures of oxygen & carbon dioxide, male rabbits, 16494

atropine vs verapamil vs bethanechol vs cold restraint stress, gastric emptying of resin, rats, 29352

autonomic system activity vs neurotensin administration, cytoprotection against cold plus restraint stress-induced gastric ulcers, male rats, 19481

chlorpromazine in low vs medium vs high dosage, development of gastric ulcers induced by cold stress & restraint, mice, 5744

chronic stress followed by restraint, ACTH & corticosterone level, male rats, 16453

extended exposure to low level noise, heart rate & blood pressure & pauses in cardiac rhythm, chair restrained monkeys, 13904

forced immobilization & chlordiazepoxide & electrical stimulation, activity of amygdalar complex, rats, 19380

low environment temperature vs immobilization vs random footshock stress, plasma corticosterone & fatty acid & glucose levels, male rats, 16492

morphine vs ethanol administration & immobilization stress, memory process in passive avoidance task, mice, conference presentation, 11209

patient characteristics & adequacy of neuroleptic treatment & staffing, use of restraints, 15–77 yr old patients on general hospital psychiatric units, implications for predictions of dangerousness, 12709

physical intervention techniques, aggressive student behavior, teachers, 15791

physical restraint, behavior & adrenocortical activity, 38–41 wk olds, 26799

physical restraint, reduction of cyclic adenosine monophosphate response to norepinephrine in cerebral cortex & hypothalamus, male rats, 11226

physical restraint stress, mortality rate & physiological responses, rats, replication of study by C. C. Chiueh et al, 29355

physiological response to cold-restraint stress, utility of statistical procedures for determination of individual differences in animal research, male rats, 21398

primate restraint system with neck clasp, elimination of chronic skin openings & attachments, monkeys, 26150

prolonged & mainly hypertonic immobility, dogs vs pups of Arkansas line of nervous pointers, 21219

rates of psychotropic medication & mechanical restraint, self injurious patients, 18113

relative immobilization, nonverbal behavior & dialog imagery, college students, 2959

restraint stress, antagonism of morphine analgesia by naloxone, rats, 16452

standard & standard care plan for restraint & seclusion, psychiatric patients, implications for nursing, 15384

stress due to physical restraint & morphine, gastrointestinal transit of charcoal, male rats, 21363

techniques for management of physical aggression, 15778

therapeutic use of seclusion or restraints with chronic destructive behavior, hospitalized chronic mentally ill patients, 22716

use of seclusion & restraint in inpatient psychiatric settings, adults, 10118

use of seclusion & restraint in state hospitals, psychiatric patients, 4-mo followup, 10105

vasopressin deficiency & restraint &/vs intermittent shock & stress, susceptibility to development of stomach ulcers, 6 vs 18 wk old rats, conference presentation, 19390

Physical Strength

asymmetric lifting, maximum acceptable weights & voluntary isometric strengths, male college students, implications for occupational safety, 31540

development & comparison of static vs dynamic strength models, prediction of weight-lifting capacity, males, 10641

frequency of lifts, weight selected & oxygen uptake & heart rate & rate of perceived exertion & subjective assessments of fatigue & confidence, female college students, application of psychophysiological method & ergonomic implications, 16450

male's poor vs average strength task performance with vs without female's verbal attack, aggressive behavior toward female target, male college students, implications for causes of male-to-female violence, 24489

peak force & peak force variability in isometric task requiring activation of elbow flexors, adults, 21053

safety of isokinetic vs isometric lifting strength testing, estimation of maximum lifting capabilities, male college students, 26037

team vs individual lifting, static & dynamic strength, male college students, 29954

upper vs lower body muscular strength & endurance ratios, males vs females, 11181

Physical Therapists

attitudes toward disabled persons, school teachers vs physical therapists, 28280

Physical Therapy

bioenergetic techniques, rehabilitation, severely disabled patients, 18293

EMG feedback vs exercise physiotherapy, stroke patients with hemiplegic upper arm, 12737

exercise training program, mood & emotions, 27 yr old male with spinal cord injury, 7464

family education & cognitive rehabilitation, head injury patients, 31003

medical dominance & development of professional autonomy in physiotherapy, 10243

movement & physical activity programs, self concept & body image, handicapped children, 2166

multidisciplinary training course, physiotherapy helpers, 22848

praise of E & performance binary visual feedback with vs without knowledge of progress, retraining of upper extremity movement, 71 yr old male with cerebrovascular accident hemiplegia, 12757

role of occupational therapy in hand rehabilitation, 30994

Physical Trauma [See Injuries]

Physical Treatment Methods [See Also Acupuncture, Adrenalectomy, Blood Transfusion, Castration, Catheterization, Commissurotomy, Decerebration, Decortication (Brain), Dental Surgery, Dental Treatment, Dialysis, Diuresis, Heart Surgery, Hemodialysis, Holistic Health, Hypophysectomy, Hysterectomy, Induced Abortion, Male Castration, Mastectomy, Neurosurgery, Organ Transplantation, Ovariectomy, Pinealectomy, Plastic Surgery, Psychosurgery, Radiation Therapy, Surgery, Thalamotomy, Thyroidectomy, Tractotomy, Vagotomy]

artificial nutritional support & role of psychiatrist, psychological stress, 30–60 yr old females, 18145

behavioral management program, behavioral distress, 3.5–7 yr old cancer patients undergoing painful medical procedures, 4432

elements of Hakomi therapy in therapeutic massage, 14941

nasal continuous positive airway pressure, obstructive sleep apnea, 52–68 yr olds, 2000

personality & coping styles, tolerance for pain in hyperthermia treatment, 24–70 yr old cancer patients, 22633

physical & behavioral & psychodynamic treatment models, anorexia nervosa, implications for occupational therapists, 22375

shunt treatment, hydrocephalic child patients, 30839

shunting of CSF & malresorptive hydrocephalus vs hydrocephaly caused by cerebral atrophy, elderly patients with gait disturbances & dementia & incontinence, 30458

somatic view of doctor-patient relationships in nuclear medicine, 1973

thermal pulsation to nosolabial reflexogenic zone, neuroses, psychiatric patients, 4582

wet pack therapy, regressed psychiatric patients, 9824

Physically Handicapped [See Also Amputees, Health Impaired]
acceptance & isolation & rejection by classmates, mainstreamed 3rd–6th graders with behavior disorders & learning disabilities & mental & physical handicaps, 4960
acquisition of graphemes in drawings based on bodily symmetry, normally developing 3–6 vs physically handicapped 6–12 yr olds, West Germany, 9572
adequacy of social services in meeting health care & social needs, young adults with cerebral palsy & spina bifida & muscular dystrophy, UK, 22637
Adventure Etc. health promotion program, self esteem & locus of control & family dynamics, chronically ill & disabled adolescents, 25544
attitudes toward self & toward normal & similarly disabled groups, patients with emotional disturbance vs multiple handicaps vs stroke vs paraplegia vs polio vs amputation, implications for use of social support groups, Nigeria, 11882
atypical patterns of object manipulation, actions on objects & sensorimotor development, 4 yr old male born with fused fingers & toes & midface hypoplasia corrected by surgery at 6 & 9 & 13 mo of age, 14845
bioenergetic techniques, rehabilitation, severely disabled patients, 18293
causes & treatment strategies for dysfunctional family behavior, families of mentally & physically disabled persons, 1843
clothing choice & management of appearance in dealing with stigmata, college students with physical disabilities, 17607
common law duty for support, parents of adult children with severe mental retardation or physical handicap, case law, 1040
competitive vs noncompetitive learning, motor performance, physically or mentally handicapped & nonhandicapped kindergartners to 3rd graders in mainstream physical education, 4947
coping mechanisms for additional life stress, handicapped adolescents, 17591
counseling needs of physically disabled students, school counselors, 31368
counselors' self disclosure about their obvious vs nonobvious disability, perceptions of counselor, college students, 28123
development & content validity of set of assessment instruments, estimate of functioning in independent living skills, physically or mentally handicapped students, implications for training objectives, 13411
disability-linked attributions of behavior & disposition, spinally injured males vs amputees vs nonhandicapped medical patients, 20248
disintegration vs integration, attitudes toward handicapped, 24879
emotional & social adjustment strategies in low SES families, mothers of physically disabled vs nondisabled children, Mexico, 22322
emotional aspects of rehabilitation process & cognitive coping strategies, ill & physically handicapped patients, 10142
evaluation of psychomotor development program, brain injured 3.5–6.5 yr olds with severe motor or multiple disabilities, 13097
family relations & structure & severity of disability, psychological adjustment, siblings of mentally or physically handicapped children, implications for role of school psychologists, literature review, 11499
importance of self care & independence training in special education curriculum, physically handicapped students, 2525
incidence & needs & services provided, disabled residents, 2-yr followup, England, 12297
inpatient treatment at residential care facility vs small community program, motor & eating adaptive skills, severely & profoundly mentally retarded physically disabled adults, 25558
loneliness & depression & social involvement, prediction of group counseling outcome measured by life satisfaction & mood & activity level, physically handicapped, 25177
mother child interactions & conditions causing attention to object & person, mothers & severely handicapped vs nonhandicapped infant fraternal twins, 17701
needs in career education & guidance & counseling, schoolchildren with severe physical disabilities, 2559
occurrence of stigma to parent & child & child's attempt to cope through personality development, children with physical deformities, 27665
organization of health care services & institutional practices & social attitudes as counterproductive to goals of independence, handicapped & chronically ill children, 15241
participation in competitive sports events, physically handicapped, implications for rehabilitation, 1516
perceived quality of life, 24–52 yr old severely mobility disabled individuals, 30466
perceptions of mental health needs & services & barriers to service provision, disability consumer advocates with & without severe physical disabilities, 22674
perceptions of personal attributes of self vs normal vs handicapped children, physically handicapped or learning disabled or emotionally disturbed vs nonhandicapped 4th–7th graders, 19881
physiological disability, psychosocial development, elderly, 30422
Picture Communication Symbols & Rebus system & Blissymbols, communication & language programs, severely physically & cognitive handicapped patients, 4675
problem of sociocultural integration, handicapped children & youth, West Germany, 6448
psychoanalytic interpretation, physical disability & narcissism, 1633
psychological characteristics & adjustment, blind & deaf & orthopedically handicapped children & adolescents, 12168
psychotherapeutic rehabilitation, personality disturbance from physical trauma, patients with locomotor handicaps from injury, 7001
reading & mathematics achievement & personal & social & educational adjustments, physically disabled students in regular elementary school, 23023
response-contingent learning in early intervention, profoundly retarded & multiply handicapped infants between ages 0–12 vs 13–24 vs 25–36 mo, 7134
self esteem & locus of control, physically disabled athletes vs nonathletes, 20259
sex education & sexuality & attitudes toward sociosexual relations & apathy, physically disabled college students, 18567
social support, familial well-being & parent-child play opportunities & perceptions of child behavior, parents of mentally retarded or physically impaired or developmentally at risk children, 14300
sports participation as therapy & life enhancement, physically disabled, 2145
structural & functional features of productive language during semistructured activities with mother, full-term vs medical at risk or premature 2 yr olds, 17295
technologies & strategies in delivery of human & health care & educational services in rural areas, mentally & physically handicapped children & their parents, 12327
therapeutic vibration techniques, mentally & physically handicapped, 4262
time use for physical child care, mothers with physically handicapped vs normal 3–5 yr olds, 22618
timed vs untimed test administration, performance on SAT, visually & hearing impaired & physically & learning disabled vs nonhandicapped high school students, 25894
use of V. Spolin's theater games, creativity & personal worth, 6–9 yr olds with psycho-emotional or physical problems or learning disorders, 25858
visible physical impairment resulting from cancer treatment, psychosocial adjustment, pediatric patients, 2002
Physician Patient Interaction [See Therapeutic Processes]
Physicians [See Also Family Physicians, General Practitioners, Gynecologists, Internists, Neurologists, Obstetricians, Pediatricians, Psychiatrists, Surgeons]
acceptance of recommendation of discontinuation of life support, family of 32 yr old female with severe head injuries, case report, implications for management of bereaved family, 25513
affirmation of dismissal of medical malpractice suit against family physician, parents of twin suffering from mental retardation & cerebral palsy, 24349
alcoholism & depression & suicidal ideation & antisocial personality & lifestress, risk for motor vehicle accidents & role of physicians in accident prevention, 17291
attitudes toward acupuncture, physicians, US, 25699
attitudes toward illness, physicians vs academics, Israel, 20580
attitudes toward physicians & their services, adult heads of households, implications for marketing, 30837

availability & number of practicing psychotherapists & primary physicians, suicide & violent deaths by homicide & accidents in rural town, prevention implications, 12054
causes & prevention of personal difficulties & stress of residency training, physicians, 2248
change in impairment from therapeutic to nontherapeutic drug addictions, physicians, treatment implications, 25659
characteristics of pentazocin abuse & dependency, physicians & medical staff, 4780
collaboration on bone marrow transplant, hematologists & mental health professionals, illustrative cases of male 7 yr old & female 25 yr old, 4586
comparison of estimates of pain experienced prior to & following needle aspiration or injection of joints or soft tissue, patients vs physicians, 28041
compliance with treatment guidelines in cancer care program, physicians & nurses & allied health professionals, 28181
construct validity of patient management problems, medical students vs experienced physicians, analysis of findings by D. I. Newble et al, 28309
credentialing criteria for membership in American Medical Society on Alcoholism & Other Drug Dependencies, physicians, 28277
defensive style & medical specialty & exposure to death, death anxiety, 26–71 yr old internists vs psychiatry vs surgeons, 28318
degree of agreement on characteristics of chronic pain behaviors, physicians & psychologists, 1652
demographic characteristics & professional practices, psychiatrists vs psychologists vs social workers vs primary care physicians, 15509
detection & correction of errors in prescribed medications & drug iatrogenesis, pharmacists & their students & physicians, implications for liability exposure of medical organizations, 25272
development of measure of attitudes toward nurses, physicians & medical educators & nurses & medical students, 2893
differences in estimation of symptoms in rating scale for depression, physicians vs depressed inpatients, 22047
differential perceptions of condition, 18–59 yr old patients with psychosomatic respiratory or gastrointestinal disorders vs physicians & nurse practitioners, 12214
discrimination in medical profession & education, female doctors, South Africa, 15561
divergent models of health & disease, patients vs physicians, 24586
doctor-patient communication, Hong Kong, conference presentation, 7307
doctor-patient relationship & attitudes toward profession, oncologists, Israel, 25615
doctor's support for immigrant families with disabled children, England, 24596
educational feedback vs managerial intervention, compliance with preventive medicine guidelines, medical interns, 15521
effects of denying death to terminally ill hospital patients, doctors & patients, 2087
erosion of public's good opinion of medical profession & dissatisfaction with cost of medical care, 25377
ethical problems of managing Munchausen's syndrome patients, physicians, 14706
ethics of workday routines & roles & power in relationship, physicians & patients, 20565
ethnographic approach to family & larger social context, understanding patients' illness behavior & noncompliance, illustrative cases, physicians, 18168
factors related to perception of physician & expectations, decision to file malpractice action, patients, 17123
failure to follow correct physician & psychologist licensing procedures for impaired professionals, judge, case law, 27052
figure drawing data collected in medical school, later health status, male physicians, 20627
Florida Medical Practice Act & ethics of professional regulation, physicians, 4751
high hostility scores on MMPI while in medical school, prediction of coronary disease & mortality, physicians, 25-yr followup, 22804
higher court approval of lower court decisions compelling physician to submit to mental examinations of fitness to practice, 24352
historic development, nursing vs medicine vs pharmacy vs physical therapy vs social work professional codes, 22864
homophobia & attitudes toward homosexuality & acquired immune deficiency syndrome, female vs male doctors & nurses, 30383
hostility & conorary heart disease incidence & mortality, physicians, 25-yr followup study, implications for Type A behavior, 25665
humanistic objectives & social aspects & ethics & psychology as basis of medical education, physicians, 10186
humanistic qualities & patient care, stress, physicians, criticism of article by C. Clements, 18338
impaired physician movement, 2269
impaired physician movement & consequences for medical practice, US, 20632
incorporation of preferences in therapeutic decision making, satisfaction & service utilization, physicians & their patients, 15256
infant welfare movement & medical profession's attempts to legitimize supervisory role over mothers, stereotype of females as incompetent, early 20th century, Australia, 29914
information about 33 yr old male with aphasia resulting from stroke, labeling, experts on neurogenic motor speech disorders, 31067
information giving & withholding in therapeutic relationship, physicians & their patients, 15259
intergroup dynamics, perceptions of competence between psychiatric health service professions, physician vs psychology student groups, 11775
joint statement on insanity defense, American Psychiatric Association & American Medical Association, 3612
judgments of physicians who engage in active vs passive acts of euthanasia with requesting vs nonrequesting patients, college students, 21949
knowledge of prescribing for aged patients & need for continuing medical education & professional meetings, physicians, 25639
leadership & organization of self help groups for parents of children with cancer, parents/members & social workers & nurses & doctors & others in related helping professions, 15339
lecture vs case presentation techniques in continuing education, knowledge & performance, physicians, 10211
maintenance of professional standards & ethics, physicians, 28323
malpractice risk & patient communication, physicians, 4788
medical care evaluation & education program, knowledge & clinical performance, physicians, 31085
medical careers & increased suicide risk, medical students & female vs male physicians & physicians' wives & psychiatric residents & psychiatrists, 20056
models of mental health training, primary care physicians, 4790
need for consideration of cultural context in diagnosis & treatment, 32 yr old paranoid Indian physician, 12023
norms as features of social structure vs as interactional accomplishments, behavior during interviews, medical residents & female patients, 30812
orientation & paradoxical perspective on patients & doctor-patient relationship, medical interns & residents, 20610
paternalism & medical self determination & autonomy, physicians & their patients, 9670
paternalism & need to be aware of psychodynamics underlying ill-advised patient decisions, physicians, 28328
paternalistic vs egalitarian physician style & patient's anxiety, responsiveness to suggestions & perceptions of treatment & physician distress, 16–43 yr old female elective abortion patients & their physicians, 18156
perceived occupational stress & personal strain & coping resources, 1st vs 2nd vs 3rd yr medical residents vs faculty members, 28272
perception of expectations of & suggested techniques for attracting Black middle class patient, Black physicians, 10182
perceptions of effectiveness of diagnosis & treatment & management of progressive dementia, physicians & family members of patient, 15234
perceptions of impact of computers on medical practice, use of hospital information system, physicians, 31032
perceptions of negative effect of facial features on social development & need for plastic surgery, parents & physicians of children with Down's syndrome, 22630
perceptions of role of psychology in medicine, physicians, 28325

physician dress style, attitudes & therapeutic relationship, 12–21 yr old female vs male patients, 25668
physician recognition of ethnomedical vs biomedical complaints, primary care patients, Appalachia, 20457
physician's recognition & diagnosis & treatment of mental disorders, 64–89 yr old medical patients, 2013
possible effects of & suggested alternatives to mandatory reporting of child abuse & neglect, physicians, New Zealand, 14378
postgraduate certification in alcohol & drug dependence, physicians, 28303
prenatal & parenting behavior information needs, physicians vs pregnant adolescents, 30821
prescribing of psychotropic drugs, physicians in psychiatric outpatient clinic, 7244
professional referral & quality of communication, general practitioners & social service workers, 2067
professional training & attitudes toward teamwork & data & patient & caregiver role & social work function, work strain, physicians & social workers, 7538
provision of counseling services, nonpsychiatric physicians, 2065
psychiatric methods training & collaboration with psychiatrists, primary care internists, 15557
psychiatric services program for physicians in training, depression & anxiety, medical residents & interns & fellows at university hospital, 4733
quality of life factors, medical decision making & use of mechanical life support systems, physicians & 69 yr old male with chronic pulmonary disease, 9992
reading materials targeted to practice recommendations, adherence to standards of medical care, resident physicians, 28285
referral practices in specialized professions & growth of bureaucratic superstructure, general vs specialized physicians vs teachers vs educational administrators, 28320
reliability & validity of Collaborative Practice Scales, assessment of degree of professional collaboration & impact on patient care, 21–39 yr old nurses & 35–49 yr old doctors, 23491
resistance to training in areas outside professional expertise, doctors & nurses & psychologists & other highly credentialed professionals, 18411
review of cases against doctors & hospitals & police officers on burden of proof & expert testimony & exhaustion of remedies & priviledged communication & immunity, mentally disabled, 24336
risk for suicide, anesthesiologists involved in lawsuits, 7515
role in education of primary care physicians & subsequent referral problems, psychiatrists, 15568
role in epidemic of mysterious gas poisoning, press & medical community, Jordan, 1572
screening of cognitive deficits by physicians, dementia & delirium, elderly medical patients, 20206
self vs social perception of occupational status, commissioned Army nurses & physicians, 18719
sex of patient, drug prescribing, office-based physicians, 4794
sex of physician, physician-patient relationship, physicians & patients, 15565
sex role attitudes, physicians & psychologists & social workers & nurses & occupational therapists working as psychotherapists, 25646
sight-loss support group, meeting information needs, people facing sight loss & doctors who help them, 9765
sobriety & relapse, 26–74 yr old physicians & other professionals who are Alcoholics Anonymous members, 5–7 yr followup, 18344
social environment & structure of health care delivery system, behavior & performance of individual physicians, Great Britain, 12628
stressors in marriage, 27–42 yr old female physicians, comments on article by M. F. Myers, 15523
systematic continuing medical education session on breast cancer detection, referral rates for mammography, physicians, 15487
systems approach to role in chronic illness, physicians, 18147
therapeutic interactions, physicians & their outpatients, 9646
traditional vs nontraditional physicians vs traditional vs nontraditional magazines as information sources, intention to use oral contraceptives, male & female college students, 3629
training & research in Balint groups, technique to facilitate doctor/patient relationship, general practitioners, 18340
training in doctor-patient communication based on Rogerian theory, behavior during & outcome of diagnostic consultation & patient's willingness to discuss personal problem, general practitioners, 10184
transference in humanistic doctor-patient relationship, internist in small town, 1981
transference patterns, older vs younger generations of female physician patients, implications for treatment, 12793
value attached to physicians' emotional expressivity vs neutrality, preferences regarding physician behavior in medical encounter, health sciences students as consumers, 18142
working relationship in primary care of mentally ill, psychiatrists & primary care physicians, 15485
5-step clinical protocol for primary care physicians, diagnosis & treatment of chemical dependency or abuse, patients & their families, 18137

Physics

application of scientific change theories of T. S. Kuhn & I. Lakatos & L. Laudan to history of physics & psychology, 10704
criticisms of quantum mechanical theory of psi phenomena, 2757
development of remedial teaching method for physics, academic achievement, 9th graders with learning difficulties, 2519
influence of mental activity in development of physical reality, 7975
level & frameworks for understanding pressure in fluids, 12–16 yr olds, 28471
metaphor in psychology & physics, reply to comments by E. Farrell, 26107
Newtonian model of universe & consciousness & psi phenomena, 23333
personality & attitudes, attainment in general certificate of education physics, male vs female high school students, 2-yr longitudinal study, UK, 23017
physics & counseling & behavior, humans, reply to criticism of P. Baumel, 28109
physics & quantum theory & counseling, comments on articles by J. Bozarth & C. Lucas & R. Caple, 28106
processes in solving physics problems, 12th graders with good vs poor problem solving abilities, 2426
regular form learning cycle teaching method, attitudes & learning, 12th grade physics students, 7611
religion & hidden variables & implicate order in work of D. Bohm, conference presentation, 16056
spatial or temporal transformations & conservation laws of energy & linear & angular momentum, implications for human perception, 19053
tectonic strain hypothesis for unidentified flying objects & need for analysis of empirical data rather than value judgments, reply to criticism by C. A. Rutkowski, 13294

Physiological Aging

acetylcholinesterase activity in senile plaques, 4–8 & 24–30 yr old macaques, 550
addition of "don't know" answer to Palmore's Facts on Aging quizzes, response accuracy & quiz validity, college students, 8055
age & alcoholism, brain age quotient, male inpatient 30–69 yr olds, support for accelerated aging vs increased vulnerability version of premature aging theory of alcoholism, 20043
age & degraded viewing environments, speed of accommodation, 20–54 yr old male airline employees, 10913
age & morphine administration, brain calmodulin concentration, immature vs mature vs old mice, 29429
age & time passage, prospective/intentional & incidental memory, 23–93 yr olds, conference presentation, 26862
age differences in opioid receptor system & function of endogenous opioid pain inhibitory system activated by shock, 5–24 mo old male rats, 8389
age differences, MMPI profiles, medical patients, 26186
age differences, oral reading rates & pauses, 44–82 yr old males vs females, 19623
age, morphology of suprachiasmatic nucleus & disturbance of biological rhythms, 0–100 yr old males vs females with vs without senile dementia of Alzheimer type, 24996
age, performance on single vs dual auditory tasks, adults, 16955
age, serotonin concentrations in postmortem brains & serotonin receptors, 17–100 yr olds, 555

age, sperm concentration, 2–4 vs 12–13 vs 20–24 mo old male hamsters, 29308
aging & enriched environment, performance in radial maze & recovery function of visual EP, 7–8 vs 30–33 mo old male rats, 29217
aging & genotype, male mating activity, 3 vs 28 day old homozygous vs heterozygous male Drosophila melanogaster, 23781
aging & visual stimulation, P3 component of visual event related potential, 8–90 yr olds, 6021
aging as ignored area in psychoanalytic theory, 14123
aging, day-night rhythms of kappa opiate-mediated feeding, 1–2 vs 8–12 vs 24–30 mo old male mice, 23992
aging of client populations, health care services, implications for social workers, 30906
aging process, aged, implications for social casework, 7380
aging process, delusional experiences, 74 yr old widowed male & 78 yr old widow, 6444
aging, psychomotor reminiscence & mirror tracking & rotary pursuit task, male vs female 57–86 yr olds, 3473
aging, response criteria in speech recognition tasks, 18–40 vs 65–75 yr olds with normal vs mildly impaired hearing, 27562
aging, schizophrenia, psychiatric patients, long term followup, conference presentation, 27284
animal models of age-related performance differences & impairments in learning & memory tasks, implications for gerontology & geriatrics, 16349
animal models vs J. H. Jackson's model of hierarchical development & dissolution of function, infantile amnesia & memory loss in senescence, conference presentation, 6723
arginine vasopressin, age related changes in temporal memory, rats, 16713
audio information presented with vs without visual cues & age, language comprehension, 30–79 yr olds, 14174
body as medical entity vs projected image in response to society's devalued perception vs reflection of social & relational & behavioral space, aged, 29548
brain biochemistry, memory function in normal aging vs senile dementia or Alzheimers disease, literature review, 17697
carbidopa/levodopa administration, movement velocity & RT & tremor & visual evoked responses & electroretinography, 59–72 yr old healthy volunteers, 673
catecholamine loss, cognitive ability, aged nonhuman primates, implications for treatment of Alzheimer's disease, 16399
changes in experience of aging from Old to New World, peasant immigrants, 29683
changes in language performance, active 22–31 yr old vs retired 50–83 yr old English teachers, 19614
changes in peripheral auditory structures & rostral auditory brain stem, age-related hearing loss to brief click stimuli assessed by auditory EPs, young vs aged rats, 26522
characteristics of quality aging & social discrimination, aged, 16995
choline-enriched diet, amnesic effects of anisomycin following passive avoidance training & choline acetyltransferase & tyrosine hydroxylase activity, 2–3 vs 14–16 vs 17–20 mo old male mice, 5903
chronic administration of oxotremorine or methylatropine, muscarinic receptor plasticity in frontal cortex, 3–6 vs 9–12 vs 27–30 mo old male rats, 16750
chronic stress vs stress with exercise, age-related changes in end plate of diaphragm & hindlimb muscles, male rats, 13906
circadian rhythms of beta-endorphin, 73–87 yr olds vs 21–29 yr olds, 29546
classical conditioning of nictitating membrane in rabbits as model for study of learning & memory & aging, 23692
clinical impact of aging, cornea, 30366
cognitive & behavioral deterioration characteristic of dementia of Alzheimer's type, 50–61 yr old hospitalized patients with Down's syndrome, 17513
cognitive ability & aging & cholinergic lesions & senile dementia, human Ss & nonhuman primates & rats, implications for animal models of age-related mental impairment, 16526
compensation & recoding as framework for aging & memory research, 29118
decline in extrafoveal letter perception, college students vs aged, 24120
development & reliability of psychological assessment instrument, evaluation of physical & mental deterioration, frail elderly patients, 23422
dexamethasone suppression test, differential diagnosis, 55–88 yr olds with moderate dementia vs depression vs aged healthy Ss, 22260
dietary tryptophan restriction & age, levels of serotonin & norepinephrine in brain, rats, implications for human aging, 602
early light adaptation, young vs middle aged vs old adults, 21118
epinephrine, memory retention, young vs old rats & mice, implications for involvement of peripheral adrenergic systems in age-related memory deficits, 24032
evidence against hypothesis of Alzheimer's disease as exaggeration of normal aging process, 17555
families as networks & communities & aging & intergenerational relations, 29845
haloperidol treatment over 30–90 days, apomorphine-induced behavior & striatal spiperone binding & choline acetyltransferase activity, 6.5 vs 13 vs 27–30 mo old mice, implications for tardive dyskinesia in elderly, 682
impulse flow & conduction latencies of cholinergic input from nucleus basalis to frontal cortex, 6–8 vs 20–29 mo old female rats, 29259
inescapable footshock stress, mean arterial pressure & ability to elevate heart rate, 4 vs 12 vs 24 mo old male rats, 5785
intellectual impairment & aging & neuroleptic treatment, tardive dyskinesia, studies with rats & schizophrenic patients, 9951
losses in later life, emotional stress & coping behavior, aged, implications for social casework, 7392
matching & delayed matching-to-sample performance, measurement of visual processing time & selective attention to & memory for visual cues, 35–45 vs 46–59 vs 60–70 yr old male alcoholics vs 39–70 yr old male Korsakoff patients, 24795
measurement instruments, interpretation of age related behavioral slowing, 28917
medical & social & psychological factors of aging, conference presentation, 3384
microcomputer-based Psychometric Assessment System & Dementia Screening Battery, differentiation of age-related vs incipient dementia, humans exposed to neurotoxins, conference presentation, 23361
modernization & stratification & dependency casework models in social gerontology, elderly, 22696
morphology of vasopressin & oxytocin neurons in paraventricular & supraoptic nucleus, changes in hypothalamo-neurohypophyseal system, 10–93 yr olds & brains from patients with senile dementia of Alzheimer type, 24894
narrative vs procedural discourse & task complexity, referential usage impairment & related comprehension & cognitive deficits, 27–55 vs 64–76 vs 77–92 yr olds, 26869
need for research into geographical aspects of physiological aging & behavior, Netherlands, 19562
neonatal administration of monosodium glutamate & age, behavioral performance, neonatal vs juvenile vs adult vs aged mice, 13985
neural bases of development & learning over life span, literature review, 8428
neurochemistry of dopamine metabolite homovanillic acid before & after probenecid & normal aging, males with Huntington's dementia, 22332
neurophysiological & psychopharmacological aspects of memory dysfunction & vigilance in aging & dementia, 17661
nialamide pretreatment of bilateral intraccumbens dopamine injections, locomotor response, 6 vs 15 vs 26 mo old male rats, 5831
normal aging vs senile dementia, cognition & affect, conference presentation, 753
number of noradrenergic low vs high affinity binding sites in locus ceruleus, memory assessed by performance on step-through inhibitory avoidance task, young vs old mice, 29284
phenobarbital concentrations in brain & plasma, anticonvulsant effect measured by electroshock seizures, 6 vs 12 vs 24 vs 30 mo old female mice, 16679
phosphatidylserine, age-dependent memory dysfunction, 17–18 mo old rats, 16578
phosphatidylserine, retention of passive avoidance & performance on psychomotor tasks, aged rats, 5829

physiological aging, biologically- & surgically- & illness-related sexual changes & suggested coital positions, males & females over 50 yrs, 24437
physiological aging, cortical EPs, 1–3 vs 11–23 yr old cats, implications for human aging & changes in cortical EPs, 5683
physiological aging, mental skills & memory, 26841
psychological & neuropsychological aspects of aging brain & chronic cerebrovascular disease, literature review, 30431
psychological characteristics of aging process, elderly females, 11393
quantification of brain atrophy using computerized tomography, 54–94 yr old patients with cognitive dysfunction, 22349
quantity & quality of data on aging published in Sunday editions of newspapers, 1963 vs 1983, 29507
religious themes in therapy, maintenance of mental health & acceptance of loss of physical health & independence, 79 yr old widow, 17773
review of report by Office of Technology Assessment on socioeconomic consequences of aging, 741
self perception & reflection on aging by J. Wesley, 16876
senility process & other life factors in aging, implications for medical care of aged, 24937
sexuality & aging, literature review, 11400
sexuality & intimacy, aged, comment on article by J. Traupmann, 11383
sleep characteristics, male vs female 58–82 yr olds, 3192
stress & work conditions & aging, performance, employees, 7856
synaptic density in hippocampus, 20–24 mo old Sprague-Dawley vs Fischer rats, 5657
teaching model for psychology of adult development & aging, college students, 2342
therapy & creative spiritual evaluation, females in later stages of life, 30601
triethyltin, brain biogenic amine concentrations & relationship to aging process, male rats, 29386
validation & cross cultural comparison of Facts on Aging Quiz, assessment of factual knowledge on aging, college students, Canada, 8090
visuospatial memory, 57–85 yr olds with dementia, 1558
voluntary wheel-running exercise, life-span & body weight & food & water intake & locomotor performance & passive avoidance memory, 10–14 vs 20–24 vs 28–30 mo old male mice, 5722
water deprivation & injection of isoprenaline, food & water intake & drinking behavior, 5–10 vs 31 mo old & older rats of 3 strains, 5759

Physiological Arousal

ability to cope with situations of high arousal in miniature golf training vs minor vs large competitions, 7–59 yr olds, 26877
arousal, T-maze choice behavior, inbred strains of mice, 19221
bidirectional selective breeding for high vs low expression of central excitatory state, fruit flies, 3144
bilateral electrolytic telencephalic lesions, cardiac & ventilatory response to light stimulus, goldfish, 13942
cognitive theoretical view of panic attacks as due to misinterpretation of bodily sensations, 27285
EEG & behavioral & autonomic arousal & naloxone therapy, compulsive behavior in anorexia nervosa, conference presentation, 24945
emotional arousal using adrenaline, recall & recognition, college students, 29123
estrogen &/vs androgen administration, sexual arousal vs physiologic response & interpersonal aspects of sexual behavior, premenopausal females who had hysterectomies with vs without oophorectomy, 20415
excitement & wins & losses & sensation seeking in real vs laboratory gambling, experienced vs inexperienced male gamblers, 1405
expectancy, physiological responsivity, novice meditators, 29328
exposure to red vs blue vs white light, time estimation & eyeblinks & skin conductance & pulse & heart rate & EEG, college students, 29326
extraversion & arousal, intelligence test performance, 18–30 yr olds, 29332
hedonic valence of prior emotional state & residual physiological arousal, subsequent emotional state, female college students, examination of D. Zillman's excitation transfer theory vs K. A. Baron's incompatible response model, 13701
high vs low arousal conditions, kinematic characteristics of stepping motion, male 8 yr olds, 21683
high vs low psychoticism, electrodermal & heart rate measures during high & low activation conditions, college students, implications for linkage of psychoticism & psychopathy, 3216
information feedback & goal setting concepts, repetitive task production & physiological cost, college students, 13189
introversion vs extraversion & neuroticism, nervous system response to visual RT & signal detection task, male college students, 16231
level of arousal & right &/vs left ear stimulation, latency & amplitude of brain stem auditory evoked responses, 20–55 yr olds, 19336
manipulated arousal, intensity of initial emotional response to achievement task outcome & degree of egotism in pattern of causal attribution, male college students, Nigeria, 11185
micro- vs midi- vs global-level behavioral assessments & physiological arousal, social anxiety & skills, male college students, 2857
mitigating information before vs after being insulted vs not insulted by coworker, delivery of aversive noise to coworker under high vs low social censure & physiological arousal & attribution, male college students, 19819
neutral vs environmental asthmatic vs asthma-related vs phobic as stressful visual stimuli, psychophysiological arousal & respiration & vigilance, asthmatic patients vs nonsmoking skin divers, 30358
physiological arousal & dissonance & attitude change & dissonance-arousal link & "don't remind me" effect, college students, experimental replication & extension of study by R. T. Croyle & J. Cooper, 27173
provocation with gambling vs neutral stimuli, level of arousal while playing poker machine, 27–72 yr old high- vs low-frequency gamblers, 8446
psychological challenge of video game & parental blood pressure, cardiac reactivity, 16–24 yr old monozygotic & dizygotic twins, 3127
psychophysiology & concept of arousal, psychosomatic patients, 14810
relaxation techniques, affect & cognition & reduction of arousal & distress, female college students, 27923
self induced sexual arousal to orgasm & heart rate, females, 26538
self verbalization of rational vs irrational vs neutral belief statements, subsequent task performance & physiological correlates, female college students, 19357
similarities & differences in meditation & somatic arousal, comments on article by D. S. Holmes, 26552
skin conductance & orienting responses & cortisol & prolactin measurement before & after menstruation, 25–28 yr old infertile females, 1610
social insecurity & blood pressure & sympathetic arousal & Type A pattern, 23–67 yr old male medical or surgical patients, 21352
stressful situation, autonomic arousal assessed by EMG & heart rate & anxiety, 19–48 yr old patients with atopic dermatitis, 27548
task characteristics & stimulation level as test of activation theory, arousal level & performance satisfaction, college students, 29330
team type & record & experience level & arousal & performance expectancy, contest outcomes, male vs female junior college athletes, 338
underlying model of mood & measurement of self reported stress & arousal, response to criticism by P. J. Cruickshank, 8056
use of cognitive/cortical processes during self induction of emotional arousal, objective subjective arousal discrepancy in Type A individuals, college students, 27187
viewing images of facially normal vs simulated disfigured self vs others, autonomic arousal response & perception of change in social relationships due to disfigurement, college students, 24517
visual display unit data-entry task, performance & physiological indices of arousal, 20–22 yr olds, 10648

Physiological Correlates

accelerated heart rate & panic attacks, 18–60 yr old females, conference presentation, 22130

acute curare paralysis, robust visceral learning, rats, experimental replication, 26650
acute vs chronic immobilization stress, brain levels of noradrenaline & dopamine & serotonin & 5-hydroxyindoleacetic acid, rats, 11202
age & sex & Type A behavior, heart rate & blood pressure during cognitive tasks, 26–74 yr olds, 23867
alcohol-induced stress & physiological correlates, college students with Type A vs Type B behavior, 21628
alcohol ingestion, psychomotor task performance & physiological measures, 18–34 yr old twins, 19473
anxiety & defensiveness & physiological responsivity, female meditators vs nonmeditators, 23864
anxiety level, changes in skin & salivary & urinary pH, 20–25 yr old females, 5734
application of biotelemetry monitoring system, assessment of cardiac & respiratory physiology during feeding & caregiving interactions, full-term newborns & twins & young asthmatic children, 11389
attitudes toward emotional problems & psychiatric help, mental health care utilization, depressed male vs female college students, 25928
attribution of life problems to dysphoric affect &/vs physical illness in conversion process, physiological correlates, 20–62 yr old patients with chronic pain with no somatic cause, 6878
autonomic activity & its perception, individual differences in experience & expression of emotion, 5732
autonomic nervous system individual response specificity with vs without beta-adrenergic blockade, males with essential hypertension, 6762
aversive auditory stimulus, stress sensitivity & physiological responses, 20–55 yr old migraine sufferers, 24974
aversive events, choice & psychophysiological correlates of choice, male vs female college students, 569
aversive stimulation with vs without means of control, mood & RT & muscle tension & neuroendocrine plasma concentrations & cardiac functions, 21–35 yr old males, 13869
behavior in social situations & heart rate & heart rate variability & pupillary dilation to cognitive tasks, inhibited vs uninhibited 21 mo olds, 3.5 yr followup, 26936
biochemical correlates of meditation, literature review, 29329
biochemical correlates of sensation seeking & relationship to mania, 27389
biochemical markers for monitoring chronic alcoholism, alcoholic patients, 20065
biological aspects of schizophrenia, literature review, 30226
biological marker of fasting plasma serine levels & serine hydroxymethyltransferase activity, depressed patients with vs without psychotic features, 30238
biological markers, patients with schizotypal personality disorder, 30220
biological predictors of response to tricyclics & lithium therapy & age of illness onset, depressed patients, test of heterogeneity & differential diagnosis of affective disorders, conference presentation, 12020
blood pressure & pulse rate & excretion of urinary catecholamine during precompetition & pretraining & training periods, male vs female gymnasts, 16398
body fat & lean body mass, slow wave sleep & onset & length of sleep, athletic vs nonathletic college students, 346
brain stem response & speech & high frequency audiometry, 13 yr old males & 39 & 51 yr old females with low frequency sensorineural hearing loss, case reports, 24934
brain structural/functional organizations of emotional states & reactions assessed by infraslow physiological processes, epileptic patients, conference presentation, 30357
cardiovascular & noncardiovascular sympathetic nervous system responses to vigilance task, adults with borderline vs established hypertension, 20148
central dopaminergic activity assessed by electroretinography, measurement of aggressiveness & other personality factors, rugby players, Italy, 21351
challenge dose of ethanol, physiological responses, 18–53 yr old mono- vs dizygotic male twins, conference presentation, 3129
changes in mental acuity & fluid status, 60–92 yr olds undergoing barium enema, implications for gerontological nursing, 12640
changes in noradrenergic system, 13–41 yr old patients with mental anorexia, conference presentation, 6809
chronic & acute occupational stress & plasma immunoglobulin & personality correlates & complement components, 26–65 yr old primary school teachers, 3219
chronic administration of clorgyline, peripheral presynaptic noradrenergic activity assessed by plasma norepinephrine & heart rate & blood pressure, 21–70 yr old depressed patients, 9934
chronic administration of naloxone, behavioral symptoms & respiratory hyperactivity & oxygen consumption rates indicative of opiate abstinence syndrome, male rats, 11313
chronic morphine & ethylketocyclazocine & subsequent withdrawal, abstinent states & EEG & behavioral parameters, female rats, 21627
cigarette smoking & Stroop conflict solving, psychophysiological correlates, 20–51 yr old males, 5738
classical- vs multiple platform- vs pendulum-induced deprivation of paradoxical sleep, physiological correlates of stress, male rats, 23883
clinical & historical & neuropsychological correlates of cerebral ventricular enlargement, schizophrenic 16–37 yr olds, 30157
clinical characteristics & response to drug therapy, patients with pain disorder or agoraphobia with panic attack, 30122
computer aided analysis of in-flight physiological measurement, pilots, conference presentation, 20855
computerized axial tomography abnormalities as markers of schizophrenia subtypes, literature review, 14600
contingent negative variation & cognitive EP correlates of schizophrenia, literature review, 27353
coronary prone behavior & tone discrimination & serial learning & standing on stabilographic bridge tasks, psychophysiological reactions assessed by CNS activation, graduate students, Czechoslovakia, conference presentation, 8458
cortical cholinergic levels & cognitive impairment, postmortem study of 62–92 yr old patients with Parkinson's vs Alzheimer's disease, 6838
depression symptomatology & biochemical correlates, patients with ideopathic Parkinson's disease, 27621
development of computer system for observation of multiple channels of communication, assessment of verbal & nonverbal & physiological aspects of interactions, therapists & clients, 13326
development of test battery measuring respiration & startle response & Y-maze activity & heart rate & body temperature, assessment of nicotine effects, 4 inbred strains of mice, 21003
diagnostic utility of autonomic nervous system measures, assessment of unipolar depression, hospitalized patients with mean age of 63.8 yrs, 22041
drinking behavior & alcohol induced facial flushing, 30–49 yr old males assessed by their wives, Japan, 19785
EEG correlates, information processing, acute & recovered patients with schizophrenia, 3872
electrical stimulation of fastigial nucleus of cerebellum, behavior & arterial pressure & heart rate, freely moving dogs, 26584
electrodermal discrimination of familiar vs unfamiliar faces, prosopagnosic patients, 20256
enalapril maleate, physiological & psychological & subjective characteristics, adults, 14033
environmental stressors & development of spontaneous hypertension & display of more sensitive cardiovascular response, offspring of spontaneously hypertensive rats, 21386
epidemiology & etiology & diagnostic & assessment methods & biological markers, depression, pre-pubertal children, 17434
ergonomic & physiological aspects, performance, British soldiers stationed in cold wet climate, 31544
etiological psychological & physiological factors, recurrent abdominal pain, children, reply to comments by L. Zeltzer, 17630
etiological psychological & physiological factors, recurrent abdominal pain, children, 17631
etiological psychological & physiological factors, recurrent abdominal pain, children, comments on article by P. J. McGrath & W. Feldman, 17702
etiology & precipitating factors for vascular diseases & epilepsy & migraine, 51–78 yr old patients with transient global amnesia, 1–84 mo followup, 4222

evaluation of compatible vs incompatible noise letters, RT & physiological responses, college students, implications for continuous flow model of human information processing, 13865
expectancy, physiological responsivity, novice meditators, 29328
exposure therapy in morning vs evening, anxiety & endocrine & cardiovascular responses, 25–43 yr old females with severe animal phobias, 20359
exposure to red vs blue vs white light, time estimation & eyeblinks & skin conductance & pulse & heart rate & EEG, college students, 29326
extended exposure to low level noise, heart rate & blood pressure & pauses in cardiac rhythm, chair restrained monkeys, 13904
extraversion & psychoticism & self assurance & cardiac rate & frontalis EMG, CFF as index of visual acuity, females vs males, 10921
extraversion vs introversion, saliva secretion rate & composition, adults, 31266
face-to-face interaction & conversation & hormonal activity & sympathetic nervous system changes in response to stress, allocation of status ranks & dominance behavior, human & nonhuman primates, 27144
frequency of lifts, weight selected & oxygen uptake & heart rate & rate of perceived exertion & subjective assessments of fatigue & confidence, female college students, application of psychophysiological method & ergonomic implications, 16450
frontalis & forearm & neck EMG & cephalic vasomotor response & hard surface temperature & heart rate & skin resistance level & stimulus parameters, adults with migraine &/or tension headaches, 27499
functional structure of placebo response, 18–24 yr old healthy males, 8580
genetic or environmental characteristics, cardiovascular responses to emotional & physical stress, adults with or without family history of hypertension, conference presentation, 11137
genetics & neuroanatomical & neurochemical & dietetic factors, schizophrenia, literature review, 1393
grouping according to physiological & cognitive reactions to social interaction test, responses to relaxation therapy vs self instructional training, 20–60 yr olds with social phobia, 20354
hair minerals, behavior difficulties, White male Navy recruits, 8457
heart & respiration rates & EMG & mood during positive vs negative vs neutral thoughts, retrieval vs dismissal latency, intrusive vs depressive thinkers, 19358
heart rate & blood pressure vs emotional response to stressful quiz, 18–25 yr old males with vs without alexithymia, support for decoupling phenomenon, 11988
high vs low need for power & group conflict, physiological reactivity, college students serving as group members & leaders, 11187
higher frequency of negative Lewis blood type, psychiatric patients, 17399
history of parental alcoholism & expectancies, behavioral & physiological & motor responses to low vs high doses of alcohol, 19–30 yr old males with vs without history of parental alcoholism, 22176
horror vs documentary music of film, psychophysiological stress responses, male college students, 11200
hypnotherapy, pain & anxiety & depression & biochemical correlates, 40–69 yr old arthritic pain patients, conference presentation, 15214
hypothalamic-pituitary-adrenal dysregulation & skin conductance measures of habituation & stimulus specificity & dishabituation, depressed dexamethasone suppressors vs nonsuppressors, 30204
hypothesis testing vs RT vs videogame vs mental arithmetic vs handgrips vs cold pressor tasks, systolic & diastolic blood pressure & heart rate, 35–65 yr old Type A vs Type B males, 21361
image with vs without sound video presentation of expressive displays by President R. Reagan, emotional & physiological responses, college students, 11770
immobilization stress, adrenal cortex response, hypokinetic rats, 3220
in vivo voltammetry as measurement of neurochemical events during associated behavioral & neurophysiological correlates, 29299
individual vs group housing, physiological & behavioral responses, pregnant pigs, implications for animal welfare, 16340
intense psychogenic stress, pathomorphological changes, postmortem data from deceased zoo-kept animals, conference presentation, 11049
inter- & intrasession reliability, psychophysiological poststress adaptation, college students, 13859
interindividual variation in acute reactions to ethanol, healthy female students, 19471
internight variability of REM latency, female vs male 19–69 yr olds with major depression, implications for use of REM latency as biological correlate, 30085
intrauterine exposure to phenylalanine, biological & behavioral consequences, infant offspring of female rhesus monkeys, 8596
lactate-induced panic & biochemical & physiological changes, patients with panic disorder vs agoraphobia with panic attacks, conference presentation, 22076
level of nicotine intake & autonomic responses on normal smoking day vs after period of deprivation, 19–33 yr old male smokers, 26688
measurement of heart rate & blood pressure & skin conductance & hearing thresholds & uncomfortable loudness levels & tone magnitude estimation, distinction of high- vs intermediate- vs low-noise-sensitivity, 18–50 yr old females, 18791
mediating variables & manifest behavior & social relationships & biological factors, later delinquency & adult criminality, 10–13 yr olds studied until age 18–26 yrs, 24786
melatonin as depression marker & cortisol secretion, comments on article by B. Claustrat et al, 30141
melatonin as marker in depression, 26–58 yr olds with major depression, 17322
mental tasks & Type A behavior pattern, exaggerated physiological reactivity, 22–56 yr old managerial employees, 26554
mental workload & physiological responses of central nervous system & evoked cortical potentials, 5457
metapramine, EEG & heart & respiratory rates & self perceived response to anxiety-producing conditions, healthy 20–42 yr olds, 5824
metoprolol serum levels, flush fusion frequency & RT as indicators of CNS activity, 22–32 yr old males, 3291
mitral valve prolapse associated with panic attacks, 17–58 yr old patients with panic attacks, Korea, 27336
mobility of excitation vs inhibition in nervous system, extraversion & neuroticism, college students, 26547
model based on physiological measures & psychological characteristics, schizophrenic adults, 1325
morphology & physiological parameters, male-female vs female-female pairs of ring-billed gulls, 23726
neuroleptic dose & tardive dyskinesia, attention & information processing & psychophysiology, 18–55 yr olds with chronic schizophrenia, 4535
neurological abnormalities, patients with schizophrenia vs affective disorder vs bipolar disorder with psychosis vs alcohol & drug abusers, 30079
neuropathological correlates of behavior, brain sections from schizophrenic patients, comments on findings of B. Bogerts et al & A. Lesch & B. Bogerts, 30223
noradrenaline levels during orthostatic challenge, bipolar & unipolar depressed 24–68 yr olds, 11999
nuchocephalic & snout reflex & glabellar blink & ventrical gaze & paranoia & visual pursuit & reverse spelling & memory recall, assessment of abnormal neurologic response rates, 50–93 yr old normal adults, 29314
paired associate learning, changes in contingent negative variation, college students, 16314
pathophysiological aspects, mental disorders, conference presentation, 24590
patterns of physiological reactivity & cognitions during social encounter, socially anxious Ss with mean age of 20.4 yrs, 3947
perceived control & relation to crowding & stress & physical symptoms, male prisoners, 30999
personality & psychophysiological & cognitive variables, abusive vs neglectful vs low income mothers, 1421
phenylthiocarbamide taste test as biological marker for depression, 18–36 yr olds, 20001

phobic content slide, cardiac response, snake- or spider-phobic 16–61 yr olds, implications for orienting response., 27367
phonetic low vs high semantic cognitive processing, psychophysiological correlates, college students, 8440
physical & psychological stress, physiological & metabolic response, 51–65 yr olds with noninsulin dependent diabetes, 27636
physical exercise, psychological stress, urine catecholamines & blood pressure & heart rate, college students, 8443
physical restraint stress, mortality rate & physiological responses, rats, replication of study by C. C. Chiueh et al, 29355
physiological & behavioral correlates of wakefulness & drowsiness & slow wave & paradoxical sleep with nuchal isotonia or hypotonia, 1 yr old ganders, 19348
physiological & behavioral responses to exogenous estradiol benzoate & progesterone, ovariectomized female Topeka guinea pigs, 631
physiological & motor aspects of circadian rhythms, endogenously depressed 31–69 yr olds, 24728
physiological & psychological & demographic & anthropometric factors, adherence to exercise program, healthy adults, 337
physiological aging, biologically- & surgically- & illness-related sexual changes & suggested coital positions, males & females over 50 yrs, 24437
physiological boundaries of sensitive period, domestication, foxes, 5581
physiological characteristics & physiological correlates of anorexia nervosa, 30410
physiological measures vs correlates of stress, ergonomic implications, conference presentation, 5128
physiological processes & psychodynamics underlying defensive aspects of impression formation, male college students, 19811
physiological processes, satiety signals & conditioned food aversions & termination of meal, humans, implications for treatment of intake-related disorders, 13847
physiological reactivity to stressful situation, female college students prone to tension headaches, 9557
physiological response to cold-restraint stress, utility of statistical procedures for determination of individual differences in animal research, male rats, 21398
platelet MAO activity & estrogen & progesterone & testosterone serum levels, adult drug-free depressed inpatients, 17403
platelet MAO activity, drinking history & physiological states, 21–61 yr old hospitalized male alcoholics vs male psychiatric inpatients, 1415
propranalol vs atenolol administration, anxiety & heart rate & blood pressure & peripheral temperature, phobic 24–55 yr olds, 25285
provocation with gambling vs neutral stimuli, level of arousal while playing poker machine, 27–72 yr old high- vs low-frequency gamblers, 8446
psychobiological factors in prepubertal major depression, children & adolescents, 11994
psychological & physiological characteristics of criminals, college students, Netherlands, test of social deprivation theories, 24754
psychological & physiological correlations & music & central & autonomous nervous system activity, cardiac-phobic patients, 1373
psychological characteristics, migraine vs tension headache patients, reply to criticism by P. Drummond, 20220
psychophysiologic variables as genetic markers of functional psychoses, literature review, 6527
psychophysiological anxiety model & psychopathology of bulimia, obese vs bulimic females, conference presentation, 25017
psychophysiological correlates of long term attention to complex tasks & problems associated with measurement, conference presentation, 19179
psychophysiological indices, 14–18 yr olds with adolescent schizophrenia, implications for similarity to adult schizophrenia, 17426
quantitative & qualitative biochemical markers, alcohol abuse, alcoholics, 3-mo followup, 20030
questionnaires vs hormone level tests, stress assessment & management, business & industrial personnel, 167
radial acceleration & other stressors in aviation, secretion of catecholamines & adrenal steroids & other hormones, conference presentation, 11196
radical vs methodological behaviorism, private responses & stimulation & consequences, 2781
recordings of EEG & EKG & EMG & EOG & GSR during nocturnal sleep, 18–40 yr olds with sleep disorder complaints & anxious vs hysterical neurosis vs schizophrenia, 17412
requirement to work for food at varying temperatures, foraging behavior & physiological adaptation, female house mice, 8482
research on psychophysiologic correlates of Type A behavior, comments on articles by B. K. Houston & D. S. Holmes, 6379
role of haloperidol & attention & mental effort in physiologic dysfunction of dorsolateral prefrontal cortex, patients with schizophrenia, 22517
RT crossover & aging & socioeconomic functioning, schizophrenic patients vs 1st-degree relatives, 19907
running as recreational therapy & physiological effects, disabled children, literature review, 2169
scopolamine vs physostigmine, higher nervous system activity & physiological responses, college students, 5876
self verbalization of rational vs irrational vs neutral belief statements, subsequent task performance & physiological correlates, female college students, 19357
semantic & evaluative & self referent orienting tasks, memory & cognitive effort & somatovisceral effects, female college students, 19098
serum & salivary cortisol levels, 7–16 yr olds with depression vs other psychiatric disorders, 3820
serum cholesterol & uric acid levels & mood, prediction of stressful diving performance, 21–36 yr old Navy divers, 7-yr longitudinal study, 566
sex roles & race & demographic characteristics, physical symptoms of distress, 18–79 yr olds, 1105
simple & relaxation & cognitive tasks, 8–10 yr old males with psychomotor dysfunctions, extension of cardiac component analysis technique, conference presentation, 20339
simulated chemical warfare field training exercise under high heat conditions, behavioral & physiological & psychological correlates, military medical unit personnel, 31417
sites of taste & visceral integration in CNS, conditioned taste aversion, animals, 13803
situational determinants, physiological reactivity & frequency of negative cognitions, socially anxious patients, 30232
smell & feel of preferred alcoholic beverage, skin conductance level & heart rate, alcoholics vs nonproblem drinkers, 22164
smoking 1 cigarette, finger vasomotion & heat loss & pulse amplitude, 21–29 yr old heavy vs light vs nonsmokers, 21589
sole & palm patterns, patients with cri du chat syndrome, Denmark, 9431
state anxiety & recovery & cortisol & noradrenaline excretion pre- vs post-operatively, middle ear surgical patients, 28068
static model based on eye-heart vertical distance, prediction of group mean gravity tolerance under various anti-gravity &/vs physiologic conditions, fighter pilots, implications for job performance, 31433
strength & activity of CNS functional capacity & thresholds & lability, retention of knowledge, humans, 2-yr longitudinal study, educational implications, 5739
stress induced by testing situation, neuroendocrine & physiological responses, 23–44 yr old male medical students & staff, 13860
stress-inducing tasks, transcutaneous partial oxygen tension & skin blood flow & blood pressure & respiration, college students, implications for noninvasive measurement of cardiorespiratory functioning, 23866
stress of mental arithmetic & RT tests, temporal artery pulsation & facial temperature & blood pressure & heart & respiration rates, female college students subject to migraine vs tension headaches, 27537
subjective ratings of physiological reactions & negative cognitions, 15–68 yr olds with blood phobia vs small animal phobia vs social phobia vs agoraphobia vs claustrophobia, 6526
symptoms & neurologic deficits & neuroanatomical changes assessed by computed tomography & nuclear magnetic resonance, 54–86 yr olds with subcortical arteriosclerotic encephalopathy, 30421
task difficulty, cardiovascular responses & anagram problem solving efficiency, male college students, 8230

thyroxine & thyroid hormone resin uptake & thyroid stimulating hormone levels, 23–62 yr old panic attack patients with or without phobias, 24633
time spent in shade & physiological factors of thermoregulation, Brahman vs Shorthorn vs Brahman/Hereford-Shorthorn cross steers, 479
tone of nonspecific synchronizing vs desynchronizing cerebral systems during sleep vs wakefulness, 16–50 yr olds with epilepsy with focus in left vs right hemisphere, 17653
total sleep deprivation, responsivity during recovery sleep, college students, 8262
total social isolation vs mother present with vs without contact vs peer present, behavioral & physiological responses, rhesus monkeys at 4–6 vs 8–10 mo of age, 8479
transfer from usual temperature environment to permanent sunlight conditions, circadian rhythms of fatigue & temperature & grip strength & heart rate, 28–34 yr olds, France vs Arctic, 23857
Type A behavior & hardiness, cardiovascular & biochemical responses to common job stressor of role ambiguity, adult males, 2-yr longitudinal study, 30020
urinary cortisol & catecholamines & self assessed work load, sawmill workers, 23250
urinary 3-methoxy-4-hydroxyphenylglycol levels & EEG sleep recordings & dexamethasone suppression response as biological markers, patients with affective disorders, 9231
urine ultraviolet fluorescent tests for riboflavin, assessment of medication compliance, 12546
validity of clinical & electrophysiological & biochemical markers of infantile autism, 17310
variability in response to alcohol, 20–38 yr old males, 19486
venous pH & carbon dioxide & bicarbonate as indicators of therapeutic progress, 22–55 yr olds with agoraphobia with panic attacks treated with imipramine or desipramine or clonidine, 7182
venting of radioactive gas from damaged nuclear reactor, psychophysiological responding, residents of Three Mile Island area, 5729
visual vs rotary pursuit task, cardiac responses, college students, 23868
vitamin B6 administration, clinical & biochemical results, infants with Down's syndrome, 3-yr longitudinal study, 9883
voluntary hyperventilation, distress & physiological correlates, Ss with panic disorder & generalized anxiety disorder, 17405
wake-up rectal temperature, sleep-time vs wake-up brain & blood ethanol concentrations, male vs female mice, implications for theories of anesthesia, 21475
winning vs losing, cardiovascular correlates & blood pressure variations, Type A vs Type B medical students, 11192
7-hr delay or advance of sleep due to transmeridian flight or night shift sleep displacements, phase shifts of circadian rhythms of rectal temperature & urinary norepinephrine secretion, 64 yr old male, 23861

Physiological Psychology [See Also Neuropsychology]
dramatic presentation as teaching method for neuron anatomy & physiology, college students, 31188
perceptual psychology & physiological physics in E. Mach's "Knowledge and Error: Sketches on the Psychology of Enquiry", 10694
physiological psychology & model of personality & integration of functional ego states in neurobiological approach to transactional analysis, 25122
views on use of animals in research in physiological psychology, 487

Physiological Stress
adaptation to cold water stress, tolerance to shock in approach-avoidance conflict situation & response latency in active-avoidance task, male rats, 23892
atropine administration during heat stress, heating rate & weight & fecal loss, male rats, implications for heat stroke, 26572
atropine vs verapamil vs bethanechol vs cold restraint stress, gastric emptying of resin, rats, 29352
biomechanical evaluation method, analysis of lumbar stresses with upper limbs fully or partially supported by worktable, ergonomic implications, 5388
bromocryptine vs dironyl vs naloxone, coping with shock-induced motor depression, male vs female normo- & hypertensive rats, conference presentation, 5853
chlorpromazine in low vs medium vs high dosage, development of gastric ulcers induced by cold stress & restraint, mice, 5744
chronic intermittent stress, adaptation of adrenocortical response, intact vs blinded pigeons, 11222
chronic stress, neuronal cell death in retina, male vs female rats, 23896
cold restraint stress, urinary excretion of endogenous beta-phenylethylamine, male rats, 5769
dose & personality traits, magnitude of alcohol-attenuated stress response, 21–30 yr old male social drinkers, 24455
drug-induced stress & endorphin activity & depletion of brain monoamines, spontaneous social isolation & motor activity, rats, conference presentation, 14060
ether stress vs dexamethasone treatment vs drug-induced inhibition of GABA catabolism, GABA synthesis in hypothalamo-hypophyseal system vs cingulate cortex, male rats, 26704
exercise & emotional stress, EKG patterns, 18–32 yr old males, 11191
focal right hemisphere cortical suction lesions & cold water stress, hyperactivity & norepinephrine depletion, male rats, 26615
full vs partial kindling in amygdala followed by stress, neuronal hyperexcitability & stomach ulcers, male rats, 8491
heat & cold stressors with vs without dextroamphetamine sulfate, CNS monoamines & 5-hydroxyindoleacetic acid levels & behavioral toxicity, male rats, 21384
lifting & work load, physical strain, truck drivers, Sweden, 23261
mental arithmetic task & submersion of hand in cold water, blood pressure & heart rate, 54–64 yr old identical vs fraternal male twins, implications for genetic component of coronary heart disease, 29253
muscle tension & skin temperature reliability of Psychophysiological Stress Profile, 23–52 yr old hospital patients, 26217
naltrexone injections into preoptic-anterior hypothalamus, stress-induced hyperthermia, rats, 3310
physical & psychological stress, physiological & metabolic response, 51–65 yr olds with noninsulin dependent diabetes, 27636
physical activation level, problem solving & risk taking & execution of simultaneous tasks, 10–17 yr old high-performance athletes vs nonathletes, 11464
physical exercise, psychological stress, urine catecholamines & blood pressure & heart rate, college students, 8443
physiological & mental & environmental stress & long airplane flights, heart rate & salivary cortisol levels & adrenaline excretion & alertness, jet transport aircraft crew members, 31520
pituitary homographs with prolactin vs domperidone vs haloperidol vs indomethacin administration following food deprivation, cold stress-induced gastric ulcers, male rats, 16462
pre- vs postmilitary flight status, serum levels of cortisol vs testosterone, 20–45 yr old Air Force pilots vs nonpilots of fighter vs cargo planes, 19361
prolonged emotional stress, functional condition of cortical subcortical structures in EEG activity & their role in development of endocrine & hypertensive reactions, cats, 23877
psychological & physiological stress, opiate & hypothalamic-pituitary-adrenal & serotonergic system changes & anorexia nervosa, 27532
psychological stress during follicullas & ovulatory & luteal phases of menstrual cycle, psychoneuroendocrine stress responses & mood, 21–36 yr old females, 29327
rational stress & dimethylnitrosamine administration, methyltransferase synthesis & tumor development, female rats, 29416
REM sleep deprivation & immobilization & cold stress, emotional-motivational behavior, male rats, 8477
self deception & impression management, report of psychological vs somatic distress, male vs female college students, 21981
space flight, behavior & performance & psychological responses, space crews, 18759
stress composed of mild restraint &/vs tone-shock pairings, blood pressure & heart rate, male spontaneously hypertensive rats, 21385
stress induced by testing situation, neuroendocrine & physiological responses, 23–44 yr old male medical students & staff, 13860

stress-inducing tasks, transcutaneous partial oxygen tension & skin blood flow & blood pressure & respiration, college students, implications for noninvasive measurement of cardiorespiratory functioning, 23866
stressor exposure, psychoendocrine & metabolic reactions, 28–44 yr old males with psoriasis, 30354
Physiology [See Also Related Terms]
contributions of I. P. Pavlov & W. B. Cannon to modern physiological thought relative to behavior & autonomic nervous system, conference presentation, 558
development of test battery measuring respiration & startle response & Y-maze activity & heart rate & body temperature, assessment of nicotine effects, 4 inbred strains of mice, 21003
dynamic geometrical structure of optical flow, importance of retinal center & periphery in pickup of optical information for controlling stance, Os, 13831
physiological & psychological effects of extreme starvation, 30484
physiological constraints & articulatory indices, conference presentation, 713
role of male's penile spines & cups in induction of luteal activity in female & in removal of copulatory plugs from vaginal tract, rats, 26541
studies performed at university Comparative Physiological Psychology Unit, Sweden, literature review, 2740
Physiotherapy [See Physical Therapy]
Physique
objective assessment of body frame size vs subjective estimation of ideal weight from height & weight tables, adult males vs females, 19848
temperament & physique factors in matching process, dog guides & blind masters, 25551
ventromedial vs dorsomedial hypothalamic nuclei lesions, food intake vs body weight vs composition, weanling rats, conference presentation, 21438
Physostigmine
alaproclate, tremor & salivation induced by oxotremorine vs arecoline vs physostigmine, male rats & mice, implications for Huntington's chorea & Alzheimer's disease, 14032
chronic ethanol exposure & withdrawal, sensitivity of hippocampus to local injection of physostigmine, male rats, 5856
diisopropylfluorophosphate vs oxotremorine & physostigmine, behavioral supersensitivity to muscarinic antagonists, rats, 23962
dose level of oral physostigmine, memory, 58–83 yr old patients with Alzheimer's disease, 25268
flavors paired with apomorphine vs scopolamine vs methscopolamine vs physostigmine vs neostigmine, chin rub CRs & flavor avoidance, male rats, 29475
function of cholinergic synapses in & physostigmine as possible therapy for Alzheimer's disease, British Pharmacological Society symposium papers, 6726
high dose dextromethamphetamine, forced lever performance & sensitivity to effects of physostigmine & atropine & mecamylamine on cholinergic neurons, rhesus monkeys, 26725
hypertensive episodes following physostigmine therapy, 72 yr old female in treatment for Alzheimer's disease, case report, 27943
interaction of physostigmine & scopolamine, verbal learning, college students, conference presentation, 5875
interactions between ethanol withdrawal- & physostigmine-induced tremors, male rats, 21516
intraperitoneal physostigmine vs pilocarpine, spatial memory impairment induced by lesions of nucleus basalis magnocellularis, male rats, 13899
pesticides vs physostigmine vs chlordiazepoxide, working memory vs discrimination task performance, male rats, 29426
pesticides vs physostigmine vs scopolamine vs methscopolamine vs chlordiazepoxide, performance on delayed response working memory tasks, male rats, 29425
phenylmethanesulfonyl fluoride vs methanesulfonyl fluoride vs physostigmine salicylate, suppression of methylphenidate-induced stereotyped gnawing, female rats, 5907
physostigmine, acetylcholinergic stimulated behavior, cats, 5935
physostigmine, arrhythmic effect, 85 yr old male with Alzheimer's disease, 25283
physostigmine, behavioral memory deficits induced by lesions of nucleus basalis of Meynert, male rats, 16648
physostigmine, memory deficits induced by pretraining electrical stimulation of dorsal hippocampus, mice, 5760
physostigmine, memory improvement, 53–75 yr olds with Alzheimer's disease, 30759
physostigmine, ranitidine-associated delirium, 25 yr old female with depression & suicidality, 25292
physostigmine, serum epinephrine & norepinephrine levels, 20–53 yr olds with affective disturbances, 27967
physostigmine vs atropine vs benactyzine, learning & performance, male monkeys, 21570
physostigmine vs soman, nociception assessed by tailflick & hotplate tests, male rats, 16776
scopolamine vs atropine vs physostigmine vs neostigmine vs amphetamine, cholinergic & aminergic mechanisms in inhibitory conditioning, rat pups, conference presentation, 11322
scopolamine vs physostigmine, higher nervous system activity & physiological responses, college students, 5876
Piaget (Jean)
application of Piaget's idea of intuitive thought to cognitive aspects of splitting & libidinal object constancy, criticism of paper by R. Melito, 24233
application of Piaget's theory of formal thought to science education, 18483
assimilation of Darwinism in developmental psychology & J. Piaget's interpretation of evolutionary theory, 16878
components of J. Piaget's theory of learning & parabolic method used by Jesus, 17042
conceptual compatibility & complementarity of Piaget's & M. Mahler et al's theories of cognitive-emotional development, cognitive aspects of splitting & libidinal object constancy, reply to criticism by I. Steingart, 24206
constructivism of Piaget & creation of innovation & novelty at all levels, conference presentation, 8801
constructivism of Piaget & processes involved in creation of novelty, conference presentation, 8745
constructivism theory of Piaget, child's acquisition of language from linguistic & psycholinguistic perspectives, conference presentation, 8787
contributions of Piaget as epistemologist & psychologist & teacher, 26797
current research trends & theoretical discussions, individual cognition, 29110
epistemology & methodology of reductionism vs constructivism, conference presentation, 8735
initial level of development as indicator of attainable degree of learning, reanalysis of findings of B. Inhelder et al supporting Piaget's stage learning hypothesis, 29601
philosophical analysis & empirical methods, Piaget's genetic epistemology, children, meta-analysis, 29568
Piagetian perspective on construction of new truths in psychoanalysis, conference presentation, 55
Piagetian theory as basis for development of software algorithms, microcomputer assisted learning, 18476
Piaget's theory of relationalism as structuralism & theories of relations compatible with holism, 7954
relationship between knowing & knower, Piagetian concept of development of self knowledge, children, 29549
research method & genetic epistemology & interactive processes of knowledge in Piaget's theories of cognitive development, 8765
structural model of social exchange of Piaget, applications to interpersonal & group relations, 29940
utility of cross disciplinary interests & interdisciplinary studies in professional development & work & contributions of Piaget vs L. E. Tyler vs M. J. Mahoney, 26124
Piagetian Tasks
classification & conservation of number & seriation tasks using nonverbal procedures, tasks developed by D. F. Lancy & G. T. Goldstein & relation to Piagetian cognitive development stages, kindergartners & 1st–2nd graders, 29588
comparison of actual level of cognitive development to J. Piaget's theoretical stages, 6–11 yr olds, 19621
construct validity of 3 Piagetian tests, logical thinking & reasoning & verbal & spatial abilities & SES & school achievement, female vs male 9–16 yr olds, Finland, 10801
early cognitive development using Piagetian framework, infant macaques vs humans, 11081

experimenter's actions & variation of Piagetian task's transformation type vs numerosity vs equality, performance on number conservation tasks, 5.5–6.8 yr olds, Yemen, 14147
knowledge of physical phenomena of horizontality & verticality tasks & sex differences, Piagetian task performance, college students, developmental & educational implications, 29623
logical vs empirical certainty & necessity, understanding Piagetian concepts of conservation & transitivity, college students vs 1st vs 3rd vs 4th vs 5th graders, 11437
performance on paper & pencil version of Piaget's water level test, male vs female college students, 18957
performance on Piagetian projective & Euclidean spatial tasks, 8th vs 10th vs 12th graders, 26856
performance on standard Piagetian number identity conservation task vs reduced perceptual salience version, 56–77 mo olds, test of failure to communicate change of mind hypothesis, 19600
persistence vs nonredundancy vs systematic ordering comprehensive search skill on invisible displacements task, 16 vs 24 mo olds, failure to support Piaget's theory, 24153
physical knowledge vs Euclidean reference training, concept of horizontality, female college students who failed Piagetian water-level task, 21682
Piagetian task vs manipulation of sealed bottles, verbal assessment of conservation of liquid quantity, 6–8 yr olds, England, 14195
Piagetian vs psychometric tests, measurement of intelligence based on developmental level, literature review, 10780
relative difficulty of Piaget's number conservation vs M. Donaldson & J. McGarrigle's covering tasks, 46–65 mo olds, 29606
reliability & validity of types of scoring criteria for conservation tasks, kindergartners & 1st–6th graders, 23446
training program, formation of transformation rule system of coordinates in spatial representation task, 1st graders, 15668
Piano [See Musical Instruments]
Pica
behavioral treatment package, pica & self stimulation, profoundly mentally retarded 4 yr old female, 18020
degree of retardation & age & institutional setting, pica, 5–73 yr old institutionalized mentally retarded, 30962
frequency of pica, autistic 9–76 yr olds vs 21–75 yr old Down's syndrome patients, 17376
Picketing [See Social Demonstrations]
Picks Disease
somatostatinlike immunoreactivity in lumbar CSF, patients with Alzheimer's or Pick's disease, 1560
Picrotoxin
benzodiazepines vs amphetamine vs oxotremorine vs picrotoxin vs morphine vs nicotine vs quipazine vs Ro 15-1788, generalization of midazolam maleate trained responding, male rats, 23968
chlordiazepoxide vs picrotoxin vs bicuculline vs muscimol vs baclofen, spontaneous alternation & response behavior to stimulus change in maze, male rats, 14038
diazepam & picrotoxin, concentration of plasma corticosterone, male vs female rats, 16754
picrotoxin vs bicuculline, insulin-induced hyperphagia, rats, 16673
picrotoxin vs 3-mercaptopropionic acid, anticonvulsant efficacy of flurazepam, male rats, 29434
valproate &/vs picrotoxin vs RO 15-1788, hyponeophagia, rats, 14053
Pictorial Stimuli
ability &/vs color vs monochrome &/vs photograph vs line drawing form, perceptions of biological pictures, 13–14 yr olds, 26857
accompanying illustrations, comprehension of fiction, 3.2–3.7 yr olds, 6066
age & ambiguity & complexity of pictures, part/whole identification of pictures, 2–7 yr olds, 26852
auditory vs visual word-to-picture matching vs semantic judgments, facilitation of retrieval of picture names, aphasic patients, 4144
background & target luminance level & color, visible persistence from briefly presented letters & pictures, human Os, 13572
categories of information in picture-text procedural instructions, performance on assembly tasks, college students, 273
degree of detail in pictorial stimuli, memory, college students & Ss aged 18–36 yrs vs Ss aged 60 yrs & over, 24145
detection of Chinese strokes & characters in visual noise, college students naive vs experienced in Chinese pictographic calligraphy, 23583
development of taxonomic organization of named vs pictured categories, 3 vs 4 vs 6 vs 8 yr olds, 8799
dichoptic priming effects, ambiguous picture processing, college students, 29053
different levels of processing in study strategies, picture recognition, college students, 13644
experimental evaluation of pictures for projective tests, psychiatric patients, 13442
factual vs fictitious passage with vs without illustrations, recall of text content, middle school students, 11445
formerly encoded & presently needed information, recognition achievement & visual discrimination, support for theory of levels of processing, 11030
homogeneous vs heterogeneous pictured items within 1 vs several semantic categories, response latencies & confrontation-naming performance, fluent vs nonfluent 27–78 yr olds with aphasia, 12299
identity priming, picture recognition of famous faces, college & graduate students, 21933
illustrations & ability, literal vs inferential vs total comprehension of abstract vs concrete passages, 6th graders, Australia, 8767
illustrations in Ginn vs Lippincott beginning reading materials, picture dependence & spoken vs written language model of text construction, 10332
implementation of pictorial interfaces in microcomputers using high resolution digitizer, 10643
mechanical & behavioral & intentional understanding of picture stories, high ability 6.1–16.9 yr olds with autism vs low ability 6.3–17 yr olds with Down's syndrome, 27265
memory for color of pictures & words, college students vs 58–78 yr olds, 3448
memory retention vs semantic categorization task, direction & magnitude of hemispheric differences in processing of words & pictures, right handed male college students, 510
nonverbal film of abstracts & orientations & codas in narration, 11–12 yr old Whites with language disorders, implications for therapy, 9491
number & distinctiveness of rated semantic vs graphic attributes, incidental memory of kanji, Japan, 13695
orthographic letters vs lexigram elements, discriminability in match-to-sample task, institutionalized nonspeaking severely mentally retarded residents, 4073
partial picture cues & repetition of contextual information & encoding, imagery & facilitation of prose recall, 6–6.9 yr olds, 11419
pattern masking of pictures to prevent conscious representation, interpretation of ambiguous pictures presented supraliminally, college students, 26322
perception of pictorial metaphor, school age children, 852
performance on tasks of two-dimensional drawing from life models vs copying from photographs vs line drawings, 5–9.5 yr olds, 803
photographs of stimulus persons with vs without verbal trait descriptors, recall of trait information, college students, 10973
photographs presented alone vs followed by unrelated vs related verbal information, subsequent picture recognition, college students, 11031
photographs vs line drawing caricatures of individuals, RT on name recall & face recognition & name-face verification tasks, college students, 13697
physical-orienting vs semantic-orienting questions, memory for unrelated pictures, college students, 5493
pictorial representations of body language, educational & observational training skills programs in drama, 20713
pictorial stimuli & social cognition measures, tolerance for ambiguity, deaf 1st–4th graders, 20121
pictorial stimuli software for microcomputers, 26133
pictorial stimulus exposure duration vs luminance, measurement of amount of information extracted from icon, college students, 309
picture books, self-realization of knowledge & attitudes & experiences, readers aged 11 yrs & older, 6035
Picture Communication Symbols & Rebus system & Blissymbols, communication & language programs, severely physically & cognitive handicapped patients, 4675

picture-cue training program, interaction with peers vs teacher, language delayed 4–6 yr olds, 4935
picture of sentence's subject or object or no picture, story learning & recall, 3–5 yr olds, 11414
picture prompt training, generalization & maintenance of complex vocational & daily living skills, severely & profoundly retarded 13–19 yr olds, 15442
picture-word manipulation, storage & retrieval, normal vs learning disabled 2nd vs 6th graders, 6681
pictures, recognition of emotional states, deaf 4th & 7th & 10th graders, 4186
pictures, voice frequency & RT measures of formulating single long sentences vs multiple short sentences, adults, 5964
pictures vs words & recall level, hypermnesia, college students, 13685
pleasantness of landmarks on scaled map, recall of distances between landmarks, college students, 7906
presentation of animated geometric figures or human silhouettes in varied kinetic structures, perception of represented interpersonal emotions, college students, US vs Zaire vs Belgium, 29168
presentation of pictures, learning to read words in Kanji script, kindergartners, 18485
real or false Chinese character presented to left vs right visual half-fields, RT on orthographic & phonological & semantic processing tasks, right handed Chinese college students, 5694
replacement of word with pictured object in visually presented sentences, judgment of plausibility of sentence & recall, college age Ss, 29149
role of explicit vs implicit material in information retention & recognition process, 7–14 yr olds, 831
short blank intervals between presentation of successive pictures, subsequent picture recognition, reply to comments by M. J. Watkins, 11017
slide sets of homogeneous vs heterogeneous pictures varying in ratio, recognition memory for slides, college students, 13665
static picture vs dynamic computer graphic picture as stimulus, structure of storytelling, 4–4.6 yr old nursery school students, 31209
stimulus picture followed by rehearsal interval vs no rehearsal time, identification of picture or its name, college students, 3058
structural vs semantic vs self reference processing strategies, performance on decision & retention & recognition tasks following pictorial advertisements, 5453
subjective balance of pictures, college students, 21101
training with picture cards vs objects, generalization of object naming, 5–8 yr olds with mental retardation, 22507
unfilled intervals between presentations of successive pictures, subsequent picture recognition, comments on article by R. W. Proctor, 11029
visual similarity, picture categorization, college students, 13641
visually presented illogical vs logical & typical vs atypical episodes, episodic memory, 2nd vs 5th graders, 3415
word length, recall of names of common objects in pictures, 4–10 yr olds, 16922

Pigeons
access to route- &/vs site-specific airborne cues & relationship of release site to loft & anosmia, initial orientation toward vs away from home, pigeons, 29201
age & homing experience & transportation in distorted magnetic field vs total darkness, disorientation in homing, 5–6 mo vs 1–9 yr old homing pigeons, 8489
behavioral differences during autoshaping, crows vs pigeons, 29208
colored &/vs flavored food & lithium chloride injection to induce sickness, acquisition of color & taste aversions, ducks vs geese vs pigeons vs quail vs chickens, 11070
compound color & location stimuli, performance on delayed matching-to-sample tasks, pigeons, 13754
concurrent chains procedure with FR vs VI reinforcement schedules, choice & percentage reinforcement, pigeons, replication of author's earlier experiment, 16351
discrimination of letters & random dot patterns, pigeons vs humans, 5534
feeding time & signal reliability, reactivity to food & Pavlovian signals for food in closed economy, naive pigeons, 23680
food duration, signal-controlled vs autoshaped responding, pigeons, 23676
foraging theory & grouped sequential exploitation of food patches in flock feeder, pigeons, 19274
houselight & tone vs dark & noise context, conditional discrimination performance, mice, 19228
memory of travel slides vs kaleidoscope patterns, pigeons vs monkeys vs 21–41 yr olds, 16361
metaphit, cataleptic effects of drugs like phencyclidine in structure or action, pigeons, 19468
near point of ocular accommodation, pigeons, 29287
normative data for visual acuity & luminance- & size-difference thresholds, pigeons, 29277
pinealectomy &/vs continuous dim light vs light-dark cycles, homing orientation, homing pigeons, 5805
positive or negative intertrial conditioned stimuli, autoshaping, pigeons, 355
preexisting associations between visual stimuli & food, stimulus-reinforcer interaction in inhibitory conditioning, pigeons, 13744
primacy & recency serial position effects, stereotyped responding in multi-item spatial memory task, pigeons, 23691
selection of VI 20-sec schedule always providing food vs VI 5-sec schedule providing percentage of food, male pigeons, 26386
short term memory performance using delayed conditioned discrimination procedure, homing pigeons vs jackdaws, 29221
spatial memory in radial maze running, pigeons, 5569
spontaneous interconnection of two vs three repertoires in problem solving behavior, White Carneaux pigeon, 357
VI reinforcement schedules for right vs left responses, measurement of stimulus discriminability, pigeons, 13713

Pigments [See Also Melanin, Rhodopsin]
biological basis of caste subdivision & skin pigmentation, assortative mating, Punjabi Hindu couples from Khatri & Arora castes, India, 11605
chromatographic resolution of rhodopsin from four cone pigments of retina, chicken, conference presentation, 521
lochs providing different light environments, visual pigments, paired-pigment brown trout, conference presentation, 533
own gum color, attitudes toward different colors of normal healthy gingiva, dental students, 2224
research in visual pigments & labile scoptic visual system & contributions of H. J. Dartnall, fish, literature review, conference presentation, 491
study of visual pigment ecology & color vision & extraretinal photoreceptors, invertebrates & vertebrates, literature review, conference presentation, 523
visual defects associated with reduced pigmentation of retinal pigment epithelium, mice mutants, conference presentation, 29254

Pigs
continuous noise, visual & vocal behavior during nursing-suckling interaction, sows & piglets, 8459
developmental change from asynchronous & continuous nursing to synchronous cyclical nursing, sows & litters, 21263
feeding & fasting & refeeding, plasma concentrations & patterns of secretion of growth hormone & insulin, obese pigs, 21392
feeding periods, general activity vs stereotypic vs aggressive behavior, tethered sows who had 1 vs 2–6 previous pregnancies, implications for animal welfare, 16381
groups not aggregated vs aggregated above & below median body weight & density, food intake & feeding efficiency & weight gain & age at puberty, crossbred pigs, 16364
individual vs group housing, physiological & behavioral responses, pregnant pigs, implications for animal welfare, 16340
olfactory & auditory stimuli, impact on mating success, boars assessed at 6–7 vs 9–10 mo of age, 21258
operant determination of preferences for light, pigs, 21236
resting or feeding vs active behavior & ambient vs cool temperatures, selection of straw bedded vs concrete floor sides of living area, 4–8 wk old pigs, 16371
sex differences, social play behavior & preference for male vs female play partners, piglets, 405
urine as possible pheromone in ACTH-induced submissive behavior, prepubertal pigs, 5611

Pilocarpine
alaprociate, pupillary response to tyramine vs phenylephrine vs pilocarpine eye drops, 17–58 yr old depressed patients, 1960

anticholinergic agent tolerance & decrease in acetylcholine agonists, increased binding to muscarinic receptors in brain & motor inhibitory actions of pilocarpine, male rats, 16703
intraperitoneal physostigmine vs pilocarpine, spatial memory impairment induced by lesions of nucleus basalis magnocellularis, male rats, 13899
pilocarpine vs atropine vs hemicholinium, haloperidol-induced catalepsy, male mice, 8564
Pilots (Aircraft) [See Aircraft Pilots]
Pimozide
behavior therapy vs pimozide treatment, serum prolactin levels, 15–18 yr old female anorexia nervosa patients, 6975
dextro-ala-methionine enkephalinamide with vs without dopamine stimulating amphetamine vs pimozide, locomotor activity, male rats, 5815
intracranial self stimulation from dopamine & pimozide, response rate & choice accuracy, male mice, 5820
morphine & naloxone & pimozide into ventral tegmental area, hyperthermia & locomotion, male rats. 16824
pimozide & amount of conditioning, acquisition of conditioned reinforcement, male rats, 26682
pimozide, attenuation of conditioned taste aversion induced by lithium chloride & cocaine, male rats, 16661
pimozide, behavioral adjustment & discrimination learning, moderately & profoundly mentally retarded Ss with mean age of 15.7 yrs, 18120
pimozide, eye blink rate, patients with Tourette's syndrome, 4500
pimozide, sham intake of sugar solutions as indicator of mediating role of dopaminergic synaptic activity, male rats, 11297
pimozide vs haloperidol vs trifluoperazine, hypothalamic self stimulation rate intensity functions, male rats, implications for role of dopamine receptor binding, 26702
pimozide vs spiperone, schedule-induced vs deprivation-induced drinking, male rats, 5922
Pineal Body
arginine vasotocin, aggressive behavior, pinealectomized male rats, 586
injection of arginine vasotocin into pineal recess, decreased 5-hydroxyindoleacetic acid levels in raphe dorsalis nucleus & induced slow wave sleep, cats, 537
lesions of hypothalamic circuits, gonadal regression induced by short-day photoperiods, male golden hamsters, implications for circadian control of pineal gland & melatonin production, 21455
light vs levo-amino acid decarboxylase inhibitor-induced inhibition of pineal gland activity, basal & morphine-induced day/night feeding patterns, male mice, 16675
neurobiological functions of pineal gland, literature review, implications for role of melatonin, 26519
pargyline vs amitriptyline vs quinuperamine vs desipramine vs nomifensine, pineal production of melatonin, male rats, conference presentation, 5908
pineal melatonin content, duration of hibernation bout, hibernating vs euthermic ground squirrels, 16449
pinealectomy &/vs continuous dim light vs light-dark cycles, homing orientation, homing pigeons, 5805
pinealectomy, entrainment & generation of circadian locomotor activity rhythms, diurnal ground squirrels, 13932
pinealectomy vs removal of superior cervical ganglia vs optic nerve transection vs chronic melatonin treatment, feeding responses to opiate agonists & naloxone, male rats, 3257
Pinealectomy
daylight vs nighttime condition, avoidance conditioning, pinealectomized male rats, 8498
Piracetam
aniracetam or piracetam, latencies for passive-avoidance responses & locomotor activity, male rats, 5952
chronic oral doses of potassium orotate & piracetam, antidepressant activity & psychostimulant effect, mice, 8560
co-dergocrine or vincamine or piracetam administered ip at cumulative 30 min intervals, firing rate of locus ceruleus neurons, male rats, 16744
lecithin & piracetam, 64–81 yr old psychiatric patients with dementia, 9909
long term treatment with lecithin & piracetam, neuropsychological effects, patients with senile dementia of Alzheimer type, 18096
piracetam & choline & presentation of object vs stuffed sparrow hawk, hippocampal electrical activity, male rabbits, 16626
piracetam &/vs pentoxifylline, psycho-intellectual performance, aged Ss with onset of slight to moderate mental deterioration, 20408
piracetam, depth of consciousness loss & psychic function recovery, patients with acute viral neuroinfections, 4517
piracetam, male psychotic alcoholics, conference presentation, 15154
pyritinol vs piracetam & paradoxical sleep deprivation, ammonia levels in CNS tissues, male rats, conference presentation, 3223
3-4-diaminopyridine vs pramiracetam vs centrophenoxine vs piracetam vs aniracetam vs lysine vasopressin, hippocampal cholinergic neuronal activity assessed by choline uptake, male rats, 16794
Pitch (Frequency) [See Also Speech Pitch, Ultrasound]
alternating & same 1- & 2-formant pulses at different amplitudes, vowel identification, 19081
binaural time vs intensity cues & role of superior olivary complex, localization of tones, horses, 13806
brain stem response & speech & high frequency audiometry, 13 yr old males & 39 & 51 yr old females with low frequency sensorineural hearing loss, case reports, 24934
characteristics of German speech intonation, 11356
color principles & perception of structure of various sequential mixtures of tonal centers, 21–42 yr old trained listeners, conference presentation, 13604
determination of discrimination thresholds between pure & tempered musical intervals, music students, 23592
dynamic frequency warping, adaptation of speaker differences in automatic speech recognition of arbitrary speakers, 16279
frequency & acoustic variability of conspecific distress calls, responses, mallard ducklings, 414
frequency & masker level & masking bandwidth, binaural masking level difference, cochlear-impaired listeners, 1566
frequency-modulated sweeps corresponding to adult/adult vs adult/infant attentional responses, 4 mo olds, 21694
frequency response & performance of hearing aids, 71
frequency response curves, performance of hearing aids, hearing impaired patients, 9977
harmonics & estimation of 1st formant frequency, 21128
high frequency audiometer, measurement of hearing thresholds, noise exposed workers & patients with middle ear disease & medical students, 23374
higher formant frequencies & relative amplitude levels of 3-formant stimuli, identification of /i/ & /y/ & RT, college students, Finland, 5426
mathematical model for approximation of acoustic dissonance or roughness in interaction of 2 or more simultaneously sounded complex tones, 26773
pairs of tones at different frequencies, rank orders of pitch ratios & differences, members of academic community, 3006
parallelness & frequency relations of tonal glides, discrimination of target stimulus, college students, 257
patterns consisting of elements of ascending sequence of tones presented in rapid alternation with elements of descending sequence, judgment of stream organization, college students, 13611
perception & memory of tone in music, 23589
perception of pitch structure in music in terms of closed system or circle of 5ths, conference presentation, 13603
perceptual integration of 2 complex tones based on common amplitude modulation, adult Ss, 21126
pitch frequency ratios, interval discrimination, 19–42 yr old good musicians, 5430
postcues, detection of auditory signals of uncertain frequency, college students, 19086
quiet vs white vs notched noise & tone bursts, early/middle EP & response detectability & latency & frequency specificity, normal-hearing 21–32 yr olds, 29261
recognition of diotic vs dichotic vowel pairs with same vs different fundamental frequencies with vs without masking, 25–30 yr olds, 19097
role of contour & frequency & rate of presentation, discrimination of musical melodies, 4.1–5.7 yr olds, 3443

selective attention & tone duration & pitch, aptitude-related differences in auditory information processing, high vs low ability college students, 10945
sound frequency & intensity & duration, cochlear nerve fiber & inner hair cell responses, implications for synthetic speech, 19094
speech reception thresholds & auditory discrimination functions for different frequency regions, 12–20 yr olds with severe hearing impairment & deafness, 24931
stimulus patterns of same spectral amplitude envelope, Shepard tones & differences in height, adults, 5427
stimulus vs performance based measures of auditory backward recognition masking, pitch identification, college students, 3007
temporal integration & resonant frequency & structure & reliability, detection of auditory thresholds at high frequency level, college students, 5432
threshold sensitivity & frequency specificity in auditory brain stem response audiometry, assessment of peripheral auditory impairment, difficult-to-test young children, 1543
tonal frequency & intensity modulations prior to glabella tap, amplitude of elicited glabella reflex, college students, 13602
tone level & signal-to-noise ratio, RT to onset of tone against background of continuous noise, 3011
Pitch Discrimination
change in absolute frequency of tones, maintenance of relative pitch discrimination, starlings & cowbirds & mockingbirds, 8273
determination of discrimination thresholds between pure & tempered musical intervals, music students, 23592
difficulties of recognition of melodic memories, college music students, implications for teaching methods, 13010
evaluation of weighted Burg autoregressive spectral estimation methods, pitch-synchronous analysis of short segments of nonnasalized voiced speech, 8020
extracochlear round window electrodes, pitch & speech discrimination, pre- vs postlingually deaf 27 & 33 vs 22 & 43 yr olds, conference presentation, 4561
feedback-assisted training, auditory discrimination of pitch & loudness, 5434
identification of direction of sweep tones of 400 & 1300 & 2700 Hz & discrimination between falling & rising & level sweep tones of 1300 Hz, naive & experienced Ss, 19092
left vs right ear superiority, recognition of tonal intervals in dichotic listening, 12–25 yr olds with none vs 2–4 vs more than 5 yrs musical experience, Italy, 29642
mistuning, perceptual discrimination of melody pairs, adult listeners, 19095
pairs of tones at different frequencies, rank orders of pitch ratios & differences, members of academic community, 3006
pitch frequency ratios, interval discrimination, 19–42 yr old good musicians, 5430
role of contour & frequency & rate of presentation, discrimination of musical melodies, 4.1–5.7 yr olds, 3443
similarity of melodies & their inversions in various rhythmic patterns, perception of musical space, musicians, 26334
speech signals using different pitch estimation methods for time-domain harmonic-scaling/sub-band coding, choice of higher quality signal, listeners, 8021
stimulus patterns of same spectral amplitude envelope, Shepard tones & differences in height, adults, 5427
training methods, perception & memorization & recognition of pitch, 4 yr olds, 6057
tuning curve tonal masking, frequency resolution, 4–8 mo olds & college students, 16941
unidirectional frequency-modulated tones, initial & terminal pitch perception, normal hearing Ss, 10943
Pitch Perception [See Also Pitch Discrimination]
expressive language ability & rhythm & pitch perception & vocal range & midpoint, mentally retarded 21–37 yr olds, 14762
recall & recognition schema theory, learning in-tune singing, children, 11466
Pituitary Disorders [See Hypopituitarism]
Pituitary Dwarfism [See Hypopituitarism]
Pituitary Gland [See Also Hypothalamo Hypophyseal System]
ACTH & cortisol as indicators of circadian patterns of pituitary-adrenal activity vs dexamethasone suppression test, patients with depression, 19986
adrenalectomy, localization & differential regulation of brain & pituitary receptors for corticotropin releasing factor, rats, 620
biochemical correlates of increased pituitary-adrenocortical activity, depressed patients, 24649
dexamethasone-induced suppression of pituitary-adrenocortical system & shock, retention of passive avoidance at various time intervals, male vs female rats, 16650
dexamethasone suppression & metyrapone test, integrity of hypothalamic pituitary adrenal axis, patients with major depressive illness with melancholia, 17392
dexamethasone suppression test, pituitary-adrenal activity & plasma corticotropin & cortisol concentrations, 21–71 yr old depressed inpatients, 3908
metyrapone & dexamethasone suppression test, hypothalamic-pituitary-adrenal axis hypoactivity, patients with depression, 27294
naloxone, ethanol-induced concentration of hypothalamic dopamine & serum & anterior pituitary levels of prolactin, male rats, 26743
norepinephrine injections into hypothalamic paraventricular nucleus, feeding behavior, hypophysectomized male rats, 5807
pituitary grafts & prolactin levels, copulatory behavior, male rats, 8468
pituitary homographs with prolactin vs domperidone vs haloperidol vs indomethacin administration following food deprivation, cold stress-induced gastric ulcers, male rats, 16462
role of pituitary gland & prolactin, maternal behavior, hypophysectomized vs intact nulliparous female rats treated with steroids, 585
severe hyperprolactinemia induced by prolactin & growth hormone secreting pituitary adenoma, penile reflex activity & blood hormones, male rats, 21441
somatostatin receptors in brain vs pituitary vs pancreas, rats, implications for cognitive function & extrapyramidal motor system control, 5713
stimulation of pituitary gland through tooth pulp EPs, hypothalamic & pituitary analgesic mechanism activity, monkeys, 23914
Pituitary Gland Surgery [See Hypophysectomy]
Pituitary Hormones [See Also Corticotropin, Dynorphins, Melanocyte Stimulating Hormone, Oxytocin, Somatotropin, Thyrotropin, Vasopressin]
ACTH & beta-lipotropin & beta-endorphin levels, 46–83 yr olds with dementia, 14823
alcohol consumption prior to & during gestation, serum progesterone & testosterone & plasma & pituitary luteinizing & follicle-stimulating hormones, female rats, implications for role of progesterone in alcohol-related placental enlargement, 26697
arginine vasotocin & electrolytic lesions in raphe dorsalis vs raphe pontis nucleus, sleep induction, cats, implications for sleep wake cycle, 596
arginine vasotocin, aggressive behavior, pinealectomized male rats, 586
arginine vasotocin, extinction of conditioned avoidance behavior, neonatal chicks, 633
causal analysis, assessment of basal secretion of pituitary hormones & responses to insulin tolerance test, depressed females, 27288
desimipramine, beta endorphin & lipotropin plasma levels, 36 & 58 yr old schizoaffective patients, 7179
footshock vs forced running in activity wheel, habituation to repeated stress & corticosterone & prolactin & pituitary cyclic AMP, male rats, 5752
naloxone precipitated morphine withdrawal, acute response of hypothalamic noradrenergic & dopaminergic neurons & anterior pituitary hormones, female rats, 26665
neuroactive peptides, memory of passive avoidance training, neonatal cockerel chicks, 14036
pituitary hormone plasma & beta-endorphin levels in response to acupuncture, male social drinking vs dysphoric alcoholic 28–56 yr olds, 24768
relationship between opioid peptides & lipotropin/adrenocorticotrophic hormone group, physiological & behavior changes, 29310
PKU (Hereditary Disorder) [See Phenylketonuria]
Place Disorientation
disorientation & stomach pH, vomiting during space flight, astronaut candidates, 9624
propranolol, 32 yr old female with transitory spatial disorder, 4470

Placebo
administration of placebo with different information about its effects, autonomic reactions, high school athletes, conference presentation, 14028
alternatives to use of psychotherapy & placebo procedures as empirical equation for determination of efficacy of therapeutic procedures, 1729
apparatus for administration of placebo alcohol, 21–28 yr old males, 85
definition & role of placebo in psychotherapy research, comment on J. W. Critelli & K. F. Neumann's view, 1769
definitions of placebos, reply to J. W. Critelli & K. F. Neumann's criticism, 1780
functional structure of placebo response, 18–24 yr old healthy males, 8580
historical & anthropological & sociological & psychological research evidence & use in medical treatment, placebo effect, 7308
logical consequences & incremental effectiveness of common factor definition of placebo, comments on discussion by I. Kirsch, 12543
methylphenidate vs placebo, problem behavior & parent vs teacher perceptions of behavior, 9 & 10 yr old males with attention deficit disorder, 9925
origin & meaning of term placebo, 10688
perceived effect of placebo vs fictitious drug, 3rd-yr medical students, 7539
placebo as symbol of physician's & therapeutic powers & healing power of faith, 17722
placebo controls in psychotherapy research, 17861
placebo elements of perceived expertness & attractiveness & trustworthiness vs specific factors of empathic understanding & respect & genuineness, therapeutic interaction & relationship, 4338
possible lack of necessity of continued research on reality of psychotherapy effects, 1758
psychodynamic typology of placebo response, placebo response as self regulatory homeostasis, 18169
redefinition of placebo, comments on article by J. W. Critelli, 27719
relaxation vs placebo concentration therapy & therapist bias, tension or mixed migraine-tension headache, 18–45 yr old females, implications for controlled outcome research methods, followup study, 1902
self observation & expectation, placebo effect on state-trait anxiety, 21–23 yr olds, conference presentation, 14031
signal detection analysis, pain ratings following metamizole vs placebo treatment, headache patients, 9882
social-psychological alternatives to chemotherapy concepts for dealing with placebo problems in psychotherapy research, 25162
types & theories of placebo phenomenon, control theory model of placebo effects, 22367
utility of placebo effect in psychotherapy, comments on article by J. W. Critelli & K. F. Neumann, 1786
Placement (Educational) [See Educational Placement]
Placement (Personnel) [See Personnel Placement]
Placenta
alcohol consumption prior to & during gestation, serum progesterone & testosterone & plasma & pituitary luteinizing & follicle-stimulating hormones, female rats, implications for role of progesterone in alcohol-related placental enlargement, 26697
blocking of endogenous opiate mechanisms via naltrexone & naloxone & induction of opiate toleration, placentophagia & pup cleaning, nonpregnant & parturient female rats, 16710
culture & placenta disposal rituals, Africa vs Asia vs Europe vs Latin America vs Peru, 3565
ingestion of rat placenta vs other substances, analgesia induced by morphine vs footshock with vs without naltrexone, nonpregnant female rats, 23889
pretreatment with ethanol, cerebral & placental weight in offspring & weight of impregnated dams, male rats, 29393
Planning (Management) [See Management Planning]
Plasma (Blood) [See Blood Plasma]
Plastic Surgery
ethics in facial surgery, children with Down's syndrome, 7341
perceptions of negative effect of facial features on social development & need for plastic surgery, parents & physicians of children with Down's syndrome, 22630
psychodynamics of plastic surgery, 7325
role in treatment team, plastic surgery patients & plastic surgeons & psychologists, 28033
Platelets (Blood) [See Blood Platelets]
Play [See Recreation]
Play (Animal) [See Animal Play]
Play Behavior (Childhood) [See Childhood Play Behavior]
Play Development (Childhood) [See Childhood Play Development]
Play Therapy
child-centered play therapy, 4 yr old female with thumb sucking & extreme hair pulling tendencies, implications for school counseling, 9689
construction of sensory play box, sensory motor stimulation, mentally handicapped hospitalized patients, 2147
discovery & management of intrusive medical procedures through play behavior, hospitalized chronically ill 2–6 yr olds, 10079
empirical research on process & outcome in play therapy, literature review, 17862
play therapy, nonverbal expression of feelings & family relationships, 6 yr old female with learning problems, 14989
play therapy, thumbsucking & hair pulling, 4 yr old female, implications for school counseling, case report, 28606
play training, cognitive development & social behavior, children, literature review, 4228
psychodiagnosis & puppets in therapy, 5–11 yr old males, 1778
puppetry, coping with illness, hospitalized children, 4640
short-term puppet therapy, illustration of 4 yr old male receiving bone marrow transplantation, 22620
structured vs unstructured play training, imaginative play & divergent thinking & storytelling & verbal & nonverbal IQ & locus of control, economically disadvantaged 2.7–6 yr olds, South Africa, 12990
therapeutic play group, knowledge of & compliance & coping with illness & treatment & hospitalization, 2.5–12 yr olds hospitalized with cancer, 22708
use of puppets in therapeutic educational setting, children with learning or emotional problems, 2561
uses of make-believe play in family therapy, 1825
value & application of client centered play therapy, mentally retarded children & adolescents & their families & providers, 1764
Playgrounds
cultural significance of playground activity, male elementary school students, Canada, 2483
perceptions of complexity & feasibility for different activities of school playground before & after redevelopment project, 6–12 yr olds & adults, Netherlands, 31264
Pleasure
demographic characteristics & information recall & enjoyment & mindfulness & beliefs in how much was learned, visitors to visitor centers, Great Britain, implications for environmental education, 31562
intrinsic rewards of fun & enjoyment & surgery as flow of conscious experience, artists vs warriors vs burglars vs scientists vs surgeons, 21197
perception of stressful vs pleasurable experiences, 15–18 yr olds, implications for group counseling, 8873
pleasing vs aversive auditory vs visual stimuli, sequencing decisions in forced choice paradigm, college students, 19168
pleasure & arousal & dominance, sexual desires & dysfunction, 21–51 yr old heterosexuals, 29922
pleasure principle & addiction, 14722
primitive pleasure as basic human state, implications for nursing practice, 14511
regulation of pursuit by reality principle & impact of excess pleasure in development of psychosomatic disorders, 30435
subjective level of pleasure & anxiety felt during phases of sexual sequence, normal vs dispermic 22–42 yr old males, 14897
Plethysmography
experimenter effects in plethysmographic ESP experiment, college students, 13293
photic stimuli, plethysmographic response modes, mentally retarded adolescents, 6697
Pneumoencephalography
EEG & pneumoencephalographic examinations, 4–62 yr old patients with psychoorganic syndromes, 27497

Poetry
alcohol or other stimulants, literary creativity, female & male poets & novelists, Finland, 21646
application of Freudian ego psychology to analysis of E. Dickinson's life & work, 29537
conservatism & preferences & liking of traditional vs modern & simple vs complex poems, college students, 21972
creation of color inkblots & poems to describe them, handicapped & nonhandicapped students, 18576
evolutionary depth psychology & deep image poetry of R. Bly, 24084
implications of association of Pegasus with poetic inspiration, 29533
nature as national epic & mythical characteristics of poem "The Gaucho Martin Fierro", Argentina, 24087
paper gold coins as rewards in poetry unit, attitudes toward poetry & reading & writing poetry, 5th graders, 15710
poetry & music & time as therapeutic techniques in short term group therapy, 18–36 yr old depressed college students, 17951
poetry & performing arts, increase communication & sense of value, elderly in nursing homes, 30925
poetry in bibliotherapy, adolescent psychotherapy clients, 6979
poetry writing, psychotherapeutic process, female 20 yr old college student, 14987
psychoanalytic interpretation of J. Keats's "La Belle Dame sans Merci" & biographical data, 16852
psychoanalytic interpretation of S. Plath's failure to control suicidal tendencies through poetry, 16862
punctuation vs lineation, prediction of pauses & temporal unity of oral readings of poetry, 29519
reality in J. Ashbery's poem "Self Portrait in a Convex Mirror", 24067
similarity of insights in L. Carroll's poetry & clinical process, 25105
structures in symbolic play & play in poetry, children, 3525
teaching methods for encouragement of creative poetry, 15706
theories of J. Milton vs St. Augustine vs Christian interpretation of Genesis & sex between Adam & Eve, 24082
therapeutic value of writing & poetry workshops conducted by social workers, aged, 7382
Poisoning [See Toxic Disorders]
Poisons [See Also Neurotoxins]
alloxan &/vs dextroglucose or levoglutamine or amygdalin, glucoprivic feeding, male rats, 5910
behavior modification, reduction of occupational exposures to styrene, plastics workers, 23148
chemical accident at Love Canal, acute collective stress & subsequent attitudes & actions, activist vs nonactivist families, 31571
chronic inhalation of carbon disulfide & exposure to electrical shocks, biochemical responses, rats, 13879
cyanide & oxygen, pyknosis of leucocytes, healthy vs neurotic vs psychotic individuals, 6498
exposure to toxins, audiological & cortical response, 32–64 yr old painters & printers & gasoline truck drivers & workers exposed to jet fuel, conference presentation, 1514
fusarial mycotoxin exposure, implications for development of psychiatric disorders, 3924
intrauterine exposure to polychlorinated biphenyls from fish consumption, birth size & gestational age & behavior, newborns whose mothers were vs were not exposed, implications for later development, 30413
lithium chloride & methiocarb paired with color, failure of color avoidance learning, starlings & red-winged blackbirds, 13736
N-methyl-4-phenyltetrahydropyridine & other environmental toxins, elicitation of Parkinson's disease, 22331
poisoning via lithium chloride following saccharin ingestion & change in location of saccharin solution, learned avoidance of saccharin & patch selection, thirsty male rats, 14021
prenatal exposure to polychlorinated biphenyls, visual recognition memory, 7 mo olds, 1581
toulene or n-hexane or trimethyltin, memory, macaques & pigeons, implications for animal model of environmentally-induced memory impairment, 16620
1-methyl-4-phenyl-1,2,3,6-tetrahydropyridine, formation & retention of F-dopamine, asymptomatic Ss, implications for cause of Parkinson's disease-590 05, 22233
Poisson Distribution [See Skewed Distribution]
Poland
attitude toward work & social conditions & advancement & equity, strike behavior, coal miners, Poland, 7830
autocratic vs democratic governance structure & congruent vs incongruent style of work, perception of influence of managers on commitment & responsibility for task completion, leaders of Scout organization, Poland, 5084
child abuse, Poland, literature review, 9403
commonalities in economic status & political & worker attitudes & events & world affairs in dock strikes, blue collar workers, Poland, 1956 & 1970 & 1976 & 1980, 18745
comprehension of Polish metaphoric phrases, 19–45 yr old applied linguistics & Polish philosophy & psychology students, Poland, 29511
demographic variables & satisfaction of social needs, adults, Poland, 1977–80, 17057
implementation of organizational development principles in socialist organizations, Poland, 18749
incidence of depression, 5–19 yr olds referred to mental health services, Poland, 19897
living abroad for long period & subsequent mental disorders, psychiatric patients, Poland, 19949
managerial team development, interpersonal interactions in management labor relations in building industry & enterprise, Poland, 1971–80, conference presentation, 15985
meeting & coexistence & parting phases of therapy used at Clinic of Adult Psychiatry of Krakow Medical Academy, schizophrenia, Poland, 22353
methodological problems in construction & measurement of values & aspirations questionnaire, adults, Poland, 1980, 16159
perception of diagnostic & treatment programs & needed services, parents of autistic & mentally retarded children, Poland, 6684
perceptions of inequalities in daily activities, adults, Poland, review of sociological studies from 1960–80, 17049
perceptual motor skills & cognitive & emotional development, orphans in state infants' home, Poland, 6030
rehabilitative camps of psychiatric health services, patients, Poland, 20489
role of Marxist interests in personal development, Polish youth, literature review, 16896
school & curricula type, attitudes toward examination & motivation & curricula & work & education expectations & cultural roles, college students, Poland, 7675
self management policies of 1956 & 1970, labor unrest & economic reform, workers, Poland, 7832
sociocultural & sociopolitical attitudes, youth, Poland, 17000
sociological evolution into socialistic society, Poland, 17024
subregionalization & decentralization of mental hospitals, Poland, 28142
theoretical foundations & historical development of sociology of law, Poland, 24378
Youth Counseling Service's psychological interventions, classroom conflict situations, Poland, 31329
Police Personnel
active vs passive role in conflict intervention between 2 citizens, attribution of guilt/blame toward citizen, police officers, 19738
attitudes toward alternate police operational strategies, 18 yr olds & older, 11656
attitudes toward rape, police officers, 27422
attitudes toward spouse abuse, male vs female police personnel, 3607
attitudes toward victimless crime & state legal intervention, police officers, 11691
career assignment & training & promotion history & motivation & attitude factors, municipal police force members below deputy chief, Canada, 28674
clockwise vs counterclockwise rotation of work shifts, sleep & stomach problems & cardiovascular risk factors, policemen, Sweden, 5100
correlates of burnout, police officers, Canada, 26011
crisis intervention team field experience, nursing education, nursing students & police officers, 28349
educational level, promotion potential, police officers, 18733
experience with perception of local police vs sheriff's officers vs state's Department of Public Safety, 31–60 yr old Hispanics, 24362

family crisis intervention training, attitudes toward domestic disputes, police student officers, 25956
height, aggression & job performance, male law enforcement agency officers, 28719
illegitimate police violence against juvenile crime victims or witnesses or perpetrators, implications for police training, 10597
incidence of being killed & relation to abolition of capital punishment & occupational perceptions of public hostility, police officers, 1961–84, Canada, 9035
information from police reports & extralegal factors, responsibility & prescriptive decision making in wife abuse cases, 23–36 yr old patrol officers, 11687
intimacy & domestic violence & reports to police, boyfriends/girlfriends & husbands/wives & ex-husbands/ex-wives, 20023
IQ of other factors, overall rating of psychological suitability for police work, police applicants, 28684
job burnout, 26–43 yr old current vs 31–54 yr old former narcotics investigators vs 21–43 yr old patrol officers, 26034
job satisfaction & attitudes toward departmental policies, employee attrition, male & female current vs ex-members of Royal Canadian Mounted Police, Canada, 23270
job stress & coping behavior & alcohol use, police officers, 26032
life changes & social support & temperament pattern, blood pressure & norepinephrine levels & cardiovascular risk factors, male police officers, 31508
management methods, maintenance of organizational integrity, police executives, 28744
need for future research on restraint in use of deadly force, police officers, 24370
need for humanities perspective in criminal justice education, 28429
observation during work shift, reactivity & adaptation, 25–51 yr old police officers & civilian radio dispatchers, 23190
occupational stress, female police officers, bibliography, 5109
officer communication style, citizen satisfaction with telephone interaction, police officers & citizens, 13161
one vs two officer patrol cars, response time to crime, police officers, 3608
perceptions of effectiveness & role & interpersonal interaction & competency & outcome, field training officer program, 23–24 yr old police officers, 25957
perceptions of male vs female police officers, 18–59 yr old male vs female citizens, New Zealand, 6366
perceptions of private security personnel, police officers, Canada, 28664
perceptions of seriousness of various crimes, general public & police officers, England & Wales, 24783
perceptions of training needs, female police officer candidates for promotion to rank of sergeant, 25967
personality characteristics assessed by California Psychological Inventory, selection & prediction of job performance, police officers, 2–4.5 yr longitudinal study, 25962
police agency size & structure, 3609
police communications system, urban constabulary, UK, 31526
police stress as means of gaining professional legitimacy & prestige & of coherence to conceptions surrounding tasks & role expectations, police professionals, 24402
portrayal on TV, police officer/psychologist, 15950
preferences pertaining to interpersonal communication training needs, police officers & county sheriffs & highway patrol officers, 25958
professional liability, police & mental health professionals & mental patients who died or were injured in custody, case law, 14355
proportional volume & characteristics & disposition, patients referred by police for psychiatric evaluation in hospital emergency room, 28182
psychological service policy development process, police personel, Canada, 26024
psychological testing & job analysis & interviews, selection, police officers, literature review, 13177
rankings of seriousness of criminal offenses, police chiefs, US, 3616
role conflict or ambiguity & physiological correlates of occupational stress, coronary heart disease risk, male highway patrol officers, replication of study of C. G. Weiman, 26022
role styles in relating to male officers, female officers, 17174
shared responsibilities & development of intergroup conflict in urban general hospital, psychiatrists & hospital police, 18275
solidarity, tolerance for & willingness to cover up for misbehavior, police officers, 31523
specific stress factors, city police officers, 7879
stress reactions following shooting incident, police officers, Canada, 21859
time-series systemic analysis of operation of juvenile diversion program, police referrals to juvenile court, 9030
training at Los Angeles Police Department academy, role perceptions, police recruits, 28704
tutorial/stimulation computer-assisted instruction program, comprehension of exclusionary & its applicants, police officers, 28711
use & validity & reliability of polygraph test, criminal investigations, police, Canada, 3605
validity of situation tests, assessment & selection, police recruits, 13185
verbal interactional analysis techniques, analysis of negotiations with perpetrators in hostage taking & barricades & suicide attempts, police psychological personnel & trainers, 13158
work- vs nonwork-based or family source of social support & gender, depression & anxiety & job & life satisfaction & somatic complaints, male vs female police & electrical contracting & construction employees, 31510
yrs of experience & nature of offense, decision to draw firearm, police officers, 28785

Policy Making (Foreign) [See Foreign Policy Making]

Policy Making (Government) [See Government Policy Making]

Political Assassination

time frame, underlying processes generating urban riots, Blacks, US, 1964–71 vs 1968 immediately following assassination of M. L. King, 24244

Political Attitudes [See Also Nationalism, Political Conservatism, Political Liberalism, Political Radicalism]

academic/vocational educational direction & sociopolitical ideology, high school students, Sweden, 20750
analysis of cohesive viewpoints & activities on defense matters in Parliament, party members, Finland, 1945–78, 19741
assimilation effect, perceptions of political parties on left-right dimension, voters, Sweden, 3606
assumptions about nuclear strategies & domestic ideologies based on cognitive differences, mutual understanding & effective negotiation, "hawks" vs "doves", 29881
attitude toward assimilation & social relations & politics & Israeli-Palestinian conflict, Palestinians, US, 8962
attitudes before vs after municipal elections, female vs male voters 18 yrs & older from agricultural vs industrial towns, Spain, 1979, 27082
attitudes toward totalitarianism & government & intrusion of privacy & comparison with G. Orwell's "1984," urban parochial college students, 10433
attraction & discrepancy & intensity of delivery of message from leader of Socialist vs Liberal party of Parliament, attitude change, Socialists vs Liberals, Netherlands, 6271
changes in partisan loyalties, US, interpretation of M. P. Wattenberg's neutrality hypothesis, 14369
consumer & political alienation, advertising criticisms, customers of electric company, 23313

social psychological views of alienation & relative deprivation & perceived social conflict & political activism, 1089
structural assimilation & ethnic group membership & political participation, 2nd & 3rd generation Japanese American males, 959
subject & methods of political psychology, 11658
Sufi Muslim beliefs & traditional medicine & political system, Java, 29810
timing & order of message presentation, voting preferences, voters, 27060

trust vs mistrust & control vs freedom for self gratification & psychoanalytic interpretation of presidency of J. Q. Adams vs A. Jackson, 24391
Pollution
air oxidant & sulfur dioxide levels, psychiatric emergencies reported to police, 31567
attitude accessibility & social norms & disposition, littering attitude & behavior, college students, 23304
high ambient temperature, judgments of air quality, college students, 16038
impact of New York State Bottle Bill, number of returnable vs nonreturnable bottles & cans on highway exits & railroad tracks, 31560
perceptions of water pollution levels, users of campground along river, France, 7905
statute that mandates payment of deposit of returnable soft drink cans & bottles, public littering, 20917
undesirable life events & air pollution, depression, English & Spanish speaking adults, 31558
Polydipsia
amount of food delivered on VI schedule as test of conservation model by J. Allison & R. Mack, linear relation between autoshaped leverpressing & polydipsia, male rats, 29198
antagonism of histamine receptors, drinking after histamine administration vs water deprivation vs during schedule-induced polydipsia, male rats, 13894
compulsive water drinking, 15 yr old female with anorexia nervosa, 14883
electrical stimulation of lateral hypothalamus & schedule-induced polydipsia & amphetamine, eating and/or drinking behavior, male rats, implications for role of catecholamine system in nonregulatory ingestive behavior, 26573
EMG biofeedback & response prevention, 24 yr old male with compulsive polydipsia presenting as diabetes insipidus, 6- & 12-mo followups, 4435
etiology of psychogenic polydipsia, 17 yr old female, 14854
exteroceptive discriminative stimuli, water intake during operant conditioning for blood pressure elevation, baboon, 3096
naloxone vs beta-endorphin vs ACTH, acquisition of schedule-induced polydipsia, male rats, 697
POLY software package, data collection & analysis for research on schedule-induced polydipsia, animals, 23389
polydipsia & chronic hyponatremia, 37–55 yr old psychiatric inpatients, 11951
polydipsia & polyuria, medication-free schizophrenic patients, 9289
polydipsia & water intoxication, adult psychiatric patients, comments on article by V. Vieweg et al, 1316
polydipsia & water intoxication, psychiatric patients, reply to comments by R. W. Johnson et al, 1396
psychogenic polydipsia & nephrogenic diabetes insipidus secondary to lithium, 50 yr old male with schizoaffective disorder, 25280
psychogenic polydipsia, water intoxication, 36–46 yr old psychiatric patients, 3932
schedule-induced polydipsia & availability of water, water-intake volume regulation, rats, 21231
signal for pellet delivery, development & maintenance of polydipsia on fixed vs variable time schedules, rats, 372
signals for pellet delivery, polydipsia on random time schedules, male rats, 5566
tailpinch &/vs schedule induction with vs without naloxone, suppression of schedule-induced polydipsia, rats, 370
Polygraphs
ambulatory monitoring & offline data analysis diagnostic system for narcolepsy, 52 yr old female & 64 yr old male, 10737
social & ethical implications & validity of polygraph testing in criminal & civil practice, 8040
use & validity & reliability of polygraph test, criminal investigations, police, Canada, 3605
validity of polygraph testing, implications for government usage, 96
Pons [See Also Raphe Nuclei]
chronic noradrenergic hyperinnervation, tactile responses of neurons in sensory trigeminal nuclei, rats, 528
descending trigeminal tract & sensory nuclear complex lesions, facial thermal nociception, male rats, 605
eye fixations, electrical activity of axotomized abducens nucleus motoneurons, cats, 26529
lesions to mesencephalon &/vs trigeminal sensory pathway vs neurotoxin injections into dopaminergic system, food intake & body weight, rats, 3261
lesions to nucleus reticularis pontis oralis & caudalis, slow wave & REM sleep during day vs night, cats, 5795
light pulses vs optokinetic stimulation, vestibular nuclear neuron activity, green frogs, 21286
location of medial pontine & mesencephalic sites, brain self stimulation behavior, male rats, 29366
mossy fiber as CS &/vs airpuff as UCS to dorsolateral pontine & lateral reticular nuclei, nictitating membrane responses, male rabbits, 19339
paired pulse stimulation of pontine & midbrain sites, circling behavior mediated by longitudinal brain stem axons, male rats, 5792
pontile lesions & light-dark cycles & presence of humans, daily patterns of food intake & activity level, domestic cats, 13941
stimulation of midline inhibitory area of pons dorsal tegmental field, fictive scratch reflex, decerebrate immobilized cats, 21426
visual stimulation & eye movements, electrical activity in nucleus reticularis tegmenti pontis, juvenile monkeys, 29266
Popularity [See Social Approval]
Population [See Also Population (Statistics)]
between-year rainfall variation, population density, wintering sparrows, 430
colony size, queen-like behavior in interactions with nestmates, dominant sweat bee workers, 26422
dynamics of population growth & spatial patterns, India, 1951–81, 967
factor vs citation analysis of specialty areas, typology of specialization, population scientists, 6183
growth & decline patterns of small town settlement structure, 1900–30 vs 1930–40 vs 1940–60 vs 1960–80, US, 6175
intermale competition & troop usurpation & conspecific infanticide, population growth, male langurs, 19289
interspecific interactions, fish density & species abundance ratios & male reproductive success, 2 species of sticklebacks, conference presentation, 19252
natality rate & interbirth interval & infant mortality & population size, chimpanzees, 6.5-yr study, 19288
per capita distribution of psychology faculty & population density & median household income, geographic distribution in large vs small metropolitan areas, neuropsychological service providers, 28347
population density & habitat quality, patterns of spacing & territoriality, butterfly fish in reef slope vs lagoon habitats, 26464
population size & density, crime & divorce & violence & public assistance, 14253
population trends & reproductive behavior & health psychology & public policy, developing countries, conference presentation, 19757
rapid population growth, fear of crime, adults in rural Western communities, US, 11579
rates of population growth, neighboring patterns & social support, residents of conventional vs mobile home households in small western towns, 17034
rural vs urban population change, aggregate nonmetropolitan population change during 10-yr periods, 1950–80, US, 6181
time since shift from horticultural to industrializing agrarian economy, demographic rates & patterns of development & income & trade dependency in Third World countries, implications for advantages of backwardness, 26972
utility & normative & drift models in analysis of fertility & approximation to behavioral realities, 24247
Population (Statistics) [See Also Statistical Sample Parameters, Statistical Samples]
classical vs sequential discriminative analysis, differentiation of 2 populations & their diagnostic traits, suicide attempters vs normal adults, 16194
Population Characteristics [See Demographic Characteristics]
Population Control [See Birth Control]
Pornography
attitudes toward pornography & antipornography documentary 'Not a Love Story', males vs females 20 yrs old & older, conference presentation, 17146

categories of content in sexually explicit magazines sold at adult bookstore, 9078
child pornography & sexual exploitation of children, conference presentation, 24810
incidence of paraphilias in pornographic magazine titles, 1979–83, Australia, 16858
legislation, attitude toward production & distribution & marketing of child pornography, Netherlands, 24367
patterns of response to stress & psychological & social adjustment, 6–16 yr olds exploited by adults through sex rings & pornography, reprint, 30255
personality & motivations & experience & aggressive tendencies & exposure to media depictions that portray rape myths, beliefs in such myths, male college students, 24788
pornography, literature review, 27107
pornography's roots in male sexual strategy/fantasy & predisposition for polygamy, contemporary male frustration & aggression toward female & monogamous patterns of sexuality, 14403
sensation seeking & extraversion & neuroticism & psychoticism, curiosity about morbid & sexual events in media & live sports, male vs female college students, 28849
Porphyria
prevalence of intermittent acute porphyria, psychiatric patients, 12018
Portugal
determination of criminal vs diminished responsibility, criminals, 1977–81, Portugal, 29896
history of psychology, Portugal, 20933
history of psychology, Portugal, 19th & early 20th century, 7940
philosophical roots of psychology, Portugal, 7
underlying concepts in drug addiction treatment, adolescents, Portugal, 22783
Positive Reinforcement [See Also Praise]
access to computer, positive reinforcement to increase appropriate social behavior, learning disabled & mentally retarded high school students, 13108
consensus vs behaviorally based parenting groups, preference for reinforcement vs time out vs negotiation techniques, parents, 9–18 mo followup, 30674
covert positive reinforcement, modification of response to cold-pressor pain & use of prescribed adaptive imagery, 18–35 yr old females, 19054
discrimination learning of cue tones & integration of rewarding & aversive stimuli, neuronal activity in lateral hypothalamus & lateral preoptic-anterior hypothalamic area, rats, 23821
generalization training technique, exit from living unit during fire drill without panic, 26 yr old blind male with Down's syndrome, 25240
intracerebral electrostimulation of self stimulation zones, positive reinforcement in classical conditioning paradigm, rabbits, 5778
naloxone, acquisition of behavior rewarded with electrical brain self stimulation vs food, male rats, 21616
positive reinforcement & equitable salary evaluation process, college teachers, 25749
positive reinforcement & persuasion & parent counseling, hysterical blindness, 7 yr old with parents holding strict childrearing attitudes, conference presentation, 25071
positive reinforcement privilege distribution system, reduction of violence, patients in forensic psychiatry facility, 28143
positive vs negative reinforcement, aggressive verbal responses & work behavior, 18–34 yr olds in continuously programed group environments, 27137
positive vs negative verbal reinforcement, cognitive task performance, extraverted vs introverted college students, partial support for J. A. Gray's theory, 30004
reinforcement efficacy of iv self administration of opioid agonist-antagonist analgesics vs morphine & cyclazocine, nonhuman primates & rodents, literature review, conference presentation, 8515
substance P injected into amygdala vs substantia nigra vs medial forebrain bundle vs septum, positive reinforcement in maze learning, rats, 693
Positive Transfer
positive transfer from sequence production to sequence discrimination, naive pigeons, 23690
Positivism
historical emergence & basic tenets of logical positivism & their deleterious influence on developmental psychology, 3372
positive vs negative thinking, competence in achievement vs social interaction situation, college students, 27179
positivism & capitalism & subjective self consciousness, 6171
recall & recording of positive events, positive affect & coping effectiveness, college students & Coast Guard Academy cadets, 29171
self training in family therapy methods of positive connotation & circular questioning, social worker & psychiatrist, 15533
temporality & theoretical positivism vs historicism in psychology, 13304
Possession [See Ownership]
Postactivation Potentials
geomagnetic activity & possible neuropsychological & physical mediating mechanisms in subjective telepathic experiences, 26094
long term potentiation, facilitation of operant responding to single-pulse stimulation of perforant path, male rats, 11235
Postgraduate Students
logit analysis & sex & race & age & academic division, prediction of college retention, master's & doctoral students, 10548
theory & methods orientation seminar, 1st-yr postgraduate candidates in psychology, 15563
Postgraduate Training [See Also Clinical Psychology Grad Training, Clinical Psychology Internship, Medical Internship, Medical Residency]
care group vs interviewing skills teaching methods, postgraduate social work program, 31055
employment & career plans & postgraduate study, graduates of honors psychology program at University of Melbourne, Australia, 15529
family therapy supervision in postgraduate training institutes & graduate education & nursing programs, graduate students, 20581
preparation for careers in publishing, educational psychology students, implications for postgraduate programs, 22874
role of Postgraduate Certificate of Education, development of inner capabilities & personal growth, teachers, UK, 10296
Postnatal Period
attitudes toward sexuality & interest in sexual activity, primiparous & multiparous females during pregnancy & 1st postnatal year, 1-yr longitudinal study, 27095
biochemical influences on mood changes after childbirth, comments on views of R. E. Kendall et al & A. J. George et al, 3958
Capgras syndrome as manifestation of postpartum psychosis, 24 yr old female, 14589
development of lateral & basomedial & basolateral nuclei of amygdala, 1–28 day old kittens, 8418
early postnatal dietary sodium chloride deprivation, behavioral taste preferences & chorda tympani nerve responses, adult rats, 26567
ECT, postpartum psychosis, females, 6943
emotional & physical aspects in etiology of puerperal psychosis & depression, literature review, 6536
experience during pregnancy & structural organization, expectant mothers & their infants, 5-yr longitudinal study, 8669
family interactions & experience of "blues" in early parental period, fathers of 1st born 4 mo olds, 29858
feminism & sexual issues in high risk reproductive & childbearing situations & role of perinatal social workers, 15309
frequency of nonpuerperal psychoses & classification of postpartum mental illness, 15–24 yr old patients, Nigeria, 19936
growth & development during 1st 18 mo, preterm infants, 3381
hypothyroidism induced by pre- & postnatal administration of propylthiouracil, auditory function & EPs, rats, 23982
labor & birth & postpartum behavior, female goats, 5606
labor & delivery experiences & postnatal childcare education, primiparous females, 25353
neonatal administration of androgens, display of masculine sexual response, female rats, 5906
neonatal administration of beta-endorphin, sexual & social & exploratory behavior, male rats, 19474

outcome of psychiatric disorders following childbirth, 20–39 yr old mothers with postpartum unipolar or bipolar depression or schizophrenia or personality disorder with depression or paranoia, followup study, 14587
perceived stress & attitude toward baby & social support networks & support from husbands, emotional adjustment, 23–28 yr old females at 35 wks gestation vs 3 mo postpartum, 11632
platelet imipramine binding, females during pregnancy & postpartum, 7333
postmating exposure to bedding of strange vs familiar male, pregnancy blockage & subsequent gestation periods, female deer mice in postpartum estrus, 8421
postnatal development of sensory influences on neurons in ventromedial hypothalamic nucleus, 1–2.5 day old vs adult rats, 5662
postnatal ip injections of lead acetate, radial maze & passive avoidance task performance at 25 vs 90 days old, rats, 19489
postpartum psychosis as distinct entity, 18–31 yr old females, 11981
postpartum vs cycling estrus, mating behavior, female rats, 5602
sensory aspects & influence of amniotic fluid, postnatal bonding, purebred Merino ewes & their lambs, 23756
serum calcium levels, mothers hospitalized for severe puerperal psychiatric illness, 30205
sex & sex role attributes, perceptions of intimacy & marital relationship following birth of child, couples, 1011
sodium-potassium-stimulated & magnesium-dependent adenosine triphosphatase, development of membrane potentials & postnatal ontogenetic development of epileptic reactivity in motor cortex, male rabbits, 26679
symptoms & diagnosis & ECT in treatment, puerperal psychosis, mothers, England, 6966
urinary & plasma vasopressin & mood changes, postpartum females, 581
6-hydroxydopamine vs 5,7-dihydroxytryptamine during early postnatal period & subsequent phenobarbital & phenytoin, tonic convulsive threshold & hindlimb extension, rats, 21622

Postpartum Depression
behavior disturbances, 3 yr olds of mothers with vs without postnatal depression, 3-yr followup, 14668
behavioral interpretation of postpartum depression, human females, implications for maternal adjustment process, 27362
biochemical influences on mood changes after childbirth, comments on views of R. E. Kendall et al & A. J. George et al, 3958
classification of postpartum psychosis, conference presentation, 24684
emotional & physical aspects in etiology of puerperal psychosis & depression, literature review, 6536
etiology & treatment of postpartum depressive disorders, literature review, 9314
facilitator vs regulator mothering orientation, vulnerability to depressive disorders, 28–42 yr old mothers of 15–36 mo olds, 24313
incidence rates for & psychological factors related to postpartum depression, human females, literature review, 27376
marital relations & pregnancy problems, prediction of postpartum depression & mother-child interaction & childrearing attitudes, mothers & their infants, 9238
outcome of psychiatric disorders following childbirth, 20–39 yr old mothers with postpartum unipolar or bipolar depression or schizophrenia or personality disorder with depression or paranoia, followup study, 14587
psychometric measures antenatally vs at 6 wks postpartum, prediction of self rating of depressed mood up to 12 mo postnatally, pregnant females, 19899
relaxation training, reduction of postpartum distress, 18–35 yr old expectant mothers, 12513
stressful life events & social support, depression during pregnancy & puerperium, married females, 30193

Postsurgical Complications (Physical)
amnesic syndromes following anterior communicating artery aneurysm surgery, 31–41 yr old patients, case reports, 27684
convulsive seizures & deterioration of spastic tetraparesis with urinary retention & atrophy of shoulder girdle muscles following metrizamide myelography, 20459
electrical stimulation or type of electrode material, presentation of morphological changes due to surgical implantation, humans & guinea pigs, conference presentation, 4568
need for caution in endocochlear electrode insertion surgical procedure, conference presentation, 4554

Posttesting
awareness of objective measure & completion of performance test, self rating in retrospective pretest-posttest design & response shift phenomenon, college students, 20977
EMG biofeedback training with immediate vs delayed posttest, hypnotic susceptibility & relaxation ratings, college students low in hypnotic susceptibility, 8456
instruction requiring reasoning & molecular model usage, posttest achievement in chemical bonding, male vs female high school chemistry students, 10383
nonparallelism of measurement in pretests & posttests, measurement of change scores, troubled children & their families, 20981

Posttraumatic Stress Disorder
admission criteria & therapeutic assumptions & patient management techniques, inpatient treatment program, Vietnam veterans with posttraumatic stress disorder, conference presentation, 25519
adolescent development & object relations, susceptibility to posttraumatic stress disorder, Vietnam veterans who were adolescents during first combat experience & experienced death of member of peer groups, 27383
adverse aftereffects & posttraumatic stress, nurses in Vietnam war, 28335
assault syndrome as result of unexpected danger or catastrophe, crime victims, implications for forensic psychiatry, 17390
atypical posttraumatic stress disorder, comments on report by R. S. Schottenfeld & M. R. Cullen, 3836
atypical posttraumatic stress disorder, reply to comments of R. Feder, 3925
behavioral assessment & treatment, transportation accident-related posttraumatic stress disorder, 31 yr old male & 28 yr old female, 4442
carbamazepine, nightmares, 33 yr old male with posttraumatic stress disorder, implications for temporal lobe epileptiform activity, 15194
case history & treatment with low doses of lithium carbonate, 31–42 yr old male Vietnam veterans with posttraumatic stress disorder, 18072
childhood or adolescent incest, posttraumatic stress disorder symptoms, 24–70 yr old females, treatment recommendations, 24784
chronic pain & current or past history of depression & anxiety & substance abuse, 30–66 yr old males with undiagnosed posttraumatic stress disorder, 27267
chronic stress & symptoms of posttraumatic stress syndrome, residents living within 5 miles of Three Mile Island nuclear power station, 22001
clinical features & historical development & phenomenology & relationship to other psychiatric illnesses & treatment, posttraumatic stress disorder, literature review, 1293
coexisting psychiatric illness & posttraumatic stress disorder, combat veterans, 19988
commercial airliner crash, psychological reactions, adult California residents, 1978, 1237
concentration camp syndrome as expression of organic brain syndrome, 11865
concentration camp syndrome as expression of organic brain syndrome, comments on L. Eitinger's discussion, 11875
concentration camp syndrome as expression of organic brain syndrome, comments on L. Eitinger's article, 11867
concentration camp syndrome as expression of organic brain syndrome, comments on L. Eitinger's review, 11871
conditioning theory of posttraumatic stress disorder & Israeli invasion-induced anxiety, American college students, Lebanon, comments on article by P. A. Saigh, 3794
contributing forces to origin & development & prolongation of readjustment difficulties, Vietnam veterans, 9194
current & past life events as etiological factors & treatment considerations, 43 yr old Black Vietnam veteran with posttraumatic stress disorder & anxiety & suicidal ideation, 11902
delayed exacerbation of symptoms following successful coping with manifestation of syndrome, World War II veteran suffering from posttraumatic stress disorder, comments on report by C. Van Dyke et al, 27344

delayed onset, posttraumatic stress disorder, 61 yr old World War II veteran, 3949
development of bulimia after weight gain following tubal ligation, 27 yr old White female, reply in support of posttraumatic anorexia nervosa to G. J. O'Shanick & R. Hart's criticism, 14827
development of cryptotrauma syndrome from emotional & psychological trauma resulting from accidents, 3 case examples, 22100
diagnosis & treatment of posttraumatic stress disorder with vs without substance abuse, Vietnam combat veterans aged 34 & 35 & 40 yrs old, 25053
diagnostic & etiological issues regarding anxiety disorders & posttraumatic stress disorder, Cambodian adolescent refugees & children of Chowchilla, comments on study by J. F. McDermott, 24708
difficulties in use of posttraumatic stress disorder as insanity defense, Vietnam veterans, conference presentation, 21869
efficacy of cognitive therapy, 33 yr old male combat veteran with posttraumatic stress disorder, 22500
evaluation of DSM-III vs 2-dimensional model of posttraumatic stress disorder, Vietnam war veterans, 9288
exposure to imagery of driving & accidents, anxiety & phobic symptoms & behavior therapy outcomes, patients suffering with posttraumatic stress disorder due to involvement in serious traffic accidents, 25246
facilitator characteristics, group psychotherapeutic content & process, 30–39 yr old male Vietnam combat veterans, 1855
failure to develop career maturity, Vietnam veterans with posttraumatic stress disorder, conference presentation, 24637
false claims & simulation of posttraumatic stress symptomatology, 27 & 30 & 34 yr old male Vietnam veterans, 17354
generalization of Posttraumatic Stress Disorder MMPI subscale, former World War II prisoners of war from Pacific vs European theater, 19974
Gestalt therapy, emotional trauma & posttraumatic stress, male former soldier & female in Holocaust experience, 12407
guilt & symptoms of depression & paranoia & aggression, Vietnam veterans who willfully killed Vietnamese civilians, suggestions for psychotherapy, 1765
hypnoanalysis, posttraumatic stress disorder with related sinus problems, Vietnam war veteran, 15215
impact & inventory & reconstruction phases of natural disaster, psychological stress & morbidity & grief, Australia, 2717
incidence of concurrent DSM Axes I & II disorders, hospitalized 30–51 yr old military veterans with posttraumatic stress disorder, conference presentation, 24681
Israeli invasion, anxiety, American college students, Lebanon, comments on study by P. A. Saigh, implications for posttraumatic stress disorder, 3859
leader role in management of group & posttraumatic accelerated cohesion in group psychotherapy, Vietnam veterans with posttraumatic stress syndrome, 30656
life history & developmental deprivation & child abuse, post-Vietnam syndrome, Vietnam veterans, 1385
marital & cohabitating adjustment, help seeking Vietnam combat veterans with posttraumatic stress disorder, 1273
mode of presentation & phenomenology & hypothesized etiological factors, unsolicited 11–73 yr old patients presenting for treatment after natural disaster, 14634
monetary compensation, course of posttraumatic stress disorder, motor vehicle accident vs sudden loss victims, 14580
neuropsychological assessment, treatment of minor head injury, 28 yr old male, 17739
new trauma-oriented therapeutic approach, female Holocaust survivor, 1756
olfactory precipitation of flashbacks, 34 & 60 yr old Vietnam & World War II veterans with posttraumatic stress disorder, 24663
onset of symptoms in posttraumatic stress disorder, review of 120 case records, 1270
paternal posttraumatic stress disorder, family life & personal development, 18–42 yr old children of World War II veterans, 27359
phenomenology & course of flashback experience & similarity to panic attacks, posttraumatic stress disorder, 30–61 yr old Vietnam & Korean & World War II veterans with significant readjustment-related problems, suggestions for treatment, 24682
platelet MAO activity, patients with posttraumatic stress disorder, 9229
posttraumatic emotional disorder, 7 yr old female earthquake victim, 6585
posttraumatic evolution of anorexia nervosa, comments on 3 case presentations by N. F. Damlouji & J. M. Ferguson, 14889
posttraumatic flashbacks & dream disturbances & mental imagery, patients with posttraumatic stress disorder, 24620
posttraumatic stress disorder & research validity gaps in DSM III, 1302
posttraumatic stress disorder, Army Reserve Vietnam & Vietnam-era veterans, 12013
posttraumatic stress disorder, Vietnam era Army nurses, 3937
posttraumatic stress, transference to VA medical center & split transference syndrome, 38 & 39 yr old male Vietnam veterans, 30588
potential impediments to implementation of inpatient treatment program, Vietnam veterans with posttraumatic stress disorder, conference presentation, 25499
pre- & postinvasion fear & anxiety & posttraumatic stress disorder, Ss with mean age of 15.1 yrs who did vs did not evacuate West Beirut following Israeli invasion, Lebanon, 3922
pre- & postwar relationships with fathers who are World War II veterans, Vietnam veterans with severe post-Vietnam stress syndrome, 1366
prevalence & symptoms of stress-related posttraumatic chronic pain syndrome, 20–68 yr old chronic pain patients, 27634
principles of proximity & immediacy & expectancy in frontline treatment, combat stress reactions due to participation in Lebanon war, soldiers, Israel, 22433
psychiatry & psychic trauma & posttraumatic stress disorder from human-made stress, illustrative cases of Vietnam veterans & Holocaust survivors, conference presentation, 1720
psychophysiological symptoms & multisensory imagery treatment approach, posttraumatic stress disorder, male accident victim, 4148
psychotherapeutic & cognitive/behavioral & gestalt strategies in group treatment program, hospitalized Vietnam veterans with posttraumatic stress disorder, conference presentation, 25472
psychotherapeutic farewell ritual & defense mechanisms, patients with posttraumatic stress disorder, 17803
psychotherapeutic processes, war veterans with posttraumatic stress disorder, implications for mental health professionals, 25095
psychotherapeutic treatment, posttraumatic stress disorder, illustrative case of Black 25 yr old married ex-Marine combat veteran & his family, 1768
recognition & treatment & prevention of combat stress reaction, military personnel, 6555
relationship of posttraumatic stress disorder & depressive illness, 17417
role of subjective determinants in premorbid personality & symptom formation of posttraumatic stress disorder assessed by study of defense mechanisms, illustrative case of Vietnam veteran, 11923
role of traumatic imagery in models of posttraumatic stress disorder, reply to criticism by A. P. Haas & H. Hendin, 14577
self reparative function of ego in time limited therapy, 33 yr old male with acute posttraumatic stress disorder, case report, 27772
social history & current symptoms & psychometric test results, differential diagnosis, military veterans with posttraumatic stress disorder vs antisocial personality, 14570
symptoms & pharmacological response, Vietnam & World War II veterans with posttraumatic stress disorder, 11909
symptoms & social adjustment, 27–63 yr old Cambodian concentration camp survivors who were treated for posttraumatic stress disorder, 1-yr followup, 1681
symptoms of posttraumatic stress disorder in context of Vietnam experience & after disasters, policy implications, 9230
therapy groups, active duty Vietnam naval veterans, 9789
transcendental meditation with psychotherapy, post-war adjustment, Vietnam war veterans, 12365
traumatic imagery in dreams vs waking states, diagnosis & treatment of posttraumatic stress disorder, criticism of paper by E. A. Brett & R. Ostroff, 14605

treatment variables & use of hypnosis in brief therapy, 42 & 24 yr old females & 27 yr old male with posttraumatic stress disorder, 7290
tricyclic antidepressants, Vietnam & Korean & World War II veterans with posttraumatic stress disorder, 25286
type of war trauma, intrusive imagery & hyperarousal & numbing & cognitive disruption dimensions of posttraumatic stress, Black vs White Vietnam veterans, 3869
urinary free cortisol levels, patients with posttraumatic stress disorder vs major depressive disorder vs bipolar I manic vs paranoid vs undifferentiated schizophrenia, 19959
validity & reliability of Combat Exposure Scale & Posttraumatic Stress Disorder Scale, male Vietnam combat veterans, 20993
validity of DSM III definition of posttraumatic stress disorder, alcoholic Vietnam veterans, 19998
validity of DSM-III definition of stressors, posttraumatic stress disorder & avoidance symptoms, patients, 14579
vicarious traumatization, 10 yr old son of Vietnam veteran suffering from posttraumatic stress disorder, 11997
vivid lifelike visualization of accidents & dream disturbances following own & husband's prior accidents, 45 & 62 yr old females suffering from posttraumatic stress disorder, case reports, 27279
war & threat of external aggression, emotional reactions & posttraumatic stress disorder, soldiers, Israel, 6619
Posttreatment Followup
cognitive restructuring vs problem solving vs nondirective group psychotherapy, hopelessness & recorded suicidal intention, psychiatric inpatients admitted for suicide attempts, 4393
community-based vocational habilitation services, maintenance in competitive employment through follow-up process, institutionalized handicapped 13–21 yr olds, 22640
development of standardized telephone followup interview, adolescents & their parents 1–2 yrs after discharge from residential program, 20517
ongoing & supportive & educational followup care for treatment of sleep disorders, 4585
patient characteristics, elderly former psychiatric patients consenting to vs refusing catamnestic examination 7354
treatment with K. Leonhard's method, patients with puberal emaciation, posttreatment followup, 6973
type of presenting abuse & predictors of treatment recommendations & followup care, child abuse victims, 30536
Posture
adrenergic alpha & beta antagonists, progesterone facilitation of lordosis behavior, rats, 3287
asynchronized EMG patterns & postural requirements for jumping reaction movement, mentally retarded male children, 14783
attainment & maintenance of lateral head position, healthy term neonates, 14129
attention to vertical & horizontal & oblique patterns & tilted body positions, gravitational & retinal factors in perception of orientation, 3–7 mo olds, 11426
biomechanical evaluation method, analysis of lumbar stresses with upper limbs fully or partially supported by worktable, ergonomic implications, 5388
coacting vs cooperating vs competing intergroup orientation, intergroup postural mirroring, college students, 14434
deprivation of lying & food, lying behavior, cows, 5613
design of video display terminal workstations & operator posture, conference presentation, 7887
developmental perspective of postural control & growth of stability, 15–31 mo vs 4–6 vs 7–10 yr olds, 21732
horizontal vs vertical posture, estimation of line bisection point, right handed college students, implications for role of gravitational coordinates & apparent spatial locus of events, 13540
infusion of neural excitatory agents into medial hypothalamus, lordosis reflex & electrical activity of ventromedial hypothalamus neurons, ovariectomized rats, 11310
noradrenaline levels during orthostatic challenge, bipolar & unipolar depressed 24–68 yr olds, 11999
organization of human postural movements, comments & reply to comments by various authors, 13523
ovariectomy with vs without estrogen replacement, unilateral intrastriatal dopamine-induced postural deviation, female rats, 11258
postural congruence, perceived similarity & liking judgments, male vs female college student dyads, 27161
postural reactions in achievement of motor milestones, 3–4 mo olds with Down's Syndrome, 27474
postural regulation & spatial processing, college students, 13629
postural sway while standing vs after disturbance of balance, male 31–75 yr olds, 8422
posture & body awareness activity program, static & dyadic balance, 6–10 yr old hearing impaired children, 25055
posture & keyboard & visual display terminal parameters, research workers, 31551
power spectral density analysis of visual & vestibular & proprioceptive processes in lateral standing sway, 17–48 yr old athletic vs nonathletic males, 205
use of breathing & postural techniques, coping behavior during labor, 18–35 yr old females with prenatal training, 9973
vertical vs quadrupedal stance, left vs right hand population bias vs individual preferences, adult bushbabies, implications for role of bipedalism in human development of handedness, 16344
3-dimensional plot of statokinesigram with histograms & discriminant analyses, evaluation of righting reflexes for erect posture, 19–42 yr olds, 10750
Potassium [See Also Potassium Ions]
decapitation vs catheterization methods of blood collection & stress, plasma levels of calcium & potassium & magnesium, male rats, 19374
leucine- & methionine-enkephalin & endogenous opiates & potassium released during transcutaneous electrical stimulation, spinal nociceptive transmission & analgesia, frogs, 5788
removal of area postrema, consumption & excretion & balances of sodium & potassium, male rats, 29377
single vs repeated lithium administration, cerebral calcium & sodium & potassium level, female rats, implications for use of calcium antagonists in treatment of mania, 11336
Potassium Ions
blood trace element concentrations, permeability of erythrocyte membranes to sodium & potassium ions, schizophrenic children, 19895
Potentiation (Drugs) [See Drug Interactions]
Poverty
bureaucratic demands vs personal or professional autonomy, provision of legal services for poor, attorneys, 11672
caste level & economic disadvantage, intellectual & scholastic ability, male 7th–8th graders, India, 24115
energy prices & social equity & energy policy options, needy aged, 29901
factors contributing to intergenerational teenage motherhood & feminization of poverty, Black teenage mothers & their mothers who had 1st child as teenager, 14313
family poverty & conflict between mothers- & daughters-in-law & mothers' work load & labor conditions & sex of child, milk supply & availability, rural Punjabi children under 2 yrs old, India, 27011
feminization of poverty, aged females, implications for aging research & practice & policy, US, 14126
perceptions of attributions & consequences of poverty & wealth, male vs female high school students from working class urban families, 21793
perceptions of causes of poverty, male vs female 12–14 yr olds, Barbados vs Dominica, 24215
prevalence of inhalant abuse, children in squatter colony, Mexico, 24761
use of informal vs formal support networks, rural poor 65–94 yr olds, 29739
Power
affective content of attitudes toward power in familial & social & organizational role pairs, public employees, Columbia, 31492
asymmetric relationships & use of impression management & other strategies, structure & dynamics of power, 19798
autonomous vs social individuality orientations to self, White male vs female 19–72 yr olds, 14503
beliefs about female sexuality & power to pollute vs preserve life & relations between male vs female power, Hindu villagers, India, 21815
childhood recollections of parental spouse abuse & distribution of conjugal power, college students, 10456

client inattention & power & bureaucracy, Italy, 6267
consistent vs inconsistent directive activity level & reinforcement inequalities, development of differentiated vs undifferentiated task group power structures, female college students, 24474
control over monetary resources &/vs personnel, job power & earnings, female vs male workers employed at least 20 hrs per wk, 31476
corporate power & social status & market position, selection of board members & subsequent corporate interlocks in regional network, chief executive officers in manufacturing corporations, 28735
credibility & power strategies, attainment of functional & positional & ideational & personal organizational development, human resources development professionals, 5083
definition & classifications of power & applications to management & health care organizations & psychiatry, 12329
development & validation of Power Apprehension Scale, measurement of concerns about power of self vs others, college students, 28986
development & validity of scales, measurement of normative & coercive & remunerative power, high school teachers, operationalization of A. Etzioni's concepts of organizational power, 13434
development of objective measure of personalized power for prediction of alcoholism, medical outpatients & alcoholics, 16137
distribution of power, collaborative problem solving in interorganizational settings, participants in National Coal Policy Project, 31512
exercise of power, bounded vs unbounded organizational decision making, senior managers, 31489
feminist perspective on empowerment symbolism, self image & identity, females, conference presentation, 17147
feminist therapy & theory & psychodynamics of eating disorders, females, 12175
high vs low need for power & group conflict, physiological reactivity, college students serving as group members & leaders, 11187
high vs low need for power & high vs low gain in 3-methoxy-4-hydroxyphenylglycol, recall of story content, 16–29 yr old college students, 3211
impact & relationship of fear & power, psychotherapeutic process, 20318
management & organizational power, 15989
manufacturers' coercive & noncoercive influence strategies & dealers' perceptions of manufacturers' power in marketing channels, automobile dealers, 25984
moderately high externally set constraint, profitability, equal vs high vs low power channel members, 31586
mood & role as actor vs O, judgments of noncontingency, Type A vs Type B college students, 1209
motives & roles & power of mediator countries & parties in international conflict resolution, 11577
need for power vs socialized vs personalized power, males vs females in nonmanagerial & professional occupations, 18701
needs for achievement & affiliation & power, female vs male organization managers, 15983
organizational climate, social power bases, marketing executives, 7831
orientation toward power & peer relations, homemakers vs working vs retired females, implications for social work practice, 24222
perceptions of labor violence & negotiation over nature of colonial power, Dutch elite, 19th–20th centuries, Sumatra, 29903
power & imposturous candidate in psychoanalytic supervision, psychoanalytic trainee, 28304
power & reality in psychotherapeutic relationship, 4343
power contests & response patterns, adolescents & their uncompromising parents, implications for social casework intervention, 10059
power-dependence in marital relations, weight loss, overweight 25–46 yr old married females who had been in diet program, 29830
power differentials, intergroup behavior, college students, 24490
power disparity & symmetrical friendship in relationships, 29937
power in conflict resolution & authority, marital satisfaction, middle & upper middle class couples married 5 or more yrs with wife as homemaker, counseling implications, 8997
power issues & feminism, family therapy, 57 yr old husband & wife, 30616
power motivation, high vs low responsibility male vs female college students & middle class adults, 14535
promotion of equal empowerment & entitlements for women in divorce mediation & educational interventions for balancing power, 15065
psychoanalysis & power, analysts, 27831
psychoanalytic integration of conflicts of power & powerlessness theories & deficit theories based on findings of neurobiology & disorders of self- & interactional-regulation, 41 yr old male, 27785
psychoanalytic view of dilemma of love &/or power, 28 & 30 & 35 yr old professional women, conference presentation, 24431
psychohistorical analysis of quest for power of R. Nixon & A. Hitler, 27075
psychohistorical view of psychosexual development & exercise of power by Catherine de Medici, 27057
psychological development and transmission of patriarchal power in society, children & adolescents, 6140
research model for investigation of gender/power aspects of human-computer communication, college students, 13258
resources & homophily & dependence, power-dependence relations, interorganizational human service dyads, 10026
reward & coercion, expert & referent & legitimate power sources in marketing channel, dealers selling heavy industrial equipment, 18794
role conflict & ambiguity & powerlessness & demographic & contextual variables, burnout, high school supervisors, 18438
sex & role & attitudes toward power, social influence strategies in organizational dispute, male vs female college students as employee vs supervisor, 24519
sex differences, contributions of resources & self perception of power in dating relationship, college student couples, 6349
sex role orientation & structure power & interpersonal dependence, use of influence tactics, homosexual vs lesbian vs heterosexual couples, 27096
sexual liberalism & frequency & awareness of discrimination & age, prediction of proactive vs reactive power in sexual interactions, male vs female college students, 19764
social power theory in psychotherapy process, female vs male therapists, 17784
strict proportional power in voting bodies, model of randomized decision rule, implications for political processes, 29878
structure of power & cultural norms & structural aspects of work & management development, reinforcement of occupational segregation on basis of sex, females, 31449
structure vs agency problem in concept of power in group relations, comments on theoretical frameworks of S. Lukes & A. Giddens, 24478
themes of omnipotence in dreams, therapists & female in therapy for 30 yrs, 6999
trait vs situational anxiety vs beliefs about source of power & control, firewalking success, 14–73 yr old 1st time participants vs experienced firewalkers, 26088
Type A vs B personality & inhibited power motive, heart rate & systolic blood pressure & forearm blood flow during structured interview & TAT, male college students, implications for development of coronary heart disease, 567

Practice [See Also Distributed Practice, Massed Practice]
acceptability ratings for differential reinforcement of incompatible behavior vs positive practice vs time-out, child behavior therapy techniques, college students, 15114
accuracy of fear response & practice effects on accuracy, college students who have intense fear of snakes, implications for behavior therapy, 27355
activation model of identification benefits for repeated words & pseudowords & memory, reply to comments by J. C. Johnston et al, 11020
additional practice & instruction, word comprehension in analogies, learning disabled 7th–8th graders, 7701
arm length & spatial separation between & size of angles & practice, degree of misalignment in modified version of Morinaga's illusion, college students, 23575
attentional cues to reading rate vs meaning followed by repeated readings, fluency & comprehension in retelling of story, 3rd graders, 12978

auditory discrimination training, performance on dichotic listening test, normal vs developmentally retarded vs Down's syndrome children, investigation of stimulus bias, 14771
behavioral rehearsal vs group systematic desensitization, assertiveness training, unassertive females, 20358
blocked vs random vs serial acquisition schedules, learning of kinesthetically presented geometric patterns, college students, 13670
cognitive strategies & instructional set information & practical responding to test suggestions, modification of hypnotic susceptibility, college students of high vs low susceptibility, 21207
cognitive training, reserve capacity in aging-sensitive tests of fluid intelligence, 60–86 yr olds, replication of study by R. Blieszner & S. L. Willis & P. B. Baltes, 26808
concurrent vs delayed visual monitoring vs motor rehearsal, cognitive representation & behavioral reproduction of observed modeled action pattern, college students, 23626
creation of mental image to enhance memorization vs reading of word pairs, frequency judgment, college students, findings contrary to L. Hasher & R. T. Zacks' theory, 29093
cued recall vs forced choice recognition vs 2nd encoding task as practice after initial learning, delayed recall with semantic vs phonemic cue, college students, 5500
daily & specific vs general practice, long term memory interference & speed of fact retrieval, college students, 316
degree of convergence-divergence of hypothesis testing in practice on simulations of diagnostic problem solving, generation of new hypotheses, 10992
derived vs supplied strategy utility information, strategy selection, 2nd graders, 16918
differentiated training program with criterion vs noncriterion apparatus, motor learning, male vs female 12–13 vs 15–16 vs 18–19 yr olds, 14189
drill on directional strokes in lettering after verbal instruction, art project, 5th & 6th graders, 10386
exercises in visuospatial cognition, spatial visualization & orientation aptitude, college students, 10357
experience level, preferred leadership, male vs female rowers & paddlers, 5027
formal coaching programs, Graduate Record Examination test performance, graduate school applicants, 15927
group seriation training, acquisition & transfer of serial learning, kindergartners, 29618
imagery & mental rehearsal instruction, performance on motor skill accuracy task, college students, 10987
instructions & practice, vocal intensities while reading with Edinburgh Masker, 15–35 yr old stutterers, implications for clinical effectiveness of Masker, 12152
IQ levels & practice effects, RT & fine motor task performance, 6–21 yr olds of varying MAs, 24817
looking vs naming vs rehearsing vs categorizing as preferred memory strategy, 4th vs 6th graders, 8748
mechanical baseball-batting devices, warm-up decrement, 11 & 12 yr old males, 8690
mental practice & motor task performance, 23601
mental rehearsal or imagery of past athletic event, EMG activity & motor performance, 12–33 yr old athletes, 19574
modeling vs self instructional practice in mathematics with vs without attributional feedback & role of self efficacy, mathematics achievement, 6th graders, Australia, 31207
number of repetitions of relevant vs irrelevant & phonetically related vs irrelevant cues, problem solving, female vs male 8–12.4 yr olds, 19584
phrasing &/vs repeated readings, free & cumulative recall of idea units & narrative categories, 5th grade good vs poor readers, 10388
physical training & personality factors, marathon time & training injury, male runners, Canada, 13521
practice, message detection on 1 vs 2 vs 3 channels with 1 channel shadowed, 21 yr old males, 255
practice of correct symbol reversals, reading achievement, 1st graders, 15746
practice of tasks, recovery of verbal & visuospatial functioning, alcoholic males, 12047
practice on digit or letter targets, incorrect target-present & correct target-absent responses in visual search when digit other than target was present, college students, 13559
process of tryout evaluations & coaching methods, teams' win-loss-tie records & individual player improvements, coaches & soccer players under 8 yrs old, 2403
rationale vs no-rationale behavioral vs verbal practice, acquisition & maintenance of fire emergency skills, 2nd–4th graders, 28433
rehearsal independency of temporal memory, prior performances, 18.1–30.0 vs 60.3–85.8 yr olds, 8751
rehearsal strategy & stimulus presentation rate & age, free recall & organization, female college students vs 62–88 yr olds, conference presentation, 3049
repeated practice reading stories, reading rate & comprehension & number of speech pauses & word recognition accuracy, less able 4th–6th graders, 10342
repeated reading, free & cued recall & retention & persistence of errors in expository reading task, graduate education students, 16306
repetition & levels & categorization & processing strategy, retention of technical text, college students, 29122
repetition, word & pseudoword identification & memory, comments on article by T. C. Feustel et al & A. Salasoo et al, 11005
retelling vs illustrating generative learning strategy, free recall & comprehension of reading passage, 4th graders, 10337
role of experience in use of orthographic structure, good vs poor 6th grade readers vs 4th grade average readers, 11468
role of rehearsal proficiency & item identification in developmental auditory serial short term memory, 1st–6th graders, 16913
short blank intervals between presentation of successive pictures, subsequent picture recognition, reply to comments by M. J. Watkins, 11017
spatial frequency combinations over 4 octave range, contrast sensitivity, practiced & naive adult Ss, 13568
stability of Armed Services Vocational Aptitude Battery over several sessions, males & females of military service age, 5317
standard vs strategy instructions with vs without practice on dot-connecting problems, 9-dot problem solving, college students, 10972
stimulus dimensionality & repeated trials, performance on free vs matrix classification tasks, 9 vs 11.8 yr olds, 21722
stimulus picture followed by rehearsal interval vs no rehearsal time, identification of picture or its name, college students, 3058
susceptibility to interference, prediction of ability to improve performance on Weigl test through practice, demented vs nondemented Ss over 65 yrs old, 14840
theory of determinants & mode of response & level of musical experience, immediate recall of short melodies, college vs high school students, 11455
tifluadom, memory in passive avoidance task, male mice familiar vs unfamiliar with apparatus, 11328
training with attentional cues, phonemic restoration illusion, adult Ss, 16282
unfilled intervals between presentations of successive pictures, subsequent picture recognition, comments on article by R. W. Proctor, 11029
variation of parameters of ball & distance overarm throwing in practice sessions, performance on novel striking tasks, male vs female kindergartners through 1st graders, 14144
verbal &/vs aural example of complex music selection vs practice only, musical performance, college music education students, 7612
verbal rehearsal & short term memory for lists of pictorial items, capacity for items & order information & semantic organization & nonlist intrusions, language disordered 7.5–12.8 yr olds, 12227
visual stimulus intensity & degradation & stimulus-response compatibility & practice, vocalization latency in letter naming task, college students, 21081
words varied in imagery value with imagery vs semantic rehearsal instructions & type of recall test, hyperamnesia & correct recall, college students, 13690
1 vs 4 movement parameters & variable practice schedules, development of motor control, college students, test of R. A. Schmidt's schema theory, 23632
Practice Effects [See Practice]

Practicum Supervision
anxiety & confidence level before vs after first clinical practicum, White female graduate students with speech-language pathology major, 20630
appropriate practicum supervision to qualify for state licensure, behavioral health psychologists, 20625
capacity for negative capability in psychoanalytic supervision, 15467
characteristics & evaluation of clinical practicum performance, supervisors & their failing vs average vs outstanding speech-language clinicians, 20579
characteristics of effective supervisor & roles & responsibilities & need for formal standardized training programs, occupational therapy student supervision, 22–56 yr old therapists & 20–49 yr old students, 25627
clarification of year-long vs American Psychological Association accredited internships & criteria for accreditation, college & university counseling center internships, 2305
clinical supervision approach based on theories of personality development, occupational therapy students, 2271
counseling skills & teaching consultation & supervision, counselors, 4745
departmental policies regarding clinical expertise, training clinic directors of American Psychological Association accredited clinical psychology doctoral programs, 15560
development & validity of Counselor Perception Questionnaire, measurement of cognitive growth during counselor supervision, counselor trainees, 8051
development of consultation & education practicum in rural community psychology training graduate program, 2210
development of consumer feedback system, evaluation of performance, school psychology interns, 10288
developmental model of clinical supervision, psychology supervisee, 12861
developmental stages & intervention strategies, management of training of evaluation practicum & intern students, supervisors, 18348
didactic/experiential practicum & course in psychopathology, clinically oriented graduate psychology students, 15505
ego development theory & assessment, supervision & education, counselors, 2217
ethical issues in counseling supervisory relationship, 31119
evaluation of supervision, predoctoral interns vs postdoctoral counseling psychologists applying for licensure, 15571
evaluations of best vs worst psychotherapy supervision, advanced clinical & counseling psychology graduate students, 22803
experience in graduate school & counseling & received supervision, perceptions of development of counseling & supervision behaviors, counseling & clinical psychology trainees, test of counselor complexity model, 10234
experiential learning model as framework for understanding counseling & supervision processes, counseling psychology, 18207
factors impacting supervisor/supervisee relationship, psychology graduate students in part time clinical field placement setting, 31053
faculty evaluation of medical students' patient history taking skills with observation vs write-up review, sophomore medical students, 31123
family therapy supervision in postgraduate training institutes & graduate education & nursing programs, graduate students, 20581
goals & organization & administration of psychology practicum, 15625
group supervision, counselor trainees, 1960–83, literature review, 4756
importance of supervisory function in training consultants, counseling psychology, comment on D. Brown's view, 18393
importance of supervisory function in training consultants, counseling psychology, comment on D. Brown's view, 18362
internal pressures & external constraints, analogy between all or nothing conflict & H. C. Anderson's "The Emperor's New Clothes", social work supervisors, 31050
issues in development of supervisory model for teaching consultation skills in practicum & internship settings, counseling psychology, 18347
litigation issues, counseling supervisors, 10259
live supervision as clinical training technique, 10210
live supervision stage approach for teaching marriage & family therapy supervision, 18374
methods of supervision of student directed individual & group psychotherapy sessions, clinical supervisors, 10199
modeling & role playing & feedback in laboratory training program, interview skills & practicum preparation, social work students, 20604
need & suggestions for provision of experience with culturally diverse groups, counseling psychology consultant training, comment on D. Brown's framework, 18368
negative supervisory reaction in psychoanalytic training, supervisees, 20599
observational learning techniques during supervision, anxiety during use of classroom management procedures, student teachers, 12923
parataxic interference in supervisory relationship, psychoanalytic supervisor & supervisee, 10208
paraverbal techniques, communication with child clients & professional supervision, recently certified child psychiatrists, 31082
peer supervision in family therapy training, family therapy student supervisors, 12802
perceptions of important issues & supervisor interventions following weekly supervision sessions, beginning vs advanced practicum vs doctoral intern graduate student trainees in counseling psychology program, 28340
perceptions of psychotherapy training, psychiatric residents, Canada, conference presentation, 2254
perceptions of supervisory role functions, supervisors of counselor trainees, 28295
perspective on characterological problems in relationship with psychotherapist trainees, supervisors, 31117
power & imposturous candidate in psychoanalytic supervision, psychoanalytic trainee, 28304
practicum training program, clinical psychology, 10201
psychotherapy supervision, unresponsiveness, psychotherapists, 2228
ratings of student directed language remediation session, clinical supervisors, 10249
research practicum in implementation & evaluation of assertiveness training program for physically disabled college students, psychology college students, 31218
role systems & Johari Window models in practicum supervision, child care personnel, 20623
social influence model in supervision, clinical supervisors & supervisees, 10205
stages of psychotherapy supervision, 4755
structural vs strategic vs family-of-origin vs "coach" approaches to live supervision of family therapy conducted by trainees, psychologists, 31090
subtle hypnotic patterns in person-centered counseling, counseling & supervision implications, 10051
supervision of family therapist supervisors, family therapists in training for supervision of other therapist trainees, 28299
supervision, signs of transference in dreams, female 26–31 yr old student-therapists, 4774
theory & practice of psychoanalytic supervision, M. Fordham, 31093

Pragmatics
analysis of disordered conversational data as basis for assessment & remediation, 10 yr old male, 9485
analysis of sociolinguistic grammars vs variable rules from perspective of N. Chomsky's criteria of adequacy for grammars & linguistic theory, 3350
antecedent length & consistency, surface coping vs discourse model strategies in comprehension of anaphoric verb phrases, college students, 8639
cultural principles & their pragmatic use, social construction of rank, actors in novels of J. Austen, 29527
differentiation of pragmatic markedness of forms defined by nonverbal & verbal elements, interpretation of turn exchange & speaking turns, strangers in dyadic conversations, 6325
issues in study of pragmatic disorders, 9486

operationalization & convergent validity & elaboration of Communication Competency Assessment Instrument, evaluation of communication behaviors appropriate to settings, college students, 8107
pragmatic ordering principle of naming animates before inanimates, acquisition of word order relations in sentences, 2.8–5 yr olds, 835
pragmatic structures in first vs second language behavior, implications for second language instruction, 2295
pragmatics of speech toward infant at 12–18 vs 18–24 mo of age, mothers vs 3–5 yr old siblings, 783
sensorimotor development & pragmatic & communication skills, transition from preverbal to verbal communication, children with Down's syndrome assessed at 13 mo & 2 & 3 yrs of age, longitudinal study, 27478
sociopragmatics vs psychopragmatics, language use in jokes vs dreams, partial support for Freud's theory, 24051
suprasegmental variables identified by acoustic correlates of stress & pragmatic function of repair vs original utterance in conversation, preschool age children in age & ability groups, 6069
syntactic vs pragmatic codes in independent vs traditional relationships & conversation, married couples, 17199
teacher & student turn relations & remedial strategies, forms & patterns of verbal overlaps in classroom discourse, 8.4–12.3 yr old special education students with communicative disorders, 18610
use of pragmatic information & contextual constraints, pronoun assignment, 19–37 vs 57–84 yr olds, 29624

Pragmatism
development & psychometric properties of Pragmatism scale, 21025

Praise
contingent parental praise before vs after treatment compliance response, mothers & author & their noncompliant 2.3–7 yr olds, 15111
praise as social reinforcement, learning programed lesson, 60–87 yr olds, 855
praise of E & performance binary visual feedback with vs without knowledge of progress, retraining of upper extremity movement, 71 yr old male with cerebrovascular accident hemiplegia, 12757
praise vs criticism, running performance & emotional state, 10–15 yr olds, 748
rate of teacher presentation & frequency of praising, oral reading performance, 7.8–8.6 yr old learning disabled students, 13064

Prayer
dream interpretation & spiritual counseling through prayer, resistance to therapy & intense rage, Christian female analysand, 17850
model & use of contemplative prayers in psychotherapy, 27780
psychophysiology of Orthodox prayer & meditation, 6203
psychotherapeutic techniques & Christian healing prayer, female in her 30s who had been sexually abused as child, 17761
psychotherapy & hypnotherapy & spiritual healing through prayer, depression & dissociation, pastor's wife, 18217

Praying Mantis [See Mantis]

Precognition
departures from theoretically expected distribution of numbers in random number sequences in psychokinesis precognition task, adult female S, 13292

Predatory Behavior (Animal) [See Animal Predatory Behavior]

Predelinquent Youth
mediating variables & manifest behavior & social relationships & biological factors, later delinquency & adult criminality, 10–13 yr olds studied until age 18–26 yrs, 24786
moral development discussion group, moral reasoning ability & classroom behaviors, 13–15 yr old delinquent & predelinquent males in institutional or dayschool special education programs, 15849

Predictability (Measurement)
clinical vs statistical prediction in personal construct psychology, 9128
scale measurement of predictability & dependability & faith factors of trust in marital & close relationships, married persons & couples, 27013

Prediction [See Also Academic Achievement Prediction, Occupational Success Prediction]
abstinence prediction factors, 15–26 yr old drug abusers treated in therapeutic community ward, 4–5 yr followup study, 25607
accuracy of fear response & practice effects on accuracy, college students who have intense fear of snakes, implications for behavior therapy, 27355
acute response to methylphenidate challenge as predictor of treatment outcome with desipramine vs amitriptyline, depressed 47–95 yr olds, 27997
Adjective Check List, prediction of effectiveness in leaderless group discussions, middle level managers, 2632
aggression as predictor of weak self control, 9172
anchoring on own preferences, prediction of spousal preferences for new product concepts, husbands & wives, 26060
association with other delinquents & belief in laws & school performance & SES & age factors, prediction of juvenile delinquency, male vs female 7th–10th graders, Canada, 9377
behavior of clinic-referred noncompliant children, prediction of depression, 23–37 yr old mothers, 1295
behavioral variability, mother-child interactions, neonates, 1-mo followup, 24107
behaviorism vs field theory, prediction of voting behavior, voters, Sweden vs US, 17112
characteristic vs homomollifier function, prediction of payoffs in non-constant-sum games with nonempty core, college students in same-sex groups, 29961
circumstantial cues in stories, inferences of motivation of actors & prediction of future behavior, White middle class 4.9–5.7 yr olds, Great Britain, 19571
client characteristics, prediction of treatment outcomes, adolescents & young adults discharged from specialized residential & day treatment facility for behavior disorders, 2–4 yr followup, 18268
clinical variables assessed at psychiatric hospital admission, prediction of length of stay, discharged adult patients, 7400
clinical vs statistical prediction in personal construct psychology, 9128
cognitive distortion & hindsight, perception of suicide, college students, 19817
convergent validation via decision theoretic paradigm of predictions of vocational preference, 17–36 yr olds, 86
coping style & attitudes, prediction of treatment preferences for agoraphobia, college students, 9667
correlation of 4 conservatism questionnaires, prediction of humor responses, college students, West Germany, 28996
counterfactual reasoning, accuracy in prediction of outcome of future personal events, graduate business students, 10967
cross-modal & intramodal transfer as predictors of mental development, preterm vs full-term infants, longitudinal study, 8778
data collection methodology, purchase expectations & prediction of demand for durable goods, consumers, 2734
demand models, forecasting alcoholism & drug abuse bed needs, 12767
demographic variables, prediction of WAIS full scale IQ, 15–81 yr olds, extension & replication of method developed by R. S. Wilson et al, 18955
depressive symptoms during adolescence, subsequent affect & psychiatric disorders & functioning in adulthood, Ss with mean age of 24.7 yrs, 9-yr followup, 24655
development & comparison of static vs dynamic strength models, prediction of weight-lifting capacity, males, 10641
development of objective measure of personalized power for prediction of alcoholism, medical outpatients & alcoholics, 16137
differences in underpredicted vs overpredicted mismatches of predicted vs reported fear, behavioral inhibition system, college students with intense fear of snakes, test of J. Gray's theory, 27354
difficult temperament, prediction of psychiatric diagnosis, 12 yr olds previously evaluated at age 7 yrs, 1332
discriminant analysis of student attitudes, prediction of attrition, college students, 10428
dreams of Pharaoh as example of day precipitate phenomenon, 24072
economic variables & opinions, consumers, implications for role of consumer surveys in forecasting, France & Italy & West Germany & UK, 26077

estimates of mechanical model & outcome feedback, prediction of baseball team's win-loss record based on statistics, graduate business students, 16299
factors predictive of sexual aggression against women, 18–47 yr old males, 22171
family background & contact with social welfare service as predictors, drug abuse, 15 yr olds, Sweden, longitudinal study, 4000
family interaction patterns & locus of control, prediction of presence & severity of anorexia nervosa, females, 24908
free play behavior & knowledge of play group membership, prediction of play behavior in cooperative games, nursery school children, 3485
frequency vs generalized vs individualized weights scoring methods for Life Experiences Survey as predictors of psychological symptomatology, 18–88 yr olds, 29011
fundamental frequency during reading episode & phonetograms & pubertal stages & endocrine analysis, prediction of voice puberty, 8–9 yr old female singers, conference presentation, 765
gratification/expectancy-value models, prediction of satisfaction with TV news, college students, 29502
human resource forecasting technique using perceived uncertainty & human judgment models, 28756
increased stress & depression & anger & loneliness, prediction of success depression, gifted 14–17 yr olds, 6131
infant attachment relationship as predictor of psychopathology, male vs female 1 yr olds, 6-yr longitudinal study, reprint, 30177
knowledge of items vs estimation of difficulty, prediction of own vs others' recall of paired associate lists, college students, 8253
level of academic ability, prediction of self assessment & aspirations, mentally retarded elementary school students, 4974
level of neuroticism, prediction of depressive disorder outcome, psychiatric patients & volunteers with nonmelancholic depression, 9217
lie transformation group model of neuropsychology, prediction of pattern specificity of visual aftereffects of color, college students, 16247
marketing forecasting-system design features, detection & measurement & reduction of bias & need for retention of methods, 10680
measurement & prediction of career commitment, nurses, 20842
measures of auditory & visual selective attention & perceptual style, prediction of motor vehicle accidents, 28–59 yr old drivers, 18690
methods for estimation of impact of expected demographic & socioeconomic shifts, product demand, US, 8131
microanalysis, assessment of extent to which self efficacy measures predict performance, 2949
model for interpretation of verbal predictions, college students, 291
model of risk factors & psychosocial variables, prediction of participation in worksite health promotion programs, state employees, 2645
models for prediction of training device effectiveness, Army personnel, 5057
moderation of congruence, self rating vs peer rating of traits, college students, 3778
mood quality & response intensity, prediction of behavior disorders, nursery school children, 5-yr followup, 1460
movie "The Day After" & protection motivation theory, prediction of intentions to engage in anti-nuclear war behaviors, college students, 26953
number of symptoms & other factors predictive of aggressive conduct disorder, 5.5–14.8 yr olds, 2-yr followup study, 22165
paradoxes of suicide risk assessment, depressed hospitalized patients & callers to suicide prevention center & VA inpatients, implications for clinical work, 12084
patient characteristics, prediction of process & outcome of short term individual psychotherapy, 19–48 yr old psychiatric outpatients, 12397
patient responses to amitriptyline with or without perphenazine or maprotiline or amoxapine, prediction of differential rates of depression, relatives of depressed probands, 7232
perceptions of children's behavior problems, clinical psychologists vs school counselors vs teachers with special education training vs regular education teachers, 12917
pre-abstinence smoke intake & smoking motivation, prediction of cigarette withdrawal severity, 21–74 yr old smokers, 24459
predicted vs attained job changes over 1 yr, managers, Great Britain, 20871
prediction of distance of underwater target detection, experienced divers, 21080
prediction of effectiveness of tricyclic antidepressants with symptom profiles, 20–74 yr old inpatients with manic depressive psychosis, 7277
prediction of future adjustment, 1st-yr medical school students, 35-yr followup of research by H. W. Brosin, conference presentation, 15465
prediction of in-program failure, delinquent youths in community based rehabilitation program, 10145
prediction of item recallability in free & cued recall tasks, college students, 310
prediction of leisure time exercise behavior, lower-limb disabled males, 20157
prediction of panics, fear & safety, mildly claustrophobic college students, 3913
prediction of risk for discharge to nursing home following hospitalization, elderly hospitalized patients, 2094
prediction of treatment outcome & development of expanded screening test, chronic pain outpatients, experimental replication, 25072
prediction of typical outcomes of classic imagery experiments in relation to effects on types of learning, college students, 19101
prediction of violence, psychologists, implications for adjudication & expert testimony, 11667
predictive variables of personality & social background, choice of scientific majors, White vs Black natural vs social vs nonscience college majors, 25833
predictors & profiles of negative health outcomes, aged, 17597
predictors of assigned level of care, new nursing home residents, 18259
predictors of generalized & specific performance expectancies, 9–14 yr old male wrestlers participating in competitive tournament, 26860
predictors of survival & normal neurodevelopmental outcome, infants weighing 1000 g or less at birth tested at 6 & 9 & 12 & 18 & 24 mo postnatal age, 27666
preference for unpredictable appetitive rewards obtained under conditions predicted by DMOD model by H. B. Daly & J. T. Daly, male rats, 5539
prenatal anxiety level, perception of labor pain & postpartum mood, 18–32 yr old primiparous females, 20461
prenatal prediction of child abuse & neglect, females at 3–6 mo of gestation, 2–2.5 yr followup, 12085
pretherapy patient variables, prediction of quality of alliance in initial psychoanalytic psychotherapy interview, 19–50 yr olds, 12402
prior information, judgments in predictive learning situations, adult Ss, 19133
psychological & behavioral factors, prediction of cold weather health behaviors, 18–23 yr old males in Marine Corps, 5149
psychometric measures antenatally vs at 6 wks postpartum, prediction of self rating of depressed mood up to 12 mo postnatally, pregnant females, 19899
psychosocial & organic predictions of incidence of lung cancer & cardiac infarct & apoplexy, 40–71 yr olds, Yugoslavia, 10-yr study, 12208
psychosocial predictors of sudden cardiac & infant & traumatic death, literature review, 9189
Q methodology & prediction of behavioral variables, 5266
repression-sensitization & approach-avoidance traits, prediction of reactions to stressors, female college students, 3726
response vs outcome feedback & predictability of actual vs optimum criteria, judgment, humans, 3022
risk factors for suicide, gifted females, 60-yr longitudinal prospective study, 24809
role of general & cognitive ability in prediction, 171
self derogation & life events & role performance, prediction of adjustment in community following hospital discharge, male psychiatric patients, 1-yr longitudinal study, 12667
self efficacy, prediction of relapse following voluntary smoking cessation, adults who had quit smoking 1 yr earlier, 28269

self efficacy predictions vs actual performance in heterosexual interaction, male rapists vs child molesters vs non-sex-offender prison inmates vs high vs low SES community males, 30303
SES & family stress & negative maternal & child behaviors & inattention & overactivity, prediction of hyperactivity & aggression, mothers & their problem 3 yr olds assessed again at 4 & 6 yrs of age, longitudinal study, 30372
Slosson Intelligence Test vs Henmon-Nelson Tests of Mental Ability as predictors of WAIS-R IQ, male inpatients, 18958
sociodemographic characteristics & health status, prediction of nursing home admission, aged, longitudinal study, 18278
spatial skills in close-body & local & geographical/travel space, prediction of efficiency in travel, visually impaired 5–12 yr olds, 24915
step-up vs -down hierarchical multiple regression procedure, testing hypotheses about existence of test bias in prediction, 29020
theory of planned behavior, prediction of success in attempted weight reduction, female college students, 3768
therapist personality traits, prediction of counselor effectiveness, literature review, 4802
use of word "whirling" in Rorschach tests, prediction of suicide & premature death, medical students, 20–35 yr followup, 4046
utility of Child Abuse Potential Inventory, screening for physical child abuse, untreated male spouse abusers in military, 16162
validated measures of Type A behavior, prediction of coronary heart disease, literature review, 2908
validity of Revised Social Anhedonia Scale & social adjustment & psychosis proneness, male vs female college students, 149
validity of statistically derived prediction instruments & sample selectivity, recidivism, criminals, 8104
validity of W. D. Well's vs C. Leavitt's commercial profit scales, prediction of responses to advertisements, target audience, 8119
validity of 3 questionnaire tool, prediction of potential "against medical advice" discharges at time of psychiatric admission, adults from inpatient substance abuse ward, 21024
vocational rehabilitation assessment & prediction of success, vocational rehabilitation clients, 15413
Prediction Errors [See Type I Errors, Type II Errors]
Predictive Validity
approximation of confidence intervals in fixed & random predictive regression models, 21029
Bayley Scales of Infant Development, interobserver agreement & descriptive utility & prediction of success in conditioning programs, nonambulatory profoundly mentally retarded 2–28 yr olds, 13475
combined California Psychological Inventory subtest scores, prediction of 4 yr & 2 yr & single course grades, college students, 25911
concurrent & predictive validity of Millon Behavioral Health Inventory & correlation with MMPI & Beck Depression Inventory, prediction of treatment outcome, 22–80 yr old chronic pain patients, 10840
concurrent & predictive validity of WISC-R & McCarthy Scales of Children's Abilities & Tests of Cognitive Ability from Woodcock-Johnson Psycho-Educational Battery, academic achievement, 1st graders, 2-yr longitudinal study, 10552
concurrent predictive validity of neuropsychological instruments & intelligence measures, prediction of academic achievement, 6.5–8.5 vs 8.5–11 yr olds with reading disabilities, 23114
convergent validity & predictive ability of MMPI Psychopathic Deviate subscales, 17–57 yr old male offenders, 1-yr followup, 10783
coping behaviors in prediction of outcome & predictive validity of coping measure, psychiatric patients with nonmelancholic depressive disorders & symptomatic volunteers with self identified depression, 30195
development & evaluation of Borgess Interaction Assessment, screening & identification of psychosocial risk, infants assessed at birth & 1 mo & 1 yr of age, 10841
development & validation of Simon-Dole Listening Comprehension Test, measurement of listening comprehension as predictor of reading comprehension, 5–7.2 yr olds tested in kindergarten vs 1st grade, 25902
development & validity & reliability of microcomputer assessment system, developmentally disabled, 8001
development of quickly scored in-basket exercise, prediction of 1st-level supervisory performance, 23–64 yr old 1st-line supervisors, 28956
effectiveness of WISC-R & Aphasia Screening Test, prediction of overall results of comprehensive neuropsychological evaluation, 8–16 yr old psychiatric patients, 27379
evaluation of cognitive development test, prediction of performance & placement in chemistry course, college students, 31318
factorial & predictive validity of Carlson Psychological Survey, male adolescent offenders, 2886
framework for evaluation & strengths & weaknesses of criterion-related validating designs, 29030
Holland's Vocational Preference Inventory & Myers-Briggs Type Indicator, prediction of vocational choice, business administration students seeking master's degrees, 31356
Hooper Visual Organizational Test vs Benton Visual Retention Test vs Color-Form Sorting Test, prediction of brain dysfunction, 25–72 yr old psychiatric patients, 5345
incremental validity of Analytical scale of Graduate Record Examination, prediction of success in graduate school, psychology master's degree program students, 13146
individual differences in predictability & cross-situational behavior consistency, idiographic theory in personality assessment & behavioral prediction methodology, 13362
Koppitz Emotional Indicators as projective interpretation of Human Figure Drawings, prediction of learning-related behavior, kindergartners, 25910
linear policy capturing equations based on job applicant interview ratings, predictive validity of & consistency in information use, employment interviews, 18721
Medical College Admission Test Reading subtest vs Nelson-Denny Reading Test, prediction of medical school achievement, medical students, 13425
prediction & diagnosis & specificity & sensitivity using Mini-Mental State Examination & level-of-orientation evaluation, medical patients with dementia, 20186
predictive & congruent validity of sentence completion test of grammatical forms, use of standard vs nonstandard English during spontaneous conversation, 15.7–23.4 yr old Black males, 16163
predictive & construct validity of experimental measures of career maturity, 11th graders, 1-yr followup with criterion measures, 18684
predictive & construct validity of Writing Apprehension Test, assessment of writing apprehension & prediction of test performance, college students, 10553
predictive ultility of M. J. Cody & M. L. McLaughlin typology of compliance-gaining message selection behavior, college students, 29943
predictive validity & reliability of Three Ratings of Involuntary Admissibility, application of involuntary admission criteria in psychiatric emergency rooms, psychiatrists & nurses & social workers & 14–87 yr old patients, 165
predictive validity of ABC Tests & Reversal Test, diagnosis of reading learning disabilities, 1st graders, 4994
predictive validity of Bender Gestalt Test for Young Children, screening for school readiness & subsequent school performance, kindergartners followed through 4th grade, Australia, 15921
predictive validity of Career Decision Making System, 12th graders, implications for high school counselors, 13125
predictive validity of Career Decision Scale, measurement of longitudinal career indecision patterns, high school seniors, 4-yr followup, 5305
predictive validity of Cognitive-Somatic Anxiety Questionnaire, distinction between predominant vs secondary anxiety mode, 21–47 yr olds, clinical implications, 26251
predictive validity of correlates of reading & spelling & mathematical learning disabilities, kindergartners, 1-yr followup, 15769
predictive validity of early visual measures, assessment of subsequent cognitive outcome, preterm infants tested from 6–40 mo & at 6 yrs, 161
predictive validity of IQ & aptitude tests for job applicant screening, vocational success, civil service job candidates, 2614
predictive validity of Milani-Comparetti Developmental Examination, motor outcome, high- & low-risk 3–6 mo olds, 16117

predictive validity of optimality vs complication scales, behavioral assessment, infants tested 48 hrs after birth, 150
predictive validity of patterned behavior description vs unstructured employment interviews, prediction of job performance of sales personnel, interviewers, 1-yr followup, 10592
predictive validity of pre- vs postdiscussion assessment center ratings, officer training suitability, naval candidates, England, 7799
predictive validity of prognostic scores based on multivariate & univariate analysis, patients with schizophrenia, 5-yr longitudinal study, 1335
predictive validity of short form of Wechsler Preschool & Primary Scale of Intelligence, academic achievement, prekindergarten males with mean age of 65.4 mo tested at end of kindergarten & 1st & 2nd grades, 25937
predictive validity of Spanish translation of WISC-R, Puerto Rican 10.4–14 yr olds, Puerto Rico vs US, 28991
prognostic validity of premorbid adjustment measures, schizophrenic & psychotic patients, 5-yr followup, 8094
relationship between McCarthy Scales of Children's Abilities & Kaufman Assessment Battery for Children & their predictive validity using Peabody Individual Achievement Test, 6.7–8.6 yr olds, 13446
relative efficiency of WAIS IQ & subtest variables, prediction of Halstead-Reitan Neuropsychological Battery performance level, psychiatric & brain damaged patients, 26232
reliability & validity of 3 tests of visual-motor integration, prediction of learning disabilities, kindergartners, 25887
reliability of TAT & Rozenzweig Picture Frustration Study, rapid prediction of undisciplined behavior, pilots & cadets, 8067
revised version of Tent series of Children's Embedded Figures Test, prediction of early reading achievement, kindergartners through 4th graders, 20798
Shipley Institute of Living Scale for Measuring Intellectual Impairment, prediction of WAIS-R Full Scale IQ, psychiatric patients, 138
Shipley-Institute of Living Scale scores as predictors of WAIS-R scores, adult Ss, 18980
subtest &/vs IQ variables of WAIS, prediction of variance in Luria-Nebraska Neuropsychological Battery summary scales, 19–70 yr olds with variety of diagnoses, 26233
training in test taking, internal consistency & predictive validity of mathematics achievement test, Hispanic community college students, 7764
use of Luria-Nebraska Neuropsychological Battery, prediction of WAIS-R scores, neurologic & psychiatric patients, 26223
validity & reliability of attitudes toward work scales, measurement & prediction of work schedule preferences, utility company workers, 16131
validity of Allied Health Aptitude Test & previous GPAs, prediction of persistence & GPA in university respiratory therapy program, college students, 31370
validity of approaches to studying inventory &/vs Tertiary Entrance Examination scores &/vs student background characteristics, prediction of academic achievement, 1st-yr college students, Australia, 25939
validity of Arizona Heart Institute Cardiovascular Risk Factor Questionnaire, assessment of predictor variables EKG & treadmill examinations, male & female physicians, 13408
validity of biographical inventory, prediction of occupational success, real estate salespersons, 2-yr followup, 18730
validity of MMPI correctional criteria scales, prediction of adjustment in prison, Black vs White inmates of federal correctional institute, 10818
validity of National Teacher Examination vs teacher supervisor ratings, prediction of employment success, elementary education student teachers, 23417
validity of Reynell Developmental Language Scales & Stanford-Binet Intelligence Scale & PPVT, prediction of WISC-R scores 4–8 yrs later, 3 & 5 yr olds, 26246
validity of Screening Test for Academic Readiness, prediction & identification of giftedness, 6–15 yr olds, 28612
WAIS subtests, prediction of performance on Luria Nebraska Neuropsychological Battery, neurologic & psychiatric patients, 13385

Predisposition

acute psychotic states & agitation, predisposition to thromboembolic & cardiovascular disorders, 1577
authoritarianism, child abuse potential, college students, 11835
bemegride test of seizure susceptibility, patients on diazepam therapy vs alcoholics, 6451
biological insufficiency & personality & trauma as predictive factors, patients with longstanding vs acute neurasthenic & hysterical neurosis, 6577
childhood separation anxiety disorder & sudden object loss, development of panic disorder, adults with panic disorder vs small-animal phobia, 19994
clinical evidence of heart disease & risk factors & psychosocial factors, prediction of coronary artery disease, valvular heart disease patients, 6731
construct validity of Child Abuse Potential Inventory lie scale, detection of conscious deception, male vs female college students vs 20–54 yr old parents, 8105
criminal behavior & EEG, 13 yr old delinquents & thieves who had been assessed at age 1–15 yrs, Denmark & Sweden, longitudinal study, 1463
critical stimulus duration as state marker for schizophrenia, response to conclusion by K. H. Nuechterlein & M. E. Dawson, 17388
depression & cognitive vulnerability to depression, judgments of appropriateness of discussing various social topics, college students, 3745
depression & stress sensitization & kindling & conditioning, comments on article by H. Anisman & R. M. Zacharko, 19972
early parental loss or separation, development of depressive disorder, 18–65 yr old psychiatric patients suffering nonendogenous depressive episode, 6588
endorphins & learned helplessness & depression, comments on H. Anisman & R. M. Zacharko's article, 19886
epidemiology & hypertension & cholesterol & smoking & Type A behavior & stress & diet & obesity risk factors, sympathetic nervous system stimulation, implications for development of ischemic heart disease, conference presentation, 9577
erythrocyte membrane elevations & genetic vulnerability, 18–84 yr olds with schizophrenia vs depressive vs nonpsychotic disorders, 3844
factor structure of Dysfunctional Attitudes Scale, measure of predisposition to depression, college students, 18931
familial thalassemia minor as genetic marker, etiology & susceptibility to bipolar illness, 32 yr old with bipolar affective disorder & family members, 27314
family history of depressive disorders, 10–27 yr old female anorexics with vs without current episode of nonbipolar major depression, 12169
genetic factors & predisposition, male monozygotic vs dizygotic index twins with both schizophrenia & alcoholism, 17285
history of alcoholism in different relatives, rate of development of alcoholism as genetic predisposition marker, male probands, 14742
hyperactivity syndrome as child, psychiatric status, 21–33 yr olds, 15-yr followup, 6900
incidence of neurological dysfunctioning, 7–14 yr old children of schizophrenic parents, Israel vs Denmark, replication of study by D. Rosenthal & S. Nagler, 6554
incidence of risk factors for coronary heart disease, Whites vs Blacks vs Mexican Americans vs Puerto Ricans, literature review, 20129
increased critical stimulus duration as episode vs vulnerability indicator in schizophrenia, reply to comments by R. D. Merritt & D. W. Balogh, 17395
initial depression status & association of stressful events & depression, college students, 24644
institutionalization during 1st 5 yrs of life & early onset schizophrenia in mothers, predisposition to schizophrenia, children, longitudinal study, 6574
interpersonal competence, schizophrenic-prone male college students, 1259
knowledge of statistics & perception of health risks of smoking, male vs female college statistics students, 3651

loss of close family relative through death in childhood, predisposition to suicide attempt, patients who had attempted suicide & their parents, 14745
maturation & priming, audiogenic seizure thresholds, mice from 4 lines, 3225
methodology & smoking & elevated serum cholesterol, coronary heart disease, morbidity & mortality, 24962
minimal age differences between siblings, risk of schizoid disorders, neurotic patients, support for hypothesis of neglect in development of schizoid disorders, 9291
models for genotype & environment, liability to psychiatric illness, 17372
multidimensional assessment, predisposition for psychosis, adolescents, 9274
obsessional traits & cyclothymia, 15–21 yr old at risk offspring of parents with bipolar illness, 1318
parental communication & attitudes, predisposition to math anxiety, children, 21758
parental unipolar vs bipolar major affective disorder, coping behavior & incidence of psychopathology, 7–17 yr olds & their 26–47 yr old parents with affective disorders, 19942
perfectionism &/vs stressful life events, vulnerability to depression, college students, 19933
personality, employment status & psychological well-being, male vs female high school students, 2-yr followup, 6162
personality traits vs cognitive functions, bioelectrical skin reactivity & heart rate during true vs false biofeedback, 32–73 yr olds after myocardial infarction, implications for predisposition to psychosomatic disease, 17687
platelet MAO activity & psychiatric disorder in probands, predisposition to bipolar affective disorders & reactive depression & alcoholism, parents & siblings of probands, 22137
predisposing influence of stress on depression via neurochemistry, comments on article by H. Anisman & R. M. Zacharko, 19990
predisposition to communication disorders, males, 4085
premorbid personality of affective illnesses, 14575
presence of human leucocyte antigen as possible indicator of genetic predisposition to schizophrenia, psychiatrically healthy anthropathic patients, 6506
prevalence rates of anorexia nervosa & bulimia, 1st- & 2nd-degree relatives of anorexia nervosa patients, implications for classification & etiology of anorexia, conference presentation, 24995
preventive intervention in infancy, predisposing risk factors for drug abuse, 31014
psychological & biological characteristics, vulnerability to alcoholism, males, literature review, 22191
psychosocial stressors, coronary heart disease, conference presentation, 9578
reliability of Launey-Slade Hallucination Scale, measurement of disposition toward hallucination, college students, 16123
risk of schizophrenic spectrum disorder, 1st-degree relatives of lithium-responsive vs lithium-nonresponsive psychotic patients, 1368
role conflict or ambiguity & physiological correlates of occupational stress, coronary heart disease risk, male highway patrol officers, replication of study of C. G. Weiman, 26022
role of early childhood temperament in development of adult Type A behaviors, young adults, 29-yr longitudinal study, 8906
role of family, etiology & course of schizophrenia, literature review, 3892
self medication hypothesis, predisposition to drug dependency, heroin & cocaine addicts, 9382
self schemas & life stress & vulnerability model of depression, college students, 1306
serum carnosinase deficiency & predisposition to mental deficiency, 3.5–8 yr olds with attention deficit disorder or developmental delay or neurofibromatosis or severe mental retardation, 14811
SES & age & life-change events, vulnerability to psychological stress, Blacks vs Whites, 1195
sex differences, proneness to depression vs paranoia, 14624
sociocultural risk factors, bulimia, males vs females, 20249
stress, predisposition for depression, comments on article by H. Anisman & R. M. Zacharko, 19889
stress, predisposition to depression, comments on article by H. Anisman & R. M. Zacharko, 19919
susceptibility to Type A backward pattern masking, psychosis-prone college students, 1255
validity of Revised Social Anhedonia Scale & social adjustment & psychosis proneness, male vs female college students, 149
vulnerability of phenotype to minor psychiatric morbidity, males vs females, 11942
2-7-8 MMPI code type & visual information processing, schizotaxia, college students, 24687

Prednisolone
methylprednisolone pulse therapy, cerebral systemic lupus erythematosus, 31 yr old female, 22577

Preference Measures [See Also Least Preferred Coworker Scale]
construct validity of Survey of Reading Attitudes & Reading Preference Survey, reading attitudes & interests, 4th–5th graders, 10537
development & factorial validity of Personality Priorities Inventory for Adolescents, 7th–12th graders, 28942

Preferences [See Also Aesthetic Preferences, Food Preferences, Occupational Preference]
activity priorities & environmental design preferences, public housing residents aged 65 yrs & over, 10664
age & role of maternal presence, home odor preferences, young & mother hares, 3123
age & school curriculum, sex role stereotypes & preferences for sex typed activities or games, male vs female 5 vs 7 yr olds in parochial vs progressive school, 13018
age & time of day, preference for amphetamine vs 5 vs 10 mg diazepam, 21–35 vs 40–55 yr olds, 23956
alcohol expectancy vs alcohol content vs anger provocation, interest in viewing neutral vs erotic vs violent vs violent-erotic slides, male college students, 24446
alcoholic beverage preferences & drinking/driving behaviors & attitudes, licensed drivers over age 16, 19650
attitudes to sugar & experience with sweet food, hedonic responses to sweetness in soft drinks, college students, Finland, 16238
audiovisual vs written stimulus presentation, preference for behavioral vs person-centered psychotherapy, college students, 20296
awareness of stimulus contingency & preference for stimuli predicting presence vs absence of pleasant music, college students, 11035
cognitive & behavioral characteristics & interest in microcomputers, 4–5 yr olds little vs moderately vs highly involved in microcomputer use, 8747
cognitive vs affective processes, judgments of & preferences for male vs female film actors, male vs female college students, 3716
color preference & MMPI scores, chronic alcohol & drug addicts, 30257
color preference & psychiatric disorders, 11–93 yr old male vs female psychiatric outpatients, 11940
color preferences, male vs female 65–101 yr olds, implications for art therapy, 22389
comprehension & preferences for short form vs psychoeducational report vs question & answer format of psychological reports, parents of learning disabled or retarded or gifted children, 28653
consensus based on appraisal characteristics or visual features vs contrast components such as individual evaluation style, landscape preference, college students, 26039
consumption & preference for beer vs wine vs liquor, actual vs expected morbidity rates, survey respondents over 15 yrs old, Canada, 19783
content categories & viewing time & environmental characteristics, preferences for mountain vs swamp vs small vs large waterscapes, college students, implications for environmental planning, 13271
coping style & attitudes, prediction of treatment preferences for agoraphobia, college students, 9667
delay of partial or continuous reinforcement in maze arm & hippocampal vs septal lesions, choice preference for partial or continuous maze arm, male rats, 11255
depth of meaning in life & literary preference, college students, 735
early experience of light exposure vs running wheel vs visually complex pattern vs darkness, filial preferences, chicks, 21215
early handling, selection of alcohol, inbred strains of male mice, 8274
emotional reactions, preferences for individual video games, adolescents & college students, implications for design of computer games & computer-based training, 23297

estimations of fat intake & taste preferences for milk & chocolate milk, 17–63 yr old under vs overweight vs normal weight females, 5389
evaluation & preferences for didactic vs heuristic vs philetic teaching styles, college psychology students, 15665
experience level, preferred leadership, male vs female rowers & paddlers, 5027
exposure to alcohol &/vs toluene, preference for & aversion to alcohol & weight gain & organ toxicity, male rats, 21578
factors in decision to live alone vs with others, elderly, Canada, 29575
factors in selection of college, academically talented college students, 25835
failure vs success, aversiveness of self locus, depressed vs nondepressed college students, 3760
female prevalence & roles & preferences in sadomasochistic subculture, males & females, 20012
flavor stimulus range, intensity & ideal point & conventional hedonic ratings, humans, 16236
food deprivation, attraction to airborne female urinary odors vs food odors, male mice, 13900
gender preferences, female vs male high school vs college students, 19775
genetically selected &/vs imprinted color preferences, perceptual learning, quail chicks, implications for mediation of implicit gene & learning effects, 3138
grade level & gender & race, musical style preferences & discrimination skills, 1st vs 2nd vs 3rd graders, 18525
humor preferences & interpersonal attraction, single & married college couples, 17211
incorporation of patients' treatment preferences in family practice diagnostic & management decision making, medical patients, 1990
individual vs group characteristics & performance, preference for allocation procedures for reward distribution, college students, 21909
individual vs group decision, preference for oral examination vs difficult written examination with text vs moderately difficult written examination without text, college students, 21905
internal vs external vs successive unfolding in preference model construction, college students, 2939
investigation of narcissism beyond Gestalt through preference for own-name vs non-own-name letters, 2nd–6th graders & college students, Belgium, 11530
learning style, preference for experiential vs rational vs behavioral vs client-centered counseling approach, clients, 4636
leisure coparticipant preferences, 55–95 vs 17–33 yr olds, 11826
leisure time preference for books vs motion pictures vs TV, graduate students & other adults, 11804
meprobamate vs cocaine vs diazepam with vs without CGS8216 vs picrotoxin vs naloxone place preference or aversion, male rats, implications for use of place preference paradigm in evaluation of appetitive properties of minor tranquilizers, 24029
metapreferences in stability of majority rule decision making, implications for choice theory, 27138
methylphenidate vs nomifensine, role of central catecholaminergic systems in place preference conditioning, rats, 8578
moral considerations in jury foreman selection, regular jurors vs college students, 3621
musical preference & subjective experience, 6th graders, implications for music education, 11456
novel stimulus preferences, preschoolers vs kindergartners vs 1st graders, implications for mentally retarded, 11458
operant determination of preferences for light, pigs, 21236
operant preference for vocal balance in 4-voice chorales, choral conductors vs high school choral students, 18481
paraventricular hypothalamic norepinephrine, unconditioned saccharin preference & conditioned taste preferences & quinine aversion, male rats, 16709
practice location preferences, 21–35 yr old medical students, 15476
prediction of preferences of same-age vs younger vs older peers, 7 vs 9 vs 10 yr old summer campers, 11552
preference for & judgment of humorous captions written by schizophrenics vs college students, 18–30 yr old schizophrenic patients vs college students, 3919
preference for beer with vs without ethanol vs water, female rats, 23665
preference for color violet, 7–93 yr old male vs female psychiatric outpatients, 14613
preference for decision structures in social dilemma situation, additional data on same author's previous study, 11773
preference for diazepam or amphetamine vs placebo, anxious vs normal 21–35 yr olds, implications for effect of anxiety level on risk for dependence on antianxiety drugs, 30260
preference for holding infant on left side, males vs females, 21830
preference for shock with signaled shock-free periods vs without signals, rats, 5528
preference for traditional vs qualification brief vs narrative resume, corporate personnel recruiters, 10589
preference for unpredictable appetitive rewards obtained under conditions predicted by DMOD model by H. B. Daly & J. T. Daly, male rats, 5539
preference for unsegmented interreinforcement intervals under concurrent chain schedules, homing pigeons, 19216
preference model of ordinal utility function of uncertain actions & index of risk aversion, 16214
preferences & expectations & similarity, therapy process & outcome, clients & therapists, literature review, 17809
preferences for boys' & girls' names, male vs female college students, 30022
preferences for instructional methods & course goals, high- vs low-achieving college preservice teachers, 10305
preferences for teacher characteristics, 7th–9th grade gifted students, 28551
preferences in nursing home design alternatives, design students vs instructors vs nursing home residents vs administrators, 26041
preferred types of communication, parents & teachers of emotionally disturbed students, 18443
prenatal exposure to ethanol, enkephalin levels & ethanol preference, adult rats, 16712
prenatal exposure to nicotine, male gonadal axis & sexual dimorphism of saccharin preference, rats, 21546
preprofessional vs academic vs fieldwork experience, development of preference for specific area of clinical practice, 22–51 yr old occupational therapists, 25628
procedures for assessment of value & assumption of order in theories of economic behavior, 10709
reading preferences, Black vs White male & female kindergartners through 5th graders, 13044
recreational reading selections, high vs average vs low achieving 4th–6th graders, 15774
relationship between expectations & preferences prior to interaction, behaviors during interaction, therapists, 12406
resting or feeding vs active behavior & ambient vs cool temperatures, selection of straw bedded vs concrete floor sides of living area, 4–8 wk old pigs, 16371
self evaluation of performance vs actual performance & preference for engaging in RT task, female 17–72 yr olds, 29634
sensation seeking, movie selection & viewing & cardiac rate & response, female vs male college students, 21989
sex & birth order, perceived parental favoritism, 14–18 yr olds, 3509
sex & race, preferred traits of prospective infant, Black vs White male vs female 6th–7th graders, 11483
sex-typing & sex role identity in play & game preference, male vs female 7 & 9 & 11 yr olds, Netherlands, 24238
simulated situations of distress vs joy, preference for parents vs caretaker vs teacher vs peers vs siblings, 3–10 yr old kibbutz children, Israel, 11511
smell & feel of preferred alcoholic beverage, skin conductance level & heart rate, alcoholics vs nonproblem drinkers, 22164
social comparison preferences & pay evaluations, female vs male college students, 19822
sweet vs bitter dextro vs levo amino acids, preferences & neural responses, mice, 16409
teacher self reported personality characteristics, characteristics & gender of preferred pupils, female student teachers, 10449
toy requests & age & sex differences, toys received from parents at Christmas, 9–76 mo olds, 19653
type & level of familiarity of stimuli, interest & liking preference, adults, 3724

user attributes & visit characteristics & perceived site problems, management strategy preferences, float anglers, 16047
visual aspects of apartments, preferences for design of multiple-family housing, residents of multiple-family & mixed & single-family neighborhoods, implications for planning, 2724
visually similar stimuli varying in temperature & tactile quality, preferences for & time spent with stimulus, domestic chicks, 26395

Pregnancy

abnormal pregnancy history & labor & delivery experience, physical abuse of children, mothers, 12037
age & attachment to mother & wife's anxiety regarding pregnancy, couvade syndrome, expectant fathers, Sweden, 6719
age of mother & SES & access to health care, pregnancy outcome & newborn & infant mortality, mothers under 16 to over 20 yrs old, 30823
alchohol consumption patterns, 14 to over 35 yr old Black & White pregnant females residing in urban areas, implications for risk of adverse fetal outcomes, 27131
alcohol & acetyladehyde blood levels, chronic alcoholic pregnant rats vs fetuses, conference presentation, 16645
alcohol consumption prior to & during gestation, serum progesterone & testosterone & plasma & pituitary luteinizing & follicle-stimulating hormones, female rats, implications for role of progesterone in alcohol-related placental enlargement, 26697
alcohol drinking during 1st trimester vs entire pregnancy & level of consumption, neonatal neurobehavioral characteristics, low SES mothers & their newborn infants, 27520
alcohol use during pregnancy, neonatal physical anomalies & size & behavior, disadvantaged females with vs without history of alcohol abuse & their newborn infants, 27230
attitudes & social networks & knowledge about contraception & reproduction, 13–20 yr old Mexican American vs White pregnant adolescents & mothers, 885
attitudes toward illness & decisions to become pregnant, pregnant females with circulatory deficiencies, 1518
attitudes toward sexuality & interest in sexual activity, primiparous & multiparous females during pregnancy & 1st postnatal year, 1-yr longitudinal study, 27095
characteristics & treatment with neuroleptics, patients with postpartum catatonic-oneiroid episodes of schizophrenia, 20395
chemical dependence, clinical depression, 17–19 vs 20–25 vs 27–36 yr old pregnant females, 11862
cocaine, pregnancy & neurologic behavior of newborn, female users of cocaine &/vs narcotics vs methadone enrolled in perinatal-addiction program, 24756
cognitive & moral development & legal competency to make informed decisions about birth control & pregnancy, adolescents, 29863
concordance for excessive smoking & alcohol & caffeine consumption during pregnancy, identification of families at risk, spouses, Israel, 27540
coping strategies for dealing with stress induced by pregnancy following recent stillbirth, parents, 27648
cyclic patterns of spontaneous motor activity, human fetuses during 21–41 wks of gestation, 26804
diagnosis of fetal malformation late in pregnancy, emotional state during remaining pregnancy & delivery & attitude toward future reproductive life, females assessed 7 mo to 3.2 yrs postpartum, 15239
diaphragm use, pregnancy occurrence & factors related to successful use & service utilization patterns, female college students, implications for service organization & delivery, 25380
disturbances in early mother child relationship & illegitimate pregnancies & abortion, adolescents & 32–49 yr old female patients, 19669
early childhood sibling loss, psychosexual development & separation anxiety & survivor guilt & self esteem & pregnancy issues, female analysands, 30571
echography, fantasies, maternity ward patients, 9974
etiological factors in epidemic of teenage pregnancy & need for sex education in schools, 2413
experience during pregnancy & structural organization, expectant mothers & their infants, 5-yr longitudinal study, 8669
factors & consequences & treatment methods & solutions to adolescent pregnancy problems, counselors, 2042
family therapy, marital issues centered on pregnancy, expectant families, 30626
feminism & sexual issues in high risk reproductive & childbearing situations & role of perinatal social workers, 15309
food cravings & related symptoms during pregnancy as manifestations of personal & cultural symbols & underlying psychological problems, females, Sri Lanka, 30827
general anesthesia & ECT & chlorpromazine delivered during pregnancy, patient's psychotic symptoms & fetal development, 33 yr old psychotic female & her newborn, 22390
heavy vs moderate maternal alcohol consumption during pregnancy, fetal alcohol syndrome & fetal damage & functional deficits in early childhood, 20213
high medical risk pregnancy, development of mother-child relationship, mothers who underwent high risk pregnancy, 1- & 4- & 12-mo followup, 8983
home correspondence smoking cessation program, 16–35 yr old pregnant females who were current smokers or who quit at pregnancy onset, 7479
hospital-based program of pre- & postnatal & infant care & parent education, drug addicted females & their infants, 10166
importance of antenatal care counseling, employed pregnant females, 30805
incidence & characteristics & treatment of nausea & vomiting, teenagers during 1st trimester of pregnancy, 27529
individual vs group housing, physiological & behavioral responses, pregnant pigs, implications for animal welfare, 16340
long intromissions during copulation, pregnancy & litter size, virgin & multiparous female golden hamsters, 8336
marital relations & pregnancy problems, prediction of postpartum depression & mother-child interaction & childrearing attitudes, mothers & their infants, 9238
maternal age & parity & social class, perinatal & neonatal mortality, mothers, Scotland, 1960 vs 1971 vs 1981–82, 20147
maternal alcohol & nutritional status, fetal growth & development, pregnant rats, 701
maternal methadone maintenance during pregnancy, physical & neuronal & psychomotor & cognitive development, infants, 24-mo longitudinal study, reprint, 30277
maternal use of alcohol, fetal talipes equinovarus, pregnant problem drinkers & their neonates, 4139
medical & moral issues, phencyclidine abuse, females who bear children, conference presentation, 30280
methadone maintenance during pregnancy, intervention techniques for drug counselors, case examples, 22801
methadone metabolism & withdrawal symptoms, pregnant females in methadone maintenance program, 7493
model of parental orientations toward pregnancy & parenthood, mothers vs fathers, 24314
moderate immobilization stress throughout pregnancy, birth weight & reproductive behavior of offspring, rats, 21404
morality & religious attitudes & commitment & beliefs about birth control & abortion & family planning, decision to accept vs reject amniocentesis, pregnant females, 30838
mother's own sibling relations, relationship with 1st born & preparation of daughter for newborn sibling, mothers pregnant with 2nd child, 6206
neuropsychological assessment of Wernicke's encephalopathy induced by hyperemesis gravidarum treated by iv feeding without vitamin supplementation, pregnant 19 yr old, 12213
obstetric medications, physiological responses & behavior, neonates, 30702
oral iron therapy, short term memory & attention span, 14–24 yr old pregnant females, 30733
outcomes of pregnancy & parturition, patients with myasthenia & their offspring, 5–20 yr followup, 6747
patterns of caffeine consumption before & during & after pregnancy & effect on infant, females, 9081
perceived stress & attitude toward baby & social support networks & support from husbands, emotional adjustment, 23–28 yr old females at 35 wks gestation vs 3 mo postpartum, 11632
personality correlates of physical reaction to prolactin, maternity patients, 4-yr longitudinal study, 9899
personality differences on MMPI, primigravida vs multigravida vs sexually active nonpregnant unmarried females, 17258

physical symptoms & psychological correlates at 3–5 vs 6–8 vs 9 mo of pregnancy vs postpartum, pregnant females & their husbands, 22008
physical trauma & despondency & surgical intervention during pregnancy & childbirth, female clients seeking psychoanalysis, 25350
platelet imipramine binding, females during pregnancy & postpartum, 7333
postmating exposure to bedding of strange vs familiar male, pregnancy blockage & subsequent gestation periods, female deer mice in postpartum estrus, 8421
pregnancy & motherhood as potential positive event & enhancer of maturation, adolescents, 29674
pregnancy, casework, female social worker, 30909
pregnancy, seizure threshold & valproic acid vs phenobarbital vs carbamazepine vs phenytoin disposition & efficacy, late gestation mice, implications for humans, 19383
pregnant therapist, transference in therapeutic relationship, illustrative cases of schizophrenic 29 & 31 yr old males, 27757
prenatal & parenting behavior information needs, physicians vs pregnant adolescents, 30821
prenatal anxiety level, perception of labor pain & postpartum mood, 18–32 yr old primiparous females, 20461
prenatal prediction of child abuse & neglect, females at 3–6 mo of gestation, 2–2.5 yr followup, 12085
problems & emotional demands & prevention of pregnancy, adolescents, Spain, 785
provider continuity, pregnancy complications & patient satisfaction, pregnant 17–36 yr olds, implications for family practice, 25355
psychoanalytic interpretation of myth of Psyche as relates to psychodynamics of pregnancy & motherhood, 12643
psychometric measures antenatally vs at 6 wks postpartum, prediction of self rating of depressed mood up to 12 mo postnatally, pregnant females, 19899
psychopathology & prognosis of puerperal psychoses, patients, 19950
psychosocial childbearing stress, metabolic control assessed by plasma glucose & urinary ketones & glycosylation of hemoglobin, diabetic pregnant 27–38 yr olds, conference presentation, 4099
psychotropic drug use during pregnancy & lactation, literature review, conference presentation, 9879
race & parity & prenatal care & SES & home environment, labor & delivery complications & birth weight & cognitive & motor development, Black vs White adolescent vs adult mothers & their infants, longitudinal study, 21688
reactions to therapist's 1st pregnancy, psychotherapy clients, 27786
response to hemoglobinopathy screening & genetic counseling in prenatal care, mothers at risk for delivery of thalassemic child, 22632
risks of antidepressants vs antipsychotics vs anxiolytics vs lithium during pregnancy, 15145
role of school psychologist, counseling for stress related to pregnancy & homosexuality, junior high & high school students, 5009
school-based child care & education in contraception & sexuality & parenting skills & counseling services, pregnant & parenting adolescents, literature review, 28605
sires, strategy in retaining vs reabsorbing pregnancy, female meadow voles, 16382
sleep terror, 23 yr old pregnant female treated with diazepam, 17672
social class & drugs & ecological extremes, fetal body size & shape & composition, 8660
social marketing approach, pregnancy & contraceptive usage & attitudes, adolescents, 7338
social support & perception of pregnancy, alcohol consumption during pregnancy, Black prenatal patients aged less than 25 yrs old, 19784
stimulus deprivation & relaxation training, nausea & vomiting associated with hyperemesis gravidarum, 19 yr old female in 7th wk of gestation, 20366
stress resulting from advice to abstain from alcohol before & during pregnancy, fetal damage, 20108
stressful life events & social support, depression during pregnancy & puerperium, married females, 30193
test-retest reliability of self reported estimates of alcohol consumption during pregnancy, recovering female alcoholics, 1409
therapist's pregnancy, therapeutic processes, preoedipal 23 yr old female patient, 1754
treatment of psychosocial needs during each stage of in utero treatment of fetus, family, 18221

Pregnancy (False) [See Pseudocyesis]

Prejudice [See Also Religious Prejudices]
anti-Black prejudice & discrimination, elevated levels of neurotic symptomatology, 18–64 yr old urban Whites, South Africa, 6191
attitudes & concerns about male child care workers, female graduates of child care program, 2026
categorization vs particularization approach to prejudice, 1141
correlations between measures of symbolic racism & prejudice & personality & sociopolitical attitudes, measurement of continuity & change in racism & interracial contact, White voters & rural residents, 11602
model for effects of prejudice &/vs symbolic racism &/vs rational choice, opposition to busing & mediation by expected costs, Blacks vs Whites, 14282
negative attitudes & prejudices & consequences for psychiatric patients, helping professionals, 25642
normative & social structural explanations for changes in racial tolerance, 1958–78, 21814
positive prejudice, attitudes toward ethnic minority, college students as members of majority ethnic group, Australia, 6198
prejudice in psychiatry, depressed 44 yr old female patient, 9723
prejudice levels & accented speech of test taker, scoring of ambiguous WISC-R responses, 17–56 yr old test scorers & White vs Hispanic children, 23130
prejudicial attitudes, verbal communication & written discrimination responses to Black & White clients, Black vs White counselors, 18233
psychological aspects of slavery & colonialism, conference presentation, 21807
simulation & games, learning about & changing cultural prejudices & discrimination, 17040
social & psychological factors of hostility & prejudice between ethnic groups, immigrants vs migrants, 11594
strongly biased pretrial publicity & personal bias, severity of verdict & sentence, former jurors hearing evidence from child molestation case, 6246
sudden onset of anti-Chinese prejudice, 4 yr old female in analysis, 17882

Preliminary Scholastic Aptitude Test [See Coll Ent Exam Bd Scholastic Apt Test]

Premarital Counseling
emotional & psychosocial differentiation from family of origin in premarital preparation process & Christian perspective, 14314
marital & premarital counseling centers, marital & parenting education, Czechoslovakia, 30918
mate selection in premarital education & training course, clinical psychology & pastoral counseling students, 31120

Premarital Intercourse
disturbances in early mother child relationship & illegitimate pregnancies & abortion, adolescents & 32–49 yr old female patients, 19669
immigrant vs native status & educational & occupational background & location of workplace, attitudes toward premarital sex, widows & spouses aged 60–70 & spouses between 19–30 yrs old, Hungary, 14406
individual differences in perceptions of others' beliefs regarding proper premarital sexual behavior & in own behavior & in perception of others' behaviors at dating stages, male vs female students, 24438
premarital cohabitation & marihuana & illicit drug use & religiosity in adolescence, commitment to traditional roles & lifestyles, males vs females with mean age of 24.7, 27133
religiosity & premarital sex & sex role attitudes, coital frequency & use of contraceptives, 14–19 yr old rural high school students, 920
semantic counterconditioning, evaluation of premarital sexual behavior, unmarried middle class English speaking Roman Catholic 15–21 yr old female college students, Philippines, 21890

sex & education & church attendance & age, attitudes toward premarital sex, 17–69 yr olds, Australia, 19766
sexual & premarital attitudes, female & male college students, Iran vs Great Britain, 29925
stage of dating relationship, intimacy behavior & expectation of peer behavior, pregnant female 16–19 yr old abortion clinic clients vs 17–19 yr old female student nurses, 26890

Premature Birth

academic development & performance, full- vs preterm infants, 13-yr longitudinal study, West Germany, 31239
access to pacifier, behavioral state & motor activity, preterm 2–9 wk olds vs full-term neonates, 16966
age & varying intensity of auditory stimulation, brain stem responses, 29–41 wk old preterm infants, 6031
Bayley Scales of Infant Development, characterization of abilities, full-term & preterm 1 yr olds, 773
beneficial effects of supplemental tactile & auditory & vestibular & gustatory & multimodal stimulation, preterm infants, literature review, 25358
birth status & early mother-child interaction, cognitive & social ability, 3 yr olds, longitudinal study, 745
birth weight & prematurity, academic achievement, children, literature review, 15767
chronological vs adjusted age in assessment of motor development, pre- vs full-term 12 mo olds, 16942
clinical & immunological & biochemical correlates, premature infants with mental retardation, 6690
cognitive development, premature infants English- vs Spanish speaking families followed to 8 yrs of age, longitudinal study, 21693
cross-modal & intramodal transfer as predictors of mental development, preterm vs full-term infants, longitudinal study, 8778
development of expressive behaviors & maternal face-to-face interaction, 2.5 vs 5 vs 7.5 mo old full- vs preterm infants, 21783
development of nonnutritive sucking during active sleep, 30–35 wk old healthy preterms, 19601
development of sleep cycles, premature infants, conference presentation, 3380
early home development vs parent-infant intervention, cognitive development at 4 vs 8 vs 12 vs 16 mo of age, preterm infants, 18138
early mother-infant interaction, attachment behavior at 6 wks vs 3 vs 6 vs 9 mo, preterm twins vs singleton survivors of twins vs singletons & their mothers, 16989
EEG, premature infants, 6–8 mo followup, 3369
fetal-newborn complications, motor & cognitive deficits, high risk premature & mature infants tested at 1 yr, 27610
growth & development during 1st 18 mo, preterm infants, 3381
intraventricular hemorrhage & respiratory distress syndrome & visual attention skills, low birth weight preterm 7 mo olds, 14857
joint attention behaviors in videotaped interactions with mothers, high vs low risk preterm vs full-term 6 mo olds, 24198
labeling as full- vs pre-term, maternal relations with unfamiliar infants & stereotyped attitudes, 20–34 yr old mothers & male vs female college students, 21844
mathematical model dealing with neurobehavioral assessment, assessment of development, preterm 25–35 wk olds, longitudinal studies, 77
measurement of developmental & behavioral characteristics, premature or low birth weight 27–35 wk olds at risk for developmental disorders, 29543
mother's psychosocial history & perinatal events & infant behavior, interaction with infant in nursery & during 1st 3 mo at home, 16–38 yr old mothers of low birth weight infants, 1012
neurological functioning at 40 wks gestational age, low birth weight infants born at 23–27 vs 28–31 vs 32–36 wks gestational age, 27650
predictive validity of early visual measures, assessment of subsequent cognitive outcome, preterm infants tested from 6–40 mo & at 6 yrs, 161
predictors of survival & normal neurodevelopmental outcome, infants weighing 1000 g or less at birth tested at 6 & 9 & 12 & 18 & 24 mo postnatal age, 27666
premature birth with necrotizing enterocolitis vs other serious illness, parental perceptions of later physical & emotional development, 1–4 yr olds, 25015
prematurity & quality of attachment, affective responses in strange situation, 30–36 wk olds & their mothers, 6122
rhythmicity of face-to-face dyadic interaction, 18–35 yr old mothers & their term vs preterm infants 36 & 76 hrs after birth, 26981
sleep state organization & EEG patterns & home environment & caregiver-infant interactions & IQ, premature infants tested at term date & up to age 8 yrs, longitudinal study, 26809
sleep state organization, full-term vs preterm vs small-for-gestational-age neonates, 3470
structural & functional features of productive language during semistructured activities with mother, full-term vs medical at risk or premature 2 yr olds, 17295
surface-recorded auditory EPs, early diagnosis of hearing loss, neonates & premature infants, 20162
tactile/kinesthetic stimulation, sleep/wake behavior & activity level & weight gain, preterm neonates, 24150
temperament, 4–8 mo olds born at less than 37 vs 37–41 wks gestation, Australia, longitudinal study, implications for infants at risk for temperament & behavior problems, 26928
utility of optokinetic nystagmus & preferential looking & visual EPs as clinical diagnostic techniques, low birth weight premature infants with visual impairments, 17636
validity of scoring systems of PREMIE vs Brazelton Neonatal Behavioral Assessment with vs without additional preterm items, low birth weight preterm infants in acute & recovery stages of cardiorespiratory illness, 16184
vestibular stimulation through waterbed flotation, approach & avoidance behaviors, premature infants, 15251
visual EPs & visual acuity, neurologically normal vs abnormal premature infants, 12260

Premature Ejaculation

contraction exercises & mixed behavioral treatment with bibliotherapy, orgasmic problems & premature ejaculation, 18024
current techniques & recent developments in treatment methods, males & females with orgasmic dysfunctions or vaginismus or premature ejaculation or erectile dysfunction, literature review, 20281
definitional complexity & etiological factors & current assessment & treatment methodologies, premature ejaculation, literature review, 12274
diagnosis & treatment of low sexual desire & erectile dysfunctions & premature & inhibited ejaculation, males, literature review, 30425
evaluation & treatment of sexual dysfunction, 16–18 yr old males, 14930
physical & pharmacological & psychological causes of secondary premature ejaculation, 1669

Premenstrual Tension

caloric intake, premenstrual tension syndrome symptoms, 20–30 yr old females, 24899
clinical diagnosis & classification, premenstrual changes, conference presentation, 27570
counseling for crisis coping strategy, female sufferers of premenstrual syndrome & their families, 12468
definition & psychological & physical symptoms & prevalence, premenstrual syndrome, 9575
differential diagnosis, premenstrual syndrome vs affective disorders, conference presentation, 24589
etiology & symptoms & treatment of premenstrual syndrome, human females, review of research, 14839
etiology & treatment & relationship to psychiatric illness of premenstrual syndrome, legal implications related to possible diminished capacity, 9495
etiology of premenstrual syndrome, literature review, conference presentation, 27518
expectancy information about biological vs psychological cause of premenstrual symptoms, mood & cognitive function & mother-child interaction at midcycle & premenstrually, 25–40 yr old females with 2–4 yr olds, 30388
hormones & neurotransmitters, etiology of premenstrual tension syndrome, 6799
hormones, premenstrual symptomatology & behavior, implications for premenstrual syndrome, 20130
medical treatment of premenstrual syndrome, conference presentation, 28044

methodological considerations in research on premenstrual changes, 6788
pre- vs post-menstruation stage, neuroticism & psychoticism & extraversion & anxiety, 20–30 yr old females, 29333
premenstrual dysphoric changes, females with major depression or related to patients with major affective disorder, 9256
progesterone, 20–45 yr old females with moderate to severe premenstrual symptoms, 27934
pseudocholinesterase serum levels & trait anxiety, 21–40 yr old females with premenstrual syndrome, 6774
research on premenstrual syndrome & its symptoms, conference presentation, 27658
type & prevalence of lifetime psychiatric illness, females with vs without premenstrual mood disorder, 9522
Premorbidity
age at 1st hospitalization & premorbid social competence & developmental categorization of symptomatology, patients with major affective vs personality disorder vs neuroses, 9249
efficiency of CNS as indicator of ability to cope with stressful life situations & Type A behavior, cardiovascular disease patients aged 42 yrs or less vs 43–52 yrs, conference presentation, 12172
family history & subsequent schizoid personality & diagnosis validity & symptoms, 5–14 yr old males with schizoid personality, 10-yr followup, 1402
frequency & nature of dysfunctional disorders preceding onset of schizophrenia, 16–45 yr old schizophrenic outpatients, 6616
genetic & environmental & premorbid predictors, schizophrenia, 30120
hearing & premorbid paranoid or schizoid personality, patients with paranoid states vs unipolar depression vs schizophrenia, 12022
National Adult Reading Test & Mill Hill Vocabulary Scale—Synonym section scores, estimation of premorbid intelligence & severity of dementia, 65–86 yr olds with Alzheimer's disease vs multi-infarct vs mixed etiology dementia, 27640
perception of premorbid stress experiences, drug abusive vs non-drug abusive adolescents classified as socially maladaptive vs psychasthenic, 17319
premorbid life situation & social adjustment, schizophrenic 15–40 yr olds, 9267
premorbid personality characteristics & family relations revealed during intensive psychotherapeutic intervention, adult females with history of adolescent anorexic episodes, 12362
premorbid personality characteristics, patients with schizophrenia, literature review, 3806
premorbid personality, patients with Parkinson's disease, literature review, 4207
premorbid personality traits & persistence of symptoms, patients with anxiety neurosis, 19993
premorbid personality traits, patients with unipolar vs bipolar affective disorders, 19896
premorbid social competence & psychiatric outcomes, male vs female 1st-time admission psychiatric patients with affective vs personality disorders vs neuroses, 22714
process vs reactive & chronic vs acute schizophrenia & age of onset & neurological impairment, premorbid adjustment, 18–65 yr old White males, 17352
prognostic validity of premorbid adjustment measures, schizophrenic & psychotic patients, 5-yr followup, 8094
variables of premorbid functioning & family functioning & genetics, prediction of outcomes differentiated by 0–9 vs 10–19 vs 20 or more yrs followup interval, schizophrenic 16–55 yr olds, conference presentation, 14952
Prenatal Development [See Also Embryo, Fetus]
alcohol before & during gestation vs gestation only, neurobehavioral development & activity & appetite learning, rat dams & their offspring, 8529
alcohol consumption, fetal development, pregnant females, 9593
alcohol drinking during 1st trimester vs entire pregnancy & level of consumption, neonatal neurobehavioral characteristics, low SES mothers & their newborn infants, 27520
alcohol exposure during pregnancy, formation of functional neuronal networks in developing nervous system, humans & rats, 20194
alcohol use during pregnancy, neonatal physical anomalies & size & behavior, disadvantaged females with vs without history of alcohol abuse & their newborn infants, 27230
anticholinergic scopolamine & methscopolamine bromide, spontaneous alternation & shuttle avoidance learning tasks, rats exposed to alcohol in utero, 21581
atypical fetal growth patterns, performance on Brazelton Neonatal Assessment Scale, neonates with gestational ages of 37–42 wks, 16931
chronic methadone treatment of females throughout gestation & lactation, self administration of morphine, 85–90 day old rat offspring, 16658
cocaine, pregnancy & neurologic behavior of newborn, female users of cocaine &/vs narcotics vs methadone enrolled in perinatal-addiction program, 24756
devocalization during embryonic development, development of preference & recognition of species maternal call, Peking ducks, 358
diphenylhydantoin & trimethadione & phenobarbital, delayed development & hyperactivity & impaired learning & brain amino acids, rats & their prenatally exposed offspring, conference presentation, 29486
dosage of perinatal caffeine, righting reflexes & swimming ability development & motor coordination & muscle tone, female rats & their offspring, 29466
echography, fantasies, maternity ward patients, 9974
ethanol during gestation, gamma glutamyl transpeptidase activity in sera, neonatal rats, implications for fetal alcohol syndrome, 8600
ethanol pretreatment & dextroamphetamine vs alpha methylparatyrosine, hyperactivity, pregnant rats & their offspring, implications for fetal alcohol syndrome, 29390
experience during pregnancy & structural organization, expectant mothers & their infants, 5-yr longitudinal study, 8669
exposure to methadone in utero, behavior, neonates assessed at 19–96 hrs & 19–37 days of age, 14552
fetal-newborn complications, motor & cognitive deficits, high risk premature & mature infants tested at 1 yr, 27610
general anesthesia & ECT & chlorpromazine delivered during pregnancy, patient's psychotic symptoms & fetal development, 33 yr old psychotic female & her newborn, 22390
gestational & neonatal styrene administration, spiroperidol binding to dopamine receptors & behavioral activity, rats, implications for safety in plastics industry, 8630
gestational exposure to alcohol & dehydration, fetal growth retardation, female rats, 16692
heavy vs moderate maternal alcohol consumption during pregnancy, fetal alcohol syndrome & fetal damage & functional deficits in early childhood, 20213
hypothyroidism induced by pre- & postnatal administration of propylthiouracil, auditory function & EPs, rats, 23982
impact of alterations in neuropeptides & similarity to effects of perinatal psychotropic drug exposure, brain development, literature review, conference presentation, 29389
ingestion of aluminum hydroxide vs shock-induced stress during gestation, birth related & developmental effects, female rats, 13878
injection of ethanol with vs without indomethacin into air sack of egg, tissue prostaglandin & growth retardation, chickens, 26722
intensity & repetition of auditory stimulus, cardiac & motor responsiveness, 37–40 wk old fetuses, implications for hearing test, 19378
intrauterine experience & dynamics of later eating disorders & treatment, anorexic & bulimic females, 20178
intrauterine exposure to phenylalanine, biological & behavioral consequences, infant offspring of female rhesus monkeys, 8596
intrauterine exposure to polychlorinated biphenyls from fish consumption, birth size & gestational age & behavior, newborns whose mothers were vs were not exposed, implications for later development, 30413
knowledge of alpha-fetoprotein test in prenatal screening, midwives, Sweden, 10250
maternal adrenal glucocorticoid & prenatal exposure to ethanol & acute stress & adrenalectomy & corticosterone level in milk, pituitary-adrenocortical & behavioral activities, female rats & their offspring, conference presentation, 29381

maternal alcohol & nutritional status, fetal growth & development, pregnant rats, 701
maternal nicotine, development of sites for nicotine binding in fetal brain, rats, 26676
maternal phenylketonuria induced by parachlorophenylalanine & phenylalanine or phenylacetate, retarded brain development, rat pups, 26698
moderate immobilization stress throughout pregnancy, birth weight & reproductive behavior of offspring, rats, 21404
morality & religious attitudes & commitment & beliefs about birth control & abortion & family planning, decision to accept vs reject amniocentesis, pregnant females, 30838
patterns of caffeine consumption before & during & after pregnancy & effect on infant, females, 9081
perinatal hypothyroidism & methimazole, spontaneous locomotor behaviors, postnatal & adult rats, 5828
pre- & postnatal exposure to methylazoxymethanol, ECS thresholds & locomotor activity & neuronal development, pregnant rats & their offspring, implications for developmental model of neurotoxicity, conference presentation, 29433
pre- & postnatal lead exposure, zinc & copper & calcium levels & locomotor activity & number of dopaminergic & GABAergic receptors, female rats & their offspring, implications for lead intoxication in children, conference presentation, 29383
pre- & postnatal perception of infant temperament, 22–38 yr old mothers vs fathers, 6163
preference for alcohol, adult offspring of alcohol-fed pregnant rats, conference presentation, 16771
preferences for response to music & presence of intelligence, unborn fetus, 26847
prenatal & early postnatal testosterone, development of urinary behavior from birth to adulthood, male & female beagles, 683
prenatal & postnatal haloperidol exposure & apomorphine, stereotyped behavior & locomotor activity, female rats & their offspring, conference presentation, 29403
prenatal administration of methylmercuric chloride, behavior & neuropathology, mice, 16666
prenatal administration of valproate, congenital malformations, mice, implications for animal model of spina bifida, 29464
prenatal alcohol exposure, body & brain weight & development, mice, 3275
prenatal alcohol exposure, neural & behavioral alterations, rat pups, 5905
prenatal alcohol exposure, pup-induced maternal behavior, adult vs juvenile male vs female rats, 19420
prenatal alcohol exposure, testicular & adrenal function, rats, comments on study by R. F. McGivern et al, 11339
prenatal alcohol exposure, testicular formation, rats, reply to criticism by S. B. Sparber, 11315
prenatal androgens & neonatal castration, parental behavior toward infants, 3–4 yr old male vs female rhesus monkeys, 3226
prenatal antiandrogen flutamide or propylene glycol & subsequent gonadectomy & im estradiol benzoate, estrogen-activated female sexual behavior & muscarinic binding in hypothalamus, male rats, 21371
prenatal caffeine exposure, offspring mortality & open field behavior & development of gastric ulcer susceptibility in adulthood, pregnant rats & offspring, 8544
prenatal chlordiazepoxide, metrazol seizures & benzodiazepine receptor density, adult rats, 16631
prenatal crowding stress, attack & threat behavior, male mice, 598
prenatal diazepam exposure, functional deficits & neural alterations measured by auditory function & restraint stress tests, rats & their offspring, conference presentation, 29439
prenatal ethanol exposure & gamma-linolenic acid, behavioral development & reproductive outcome & body & brain weight & activity level, mice, 19511
prenatal ethanol exposure, acquisition of delayed conditioned taste aversion, infant rats, conference presentation, 16615
prenatal ethanol exposure, development of perforant pathway to dentate gyrus assessed by anterograde horseradish peroxidase, rats, conference presentation, 16609
prenatal exposure to diethylstilbestrol, sexual activity level & functioning, 17–30 yr old females, 30756
prenatal exposure to ethanol, enkephalin levels & ethanol preference, adult rats, 16712
prenatal exposure to ethanol, opioid vs nonopioid stress-induced analgesia, rats, 672
prenatal exposure to exogenous estrogen, sexual orientation, 17–30 yr old females, 4482
prenatal exposure to lead with resultant congenital lead poisoning with seizures & treatment, female neonate, 14832
prenatal exposure to methylazoxymethanol, apomorphine- vs haloperidol-induced stereotypy & catalepsy, rat pups, 29471
prenatal exposure to morphine, development of sexual behavior, male vs female rats, 3333
prenatal exposure to nicotine, male gonadal axis & sexual dimorphism of saccharin preference, rats, 21546
prenatal exposure to oxazepam, postnatal development & locomotor & behavioral responses & avoidance & discrimination responses, infant mice observed from postnatal 2 wks to 60 days, 26624
prenatal exposure to phenobarbital, hypothalamic & striatal dopamine & norepinephrine levels & brain stem tryptophan hydroxylase activity, mice tested at 8 vs 22 vs 50 days of age, 21626
prenatal exposure to polychlorinated biphenyls, visual recognition memory, 7 mo olds, 1581
prenatal hormonal events & prepuberal social rearing conditions, sexual behavior, male rats, 5775
prenatal injection of methylazoxymethanol acetate, holeboard exploration & shuttle behavior, rats, 16761
prenatal learning of preference for mother's voice, neonatal competence, neonates, 8740
prenatal malnutrition or environmental stress, development of sexually dimorphic nucleus of preoptic area, rats, 8385
prenatal stress, pup retrieval & number of hippocampal benzodiazepine receptors, female rats, 16467
prenatal through neonatal exposure to ethanol, development of olfactory bulb, mice, 11325
prenatal treatment with estradiol benzoate or diethylstilbestrol dipropionate, development of sex-related reproductive traits & behavior, female guinea pigs, 21527
prenatal treatment with 6-hydroxydopa & DSP 4, noradrenaline concentration in cerebral cortex & cerebellum & assays of ACTH & corticosterone & hyperactivity, infant rats, 26692
prenatal vs neonatal exposure to imipramine & desipramine & chlorimipramine & iproniazid & isocarboxazid, neonatal reflexes & open field behavior & avoidance responses & sexual activity, pregnant rats & their offspring, conference presentation, 29407
prenatal vs neonatal inhibition of ornithine decarboxylase, activity level & sexual behavior, pregnant rats & offspring, 8541
prenatal vs 6 mo postnatal perceptions of temperament, infant & maternal behavior, couples & their infants, 29859
quantitative vs clinical sucking behavior measures, diagnosis of alcohol & smoking effects, neonates, 2921
recordings of maternal vocalizations in amniotic sac vs bedside maternal flank, newborn responses to maternal bleats, lambs, 19296
responsiveness to hot plate stimulation, mature rats with prenatal exposure to levo-alpha-acetylmethadol or postnatal naloxone, 16695
social class & drugs & ecological extremes, fetal body size & shape & composition, 8660
sodium pentobarbital vs phenobarbital injections during pregnancy, offspring response to shock, female rats & offspring, 8575
stress resulting from advice to abstain from alcohol before & during pregnancy, fetal damage, 20108
testosterone propionate treatment during middle vs late gestation vs neonatal period, masculine copulatory behavior & ex copula phallic responses, male vs female rats, 14047
treatment of psychosocial needs during each stage of in utero treatment of fetus, family, 18221
ultrasound diagnosis of fetal malformation & subsequent abortion, psychological reactions, 25–39 yr old females assessed 6–34 mo post-abortion, 9983
utilization of prenatal medical care & physical & mental & behavioral consequences for offspring, drug addicted mothers & their children, 2- & 8- & 9- & 11-yr longitudinal studies, Denmark, 12081
Prenatal Developmental Stages [See Embryo, Fetus]

Preschool Age Children
abilities in expression of explicit & implicit meaning, preschool children, 6091
ability to adapt to delay & judgment of duration, 1.5–7 yr olds, 858
ability to adapt to delay & judgment of duration, 1.5–7 yr olds, criticism of study by V. Pouthas & A.-Y. Jacquet, 808
ability to conserve & scores on measure of cognitive development & use of syntactic structures, kindergartners & 2nd graders, 19617
ability to infer spatial relationships in large familiar environment, male vs female 3.2–4.2 vs 4.5–5.5 yr olds, 6062
ability to learn reading & writing, students before age 6, 2428
abnormalities in chromosome 15, 2 mo to 9 yr olds with Prader-Willi syndrome symptoms, 17584
abstracting & analytical & synthetic instructional activities in mother's verbal communication, learning language rules, female 18–27 mo old & her mother, 8766
academic achievement & IQ & neuropsychological functioning, 4.5–10.5 yr olds with arrested hydrocephalus, 22336
accompanying illustrations, comprehension of fiction, 3.2–3.7 yr olds, 6066
acoustic analysis of vocal fundamental frequency variability & duration, 11–25 mo olds grouped according to physical development, 3455
acquisition of emotion-descriptive adjectives, 18–71 mo olds, 859
acquisition of left-branching languages, preference for backward patterns of anaphora, monolingual 3–11 yr olds, Korea vs Japan, 29632
acquisition of morpheme "-ing" & overgeneralization of progressive form to stative verbs, 4.2–6.5 yr olds, 839
acquisition of "much" & "many" linguistic mass-count distinction, 3.5–9 yr olds, 820
acquisition of sentient-nonsentient & animate-inanimate distinction, 4.2–4.9 vs 5.3–5.8 vs 6.3–6.7 vs 7.3–7.7 yr olds, implications for causal reasoning & social cognition, 870
adaptive behavior & cardiac indices of orienting & habituation & associative learning, noninstitutionalized developmentally disabled 1–6 yr olds, 27483
adjective polarity & negative vs positive form, comprehension of comparison sentences, 4–6 yr olds, France, 14145
adult guidance & cognitive restructuring, construction of model of large scale space with space on view, 4 yr olds, 19599
affirmative vs negative context, understanding of "to know" & "to think" & modality of belief, 4–5 yr olds, France, 790
age & ambiguity & complexity of pictures, part/whole identification of pictures, 2–7 yr olds, 26852
age & context & understanding of word "more", performance on conservation tasks, 4–6 yr olds, 26844
age & level of causal reasoning & cognitive style, prediction of comprehension of safety & prevention, 3.2–8.9 yr olds, 26817
age & level of grammatical development & mean length of utterance in morphemes, 25–47 mo olds, 833
age & performance on manipulative subscales of Spanish adaptation of WISC, male vs female 5.5–8.5 yr olds, Spain, 29581
age & sex & environmental factors, social-cognitive aspects of play, 50–62 mo olds, 8885
age & sex & surviving parent's health status & sex, risk of psychopathology, 2–17 yr olds bereaved of 1 parent, 13-mo followup, 22018
age & sex, fulfillment of psychological needs by different games & sports, 3–14 yr old females vs males, 26940
age & sex of child & parental marital status, behavior problems, 2–17 yr olds in clinical setting, 30252
age & task conditions, placing-over vs pointing responses as communicative behavior, 1.5–5.4 yr olds & mentally retarded 6.9–12.6 yr olds, 854
age, ability to construct & reconstruct social event sequences, children with mean ages of 5.7 vs 7.5 vs 9 yrs from Dutch vs non-Dutch parents, Netherlands, 3445
age at entry to intensive behavioral intervention program, treatment outcomes, autistic children younger vs older than 60 mo, 7135
age, consistency of products in articulation development, 2.4–5.4 yr olds, 19613
age, conversational repair strategies in response to requests for clarification, linguistically normal 2.6–9.8 yr olds, 19577
age differences & cognitive processes, social decision making, 36–93 mo olds vs college students, 29678
age differences & positive vs negative consequences, allocation & distribution of punishment, 4–8 yr olds, 11500
age differences & verbal ability, response patterns to FI schedules of reinforcement, Ss aged 6 mo to 1.5 vs 2.5–4 vs 5–6.5 vs 7.5–9.5 yrs, 8699
age differences, ability to understand simultaneously occurring emotions, 4.8–14.9 yr olds, 3453
age differences, spatial problem solving, kindergartners vs 2nd vs 3rd graders vs college students, 6095
age, geometrization & attribution of meaning to motion, 4–11 yr olds, 14146
age of gross motor milestone attainments during 1st 2 yrs, IQ, 3 yr olds, longitudinal study, 29584
age, primary process content & use of drive & concrete & emotional words & lexical diversity in spontaneous fantasy narratives, male vs female 2–11 yr olds, 29658
age, understanding uncertainty in physical nature of random phenomena, 3–5 & 7 yr olds, 26835
age vs verbal ability, understanding of story as literature vs conversation, 3–5 yr olds, 29620
aggressive/assertive acts & peer & teacher responses, male vs female 18–36 mo olds, 6119
analysis of drawings of houses & stages of development, females from 4.5–10 yrs old, longitudinal study, 3395
analysis of word duration & pitch perturbation & within-word phonetic segments, female between 46–149 wks old, relevance to theories of phonetic development & language change, 8760
analytic contextual matching test, analysis of conceptual style & concept formation & matching behavior, 5–9 yr olds, 24143
animistic & natural science modes in perception of unusual phenomena, 4–6 yr olds, 16958
ankle flexion & ladder angle while climbing, 4–8 yr olds, implications for design of play apparatus, 19554
anxious patterns & quality of attachment during infancy, behavior problems, at risk Ss studied from 1–5 yrs old, longitudinal study, 6117
appraisal of personality characteristics of self & others, young children, 6106
assessment of individual & family system & community interaction, evaluation of problem behavior, preschool age children, implications for school psychologists & counseling, 23145
assessment of parent-child interaction in intervention programs, parents with handicapped infants & toddlers, 30526
assignment of moral responsibility & punishment for harm, 5 vs 7 vs 9 vs 11 yr olds, 16899
associative vs categorical organization of materials, free recall, kindergartners vs 4th vs 10th graders, 3425
attendance at high- vs poor-quality day care center, quality of interaction with mother, 3–5 yr olds, 24312
attitudes toward pets, 3–13 yr olds, 29711
attitudes toward TV programs & films that induce fear & fright, 5–8 yr olds vs 8–11 yr olds, 24102
awareness of inconsistencies in game instructions & willingness to question child vs adult, kindergartners through 6th graders, 29598
behavior & verbalization during TV viewing & relation to language development, 1.2–3 yr olds & their parents, 6–8 mo longitudinal study, 29622
behavior disturbances, 3 yr olds of mothers with vs without postnatal depression, 3-yr followup, 14668
behavior engagement, outcome measure for efficacy of intervention efforts, preschool mentally retarded & handicapped & at risk & nonhandicapped children, 7141
behavior in social situations & heart rate & heart rate variability & pupillary dilation to cognitive tasks, inhibited vs uninhibited 21 mo olds, 3.5 yr followup, 26936
behavior problems & sexual abuse, male vs female 3–12 yr olds, 22156
behavior problems & social competence, 4–16 yr olds from violent vs nonviolent families, 4052
behavioral & cognitive aspects of decision control, male vs female 4 vs 9 vs 14 yr olds, implications for socialization of powerlessness in females, 16888

behavioral management program, behavioral distress, 3.5–7 yr old cancer patients undergoing painful medical procedures, 4432
behavioral style, objective vs parental rating of activity level, 4–8 yr olds, 3548
biological & psychosocial risk factors, intellectual & personality development, 2 yr olds, followup studies at ages 6 & 10, 11388
birth order & age interval between siblings, patterns of interaction with sibling vs peers, preschool & school aged same- vs mixed-sex sibling dyads, 2nd followup study, 16969
birth status & early mother-child interaction, cognitive & social ability, 3 yr olds, longitudinal study, 745
books as toys vs for reading, infants & toddlers, bibliography, 8739
categorical interpretation of high & low, 3–5 yr olds vs college students, 26863
categorization & normalization of natural vowels produced by male vs female child, 2.8–3.4 yr olds, 19615
causal reasoning & developmental change, children during preschool years, 14140
causal vs temporal organization of clay manipulation task, memory of event, kindergartners vs college students, 26855
cause of target event & presence & timing of questions, inferences & recall, 4.5–5 vs 7.5–8 yr olds, 6088
cerebral lateralization for speech, severely to profoundly deaf 5–6 & 13–14 yr olds, 12240
changes in stance & gait, development of reflexes for movements necessary for maintenance of body equilibrium assessed by leg muscle EMG, 1–8 yr olds, 24117
characteristics of dimensions of self identity, 4–8 yr olds, Spain, 3503
characteristics of drawings, 3.5–17 yr old female incest victims, 12122
child behavior & maternal depression & social coercive interactions, maternal caretaking, normal mothers & their preschool children, 29838
child-centered play therapy, 4 yr old female with thumb sucking & extreme hair pulling tendencies, implications for school counseling, 9689
child life intervention, waiting behaviors in hospital emergency rooms, 4–14 yr olds & their families, 10060
child noncompliance & maternal depression, maternal perception of child maladjustment, mothers & their clinic-referred 27–108 mo olds, 19900
child temperament characteristics & maternal response to descriptions of behavior, mothers of 3–6 yr olds with Down's syndrome, 1473
child utterances, implicit vs explicit feedback responses & role of repetitions & clarification questions, mothers & their 2 yr old children, 29592
child's direction of drawing prior to writing & history of drawing & painting from right to left vs left to right side, 3–6 yr olds, 26832
child's IQ & level of aspiration & intervention strategies & parental SES & literacy level, development of early reading skills, 5.8–6.7 yr olds, Canada, 11418
child's perception of own vs adult's expectancies about emotional reactions to different experiences, college students vs preschoolers & 3rd & 6th graders, implications for development of affect, 11556
circumstantial cues in stories, inferences of motivation of actors & prediction of future behavior, White middle class 4.9–5.7 yr olds, Great Britain, 19571
class vs collection terms, use of cardinality rule, 3.2–4.6 yr olds, 3426
classification & category vs property inference of gender categories, male vs female preschool age children, 21700
classification & conservation of number & seriation tasks using nonverbal procedures, tasks developed by D. F. Lancy & G. T. Goldstein & relation to Piagetian cognitive development stages, kindergartners & 1st–2nd graders, 29588
classification of figurative stimuli into object vs position categories, 3–8 yr olds, 805
classification of word vs sound stimuli, English vs Afrikaans speaking 1st graders, South Africa, discussion of procedure by J. Downing & P. Oliver, 19573
classification skills, referential communication task performance, 5–10 yr olds, 19605
classroom organization, experiences, handicapped vs nonhandicapped 2.1–6 yr olds in mainstreamed setting, 15822
clinical analysis of physical & temperament development through drawings, male twins followed from 2 to 5.3 yrs of age, 3377
coded observation system, recording of exploratory & problem solving behavior in challenging play situations, 30 mo olds, 14168
cognitive & behavioral characteristics & interest in microcomputers, 4–5 yr olds little vs moderately vs highly involved in microcomputer use, 8747
cognitive & motivational influences, humor responses, White kindergartners vs 3rd graders, 14176
cognitive ability & social knowledge & sociability & independence from mother, children in day care vs with sitter care in home, 27002
cognitive development, premature infants English- vs Spanish speaking families followed to 8 yrs of age, longitudinal study, 21693
cognitive-developmental correlates of growth in peer skills, infants & toddlers, 21656
collaboration while playing with blocks, 3–5 yr olds, 16987
color matching & preference & naming, 1.5 vs 2.5 vs 3 yrs, 14201
color vs shape name learning, 3 yr olds, 797
combined home- & center-based transdisciplinary team early intervention program, developmental goals & learning motivation, 4 wk to 3 yr olds with moderate to severe disabilities, 2513
community-based parent-involved cultural enrichment program, cultural identity & self esteem, Japanese-American 4–12 yr olds, 25448
complete vs partial visual information, accuracy of aimed movements to visual targets, 1.5–8 yr olds, 26813
compliance & teticence vs oppositional behavioral symptoms, preschoolers with elective mutism, 30175
compliance vs predictability hypotheses & factors in aversive exchanges, 4–12 yr olds & their mothers, 21845
comprehension & appreciation of cognitively oriented humor, 5–6 yr olds, 14161
comprehension & production of explicit vs implicit directive forms, 3 vs 4 vs 5 yr olds, 8791
comprehension of actional vs experiential passive verbs, 1st & 3rd & 6th graders vs preschoolers, 867
comprehension of "big" & "tall" & "long" in judgment task, 3–4 vs 4–5 yr olds, England vs Netherlands, 29609
comprehension of causal connective "because" in increasingly complex sentences with vs without task instructions & modeling & memory props, preschoolers vs 1st vs 3rd graders, 6079
comprehension of cinematic montage, reconstruction of stop-animation televised segments, 3 vs 5 & 4 vs 7 yr olds, 865
comprehension of nonverbal metaphoric similarity, figurative language production & comprehension, 5 vs 7 vs 10 yr olds, 29593
comprehension of physical action vs mental verb passives, 4–11 yr olds, 8761
comprehension of relationships between time & speed & distance, comments on study by F. Wilkening, 810
comprehension of relationships between time & speed & distance, 5 vs 8 vs 10 yr olds vs adults, 875
comprehensive evaluation, autistic behavior, 5–17 yr olds in self contained unit in public schools, 23139
conception of food & development of trace vs associational contamination, 3.5–12 yr olds vs adults, 8779
conceptions of moral & social rules, 2.9–5.4 yr olds newly enrolled in day care vs following 18 mo of attendance, 778
concepts of gender differentiation & domain-specific social judgments, kindergartners vs 3rd vs 5th vs 8th graders, 6157
congruence between reference fields & name order in learning miniature artificial language, English speaking 3.6–4.6 yr olds & Fijian 3.5–6 yr olds, 19580
conservation tasks presented as reality vs appearance/reality format, incidence of conserving response, 4.7–7 yr olds, England, 14181
conservation vs relational learning in redundant-oddity task, kindergarten conservers vs nonconservers, 14190
consistency of affective states at learning & recall, recall ability, 4.6–5.6 yr olds, lack of support for state dependent theory, 29596

construct validity of Kaufman Assessment Battery for Children Sequential & Simultaneous Processing scales, male vs female 2.5–12.5 yr olds, 28970
construction of horizontal vs vertical vs diagonal lines & explanation of oblique effect, 5 vs 8 yr olds vs college students, 19594
content analysis of oral account & play rendition of same events, kindergartners vs 1st graders with literate vs oral speech styles, 11467
contextual orientation, reproduction of diamonds vs squares, 4–6 yr olds, 8710
contextual play technique, assessment of fears & worries, male vs female 5–6 yr olds, 8857
contracted-for reward, performance on various creativity tasks, 5–11 yr olds & female college students, 16972
control strategies & noncompliance in interactional behavior, abusive mothers & their preschool age children, 27433
conversation about past experiences, Spanish-speaking females at 21–38 mo of age, 14151
conversational participation & topic performance in free play situation, mothers & their 34–75 mo olds, 11462
conversational replies in interactions with adults, 2.8–3.5 yr olds with language impairment vs 1.4–1.9 yr olds with normal language development, 20101
coordination of displacements, 4–5 yr olds, 6-mo longitudinal study, 812
coping with fears of war & global threats, preschool age children, 26884
corrective feedback, initial vs final consonant deletion in utterances, 4 vs 5 yr olds, implications for reading education, 29587
correlation of social & object skills, normal 4–21 mo olds & handicapped 11–42 mo olds with mental retardation or other organically-based developmental delays, support for cognitive-level model of development, 14130
correspondence training, generalization & maintenance of verbal control over nonverbal behavior, 4 yr old female, 25216
cue significance & response regulation, learning of discrimination tasks, 3 vs 4 vs 5 vs 6 yr olds, 8697
cultural conventions for interaction, linguistic features of Quiche Mayan speech directed to children, adults & 1.8–2.8 yr olds, Guatemala, 19629
death anxiety incorporated into phase-related sleep disorder, 5 yr old female, 6869
death of father in war, bereavement behavior, 1–10 yr old normal kibbutz children, Israel, 11512
deep vs shallow level of processing & list length, time perception, kindergarten vs 2nd vs 4th vs 6th grade students, support for attentional & storage size time perception models, 29580
delivery of services & early intervention, handicapped & at risk infants & preschool age children, educational implications, 28554
dependence & strategy patterns, observation & imitation of model's behavior, kindergartners, 3475
depressed symptomatology & psychodynamics, male & female hospitalized vs outpatient preschoolers with suicidal thoughts &/vs behavior disorders, 28175
determination of cultural bias in Miller Assessment for Preschoolers, assessment of risk for communication disorders, male vs female Black vs White 3–5.5 yr olds, 26257
determination of rules used for inference of causal relationship, 3–4 vs 7–8 vs 11–12 yr olds, 21731
devastating external event, psychological differentiation of child & effect of differentiation on meaning & integration of event in psychic life, 3.6 & 2.3 yr olds who witnessed murder of mother & attempted suicide of father, 6149
development & sign-based perceptual abilities, deaf 5–9.9 yr olds, 20164
development & use of image magnifier system, visually impaired preschoolers to 4th graders, 24951
development of active other-directed & substitutive & multischeme pretend actions & utterances in play situations, 1st born 30 mo olds, Japan, 14238
development of analogical reasoning, average vs above-average 3–6 yr olds, 877
development of balance assessed by beam walking task performance, 3 vs 4 vs 5 yr olds, 19597
development of behavioral inhibition & heart rate in unfamiliar situations, 4 yr olds, longitudinal study, reprint, 29708
development of cognition of social status, kindergartners vs 1st vs 2nd vs 3rd graders, 26911
development of concepts of hardness as intensive physical quantity, 3–10 yr olds, 26865
development of economic reasoning, 4–5 vs 6–7 vs 8–9 yr olds, educational implications, 8783
development of explanation & its expression in storytelling & comprehension of narrative sequences, 5–10 yr olds, 24155
development of inference from focal idea to presupposed idea in elementary sentences, 2.8–4.1 vs 4.2–5.1 vs 5.6–6.3 yr olds, 824
development of knowledge about appearance/reality distinction, children, 21697
development of languages, French speaking 1–6 yr olds in Senoufo tribe subgroups, Ivory Coast, 24141
development of length & number conservation concepts, comprehension of linear measurement & its components, 63–78 mo olds, 29653
development of linguistic understanding of "more", 2.5–6 yr olds, 819
development of observational technique for recording play behavior, preschool age children, 93
development of peer commonality & adult conventionality in object term descriptions, kindergartners vs 2nd graders vs college students, 29567
development of personal space, 2–4 yr olds, 17006
development of preference for complementary vs taxonomic relationships, 3–15.5 yr olds, 11420
development of Preschool Behavior Checklist, screening emotional & behavioral problems, 26–58 mo olds, 21009
development of private speech, preschool & school age children, 26810
development of quantitative comparison ability, 5–6 vs 7 vs 10–12 vs 14–16 vs 18–50 yr olds, 6053
development of question asking, 4–6 yr olds, 6037
development of representational & communicative abilities, behavior & use of language during pretend play with adult, female from 18–32 mo old, 16894
development of sensitivity to semitone & diatonic structure in music perception, 9.1–11 mo olds & 4.2–5.9 yr olds, 26868
development of social & communicative rules & competent use of sign language & exploration of environment, prelingually deaf 1–3 yr olds, 1579
development of syntactic structures in speech, 1–5.5 yr olds, Israel, 29595
development of taxonomic organization of named vs pictured categories, 3 vs 4 vs 6 vs 8 yr olds, 8799
development of understanding of appearance-reality distinction, preschoolers, 26823
development of understanding of concept of number zero, 3–7 yr olds, 21739
development of verb phrase & predication as cohesive devices in narrative, 2–5 yr olds, 29582
developmental & cultural factors, drawings of family meal, 2–5 vs 6–11 vs 12–18 vs 19–98 yr olds, 3405
developmental abnormalities, 10 mo to 6.2 yr olds with full blown vs prodromal stage acquired immune deficiency syndrome, 27681
developmental perspective of postural control & growth of stability, 15–31 mo vs 4–6 vs 7–10 yr olds, 21732
developmental sequence of ignorance & false belief attribution, 3–6 yr olds, 26831
developmental test based on STYCAR sequences developed by M. D. Sheridan, neurodevelopmental assessment, children under 3 yrs of age, 10786
developmental trends & sex differences in self concept & self esteem judgments expressed in protocols, kindergartners through 12th graders, 8816
developmental trends of agonistic behaviors among friends & acquaintances, severely emotionally disturbed 21–31 vs 40–82 mo olds in intervention program, 17364
developments in cognitive psychology, assessment of advanced intellectual giftedness, preschool children, 28582
diagnostic & psychosocial variables of suicidal behavior, 5–13 yr old psychiatric inpatients, 17473
different situations, meaningful choices in intonation, 4.5–5 yr olds, 26872

differential utilization of looking vs naming vs rehearsing vs categorizing as mnemonic strategies, free recall task performance, preschoolers vs kindergartners vs 2nd graders, 21713
dimensional salience, form perception & speeded sorting of orientation, kindergartners vs 4th graders, 21716
dimensions used to attach meaning to emotional facial expressions, college students vs 2 vs 3 vs 4 yr olds, 11536
direct persuasion vs conflict mitigation coping strategies in conflict situation during play, male vs female 5 & 7 yr olds, 29725
discovery & management of intrusive medical procedures through play behavior, hospitalized chronically ill 2–6 yr olds, 10079
discriminant analysis of perceptual & motor & verbal skills, monolingual vs bilingual Hispanic 4 yr olds, 19628
discrimination between concepts of topic & subject in 1st language acquisition in Mandarian Chinese, 2–5 yr olds, Taiwan, 8711
distance at which child followed caretaker & adult's height & child's eye level, 14–45 mo olds, 24208
distance from child & eye contact & tone of voice during instruction giving, child's compliance to instructions, mothers & their 3–7 yr olds, 3386
distinction between rough & tumble play vs aggressive fighting & chasing in class, friendships, 3.9–4.7 yr olds, 24231
divorce & child's age & sex, father-child relations, visiting fathers & their 3–8 vs 9–18 yr olds, 5-yr longitudinal study, 1024
drawings & writings & interpretation of own writings, development of concept of writing system & meaning, 3.4–5.8 yr olds, Israel, 21736
drawings as indicators of perception of pain, 5–9 yr olds in ambulatory clinic with acute health problem, 28042
drawings of animals & development of space & form & perspective, 4.5–5.8 yr olds, 3440
drawings of family & Oedipus complex, 7–8 yr old pre-oedipal vs oedipal vs post-oedipal males vs institutionalized 4–5.5 yr olds, 3488
early bilingualism & psychosocial development, Italian-, English- & German-speaking children from birth to 5 yrs, 24106
early history & cognitive & social correlates of hyperactivity, 2.5–6 yr old preschoolers, prognostic implications, literature review, 9514
ecological features of supermarkets, disruptive behavior, 1–12 yr olds & their mothers, 8897
effects of physical & emotional abuse on development, guidelines for caregivers in foster or day care settings, preschool age children, 15298
efficacy of brief psychotherapy, preschool age children & their parents, 1757
efficacy of early intervention programs, handicapped preschoolers, meta-analysis, 15823
ego resiliency & egocentrism, 18 yr olds assessed at 3 vs 4 vs 7 vs 11 vs 14 yrs of age, longitudinal study, 29699
egocentric speech or talking aloud to oneself, 4–7 yr olds, 11411
emotional attachment to soft objects & child rearing & child development, children & their mothers, longitudinal study, 16999
empathy & presence vs absence of another person, sharing behavior, 6 yr olds, 16991
encoding & decoding of 2nd language information & optimal period of acquisition, bilingual 2–13 yr olds, implications for bilingual education, Czechoslovakia, 11405
English standardization of Boehm Test of Basic Concepts-Form A, measurement of mastery of concepts required to achieve in 1st yr of school, 3.5–7.5 yr olds, Great Britain, 28643
environmental quality of day care centers, social interaction with peers & teachers & solitary play & time on task & noninteraction, male vs female 4 yr olds, 23025
epidemiology of abdominal pain & psychiatric deviance, 5–6 yr olds, England, 22251
error correction strategies in manipulative play, 18 vs 24 vs 30 vs 36 vs 46 mo olds, 813
ethnicity & gender & age, peer preferences, Black vs White vs Hispanic deaf vs hearing 3–5 yr olds, 22291
etiology of disorder & role divisions within family, coping & support & locus of control, fathers vs mothers of 2–4.5 yr olds with developmental disabilities, 24587
evaluation of center-based educational & therapeutic intervention, cognitive development, 17–62 mo olds with mild to moderate cognitive delays, 2015
evaluation of father's discipline techniques, male vs female 5.3–7.5 vs 8.4–10.3 vs 11.3–13.4 vs 15.7–18.8 yr olds, 8900
evaluation of home- & center-based early intervention program, handicapped 6–142 wk olds, 2488
evaluation of Model Preschool Program for Children with Down Syndrome & Other Developmental Delays, handicapped 11 mo to 14 yr olds, 2531
event & verb tense & presence of context, attribution of coreference of personal pronouns with verbs "to say" & "to ask," Ss with mean ages of 5.5 vs 7.0 vs 8.5 yrs, 6077
event-related memory structures & cognitive development, 4–6 yr olds, 24128
examining during object manipulation as component of attention, 7–12 mo olds vs 3.5 yr olds, 16949
experience of cartoons, 5–6 vs 9 yr olds, 6040
experiential deprivation & CA & nature of stimuli, visual vs verbal recall & mnemonic competence, 5–8 yr olds, 29647
experimental methods, ability to adapt to delay & judgment of duration, 1.5–7 yr olds, reply to criticism by J. Crepault et al, 857
experimental methods, comprehension of relationships between time & speed & distance, reply to criticism of J. Crepault et al, 874
experimenter effects & adequate control groups in lure-retrieval paradigm, study of role of play in problem solving, 3.8–4.7 yr olds, experimental replication, 99
experimenter's actions & variation of Piagetian task's transformation type vs numerosity vs equality, performance on number conservation tasks, 5.5–6.8 yr olds, Yemen, 14147
exposure to novel monosyllabic nonsense word & referent, creation of lexical representations, 2.1–5.9 yr olds, 3420
facial & full-length ratings of peer attractiveness, prosocial vs aggressive behaviors, male vs female 2.8–5.6 yr olds, 6153
factor analysis of Bayley Scales of Infant Development, disadvantaged Black 12–21 vs 21–30 mo olds, 18906
familiarity with mirrors, capacity to identify reflected image, Bedouin-nomadic & Jewish 6–26 mo olds, Israel, 21721
family dynamics & quality of day care, compliance & self regulation, 18 & 24 & 30 & 36 mo olds, 16994
family education with vs without educational day care, intellectual development, at risk children from birth to 36 mo old, 2395
family influence with vs without day nursery attendance, development of noun vocabulary, 2.5–3 yr olds, Czechoslovakia, 11429
family relationships, stepfamilies vs 2-parent vs single parent families interviewed when eldest child was 2 or 5 or 10 yrs old, 26987
family risk factors, development of adjustment skills, 4 yr olds, longitudinal study of risk for mental disorders, 21743
family size & SES & child's temperament & childrearing practices, failure to thrive, organic vs nonorganic failure-to-thrive 3–72 mo olds & their 16–32 yr old mothers, 12220
family stress levels & lifestyles, dual-earner families with preschool age children, 27018
federal policy & state standards & requirements, infant & toddler day care, 12682
feedback of listener understanding of communication, understanding of message ambiguity & communicative performance, preschool age children, 6083
FORTRAN computer program, scoring of Toddler Temperament Scale, 2814
free play behavior & knowledge of play group membership, prediction of play behavior in cooperative games, nursery school children, 3485
free vs forced choice & retention interval in radial maze task, development of spatial memory, 18–71 mo olds vs college students, 3410
frequent changes between foster care vs institutional vs family environment in early childhood, personality & intellectual & social development & attachment, 5–18 yr olds, Denmark, 25436
fully vs partially ignorant partner & age, provision of information about observed toy actions, 3–3.5 vs 3.6–3.9 yr olds paired with 4 yr old partners, 29636
functional independence of mands & tacts, 3.4–5 yr olds, 8754

functional usage of language in verbal interactions with same-sex peer, male vs female White 3.6–5.3 yr olds, 19657
functionalist perspective of emotion & preverbal development of emotions, infants vs preschool age children vs school age children, literature review, 26882
functions of conversational repetition, 3–6 yr olds, 11443
general anesthesia, auditory middle latency vs brain stem response latencies, 1–4 yr olds, 22629
general knowledge &/vs experience, item vs order memory for preschool script components, kindergartners through 3rd graders who had vs had not attended preschool, 11438
generalizability of direct vs audio recorded observation, assessment of mother-child interaction, 18.3–37 yr old mothers & their 2–10 yr olds, 29831
generalization of implied vs explicit prohibitive instruction vs permission during free play, 50–73 mo olds vs 2nd graders, 3433
generalized schema & nodes as predictors of retention & recall of story & events of televised vs radio shows, preschoolers vs college students, 8738
Genevan vs Cattell-Horn conceptions of intelligence & early implementation of numerical solution aids, 4–7.9 yr olds, 19640
grasp of tonal structures of songs, 1 yr olds, 7-yr longitudinal study, conference presentation, 14149
group seriation training, acquisition & transfer of serial learning, kindergartners, 29618
growth of linguistic awareness, mono- vs bilingual 5 vs 7 vs 9 yr olds, 21684
hand hemisphere & hemisphere hemispace effect, tactual task performance, 3 vs 5 vs 8 yr olds, 19579
head directionality preference & placement of hand in left vs right visual field, prediction of right handedness, 3.5–6 yr olds, 8657
health check-ups by public health nurses, diagnosis & prevention of mental disorders, 5 yr olds, Finland, 12324
heart rate & modification of blink reflex during warning interval of simple RT task as assessment of attentional selectivity, 5 vs 19–29 yr olds, 24089
hierarchical categorization using typical & atypical exemplars from social & nonsocial superordinate categories within class inclusion paradigm, kindergartners vs 2nd vs 4th vs 6th graders, 834
high & stable vs low & variable heart rate, social behavior & motivational involvement in cognitive tasks, 3 yr olds, 907
home-based parental program, development of early language & reading skills, American Indians from birth to 4 yrs of age, Canada, 15680
imaginative play, logical capacities in multiplication of classes vs class inclusion vs spatial vs social perspective taking, 4–7 yr olds, 19624
imaginativeness & creative behaviors, preschoolers from single parent families, 14210
imitation & individual patterns of cognitive & emotional variables, psychomotor abilities & language development, 5 yr olds, 2-yr followup, 11449
improvisation in musical tasks, 2 vs 3 vs 4 vs 5 yr olds, 21698
impulsiveness, mothers with history of child abuse or neglect & their 48–70 mo olds, 20051
incentive value of item, sharing behavior, kindergartners & 4th graders, 19682
incidence of depression, 5–19 yr olds referred to mental health services, Poland, 19897
incidence of velar vs palatal fronting, 31–54 mo olds, 6072
independence & helpfulness & dependency & aggressiveness & friendliness, male vs female only vs non-only 5–7 yr olds, 948
individual characteristics & same vs opposite sex & newcomer to vs previous attendance at preschool, preferred vs nonpreferred social relationships, 40–48 mo olds, Italy vs West Germany, 3482
individual differences, attachment relationships & mental representation & security in strange situations, 12–18 mo olds, 4.5–5 yr longitudinal study, 6136
individual differences in mood & relation to gender & neonatal sex steroids, females vs males observed from 6 to 26 mo, longitudinal study, 21784
infant-mother attachment at 12 mo, style of interaction with stranger, 3 yr olds, 8867
inference of characteristics of person from their housing & automobile choices, preschool age vs school age children, 3495
inference of life status measures by stated attributes of living things, 4–11 yr olds & college students, 29640
information about common purchase events, memory structure, 4–5 vs 6–7 vs 9–10 yr olds, 24132
informational vs persuasive vs educational vs mixed TV messages, identification of message intent & believability, 4.3–11.3 yr olds, 26811
initiation of peer interactions, 3–5 yr olds, 6105
institutionalization & length of stay & age at entry, intellectual development, institutionalized 4–18 yr olds, Belgium, 2083
instruction stimuli vs verbalized contingencies, errors in conditioned reinforcement response chains, 3.3–5.5 yr olds, 26870
instruction to attend to layout of vs route through funhouse, spatial exploration & memory, 6–7 vs 8–9 yr olds, 11416
intellectual & social experiences in widely vs closely spaced infant-sibling dyads, sibling status variables & infant cognitive level, 1–7.8 yr olds, 24157
intensional knowledge of superordinate categories, 4.3–5.3 yr olds, 29646
interaction between mother & 1st born child before vs after birth of sibling, mothers & their 18–43 mo old 1st borns, 1005
interdisciplinary assessment & treatment, 8–67 mo old children with acquired vs congenital brain injury, 6920
intergenerational intervention, improvement of attitudes toward different age groups & mental handicap, 65–93 yr olds in community center vs 12–14.4 vs neurologically impaired 2–5.6 yr olds, 30879
interhemispheric transfer, completion of reversible operations, 4–5 yr old nonconservers, 11425
interpersonal style, cooperative behavior, 52–72 mo olds, 3523
interpretive complexity & clause structure & surface length of stimulus sentences, performance on toy moving & imitation tasks, 3.5–6.2 yr olds, 29648
interviewer interpretation of description of self, actual self esteem, 4–8 yr olds, 895
involvement in family development center program, developmental skills, abused 2.5–5 yr olds, 12473
involvement in family household tasks through preschool program, independence & self reliance & self concept, 4 yr olds, 28461
judgments of attribute importance weighting & categorization to word concepts, kindergartners vs 2nd vs 4th graders vs college students, 21728
judgments of grammaticality of transitive verbs in sentence pairs, 3–4 yr olds, 29612
kinds of social interaction in collaborative work vs individual work on spatial perspective problems, task performance & cognitive change, 5–7 yr olds, 14116
kinetic print in computer graphics, symbolic development, children up to 7 yrs old, 13337
knowledge structure & cognitive learning strategies, 4–5 vs 7–8 vs 11–12 vs 15–16 yr olds, 21681
language & speech intervention, clinical progress & psychological test results, 5–13 yr olds with language or psychomotor disorders, 28021
language acquisition in terms of syntax & semantics & use, 3–5 yr olds with severe to profound hearing losses, 9609
language differentiation, dual language acquisition, male bilingual infant, 4-yr study, 872
language interaction intervention project, facilitation of communication, mothers of children with Down's syndrome, 7150
language structure & concept formation, 16–42 mo olds, Israel vs Finland vs US, 3430
lead exposure, cognitive development, Black preschool age children, analysis of data from study by J. Perino & C. Ernhart, 3423
level of sequence knowledge, performance on state-comparison mental rotation vs movement recognition tasks, 5–13 yr olds, 29591
linguistic politeness, 5 vs 7 vs 9 yr olds, 744
literacy development, preschool age children, implications for early childhood education, 19626
long term planning in hypothesis testing in discrimination tasks, kindergartners through 3rd graders, 802
longitudinal intervention program, developmental status, normal vs handicapped vs at risk 3–31 mo olds, 6950
major depressive disorder, 2.9 yr old female, 17369

manifestations of "sense of ownership" & development of personal self, 3.3–5.7 yr old mildly & moderately retarded children, 30321
masculine vs feminine vs neutral toy choice, sex typed vs non-sex-typed social play behavior, male & female 51–63 mo olds, 8821
mastery behavior during early infancy, prediction of competence in early childhood, infants tested at 6 & 12 & 30 mo of age, 30-mo longitudinal study, 24138
mastery vs coping videotapes, anxiety & disruptive behavior, 5–7 yr olds undergoing restorative dental procedure, 28053
maternal affectionate & verbal & controlling behavior, development, 24–36 mo old biological vs adopted siblings, 26793
maternal condemnation of TV violence during mother & child TV viewing, perceptions of violence & aggressive behavior, 61–73 mo olds, extension of research by B. F. Fontes, 3521
maternal interview vs direct observation of 1st child's temperament & behavior before vs after birth of sibling, mothers & their 18–43 mo olds, 1006
maternal involvement in stable vs chaotic personal relationships, childhood development, 12–37 yr old mothers & their 1st born children, 2–5 yr longitudinal study, 29731
maternal language behaviors, language development, 2–2.5 yr olds, 29644
maternal language teaching & filial language learning & verbal interactions in home, 18–35 mo olds in dyads, 6075
maternal perception of infant at 1 mo of age assessed by Neonatal Perception Inventory, social-emotional development, 4.5 yr olds, replication of E. R. Broussard & M. S. Hartner's study, 928
maternal responsiveness & child compliance, 3.2–4.5 mo olds, 6231
measurement of daily verbal behavior & active basic vocabulary, 5–15 yr olds, 873
membership in low vs middle vs high caste, liking & interpersonal attraction, male vs female 5–12 yr olds from rural vs urban areas, India, 29751
memory capacity limitations in reasoning, 5.5–6 yr olds, 26827
methods for assessment of social & emotional behavior, preschool age children, 21670
modeling & counterconditioning & shaping & hierarchical approach, bibliotherapeutic behavior modification, 4–7 yr olds treated for fear of dark, 18017
modified operant differential reinforcement by mother, excessive verbal ruminations & negative emotional responding, 5 yr old female victim of sexual molestation, case report, 30691
mood quality & response intensity, prediction of behavior disorders, nursery school children, 5-yr followup, 1460
moral vs lexical judgment & conception of lying, 4.2–5.9 yr olds, 8682
morphological vs syntactic development in acquisition of grammar, male between 1–2.3 yrs old, 8770
mother-child interaction & risk factors for social & behavioral problems, 4 yr old male & 2 yr old female, literature review, 27243
mother's employment, development of sex role stereotypes, 5–7 yr olds, reply to article by L. M. Jones & J. L. McBride, 26878
mother's speech & linguistic input, rate of syntactic development, 2.5 yr olds & their mothers, 6-mo study, 826
motor vs verbal realistic vs unrealistic modeling, 2–3 yr old males vs females, 26849
multidisciplinary process of collection & interpretation of information on etiology of pedestrian injuries, 5–7 yr old males, 19874
multidisciplinary schools support team response to disruptive behavior in schools, 4–16 yr old students, England, 28602
multifaceted activity of play, 3–6 yr olds, 3534
multiple sensory vs edible reinforcers, resistance to satiation during learned visual discrimination task, male autistic 5–6 yr olds, 7146
multiple vs single models of generous vs selfish vs inconsistent behavior during game, generosity, kindergartners vs 4th graders, 8862
nature of communication & interrelationships, 24–30 mo olds & caregivers in day care centers, 10437
need & availability of & funding resources for early intervention services for "at risk" infants & preschoolers, psychologists & special educators & social workers, 12995
neuromaturational indicators of delayed development, preschool children, 22287
neuropsychological & cognitive basis of early achievement, children with mean age of 5.5 yrs, 2-yr longitudinal study, 3467
neuropsychological methods, assessment of motor & sensory skills & cognitive development, preschool age children, 21695
noise, psychomotor & memory & visual recall & cognitive task performance, Black 5 yr olds attending day care centers near elevated subway trains, 19604
nomination of strategic social action, alteration of ongoing emotional state of peer, kindergartners vs 3rd vs 6th graders, 6138
nonconflictual identity vs conflict/defense etiological hypotheses of gender disturbance, 5–13 yr olds who practiced cross-gender behavior, conference presentation, 11525
nonmaternal care, maternal attachment & intellectual development & social-emotional behavior, preschool age children, literature review, 896
nonparametric Mokken scale analysis, order of acquisition of conservation measured by Piagetian tasks, kindergartners through 2nd graders, 16928
nonverbal communication during listening to preferred vs nonpreferred vs unfamiliar language, monolingual vs bilingual kindergartners, 26839
normalization of WPPSI, 4.3–6.3 yr olds, Spain, 26240
novel stimuli labeled for own vs opposite sex, exploratory behavior & memory for stimuli, 4–9 yr olds, 29670
novel stimulus preferences, preschoolers vs kindergartners vs 1st graders, implications for mentally retarded, 11458
nutritional supplementation, preschool children with developmental impairment or behavioral disorders, 18036
organization & recall of strongly vs weakly scripted story narratives, 5 vs 10 yr olds, 844
organization of temporal meanings & role of perceived cues, concept of duration, 5–8 yr olds, 845
organization of temporal meanings & role of perceived cues, concept of duration, 5–8 yr olds, reply to criticisms by J. Crepault et al, 846
organization of temporal meanings & role of perceived cues, concept of duration, 5–8 yr olds, criticism of J. Montangero's study, 809
orienting ability & maternal cooperation, competition, 3 yr olds, 6135
out-of-home day care, individual differences in attachment quality, working mothers & their 1–2.8 yr olds, 6240
painful feelings as developmental roots of self damaging behavior, 4 yr old male analysand, 7022
pairs of dolls differentiated by behavioral vs biological cues, gender classification & constancy, male vs female 2.6–4 yr olds, 3490
parent- vs child-related demographic characteristics, congruency between mothers & fathers vs professional diagnostician's judgment of child's developmental status, 18–48 yr old mothers & fathers & their handicapped 8–80 mo olds, 30332
parent-child factors, gender role socialization, 4–12 yr old tomboys vs non-tomboys & their parents, 24241
parent or child demographic characteristics, childrearing expectations & support of child development principles, parents of handicapped preschoolers, implications for curriculum priorities in parent training programs, 2544
parent-reported fears, children at 16–30 vs 31–45 vs 46–60 mos, 3493
parental & child attitudes & self concept, 5–14 yr olds with primary nocturnal enuresis, 25010
parental & self perception of sadness & types of depressive symptomatology, 1–6 yr olds, 6533
parental adjustment & marital satisfaction & depression, perception of child's home or school problem behaviors, parents of 5–14 yr olds referred to psychology clinic for behavior problems, 4040
parental attitudes & sex role socialization practices, gender role preferences, male vs female kindergartners & 3rd graders, 29710
parental attitudes, development of racial attitudes, Black 4–5 vs 6–7 yr olds, 2.5 yr longitudinal study, 26881
parental reports vs time-lapse video home observation, estimates of TV time, 5 yr old children & their parents, 5213
parental toy-choice preferences & stereotyping, child toy preferences & sex role typing, 18–32 yr old parents & their 2–3 yr olds, 11531
parents, cognitive & affective & social development & motivation for achievement, gifted preschoolers, 26788
pattern complexity, reconstruction of patterns from memory, 16–31 mo olds, 11434

patterns of mental development, male vs female middle class 6–60 mo olds, Jamaica, 21691
peer directed messages & responses, 2 vs 4 vs 6 vs 8 yr olds, 19670
peer relations & play & relationship with mother, male vs female 2–3.5 yr olds, 926
peer relations, social learning & development, preschool children, implications for instructional interventions, 19680
peer workshop training program, understanding of & factual information & attitudes about handicaps, normal 3.8–7 yr olds with handicapped sibling, 1702
perceived competence & levels of moral reasoning & frequency of charitable donation, gifted 4 vs 5 vs 6 vs 7 yr olds, 26943
perceived time course of emotion, 4–6 yr olds, China vs UK, 757
perception & comprehension of projective size/distance & projective shape/orientation relationship, 3 vs 4 yr olds, 16944
perception of & preferences for role in care of hospitalized child & communication with nursing staff, parents of sick children under 10 yrs old, 15341
perception of curvilinear motion of ball exiting tube, 4.5–12 yr olds vs college students, implications for development of intuitive theories of motion that include erroneous principles, 11427
perception of dangers commonly involved in childhood accidents, 3–6 yr olds, 8661
perception of difference between animate vs inanimate objects, 3–5 yr olds, 16916
perception of female protagonist on TV, 3–5 vs 6–7 vs 9–10 yr olds, 8851
perception of time vs velocity in music, 4–8 vs 10–12 yr olds, 3414
perceptions of control in interactions with parents vs teachers vs peers & achievement motivation, development of locus of control 3.5–6.2 yr olds, 19667
perceptual motor skills & cognitive & emotional development, orphans in state infants' home, Poland, 6030
perceptual salience & discounting in social attribution processes, 5–7 vs 8–12 vs 15–18 yr olds, 6150
performance level for both hands, lateral indices for composite finger localization & speeded pegboard tasks, right handed kindergarten students, 11470
performance on comprehension & verb-choice & definition tasks, assessment of presuppositions of "know" & other cognitive verbs, 3 vs 4 vs 7 yr olds vs college students, 8685
performance on Design Copying & Motor Accuracy-Revised Tests of Southern California Sensory Integration Tests, 4–10 yr old Japanese vs Japanese Americans, 5331
performance on inclusive vs disjoint class inclusion problems, 5–11 yr olds, 829
performance on standard Piagetian number identity conservation task vs reduced perceptual salience version, 56–77 mo olds, test of failure to communicate change of mind hypothesis, 19600
performance on subscales of WPPSI, 4–6.5 yr old males and females, 10804
performance on tests to measure phonetic analysis of speech, 4–6 yr olds, literature review, 8713
performance on Token Test & Reporter's Test, 15–16 yr olds with language disorders, 24849
Perry Preschool programs, scholastic placement & achievement & delinquency & welfare use & pregnancy & employment, Black 3–19 yr olds, longitudinal study, 2404
persistence vs nonredundancy vs systematic ordering comprehensive search skill on invisible displacements task, 16 vs 24 mo olds, failure to support Piaget's theory, 24153
physical & psychosomatic & behavioral characteristics & chronic history & identity of abuser, identification of child sexual abuse, children with masked vs overt presentations, 4002
physical interpersonal contact & mother-child interactions, mothers & their 8–36 mo old infants with mental retardation with vs without cerebral palsy vs nonretardation, 17511
picture of sentence's subject or object or no picture, story learning & recall, 3–5 yr olds, 11414
picture stimuli manipulated by prior exposure & depth of processing, recognition & naming latency & perceptual memory, college students vs 5–10 yr olds, 21689
play & remember vs sort & remember instructions, free & cold recall & metamemory of efficacy of sorting strategies, 45–59 vs 70–83 mo olds, 26864
play behavior, male vs female 4–5 yr olds, Sri Lanka vs Great Britain, 26934
play with stereotypically masculine vs feminine toys, motor activity level & vigor of play, male vs female 14–28 mo olds, 26929
politeness routine in dinner table interaction & language development, families with 3.1–4.9 yr olds, 822
positive influences & development-promoting aspects of siblings born in close developmental proximity, 4.5 & 2.5 yr old siblings, 6029
pragmatic ordering principle of naming animates before inanimates, acquisition of word order relations in sentences, 2.8–5 yr olds, 835
pragmatics of speech toward infant at 12–18 vs 18–24 mo of age, mothers vs 3–5 yr old siblings, 783
pre- vs concrete vs formal operational Piagetian cognitive stage, production of frequency vs psychological vs ambiguous uncertainty markers, 5.3–17.9 yr olds, 14158
predictable vs unpredictable supervision, independent task responding, 5.3 vs 6.9 vs 12.8 yr olds with autism, 7133
prediction of academic achievement in math & reading by use of cognitive tasks & material & teacher ratings, male vs female students tested prior to kindergarten & at grades 1–10, 28491
predictive validity of early visual measures, assessment of subsequent cognitive outcome, preterm infants tested from 6–40 mo & at 6 yrs, 161
preoedipal attachments, feminine development, 4.5 yr old female, 6113
preschool books, parent-child communication & child's cognitive & psychological development, implications for use in parent groups, 26792
preschool play center environment & free play materials, free play activity & social vs nonsocial behavior & positive vs negative social interaction, male vs female preschool children, 24219
present vs past tense expressions, comprehension of expressions of intention, 4 vs 5 vs 7 vs 9 yr olds, 21680
presentation of objects at same height vs with smaller object higher than bigger one, comprehension of "big", Spanish- vs English-speaking 3.2–4.3 vs 5.4–5.9 yr olds, Spain vs England, 8737
presentation of simple objects & instructions to represent "how many" vs "what", representation of numerosity using materials vs drawing & writing, 5–6.8 yr olds, England, 14150
presentation of single vs multiple exemplars of basic level categories, immediate & long term retention of categorical information, 24 mo olds, 16920
presentation of stress relevant vs irrelevant filmed intervention, dental anxiety, 3–11 yr old patients, 15263
pretend play training & make-believe play, cognitive & affective functioning, male vs female 2–5 yr olds, 6134
prevalence & developmental trends of fears & assessment & intervention techniques, preschool aged children, literature review, 14229
prevention & detection of stuttering, parents & teachers of preschool children, 27492
preventive education intervention & birth order, IQ, disadvantaged 5 yr olds at risk for retarded intellectual development, 22928
preventive health care & health surveillance, preschool children, UK, 28032
priming with taxonomic vs functional modes of categorization, recall & style of recall, preschool age children vs college students, 14185
principles of generative transmission, salience vs facility, selection of causal rules, 3 vs 5 vs 7 yr olds, 16953
prior information about hiding sites, spatial organization & recovery of hidden marbles, kindergartners vs 2nd graders, 26818
private collection of crayons & paper via "writing suitcase", promotion of curiosity in reading, young children, 12987
problem solving interactions during learning games at computer & jigsaw puzzles, 3.7–5.6 yr olds, 8769
problems in early childhood education programs & need for education-based health services, chronically ill children, 15875
production of new words for objects vs actions, 1.7–2.1 yr olds, implications for semantic-phonological interaction in speech processing, 19581
proficiency in 2nd language, cognitive development, Spanish-English bilingual 5–7 yr olds, 8721

program with daily parental oral reading, vocabulary & verbal comprehension, nursery school children, 18501
psychiatric assessment, children under 6 yrs of age in day care center, 4-yr longitudinal study, 27248
psychoanalytic family therapy, early childhood aggression, children & their mothers, 7100
psychodiagnosis & puppets in therapy, 5–11 yr old males, 1778
psychodiagnostic parameters in assessment of intelligence, preschoolers, 23475
psycholinguistics & psychoanalytic theory & identity formation as reflected in acquisition of person pronouns, infants & preschool age children, 24098
psychological assessment in standard health examination at child health centers, 5 yr olds, Finland, 20450
psychomotor & cognitive development & home environment, 2 yr olds raised by mentally retarded 22–35 yr old mothers, 8726
psychotherapy, child abuse, abusive mother & her 2 yr old daughter, 7033
Q-sort, assessment of individual differences in attachment security, 12–36 mo olds, 6161
quality of day care, language ability, preschool age children, implications for early intervention, 11436
quality of life & intellectual development & behavior, 3–9 yr olds in single vs multiple child families, China, 11394
racial awareness & attitudes & self concept, Black 4–6.5 yr olds, reprint, 29747
reactions to Black vs opposite sex vs glasses-wearing vs wheelchair-bound vs facially disfigured vs obese child, White nursery school students through 3rd graders, 24228
reactions to social behaviors by 4–8 yr olds, parents vs siblings, 3580
reading acquisition speed, left & right temporal & parietal event related potentials during word naming task, 5.1–6.2 yr olds, 16932
reality classifications of fantasy figures, preschoolers vs 2nd vs 5th graders, 3451
recasting of sentence structure, language acquisition, 2.5–3.8 yr olds, 11406
recent sibling death, behavior problems using parental answers on Child Behavior Checklist, 4–16 yr olds, 26922
referral source & symptomatology of caretaker, dropping out of treatment, 4–16 yr old outpatients at child psychiatric clinic, 12320
reinforcement of sex role behavior by peers & teachers, male vs female 21–25 mo olds, 8836
relative difficulty of Piaget's number conservation vs M. Donaldson & J. McGarrigle's covering tasks, 46–65 mo olds, 29606
reliability & validity of PPVT revision, intelligence screening, 3.5–8 yr olds, implications for pediatrics & elementary education, 135
reliability & validity of types of scoring criteria for conservation tasks, kindergartners & 1st–6th graders, 23446
reliance on gender stereotypes when making inferences about another person, kindergartners vs 3rd vs 6th graders vs college students, 21745
representation of individual objects in drawings vs spatial relationship between objects in scene, 4.6–7.2 yr olds, 8719
representational vs conceptual vs programatic vs script play language accompanying symbolic play, 2–4 yr olds, implications for assessment of language disorders, 26798
residence near Three Mile Island nuclear reactor vs another nuclear plant or fossil fuel facility & mother's mental health & environmental stress, behavior problems, 2.5–3.5 yr olds, 29684
response-contingent learning in early intervention, profoundly retarded & multiply handicapped infants between ages 0–12 vs 13–24 vs 25–36 mo, 7134
response training, hypothesis testing from relevant attribution in discrimination shift task, 44–66 mo olds, 14173
responses to neutral vs specific contingent queries from mother vs E, 1.7–3.7 yr olds, 19568
rest, work curve characteristics, 5–6 yr olds, 3404
role of contour & frequency & rate of presentation, discrimination of musical melodies, 4.1–5.7 yr olds, 3443
RT to monaurally presented verbal stimuli, 3.9–4.2 yr olds, implications for right hemispheric superiority, 26819
salience of facial features, perception of affective facial expression, kindergartners vs 5th graders, 16874
same age vs kindergarten models attributed with varied competence, peer imitation, 2nd graders, 19578
sample word segment sizes & type/token ratios for oral language, 5–5.9 yr olds, 19606
screening using Miller Assessment for Preschoolers, developmental & later school-related problems, 2.8–5.7 yr olds, 16178
selective & integrative visual attention, classification tasks, kindergartners vs 2nd vs 4th graders vs college students, 3422
selective attention to reading cues, mirror-image vs shape-detail matching vs consistent left-right ordering on picture-naming task, prereading 3–5 yr old spontaneous instructed learners vs nonlearners, 11413
selective imitation of same-sex adults, 3 & 4 yr olds, implications for sex role development, 3533
self concept & physical attractiveness & birth order & family structure, reciprocity of friendship & prediction of popularity, 3.4–5.5 yr olds, 3494
self esteem, display of & response to intrusive behavior, male vs female 3–5 yr olds, 11509
self instruction, persistence at task performance, 4–6 yr olds, 14163
self observed competence, task interest, male female 40–60 mo olds, 26795
self report assessment strategies, evaluation of preference for peer involvement vs playing alone or interacting with adults, 4–4.8 yr olds, 11473
semantic categories & acquisition of count/mass subcategories as distinction between names for objects vs substances, 1.9–5.9 yr olds, 24126
semantic differential vs paired-comparison procedure, assessment of information received from cry sounds, mothers & their infants & children under 5 yrs, 2803
semantic vs formal factors & referent familiarity, identification of referents of gender-marked pronouns, 4–8 yr olds, Iceland, implications for German vs Icelandic formal gender systems & developmental patterns, 850
service delivery model & reading materials & parent training components of Portage Guide to Early Education home-based early intervention, developmentally delayed preschool children, 31302
set size & counting accuracy, conformity to cardinality rule, 2.4–4.6 yr olds, 8731
set size & response criteria, conservation tasks, 4–6 yr olds, 16907
severity of psychological disturbance, sexually abused 2–4 & 7–18 yr olds, 12056
sex & age, tracking performance on single-speed task, kindergarten through 6th graders, 19587
sex & handedness, skills & abilities, normal vs gifted 21–56 mo olds, 26837
sex & SES & age, family structure & sexual stereotypes & sex roles, 4.5–12.5 yr olds & college students, Venezuela, 29727
sex differences in acquiring social information & manner of learning classmate's names, kindergartners, 3532
sex, motor performance, 3–20 yr olds, meta-analysis, 868
sex trait stereotyped attitudes, 5 vs 8 yr olds, Malaysia, 3545
short-term puppet therapy, illustration of 4 yr old male receiving bone marrow transplantation, 22620
sibling relationships, behavior at home & school & peer relations, 36–64 mo olds, 887
simulated situations of distress vs joy, preference for parents vs caretaker vs teacher vs peers vs siblings, 3–10 yr old kibbutz children, Israel, 11511
simultaneous vs sequential bilingual acquisition of English & Igbo, 3 yr olds, Nigeria, 11440
single exposure of new word in conversation vs story vs paired with definition, initial phase of word learning, 4–11 yr olds, 816
single vs multiple stimuli & elaborated vs detail feedback, descriptive communication & use of comparisons, 5–11 yr olds, 3460
situational factors & sociometric status, prosocial behavior, kindergartners, 14222
sleeping arrangement at kibbutz & cognitive vs environmental research approach, death conceptualization, 4 vs 5 vs 6 yr olds, Israel, 26824
smokeless tobacco use, male vs female kindergartners, 8683
social & cognitive & symbolic play forms & toys, 36–71 mo olds needing early educational intervention, 10480

social & family factors, behavior problems, 1st born children observed from 14 to 42 mo of age, 6124
social class, logical & verbal abilities, 5 vs 9 vs 13 yr olds from urban vs suburban districts of Rome, Italy, 24146
social cognition & self perception & self efficacy & outcome expectancies of aggressive behavior, male vs female 4–7 yr olds, 26931
social cognitive ability & emotional expression & prosocial responses to peer's emotions, 2 & 3 yr olds, 16981
social interactions in free-play settings, 28–32 mo olds in kibbutz vs urban setting, Israel, 8860
social learning treatments with families, reduction of out-of-home placements, abused 3–12 yr olds, 12489
social perception in picture descriptions, kindergarten children, 14223
social pressure, judgment, female vs male 3–6 yr olds, Zaire, 16971
social pretend play, 16–33 mo olds, 6128
social response uncertainty, imitation in naturalistic setting, 3–5 yr olds, 26924
social situations with vs without Os vs concurrent performers, dynamic balance performance, 4 vs 6 vs 8 yr olds, 11387
socialization & interaction differences, parents & their male vs female 18–24 mo olds, 8980
socializing features of carpools, 4–10 yr olds & their parents, 879
socially stereotyped masculine vs feminine toys & play behavior, male vs female 14–35 mo olds, 925
solving problems with ambiguous subgoal ordering, 45–70 mo olds, 832
source of story vs set vs passage length vs content, detection of logical inconsistencies in oral communication, kindergartners & 1st graders, 24142
speech characteristics during retelling of story to adult vs peers, 4–5 vs 5–6 vs 6–7 yr olds, inplications for role of situational factors vs egocentrism, 6067
speech to children, mothers of 18 mo to 3 yr olds with Down's syndrome vs hearing impairments, 12242
speech vs nonspeech sounds, auditory discrimination learning, autistic 4–9.9 yr olds, 27318
speech vs pointing gesture information, interpretation of referential acts, 2.4–3.9 vs 5–6 yr olds vs college students, 29650
spontaneous vs obedient vs reciprocal behavior with positive vs negative outcome, perception of behavior, 5 vs 9 yr olds vs young adults, 29696
stability of concept of length, Zang vs Han 5–11 yr olds, Tibet vs China, 16935
standardization of modified version of Miniature Toys Test, language development in assessment of self related vs detached-from-self play, 18 mo to 4.5 yr olds, 26208
stereotypic clothing-play cognitions vs overt play behavior relative to dress, preschool aged females, 3518
stimulation effects in hospital ward, emotional responses to separation from mother, 1–5 yr old males with minor illnesses, 10077
stimulus complexity & rule usage, visual perspective-taking task, preschoolers vs 1st vs 3rd vs 5th graders vs college students, 6058
stimulus control of eye orientation & effect on learning, 3.4–4.2 yr olds, 24154
stimulus integration & selective information processing, central-incidental learning, kindergartners vs 2nd vs 6th graders vs college students, 3462
stimulus recognizability vs experimental experience, referential communication abilities, kindergartners vs 3rd graders, 16925
stress levels, families with preschool moderately & severely retarded vs nonhandicapped children, New Zealand, 30339
Stress Response Scale, profiles of behavioral response patterns, 5–14.9 yr olds, implications for assessment & treatment of behavior disorders, 14208
structural & functional features of productive language during semistructured activities with mother, full-term vs medical at risk or premature 2 yr olds, 17295
structural &/vs semantic changes, same-different judgment tasks with pair drawings, 3–6 yr olds, 6080
structure of early number concepts based on numbers 1–5 vs 1–10, 5.1–6.4 yr olds, Japan, 21741
structure of naturally occurring verbal quarrels, 5 yr olds & their 4–6 yr old peers vs 2–4 vs 6–9 yr old siblings, 26933
subclinical lead levels, development deficits, Black preschool age males, reply to criticism by H. L. Needleman, 24892
subclinical lead levels, developmental deficits, Black preschool age males, comments on paper by C. B. Ernhart et al, 24952
subtypes & correlates & maladaptive extremes of imaginativeness, 43–70 mo olds, 16960
sudden onset of anti-Chinese prejudice, 4 yr old female in analysis, 17882
suprasegmental variables identified by acoustic correlates of stress & pragmatic function of repair vs original utterance in conversation, preschool age children in age & ability groups, 6069
syntactic categories in speech, 2–2.4 yr olds, 29651
syntactic complexity, disfluencies in sentence imitation & modeling tasks, 5 yr olds, 24125
tactual exploration of novel vs familiar objects, male vs female 4–6 yr olds, replication & extension of work by A. D. Dandry & P. A. Russell & M. F. Rabinowitz et al, 26806
task analysis, identification of developmental trends in complexity of language structures & vocabulary & functions & story conventions, kindergartners through 3rd graders, 8771
task demands, utilization of complementary & taxonomic relations, 3–6.9 yr olds, 6084
tasks requiring verbal processing & asymmetric motor skills, lateral asymmetry in finger localization, right handed 4.9–6.1 yr old females, 3478
teacher's rating vs observation in natural setting, measurement of popularity & sociability, 31–71 mo olds, 13383
temperament & behavior disorders, 5 yr old males from middle class vs Puerto Rican lower class families, reprint, 30283
temperament, low birth weight 1–3 yr olds, conference presentation, reprint, 29705
temperament of mother &/vs child &/vs home environment, injury liability, toddlers followed from 1–3 yrs old, 27620
temperament ratings & performance on cognitive tasks, male vs female preschoolers, Israel, 3388
temperamental factors, attachment classification from Ainsworth strange situation procedure, 1st born infants observed from 8–40 mo of age, longitudinal study, 17019
temporal sequencing of familiar vs unfamiliar events, 4 vs 5 vs 6 yr olds, 8729
test of verbal vs nonverbal empathy, prediction of cooperation & aggression, 41–81 mo olds, 8870
test-retest reliability of dichotic listening task, measurement of lateralization of receptive language, 33–65 mo olds, 28958
thematic-fantasy play & story familiarity & adult intervention, story recall, 4.7–13 yr olds, 14187
therapeutic management, rage & personality distortion, 4 yr old female who had been sexually abused by her father, 17865
time constants & gains, vestibulo-ocular reflex from primary nystagmus, 2 mo to 11 yr olds vs 18–31 yr olds, 26801
time use for physical child care, mothers with physically handicapped vs normal 3–5 yr olds, 22618
topic initiation strategies & types & maintenance & ability to produce sequence of topically coherent propositions in discourse with mother, 1 mo to 2.6 yr olds, 29604
toy requests & age & sex differences, toys received from parents at Christmas, 9–76 mo olds, 19653
toy selection & socialization of sex-typed play, mothers vs fathers of 19–27 mo old males vs females, 8834
traditional preparation procedure with vs without videotaped modeling preparation, anxiety reduction & coping style & psychological preparation, 4–16 yr old hospitalized patients undergoing cardiac catheterization, 27885
traditional vs nontraditional sex role attitudes, communication with sons vs daughters, 28–39 yr old mothers & their 30–42 mo old infants, 1025
training methods, perception & memorization & recognition of pitch, 4 yr olds, 6057
treatment in family therapy, preschool children, 12430
trends & developments in early childhood education, 12993
TV action level vs violent content, aggressive vs prosocial behavior, 39–75 mo old males, 17009
twin status, adaptation of conventional syntax & vocabulary, identical twin females observed from 2–3.8 yrs old, 29626

type & severity of maternal depression, attachment behavior, 16–47 mo old infants of minor vs unipolar vs manic depressive mothers, 1358
type of everyday context, expressed fear response, 4–5 vs 6–7 yr olds, 8858
understanding & use of variables & relations, probability problem solving, 5–13.9 yr olds, 29590
understanding of class inclusion, reasoning with logical implication, kindergartners & 2nd–8th graders, Netherlands, 21707
understanding of gender identity & sex stereotypes, sex-typed preferences, 4–8 yr olds, 894
unequal distribution of food & sharing behavior, 3–5 yr olds, 21746
urban vs small town & rural environment, social development, 3–7 vs 7–11 vs 11–14 yr olds, 8813
use of body weight vs alternative dimension, categorization of information & playmate selection, 3–12 yr olds, 11553
use of definite & indefinite articles & usage rules, 3–5 yr olds, Italy, 19627
use of directions &/vs landmarks &/vs end information in descriptions of routes, 5.1–6.1 vs 8–9.3 yr olds, 29655
use of discounting heuristic in cognitive processing of social information in reward vs non-reward condition, kindergartners vs 2nd vs 4th graders, comments on methodology of research by C. J. Dahlenberg et al, 29603
use of imaginary companion, ego development & splitting & transitional self, 3.8 & 4 & 5.6 yr olds, 21779
use of inappropriate cutoff scores, validity of Personality Inventory for Children Intellectual Screening & Adjustment scales, 4–5 yr olds, reevaluation of original study, 2891
use of indirect external memory cues for elimination of solutions in retrieval problem, preschoolers, 26873
use of objects & words as tools, 12–30 mo olds, 14117
use of "will" & "gonna" in play activities alone vs with dolls vs others, 3 yr old females, 14155
utilization of static & kinetic information, depth & monocular relative-size judgments, 3–4 vs 7–8 yr olds & young adults, Malawi, 3435
validity of hypothesis of both hemisphere-hemispace & hemisphere-hand connections & laterality, tactile bisection, right handed kindergartners, 19648
validity of Kaufman Assessment Battery for Children, 2.5–5 yr olds, 18959
validity of Reynell Developmental Language Scales & Stanford-Binet Intelligence Scale & PPVT, prediction of WISC-R scores 4–8 yrs later, 3 & 5 yr olds, 26246
variable focality & maternal input, acquisition of color concepts & terms, 1.5–4 yr olds, 19567
variables to block occurrence vs hinder completion of problem solving strategy, logical errors in basic reasoning, 5.8–6 yr olds, Great Britain, 14154
variation of parameters of ball & distance overarm throwing in practice sessions, performance on novel striking tasks, male vs female kindergartners through 1st graders, 14144
variety & frequency of own vs other's mother's input, lexical coding & acquisition of inflectional & syntactic use of verbs, male between 2.3–2.7 yrs old & female between 1.5–1.9 yrs old, 8720
various play materials, social behaviors, handicapped vs nonhandicapped preschool age children in Head Start program, 2520
verb form & semantic sense & duration, selective imitation & paraphrasing of perfect, 4.4–5.9 yr olds, 827
verbal tasks & nonverbal hiding game, prediction of another person's line of sight & field of view, 3 vs 4–7 yr olds, 14138
vertical vs horizontal-frontal vs -lateral object arrangements, use of correct spatial terms in descriptions, 3–10 yr olds vs college students, 8715
videotape of vs attendance at preoperative class vs brief individual preparation by nurse, 3–12 yr olds scheduled for minor surgery, 15397
viewing behaviors & conditions & background characteristics & intellectual ability & learning from instructional TV, 34–71 mo olds, 15745
violation vs transformation of conservation, reactions & responses, kindergarten vs 3rd graders, 3438
violent film viewing, level of anxiety & subsequent aggression, preschool children alone vs with silent adult vs with adult making antiaggression comments, 6104
visitation by biological relatives, symptoms, birth to 3 yr olds in foster care or other custodial situation, 22655
visual exploration vs physical manipulation play, problem solving ability, 44.7–63.9 mo old preschool age children, experimental replication of K. Sylva's study, 11408
visual pursuit abilities, mentally retarded vs cerebral palsied vs learning disabled 3–10 yr olds, 22208
visual search for object surrounded by objects of similar shape or color, analysis of color & shape confusions that affect task difficulty, 3–5 yr olds & children with mean ages of 6.9 vs 9.8 yrs old, 19618
voice onset time & vowel duration in identification of object or action pictures, acquisition of voicing contrast for English stop consonants, Arabic speaking 2–5 vs 7–11 yr olds with 2–12 vs 18–54 mo of English experience, 19593
voiced vs voiceless spelling of stop consonants after /s/, kindergartners vs 1st graders vs college students, 21737
vowel duration & final transition & voicing during closure, determination of voicing in final stop consonants, 3 vs 6 yr olds vs adults, 14194
word finding problems, 2 yr old male, implications for child lexical organization & form & meaning acquisition, Netherlands, 818
word length, recall of names of common objects in pictures, 4–10 yr olds, 16922
word orders & case frames of simple transitive sentences, development of sentence processing strategies, Warlpiri 3.2–11.3 yr olds, Australia, 8696

Preschool Education

beginning literacy & use of preschool & primary level basal reading series intended for readiness & beginning reading, 22987
characteristics of home & school & preschool & day care environments, attitudes toward literacy & development of reading & writing skills, preschool age children, 23030
content & process & product & learning environment dimensions of framework for gifted preschool curricula, 28552
continuity in early childhood education services, adaptation to preschool to kindergarten transition, children, Canada, 12936
critical review of Cambridge Kindergarten Screening Test, evaluation of speech & language development, 7748
developmental value of appropriate teacher-child physical contact in early childhood programs, 7673
dinosaurs as teaching tool in early childhood education programs, implications for language development & communication skills, 7615
early childhood education, Africa, 4861
educational philosophy of S. Suzuki in Yoji Gakuen preschool program, 3–5 yr olds, Japan, 31192
educational programs, confidence & self concept, gifted preschoolers, 13087
exploration of concepts & language & literature & symbols in beginning reading instruction, young children, 15635
family influence with vs without day nursery attendance, development of noun vocabulary, 2.5–3 yr olds, Czechoslovakia, 11429
forms of integrative preschool education, West Germany, handicapped, 13081
history of Kamehameha schools & Early Education Program, Hawaii, 18507
home-based parental program, development of early language & reading skills, American Indians from birth to 4 yrs of age, Canada, 15680
individualized teaching programs in handwriting & mathematics & Portuguese, preschool age children, 12996
involvement in education, parents of preschool visually handicapped, 18581
involvement in family household tasks through preschool program, independence & self reliance & self concept, 4 yr olds, 28461
Kurahashi free-activity vs structured-activity-centered preschool program, development of independence, kindergartners & grade school students, Japan, 22953
need for assessment of story awareness in early reading curriculum, preschool children, 28435
objectives for pre-1st-grade reading program, 22938
participation in direct instruction vs Head Start preschool programs, preschool exit measures & school achievement & perceptions of quality of school life & preschool experience, urban minority group high school students, 10333

participation in early enrichment program in early childhood, achievement & self esteem, 17–22 yr olds, followup studies, 22956
Perry Preschool programs, scholastic placement & achievement & delinquency & welfare use & pregnancy & employment, Black 3–19 yr olds, longitudinal study, 2404
preschool education program, linguistic & cognitive skill development, 3.5–5 yr olds, India, 25784
preschool psychological services & problems with skill-oriented training & traditional practices, school psychologists, 20651
problems in early childhood education programs & need for education-based health services, chronically ill children, 15875
program for identification & programing for young gifted/talented handicapped children, 28545
reading strategies, kindergarten students, implications for teaching, 7622
recall of lesson components after 1 vs 2 vs 5 days, prekindergarten & kindergarten students in daily vs alternate day programs, 15723
role of public schools in child care provision, 7587
survey of curricula & guidelines in oral programs, preschoolers with hearing impairments, bibliography, 2499
Syphax Child Care Center as effective private preschool educational program, multi-ethnic preschoolers, 15660
use of sign language in reading readiness programs, preschool age children, 22932
validation of Florida Kindergarten Screening Battery, preschool developmental screening test, multi-ethnic kindergartners, Canada, 23121
Preschool Students [See Also Nursery School Students]
academic & social & free-play gifted program, cognitive & achievement behavior & social & motivational characteristics & individual differences, 33–68 mo old gifted preschoolers, 7718
anxiety at beginning school, preschool 6 yr olds vs 6 vs 7 yr old 1st graders, 7676
assessment procedures & intervention strategies, preschool students, 23129
audiolingual method, Pegasus Project for teaching of conversational Spanish, gifted preschoolers, 13107
behavioral teaching of attention & imitation & toy interaction behaviors, collateral attentional & behavioral & interpersonal effects, developmentally handicapped 3.3 yr old female with myoclonic epilepsy, case report, 25857
book dictation & printing project, reading & writing skills, 4 yr olds, 22989
children & their teachers in Head Start classrooms, 23069
concurrent validity of Bracken Basic Concept Scale, evaluation of language & academic readiness, kindergartners through 2nd graders in regular vs remedial education, 4977
contingency reinforcement in development of generalized verbal control, self regulation, 4 yr olds with deficits in social or academic behaviors, 23063
continuity in early childhood education services, adaptation to preschool to kindergarten transition, children, Canada, 12936
correspondence training & verbalization reinforcement & indiscriminable contingencies, maintenance of target classroom behaviors, 4 yr old preschool students, 28506
curriculum-based assessment measures & intervention strategies, exceptional preschool students, 23128
diagnostic school readiness test battery, hearing impaired & deaf 5–9 yr olds, East Germany, 18630
dimensions of reading attitudes, 3–5 yr old Mexican vs Anglo vs Black Americans vs other ethnic groups, 25852
direct vs interactive language instruction, language skills, 38–69 mo old preschool students differing in aptitude & level of language development, 28528
early writing development research of J. Harste et al & D. Graves, preschool & elementary school students, 28472
ecological approach to cognitive assessment, preschool students, 23136
educational enrichment, school-related self efficacy expectations & interests, 4–6 yr olds, 28457
effectiveness of Stanford-Binet Intelligence Scale vs PPVT-R as screening instrument for gifted children, 3.8–6.9 yr old preschoolers & kindergartners & 1st graders, 31334
goals of University of Illinois Program for Young Gifted Children & recruitment & identification & programing, gifted 3–5 yr olds, 13086
incorporation of educational TV into curriculum in teaching language & mathematics & topic work, children to 7 yrs old, 12943
individual differences in intentional superordinate category knowledge, 3–6 yr old & 37–69 mo old preschool & kindergarten students, implications for early identification of school failure, 18635
individualized teaching programs in handwriting & mathematics & Portuguese, preschool age children, 12996
instruction for acquisition of prepositions, language delayed 3–5.5 yr olds & normal 2.9–5.8 yr olds, 13114
instructional methods, spatial learning, 5 yr olds, 18480
integrated vs nonintegrated special education preschool program, social play & motor & language skills & cognitive development, developmentally delayed 3–6 yr olds, 4945
interpersonal cognitive problem solving training, solving interpersonal problems & classroom behavior, low income preschoolers in rural Head Start program, replication of study by M. B. Shure, 12954
issues associated with & need for meaningful programs, gifted preschool students, 28536
Kaufman Assessment Battery for Children vs McCarthy Scales for Children's Abilities vs Stanford-Binet Intelligence Scales, early intervention placement, 49–73 mo olds referred with learning problems, 31354
level of teacher's enthusiasm, understanding of concepts of land & air & water & sound pollution, male vs female 3 & 4 yr olds, 10322
locus of control & classroom structure, persistence & attention, 4–5 yr olds, implications for classroom placement, 18554
mainstreaming, behavior & attitudes toward handicapped, preschool teachers & their 3–5 yr old handicapped & nonhandicapped students, 18588
mental retardation or learning or other concomitant disabilities & educational needs, visually impaired Rocky Mountain/Great Plains residents from birth to 21 yrs old, 25863
method of profile analysis, interpretation of scores on Kaufman Assessment Battery for Children, illustrative case of high-functioning male preschooler, implications for educational diagnosis, 15931
microcomputer as perceptual tool, special education intervention program, handicapped infants & multiply handicapped preschoolers, 15821
multicultural curriculum research & development in experimental University Laboratory School, preschoolers through 12th graders, Hawaii, 31195
need for assessment of story awareness in early reading curriculum, preschool children, 28435
need for better assessment procedures to identify differential abilities & danger of inappropriate labeling as gifted, preschool & early elementary students, 31317
nursery classes in education authority schools vs social services day nurseries vs play groups, behavior problems, 36–59 mo olds, England, 31257
peer confederate initiation of social interaction/play behavior in structured setting, generalization of behavior in segregated vs integrated settings, preschool students with developmental disabilities, 31282
peer-mediated intervention, communicative interaction, language-delayed 3–4 yr olds with autistic-like behavior, 28539
picture-cue training program, interaction with peers vs teacher, language delayed 4–6 yr olds, 4935
preschool education program, linguistic & cognitive skill development, 3.5–5 yr olds, India, 25784
preschool intervention & school success, delinquency, Black 3–4 yr olds at high risk for delinquency, 20-yr longitudinal study, 22941
program for identification & programing for young gifted/talented handicapped children, 28545
reading texts as introduction to culture of literacy, preschool students, Australia, 28422
recall of lesson components after 1 vs 2 vs 5 days, prekindergarten & kindergarten students in daily vs alternate day programs, 15723

revised norms of Slosson Intelligence Test IQs vs PPVT standard scores, 30–89 mo old Black rural Head Start children, 20818
role of speech therapist & tutor, speech development, preschool students with underdeveloped speech, USSR, 7736
similarities & differences in peer group play behavior, 2–4 yr old normal vs mentally retarded handicapped preschoolers, 25877
social & cognitive & physical play styles, gifted vs nongifted preschoolers, 7688
special education programs, emotional & social competence development, gifted preschoolers, 2535
staffing & screening processes & transitional issues in delivery of school-based services & mainstreaming, handicapped preschoolers, practical implications, 28563
structured vs unstructured play training, imaginative play & divergent thinking & storytelling & verbal & nonverbal IQ & locus of control, economically disadvantaged 2.7–6 yr olds, South Africa, 12990
Syphax Child Care Center as effective private preschool educational program, multi-ethnic preschoolers, 15660
teachers' task-related interactions, mainstreamed handicapped vs high risk problem vs nonhandicapped 31–97 mo old males vs females, 2543
test-retest reliability of 3 short forms of McCarthy Scales of Children's Ability, estimation of general cognitive index scores, 5.3–6.3 yr olds, implications for screening for developmental disabilities, 25915
use of time & space, reinforcement of collective orientation vs individualism & self expression, Black Head Start vs White middle & upper middle class preschool teachers & their students, 2380
validity & reliability of print awareness test, assessment of understanding of function of print, 3–5 yr old prereaders & 2nd grade poor readers from middle- or upper-middle-class backgrounds, 10536
verbal & nonverbal aspects of group storyreading & literacy socialization, 3–5 yr old students, 2350
2nd language negation training, native language negation expression, Spanish/English bilingual 4 yr olds, 28442
3-dimensional auditory-verbal habilitation program, language acquisition, 3–3.5 yr olds with hearing impairments, 2497

Preschool Teachers
auditory-oral vs total communication method, use of idiomatic language & direct requests, teachers of prelingually deaf vs hearing 2.3–9.3 yr olds, 4955
classroom circle time activities, preschool & kindergarten teachers, 20694
classroom context, type & function of Spanish vs English, bilingual preschool teachers & teacher's aides, 22933
construction & validation of Teacher Rating of Social Skills-Children, teacher assessement of student social skills, kindergartners to 6th graders & teachers, 31315
construction of teacher rating form, kindergartners through 2nd graders, 23104
evaluation of preschool teacher effectiveness, 28604
home visits, identification of child's learning needs & ways for parents to participate, preschool & primary & special education teachers, 22975
involvement of female teacher in male-preferred play activity, increase in female children in area, 3.8–4.9 yr old female vs male kindergartners & female teachers, 28516
use of time & space, reinforcement of collective orientation vs individualism & self expression, Black Head Start vs White middle & upper middle class preschool teachers & their students, 2380

Presenile Dementia [See Also Alzheimers Disease, Picks Disease]
cerebral cortex tissue destruction, 42 yr old female with diagnosis of presenile dementia, case report, 30429
distracting stimulus, contingent negative variation, 46–52 yr olds with presenile dementia, 6852
neuropsychological functioning, patients with presenile dementia & senile dementia of Alzheimer type, 14865
presenile dementia & motor neuron disease, illustrative case of 68 yr old male & review of 20 similar cases, 24946
role of cholinergic metabolism in Alzheimer's disease & presenile dementia, 4096

Preservice Teachers
attitudes & feelings toward children & childhood, preservice teachers, 31162
categorization methodology consisting of F sort & latent partition analysis, measurement of views of classroom teaching using descriptive verbs, elementary & secondary teachers & teacher trainees, 28623
cognitive & psychosocial & moral development & GPA & academic major, ability to analyze & interpret child behavior, college students with majors in education, implications for preservice teacher training, 18454
cognitive development & functioning & formal thinking ability, teaching performance, preservice teachers, 18452
cognitive responses elicited vs arguments recalled during persuasive communication, attitude change toward energy conservation, preservice elementary teachers, 22905
computer assisted vs textual programed instruction & locus of control, acquisition of integrated science skills, preservice elementary teachers, 25753
current events world place name location skills & teacher characteristics, female vs male elementary vs secondary preservice teachers, 25737
deductive vs inductive experimental groups, judgments of observed peer teaching, preservice physics education students, 4820
high- & low-inference level of instructional clarity, student achievement & satisfaction, preservice teachers, 7635
locus of control & computer assisted instruction vs text mode of programed instruction, achievement of computer literacy, preservice elementary school teachers in science methods course, 4827
preferences for instructional methods & course goals, high- vs low-achieving college preservice teachers, 10305
Teacher Corps training & team leader influence, personality & educational attitude changes, 1st-yr interns, 20665
training with vs without experience with handicapped, attitudes toward mainstreaming, prospective regular education teachers, 23081
validity & theory verification of Teacher Concerns Questionnaire, preservice & inservice teachers, 10551

Pressoreceptors [See Baroreceptors]

Pressure Sensation
mediation of inhibitory & excitatory waves of poststimulus EMG complexes by pressure receptors around teeth, 22–26 yr olds, 13855
shift in subjective straight direction, sensory & motor effects of pressure on outer canthus of eye, naive vs nonnaive Ss, 23533

Prestige (Occupational) [See Occupational Status]

Pretesting
awareness of objective measure & completion of performance test, self rating in retrospective pretest-posttest design & response shift phenomenon, college students, 20977
nonparallelism of measurement in pretests & posttests, measurement of change scores, troubled children & their families, 20981
pretesting item & examinee sampling errors in construction of norm-referenced test, analysis & selection of objective test items, 28639

Pretraining (Therapy) [See Client Education]

Prevention [See Also Related Terms]
acquisition-based approach to primary prevention, cigarette smoking, 6th–12th graders, 3–4 yr longitudinal study, 4701
alcohol misuse prevention program, knowledge of effects of & risks of alcohol misuse & social skills to resist peer pressure, 5th–6th graders, 28415
alcoholism prevention, Blacks, 1727

biobehavioral & psychosocial & neurological research approaches to study of cardiovascular disease prevention, 1698
childhood predictors & prevention of substance abuse, children & adolescents, literature review, 31016
community-based intervention program, juvenile firesetters, 12655
community medical & educational prevention program, high blood pressure, residents, conference presentation, 18180
community services program in Turin, prevention of juvenile delinquency, children & adolescents, Italy, 4678
costs & prevention of medical/surgical pediatric hospital days by psychiatric treatment, children, 7423
crisis prevention & intervention training for dealing with upset patients, staff in minimum & medium & maximum security areas of psychiatric hospital, 15381
criteria for prevention in mental health, environmental psychologists, 31561
delinquency prevention strategies, UK vs US, literature review, 2136
dramatic presentation, child sex abuse prevention, 8–11 yr olds & parents & mental health professionals, 14741
drinking age increase & alcohol education, alcohol consumption, adults vs 7th & 9th & 11th & 13th graders, Canada, 27129
early intervention programs, prevention of reading problems, 6 & 6.5 yr old boys, 13077
early intervention, social functioning, young families, test of model of prevention in social work, 10049
ecological theory base for study & design of child abuse prevention programs, 4626
economic reality of tobacco sector & health policy issues, 21895
education of drug treatment & prison personnel & drug abusers' families, acquired immunodeficiency syndrome & its prevention, drug abusers, 25591
educational program, recognition of social & peer pressures leading to early sexual involvement & parental reinforcement of knowledge, 11–15 yr olds & parents, implications for prevention of sexually transmitted diseases, 18150
effectiveness of commercial film "Touch," self protection skills & knowledge about sexual abuse, kindergarten & 1st vs 5th & 6th graders, 28451
effectiveness of psychosocial approaches to smoking prevention, literature review, 31012
effectiveness of Share Parenting Program & assessment of family as high vs low risk for remaining intact, prevention of residential placement, families with 11–15 yr olds at risk for delinquency, 20533
efficacy of child psychiatry model of child abuse & neglect prevention program evaluation, high risk pregnant females followed in 4-yr program of antenatal hospital department, conference presentation, 30825
efficacy of smoking prevention programs, children & adolescents, literature review, 25766
enforcement crackdowns & sobriety checkpoints vs mandatory jail sentence vs license suspension, deterrence efficacy, drunk drivers, 24393
etiological & developmental & behavioral & environmental models of adolescent drug use, development of prevention programs, 31025
etiology & prevention, drug use & abuse, adolescents & young adults, 31020
etiology & prevention, drug use & abuse, adolescents, criticism of papers by L. D. Johnston & L. N. Robins & T. R. Przybeck & D. B. Kandel & K. Yamaguchi & D. M. Murray & C. L. Perry, 31019
evaluation of antenatal program, prevention of child abuse, at risk populations, conference presentation, 30840
evaluation of current smoking prevention strategies & proposal for self control skills model, adolescents, 12663
evaluation of school-based alternative programs for prevention of drug abuse, 8th & 9th graders, 1-yr followup, 12972
evaluation of smoking prevention programs, coping skills & modification of attitudes, adolescents, 4722
family health history & secondary & primary prevention & interaction of multiple risk factors, adoptees & nonadoptees, 25359
federal government role in prevention & health promotion, comment on articles by J. A. Heffernan et al & J. M. McGinnis & W. S. Cohen & C. Lenfant et al, 1728
Feelin' Good program approach to cardiovascular fitness, elementary school children, 18652
Freudian approach to prevention of problems in adolescent development, 6034
guidelines for prevention of excessive stress, athletes, implications for sport psychologists, 18693
health belief model & preventive health behavior, adults, Singapore, 19859
health promotion model, prevention of drug abuse, adolescents, 12635
health protective effects of social support model of esteem-enhancing appraisals & stress-related interpersonal transactions, 29949
history & prevention of substance abuse, American Indian youth, 1719
institutional barriers & plan of action for alcohol & drug abuse prevention, 10159
issues in drug usage etiology & prevention research, 31007
legal & community & individual intervention techniques, behavior change, drunk drivers, 15460
length of cognitive behavioral interventions, incidence of on-task vs passive vs disruptive off-task behaviors, 9–12.7 yr old aggressive males, 9844
limitations in organizational efforts to prevent or control smoking, 14926
long vs short term effectiveness of smoking prevention programs, adolescents, literature review, 1979–83, 18333
low vs high fear appeal & alcoholic vs nonalcoholic communicator, knowledge retention in drug prevention program, 12–15 yr olds, 4874
martial arts & creative writing & drawing, establishment of trusting relationship with police & hospital & social work personnel & treatment, victims of child molestation, conference presentation, 14955
mental health promotion strategies, elementary school children & adolescents, 18689
methamphetamine vs phenmetrazine vs phentermine vs methylphenidate vs pemoline, prevention of motion sickness, Ss with normal vestibular function, implications for drug therapy & space flight, 14006
mianserin, prophylaxis of migraine headache, 18–65 yr olds, conference presentation, 30760
model of psychic resistance, prevention of drug addiction, conference presentation, 30294
modification of sexual practices & level of promiscuous sexual behavior as means of preventing acquired immune deficiency syndrome, homosexual males, conference presentation, 3647
multifaceted program for prevention of drug abuse, youth, Spain, 10167
need for emphasis on prevention & health promotion in mental health through new preventive health psychology subfield & role of psychologists, comment on position of R. W. Rogers, 2204
need for emphasis on prevention & health promotion in mental health through new preventive health psychology subfield & role of psychologists, reply to I. L. Abraham, 2263
need for integration of recent & established prevention strategies for substance abuse, adolescents, 18148
need for prevention & mental health intervention in disaster preparedness, literature review, 18192
need for primary prevention of child abuse & neglect, conference presentation, 3984
peace-through-strength vs cooperation approaches to nuclear war prevention, role of psychology & educational recommendations, US, 11665
phone vs mail prompting interventions, promotion of long term compliance with breast self examination, college faculty & staff members, implications for breast cancer prevention, 25061
physical & psychological morbidity & prevention & treatment of osteoporosis, implications for nursing, 24905
poverty & malnutrition & illiteracy & birth rate & father absence & incidence of violence & alcoholism, psychological & emotional development, children, Mexico, implications for prevention, 26900

prevention & detection of stuttering, parents & teachers of preschool children, 27492
prevention & treatment interventions & exploration of family violence, 25049
prevention of stress resulting from technological catastrophes, 31554
preventive & therapeutic services, psychiatric disorders, children, conference presentation, Mexico, 25037
preventive group counseling, adjustment, immigrants, Israel, 17983
preventive health behaviors related to 10 leading causes of mortality, 23–77 yr old health fair attenders vs nonattenders, 9994
preventive intervention in infancy, predisposing risk factors for drug abuse, 31014
preventive public health strategy using screening tests & gamma-glutamyltransferase analysis, alcoholism & its complication, middle aged males, Sweden, 20553
primary prevention group therapy program, children of alcoholic patients on unit in psychiatric hospital, 25595
problems & emotional demands & prevention of pregnancy, adolescents, Spain, 785
prodromal symptoms & prevention of relapse with antipsychotic drugs, schizophrenic patients, conference presentation, 30738
professional life span perspective & management of burnout, psychologists, implications for graduate school education, 15551
programs for primary prevention of school maladjustment, elementary school students, 4985
provision of rape prevention & control services in accordance with Public Law 94-63, survey of community mental health center directors & other administrators, 22654
psychological adaptability & attitudes toward health problems, 40–59 yr old males in coronary heart disease prevention program, conference presentation, 12319
psychosocial rehabilitation strategies, prevention of rehospitalization, clients, 18290
rationale for & research on work transitions in prevention research, 12674
recent advances in prevention & treatment of developmental disabilities, literature review, 30336
record keeping & outcomes & costs of paraprofessional parent aide program, prevention of child abuse or neglect, 28 yr old single mother, 15292
regular practice of breast self examination & immediate vs delayed seeking of treatment for symptoms of breast cancer, female breast cancer patients, 4566
research routes to prevention of depression, females, Canada, 17712
respite care intervention & stress reduction, child abuse & neglect, parents under stress, 25442
risk containment issues & recommendations to prevent exposure to disease organism or spread of disease to others, patients with acquired immune deficiency syndrome & health care personnel, 28075
role of primary health care, prevention of child abuse & neglect, developing & newly industrializing countries, Africa, 30818
school educational programs for prevention of future alcoholism, learning disabled students, West Germany, 2538
sexual abuse prevention training group, knowledge of prevention concepts, 4–10 yr olds in day care center, conference presentation, 25034
skills & attention-placebo interventions, prevention of tobacco & alcohol & drug abuse, children & adolescents, literature review, 4721
skills-building smoking prevention methods, 6th graders assessed 6- & 15-mo post intervention, 25438
social network interventions as crisis management strategy, prevention of psychiatric readmissions, 20–60 yr old chronic psychiatric patients with repeated hospitalizations, 2142
social pressures & social skills training approaches, prevention of drug abuse & tobacco smoking, adolescents, literature review, 28224
state & local involvement in campaign activities & placement of public service announcements, Alcohol Abuse Prevention Campaign, 1982, 2187
strategies for identification & screening in private nonprofit child abuse prevention programs, high risk clients, 30845
strategies for primary prevention of child abuse & neglect, New Zealand, 9417
Student Opportunity Program intervention, problem drinking, college students, 31369
substance use & abuse trends & components of substance abuse prevention program, high school students, 18641
suggested tests for S attrition & need for standardized reporting of attrition bias, longitudinal alcohol & tobacco prevention research, junior high & high school students, 10741
targeting of alcohol & drug dependence prevention programs, at risk populations, 18175
theoretical & methodological history & future implications for preventive & promotive intervention research involving children, criticism of 6 articles, 4261
training of testicular self examination, continuation of cancer detection skills, 25–35 yr old males, 6-mo followup, 22613
treatment & prevention of psychological suffering from poor environmental conditions, young children, 27696
treatment construct validity of programs for prevention of smoking, adolescents, literature review, 25063
United Nations national youth policies, prevention & treatment services, adolescents, Latin America, 4599
value correlates of preventive health behavior, England, 3743

Preventive Medicine
alcohol consumption & hypertension & sequelae, Blacks, implications for treatment & prevention, literature review, 1231
attitudes toward preventive care services & adequacy of preventive care preclinical coursework, 1st & 3rd yr medical students, 20626

governmental attempts to integrate preventive strategies into health care systems, 1692
health promotion & problem intervention in pediatric psychology, 28065
history of federal government activities in prevention & health promotion, 1705
measurement of pre- vs post-instructional knowledge of & attitudes toward preventive cardiology, 1st-yr medical students with vs without preventive instruction vs expert physicians, 7510
preventive health care & health surveillance, preschool children, UK, 28032
preventive medicine through monozygotic twin studies in chronogenetics, conference presentation, 3131
social class, patterns of preventive health behavior, 45–64 yr old females, 6377
social support group & preventive health care learning, clients who were primarily Black & Latino, 20455

Pride
analysis of B. Spinoza's concepts of pride & self abasement using K. Horney's psychoanalytic conceptions, 5209
application of K. Horney's pride system to marriage & character analysis in H. James's "The Portrait of a Lady" & G. Eliot's "Middlemarch", 24076

Priests
attitudes toward suicide & recognition of suicide lethality, Protestant vs nontraditional vs Catholic vs Jewish vs Eastern religious clergy members vs educated laypersons vs other mental health professionals, 27402
emotions experienced toward God, Catholic nuns & priests, 19709
occupational stress & personal strain & personal resources in leadership roles, priests vs ministers vs seminarians vs nuns vs brothers, 26029

Primacy Effect
dynamic versions of N. H. Anderson's information integration theory for personality impression, 17259
primacy & recency effects in memory for episodic spatial events, male rats, 5554
priming between newly learned vs well-known associates in lexical decision, 13680
priming effect & depth of automatic spreading activation in pronunciation vs lexical decision, college students, 29072
visually vs nominally vs semantically based matching processes assessed through primary effects in semantic matching task, college students, 29114

Primary Mental Health Prevention
community model for prevention services, 12680
comprehensive psychiatric help, medical trainees & house officers, comments on article by D. B. Borenstein, 22819
comprehensive psychiatric help, medical trainees & house officers, reply to comments of R. T. Fintzy, 22808
contributions of clinical psychology, primary prevention of psychopathology, conference presentation, 22350
establishment of formal consultative relationship between counseling center & office of residence life, prevention of mental illness & facilitation of personal growth, college students, 5003
evaluation of primary prevention program, 7–13 yr old children of divorced parents, 4629
Group Activities for Individual Needs program, provision of community services for prevention of mental illness, children & youth, developing countries, 15276
health check-ups by public health nurses, diagnosis & prevention of mental disorders, 5 yr olds, Finland, 12324
history of primary prevention program development at National Institute of Mental Health, conference presentation, 22656
mental health education & prevention workshop, parents & their 14–18 yr olds, 30860
overview of Michigan Department of Mental Health's prevention programs, 12679
Parenting After Divorce educational prevention program, children's adjustment & parent functioning & family environment, divorced custodial parents of 7–12 yr olds, 7130
prevention of mental-emotional disabilities, 28092
primary prevention techniques & professional competence, school psychologists, 20657
radio broadcasts using subliminal relaxation messages & discussion as primary prevention activity, surveyed listeners, 2019
rational emotive education, rational thinking, 5th–7th graders, implications for short term primary prevention, 15663
role of prevention advisory committee in maintenance of Michigan Department of Mental Health's prevention effort, 12678
school-based intervention & primary prevention project, incidence of psychological disorders, low income & minority kindergartners to 4th graders, 3-yr followup, 7749
situation-focused vs competence-enhancement person-centered approaches, primary mental health prevention, 2023
status of primary mental health prevention, 25406
Primary School Students
evaluation of educational program for prereading readiness & precomputational skills & auditory discrimination & visual perception & kinetic motor skills, kindergartners through 3rd graders, 10330
traditional instructional methods & Piagetian theory, arithmetic & reading & writing & constructivism, primary school students, conference presentation, 20684
Primary Schools [See Elementary Schools]
Primates (Nonhuman) [See Also Baboons, Chimpanzees, Gorillas, Monkeys]
adaptations of feeding behavior to environment & evolutionary advantages of social behavior & development of intelligence, nonhuman primates, 11109
addition of color to dry primate diet, feeding behavior, adult & juvenile orangutans, 11051
anatomy & physiology of basal forebrain cholinergic system, primates, implications for role in Alzheimer's & Parkinson's disease & elderly with Down's syndrome, 16420
catecholamine loss, cognitive ability, aged nonhuman primates, implications for treatment of Alzheimer's disease, 16399
consumption of fruit &/vs insects, nonhuman primates, 19277
design of microcomputerized Kline Institute Behavioral Observation System, socially living primates, 432
diet, body size, primates, 19282
ethology, humans vs other primates, bibliography, 26469
individuality in songs, female wild Kloss's gibbons, 23715
individuality in songs, wild agile gibbons, 3107
long calls, interindividual spacing of males & attraction of female mates, male orangutans, 440
mating behavior, adult & subadult male orangutans, 8351
matrilineal kinship, socially affiliative behavior patterns, Celebes black apes, implications for inclusive fitness theory, 11097
neural systems of forebrain implicated in memory, nonhuman primates, 16432
object manipulation patterns, 6 families of nonhuman primate, 23753
organization of song, male vs female Muller's gibbons in duets & solo, 3106
origins & connections & functions of corticomotoneuronal component of pyramidal tract-corticospinal system, humans & nonhuman primates, literature review, 23825
playback of loud calls, territoriality, monogamous lar gibbons, 8360
playbacks of self vs neighbor vs stranger song duets, vocal discrimination, gibbons, 3119
polygynous vs monogamous mating system, nutritional constraints on sexual selection for optimal body weight, male vs female primates, 5650
preference & taste thresholds for citric & acetic acids, 4 primate species, 21378
primary vs selectively logged habitats, ecology & behavior & reduction of detectability, primates, implications for population surveys, 423
primate restraint system with neck clasp, elimination of chronic skin openings & attachments, monkeys, 26150
provision of manipulable & edible materials in zoo environment, activity level & zoo spectators' enjoyment, orangutans, 11132
repertoire & organization & context & function of loud calls, territorial monogamous gibbons, 453
selective logging of habitat, onset & duration & location of calling bouts & territoriality, 2 species of Malaysian primates, 21259
semanticity vs level-of-arousal models & operant conditioning of alloprimate vocalizations, nonhuman primates, review of research, 23679
social organization & sexual & aggressive/avoidance behavior, orangutans, 21251
sociality & reproductive behavior, subadult male orangutans, 3103
song characteristics, hybrid gibbons, 3124
song duets, intergroup spacing, Bornean gibbons, 439
Printed Communications Media [See Also Books, Magazines, Newspapers]
characteristics & informational quality of gerontological nursing news presented in mass media, 11355
financial services print advertisements response profile scores, self reported choice behavior, part-time Masters in Business Administration students, 23330
frequency of citations on human aggression in psychological journals, 8256
gender inequality perpetuation in comic strips, 21878
level of readability in print advertisement, recall & attitudinal judgments & purchase intent, adults, 31585
popular view of vs recent literature about use of print vs TV & children's cognitive development, 8784
positive portrayal of materialism & endorsement of wealth & material comfort as goals in Sunday comic strips vs underground comic, 1971–72 vs 1981–82, implications for consumer research, 24255
validity & reliability of print awareness test, assessment of understanding of function of print, 3–5 yr old prereaders & 2nd grade poor readers from middle- or upper-middle-class backgrounds, 10536
Printing (Handwriting)
printing skills, cursive writing skills, 3rd graders, 2419
Prismatic Stimulation
difficulty level of mental arithmetic, visual & proprioceptive adaptation to optical displacement, right handed college students, 13582
hypnotic anesthesia & goggle removal, head position during phases of prism-adaptation paradigm, right handed college students, replication of study by N. P. Spanos et al, 249
Prison Personnel
California determinant sentencing reform, prison regimes & practices & personnel, inmates & senior management, US, 1063
challenges in all-male correctional facilities, female correctional officers, 5098
description of private social service agencies & nontraditional rehabilitation programs for female offenders, wardens & superintendents, 7477

visual techniques in reading education, reading vocabulary, illiterate prison inmate, 22769
weight changes & nutritional values of prison diets & consumption patterns, female inmates, 4694
work role & power of & type of information acquired from surrogate guards or snitches, penitentiary, 25548
4th & 14th amendment protection for right to privacy in prison cells, prisoners, 24372

Prisoners Dilemma Game
adoption of strategies creating linkages across time & games in Prisoner's Dilemma multisupergame, extension of results of R. Axelrod, implications for arms control & international relations, 24484
cooperation vs competition & inconsistency of behavior in Prisoner's Dilemma game, college students, 24481
cooperative behavior in "world" of egoists & application to Prisoner's Dilemma game, criticism of works by R. Axelrod & W. D. Hamilton, 24464
cooperative vs noncooperative group orientation in prisoner's dilemma game, game strategies & attribution of outcome, female college students, 3722
generosity & uncertainty & strategy, prisoners' dilemma game, 14437
interpersonal vs intergroup behaviors & perceptions, Prisoner's Dilemma game, cooperative vs noncooperative female college students, 17220
moral conflict in adaptation of Prisoner's Dilemma game, college students divided into friendship groups, 21923
playing of Prisoner's Dilemma game after stating vs not stating publicly vs privately intentions to compete or cooperate, behavioral consistency & feedback, female college students, 24527
role of leopard-skin chief in phenomenon of Nuer feud as creative solution to prisoner's dilemma, Africa, 3566
sensitivity to defecting vs cooperating alternative feedback in Prisoner's vs Chicken vs Trust Dilemma game, college students, 24480
validity of D. W. Griesinger & L. W. Livingston's representation of cooperation & competition assessed by Prisoner's Dilemma game, male college students, 24493
value of games & evolution of cooperation, experimental games, comments on articles by A. Diekmann & P. Molander, 14440
value of information in Newcomb's problem & prisoner's dilemma, 10982
Prisoners of War
depression & anxiety & alcohol problems & other symptoms, former World War II prisoners of war, Australia, 22131
generalization of Posttraumatic Stress Disorder MMPI subscale, former World War II prisoners of war from Pacific vs European theater, 19974
Prisons
assumptions about self & normative patterns & meaning of membership/participation in organization, engagement in secondary adjustment in prison vs factory vs church, support for E. Goffman's institutional underlife theory, 26019
breakdown model of collective action as framework for examination of causes of New Mexico prison riot, 1980, 31002
California determinant sentencing reform, prison regimes & practices & personnel, inmates & senior management, US, 1063
care in prison setting, mentally retarded offenders, 2159
coping strategies & prison crowding, reply to J. Bonta, 20539
court-ordered structural reforms, inmate-inmate & inmate-guard violence, prisoners & guards, 30992
mental health status, inmates of urban jail, 7459
mental health treatment & care in jails, mentally disordered persons, implications for mental health professionals working with jail administrators, 22761
mental health work & inmate adjustment, indigenous correctional personnel, 7469
organizational barriers, female correctional officers in prisons for males, 18710
perceived control & relation to crowding & stress & physical symptoms, male prisoners, 30999
population density & negative adaptations in prisons, comments on conclusion of V. C. Cox et al, 20536
prison structure & conditions & inmate characteristics, Nigeria, 15423
problems with working in men's prisons, female guards, 26014
professional role in prison settings, rehabilitation services, psychologists, Norway, 15428
psychiatric injuries & malpractice, inmates, case law, 1048
right to psychiatric care in penal institutions, prisoners, 2173
Specific Offender Center, management of acute or chronic psychiatric illness, inmates, 25557
university level humanities courses, institutional misconduct, prisoners, Canada, 10132
4th & 14th amendment protection for right to privacy in prison cells, prisoners, 24372
Privacy
privacy in parent-infant relationship & in milieu therapy, 7415
public vs private psychiatric interviews, 1821
4th & 14th amendment protection for right to privacy in prison cells, prisoners, 24372
Private Practice
acceptance of referral of patients from public sector, psychiatrists & psychologists & social workers & nurses in private practice, 12822
characteristics & qualifications & practices & clients & training satisfaction & aspirations, clinical psychologists in independent private practice, 2253
community psychology model for new private practice of psychology, 20608
educational preparation & diagnostic approaches in private neuropsychological therapy practice, clinical neuropsychologists, conference presentation, 17813
experiences of & attitudes toward receptionist's role in general medical practice, adults, 12614
growth of private practice & for profit organizations in social welfare, 15233
Halstead-Reitan Neuropsychological Test Battery, private practice psychotherapy, neuropsychologists, conference presentation, 17843
house calls in private clinical social work, 15338
incidence of physical or verbal abuse or harassment, psychologists in private practice, 31118
modified neuropsychological assessment in private practice psychotherapy, contributions of A. Luria & W. Halstead & R. Reitan, conference presentation, 17762
practical & ethical considerations of part time private practice, clinical social workers, 15506
psychosocial health care role in private family practice, social workers, 7378
training opportunities relative to private practice in clinical psychology programs, directors of clinical training, 15473
utilization & seeding strategies for attracting clients, gerontological counseling private practitioners, 18407
validity of neuropsychological assessments in private practice psychotherapy, conference presentation, 17817
Private School Education
academic achievement differences, Black vs Hispanic vs White public vs Catholic high school students, 18520
age & school curriculum, sex role stereotypes & preferences for sex typed activities or games, male vs female 5 vs 7 yr olds in parochial vs progressive school, 13018
attendance at public vs parochial kindergarten program, English & reading & mathematics achievement, 6–7 yr old parochial 1st graders, 28409
Burlington case, reimbursement for unilateral placements in private special education schools, parents of handicapped students, 11660
Catholic vs public education, promotion of cognitive development & approximation of common school ideal, high school students, 18513
Catholic vs public school education, academic achievement, high school students, 18534
determinants of academic achievement in reading & writing & mathematics & science & civics, 10th graders in public vs private school, test of private school superiority hypothesis, 18531
implementation of individual education in Catholic school, elementary & junior high school students, 2375
methodological issues in studies on Catholic vs public high school effects on academic achievement, comments on studies by T. Hoffer et al & J. D. Willms & K. L. Alexander & A. M. Pallas, 18522
minority academic achievement, Black & Hispanic seniors in public vs Catholic high schools, 23010
parents' occupations & type of curriculum & postschool plans & attendance at government vs Catholic vs independent school, academic achievement, 12th graders, Australia, 31225

private vs public schools & 20th century innovations, common school's egalitarian ideal, 31128
psychosocial disadvantages of preparatory schools, privileged children, 28502
single-sex Catholic vs mixed-sex Catholic vs public schooling, cognitive outcome & academic achievement, high school students, 25791
structure equation approach, evaluation of theoretical model of private & public schooling, high school students, 22963
Syphax Child Care Center as effective private preschool educational program, multi-ethnic preschoolers, 15660
Private Sector [See Also Business Organizations]
academia & investor-owned hospitals & role of psychiatrists, 20617
benefits of affiliation between medical schools & investor-owned hospitals in treatment of mental disorders, 20519
career development model of entrepreneurial behavior, human females, 23240
changes in medical education from for-profit hospitals & involved universities, 20618
collaboration on treatment & permanent placement planning by public & private social agency workers, children, 2056
corporate viewpoint of relationship between university & corporate hospital settings, 20518
description of private social service agencies & nontraditional rehabilitation programs for female offenders, wardens & superintendents, 7477
extent of masculine vs feminine traits, male vs female professionals from public vs private sector, Jamaica, 1103
growth of private practice & for profit organizations in social welfare, 15233
job characteristics & organizational climate, top managers from public vs private sector, Israel, 23233
problems in provision of social services by private sector, chronically handicapped, New Zealand, 25421
public vs private sector work environment, attitudes toward older employees, female vs male 24–67 yr old supervisors, 28747
response to federal government attempts to realign domestic responsibilities for provision of human resources, state & local & voluntary & private policy informants & business executives, 14381
Privileged Communication
admissibility of confidential communications made to psychologist or psychiatrist, case law, 27044
assurance of confidentiality &/vs videotape recording of interview &/vs interviewer's sex, depth of self-disclosure, male vs female college students, 11769
confidentiality in forensic evaluation, forensic clinicians, 25613
confidentiality of mediation process in child custody disputes & rules used in court system, 21861
disclosure of confidential communications in worker compensation & criminal & child custody & divorce cases, mental health professionals, case law, 14348
ethical & legal dilemmas of confidentiality in psychiatrist-patient relationship, patients prone to dangerous acts, 15543
ethical & legal responsibilities & liabilities in informed consent & privileged communication during psychotherapy, family therapists, 18345
ethical issues & dilemmas & role, prison counselors, 12865
ethical issues of confidentiality & expert testimony in program evaluation, evaluators with family court related clients, 7362
gossiping & countertransference in relation to empathy, psychotherapists, 10198
health insurance peer reviews, ethics & confidentiality in psychotherapy, conference presentation, 18370
informed consent & access & release of medical records, psychiatric patients, 15363
informing clients of limitations of confidentiality, disclosure in clinical interview, single mothers, replication & extension of findings of I. Muehleman & M. W. Haut, 25121
issues of ethics & control of information, contending with child abuse in family therapy, 12839
issues of secrecy & offspring adjustment in artificial insemination by donor program, 19–49 yr old donors & recipient couples, Australia, 20463
knowledge of & attitudes toward confidentiality in therapy, high school students vs college students majoring in psychology vs former clients from community mental health & university counseling centers, 20609
lack of distinction between confidentiality & privileged communication, psychologists, Canada, 18398
management of confidentiality, psychiatrists & psychologists & internists, US vs Egypt vs Israel, 20602
peer review & mental health treatment report, psychotherapeutic processes & confidentiality, psychotherapists & their psychiatric patients, conference presentation, 18355
protection & definition of confidentiality in police settings, police social workers, 18358
psychodynamics of confidential vs open adoption, adoptive parents, 21838
reconsideration of child abuse reporting laws & psychotherapy, 24398
review of cases against doctors & hospitals & police officers on burden of proof & expert testimony & exhaustion of remedies & priviledged communication & immunity, mentally disabled, 24336
review of cases involving therapist-patient privilege in admission of evidence in court, defendants, 24347
therapist-patient privilege & cases involving admissibility of evidence, sexually disordered & juvenile & medical fraud offenders, 24346
Proactive Inhibition
environment context, memory for frequency, college students, application to revised interference theory of forgetting, 300
fornix transection, amnesia & sensitivity to proactive interference, rhesus monkeys, 8511
negative priming effect & ignored vs attended objects, object selection & categorical internal representation, 18–45 yr old females, 29178
preexisting associations between visual stimuli & food, stimulus-reinforcer interaction in inhibitory conditioning, pigeons, 13744
proactive interference & development of verbal learning & retention, normal vs mentally retarded 4th vs 6th vs 8th graders, 9418
response-outcome incontingency before vs after learning, learning & memory, college students, 16312
same or related vs unrelated sentence topics & individual differences, proactive interference in recall, college students, 13652
sequential teaching, proactive & retroactive facilitation of long term retention, 7th graders, Israel, 3-yr longitudinal study, 22922
taxonomic category of words & intertrial interval, recall & skin conductance response, college students, implications for habituation & proactive inhibition in short term memory, 23874
Probability [See Also Binomial Distribution, Statistical Probability]
auditory stimulus probability, task-evoked pupillary response, college students, 23873
chance vs structure in visual patterns & subjective probability, college students, 2999
departures from theoretically expected distribution of numbers in random number sequences in psychokinesis precognition task, adult female S, 13292
explanatory text with emphasis on rote or conceptual learning of basic concepts of elementary probability, problem solving performance, college students, 28430
judgment of solutions to problem using base rate vs experimental probabilities information integration, counselors, 10239
probability & delay of reinforcement, discrete-trial choice in key peck paradigm, White Carneaux pigeons, 16353
probability of arrest, persons previously arrested for drunken driving, Sweden, 1976–79, 1090
psi-induced bias in probability distribution of seed numbers & observed pseudorandom numbers, 13297
understanding & use of variables & relations, probability problem solving, 5–13.9 yr olds, 29590
Probability Judgment
ability to assess everyday life correlations, college students, 21156
ability to interpret statements that differed according to degree of certainty & part played by negation, 6–11 yr olds, 8695

anchoring & adjustment process in model of making judgments under ambiguity, prediction of inference & risky choice & effects of attitudes toward ambiguity, volunteers & masters of business students, 13621
assessment probability & empirical dependence of utility, claims regarding violations of axiom of J. von Neumann & O. Morgenstern, 23345
base-rate vs individuating information, individual vs group probability judgments, male college students, 29936
calibration of probability assessments, professional blackjack dealers vs statistical experts vs lay people, 8231
card-sorting task with conditional vs unconditional probability, information processing, 21–26 yr old males, 8215
cognitive style dimensions, probabilistic thinking on assessment & prediction tasks, 8224
decision process, blackjack players in casino, 8209
decision rules' compatibility with vs dependence on expected utility maximizing theory, behavior, 16203
evidence for multiple judgment procedures in conjunction errors, college students, 19124
exponential & power law utility functions, computed upper bound on ruin probability, decision makers, 26281
individual differences, ranking of nonnumerical probability phases, graduate students, 8191
instructions regarding importance of decision rule & monetary incentive & perception of self expertise, use of decision rule in probabilistic task, college students, 21143
integration of logical & probability concepts in development of social attributions, literature review, 16877
judgment of probability of simultaneous stopping of 4 revolving roulette wheels at defined position, adult Ss, 21149
lotteries with varied center & range probability intervals, ambiguity seeking vs avoidance, college graduates, 3020
misjudgments of probability & illusory control as basis for belief in paranormal, 28852
origin & validity of common beliefs regarding success of basketball shots, college students, 5021
pairs of auditory stimuli varying in pitch within range of probability, processes in assessment of differences within 3-threshold payoff matrices, 19–28 yr olds, 8200
positive vs negative vs zero response-outcome contingencies, responses & ratings, college students, 5484
preference model of ordinal utility function of uncertain actions & index of risk aversion, 16214
prior beliefs, statistical judgment, college students, 29078
probabilistic concepts & psychology, 5185
probability determination of choice strategies, comments on work by R. Jeffrey, 16300
psychodynamics of "Gambler's Fallacy" in probabilistic reasoning, 290
representativeness of events, conjunction error, college students, decision making implications, 21166
rule-analysis methodology & investigation of covariation judgment, 2nd–4th graders, 6085
semantics & syntax of Bayesian probability language with language of belief functions & probability judgment, 21038
signal detection theory, evaluation of probabilistic forecasts, 3025
source reliability & probability cues, deciding on event more likely to occur, college students, 13616
stressful stimuli, learning of probability information, dysphoric vs obsessive-compulsive college students, 14639
successive elimination of closed set of suspects, estimation of probability of guilt of remaining suspects, college students tutored vs untutored in probability theory, 10980
summarized historical data termed feature cue, performance in cue probability learning task, college students as judges, implications for organizational data base information, 23637
use of psychological scaling techniques, estimation of human error probabilities, personnel implications, 13379
use of psychological scaling techniques, estimation of human error probabilities, implications for use in nuclear power plant, 13380
variable length sequential categories, base rate utilization in probability estimations, college students with vs without background in statistics, 13628

Probability Learning
probability of engaging in experimentally defined deviant behavior, 18–28 yr old males, 6315

Probation
age & prior commitments & unemployment & marital status, recidivism, shock, probationers vs parolees vs straight probation vs Ss sentenced to residential facilities or half-way houses, US, 15406
attachment & commitment & involvement, conformity & probation outcome, adult misdemeanant probationers, 7467
commitment as condition of probation, state hospital, case law, 1056
moral development stage of L. Kohlberg's model, receptivity to intents of financial restitution, 18–52 yr old probationers, 25563
need for establishment of goals for legal/justice system & relation to selection of appropriate form of treatment & punishment, offenders, 30991
participation in general equivalency diploma preparation program, rearrest rates, male probationers, 15443
prerelease offer of companionship & financial support, voluntary acceptance of aftercare service, socially isolated male prisoners, England, 25540
risks to public safety & incidence of recidivism, convicted felons placed on probation, 30997
supervised parole or probation, rehabilitation & counseling, juvenile delinquents, 4689
1982 narcotic law concerning punishment vs treatment of addicted drug offenders, West Germany, 27078

Probation Officers
extent & intervention of job burnout, probation & parole officers, 7880
perceptions & causes of job stress & burnout, probation & parole officers, 15960
perceptions of roles & job function, probation officers, 5110
role of probation officer, sentencing process, male vs female & liberal vs conservative probation officers, 24407

Problem Drinking
alcohol abuse, agoraphobic vs panic disorder vs simple vs social phobic vs generalized anxiety disorder patients, 27377
alcohol drinking patterns & problem drinking, females, 1971–81, US, 14417
alcohol misuse prevention program, knowledge of effects of & risks of alcohol misuse & social skills to resist peer pressure, 5th–6th graders, 28415
alcohol use during pregnancy, neonatal physical anomalies & size & behavior, disadvantaged females with vs without history of alcohol abuse & their newborn infants, 27230
alcoholism & problem drinking, economic costs & workforce productivity losses, 14725
assumption of need to treat 20% of alcohol problem prevalence population, alcohol treatment programs, US, 22785
behavioral self control training group, problem drinkers, 7502
cognitive-affective stress management training, reduction in alcohol consumption, heavy social drinking male college students, 7497
elevated blood acetate as laboratory marker of alcoholism or heavy drinking, 19–74 yr old intoxicated alcoholic vs heavy vs occasional drinkers, 27420
intercorrelations between alcohol consumption levels & alcohol related problems, employed adults, 24454
life problems & level of problem drinking, 15–24 yr old driving-while-intoxicated offenders in mandatory rehabilitation program, 12074
outline of W. R. Miller's work on problem drinkers & controlled drinking & development of self help book, literature review, 1978–83, 7147
psychological distance & perception of problem drinkers vs self vs ideal self, doctors vs nurses vs general practitioners vs alcoholic patients, 22179
social & medical complications & biological markers & counseling & feedback treatment of heavy drinking & alcoholism, Sweden, 14710
Student Opportunity Program intervention, problem drinking, college students, 31369
transference/countertransference psychotherapeutic process, chemical or alcohol dependent clients below age 20, contributions of M. Fordham, 31006

treatment length restriction vs followup interview style, treatment outcome, 18–65 yr old alcoholics in outpatient treatment, 22791
validity of MacAndrew Alcoholism Scale & sociodemographic variables, screening for problem drinking & drug use, 9th–12th graders, 5353
Problem Solving [See Also Anagram Problem Solving, Cognitive Hypothesis Testing, Group Problem Solving]
ability in mental puzzles based on geometry knowledge & selection tasks & essay writing tasks, college students, support for theory of intelligence of K. Raaheim, 3029
ability level & sex, cognitive engagement processes used in computer problem solving game, 7th & 8th graders, 21717
ability to use supports to retrieve visible vs invisible & covered vs uncovered objects, infants with mean ages of 38.2 & 38.4 wks, 3471
acquiescent response style, Kirton Adaption-Innovation Inventory's identification of individual problem solving styles, college students, 28953
addition vs subtraction arithmetic word problem solving strategies & effects of carrying & borrowing, 3rd graders, 2443
additive contributions of problem solving component skills, production of effective solutions, 27–61 yr old male inpatients enrolled in alcoholism treatment, 4715
age & health & education & sex, state & trait anxiety & reasoning & problem solving test performance, 40–59 vs 60–79 yr olds, 30173
age differences, spatial problem solving, kindergartners vs 2nd vs 3rd graders vs college students, 6095
alternative evaluation approach for junior high school problem solving training program, criticism of G. S. Tellado's study, 2389
analysis & simulation model of verbal protocols for learning to program recursive functions, 8 yr old & college students, 16323
ANOVA vs randomization vs contingency tables, testing statistical significance of rule-based models of human problem solving, 16207
attitudes toward problem solving, 25 yr old beginning mathematics teacher, 28380
attribution of responsibility for outcome in problem solving dyads, depressed vs nondepressed college students, 24654
awareness & avoidance of problem solving set in verbal conditioning, 3042
causal attributions in personal problem solving efforts, college students self appraised as effective vs ineffective problem solvers, 19835
characteristics of & guidelines for writing case studies for planning & evaluation, criticism of G. S. Tellado's study of junior high school problem solving training program & its evaluation, 2294
choice RT & underlying processing & nonprocessing states, college students, 21158
coded observation system, recording of exploratory & problem solving behavior in challenging play situations, 30 mo olds, 14168
cognitive behavior modification, private speech & problem solving task performance, learning disabled vs normally achieving 7–8.9 yr olds, 18007
cognitive problem solving dialoguing & drama therapy in group counseling, interpersonal skills, Black 10–15 yr olds in foster care, 20497
cognitive processing capacity, verbal problem solving, 3rd graders, 28487
cognitive strategy training, verbal math problem solving performance, 15–18 yr olds with learning disabilities, 13095
cognitive vs metacognitive factors in mathematics problem solving, learning disabled vs regular 2nd–6th graders, 1489
cognitive vs social rigidity & intelligence & personal adjustment & evaluation of social problem solving skills training program, 60.9–88 yr olds, 24091
computer assisted instruction, facilitation of thinking skills, 4 yr olds in nursery school, 2398
computer-generated problem solving activities, reasoning & critical thinking, 4 yr olds in nursery school, replication & extension of authors' earlier study, 31208
computer program for interactive fuzzy decision making, solving multiobjective nonlinear programing problems, decision makers, 16096
computer use, intellectual development & theory-oriented problem solving in education, children, 15637
concurrent vs sequential instruction method, solving verbal math problems, 3rd graders, 10349
cooperative & competitive vs individual conditions, problem solving effectiveness & time, 6th graders, 756
cooperative vs competitive vs individual goal structures under conditions of intrinsic motivation & social reinforcement, group interactions & problem solving time & effectiveness, 8th graders, Greece, 29698
curriculum planning, creative thinking & problem solving, curriculum planners, 15667
definition & perception of systems, problem solving, systems practitioners, 31543
development of chemistry creativity & problem solving test, chemistry students, 18650
development of problem solving & communication skills using Marriage Contract Game, focus on marital problems, couples requesting psychiatric treatment for children, 1850
development of problem solving in gears task, 8–9 vs 11–12 yr olds, 29629
development of problem solving questionnaire, 16149
difficulty & complexity of computer task, query preferences, college students, 10969
discovery of physical laws & organization of data, solution of logical problems, deaf 16–18 yr olds vs hearing 13–14 yr olds, implications for special education curriculum needs, 7703
divergent thinking ability & act generation performance, college vs advanced graduate students, 23596
domain-level collaboration for interorganizational problem solving, 7853
double dissociation between perseverative responses on short term memory & problem solving task, 51 & 61 yr olds with cerebral tumors, 27592
error correction strategies in manipulative play, 18 vs 24 vs 30 vs 36 vs 46 mo olds, 813
evaluation of components of complete behavioral marital therapy package, married couples, 6-mo & 1-yr followups, 4383
evaluation of empirical research in troubleshooting, implications for training, 18725
evaluation of training program in interpersonal problem solving with staff members relative to mainstreaming, public high school principals, 15611
exit vs neglect vs voice vs loyalty problem solving typologies, prediction of relationship distress/nondistress, college student dating couples, 21927
experience in group problem solving, subsequent individual problem solving success, adults, 5466
experimenter behavior, problem solving & judgment of persons & test anxiety scores, college students, 8207
experimenter effects & adequate control groups in lure-retrieval paradigm, study of role of play in problem solving, 3.8–4.7 yr olds, experimental replication, 99
father absence, family verbal problem solving, families with delinquent vs nondelinquent 12–17 yr old males, 3971
father absence, interpersonal problem solving skills, nursery school children, 17014
feedback conditions & process oriented personality measures, prediction of problem solving performance on symbol maze concept formation task, college students, 24551
feedback requiring change vs repetition, solution of divergent vs semi-divergent figure drawing problems, 1st–8th graders, 14182
field dependence-independence & formal thought & fixity-mobility & associative problem solving, creativity, college students, 21986
field independence, identification & repair of electrical problems, 16–20 yr old apprentice electricians, Ireland, 17257
forms of representation & process types in problem solving, 3017
grade & socioeconomic level, performance on Purdue Elementary Problem-solving Inventory, 2nd vs 4th vs 6th graders in low- vs middle-income school, implications for gifted education, 7751
group measurement of & issues regarding social-cognitive problem solving, 4th–6th graders, 24176
group social skills & problem solving training, conversation & peer relationship skills, shy 12–14 yr olds, 9806
guidelines for attacking creative problems successfully, 21965
hierarchical nature of schemes, problem solving procedures, conference presentation, 8229

identification & diagnosis & response to emergencies, operators of man-machine systems, implications for training, 25964
identification of client/recipient & presentation & implications of findings, junior high school's failure to continue successful problem solving training program, remarks on G. S. Tellado's study, 2361
imagery as counseling modality, development of more adaptive behavior & coping with stress & problem solving & expansion, clients, 12703
incidence of suicidal thoughts & stressful life events & problem solving preparation, college students, college counseling implications, 24755
indigenous number system, arithmetical problem solving in Western school setting, Olsapmin 2nd vs 4th vs 6th graders vs nonschooled adolescents, Papua New Guinea, 15762
individual differences in human information processing styles & strategies during problem solving & decision making, implications for man-machine systems, 26351
interpersonal cognitive problem solving & community psychology, 13643
interpersonal cognitive problem solving training, solving interpersonal problems & classroom behavior, low income preschoolers in rural Head Start program, replication of study by M. B. Shure, 12954
intoxication, marital communication & problem solving, 28–63 yr old alcoholics & their nonalcoholic spouses, 1420
item complexity & goal setting parameters of perceptual maze problem solving task, time spent in various phases of problem solving & relationship to personality, college students, UK, 17274
judgmental heuristics, self efficacy judgments & behavior, high school & college students, 19655
junior high school's failure to continue successful problem solving training program, criticism of G. S. Tellado's study & comments on critiques by M. Q. Patton & M. D. McCorcle & D. E. Engel, 2363
kinds of social interaction in collaborative work vs individual work on spatial perspective problems, task performance & cognitive change, 5–7 yr olds, 14116
Kirton Adaptation-Innovation Inventory, strategies in creative problem solving & decision making in organizations, adults, Italy, 18779
linguistic &/vs spatial imagery models of problem solving, 2-term presupposition series problems, college students vs elementary school teachers vs secondary school students, 21638
logical vs memory vs semantic factors, verbal arithmetic problem solving, nonretarded 4th graders vs mildly retarded adolescents, 14750
low-fidelity simulator, formation of hypotheses based on feasible set of symptom-case pairs & strategy for shifting to evaluation stage, marine engineer trainees, 18726
man-machine interactive multiple objective linear program, decision making & problem solving, implications for management methods, 28824
marital locus of control & approach to marital problem solving, couples, 27004
mathematics strategies, solving object problems vs sums, 6.4–7.1 yr olds, 14139
meaning training, functional fixedness in problem solving, high school students, 4830
medial frontal lesions, spatial problem solving, male rats, 13927
mediation, conjoint conflict resolution & problem solving in social casework, 18213
mental health treatment planning simulation test, clinical judgment & problem solving approaches, experienced mental health counselors vs trainees, 15269
mental representation & model of optimal addition & subtraction word problem solving process, 1st graders, 4879
method of teaching comparison of metric measurements, problem solving abilities, male 9th–10th graders in vocational high school, 15656
methodological problems with single session paradigm used on play and problem solving studies with children, reply to comments by J. L. Dansky, 19693
mirror- & TV-guided tasks, spatial problem solving ability, chimpanzees, 8291
misconceptions in geometric problem solving, female vs male high school vs college students, 20727
modal default reasoning in automated information systems, 2835
modeling-based intervention, self reported change in interpersonal problem solving, 1st-line supervisors, implications for assessment of alpha & beta & gamma change, 15995
monitoring through vocalizing vs nonvocalizing pairs vs individuals, transfer of problem solving skills, college students, 23624
morning vs afternoon, incidental visual memory for words & ability to solve verbal analogies, normal vs learning disabled vs educable mentally retarded children, 6691
multidisciplinary approach to program development, social problem solving intervention, middle school students with behavior & learning disorders, 10472
naive vs objective common concepts, solving of problems regarding equilibrium of objects, 17–45 yr olds, 29102
number of combinations & elements in problem & role of short term memory, problem solving task performance, college students, 19165
number of cues & trials on geometric problem solving tasks, identification of relevant & redundant attributes & learning skills in concept identification, male vs female 18–26 yr olds, 8194
number of persons being taped & degree of intervention & nature & degrees of freedom in instructions & intervention & comfort in environment & task variables, generation of verbal reports, college students, 28488
number of repetitions of relevant vs irrelevant & phonetically related vs irrelevant cues, problem solving, female vs male 8–12.4 yr olds, 19584
obstructions to & suggestions for development of problem solving skills, students, 2353
open field parameters, extrapolation task solving, rats, 11080
organization of knowledge according to problem schemata, college students in physics who are good vs poor novice problem solvers, 29076
organizational change perspective of school's failure to continue successful junior high school problem solving training program, criticism of G. S. Tellado's study, 2384
parents as cotherapists in Think Aloud social cognitive problem-solving program, problem solving & adjustment, 8 yr old aggressive & 9 yr old impulsive males & their parents, 9780
peer interaction, individual problem solving performance in logic game, 7–8 yr olds, 14166
perception of partner as strong vs weak & active vs passive, success of individual vs joint problem solving, college students in dyads, 6350
performance on verbal analogy & classification problems assessed by process execution, college students, 271
personality development & intelligence, problem solving productivity, 14–16 vs 20–25 yr olds, 6076
physical activation level, problem solving & risk taking & execution of simultaneous tasks, 10–17 yr old high-performance athletes vs nonathletes, 11464
picture-prompt card training, public transportation problem solving skills, moderately mentally retarded 18–20 yr olds, 4-mo followup, 15444
possible problems in utilization of information processing paradigm in research on medical problem solving, literature review, 20284
preference for decision structures in social dilemma situation, additional data on same author's previous study, 11773
problem solving & behavioral coping strategies, families of diabetic vs psychiatrically hospitalized adolescents, 9199
problem solving & complex manipulatory abilities, sticklebacks, conference presentation, 19192
problem solving & daydreaming & dreaming & brainstorming as vehicles for world reconstruction, 26287
problem solving & self appraisal, White vs urban vs rural Black college students, 23614
problem solving abilities, children & adults, Papua New Guinea, literature review, 6086
problem solving as moderator between causal ascriptions & depression, college students, 14510
problem solving guide, clinical social work, 2043
problem solving interactions during learning games at computer & jigsaw puzzles, 3.7–5.6 yr olds, 8769

problem solving, level of intelligence by IQ score, 1st vs 4th graders, 16967
problem solving marital interactions, husbands with clinically depressed wives, 9216
problem solving skills training, problem solving & locus of control & self esteem, 7th–9th graders, 2410
problem solving strategies, learning disabled 9.8–12.1 yr olds, 14755
problem solving therapeutic techniques & reframing, 28 yr old female & 27 & 33 yr old males, 2200
problem solving training, agoraphobia, criticism of study by A. Cullington et al replicating research of L. Jannoun, 9827
problem solving training, agoraphobia, reply to criticism by T. J. D'Zurilla, 9818
problem solving vs Milan-systemic therapies, alcoholics & their families, case examples, 22774
procedure for studying complex problem solving & intelligence testing, 8206
processes in solving physics problems, 12th graders with good vs poor problem solving abilities, 2426
production levels & network troubleshooting, investigation of human problem solving behavior, 8019
production of ideas, individuals vs dyads, replication of study by D. Barkowski et al, 17215
provision of analogous solution statement, problem solving, college students, test of theory of solution generation, 29083
proximity vs specificity planning, self regulation, 9838
reading ability, solving of story problems in pictorial format vs matching problems in verbal vs telegraphic format, 3rd–7th graders, 7644
reconstructed vs retrieved problem solution of simple additions as reflected in response latencies, college students, 21189
repeated addition & partitive & quotative models, solving verbal multiplication & division problems, 5th vs 7th vs 9th graders, Italy, 10336
research on analogical reasoning & relation to problem solving & knowledge acquisition, implications for cognitive psychology & artificial intelligence, 8192
research trends & conflict between individual motivation and societal interest regarding social dilemmas, 24461
role of blank, verbal reinforcement contingencies, college students, Japan, 5477
rule-based model of human problem solving behavior in dynamic environment, 10650
self appraisal of problem solving ability & psychological adjustment, college students, 3736
self appraisal of problem solving confidence & approach-avoidance style & personal control, depressive symptoms, college students & 29–69 yr olds with unipolar major depression, 17393
self appraised problem solving abilities, awareness & utilization of campus helping services, college students, 15924
self awareness & success- vs failure-related incentives, achievement motivation & number-reasoning task performance, junior high school students, 13001
self awareness exercises & activities, control of impulsive behavior & use of problem solving, learning disabled students, 13080
self interest & attitude toward resource pool & conformity to norm pressure, individual vs collective solutions to harvest decisions, college students, 21917
sex of child & parent & child's speech, parent's speech during interactive problem solving, 9 yr olds & their parents, 14318
simplified version of LOGO, understanding of number & shape concepts & problem solving concentration & cooperation, disadvantaged male vs female 6 yr olds, Scotland, 15666
skill development, arithmetic story problem solving, 5–8 yr olds, 14183
sleep deprivation & age & altitude & workload, cognitive & mental arithmetic performance & problem solving & tracking, 30–39 vs 60–69 yr olds, 16485
social & task orientation, behavior in cooperative problem solving task, 4th graders, 8878
social competence & social problem solving skills, learning disabled vs normally achieving vs low achieving 8th grade males, 9462
social problem solving skills & social competence, 6th graders, 11503
social problem solving vs problem focused group therapy, depressed adults, 20326
social skills course, attitudes & teaching methods & management & problem solving skills, college teachers, 15599
social skills training &/vs interpersonal problem solving training, social competence, moderately & mildly mentally retarded 44–81 yr olds, 28196
solving problems with ambiguous subgoal ordering, 45–70 mo olds, 832
spacial ability vs cognitive restructuring vs reading comprehension, mathematical problem-solving performance, 3rd–7th graders, 28493
spatial visualization ability, mathematical problem solving, 6th–8th graders, 7630
spontaneous interconnection of two vs three repertoires in problem solving behavior, White Carneaux pigeon, 357
spontaneous solution to primary task during performance of secondary task, 9th & 10th graders, 6042
Ss' feeling of knowing, memory vs problem solving, college students, 19144
standard vs strategy instructions with vs without practice on dot-connecting problems, 9-dot problem solving, college students, 10972
statistical reasoning training, thinking about & solving everyday problems, adults & high school & college students, 29079
structure of early number concepts based on numbers 1–5 vs 1–10, 5.1–6.4 yr olds, Japan, 21741
structured experience vs traditional remedial teaching methods, problem solving strategies, mentally retarded students, conference presentation, 20769
structured support group therapy, interpersonal & cognitive problem solving skills, psychiatric inpatients, 22461
suggestions for training of management skills in employee conflict through discussion & problem solving, 28760
targeted family problem solving therapy, drug use & school failure, 15–16 yr olds, 1.3 yr followup, 30619
test of hypothesis that formal reasoning on conditional logic problems is mediated by awareness of existence & pertinence of possible relations, French speaking college students, 281
theory & methodology & research on problem solving processes, 3031
theory of symbolic representation in problem solving, 19113
think-aloud vs thought-listing cognitive assessment methods, cognitive content variables & problem solving & anxiety, highly math anxious college students, 4904
time constraints, ability to use relevant information during problem solving, college students, 21144
training in general orientation &/vs problem definition &/vs generation of alternatives &/vs decision making, problem solving behavior, graduate counseling students, 19099
training in multiple-cue probability strategies & time pressure vs self paced problem solving, cognitive control & matching, college students, 21159
training in Tower of Hanoi problem, immediate posttraining performance & maintenance & generalization of improved performance, mildly vs moderately retarded institutionalized young adults, 4070
training program in problem solving with conduct disordered adolescents, high school principals, 1-mo followup, 2323
transmission of more information, improvement of problem solving & recall & use of long term memory, normal vs hearing impaired children, 27598
type of knowledge, problem solving in process control task, college students, 10653
understanding & use of variables & relations, probability problem solving, 5–13.9 yr olds, 29590
use of analagous solutions, solution of algebra word problems, college algebra students, 2437
value of information in Newcomb's problem & prisoner's dilemma, 10982
verbal interactions & problem solving behaviors of mothers vs fathers with children, mothers vs fathers & their 9 vs 12 yr old male vs female children, 24310
verbal vs matrix organizational/memory charts under computer vs learner control, Pico-fomi problem solving, college students, 10384

visual exploration vs physical manipulation play, problem solving ability, 44.7–63.9 mo old preschool age children, experimental replication of K. Sylva's study, 11408
vocalization & manual activity & visual fixation, locating small toy hidden in boxes with attached drawings, 1–2 yr olds, implications for development of ability to remember or manipulate symbols of objects, 6041
water-jar problems presented in tense vs relaxed social atmosphere with vs without timing of responses, application of Einstellung vs direct method & reasons given for responses, male vs female college students, 3027
weekly TV viewing habits, imaginative abilities & attitudes, 10–13 yr olds, Australia, 26802
wording of verbal addition & subtraction problems, problem representations & solutions, 1st & 2nd graders, 2357
Yodai mnemonics & cross cultural applications, problem solving & understanding in mathematics, reply to comments by J. Kilpatrick & M. Pressley & J. R. Levin, 22949
Procaine
procaine, limbic system excitation, animals & humans, literature review, 5813
systemic vs intracranial sodium amylobarbitone vs intracranial procaine, rearing & ambulation, male rats, 26709
Process Schizophrenia [See Schizophrenia]
Prochlorperazine
prochlorperazine vs delta-tetrahydrocannabinol vs nabilone vs levonantradol, attenuation of cyclophosphamide-induced taste aversions, male mice, implications or evaluation of cancer chemotherapy drugs, 21541
Productivity (Employee) [See Employee Productivity]
Professional Certification [See Also Accreditation (Education Personnel)]
accreditation vs professional certification vs licensure, implications for human resource development practitioners, 25985
approaches for validation of National Teacher Examinations, assessment of competency, teachers, 25898
attitudes regarding special certification for middle-grade counselors, middle-grade teachers & principals, 31148
attitudes toward & preparation for psychiatry board examination, staff members of host institution, 28288
attitudes toward Professional Schools of Psychology & PhD vs PsyD degree for clinical practice, American Psychological Association members, 2213
competency-based training & certification program, quality of government child care agencies, child care counselors, Canada, 15536

asceticism & anorexia nervosa, Saint Catherine of Siena, 14th century, conference presentation, 24966
aspirin &/vs caffeine &/vs guaiphenesin, edemas of paw & ear, rats, conference presentation, 14018
asymmetry of hemispheric activation during complex visuomotor performance, male vs female 20–41 vs 50–80 yr olds, conference presentation, 5703
attempt to name common object vs living being presented through pictorial stimuli, verbal-semantic representation of nouns & strategies to access them, aphasic patients, Hungary, conference presentation, 12251
attentional mechanisms in posterior parietal cortex & frontal eye fields, rhesus monkeys, conference presentation, 3154
attitudes toward communication with students & ongoing course planning activities & class processes, college faculty, conference presentation, 4811
attitudes toward pornography & antipornography documentary 'Not a Love Story', males vs females 20 yrs old & older, conference presentation, 17146
attitudes toward time & work ethics & values & organizational conflict, US Virgin Islands & West Indies, conference presentation, 18780
attitudes towards tobacco & alcohol & drug use & abuse, medical students, Nigeria, conference presentation, 28317
audiological selection for & evaluation of cochlear implants, deaf patients, conference presentation, 4573
audiometry, diagnosis of auditory brain stem responses, 26–52 yr old multiple sclerosis patients, conference presentation, 6711
auditory & phonemic contrast, perception of rise-time & affricate/fricate distinction in speech, comments on study by J. E. Cutting & B. S. Rosner, conference presentation, 264
auditory cortex structural changes, mutant deaf vs normal hearing mice & 12–23 yr olds with moderate to severe hearing loss, conference presentation, 3262
authoritarian personality, adaptation to clinical realities, interdisciplinary team, conference presentation, 10229
authoritarian principals & atmosphere of hostility & tension, self monitoring behavior, male vs female secondary school teachers in large vs small public vs private schools, Lebanon, conference presentation, 10304
authoritarianism & applicant's sex, perception of need & deservingness of 26 yr old applicant for public assistance, female college students, conference presentation, 9113
authoritarianism & attitudes toward sexuality, prediction of affective & evaluative responses to homosexual vs heterosexual erotica, male vs female college students, conference presentation, 9062
authoritarianism, affective responses to heterosexual vs homosexual stimuli & attributions of responsibility & attitudes toward E's sexual characteristics, male vs female college students, conference presentation, 9150
authoritarianism as societal vs personality or social psychological problem, conference presentation, 8928

authoritarianism, evaluation of performance of same vs opposite sex Ss on sex-linked task, male vs female college students, conference presentation, 9131
automatic extraction of diphones, production of synthetic sentences, conference presentation, 79
autonomic & endocrine systems, regulation of food intake, conference presentation, 21284
autonomic nervous systems, gustatory system, conference presentation, 10904
awareness & stimulus valence, affective information processing, college students, implications for R. B. Zajonc's hypothesis, conference presentation, 289
awareness of self & others based on experiences, humans & animals, conference presentation, 29182
behavior modification methods of revalidation, senile dementia, conference presentation, 4461
behavioral & drug therapeutic methods, hypertension, patients, conference presentation, 9681
behavioral & neuropharmacological effects of cholecystokinin & related peptides, conference presentation, 19518
behavioral paradigms for study of cholecystokinin in brain & gastrointestinal system, literature review, conference presentation, 29309
behavioral performance tests, assessment of solvent toxicity to nervous system, humans, conference presentation, literature review, 30393
benefits of psychotherapy & consideration as requirement, psychotherapists, conference presentation, 20589
benzodiazepine binding site heterogeneity, literature review, conference presentation, 29276
benzodiazepine binding site interactions of CGS 9896 & CGS 8216 in areas of brain, male rats, conference presentation, 29388
benzodiazepine receptor agonists & antagonists & inverse agonists, GABA benzodiazepine receptor binding, conference presentation, 29436
beta-adrenergic blockers, assaultive behavior, 28–62 yr olds with chronic schizophrenia, conference presentation, 27996
biofeedback training vs video game training, impulsivity & locus of control & self concept, 15–18 yr old incarcerated juveniles, conference presentation, 7463
biographical sketch of R. Morton as author of 1st medical account of anorexia nervosa, 17th century, conference presentation, 24987
biological & psychological factors, model of pathogenesis of depressive disorders, literature review, conference presentation, 27258
biological predictors of response to tricyclics & lithium therapy & age of illness onset, depressed patients, test of heterogeneity & differential diagnosis of affective disorders, conference presentation, 12020
bleaching of rhodopsin in isolated retina & background light & test flashes, responses of photoreceptors & increment thresholds, skates, conference presentation, 540
blood adenosine phosphate acid levels after chlorpromazine vs psychopathological symptomatology, diagnoses of psychoses vs personality disorders vs alcohol & drug abuse, psychiatric patients, conference presentation, 14554
blood-born vasopressin & complex brain performances & stress, conference presentation, 3202
blood levels of glucose & insulin & gastrin & pancreatic glucagon & secretion & gastrointestinal polypeptides following overnight fast, female anorexia nervosa patients, conference presentation, 24861
blood platelet serotonin concentration, patients with dissociation vs paranoid/manic depressive schizophrenia, conference presentation, 6482
blood pressure & Type A behavior & cardiovascular reactivity, coronary heart disease risk factors, conference presentation, 9611
body image & culture shock, illness & doctor-patient relationship, North African immigrants, France, conference presentation, 7332
body image disturbances & dissatisfaction, prediction of relapse, bulimia nervosa patients, 6-mo posttreatment followup, conference presentation, 24897
body image disturbances as measured by size estimation & distorting image, anorexia nervosa & bulimia, literature review, conference presentation, 24989
body temperature & performance, morning vs evening type male workers, conference presentation, 29336
body temperature, sensitivity of brain to ethanol-induced depression assessed by sleep time & wake-up brain ethanol concentrations, male vs female C57BL/6 vs BALB/c mice, conference presentation, 16541
bombesin, behavior, goldfish vs frogs vs mice vs rats vs guinea pigs vs rabbits vs chicks vs pigeons vs monkeys, conference presentation, 16600
bombesin vs cholecystokinin, feeding behavior, rats & mice & baboons & humans, literature review, conference presentation, 16634
bombesin vs litorin, oral ethanol consumption, rats, conference presentation, 29445
brain homeothermy during sleep & wakefulness, human Ss, conference presentation, 29318
brain lesions, patients with cerebral visual disturbance as part of infantile encephalopathy, implications for role of hypoxia &/or ischemia in etiology, conference presentation, 1657
brain structural/functional organizations of emotional states & reactions assessed by infraslow physiological processes, epileptic patients, conference presentation, 30357
brief analysis for melancholic identification with original object, 3.5 yr old male, conference presentation, 27821
brief psychotherapy & transference, patients, conference presentation, 22407
bromazepam, outpatients with psychoneurotic or depressive or sexual disorders, conference presentation, 7260
bromazepam vs diazepam, neurotic outpatients, conference presentation, 7158
bromocryptine vs dironyl vs naloxone, coping with shock-induced motor depression, male vs female normo- & hypertensive rats, conference presentation, 5853
bulbocapnine, daily patterns of spontaneous circling, female rabbits, conference presentation, 14007
buprenorphine, heroin & food self administration & operant performance, humans & primates, conference presentation, 8581
caloric nystagmus test, measurement of vestibular function, 17–50 yr olds, conference presentation, 1525
carbamazepine & haloperidol, psychotic symptoms, 22–64 yr old psychotic male patients, conference presentation, 22514
carbamazepine, mania, patients with manic depression or schizoaffective psychosis, conference presentation, 7159
carbamazepine, plasma levels & EEG activity & manic symptoms, patients with manic depressive vs schizoaffective psychosis, conference presentation, 15128
cardiovascular activity & pain perception & stress-induced analgesia, rats selectively bred for high vs low avoidance behavior, conference presentation, 19310
carotenoid content & transmission of light & distribution patterns & functions of cone oil droplets, 19 species of birds, conference presentation, 506
carpipramine, psychomotor inhibition & depression, 20–40 yr olds with schizodepressive psychosis or defective schizophrenia, conference presentation, 7199
cases involving neurasthenia & psychotic & cerebrovascular accident patients, assessment of & suggestions for treatment & drug therapy, psychiatrists, conference presentation, 6959
cases of abuse admitted to pediatric inpatient service over 10 yr period, children under 10 yrs old at time of abuse, Switzerland followup study, conference presentation, 25482
catecholamines with propranolol & aminophylline & DH-ergotoxine, operant behavior & saccharose consumption & activity of liver tryptophan pyrrolase, rats, conference presentation, 14059
causal analysis of personality & stress & cancer & cardiovascular disease, conference presentation, 22250
central mechanisms underlying pattern vision, rhesus & Japanese monkeys, conference presentation, 3157
central nervous system-induced secretion of cholecystokinin, food intake, animals & humans, conference presentation, 19315
cerebral hypoxia or ischemia, visual deficits, 3 mo to 17 yr olds who had suffered perinatal or postnatal hypoxic events, conference presentation, 1655

ceremonial ritual & repetitive auditory or visual or tactile stimuli, social cohesion & modulation of aggression, humans, conference presentation, 980
ceruletide & cholecystokinin octapeptide & morphine injected into periaqueductal gray matter, nociceptive motor responses & activity, rats, conference presentation, 19463
ceruletide, symptoms, 29–30 yr old neuroleptic-resistant schizophrenic patients, conference presentation, 20390
challenge dose of ethanol, physiological responses, 18–53 yr old mono- vs dizygotic male twins, conference presentation, 3129
challenges & unsolved issues in field of psychotherapy, conference presentation, 17758
changes in ambulatory health care from American College Health Association, college students, conference presentation, 28596
changes in neuroendocrine systems & possible side effects due to hormonal treatment, mania, literature review, conference presentation, 14584
changes in noradrenergic system, 13–41 yr old patients with mental anorexia, conference presentation, 6809
changes in psychoanalysis & psychotherapeutic theory & technique due to theoretical trends, conference presentation, 14992
changes in treatment approaches & scientific method & body of knowledge in psychoanalysis, conference presentation, 30584
changes in treatment methods & demographic variables of couples seeking sex therapy, conference presentation, 12341
changes in utilization during transition to community mental health care, schizophrenic patients, West Germany, conference presentation, 28087
characteristics & precipitating events, 29–47 yr old homicidal depressed patients, conference presentation, 17410
characteristics of suicidal behavior, 6–12 yr old in- vs outpatients, conference presentation, 27437
characteristics of unstable delirium, conference presentation, 3926
characteristics, psychiatric patients 15 to over 85 yrs old with multiple admissions, Denmark, conference presentation, 28162
child pornography & sexual exploitation of children, conference presentation, 24810
childhood parental death, mental illness, psychiatric inpatients, conference presentation, 17404
chlorpromazine, quality of sexual activity, schizophrenic females, conference presentation, 15179
cholecystokinin & ceruletide, satiation & food intake & appetite, lean vs obese humans, conference presentation, 19503
cholecystokinin administered to lumbosacral spinal cord, opiate-mediated footshock analgesia, rats, conference presentation, 19440
cholecystokinin, exploratory & feeding behavior, rats, conference presentation, 19432
cholecystokinin, feeding behavior, animals & humans, conference presentation, 19476
cholecystokinin, frequency & appearance of satiety behaviors, obese 10 wk old mice, conference presentation, 19506
cholecystokinin injection into nucleus accumbens vs caudate nucleus, apomorphine-induced stereotypy & dopamine-induced hyperlocomotion, male rats, conference presentation, 16601
cholecystokinin injections into nucleus tractus solitarius, food intake & exploratory behavior, male rats, conference presentation, 19430
cholecystokinin levels in limbic lobe, deceased schizophrenic patients, conference presentation, 19916
cholecystokinin octapeptide & proglumide, electrically elicited eating, male rats, conference presentation, 19495
cholecystokinin octapeptide &/vs vasoactive intestinal peptide, rearing & sniffing & head stereotypy & grooming, neofrontal-decorticated male rats, conference presentation, 19466
cholecystokinin octapeptide, CNS, 20–59 yr old chronic schizophrenics receiving concomitant neuroleptics, conference presentation, 20404
cholecystokinin octapeptide, food intake & gastric emptying, normal vs vagotomized males, conference presentation, 20465
cholecystokinin octapeptide iv into nucleus accumbens, intracranial self stimulation derived from ventral tegmental area, rats, conference presentation, 19508
cholecystokinin octapeptide, self stimulation & locomotor activity, rats, conference presentation, 19448
cholecystokinin-8 vs bombesin vs insulin vs toxin, diet self selection & taste aversions & feeding satiety, male rats, conference presentation, 21614
CHORIMAC-12 cochlear implant with 12 channels, France, conference presentation, 2841
CHORIMAC-12 multichannel electrode cochlear prosthesis, lip-reading & articulation & speech modulation & noise identification, 38–54 yr old males with implants, conference presentation, 4580
chronic administration of ACTH 4-10 & ACTH 4-9, neuromuscular performance & spontaneous & cold stress motor activity & learning, neonatal rats, conference presentation, 29379
chronic ethanol, body weight & caloric intake & liquid consumption & hepatic microsomal mixed function oxidases, male hamsters, conference presentation, 8532
chronic phenobarbital vs ethanol, binding characteristics of radioactive flunitrazepam in cerebellum & cortex, male mice, implications for development of tolerance & dependence to ethanol & barbiturates, conference presentation, 16696
chronic treatment with cholecystokinin, midbrain dopamine neurons, male rats, conference presentation, 19514
chronobiological & immunopsychological issues in workshop on neuroimmunomodulation, treatment & prevention implications, 23811
classification of Ganser's syndrome, conference presentation, 3811
classification of postpartum psychosis, conference presentation, 24684
client characteristics & patterns of mental health care, 12–36 yr old female inpatients vs outpatients with anorexia nervosa, conference presentation, 25051
client characteristics & psychotherapeutic relationship & technique, mood changes in cognitive therapy, 19–60 yr old depressed & anxious patients, conference presentation, 9854
client vs service characteristics, prediction of continuation in community mental health treatment, 18–65 yr old chronic patients, conference presentation, 15265
clinical & behavioral features as diagnostic criteria, personality disorders, conference presentation, 27329
clinical & chemical & pharmacologic properties & therapeutic actions & side effects of oral psychotropic medications, France, conference presentation, 4523
clinical & demographic characteristics, hospitalization, 20–39 yr old patients of psychiatric emergency room service, Canada, conference presentation, 2108
clinical & etiological & EEG characteristics, 7 mo to 48 yr olds with complete or partial agenesis of corpus callosum with epilepsy, conference presentation, 30399
clinical & morphological & biochemical aspects, familial progressive myoclonus epilepsies, conference presentation, 30398
clinical & neuroendocrine characteristics, 29–69 yr olds with endogenous unipolar vs bipolar depression, conference presentation, 30145
clinical characteristics & prognosis, 16–55 yr old schizophrenic patients with vs without obsessive compulsive symptoms, 2–32 yr followup, conference presentation, 22403
clinical characteristics & response to drug therapy, patients with pain disorder or agoraphobia with panic attack, 30122
clinical diagnosis & classification, premenstrual changes, conference presentation, 27570
clinical/medical vs social systems model of application of services, mentally retarded Ss, Australia, conference presentation, 12657
clonazepam, impaired behavior & chronic mental disorders, 6–31 yr olds with epilepsy, conference presentation, 7239
clonidine vs mianserin, 22–47.5 yr old tension vs migraine headache sufferers, conference presentation, 30718
clorgyline vs dextroamphetamine, self perceptions & physiological measures of affective & behavior changes, male vs female depressed obsessive compulsive adults, conference presentation, 4493
close ties to surrogate mother & estrangement from biological mother, analysands, conference presentation, 4302
clovoxamine, sleep parameters assessed by EEG, 31–55 yr old depressed patients, conference presentation, 12566
coarticulation from nasal consonant to adjacent vowel, identification of vowel, French speakers, conference presentation, 262

cochlear implantation of CHORIMAC-12, sound signal processing, deaf patients, conference presentation, 2810
coexistence of wonder as root of religious experience vs understanding as drive for science, implications for artificial intelligence, conference presentation, 29782
coexistence of 2 species, reproductive success, 9-spined & 3-spined sticklebacks, conference presentation, 19260
cognition & EEG asymmetry, conference presentation, 5679
cognitive behavior therapy vs behavior therapy vs group psychotherapy, bulimia, 16–42 yr old females, conference presentation, 25045
cognitive behavior therapy vs short term focal psychotherapy, eating habits & severity of neurotic symptoms, bulimic patients, conference presentation, 25042
cognitive-behavioral modification, obesity, conference presentation, 4445
cognitive functioning & verbal IQ & psychosocial adaptation, developmental progression in understanding body functioning & illness, 6–16 yr old outpatients with thalassemia vs healthy 1st–10th graders & their mothers, conference presentation, 22324
cognitive functioning, 12–17 yr old epileptics with vs without onset during infancy, conference presentation, 30451
cognitive functions & neuroanatomy-disease related changes, patients with multiple sclerosis, conference presentation, 1627
cognitive model of vs effects of drug therapy on psychopathological phenomena, 4th-yr medical students vs psychiatric patients, conference presentation, 15125
cognitive science & neuroscience & model of information processing, schizophrenic thought processes, application of brain EP, conference presentation, 30198
collective guilt & individual psychological boundaries regarding Nazi holocaust, professional & personal communication at meetings of International Psychoanalytic Association meeting, psychoanalysts, West Germany, 25654
color principles & perception of structure of various sequential mixtures of tonal centers, 21–42 yr old trained listeners, conference presentation, 13604
commitment into psychiatric institutions, children, conference presentation, 4660
communication of presence of named objects in response to imperatives or interrogatives, bottlenosed dolphins, conference presentation, 29197
communication theory approach to behavior in organizations, conference presentation, 23268
community-based geriatric assessment, profile of clinical characteristics of patients & prediction of institutionalization, patients with mean age of 75 yrs, conference presentation, 25427
community medical & educational prevention program, high blood pressure, residents, conference presentation, 18180
comparison of linguistic characteristics & electrical activity of single caudate nucleus neurons, rats, conference presentation, 3175
comparison of theories of M. Klein vs D. W. Winnicott vs M. Milner vs H. Guntrip vs M. Khan with Jung's approach, conference presentation, 13324
competition for food & parasitism, risk of predation & choice of distant vs nearby food, 3-spined sticklebacks, conference presentation, 19270
competitive & risk taking behavior, social conflict vs crime specific homicides & sex differences in mortality, young males, application of sexual selection theory, conference presentation, 4051
competitiveness & psychodynamic interpretation of aggressive behavior not based on instinctivism, conference presentation, 21955
compliance with referrals, patients in psychiatric emergency rooms, conference presentation, 10067
composite sedative, anxiety & autonomic symptoms, male patients with neuroses, conference presentation, 15165
compound eyes as model for study of 2-dimensional spatio-temporal processing of color & motion, flies & insects, conference presentation, 29271
computer-administered neurobehavioral evaluation system, evaluation of effects environmental agents on CNS function, 20–69 yr old blue collar workers & college staff & faculty, conference presentation, 23360
computer aided analysis of in-flight physiological measurement, pilots, conference presentation, 20855
computer aids for writing, conference presentation, 18876
computer-based diagnosis & drug treatment, vestibular disorders, conference presentation, 1962
computer methodology for neurotoxicity testing, humans, conference presentation, 23386
computer model of constructivist processes in linguistic & cognitive development, conference presentation, 8750
computer networks in data gathering & analysis, conference presentation, 18901
computer scored eye movement measures, prediction of flying performance decrements from fatigue & stress, 25–42 yr old pilots, conference presentation, 20859
computer simulation of universe by J. Kepler & theory in psychology, conference presentation, 18881
computerized complex experimental learning tasks, assessment of learning & cognitive abilities, applications in neurotoxicity testing in human populations, conference presentation, 23354
computerized psychophysical measurement of CHORIMAC-12, deaf patients, conference presentation, 4559
computerized tests used by Naval Biodynamics Laboratory, evaluation of cognitive performance, workers employed in unusual environments, conference presentation, 23359
computerized Walter Reed Performance Assessment Battery, examination of effects of state-variables on psychomotor & perceptual & cognitive tasks, conference presentation, 23393
concept of holding in psychoanalysis, conference presentation, 4361
concept of interpretation & psychotherapeutic transference & countertransference in psychoanalysis, conference presentation, 9743
concept of mental health services & illnesses, 3rd party insurance, mental health providers, conference presentation, 18382
concept of object in psychoanalytic theory & psychoanalysis, conference presentation, 10705
concept of psychic reality & related problems in psychoanalysis, middle aged professional male, conference presentation, 4272
concept of schema & role of experience, constructivist basis of computational psychology, conference presentation, 8705
concept of transformation as essential process of structure building in psychoanalysis, conference presentation, 12373
concept of wild analysis, conference presentation, 13316
conceptual integration of aggression, humans, implications for social work, conference presentation, 6408
concerns & hopes & fears concerning life skills development of their trainable mentally retarded adolescents, parents, conference presentation, 24846
concerns about eligibility of aged for psychoanalysis & developmental themes, 64 yr old female analysand, conference presentation, 12409
conflicts between group members & potential joiners & kin-directed altruism & individual energy expenditure & sharing rules, optimal foraging group size, Inuit foragers, Canada, conference presentation, 3576
conjoint therapy, couple with narcissistic & borderline disorders, conference presentation, 17954
conscious & transcendent ego in works of J. P. Sartre, conference presentation, 26117
consciousness & subjective mental experiences as basis for cognitive states underlying behavior & communication, animals, conference presentation, 29183
consciousness research using psychedelic drugs & nondrug techniques & perinatal & transpersonal realm of psyche, conference presentation, 29174
considerations in diagnosis, mania, conference presentation, 14618
construction of genetic linkage map of chromosome 21 & use as diagnostic tool, implications for diagnosis of Down's syndrome, conference presentation, 17510
construction of state of consciousness interview schedule, assessment of intrapsychic functioning & uniqueness of ethnic identity, Black community mental health council patients, conference presentation, 23415
constructivism in social psychology study of development of social judgment & cognition in children & role of communication, conference presentation, 8658

constructivism of Piaget & creation of innovation & novelty at all levels, conference presentation, 8801
constructivism of Piaget & processes involved in creation of novelty, conference presentation, 8745
constructivism theory of Piaget, child's acquisition of language from linguistic & psycholinguistic perspectives, conference presentation, 8787
constructivist hypotheses of development of necessary & possible phenomena in logical-mathematical & physical knowledge in infancy, conference presentation, 8755
Contemnol, patients with manic & unipolar depression & schizoaffective disorders, conference presentation, 7185
content & objectives of graduate education, communication disorders & speech pathology & audiology, conference presentation, 25667
content & objectives of undergraduate education, communication disorders & speech pathology & audiology, conference presentation, 25635
content analysis of depression scales, conference presentation, 5306
content analysis of Rokeach Dogmatism Scale, invalidity of scores for Bible believers, conference presentation, 8057
contextual & interpersonal variables, parent-child interaction, abusive/neglectful families, implications for determination of individual treatment priorities, conference presentation, 4006
contextual therapy, phobias, patients in clinic of medical center, conference presentation, 1730
contribution of J. G. Sheehan's approach-avoidance theory, client-clinician relationship & therapeutic processes in treatment of stuttering, conference presentation, 25341
contributions of clinical psychology, primary prevention of psychopathology, conference presentation, 22350
contributions of I. P. Pavlov & W. B. Cannon to modern physiological thought relative to behavior & autonomic nervous system, conference presentation, 558
contributions of psychology to establishment of world peace, conference presentation, 8939
cooperation between local agencies & family psychiatric wards, family admittance for assessment of child abuse, families with child abuse problems, conference presentation, 4400
coping with unemployment, females, implications for labor market, Sweden, conference presentation, 18703
coronary prone behavior & serum cholesterol & magnesium levels & alcohol consumption, middle aged males, conference presentation, 9620
coronary prone behavior & tone discrimination & serial learning & standing on stabilographic bridge tasks, psychophysiological reactions assessed by CNS activation, graduate students, Czechoslovakia, conference presentation, 8458
cortical neural response to dynamic random dot stereograms lacking depth cues other than disparity, monkeys, conference presentation, 3167
cost analysis & fees for economical health services, college students, conference presentation, 28587
counselor self disclosure & paradoxical vs nonparadoxical homework directives, counselor social influence, college students with test anxiety, conference presentation, 31366
countertransference & psychoanalytic technique, conference presentation, 27796
countertransference in psychoanalysis, conference presentation, 1744
course & cause & treatment of depression following myocardial infarction, patients, literature review, conference presentation, 27569
crisis state & uncertain future of clinical psychiatry, conference presentation, 18381
criteria for patient selection for cochlear implants, conference presentation, 4579
criteria for performing tubal sterilization, 23–38 yr old females at risk for committing child abuse & neglect, implications for professional ethics, conference presentation, 4564
criteria for psychiatric hospitalization, conference presentation, 4657
critical reappraisal of S. Freud's "Civilization and Its Discontents" in modern times, conference presentation, 3561
criticism of S. de Beauvoir's analysis of women's sexuality & lesbian identity, implication for feminist movement, conference presentation, 17154
criticism of traditional psychoanalytic assumptions regarding adolescence as normative crisis, conference presentation, 29573
cultural aspects of psychiatric treatment, Indo-Chinese refugee patients, US, conference presentation, 1695
culture-bound syndromes that have migrated to industrialized countries vs classical disorders & phenomenology in classification of disorders, conference presentation, 11967
culture change & assimilation, sexuality & gynecological treatment & contraception, North African Islamic immigrants, France, conférence presentation, 7312
culture shock & assimilation, family relations, North African immigrants, France, conference presentation, 6207
culture shock & health & body language in doctor-patient communication, immigrants, France, conference presentation, 6201
culture shock & identity problems, mental disorders & resistance to treatment, 14–17 yr old North African immigrants, France, conference presentation, 6604
culture shock & legal status & disturbance of self image, Algerian immigrants, France, conference presentation, 6194
culture shock, mental health, Algerian immigrant mothers & children, France, conference presentation, 6188
current developments in artifical intelligence & expert systems, conference presentation, 31545
current developments in psychoanalytic theories of self, conference presentation, 14498
current DSM-III status, neurotic depression, conference presentation, 24662
current educational background & needed specialty training, clinical child psychologists, conference presentation, 20637
current issues in mental health & public policy, American Orthopsychiatric Association, conference presentation, 12841
current status of clinical psychoanalysis & psychoanalytic theory, conference presentation, 10710
CV syllables with vowels & fricatives vs plosives, RT in consonant or vowel identification task, conference presentation, 265
cyclo-glycyl analog of prolyl-leucyl-glycinamide, avoidance behavior & neuroleptic-induced dopamine receptor supersensitivity & tolerance, rats, conference presentation, 5884
decline in blood glucose, meal initiation, female rats, conference presentation, 21334
deficient mothering, deterioration in development, 15 mo old, longitudinal study, conference presentation, 6028
definition & structure of conjoint therapy framework & outcome failures, couples, conference presentation, 17945
definition & utility of systems science as solution to problems, Army, conference presentation, 2596
definition of "caseness" & detection & incidence & prevalence & causes & prevention, anorexia nervosa & bulimia, literature review, conference presentation, 24997
definition of special skills & emphasis on clinical child psychology training, comments on national conference, conference presentation, 20631
degree of impairment & prognosis, patients with cerebrovascular disease or atherosclerosis, 4-yr followup, conference presentation, 9546
degree of sexual activity, sexual attitudes & social practices & choices of popular singers, female 8–17 yr olds vs 21–22 yr olds responding about own adolescence, 1973–83, conference presentation, 11510
demographic & clinical characteristics & social class distributions, patients referred to pychiatrists for anorexia nervosa & bulimia & other psychiatric & eating disorders, Scotland, conference presentation, 24936
demographic characteristics & family background & criminal records & victim characteristics & psychiatric status, 15–17 yr old male domestic vs nondomestic murderers, conference presentation, 24760
demographic characteristics, prediction of use of injectable vs oral antipsychotic medication, outpatients, conference presentation, 12576
demographic factors & stress & drinking history & alcoholic & problem drinking status, risk factors for alcohol-related traffic accidents, conference presentation, 24798

demographic variables, risk of mortality, twins born 1886–1925, Sweden, longitudinal study, conference presentation, 3135
denial & split identity & impulsivity, issues in psychoanalytic psychotherapy, chronic drug abusers, conference presentation, 28268
description of "psychotizing" bonds in terms of identification process, 28 yr old female analysand with schizophrenia, conference presentation, 27782
description of services offered by rural community counseling center, conference presentation, 2025
desglycinamide-arginine 8-vasopressin vs ACTH 4-10, cardiac orienting reflex & activity in novel open field setting & habituation, rabbits, conference presentation, 29427
design decisions in Pascal-based operant conditioning system, conference presentation, 18875
design of video display terminal workstations & operator posture, conference presentation, 7887
desipramine & 5-HT receptor antagonists & uptake inhibitors, ethanol consumption, selectively bred alcohol preferring rats, conference presentation, 16730
detection of interval & contour changes in transposed versions of standard melodies of 3 vs 5 vs 7 vs 9 vs 11 vs 13 vs 15 notes, musicians, conference presentation, 13605
development & clarification of concept of fatigue, conference presentation, 3800
development & use of trisomy 16 model as animal model of human trisomy 21, mice, conference presentation, 17504
development of anorexia nervosa-like symptoms, female 13–20 yr old ballet students, 1-yr followup, conference presentation, 24998
development of automated observation system for assessment of locomotor activity, animals, illustrative examples of effect of dextroamphetamine on activity, conference presentation, 7987
development of automated observation system for assessment of multivariate locomotor activity, rodents, conference presentation, 8025
development of blood platelet/neuron model, classification of psychiatric disorders, conference presentation, 11920
development of computerized laboratory modules for experimental psychology courses, conference presentation, 20682
development of cooperatively coupled cell assemblies in visual cortex, mammals, conference presentation, 3172
development of criterion test & assessment of construct validity, measurement of clinical problem solving ability for selection purposes, medical school students, conference presentation, 18632
development of Freedman-Leary-Coffey Interpersonal System, group psychotherapy clients, conference presentation, 17944
development of hearing prosthesis to replace functions of inner ear, conference presentation, 2819
development of interpersonal circumplex models of personality, conference presentation, 17244
development of new antidepressants, conference presentation, 7210
development of Nucleus Limited multichannel implantable hearing prosthesis, conference presentation, 2811
development of operational criteria & identification of differential parameters, psychotic patients, conference presentation, 24667
development of preadolescent sexuality program in residential treatment center, school age patients, conference presentation, 30969
development of psychoanalytic concept of identification, US, conference presentation, 23
development of questionnaire assessing concerns in choice of birth control method, 14–45 yr old females, conference presentation, 23488
development of reflex modification test, assessment of sensory processing & reflex behaviors following toxic exposure, humans & animals, conference presentation, 5310
development of safer & less addicting analgesic & antidiarrheal & antitussive drugs, implications for pathology of drug abuse & scheduling laws, conference presentation, 8577
development of screening procedure, psychodiagnosis of somatization disorder, female psychiatric outpatients, conference presentation, 6829
development of short neuropsychological screening battery, identification of cerebral dysfunction, brain damaged vs normal 9–14 yr olds, conference presentation, 5329
development of sleep cycles, premature infants, conference presentation, 3380
development of text-parsing program for reduction of variability in text units for use in linguistic or artificial intelligence, conference presentation, 18871
development of tolerance to hexobarbital assessed by anesthesia threshold, male rats, conference presentation, 16828
developmental characteristics of aggression in families, conference presentation, 3599
dexamethasone suppression test association with energy balance & affective or neurotic disturbance, 17–34 yr old female anorexic in- & outpatients, cross-sectional & longitudinal studies, conference presentation, 24858
dexamethasone suppression tests during stress vs nonstress conditions, cortisol levels & nonsuppression rates, 18–73 yr old hospitalized patients with schizophrenia vs depression vs psychiatric staff physicians, conference presentation, 30091
diagnoses & clinical laboratory data, 23–94 yr old male psychiatric outpatients, conference presentation, 21999
diagnosis & adenoidectomy vs adenotonsillectomy as treatment, obstructive sleep apnea & hypopnea, 2–11 yr olds, conference presentation, 1984
diagnosis of conduct disorder & violent behavior, adolescent male hospitalized psychiatric patients, conference presentation, reprint, 30288
diagnosis of secondary depression, major depressive vs nondepressed vs dysthymic schizophrenic vs major depressive patients, conference presentation, 30092
diagnostic criteria & sex ratio & prevalence rates of dysphoric mood vs brief vs extensive depressive episodes vs major depression, 19–20 yr olds, Switzerland, conference presentation, 3805
diagnostic profile of borderline syndrome & trends in treatment outcome, hospitalized children, conference presentation, 1260
dichotomization & differential bonding & differential projection as psychological drives toward war, conference presentation, 14258
diet & exercise & behavioral therapeutic approach, weight loss, Black 26–29 yr old obese females, conference presentation, 25043
differences between professional's self assessed competency & clinical services needs of handicapped & ratings of graduates competence, speech/language pathology & audiology, conference presentation, 25664
differential clinical & EEG & radiological characteristics, institutionalized mildly to severely mentally retarded patients with epilepsy, conference presentation, 30061
differential diagnoses of bulimia vs anorexia nervosa, 12–39 yr old males, conference presentation, 12159
differential diagnosis & treatment, hypnogenic paroxysmal dystonia, 10 yr old female, conference presentation, 12184
differential diagnosis, premenstrual syndrome vs affective disorders, conference presentation, 24589
differential medical & psychiatric & demographic characteristics, patients admitted to medical psychiatric vs conventional psychiatric unit vs receiving psychiatric consultation on medical surgical unit, conference presentation, 20509
differential morphology & neurochemistry & functions of mitral & tufted cells in olfactory bulb, hamsters, conference presentation, 11161
differential personality characteristics & need for case specific judicial decision on treatment vs punishment, fathers who commit incest, conference presentation, 29886
differential role of sulfated vs unsulfated cholecystokinin octapeptide with dopamine in CNS, conference presentation, 19482
difficulties of reintegration into native society, psychosomatic & emotional disorders, migrant workers returning from France, North Africa, conference presentation, 6197
diphenylhydantoin & trimethadione & phenobarbital, delayed development & hyperactivity & impaired learning & brain amino acids, rats & their prenatally exposed offspring, conference presentation, 29486
diphone speech synthesis system, conference presentation, 82
diphone spotting & embedded diphone methods, continuous speech recognition without segmentation, conference presentation, 97
discontinuation of antiparkinsonian medications, withdrawal syndrome, conference presentation, 4494
discovery of endogenous opioids & research in endorphins & exercise, literature review, conference presentation, 26525

discriminative stimulus properties of opioid agonists & agonist-antagonists in animal species & drug effects in humans, implications for drug abuse, conference presentation, 8551
dissociation between judgments of facial affect & facial identity, right vs left hemisphere damaged patients, conference presentation, 17560
distribution of cholecystokinin & other neuropeptides, mammalian brain, conference presentation, 19321
divorce, quality of life & psychological changes & recovery & persistence of anger & loneliness, divorced males vs females & their children, 10-yr followup, conference presentation, 11638
DNA sequences on chromosome 21, predisposition to trisomy 21, families with 1 normal offspring & 1 with trisomy 21, conference presentation, 17497
doctor-patient communication, Hong Kong, conference presentation, 7307
doctor-patient relationship, general practitioners & North African immigrant workers, France, conference presentation, 7317
dogmatic & authoritarian parenting, socialization of authoritarianism & aggressive tendencies, children, conference presentation, 8859
dogmatism & counselor effectiveness, implications for training of counselors, conference presentation, 10197
dogmatism & doctrinal orthodoxy & styles of religiosity, late adolescents & young adults, conference presentation, 8871
dogmatism & satisfaction with internship, male vs female interns vs supervising teachers in secondary vs vocational vs physical education, conference presentation, 10312
dogmatism & style of supervision, teaching skills & satisfaction, female teacher training students, Israel, conference presentation, 10294
Donnelly Corporation's methods of competing in world auto market, conference presentation, 13195
dopamine agonists vs antagonists, precipitation vs reduction of manic symptoms, patients, implications for therapy, conference presentation, 15192
dopamine D1 vs D2 receptor antagonists, dextroamphetamine- vs levoamphetamine-induced anorexia, male rats, implications for dopamine receptor involvement in control of feeding, conference presentation, 29415
dopamine hypothesis of action of neuroleptics, implications for research on new antipsychotics, conference presentation, 3323
dopaminergic neurotoxicity & metabolism of 1-methyl-4-phenyl-1,2,5,6-tetrahydropyridine & MAO, mice, implications for Parkinson's disease, conference presentation, 19451
dosage frequency, efficacy & safety of fluoxetine, 19–62 yr olds with major depressive disorder, conference presentation, 7235
dose of chlorpromazine or prothiaden or diazepam, vigilance performance on discrimination of acoustical clicks with visual feedback, male 20–21 yr olds, conference presentation, 13993
drive to achieve & fear of failure, anorexia nervosa patients & female ballet students, conference presentation, 25013
drug-free periods & neuroleptic & antiparkinsonian intake & organicity, tardive dyskinesia, psychiatric outpatients, conference presentation, 22601
drug-induced stress & endorphin activity & depletion of brain monoamines, spontaneous social isolation & motor activity, rats, conference presentation, 14060
drug treatment, perception of red vs white colors at photostimulation & EEG rhythm, patients with epilepsy vs organic brain damage, conference presentation, 14863
dynamic-verbal & cognitive & behavior therapy, obsessive compulsive neurosis, children, conference presentation, 1677
early childhood development, implications for analytic theory & practice, conference presentation, 29679
early childhood development, implications for psychoanalytic theory & practice, comments on paper by S. Chess, conference presentation, 29693
early onset of anorexia nervosa, breast development & growth in height & stature & delayed puberty, 14.8–24 yr old female patients, conference presentation, 24979
eating attitudes & psychological functioning & referral patterns, bulimic 21.2–25.1 yr olds with different weights & weight histories, conference presentation, 24898
ecological perspective in community & residential child & youth & family services, conference presentation, bibliography, 30884
economic structure of niche & habitat, feeding behavior & satiation, freely feeding animals, conference presentation, 21244
ECT practices, Canada, conference presentation, 1721
educational aspect only vs entire procedure of stress inoculation training, dental anxiety & pain tolerance & follow through with appointment, dental phobics, conference presentation, 9849
educational goals in classroom instruction, psychology teachers, conference presentation, 31176
educational preparation & diagnostic approaches in private neuropsychological therapy practice, clinical neuropsychologists, conference presentation, 17813
educational psychology themes & authors, papers presented at national pedagogical congresses, 1955–84, Spain, 31125
EEG & behavioral & autonomic arousal & naloxone therapy, compulsive behavior in anorexia nervosa, conference presentation, 24945
EEG activity patterns during falling asleep vs varied mental load, conference presentation, 3166
EEG as cross species indicator of neurotoxicity, conference presentation, 5664
EEG asymmetries in psychopathological vs normal emotion, conference presentation, 6614
EEG characteristics, depressive psychotic vs manic vs schizophrenic vs normal 16–69 yr olds, conference presentation, 6501
EEG lateral asymmetries, patients with schizophrenia & other mental disorders, conference presentation, 6598
EEG profiles of drugs affecting GABA synaptic activity by acting at GABA-benzodiazepine-barbiturate/picrotoxin receptors complex, male rabbits, conference presentation, 29454
EEG readings, patients with schizophrenia, conference presentation, 3835
EEGs & scanning techniques & testing, diagnosis of dementia, conference presentation, 3884
effect of neurobiology on psychoanalytic theory, conference presentation, 11147
effectiveness of CHORIMAC-12 multichannel cochlear implant, 10–71 yr old pre- vs postlingually deaf patients, 7-yr longitudinal study, conference presentation, 4565
effectiveness of Nucleus Limited multichannel cochlear implant, 22–67 yr old profoundly deaf patients, conference presentation, 4562
efferent control of circadian rhythms, horseshoe crabs, conference presentation, 29252
efficacy & manifestations of physical & psychological dependence of buprenorphine vs opiates, rodents & primates, research review, conference presentation, 8573
efficacy of child psychiatry model of child abuse & neglect prevention program evaluation, high risk pregnant females followed in 4-yr program of antenatal hospital department, conference presentation, 30825
efficacy of self induced vomiting & purging, prevention of weight gain, bulimic female adults, conference presentation, 24930
efficiency of CNS as indicator of ability to cope with stressful life situations & Type A behavior, cardiovascular disease patients aged 42 yrs or less vs 43–52 yrs, conference presentation, 12172
electrical impedances for sine wave excitation at frequencies from 100–3000 Hz from implanted 12-electrode device in cochlea, male totally deaf in left ear & severely deaf in right ear, conference presentation, 2815
electrical stimulation or type of electrode material, presentation of morphological changes due to surgical implantation, humans & guinea pigs, conference presentation, 4568
electronic spreadsheet simulator, simulated microelectrode recording experiments, students, conference presentation, 18874
electrophysiological analysis of response to pairs of stimuli, assessment of peripheral nerve function in evaluation of neurotoxicity, humans, conference presentation, 23373
eleuterokokk methanol extract from plant roots, patients with neurotic disturbances, conference presentation, 7201
emergence of countertransference in psychoanalysis, conference presentation, 1734
emotiogenic complex formed by engram with emotional component, CNS activation, conference presentation, 3208
emotional & achievement-related & instrumental dependency assessed by dependency questionnaire, depression, conference presentation, 30207

encouragement of greater political involvement on Capitol Hill regarding health care field, psychologists, conference presentation, 21853
endorphinergic mechanisms & kappa opioid receptor agonists, food intake & hyperphagia, animals, literature review, conference presentation, 26489
energy expenditure & storage & conservation & neurotransmitters & peptides & angiotensin II in ingestive behavior, hamsters, conference presentation, 29320
enforcement crackdowns & sobriety checkpoints vs mandatory jail sentence vs license suspension, deterrence efficacy, drunk drivers, 24393
entropy & negentropy & family communication process, adolescents & their families, conference presentation, reprint, 24318
environment vs genetics & age, drinking habits, male vs female 18–88 yr old twin pairs, conference presentation, 3136
environmental factors, satisfaction with dwellings, urban residents & students living in hostels, Czechoslovakia, conference presentation, 5142
environmental vs acute reactive vs life stress, accidents, aircraft pilots, conference presentation, 13236
environmental vs genetic factors, smoking habits & alcohol use, adult twins reared apart as children, Finland, conference presentation, 3137
epidemiology & diagnosis & management of sexual dysfunctions, patients with multiple sclerosis, conference presentation, 1646
epidemiology & hypertension & cholesterol & smoking & Type A behavior & stress & diet & obesity risk factors, sympathetic nervous system stimulation, implications for development of ischemic heart disease, conference presentation, 9577
epidemiology & natural course & risk factors of phobic & obsessive compulsive disorders, adults, conference presentation, 1815
epidemiology & prevention strategies for family violence, conference presentation, 4030
episodic alcoholism & anorexic or bulimic behavior, 16–54 yr old patients, conference presentation, 24925
epistemological characteristics & constructivist nature of child-computer interaction, conference presentation, 8704
epistemology & methodology of reductionism vs constructivism, conference presentation, 8735
EPs & hemispheric dysfunction during dichotic detection & syllable discrimination tasks, schizophrenic 19–43 yr olds, conference presentation, 6521
EPs as index of toxic insult to nervous system, assessment of neurotoxicity, humans, conference presentation, 23357
ergonomic approaches to issues of highway safety, conference presentation, 5135
ergonomic considerations in design & evaluation of manufacturing systems, conference presentation, 5133
ergonomics, design of office automation terminals & workstations, conference presentation, 7882
ergonomics in office systems design, conference presentation, 5136
estimation of vocal tract area function, characteristics of voiceless fricatives, conference presentation, 730
ethanol consumption, brain catalase & aldehyde dehydrogenase as biological markers for affinity for voluntary ethanol consumption, rats, conference presentation, 16547
ethanol consumption vs toluene vs trichloroethylene inhalation, blood concentrations & vigilance performance in monotonous conditions, male Ss, conference presentation, 13957
ethanol, cross tolerance to chlordiazepoxide, male mice, conference presentation, 16587
ethanol feeding vs in vitro ethanol addition, diazepam & flunitrazepam receptor binding in cerebral cortex synaptosomal membrane tissue, male rats, conference presentation, 16778
ethanol, firing rate of locus ceruleus neurons in brain slice preparation, male rats, conference presentation, 16792
ethanol, role of opiate pathways in mediating excitatory & sedative phase effects assessed by drug discrimination paradigm, male rats, conference presentation, 16795
ethanol, toxicity of propoxyphene, male rats, conference presentation, 16563
ethical regulations of clinical psychopharmacology in treatment vs experimentation vs education, hospitalized patients, conference presentation, 4473
ethics & evaluation of psychiatric patients & psychiatry students & peer's psychiatrists, conference presentation, 2221
ethics of psychiatric hospitalization, conference presentation, 4659
etiology & classification & epidemiology of depression, literature review, conference presentation, 27322
etiology & diagnosis, factitious physical & psychological symptoms, 26–56 yr old patients with severe personality disorders & schizophrenia, conference presentation, 1272
etiology of premenstrual syndrome, literature review, conference presentation, 27518
evaluation of antenatal program, prevention of child abuse, at risk populations, conference presentation, 30840
evaluation of behavioral motor deficits in neurotoxicity screening, conference presentation, 24981
evaluation of cochlear implants, prelingual vs postlingual deaf patients, 5-yr longitudinal study, conference presentation, 4550
evaluation of microcomputer statistical software for research & instruction, academic psychologist & college students, conference presentation, 18867
evidence for possible genetic relationship between Alzheimer's disease & Down's syndrome, conference presentation, 17528
evidence for value derived by humans & animals, animal behavioral research, conference presentation, 8018
evolution of consciousness & program for hastening spiritual transition, conference presentation, 29177
evolution of individuality concept & spiritual center imagery, conference presentation, Egypt & Peoples Republic of China, 28875
excess mortality from unnatural causes & cardiovascular disease, male vs female outpatients with anxiety neurosis, 12-yr followup, conference presentation, 22036
exercise, plasma proenkephalin peptide F immunoreactivity, 19–30 yr old endurance trained vs untrained males, conference presentation, 29315
exhibition of dreamlike behavior by large man-made computer information systems, conference presentation, 13361
exogenous cholecystokinin, satiation, implications for treatment of bulimia & obesity, conference presentation, 19500
expectations for family & friend support concerning assistance & intimacy & social integration, 57–93 yr old apartment residents, conference presentation, 8868
expert system for reading speech sonograms, conference presentation, 84
exploratory psychotherapy, functioning level, schizophrenic & borderline patients, 1 yr post-discharge followup, conference presentation, 30606
exposure to toxins, audiological & cortical response, 32–64 yr old painters & printers & gasoline truck drivers & workers exposed to jet fuel, conference presentation, 1514
extracochlear round window electrodes, pitch & speech discrimination, pre- vs postlingually deaf 27 & 33 vs 22 & 43 yr olds, conference presentation, 4561
extraction of acoustic cues using grammar of frames, automated perception of sentences, conference presentation, 69
eye movement model based on gaze center in parapontine reticular formation, interpretation of pathological patterns, vertiginous patients, conference presentation, 1576
facilitating environment & transference/countertransference, psychoanalysis, regressed patients, conference presentation, 14979
factor-analysis-derived vs standard scales of SCL-90 questionnaire, information about effectiveness of diazepam vs clorothepine, neurotic patients, conference presentation, 5289
factors affecting basal thyrotropin plasma level response to thyrotropin-releasing hormone tests, male vs female depressed 18–66 yr olds on lithium, conference presentation, 7187
factors in development & acceptance of interpersonal circumplex models of personality, conference presentation, 17277
failure to develop career maturity, Vietnam veterans with posttraumatic stress disorder, conference presentation, 24637
family SES & size & eating habits & psychological disturbances, obesity, obese 6–15 yr olds, conference presentation, 22255
family stress & changes & interactions, adolescent development, conference presentation, 29556
family structure & birth order & sex of sibling, development of anorexia nervosa, male & female anorexic patients, conference presentation, 24900

family support & experiences & psychosocial impact, 23 yr old thalassemic patient, conference presentation, 22263
family systems approach to psychosomatic liaison services, conference presentation, 27870
family systems treatment in health settings, social workers treating families coping with life threatening illness, conference presentation, 15054
family therapy with vs without individual therapy & behavior modification, weight & menstrual function & eating & social life, anorexic females, 5-yr followup, conference presentation, 25059
feeling out of control during & frequency of bingeing & laxative use & age at onset & guilt, prediction of life impairment, females with frequent binge eating episodes, implications for DSM-III classification criteria, conference presentation, 24924
feminist perspective on empowerment symbolism, self image & identity, females, conference presentation, 17147
fertilization, rhythm of creeping through, male sticklebacks, conference presentation, 19291
fighting vs social interaction, motor depression induced by inescapable shock, normotensive & genetically hypertensive rats, conference presentation, 11213
filial cannibalism, male brook sticklebacks, conference presentation, 19283
financial issues when client is not payor & impact on treatment process, psychotherapists, conference presentation, 4728
fitness & selection & achievement in sports, conference presentation, 31397
flunarizine vs nimodipine vs nifedipine vs verapamil, hypoxia-induced amnesia in avoidance conditioning, guinea pigs, conference presentation, 588
fluoxetine vs amitriptyline, 24–59 yr old outpatients with major depressive disorder, conference presentation, 7162
fluoxetine vs doxepin, 61–90 yr old patients with major depressive disorder, conference presentation, 7170
fluoxetine vs imipramine vs amitriptyline vs doxepin, EKG, 18–88 yr olds with major depressive disorder, conference presentation, 7171
fluoxetine vs imipramine vs placebo, 18–70 yr old outpatients with major depressive disorder, conference presentation, 7250
fluoxetine vs imipramine vs placebo, 20–64 yr olds with major depressive disorder, conference presentation, 7163
fluphenazine decanoate, social adjustment, 16–55 yr olds with schizophrenia, conference presentation, 15178
force of articulation & voicing, linguo-palatal contact area for French consonants, conference presentation, 723
Ford Motor Company's management principles & place in world auto market, conference presentation, 13219
formant vocoder device, speech perception, deaf patients, conference presentation, 4557
formation of Twins Foundation for archival & research support, conference presentation, 3128
forms of ostracism in society, conference presentation, 962
frequency & differential diagnosis of depression, schizophrenic patients, followup study, conference presentation, 30183
frequency & types of discrepancies between migration intentions & behavior, adults, Philippines, conference presentation, 29789
Freudian & Jungian theories of self & theory building in psychoanalysis, conference presentation, 14504
Freudian conceptualization of psychic reality & comments on contributions of R. Schafer & J. A. Arlow, conference presentation, 4362
Freud's comparison of psychoanalysis to Darwinian evolutionary theory & Copernican revolution, conference presentation, 4340
Freud's theory & existential & modern psychoanalysis, conference presentation, 9719
fulfillment of universal human needs & attainment of world peace, conference presentation, 14255
function of cholinergic synapses in & physostigmine as possible therapy for Alzheimer's disease, British Pharmacological Society symposium papers, 6726
function of holding & interpretation in psychoanalysis, conference presentation, 4330
functional properties of visual & eye-movement-related neurons of area 7a, rhesus monkeys, conference presentation, 3169
fundamental frequency during reading episode & phonetograms & pubertal stages & endocrine analysis, prediction of voice puberty, 8–9 yr old female singers, conference presentation, 765
fundamental principles for theory of consciousness, knowledge & self consciousness & use of language & concept of reality, conference presentation, 28878
genetic & environmental effects models, individual differences in intellectual development & cognitive processes, implications for intelligence measures & teaching strategies, conference presentation, 21710
genetic factors in major psychoses & schizophrenia & manic depressive disorder, conference presentation, 27272
genetic factors, inter-individual variation in aggressive behavior, juvenile & adult male & female sticklebacks, conference presentation, 19237
genetic loading & parental marital adjustment & severity & chronicity & age of exposure to proband manic depressive parent's illness, offspring psychopathology, 5–18 yr olds, conference presentation, 22070
genetic or environmental characteristics, cardiovascular responses to emotional & physical stress, adults with or without family history of hypertension, conference presentation, 11137
genetic research methodologies in schizophrenia, conference presentation, 27263
gonadotropin & cortisol & melatonin levels, adolescents with anorexia nervosa vs depression, conference presentation, 6735
graphics design program for creation of point-light displays of transforming 3-dimensional objects, conference presentation, 18862
grasp of tonal structures of songs, 1 yr olds, 7-yr longitudinal study, conference presentation, 14149
gratuitousness as positive social measure, psychosocial patients, implications for charging of professional fees, conference presentation, 4770
group & individual processes & use of denial as defense against traumatization & facilitator of reintegration, Holocaust survivors & children of survivors, conference presentation, 22067
group-based treatment, bulimia, 18–42 yr old females, 6- & 12- & 18-mo followup, conference presentation, 25185
group denial of issues pertaining to the Holocaust at International Psychoanalytic Congress, West Germany, 1985, conference presentation, 22849
group therapy, schizophrenia, in- vs outpatients, implications for insight therapy, conference presentation, 1834
growth rate & pattern & distribution of weight for age, male & female anorexia nervosa patients, longitudinal study, Scandinavia, conference presentation, 24953
guidelines for antipsychotic maintenance therapy, chronic schizophrenic patients, conference presentation, 12555
guidelines for clinicians in assessment of credibility in criminal court cases, 7 & 13 yr old sexually abused sisters, conference presentation, 11669
guidelines for optimal use of stimulus-central processing-response compatibility of speech technology, conference presentation, 18897
haloperidol-induced akathisia, homicide & suicide, 23–52 yr old males, conference presentation, 12582
haloperidol, platelet MAO activity, schizophrenic 16–55 yr olds, conference presentation, 7196
Halstead-Reitan Neuropsychological Test Battery, private practice psychotherapy, neuropsychologists, conference presentation, 17843
handling, selection & consumption of ethanol vs tap water, 60 vs 90 vs 120 day old C57Bl/10J vs BALB/cJ vs C3H/21bg male mice, conference presentation, 16475
handwriting psychology & automatic writing under hypnosis, identification & specification of traumatic experiences, 20 yr old female victim of attempted rape, conference presentation, 6666
hard vs soft outcomes & patient vs doctor satisfaction in obstetric care, conference presentation, 25372
health care crises & social casework, review of P. Caroff & M. Mailick's classification of families, conference presentation, 15315
health insurance peer reviews, ethics & confidentiality in psychotherapy, conference presentation, 18370

hepatic oxidative metabolism, food intake, rats, conference presentation, 29316
hidden aggressiveness in intrafamilial communication, conference presentation, 3588
hierarchical linear prediction, nonstationary analysis of speech waves, conference presentation, 98
hierarchical nature of schemes, problem solving procedures, conference presentation, 8229
hippocampal-cortical afterdischarges & rhythmic metrazol activity as model of human nonconvulsive seizures, rats, conference presentation, 3162
historical & psychoanalytic & behavioral & social, theoretical views of child abuse & aggression, conference presentation, 24770
historical development of axis syndromes, conference presentation, 24636
historical development of multi-disciplinary clinical team in psychiatry, conference presentation, 25074
historical review of efforts toward prevention of driving while intoxicated & traffic safety movement & blood alcohol standards & public education programs, conference presentation, 24749
history & analytical background & techniques of autogenic training, 35 yr old female with depressive reaction, conference presentation, 17892
history of anorexia nervosa as examined in hospital archives, 19th & 20th centuries, conference presentation, 24961
history of concept of authoritarianism & its current obsolescence, conference presentation, 9169
history of development of professional psychology school program as alternative to scientist-practitioner model programs & implication of PsyD vs PhD degree, conference presentation, 10245
history of focused attention on body or appearance &/or diet prior to onset of anorexia & hormone-related libido & sexual activity, male 14–24 yr old patients 2–10 yr followup, conference presentation, 24904
history of international congresses of psychology, 1889–1960, 18845
history of primary prevention program development at National Institute of Mental Health, conference presentation, 22656
history of Western epistemology & instrumentalist vs constructivist theories of knowledge, conference presentation, 7979
holding & interpretation in psychoanalysis, conference presentation, 4318
home care program, children with serious health problems, conference presentation, 28070
hope & life events & stress & coping methods, susceptibility to illness, conference presentation, 11870
House single-channel cochlear implant, audiometric thresholds, child & adult patients, conference presentation, 4553
House-3M single-channel vs Vienna single-channel vs Nucleus Limited multichannel cochlear implant, speech discrimination & lipreading, deaf patients, conference presentation, 4576
human conscious experience as embodied in rather than interactive with brain activity & artificial intelligence & Christianity, conference presentation, 29286
human power to abstract & symbolize & sociopsychological prospects for world peace, conference presentation, 14249
human vs automatic recognition of steady-state French speech sounds in 3 databases, trained listeners, conference presentation, 261
humanistic psychology & positivist vs nonpositivist models of research, conference presentation, 26120
humanistic psychology & postitivist vs nonpositivist models of research, comments on conference presentation by C. Rogers, conference presentation, 26118
hypnotherapy, pain & anxiety & depression & biochemical correlates, 40–69 yr old arthritic pain patients, conference presentation, 15214
hypnotic drugs, management of sleep difficulties arising during air operations, aircrew members, conference presentation, 12570
hypobaric hypoxia, task neophobia, rats, conference presentation, 591
hypoxia, avoidance conditioning & memory, guinea pigs, conference presentation, 587
hypoxia, response latency in pattern discrimination & fluid intake & heart rate, rabbits, conference presentation, 592
ideal & present self & social alienation & personal constructs as measured by repertory grid, females with anorexia nervosa, conference presentation, 24950
ideal marriage rules vs biological relatedness, application of kinship terminology in classification of marriages, Yanomamo Indians, South America, conference presentation, 3569
identification & characterization of genes on chromosome 21, implications for etiology of Down's syndrome, conference presentation, 17501
identification & hierarchical ordering of syndromal combinations of psychopathological symptoms, multidimensional psychiatric scale factors, psychotic inpatients, conference presentation, 24729
identification & motivation & fantasies in neuroses, male analysand treated for depression & marital discord & gastrointestinal symptoms, conference presentation, 27753
identification in sexual perversions, comment on paper by M. Glasser & J. McDougall, conference presentation, 27393
identification of chromosome 21 probes, implications for study of molecular basis of Down's syndrome, conference presentation, 17499
identification of genes & DNA sequences on chromosome 21, pathogenesis of Down's syndrome, conference presentation, 17523
identity structure analysis, assessment of antidevelopmental identity characteristics & patterns & identity crisis, anorexia nervosa & bulimia patients, conference presentation, 25014
ideology & issues in provision of health care, seriously ill & dying adults & children & their families, conference presentation, 28046
ideology & social affiliation, conference presentation, 56
im oxyprothepine injections in long term maintenance therapy, male 24–52 yr olds with schizophrenia in remission, conference presentation, 15153
image of physicians, doctor-patient relationship, North African immigrants, France, conference presentation, 7320
imipramine &/vs lithium, free vs bound thyroxine quotients & thyrotropin-stimulating hormone secretion, recurrent major depressive 20–65 yr olds, conference presentation, 15200
imipramine or maprotiline, EEG curve, 22–23 yr olds, conference presentation, 5890
immersion vs regular mathematics programs using LISREL model with structured means, 4th–6th graders, conference presentation, 2369
impact of alterations in neuropeptides & similarity to effects of perinatal psychotropic drug exposure, brain development, literature review, conference presentation, 29389
impact of conceptualization of anxious thymopathy in view of neurosis as mood disorder, conference presentation, 24675
impact of molecular components in normal & abnormal neural development & relationship to Down's syndrome, conference presentation, 17520
impact of object loss, subsequent identification, 17 yr old male who witnessed father's death at age 9, conference presentation, 22439
impact of recent trends & implications, speech/language pathology & audiology profession, conference presentation, 25641
impending repatriation after 20 yrs as foreign worker, mental disorder, 55 yr old Algerian male, France, conference presentation, 6487
impersonalist alternative account model vs Neo-Meadian social-constructivism model of cognitive development, infants, conference presentation, 26845
implementation of M. Hunter's teaching plan, student time on task & reading & mathematics achievement, elementary school teachers & students, conference presentation, 18498
inalienable rights, mentally retarded, conference presentation, 9472
incidence of change in symptoms from depression to hypomania/mania, hospitalized patients, 1920–82, Switzerland, conference presentation, 25470
incidence of concurrent DSM Axes I & II disorders, hospitalized 30–51 yr old military veterans with posttraumatic stress disorder, conference presentation, 24681
incidence of emotional & psychosomatic disorders & alcoholism & attempted suicide, adolescent & adult immigrants, France, conference presentation, 6433

incidence of mental disorders, West Germany, conference presentation, 24643
incidence of schizophrenia, adopted offspring of schizophrenic biological mothers vs nonschizophrenic biological parents, conference presentation, 27378
inclusive fitness hypothesis, sociobiologic theory of behavior, conference presentation, 26473
indications & efficacy & safety of ECT, conference presentation, 30523
indices of spectral distribution, acoustically or spectrally close phonemes, male speakers, conference presentation, 258
indirect measurement of symbolic functioning via projective test, female & male patients with anorexia nervosa, conference presentation, 24870
individual & family psychotherapy & use of therapeutic communities, schizophrenia, 16–44 yr old patients, 5-yr followup, conference presentation, 27756
individual differences & self expression, automobile buyers, conference presentation, 13279
individual differences & temporal variation in frequency spectrum of Japanese vowels, male speakers, conference presentation, 728
individual or group conflict, therapeutic processes & dynamics, conference presentation, 15060
individual psychotherapy, anorexia nervosa & bulimia, literature review, conference presentation, 25113
induced success vs failure pretreatment, actual frontal EMG biofeedback response training, college students, 29159
industrialization & urbanization & socioeconomic changes, roles & interrelationships, families, India, conference presentation, 6236
inexpensive microcomputer networking for laboratory animal research, conference presentation, 18860
influence of German-language culture on Freud's thought, 26125
influence of Jung on object relations theorists & need of Jungian analysis to study other paradigms of analysis, comments on article by A. B. Ulanov,conference presentation, 13303
influence of revolutionary economic ideas, development of Freudian psychoanalytic theory, Austria, conference presentation, 16075
information technology & new forms of work organization, conference presentation, 23256
inhalant abuse & other recreational drug use, immune alterations & acquired immune deficiency syndrome, conference presentation, 3992
inpatient treatment, symptoms & psychological functioning, female anorexia nervosa patients, conference presentation, 25522
institutional vs integrated residential care services, social & community participation, moderately to severely mentally retarded 20–50 yr olds, Sweden, conference presentation, 12622
integrated systemic-psychodynamic approach in conjoint marital therapy, treatment of characterological disorders, borderline male in distressed relationship, conference presentation, 22454
integration of psychoanalytic theory & modern psychoanalysis & clinical practice, conference presentation, 13314
integrative complexity of American Psychological Association presidential addresses, 1894–1981, 10729
integrative stepwise rehabilitation system, long term schizophrenic patients, Finland, conference presentation, 28190
intelligibility & comprehension & perceptual processing of synthetic speech produced by voice response devices in human-machine communication systems, conference presentation, 19532
intelligibility & user interface problems in text-to-speech synthesis systems, conference presentation, 19535
intense psychogenic stress, pathomorphological changes, postmortem data from deceased zoo-kept animals, conference presentation, 11049
intensive multifaceted group treatment approach, inpatients with anorexia nervosa, Belgium, conference presentation, 25526
interaction of physostigmine & scopolamine, verbal learning, college students, conference presentation, 5875
interactive vs noninteractive imagery, recall of advertisements, college students, conference presentation, 19127
internal limitations to liberation movement from internalized sex role expectations & social behavior, females, conference presentation, 17160
International Association for Study of Pain's system, classification of pain, 50 yr old male, conference presentation, 22228
international comparisons of socioeconomic aspects affecting mental health & service needs, children & elderly in developing countries vs Canada & other industrialized countries, conference presentation, 25423
interpatient variability in antipsychotic drug therapeutic response & plasma levels & adverse effects, conference presentation, 12565
interpersonal dependency & learned helplessness & other personality traits, male vs female patients recovered from nonbipolar depression, conference presentation, 3855
interpersonal theory perspective of role of reality as pathogen & in treatment, conference presentation, 1783
interpretation of patterns & warded-off ideas & feelings in brief dynamic psychotherapy, conference presentation, 22408
interrelationship of religious & scientific concepts, conference presentation, 24281
interrelationships between child & general adult psychiatry, conference presentation, 17293
interrelationships between work & stress & health, conference presentation, 13241
interspecific interactions, fish density & species abundance ratios & male reproductive success, 2 species of sticklebacks, conference presentation, 19252
intervention, out of body & near death experiences & autoscopy & depersonalization & schizophrenic body boundary disturbances as altered mind body perceptions, conference presentation, 30502
intervention strategies in analytical work, man/boy's strong primitive feeling toward preoedipal mother, 26 yr old male, conference presentation, 4305
intra- & interhemispheric changes in EEG alpha intensities, schizophrenic 20–35 yr olds, conference presentation, 6500
intracranial self stimulation & drug discrimination paradigms, psychopharmacological effects of cholecystokinin, male rats, conference presentation, 19434
intratympanic administrations of gentamicin, Meniere's disease, 40–62 yr old patients, 1–6 yr followup, conference presentation, 1945
introductory courses in BASIC vs use of applications software, training transfer, college students, conference presentation, 20706
introversion vs extraversion & level of emotional stability & different work loads, blood glucose & free fatty acid levels, male students, conference presentation, 3207
iontophoretic application of GABA & N-methyl-bicuculline, visual responses of striate cortical neurons, 6–13 day old kittens, conference presentation, 3177
ip vs intracerebral injections of kainic acid into hippocampus vs entorhinal cortex, drug-induced epileptic symptoms & development of limbic system, rats, conference presentation, 29373
isofloxythepin, antimanic & anxiolytic effects, 18–51 yr olds with schizophrenia, conference presentation, 15212
isofloxythepin vs haloperidol vs oxyprothepin, patients with acute schizophrenia, conference presentation, 15166
isosorbide vs urea, hearing, patients with Meniere's disease, conference presentation, 1930
issues discussed & resolutions made concerning mental health & South Africa's apartheid policy, conference presentation, 11588
issues in criticism of research on adolescent development, conference presentation, 29539
issues in establishment of specialized certification in subareas of speech/language pathology & audiology, conference presentation, 25632
issues in nature-nurture controversy, conference presentation, 6011
issues in psychotherapy, conference presentation, 1732
issues related to studies of treatment, bulimia nervosa, literature review, conference presentation, 25041
judgment & nature of human error & issues in industrial risk assessment & work & traffic safety, ergonomic considerations in human reliability analysis, conference presentation, 5132
Jungian & transformational perspectives on conflict of good vs evil, conference presentation, 28871
Jungian perspective on Jung's relationship with his mother, conference presentation, 13315
Jungian theory & psychoanalytic processes, conference presentation, 9691

kappa opiate agonists with vs without prior food, consumption of palatable diets, nondeprived male rats, conference presentation, 29431
lack of separation from family, couples therapy, couple with marital impasse, conference presentation, 17942
lactate-induced anxiety & blood hormone levels & response to chronic alprazolam therapy, 23–52 yr olds with panic disorder vs agoraphobia with panic attacks, conference presentation, 22030
lactate-induced panic & biochemical & physiological changes, patients with panic disorder vs agoraphobia with panic attacks, conference presentation, 22076
language & religious & cultural barriers & SES & other factors, growth & social development, immigrant school age children, Switzerland, conference presentation, 6003
late positive component of event-related cortical potential, measurement of effects of neurotoxins on CNS, humans, conference presentation, 23367
latent structure analysis, effect of chlorprothixene & diazepam & seduxen on paired associate learning, conference presentation, 5365
latent structure analysis, paired associate learning, conference presentation, 2948
lateralization of EPs in cued RT task with words vs dot patterns, adults, conference presentation, 5704
lay-scientist's view of intelligence, conference presentation, 29101
learning & retention rates in short after-learning intervals, Wistar vs Long-Evans rats, conference presentation, 11064
learning impotence in achievement & Peter Pan fantasy, 6–15 yr olds, conference presentation, 2446
legal compensation for emotional injury, discussion of 2 legal cases, conference presentation, 11654
legal proceedings & laws & clinical psychiatry, conference presentation, 30494
legal restrictions & social stigma & informed consent & need for controlled studies & efficacy & safety of ECT, conference presentation, 6915
legislative process to gain hospital privileges, psychologists, conference presentation, 25687
lesions & anxiolytic drugs & anatomy of 5-HT system of CNS, anxiety, conference presentation, 599
liaison psychiatry as method of medical education & consultation, conference presentation, 2239
lifestyle & stress & sleep, circadian rhythm & catecholamine & adrenaline excretion, villagers, conference presentation, 11190
lighting & legibility & visual comfort, data presentation on computer display screen, conference presentation, 7890
limited needs vs fitness maximization model, predictions of foraging behavior & allocation of time to hunting, Ache foragers, Paraguay, conference presentation, 3570
linking biological & psychological psychiatry to address etiology & treatment of depression, conference presentation, 14923
lip slit shapes, decoding of labial French vowels, conference presentation, 712
lithium & antipsychotic-antidepressant drugs vs ECT, psychotically depressed patients, conference presentation, 18087
lithium & haloperidol or carbamazepine or levotryptophan, patients with mania, conference presentation, literature review, 15202
lithium & neuroleptic drugs, catecholamine & indoleamine & calcium mechanisms, manic patients, conference presentation, 15210
lithium, calcium metabolism & hormonal control of calcium, manic depressive disorders, conference presentation, 15141
lithium carbonate retard side effects, psychiatric patients, conference presentation, 15152
lithium, neuroleptic-induced dopaminergic supersensitivity, conference presentation, 9933
lithium vs conventional treatment methods & ECT, relapse & social performance, 19–66 yr olds with bipolar affective disorder, conference presentation, 9894
localization of cholecystokinin receptors & nociceptive neurons in midbrain central gray, rodents, conference presentation, 19328
lochs providing different light environments, visual pigments, paired-pigment brown trout, conference presentation, 533
locus of control orientation & severity of psychiatric illness, 10–21.5 yr old chronically disturbed inpatients, conference presentation, 28152
long term intermittent ceruletide administration, psychotic symptoms, 20–54 yr olds with chronic schizophrenia, conference presentation, 20403
long term outcome, borderline patients treated in psychiatric hospital, 2–32 yr followup, conference presentation, 12718
losses & reduction in positive social relationships, coping ability & depression, conference presentation, 30099
low dose of cholecystokinin, ingestive intake & gastric emptying, neonatal rats, conference presentation, 19487
low vs high doses of butorphanol, motor activation, male rats, conference presentation, 5901
luminous contrast & character shape & text layout & color, legibility of video display terminals, conference presentation, 7898
maintenance in biological family vs foster care or adoption vs institutional placement, reabuse & psychological disturbances, abused children under 3 yrs old, 2–10 yr followup study, France, conference presentation, 4032
managerial team development, interpersonal interactions in management labor relations in building industry & enterprise, Poland, 1971–80, conference presentation, 15985
mandatory reporting of child abuse & short term crisis intervention treatment, client-reporter relationship & family crises, protective services population, conference presentation, 4609
mapping of genes on human chromosome 21 & mouse chromosome 16, implications for study of Down's syndrome, conference presentation, 17500
maprotiline, patients with periodic endogenous depression, preventive implications, conference presentation, 7218
marketing & advertising for future of psychotherapy, conference presentation, 18365
martial arts & creative writing & drawing, establishment of trusting relationship with police & hospital & social work personnel & treatment, victims of child molestation, conference presentation, 14955
Marxist methodology & theory of abilities, selection & education of sport talents, conference presentation, 31392
maternal adrenal glucocorticoid & prenatal exposure to ethanol & acute stress & adrenalectomy & corticosterone level in milk, pituitary-adrenocortical & behavioral activities, female rats & their offspring, conference presentation, 29381
maternal age & previous childbearing & underlying pathology of infertility, pregnancy rate of in vitro fertilization program, patients who underwent laparoscopic ovum pickups, conference presentation, 18153
Maxwellian optics laboratory automation using personal computer for experimental control for psychophysical instrumentation & data gathering, conference presentation, 18885
measurement of status enhancement & work role gratification dimensions of farm lifestyle, small scale farmers, conference presentation, 11841
measurements made from walking tracks, evaluation of functional condition of sciatic nerve trunk following damage, rats, conference presentation, 5225
mechanism of psychotic introjection & projective identification, female in late 20's with schizophrenia, conference presentation, 27803
mechanisms of control for activities of relay neurons in dorsal lateral geniculate nucleus, rats, conference presentation, 3159
medical & moral issues, phencyclidine abuse, females who bear children, conference presentation, 30280
medical & social & psychological factors of aging, conference presentation, 3384
medical model & psychoanalysis, conference presentation, 30542
medical treatment of premenstrual syndrome, conference presentation, 28044
memory & musical structure & acculturation & temporal organization, discriminative capacities on musical tests, children, conference presentation, 14200
memory dysfunctions, implications for pharmacological treatment, conference presentation, 1637

memory of early childhood kidnapping, related themes & literary-theatrical conventions in literary works of W. S. Gilbert, conference presentation, 11363
meta-level strategies for global survival, conference presentation, 17026
meta-theoretical assumptions, attributions of patient responsibility for problem cause & therapeutic change, clinicians with psychodynamic vs cognitive-behavioral vs family systems vs eclectic orientations, conference presentation, 30582
metabolic & neurochemical mechanisms of glucoprivic feeding, rodents, conference presentation, 21324
metabolism & sensitivity of 1-methyl-4-phenyl-1,2,3,6-tetrahydropyridine, monkeys vs mice vs guinea pigs vs rats, conference presentation, 19462
method for automatic generation of phonetic dictionaries for speech comprehension systems, conference presentation, 88
methodological problems, epidemiologic study of work-related diseases, conference presentation, 12215
methodological procedures for postmortem study of neurological & psychological parameters, depression, conference presentation, 10738
methodologies in neuropsychological assessment, right & left brain functioning, implications for schizophrenia & creativity, conference presentation, 5278
methodology for performing quantitative assay for aneuploidy, implications for study of Down's syndrome, conference presentation, 17503
methods for classification of neuroleptic drugs, conference presentation, 4489
methods for provision of continuing competence, practicing speech/language pathologists & audiologists, conference presentation, 25620
methylphenidate vs levo-promazine vs natrium valproate, EEG & minimal brain dysfunction symptoms, 5–13 yr olds hospitalized for hyperkinetic syndrome, conference presentation, 7167
mianserin & its enantiomers & metabolites, noradrenergic transmission & re-uptake & release & relation to mechanism of antidepressant action, literature review, conference presentation, 29468
mianserin, depressed 8–19 yr olds, conference presentation, 30720
mianserin, females with cancer & situational major depression, conference presentation, 30714
mianserin, prophylaxis of migraine headache, 18–65 yr olds, conference presentation, 30760
mianserin, sleep parameters assessed by EEG, 29–58 yr old depressed inpatients, conference presentation, 30755
mianserin vs clomipramine, 25–57 yr old mildly depressed psychiatric outpatients, conference presentation, 30721
mianserin vs imipramine, depressed 60–80 yr olds, conference presentation, 30722
mianserin vs nomifensine & clobazam, depressed patients, conference presentation, 30749
mianserin vs nomifensine, endogenous & reactive depressive patients over 20 yrs old, conference presentation, 30732
mianserin vs zimeldine, profiles of changes in activity during treatment assessed by Montgomery-Asberg Depression Rating Scale, depressed 20–82 yr olds, conference presentation, 30761
microcomputer-based Psychometric Assessment System & Dementia Screening Battery, differentiation of age-related vs incipient dementia, humans exposed to neurotoxins, conference presentation, 23361
microcomputer-based system for testing for neurotoxicity, assessment of cognitive & sensory & motor functioning, conference presentation, 23365
microsleep attacks, automobile accidents, drivers, conference presentation, 4205
milieus, 2 community residential alternatives to psychiatric hospitalization, conference presentation, 30871
minimum bid 3rd party financing, mental health services & clinical practice, conference presentation, 18183
misconceptions about normalization principle & mentally retarded Ss, conference presentation, 12672
misdiagnosis, 16 yr old female with rabies misdiagnosed as psychiatric disturbance, conference presentation, 6865
mitral valve abnormalities & panic attacks, patients with generalized anxiety disorder vs panic disorder vs agoraphobia with panic attacks, conference presentation, 22039
model of psychic resistance, prevention of drug addiction, conference presentation, 30294
model of speech production, conference presentation, 729
models of psychic reality in psychoanalysis, conference presentation, 2780
modes of identification in interaction between analyst & analysand, male in 30's with obsessive neurosis & 35 yr old female with complex neurosis, conference presentation, 27813
modification of sexual practices & level of promiscuous sexual behavior as means of preventing acquired immune deficiency syndrome, homosexual males, conference presentation, 3647
modified dexamethasone suppression test, diagnosis of primary depression, conference presentation, 6523
modified neuropsychological assessment in private practice psychotherapy, contributions of A. Luria & W. Halstead & R. Reitan, conference presentation, 17762
monoamine turnover & binding to monoamine & other receptors, 56–94 yr old Alzheimer's disease vs depressed patients vs adults who committed suicide, conference presentation, 1221
mood & hunger, eating retention or bingeing & purging, bulimic females, conference presentation, 24883
moral systems & indirect reciprocity, conference presentation, 1116
morbidity risks of schizophrenia & related disorders, 1st degree relatives of DSM-III schizophrenic patients, conference presentation, 27380
morphine vs ethanol administration & immobilization stress, memory process in passive avoidance task, mice, conference presentation, 11209
morphological & electrophysiological features of photoreceptor cells in visual system, marine gastropods, conference presentation, 29281
motivations for entering teaching profession & authoritarian personality tendencies, student teachers, 1974–82, conference presentation, 10311
mu & kappa opiate receptor agonists, social investigation vs defensive vs aggressive behavior in interactions with anosmic males, male & female mice, conference presentation, 26631
multidisciplinary treatment approach, residual capacities & discharge, hospitalized geriatric patients with dementia, conference presentation, 4656
multilevel systemic approach, 8 yr old quadraplegic female with phobic symptoms & deteriorating mood following fulminant meningitis, implications for child psychiatry, conference presentation, 25070
multiple stimuli in perception of distance & depth & visual motion, conference presentation, 8161
nalorphine or naloxone vs haloperidol, 18–59 yr olds with schizophrenia, conference presentation, 15195
naloxone, antinociceptive action of morphine vs caerulein, male rats, conference presentation, 19497
naloxone, behaviors & analgesia vs hyperalgesia associated with opiate withdrawal, dependent vs nondepressed male rats, implications for ACTH as endogenous contra-opioid agonist, conference presentation, 26680
naltrexone, food intake & body weight, hospitalized obese 26–39 yr old males, conference presentation, 22559
National Institute for Occupational Safety & Health neurobehavioral testing & research in neurotoxic hazard evaluations, conference presentation, 23355
need for ability to understand & apply new technologies in diagnosis & prosthetic devices & education, speech/language pathology & audiology graduates, conference presentation, 25661
need for advanced computer resources in psychology, conference presentation, 18872
need for avoidance of psychonoxious or defensive or distracting laughter, psychotherapy, conference presentation, 25146
need for caution in endocochlear electrode insertion surgical procedure, conference presentation, 4554
need for experimental approach to study of social issues, illustrative example of study on race relations & school desegregation, conference presentation, 8926
need for integration of education & rehabilitation with licensing sanctions, drivers guilty of driving under influence, conference presentation, 25580
need for integration of vigorous experimentation & policy making relevance, conference presentation, 23362

need for mental health care, 12–21 yr olds in orphanages, India, conference presentation, 25521
need for predictable environment in analytic setting, children, conference presentation, 4277
need for primary prevention of child abuse & neglect, conference presentation, 3984
need for psychiatric involvement in public policy decision making, conference presentation, 4267
need for recognition of importance of & competence in utilization of research data, speech/language pathologists & audiologists, conference presentation, 25658
need for research into magnitude & extent & characteristics & methodology, risk factors in alcohol-related traffic accidents, conference presentation, 24804
need for research on environmental aspects of precrash & crash phases, alcohol-related traffic accidents, conference presentation, 24812
need for research on role of sociocultural factors in alcohol-related traffic accidents, conference presentation, 24763
need for training to provide adequate care to underserved/neglected clients with communication disorders, speech pathologists & audiologists, conference presentation, 25650
need to consider optimization of health & safety & well-being of worker in ergonomics, conference presentation, 5127
needs & motives & judgment, 12–18 yr old specialized sport school students, implications for education, conference presentation, 29691
needs assessment for outpatient treatment of bulimia, conference presentation, 12354
needs of clinical child psychology educational programs & training & internships, conference presentation, 20562
neonatal dexamethasone with vs without pyritinol, behavioral deviations associated with structural & biochemical deficits of brain, male rats, conference presentation, 5818
neonatal exposure to phosphate-buffered saline with vs without morphine, brain & motor development & behavior, rat pups, conference presentation, 29424
nerve conduction vs automated techniques, assessment of cutaneous sensations in peripheral toxic neuropathies, conference presentation, 24869
neurobiological & sociocultural & social-cognitive factors of aggression, children, conference presentation, 3496
neurobiological aspects, appetite disorders, conference presentation, 25011
neurochemical & functional consequences of 1-methyl-4-phenyl-1,2,5,6-tetrahydropyridine vs methamphetamine, rats, implications for Parkinson's disease, conference presentation, 19460
neuroendocrine regulation & dopamine agonists & brain & spinal cord lesions & serotonin & hypothalamohypophyseal system, adrenal enzyme induction during stress, conference presentation, 29322
neuroleptic-free treatment with vs without ceruletide, cholecystokinin octapeptide levels in CSF, patients with Parkinson's disease vs unipolar vs bipolar depression vs schizophrenia, conference presentation, 20399
neuroleptic-like activities & antipsychotic action of cholecystokinin octapeptide & ceruletide, rats vs schizophrenic patients, conference presentation, 20421
neurological data, 38 yr old shifted-sinistral male with deficit in visual imagery, case report, conference presentation, 27504
neuronal circuitry in piriform/olfactory cortex, conference presentation, 11151
neuropeptide Y injection to brain regions, food & water intake, male rats, evidence for hypothalamic sites of action for neuropeptides, conference presentation, 21599
neuropsychological model of daily functioning, implications for psychotherapy, conference presentation, 17779
neurotic effects of exposure to organic solvents, patients, literature review, conference presentation, 30460
neurotoxic chemical exposure scenarios previously encountered & recommended solutions, conference presentation, 26044
neurotoxicity of organic solvents, implications for research, literature review, conference presentation, 30465
neurotoxins, selective vulnerability & degeneration of long & large axons, intoxicated humans & experimental animals, conference presentation, 6883
new meaning of term "teaching," conference presentation, 12892
new model of intelligence & intelligence assessment, conference presentation, 21969
New Right's authoritarian assault on public school curriculum & threat to education, US, conference presentation, 10368
news media, communication of information about issues & events in social service programs, social workers, conference presentation, 28083
nomifensine, depression, 24–67 yr old neurotic outpatients, conference presentation, 15151
non-benzodiazepine anxiolytics, benzodiazepine receptor modulation & therapeutic efficacy, conference presentation, 29400
nonconflictual identity vs conflict/defense etiological hypotheses of gender disturbance, 5–13 yr olds who practiced cross-gender behavior, conference presentation, 11525
noradrenergic agonist, voluntary ethanol consumption, male rats, conference presentation, 16802
normal aging vs senile dementia, cognition & affect, conference presentation, 753
Nucleus Limited multichannel cochlear prosthesis with wearable speech processor, conference presentation, 2838
obesity induced by parasagittal hypothalamic lesions, brown adipose tissue reactivity to thermogenic stimuli, female rats, conference presentation, 21442
object relations & identification in character pathology, 32 yr old female analysand with phallic-narcissistic character neurosis, conference presentation, 27779
obstacles to working through Holocaust experience & consequences of failing to do so, survivors, conference presentation, 6425
occupation, alcoholism, conference presentation, 12088
occupational stressors, job dissatisfaction & ill health, implications for aviation personnel, conference presentation, 13232
occupational therapy, anorexia nervosa, conference presentation, 25549
occurrence & concentration of cholecystokinin octapeptide & other gastrins in CNS, conference presentation, 19322
Oedipus complex as psychoanalytic construct & development of object relations & concept of autonomy, conference presentation, 10724
official record of actions of American Psychological Association by Board of Directors & Council of Representatives, 1985–86, 28270
olfactory nerve transection & role of chemoreception, parental fanning adaptation & sexual behavior, male 3-spined sticklebacks, conference presentation, 19411
onset of illness & sexual activity & stealing behavior & bulimia, females with anorexia nervosa, conference presentation, 24956
ontogeny of behavior & social adaptations in early childhood development, comments on paper by S. Chess, conference presentation, 29755
open field response to acoustic stress as measure of emotional reactivity, vasopressin deficient Brattleboro rats with hereditary hypothalamic diabetes insipidus, conference presentation, 19392
ophthalmoscopic technique, direct observation of cone mosaic through natural pupil, garter snake, conference presentation, 28904
opiate antagonist naloxone, circulation of catecholamines induced by exercise, conference presentation, 3189
opiate involvement in mediation of ingestive behaviors & similarities to mammalian feeding, slugs, conference presentation, 21304
opioid peptides, psychotomimetically-induced behavior & memory disturbances, male rats, conference presentation, 5883
opioids, ingestive behaviors, rats, conference presentation, 21544
Optacon system displaying tactile representations of single characters vs interactive single electronic braille cell displaying Grade 1 braille characters, blind readers, conference presentation, 19541
organization of individual creativity, conference presentation, 9145
organization Shalshelet, assimilation in communication & language skills & roles & family practices, immigrant couples, Israel, conference presentation, 30866
ostracism & legal case against leaders of Old Amish Church, male 33 yr old former member, implications for sociobiology of individual rights, conference presentation, 982
outcome & prognosis of anorexia nervosa & bulimia, long term followup, literature review, conference presentation, 25003

overview & prospects of Automated Portable Test system, human assessment, conference presentation, 18863
overview of juvenile justice system, conference presentation, 3613
parallel processing strategies in application of microcomputers to behavioral laboratory, conference presentation, 18894
paraventricular vs ventromedial hypothalamic lesions, hyperphagia & obesity & hyperinsulinemia & basal gastric acid secretion, male rats, conference presentation, 21467
parent-child relations & absence of normal adolescent sexual behavior & fantasy & duration of illness, prognosis, male anorexic patients, 2–20 yr followup, conference presentation, 24874
parental communication deviance & affective attitudes, prevalence of schizophrenia & related disorders in offspring, families with moderately disturbed teenagers, 15-yr longitudinal study, conference presentation, 27303
pargyline vs amitriptyline vs quinuperamine vs desipramine vs nomifensine, pineal production of melatonin, male rats, conference presentation, 5908
participative management, satisfaction & involvement in work life, employees, conference presentation, 15982
pathogenic concept of female sterility & infertility, selection of patients for in vitro fertilization & counseling based on psychological factors, human females, conference presentation, 18155
pathophysiological aspects, mental disorders, conference presentation, 24590
patient characteristics & intervention limitations, failure experiences in conjoint therapy, couples, conference presentation, 17906
patient characteristics & therapeutic techniques, crisis intervention outcome, 16–61 yr olds referred to psychiatric outpatient services, conference presentation, 24616
patient characteristics, neurotic 18–54 yr olds with anxious response listening to heart sounds, conference presentation, 3814
patient selection & operative approach, cochlear implants, 18–60 yr old patients with bilateral total sensory deafness, conference presentation, 8 mo to 3 yr followup, 4593
patient selection & prosthesis size & surgical procedures, cochlear implants, deaf 2–18 & male 54 & 55 yr olds, conference presentation, 4581
patient selection for cochlear implants, 12–60 yr olds, conference presentation, 4549
patient selection for 2 types of cochlear prostheses, patients with same type of deafness, conference presentation, 4555
patterns & psychological correlates of inhalant use, 14–24 yr olds, Mexico, conference presentation, 27120
Peer-Assisted Leadership program, school principals & administrators, conference presentation, 20650
peer review & mental health treatment report, psychotherapeutic processes & confidentiality, psychotherapists & their psychiatric patients, conference presentation, 18355
penfluridol vs haloperidol vs thioridazine, tics, patients with mean age of 10.3 yrs, conference presentation, 15174
pentazocine & tripelennamine, heroin & cocaine abuse, drug addicts, conference presentation, 10174
pentazocine vs opiates in clinical medicine, research review, conference presentation, 8545
peptides, regulation of food intake, conference presentation, 21564
perception of career commitment & satisfaction & professional self image, male vs female medical students, India, conference presentation, 15466
perception of effects of long term neuroleptic medication on patient's quality of life, patients & clinicians, conference presentation, 12545
perception of family attitudes toward weight in bulimia & in affective disorder, female 15–45 yr olds with bulimia vs depression, conference presentation, 24604
perception of pitch structure in music in terms of closed system or circle of 5ths, conference presentation, 13603
perception of sexism in gender-biased language, college students, conference presentation, 14401
perceptions of details of vernacular architecture & local cultural meaning, community members vs architects, conference presentation, 10663
perceptions of medical & psychosocial & family relationship needs, neurologists vs parents of children with epilepsy, conference presentation, 12183
perceptions of medicine & drug administration methods & religious beliefs & use of folk medicine, treatment compliance, Moslem immigrants from North Africa, France, conference presentation, 7181
perceptions of psychotherapy training, psychiatric residents, Canada, conference presentation, 2254
perceptions of similarity among pairs of editing commands before vs after training, college students & graduates trained in IBM Displaywriter vs UCSD-Pascal, conference presentation, 18898
performance in programing in natural language, computer programers vs nonprogramers, conference presentation, 18892
performance models of stress & family management skills vs parental discipline & antisocial behavior, 4th & 7th & 10th grade males, conference presentation, 21789
persistent otitis with vs without early myringotomy, otologic & audiologic & psychosocial development, 65–137 mo olds with repaired cleft palates, conference presentation, 12218
personal characteristics & career plans & attitudes towards psychotherapy, identification of characteristics & attributes of perspective child vs general psychiatrists, medical students, conference presentation, 28364
personal view of potential problems facing family therapy discipline, conference presentation, 17913
personality pattern combining impulsiveness & repression & aggressiveness, etiology of cardiovascular disorders, conference presentation, 4168
personality profile & symptomatology & age of onset, anorexia nervosa, male patients, conference presentation, 24893
perspectives on development of superego, conference presentation, 10730
pharmacokinetic & pharmaco-EEG & psychometric analysis of fluoxetine, 21–27 yr olds, conference presentation, 5930
pharmacological & clinical effects of busipirone vs benzodiazepines, conference presentation, 29482
pharmacological & clinical properties of zopiclone & suriclone, mice & rats & cats, conference presentation, 29432
pharmacological & neurochemical effects of tracazolate, conference presentation, 29463
pharmacological & side effect profile of butorphanol, research review, conference presentation, 8592
pharmacological profile of fluoxetine, animals, conference presentation, 5939
pharmacological profile of mixed agonist-antagonist xorphanol from morphinan class of analgesics, mice & rats, conference presentation, 8552
pharmacological profile of opioid mixed agonist-antagonist analgesic picenadol, rats, conference presentation, 8631
phenelzine, atypical somatization & affective & anxiety disorders, adult females, conference presentation, 12547
phenelzine sulfate, bulimia, 18–45 yr old females, conference presentation, 25331
phenylpiperazines, anxiolytic actions without interaction at benzodiazepine & GABA complex, animals & humans, conference presentation, 29450
philosophical changes in scientific psychology & impact on discipline as science & technology & service, conference presentation, 7947
philosophy of Buddhism & self awakening psychotherapy for neurosis, 32 & 26 & 78 yr olds with depersonalization & impotence vs reactive depression vs anxiety & compulsive neurosis, conference presentation, 22414
phoneme recognition, automatic recognition of spoken words, conference presentation, 76
phonetic expert system, automatic sentence decoding, conference presentation, 66
photic responsiveness of cells in medial bank of lateral suprasylvian cortex, cats, conference presentation, 3176
physiological assessment of workload in simulated & actual flight, Air Force pilots, conference presentation, 20858
physiological constraints & articulatory indices, conference presentation, 713
physiological measures vs correlates of stress, ergonomic implications, conference presentation, 5128

Piagetian perspective on construction of new truths in psychoanalysis, conference presentation, 55
Pilot Advisory Group, personal problems from occupational stress, professional pilots, conference presentation, 13239
piracetam, male psychotic alcoholics, conference presentation, 15154
pituitary-adrenocortical disinhibition & intolerance to fluvoxamine, 21–60 yr old outpatients with major depression, conference presentation, 15124
plan concept model of brief dynamic psychotherapy, illustrations of patient cases, conference presentation, 22401
plan concept of brief psychotherapy & therapeutic progress & therapist behavior, patients, conference presentation, 22432
planning for psychology training in medical education, conference presentation, 7560
political conditions, scientific exchange at 11th & 12th international congresses of psychology, 1936–48, conference presentation, 18827
population density & nest spacing & predation, aggressive & reproductive behavior, breeding male sticklebacks from various sites, conference presentation, 19256
population trends & reproductive behavior & health psychology & public policy, developing countries, conference presentation, 19757
portable laboratory computer system, measurement of event-related brain potentials during performance of complex experimental tasks, humans, conference presentation, 23368
portable laboratory microcomputer-based system, measurement of sensory EPs & neurobehavioral data in field testing of neurotoxicity, humans, conference presentation, 23385
positive reinforcement & persuasion & parent counseling, hysterical blindness, 7 yr old with parents holding strict childrearing attitudes, conference presentation, 25071
potential causal factors in prevalence of hypertension & differential response to antihypertensive drug therapy, Blacks vs Whites, conference presentation, 9920
potential destructiveness of intergroup/international conflict in nuclear age, conference presentation, 14248
potential difficulties in use of diagnosis-related group-based reimbursement systems for inpatient psychiatry, conference presentation, 28144
potential impediments to implementation of inpatient treatment program, Vietnam veterans with posttraumatic stress disorder, conference presentation, 25499
pre- & postnatal exposure to methylazoxymethanol, ECS thresholds & locomotor activity & neuronal development, pregnant rats & their offspring, implications for developmental model of neurotoxicity, conference presentation, 29433
pre- & postnatal lead exposure, zinc & copper & calcium levels & locomotor activity & number of dopaminergic & GABAergic receptors, female rats & their offspring, implications for lead intoxication in children, conference presentation, 29383
prediction of future adjustment, 1st-yr medical school students, 35-yr followup of research by H. W. Brosin, conference presentation, 15465
predictive factors in establishing career, males assessed at ages 14–36 yrs, longitudinal study, conference presentation, 10582
predictive validity of scale developed by R. W. Bortner, assessment of Type A behavior & mortality rate, 35–64 yr old twins & singletons, Finland, 6-yr followup study, conference presentation, 8083
predisposing vs preparing factors & classification system, reflex epilepsies, human model for understanding mechanism of epileptic seizures, conference presentation, 30371
prefeeding vs lithium chloride vs quinine, behavioral structure of anorexia, male rats, conference presentation, 29345
preference for alcohol, adult offspring of alcohol-fed pregnant rats, conference presentation, 16771
prenatal & postnatal haloperidol exposure & apomorphine, stereotyped behavior & locomotor activity, female rats & their offspring, conference presentation, 29403
prenatal diazepam exposure, functional deficits & neural alterations measured by auditory function & restraint stress tests, rats & their offspring, conference presentation, 29439
prenatal ethanol exposure, acquisition of delayed conditioned taste aversion, infant rats, conference presentation, 16615
prenatal ethanol exposure, development of perforant pathway to dentate gyrus assessed by anterograde horseradish peroxidase, rats, conference presentation, 16609
prenatal vs neonatal exposure to imipramine & desipramine & chlorimipramine & iproniazid & isocarboxazid, neonatal reflexes & open field behavior & avoidance responses & sexual activity, pregnant rats & their offspring, conference presentation, 29407
presence & value of evaluative factors in rating grant proposals, National Institutes of Health program directors & executive secretaries & administrators, conference presentation, 18388
presentation of dream analysis & transference, conference presentation, 9732
presentation of psychiatric evaluation & issues of criminal responsibility, disposition in case of child abandonment, 19 yr old unwed mother, conference presentation, 24390
presenting clinical symptoms & treatment, 25 yr old female with delusion that she was reliving her life, conference presentation, 24695
presidential address of author as American Psychiatric Association's 1st female president, conference presentation, 4254
pretreatment with naloxone vs methyl naloxone & posttreatment with morphine, conflict analgesia following exposure to attacks from aggressive residents, male intruder mice, conference presentation, 26735
prevalence & mode of inheritance & clinical characteristics, Meniere's disease, 14–83 yr olds from families with 2 or more 1st-degree relatives with idiopathic Meniere's disease, conference presentation, 1520
prevalence of anorexia nervosa & bulimia, insulin-dependent diabetic female adolescents, conference presentation, 24972
prevalence of binge eating & bulimia, 17–25 yr old college students, Ireland, conference presentation, 24913
prevalence of mitral valve prolapse, 20–63 yr old patients with panic disorder vs agoraphobia with panic attacks, conference presentation, 22075
prevalence rates of anorexia nervosa & bulimia, 1st- & 2nd-degree relatives of anorexia nervosa patients, implications for classification & etiology of anorexia, conference presentation, 24995
preventive & therapeutic services, psychiatric disorders, children, conference presentation, Mexico, 25037
preventive medicine through monozygotic twin studies in chronogenetics, conference presentation, 3131
preventive social work intervention approach to parent group education, conference presentation, 22693
primary/narcissistic & secondary identifications in adolescence, conference presentation, 21751
proactive public policies for healthy work places, conference presentation, 10568
problem solving & complex manipulatory abilities, sticklebacks, conference presentation, 19192
problems & issues in special education of learning disabled children, conference presentation, 10471
problems in evaluation of real-world usability of digital voice communication systems, experienced vs inexperienced communicators, conference presentation, 19537
problems in neuropsychological data transfer between computers, conference presentation, 18902
problems within scope of psychophysiological research, conference presentation, 565
procedure for induction of oral self administered ethanol intoxication, free feeding male rats, conference presentation, 16641
proceedings of 55th Annual Meeting of Eastern Psychological Association, 1984, 4729
process & inpatient treatment, 9 yr old female with childhood schizoaffective disorder, conference presentation, 18274
process-based intervention, planning & problem solving competence, mildly mentally retarded adolescents in regular high schools, conference presentation, 20762
process of intermediation in social conflict & political movements, individuals as mediators & government as decision-making agent, conference presentation, 1084
process of termination of analysis & activation of regressive forces, psychoanalyst who lost most chronic patient, conference presentation, 17881

process of understanding physical complaint & provision of explanation as form of psychotherapy in general medical practice, conference presentation, 20460
processes & factors in organizational transformation & decline of college, conference presentation, 28811
processes of change in group psychotherapy, conference presentation, 25178
prodromal symptoms & prevention of relapse with antipsychotic drugs, schizophrenic patients, conference presentation, 30738
professional & educational background & perceptions of acceptance of themselves & their programs by hospital personnel & community members, family therapists working in hospitals, conference presentation, 18270
professional fees & process of psychotherapy, psychotherapists, conference presentation, 4791
proglumide, cholecystokinin antagonist in dopamine neurons in midbrain & prefrontal & sensorimotor cortex, conference presentation, 19424
proglumide, opiate analgesia & reversal of morphine tolerance, rats, implications for role of cholecystokinin in opiate tolerance, conference presentation, 19513
proglumide vs saline with vs without food preload, food intake, normal vs vagotomized rats, conference presentation, 19498
proglumide with vs without morphine, analgesia & tolerance, male rats, 19491
prognosis of voice disorders, patients who received initial diagnoses at 6–13 yrs old, 9-yr followup study, conference presentation, 1496
prognostic evaluation of multichannel cochlear implant, deaf patients, conference presentation, 4560
program of World Health Organization, identification & magnitude of work-related diseases, conference presentation, 12192
programed instruction methods, acculturation of tonal principles in music, musicians, conference presentation, 15651
programing language & computer system for design & administration & distribution of surveys, conference presentation, 18887
programing simulations of cognitive processes, conference presentation, 18903
projective identification, consulting relationship, clients & their consultants, conference presentation, 13160
prominent developmental & family & life cycle theories in social work & need to find linkages toward more holistic theory, conference presentation, 18220
properties of innate releasing mechanisms & role of color, aggressive behavior, sticklebacks, criticism of study by J. J. ter Pelwijk & N. Tinbergen, conference presentation, 19236
prophylactic lithium carbonate treatment, patients with affective psychoses, 10-yr followup, conference presentation, 7194
proposal to include students from other disciplines in undergraduate & graduate level training programs, speech/language pathology & audiology, conference presentation, 25684
proposed peripheral satiety vs central feeding system as models for role of peptides, appetite modulation, literature review, conference presentation, 29317
propranolol, reduction of anxiety, neurotic & encephalopathic male patients, conference presentation, 12585
pseudo-phonetic decoding, automatic speech recognition, conference presentation, 83
psychiatric & neurological & psychoeducational characteristics, death row inmates, conference presentation, 28201
psychiatric day care center, Belgium, conference presentation, 4642
psychiatric nosology, psychotropic drug responses, conference presentation, 4532
psychiatrists' petition for commitment & patient characteristics, process of making decision to commit, district court judges presiding at civil commitment hearings, conference presentation, 17103
psychiatry & human rights, conference presentation, 30518
psychiatry & psychic trauma & posttraumatic stress disorder from human-made stress, illustrative cases of Vietnam veterans & Holocaust survivors, conference presentation, 1720
psychoanalysis, personality disorders, conference presentation, 4359
psychoanalytic & literary analyses of Shakespeare's "King Lear", literature review, conference presentation, 21644
psychoanalytic concept of identification & narcissism & object relation, conference presentation, 12
psychoanalytic concept of identification & transformation & imitation & internalization, conference presentation, 59
psychoanalytic concept of psychic reality, summary of contributions of R. Michels & J. A. Arlow & R. Schafer & R. S. Wallerstein & their replies & discussion, conference presentation, 2788
psychoanalytic concept of "the other" as model for understanding spoken & body language in doctor-patient relationship, immigrants, France, conference presentation, 6926
psychoanalytic contributions to understanding of empathy within psychoanalytic situation, clinicians, conference presentation, 15005
psychoanalytic description of effects of childhood identification with Nazism & associated disturbances, conference presentation, 22002
psychoanalytic epistemology, conference presentation, 43
psychoanalytic interpretation of experiences & emotional states during & after Holocaust, survivors, conference presentation, 6168
psychoanalytic interpretation of visits to eternity & ideation of transference objects by Freud & E. Wiesel & Patient X & Jung, conference presentation, 26126
psychoanalytic interpretation vs holding measures, uncontrollable violent behavior, 6 yr old male, conference presentation, 4348
psychoanalytic models of detachment-withdrawal & autistic encapsulation syndromes, 40 yr old male & 46 yr old female victims of Nazi occupation, conference presentation, 22108
psychoanalytic perspective on compulsion to repeat self defeating behaviors & role of separation individuation process, conference presentation, 1804
psychoanalytic perspective on constructivism, discussion of papers presented at Symposium of William Alanson White Society, 54
psychoanalytic perspective on therapeutic change & psychotherapeutic processes, conference presentation, 1733
psychoanalytic setting & transference & countertransference & training analysis, conference presentation, 27808
psychoanalytic theory & problems in identification in children, 6 yr old borderline adopted male, conference presentation, 27804
psychoanalytic therapy & neutrality of therapist, conference presentation, 15029
psychoanalytic truth as emergent in analysis of immediate analytic experience, conference presentation, 19
psychoanalytic view of dilemma of love &/or power, 28 & 30 & 35 yr old professional women, conference presentation, 24431
psychoanalytic view of early deficits & integration of psychic structure, conference presentation, 3508
psychoanalytic view of identification & neoneeds & neosexualities, conference presentation, 22172
psychoanalytic view of identification in character formation, conference presentation, 26942
psychoanalytic view of male homosexuality & psychoanalysis, conference presentation, 27781
psychoanalytic view of values & culture, consciousness state, conference presentation, 26377
psychoeducational family intervention models, community management of schizophrenia, families of schizophrenics, conference presentation, 30654
psychogenic epidemics & mass hysteria & collective hysterical contagion in workplace, conference presentation, 11883
psychological & behavioral approach to social problem areas, central government policy & planning, Northern Ireland, conference presentation, 24375
psychological & social development & trends in diagnosis & treatment, children & adolescents with emotional disturbances, conference presentation, 20269
psychological adaptability & attitudes toward health problems, 40–59 yr old males in coronary heart disease prevention program, conference presentation, 12319
psychological aspects & role of psychiatry & psychiatrists in achieving world peace, conference presentation, 14256
psychological aspects of slavery & colonialism, conference presentation, 21807
psychological projections embodying disavowed characteristics of own group, US vs USSR, conference presentation, 14264

psychological screening instruments in interviews, determination of correlation between demographic & psychological profiles & pregnancy, couples admitted to in vitro fertilization program, conference presentation, 18149
psychological variables, development of smoking habit, twins born before 1956, conference presentation, 3141
psychology vs praxis, behavior underlying cognition, animals, conference presentation, 29181
psychopathological & prognostic aspects of stages & symptoms, formal thought disorders, schizophrenia, 24642
psychopharmacotherapy, psychosis, conference presentation, 20416
psychophysical & electrophysiological approaches, assessment of effects of neurotoxins on sensory functions, humans, conference presentation, 23379
psychophysiological anxiety model & psychopathology of bulimia, obese vs bulimic females, conference presentation, 25017
psychophysiological correlates of long term attention to complex tasks & problems associated with measurement, conference presentation, 19179
psychophysiological processes as basis in education, conference presentation, 574
psychosocial & ethical & moral issues & public reaction & attitudes toward acquired immune deficiency syndrome & homosexuals, conference presentation, 4093
psychosocial & socioeconomic & personality factors & work environment, etiology of cardiovascular disease, conference presentation, 12289
psychosocial childbearing stress, metabolic control assessed by plasma glucose & urinary ketones & glycosylation of hemoglobin, diabetic pregnant 27–38 yr olds, conference presentation, 4099
psychosocial control model & impact of banning alcohol advertisements & attempts to change societal attitudes, drinking & driving, conference presentation, 24740
psychosocial factors & stress, multiple sclerosis, conference presentation, 1593
psychosocial interventions & interference by social worker, maintenance of violent situations & child abuse, family under social worker's supervision, conference presentation, 25459
psychosocial stressors, coronary heart disease, conference presentation, 9578
psychotherapeutic & cognitive/behavioral & gestalt strategies in group treatment program, hospitalized Vietnam veterans with posttraumatic stress disorder, conference presentation, 25472
psychotherapeutic approaches to substance abuse, conference presentation, 28244
psychotherapeutic processes & truth in psychoanalysis, conference presentation, 1808
psychotherapy, transformation of self destructive impulses to object relations, children & adolescents, conference presentation, 4287
psychotic relapses during long term lithium treatment, manic depressive lithium responders, 2–7 yr followup, conference presentation, 7265
psychotropic drug use, Czechoslovakia vs Norway vs Sweden, conference presentation, 6313
psychotropic drug use during pregnancy & lactation, literature review, conference presentation, 9879
pubertal development as cause of adolescent disturbance vs related to psychosocial variables, literature review, conference presentation, 29562
public use & frequency of nicknames of deviates & category of deviant act & connotation of nicknames, notorious 20th century deviates, conference presentation, 4043
pure tone audiograms & speech discrimination & nystagmus, 21–49 yr old helicopter pilots, conference presentation, 490
putative serotonin agonist, food intake, freely feeding vs food deprived male rats, conference presentation, 29405
pyritinol vs piracetam & paradoxical sleep deprivation, ammonia levels in CNS tissues, male rats, conference presentation, 3223
radial acceleration & other stressors in aviation, secretion of catecholamines & adrenal steroids & other hormones, conference presentation, 11196
rate of identification of item information & memory span difficulties, learning disabled 6th grade males, conference presentation, 18595
reactivity of growth hormone to pharmacological stimuli in depression, conference presentation, 3815
recent & future trends in legislation for children & families & suggestions for influencing social policy, conference presentation, reprint, 29908
recent vs Freudian psychoanalytic theory of paternal role in child's development & ability to separate, conference presentation, 29752
recollections of family memories in individual psychotherapy, schizophrenia vs borderline state patients, conference presentation, 1763
recommendations for clinical psychology education & training & internship, conference presentation, 20596
reflections on contributions of humanist A. Maslow, conference presentation, 28307
rehearsal strategy & stimulus presentation rate & age, free recall & organization, female college students vs 62–88 yr olds, conference presentation, 3049
reinforcement efficacy of iv self administration of opioid agonist-antagonist analgesics vs morphine & cyclazocine, nonhuman primates & rodents, literature review, conference presentation, 8515
reinforcement schedules, role of cognition in ringswimming & gluing for courtship, male sticklebacks, conference presentation, 19226
relationship between psychoanalysis & therapeutic change, implications for selection of analysants, conference presentation, 1794
relationship of Jung to his father & Christian belief, conference presentation, 13321
relationship with macrosystem or world & microsystem or family & processing of world & childrearing, infants, North America, conference presentation, 24111
relaxation training course, circulatory response to emotional stress, healthy 30–49 yr olds, conference presentation, 8455
reliability & validity of Cognitive Capacity Screening Examination, identification & diagnosis of delirium & dementia, 16–75 yr old psychiatric patients, conference presentation, 5287
reliability of heart response measured by apparatus consisting of recording & biofeedback & data analysis, 40 yr old male, longitudinal study, conference presentation, 18864
reliability of scale for assessment of thought/language & communication vs endogenomorphic schizophrenic axial syndrome scale, assessment of language & thought disorders, patients with schizophrenia vs mania, conference presentation, 23447
reliability of Self-Directed Learning Readiness Scale, measurement of self directed readiness & life satisfaction, adults age 60 yrs & older with low educational attainment, conference presentation, 23098
reliability of signs & symptoms in assessment of schizophrenia, conference presentation, 3803
religion & cultural differences, surgical procedures, North African immigrants, France, conference presentation, 7413
religion & cultural factors & language barrier, hospital medical treatment, North African immigrant workers, France, conference presentation, 7418
religion & hidden variables & implicate order in work of D. Bohm, conference presentation, 16056
religiosity & childhood experiences with family violence & sex, unpleasant & aggressive & abusive experiences in courtship, Mormon vs non-Mormon college students, conference presentation, 17077
religious beliefs & cultural & language barriers, psychotherapeutic processes, North African immigrants, France, conference presentation, 7039
repeated ip doses of morphine or dextro-ala-metencephaline, spontaneous activity as measure of tolerance for morphine, male rats, conference presentation, 14008
replacement of holding function of therapist by God, 25 yr old female borderline patient, conference presentation, 4303
report of status of health psychology & areas of education, conference presentation, 12850
reproducibility of dexamethasone suppression test, 16–66 yr old psychiatric patients, conference presentation, 6524
research & diagnostic issues of borderline personality disorders, conference presentation, 27349

research design considerations in study of alcohol-traffic accident relationship & driver characteristics, conference presentation, 24741
research in visual pigments & labile scoptic visual system & contributions of H. J. Dartnall, fish, literature review, conference presentation, 491
research methodology for identification of chromosomal factors, Down's syndrome, conference presentation, 17531
research on premenstrual syndrome & its symptoms, conference presentation, 27658
residence patterns & church affiliation & importance of reciprocal male labor, marriage patterns, male vs female "Nebraska" Amish, conference presentation, 3571
response to hemoglobinopathy screening & genetic counseling in prenatal care, mothers at risk for delivery of thalassemic child, 22632
response to high technology revolution, professionals in ergonomics & human factors, conference presentation, 5137
response to 1st dose of psychotropic drug, prediction of treatment outcome following repeated administration, depressive & schizophrenic patients, conference presentation, 7263
responsiveness to iv thyrotropin-releasing hormone, 18–39 yr old bulimic & anorexic in- & outpatients, conference presentation, 24955
resting EEG & visual EPs, patients with chrome hypopituitary dwarfism or diabetes insipidus, conference presentation, 12296
results of dexamethasone suppression test, depressive patients, conference presentation, 6622
retest correlations for Rorschach test variables, hospitalized patients with symptoms of depression &/or helplessness, conference presentation, 8074
retina alcohol dehydrogenase, ethanol metabolism, rats, implications for visual disorders during alcohol intoxication, conference presentation, 8594
revelation in psychoanalysis & analyst's behavior, conference presentation, 15006
review & analysis of instructional programs for psychology, conference presentation, 20676
rewards for parents, safety seat use, children, conference presentation, 22504
right hemisphere spatial performance, male vs female 40–60 yr olds with major depressive disorder, conference presentation, 3863
ring chromosome 21 without Down's syndrome phenotype, 14 mo old, conference presentation, 17517
risk for alcohol related automobile accidents, separated vs divorced females attending driver alcohol education programs, conference presentation, 20038
risk taking & compulsive gambling as public mental health issue, conference presentation, 22178
role in humanization of medicine, psychologists, conference presentation, 7335
role in research & education & treatment, medical psychologists, Hong Kong, conference presentation, 7534
role of A. Meyer in development of psychiatry, US, conference presentation, 25056
role of aggregation & behavioral complexity in measurement & interpretation of motor behavior, animals, conference presentation, 8275
role of art therapist as diagnostician, implications for education in art therapy, reprint of previously published article, conference presentation, 25081
role of benzodiazepine receptors in control of food consumption, rats, conference presentation, 29265
role of catecholamines & atherogenesis & need for research in use of beta-adrenergic receptor blockade as therapeutic modality, coronary heart disease, conference presentation, 9627
role of emotions in etiology & recovery from cancer & influence of intrauterine events on personality, diagnostic implications, conference presentation, 17279
role of endorphins in mediation of reward or aversion & motivation for self administration, animals, literature review, conference presentation, 26526
role of experimental analysis of behavior, psychology as science, conference presentation, 2791
role of guns in aggression & violence in culture, US, implications for psychiatry, conference presentation, 17102
role of methoxy-hydroxy-phenyl-glycol in diagnosis of psychoses & neuroleptic treatment, conference presentation, 3857
role of mouth & gut, normal- vs sham-feeding response to saccharin & sugar solutions, female rats with gastric fistula, conference presentation, 21410
role of nutrient selection in food intake, animals & humans, implications for role of brain 5-HT in protein/carbohydrate intake regulation & obesity, conference presentation, 29251
role of opiate receptor in ethanol & opiate interaction using preexposure conditioned taste aversion paradigm, male rats, conference presentation, 16736
role of psychiatry in emergency situations, conference presentation, 4627
role of psychiatry in research on elucidating psychosocial variables & their causal effects in psychosomatic disorders, conference presentation, 12209
role of statistical methods in clinical studies, conference presentation, 2934
role of undergraduate psychology research conferences, 15636
roles of social services & community social work & residential facilities, social services delivery, England, conference presentation, 4637
round window electrical stimulation, assessment of functional cochlear nerve endings, deaf patients, conference presentation, 4170
routine care with vs without monitoring by specialist nurse & mianserin &/vs cognitive therapy, depression, females undergoing mastectomy for breast cancer, conference presentation, 30517
sale of peace & operation in political environment, hypothetical company, conference presentation, 23276
schizoaffective & cyclothymic symptoms, patients with ulcerative colitis, conference presentation, 25016
scholastic aptitude & demographic characteristics & dogmatism & social desirability, choice of criminal justice major, college students, conference presentation, 10444
scopolamine, spontaneous behavior & hippocampal theta rhythm, rats, conference presentation, 8554
scopolamine vs atropine vs physostigmine vs neostigmine vs amphetamine, cholinergic & aminergic mechanisms in inhibitory conditioning, rat pups, conference presentation, 11322
score on WAIS-R 3 yrs after evaluation on WISC-R, adolescents referred for special education, implications for classification & placement of educable mentally retarded, conference presentation, 20826
seasonal affective disorder, school & psychosocial functioning, 6–17 yr olds, implications for differential diagnosis, conference presentation, 17411
segmentation strategy & syllable-template-matching, recognition of continuous speech, Japan, conference presentation, 101
selection & talent prediction for sports achievement, top athletes, conference presentation, 31391
selection for cochlear implants, 38–74 yr old prelingually & recently deaf patients, conference presentation, 4558
self analyzed dreams of Freud as illustration of his attachment to & use of German language & use of foreign languages in development of psychoanalysis, conference presentation, 26095
self observation & expectation, placebo effect on state-trait anxiety, 21–23 yr olds, conference presentation, 14031
self protective vs conformist stage of ego development, authoritarianism & social values & sex role attitudes, male vs female 16–26 yr olds, conference presentation, 8817
self reported desired weight & eating attitudes & depression & obsessional symptoms, 14–45 yr old anorexic inpatients assessed at hospital intake & discharge & 1-yr followup, conference presentation, 25477
serotonin, food intake & appetite, literature review, conference presentation, 628
sex & age of onset & chronicity & prodromal personality characteristics & other factors, schizophrenia, conference presentation, 22051
sex & estrous cycle, brain levels of cholecystokinin, rats, conference presentation, 19337
sex & familial handedness, EEG alpha activity, college students with & without close left-handed relatives, conference presentation, 5680

sex differences & birth cohort, rates of major vs bipolar depression, 18 yr olds & older, conference presentation, 3955
sex differences in hormonal & monoamine activities & other biological factors, depression, conference presentation, 3851
sexual abuse prevention training group, knowledge of prevention concepts, 4–10 yr olds in day care center, conference presentation, 25034
sexual arousal, visual EPs, male students, conference presentation, 3168
short term dynamic psychotherapy, phobias & mildly obsessive compulsions, patients, conference presentation, 1805
side effect & dependence profile of nalbuphine, research review, conference presentation, 8605
sign stimuli using dummies with male coloration & female shapes & male & female postures, courtship & aggressive behavior, male 3-spined sticklebacks, conference presentation, 19280
signal processing by House-3M cochlear implant, consonant perception, 20–58 yr old profoundly deaf single channel implant patients, conference presentation, 2812
signals of satiety & control of food intake, rats, conference presentation, 21347
significance of Jung's father in Jung's development as therapist of Christianity, conference presentation, 13325
similarities in depression & other symptoms & treatments of eating & sex disorders, conference presentation, 12300
similarities in school vs access refusal situations & possible treatment interventions, 8–12 yr olds & their post separated families, conference presentation, 22465
simple & relaxation & cognitive tasks, 8–10 yr old males with psychomotor dysfunctions, extension of cardiac component analysis technique, conference presentation, 20339
simple vs complex audio &/vs visual messages, processing costs in TV viewing, college students, conference presentation, 26353
single S statistical analysis of computer assisted biofeedback, 38 yr old male with episodic stress disorder & 21 yr old female with migraine headaches, conference presentation, 18865
single S vs traditional statistical design in steady-state EP research, 27–44 yr old males, conference presentation, 19010
size of handwriting & self-esteem, conference presentation, 6373
Skylink self-service airline ticketing terminal, man machine design & ergonomics, conference presentation, 5245
sleep vs wakefulness, bursting discharge pattern of unit activity, male rats, conference presentation, 3182
slow-wave sleep & shallow torpor & hibernation as homologous states of decreased metabolism & body temperature, conference presentation, 5716
social casework family assessment & intervention techniques in health care settings, conference presentation, 15310
social class, Eating Attitudes Test scores, female students from state vs private schools with symptoms of anorexia nervosa, England, implications for test reliability, conference presentation, 23426
social relations & cognitive processes in creation & improvisation of puppet shows, 3 yr olds in pairs, conference presentation, 8905
social skills training, psychopathology & rehospitalization & social functioning, 29–35 yr old medicated schizophrenic inpatients at risk for relapse, 9-mo & 2-yr followups, conference presentation, 22725
social status, outcome of psychiatric illness, 15–55 yr old psychiatric patients, 2-yr followup, conference presentation, 17721
social theory of authoritarianism & sexuality & its application to study of post-World War I fascist regimes, Europe, conference presentation, 9134
social transformation & origins of new forms of voluntary associations, Denmark, 2653
societal competition & intensity of interpersonal bonding & impact of TV drama, levels of aggression & psychological distress, adult males, implications for world peace, conference presentation, 14270
sociocultural influences & therapeutic interventions, bulimic patients, conference presentation, 24902
sociodemographic & psychodynamic & psychopathologic similarities & differences, 8–55 yr old females suffering from anorexia nervosa &/vs bulimia, clinical intervention & classification implications, conference presentation, 24941
socioeconomic conditions & health effects of child labor, working children under age 16, India, conference presentation, 3393
sociological perspectives on trauma & stressful life events, conference presentation, 26115
sodium thiopental, nonstructured interviews, schizophrenic patients with positive vs negative symptoms, conference presentation, 24704
sodium valproate & lithium vs carbamazepine vs oxcarbazepine, 18–63 yr old patients with manic syndromes, conference presentation, 15134
spatial &/or temporal sampling rate, apparent visual contrast of sinusoidal gratings, humans Ss, conference presentation, 2993
special fee arrangements in psychotherapy & psychoanalysis, conference presentation, 4762
specialized internship & predoctoral training program, clinical child psychologist, conference presentation, 20577
species variation & components of sensory EPs & use of albino animals, infrahuman models for prediction of human response to neurotoxins, conference presentation, 5222
specifications for generative system of decoding phonetic models, conference presentation, 91
specificity of thyrotropin releasing hormone test for depression, serious cocaine abusers, conference presentation, 3978
speech comprehension via lipreading & electrostimulation, cochlear implant patients, conference presentation, 4556
speech technology & research, France, conference presentation, 19082
speed of inspection task, cerebral dominance, 18–25 yr olds, conference presentation, 5696
spinal electroacupuncture induced analgesia, substance P & methionine & leucine enkephalins, male rats, conference presentation, 19400
spiral conceptualization of phasic sequential process of improvement, 14 yr old female in residential treatment, case report, conference presentation, 28134
spontaneous & positional nystagmus & caloric reactions & vertigo, 12.8–67.8 yr olds with vestibular neuronitis, 1-mo & 1-yr followups, conference presentation, 1640
spouse behavior & social & demographic & personality characteristics, coronary heart disease incidence, husbands, conference presentation, 9526
standardized agenda interview vs schedule of inquiry in longitudinal & developmental research in clinical psychoendocrinology, conference presentation, 16091
strategies for adequate training to interact effectively with other professionals & clients & their families in various settings, speech pathologists & audiologists, conference presentation, 25663
strategies for professional behavior in extreme community turmoil, school psychologists & physician & clinical psychologist & social worker & social geographer involved in Sinai evacuation, Israel, conference presentation, 25618
strategies for psychological service delivery in response to cost-containment reform in health services, conference presentation, 22651
stress & lifestyle & cholesterol level & weight, coronary heart disease, conference presentation, 12293
stress as cause of immune deficiency state & possible relationship to acquired immune deficiency syndrome, homosexual community, conference presentation, 4111
stress, immune system, conference presentation, 24600
stress, organizational effectiveness & potential for coronary heart disease, 18–74 yr olds, conference presentation, 13237
structural vs systems family therapy in day treatment setting, 9–14 yr old severely disturbed boys & their parents, conference presentation, 9768
structure & content & role of behavioral science curriculum in medical education, conference presentation, 7517
structure & expression of genes on chromosome 21 assessed by DNA clone of human cytoplasm superoxide dismutase, implications for etiology of Down's syndrome, conference presentation, 17509
structure & process & outcome evaluation of psychosocial treatment, conference presentation, 27724
structure & role of family in etiology of illness & family therapy, anorexia nervosa, conference presentation, 25171

structure of different subdivisions of constant beat in performance of E. Satie's Gnossienne no. 5, concert pianist, conference presentation, 14097
structured experience vs traditional remedial teaching methods, problem solving strategies, mentally retarded students, conference presentation, 20769
structured family therapy program, familial aggression, preschool age through high school age children & their families, conference presentation, 4382
study of construction of local knowledge, organization of constructivism during ontogeny, conference presentation, 8686
study of reanalysis data, psychoanalytic processes & outcomes, conference presentation, 12380
study of visual pigment ecology & color vision & extraretinal photoreceptors, invertebrates & vertebrates, literature review, conference presentation, 523
subfornical organ, body fluid homeostasis, conference presentation, 21340
subtypes of concreteness, conference presentation, 8707
success of psychoanalysis, elderly patients, conference presentation, 27817
successful oxyprothepine treatment, prophylactic effect of depot oxyprothepine, patients with schizophrenia, conference presentation, 15196
sugar, endogenous opiate mediated feeding behavior & binge eating, animals & humans, conference presentation, 21508
suggestion for legal changes in availability of alcohol as means of regulating alcohol consumption & drunk driving, conference presentation, 24359
suicide, schizophrenic patients, extension of published data from Iowa Record Linkage study, conference presentation, 30098
suitability for ethology studies, sticklebacks, conference presentation, 19185
sulfated vs nonsulfated cholecystokinin octapeptide, dopamine interactions in nucleus accumbens, conference presentation, 19512
sulfated vs unsulfated cholecystokinin octapeptide injections into nucleus accumbens, dopamine-mediated behaviors, male rats, conference presentation, 19431
superiority of unilateral vs bilateral ECT, 19–71 yr olds with bipolar disorder in manic phase, conference presentation, 30531
surgery to cross small intestine to duodenum, food intake, parabiotic male rats, conference presentation, 21450
surgical &/vs voice therapy, 4–15 yr olds with dysphonia, 3–6 yr longitudinal study, conference presentation, 1726
symbolic communicative skills, chimpanzees, conference presentation, 29212
symbolic representations & memory & ability to learn, animals & children, conference presentation, 29215
symptomatic criteria for diagnostic classification, anorexia nervosa & bulimia nervosa, conference presentation, 24906
syntactic expert system, automatic speech recognition, conference presentation, 61
synthesis-by-rule & nonlinear time alignment, automatic labeling of speech, conference presentation, 64
systems theory analysis of authoritarian personality, conference presentation, 9124
teaching techniques using musical instruments, creativity & self expression & socialization & musical competence, mildly to moderately mentally retarded children & adolescents, conference presentation, 20791
techniques & failure in couples' therapy, 32 yr old assertive female & 34 yr old passive male, conference presentation, 17920
techniques for & value of measurement of therapeutic neuroleptic plasma levels, conference presentation, 12584
technological change & ergonomics, conference presentation, 7884
teleological nature of speech processes, conference presentation, 722
temperament & social & familial & economic factors, development of antisocial & violent behavior, youth, conference presentation, 27443
temperament, low birth weight 1–3 yr olds, conference presentation, reprint, 29705
territoriality, reproduction & quantity & quality of offspring, competitive vs solitary male 3-spined sticklebacks, conference presentation, 19284
testosterone administration, precopulatory behavior, castrated rats, conference presentation, 11215
tests for assessment of neurotoxic effects on cognitive functions, conference presentation, 23410
tests of neuroleptic drugs, laboratory animals, implications for treatment of psychoses, conference presentation, 3276
tests used in National Institute for Occupational Safety & Health research on neurobehavioral effects of chronic exposure to industrial chemicals, workers, review of worksite studies, 1973–83, conference presentation, 23397
themes in 25 yrs of United Auto Workers, conference presentation, 13249
theophylline vs R-phenylisopropyl-adenosine, CNS sensitivity, long sleep vs short sleep mice fed ethanol-containing diet, conference presentation, 16765
theoretical descriptions of dynamics of unconscious & fantasy & creativity & deviance in games & play behavior, preschool age & young children, literature review, conference presentation, 29754
theoretical view of role & structure of ego & relation to therapeutic hypnotic susceptibility, conference presentation, 25335
theory & methodology of ethology & behaviorism, conference presentation, 2787
theory of wholeness & implicate order & postmodern consciousness, critique of theory by D. Bohm, conference presentation, 16074
therapeutic benefits & risks of 2nd generation vs tricyclic antidepressants & review of clinical data on mianserin & nomifensine, conference presentation, 30705
therapeutic continuity & triangulation, discharged hospitalized psychotic patients, conference presentation, 4673
therapeutic failures in couples therapy, comments on studies by M. Berkowitz & E. A. Ericson & K. R. Lang & A. L. Kovacs & J. B. Miller, conference presentation, 17959
therapeutic relationship & power, author's experience as psychologist, conference presentation, 22841
therapeutic techniques, power & control issues in treating appetite disorders, conference presentation, 25150
therapeutic use of grief reactions to therapist's terminal illness, psychotherapy patients, conference presentation, 22413
third party payments, psychotherapy & confidentiality, conference presentation, 18353
threat of acquired immune deficiency syndrome, gay lifestyle & coping styles & attitudes toward gays, conference presentation, 3632
thyrotropin-releasing hormone stimulation test, thyroid-stimulating hormone & prolactin response, 23–36 yr olds with panic disorder, conference presentation, 22110
topical application of serotonin in caudate nucleus, discharge rate of caudate cells & EEG activity during wakeful & sleeping periods, male rats, conference presentation, 14075
topographic distribution & organization of visual & auditory neurons, male rhesus monkeys, conference presentation, 3174
total & locomotor free metabolic rate & respiratory quotient, spontaneous & 2-deoxydextroglucose-induced food intake, male rats, conference presentation, 29311
toxicity of 1-methyl-4-phenyl-1,2,3,6-tetrahydropyridine & 1-methyl-4-phenylpyridinium in substantia nigra, squirrel monkeys, conference presentation, 19455
traditional instructional methods & Piagetian theory, arithmetic & reading & writing & constructivism, primary school students, conference presentation, 20684
trance & guided imagery in hypnotherapy, body image & weight maintenance, psychotherapy clients & students, conference presentation, 7288
transformations in form & frequency & manifestations of anorexia nervosa & bulimia, conference presentation, 24978
treatment issues, depressive schizophrenic patients, conference presentation, 30490
treatment modalities in therapeutically integrated inpatient programs, young adult chronic psychiatric patients, conference presentation, 12731
treatment outcome, inpatients with cardiac phobia & depression, 2.5-yr followup, conference presentation, 24691
treatment program focusing on client's behavior & appearance & weight phobia & maturational crises, anorexia nervosa, conference presentation, 25035

treatment strategies focusing on psychodynamics of illness & effects of starvation & illness as multidimensional disorder, anorexia nervosa, Canada, conference presentation, 25046
trend of "recipe knowledge" & spiritual technology & growth of dogmatism in Christian theology, conference presentation, 8957
trends in assessment of jobs & learning skills & need for retraining in industry, Great Britain, conference presentation, 5046
trends in behavior therapy, conference presentation, 25248
trichloroethylene or chlorpromazine, vigilance performance on discrimination of acoustical clicks with visual feedback task, healthy Ss, conference presentation, 14064
tricyclic antidepressants or MAO inhibitors or lithium or trazodone or alprazolam or bupropion or nomifensine or ECT, cardiovascular function, cardiac patients, literature review, conference presentation, 27968
types & phases of epidemiological studies in neurotoxicity research, conference presentation, 23359
unconscious motivation in Jung's initiation & pursuit of personal relationship with Freud, conference presentation, 22838
understanding of informed consent & clinical psychopathology & attitudes toward treatment, decision to accept antipsychotic drug treatment, 22–69 yr old psychotic patients, conference presentation, 9905
unemployment, mental disorders, conference presentation, 11961
unification of psychic opposites in Jungian analysis of religious vision, conference presentation, 29808
unilateral neocortex removal, locomotor activity & utility of direct observation methodology, rats, conference presentation, 8504
uptake & sensitivity to 1-methyl-4-phenyl-1,2,3,6-tetrahydropyridine in substantia nigra, embryonic rats, conference presentation, 19319
use of drugs in suicide attempts, Czechoslovakia, conference presentation, 6642
use of family photographs in treatment, 36 yr old female with anorexia nervosa, conference presentation, 25161
use of phonetic rules in automatic speech recognition, conference presentation, 104
use of survival methods, hazard of death & relapse following treatment as outcome measures, anorexic patients, 4–22 yr followup, conference presentation, 24921
utility of dexamethasone suppression test, patients with manic depressive psychosis or depressive disorders with vs without psychosis, conference presentation, 30229
utility of ego defense mechanisms, assessment of psychological resilience & personality disorders, middle aged males who were socially disadvantaged in childhood, longitudinal study, conference presentation, 27381
utility of incentives, reduction of alcohol-related traffic accidents, conference presentation, 25947
utility of therapeutic laughter in psychotherapy, conference presentation, 25143
utility of thyrotropin releasing hormone & dexamethasone suppression test, diagnosis of depression, conference presentation, 30108
utility or desirability or need for professional doctorate degree, speech/language pathology & audiology, conference presentation, 25660
vagotomy, pyloric cholecystokinin binding & receptor sites, 19409
validation as aspect of therapist-patient relationship in dynamic psychotherapy, conference presentation, 27777
validity & adaptation of Jenkins Activity Survey & structured interview methods, assessment of coronary prone behavior, adults, East Germany, conference presentation, 8115
validity & test-retest reliability of Jenkins Activity Survey, assessment of coronary prone behavior, 40–49 yr old males, Czechoslovakia, conference presentation, 8109
validity of neuropsychological assessments in private practice psychotherapy, conference presentation, 17817
value of cognitive simulation models in terms of specifying theory & accounting for empirical data, conference presentation, 18877
value of support group, parents of anorexic children, conference presentation, 25457
values & experiences & informal rules & institutional arrangements, drunk driving incidents, literature review, conference presentation, 24773
variables of premorbid functioning & family functioning & genetics, prediction of outcomes differentiated by 0–9 vs 10–19 vs 20 or more yrs followup interval, schizophrenic 16–55 yr olds, conference presentation, 14952
variables which differentiate placement into juvenile justice vs mental health system, 13–17 yr old consecutive admissions to mental health treatment programs vs juvenile court programs, conference presentation, 25450
variations in carbohydrate & protein & fat content of diet, dietary selection patterns, obese vs lean rats, conference presentation, 21369
vasopressin deficiency & restraint &/vs intermittent shock & stress, susceptibility to development of stomach ulcers, 6 vs 18 wk old rats, conference presentation, 19390
velocity & accuracy of vertical saccades, 15–78 yr olds with cerebellar lesions, conference presentation, 1666
ventromedial vs dorsomedial hypothalamic nuclei lesions, food intake vs body weight vs composition, weanling rats, conference presentation, 21438
verapamil, depressed 32–58 yr olds, conference presentation, 15147
vertigo & changes in blood glucose levels & nystagmus, 19–65 yr olds with insulin-dependent diabetes mellitus, conference presentation, 1587
vestibular & otoneurological functioning, 15–75 yr olds with acoustic neuromas, conference presentation, 1649
videotape feedback, abnormal eating & table manners, 14–28 yr olds with anorexia nervosa, implications for treatment & prognosis of anorexia, conference presentation, 25084
Viennese Research Criteria vs diagnostic practices for depressive vs nonaffective psychotic disorders assessed by LICET system, survey of psychiatrists, France, conference presentation, 24700
views of consciousness & mind-brain interactions, union of religion & science, conference presentation, 997
views on peer review in psychotherapy, health insurance companies, conference presentation, 18378
vigorous physical activity, affective benefits, conference presentation, 3212
visibility of handicap & self concept & social maturity & organ transplantation, 18–29 yr old survivors of end-stage renal disease, conference presentation, 22224
visual & phonological & naming processes & context & memory & comprehension strategies as possible causes of reading failure, conference presentation, 9465
visual attention, EEG mapping using permutation-paired Fisher test, 21–48 yr old males, conference presentation, 26493
visual defects associated with reduced pigmentation of retinal pigment epithelium, mice mutants, conference presentation, 29254
voluntary ethanol consumption, brain catalase activity, male rats, conference presentation, 16548
voluntary ethanol intake, brain aldehyde dehydrogenase activity, male rats, conference presentation, 16803
vowel duration, loudness perception, support for B. Sharf's findings, conference presentation, 266
weight gain, cortisol & dehydroepiandrosterone, 17–34 yr old anorexia inpatients, conference presentation, 25378
work hours & amount of physical activity & psychological factors, insomnia, 45–57 yr old workers in various occupations, conference presentation, 12254
work-related factors, aggravation of chronic nonspecific respiratory diseases, conference presentation, 12156
zimeldine, mechanism of reduction of ethanol consumption, male rats, 16635
1-methyl-4-phenyl-tetrahydropyridine, depletion of striatal dopamine, mice, implications for Parkinson's disease, conference presentation, 19446
1-methyl-4-phenyl-1,2,3,6-tetrahydropyridine neurotoxicity, human Ss & monkeys, implications for animal model of Parkinson's disease, conference presentation, 20396
1-methyl-4-phenyl-1,2,3,6-tetrahydropyridine, mesolimbic dopaminergic system, monkeys, implications for animal model of Parkinson's disease, conference presentation, 19428
1-yr maintenance therapy with clopenthixol decanoate, schizophrenic 19–70 yr olds in remission, conference presentation, 7254

2-yr exposure to low-level microwave radiation, behavior & corticosterone levels & immunology & serum chemistry & growth & metabolism & longevity & cause of death, rats, conference presentation, 13895
3rd party payments, hospital mental health services, non-hospital-practicing psychologist, conference presentation, 18405
5-HT, behavioral changes, rats & mice, literature review, conference presentation, 644
5-HT, salivary secretion & biting movements & pharyngeal peristalsis aspects of feeding behavior, medicinal leeches, conference presentation, 21307

Professors [See College Teachers]
Profiles (Measurement)
adult vs adolescent vs mixed interpretive approaches, clinical accuracy ratings of MMPI protocols, 12–18 yr old inpatients rated by clinicians, 2883
advantages of ipsative pattern analysis, test battery profiles, 29018
BASIC program, multivariate profile analysis for 2 independent samples, 23512
bivariate uniqueness analysis, uniqueness of pairs of scores on profile tests, 28966
cluster analysis of Millon Clinical Multiaxial Inventory profiles, 20–68 yr old male veteran alcoholics, 6630
comparison of 2 Aachen Aphasia Test profiles, changes in reading & writing ability, 56 yr old with Wernicke's aphasia, 20264
development & validation of attitude scale, measurement of attitudes toward pupil profiling, teachers, 31333
development of Computer Aptitude Literacy & Interest Profile, assessment of computer related abilities, 12–60 yr olds, 26225
diagnostic profile of borderline syndrome & trends in treatment outcome, hospitalized children, conference presentation, 1260
elevations on MMPI Hysteria scale, female & male low back pain patients, 28992
empirical correlates, infrequently occurring MMPI code types, 22–69 yr olds, 1196
empirical correlates of normal & unelevated MMPI profiles, psychiatric inpatients, 30089
financial services print advertisements response profile scores, self reported choice behavior, part-time Masters in Business Administration students, 23330
formula to test bivariate uniqueness of pairs of subtest scores, Shipley Institute of Living Scale, applications for cognitive & personality measures, 10892

mental ability profiles measured by WISC-R & WPPSI, 5.1–13.3 yr old monozygotic vs dizygotic twins, 776
method of profile analysis, interpretation of scores on Kaufman Assessment Battery for Children, illustrative case of high-functioning male preschooler, implications for educational diagnosis, 15931
MMPI profile subtypes & diagnosed affective disorder, 34–82 yr old male hospitalized patients with chronic low back pain, 30056
MMPI score conversion tables, implications for false positive & negative rates & profile configurations, 1957 vs 1983, 28965
multivariate tests, computer-based interpretation of uniqueness of pairs or sets of scores in profile, 28967
Profile Index of Emotions, measurement of reproduction & incorporation & opposition & aggression as personality dimensions, 8–15 yr olds with vs without migration experience, Yugoslavia, 17011
reliabilities & duration quotients of clinically derived WISC-R subtest composites, 2889
reliability of Kaufmann Assessment Battery for Children subtest composites, 2917
scatter vs discrepancy score profiles on WAIS subtests, mentally retarded 18–66 yr olds, 22201
score profile patterns in 16PF, high school & college students and adults, 10809
symptoms & syndrome profiles derived from Present State Examination, 23–58 yr old epileptics with psychosis, 3793
team management profiles, development of personal skills, managers, 28743
utility of MMPI to differentiate sex offender subgroup, males who sexually assaulted children, 28957
value of MMPI conversion "V", assessment of psychogenic pain, 18–65 yr old patients with organic vs nonorganic low back pain, 9576
vocational interest & concepts of score profiles, 2604

Profoundly Mentally Retarded

aerobic exercise program, health & intelligence & adaptive behavior, institutionalized severely & profoundly mentally retarded 15–38 yr olds, replication of previous study, 10120
Bayley Scales of Infant Development, interobserver agreement & descriptive utility & prediction of success in conditioning programs, nonambulatory profoundly mentally retarded 2–28 yr olds, 13475
behavior & self help skills, severely or profoundly retarded 18–35 yr olds with behavior disorders living in hospitals vs small homes in community, 10110
behavior during large vs small group dining situation, severely & profoundly mentally retarded 21–30 yr olds in community-based residential facility, 10090
behavior modification with operant training, increase of toy play, children with profound mental handicaps, 9850
behavioral training package, toilet training, institutionalized profoundly retarded incontinent females, 9834
behavioral treatment package, pica & self stimulation, profoundly mentally retarded 4 yr old female, 18020
bivariate plotting procedure, pure-tone auditory assessment, institutionalized severely & profoundly mentally retarded adults, 12127
care practices & organization & management & physical environment & activities in hospital wards vs nonhospital residential homes, severely or profoundly retarded 18–35 yr olds, 12726
co-active movement training, imitative behaviors, institutionalized profoundly mentally retarded 10–21 yr old students, implications for communications skills training, 15867
contingent response interruption procedure, self inflicted eye gouging, 6 yr old profoundly retarded male with severe congenital hearing & vision impairment, 9-mo followup, 4451
development of standardized IQ scores for MA range below 5.3 yrs on 1972 version of Stanford Binet, severely & profoundly retarded adults, 9427
forward-chaining conditioning, independent appropriate response to fire alarm, 30 yr old blind & profoundly retarded male, 4414
generalization of habituation along form dimension, nonambulatory profoundly mentally retarded 2.3–14.3 yr olds, 17518
graduated stimulus change & trial & error training procedures, discrimination learning, profoundly retarded adults, 24834
identification & properties of preferred reinforcers, 3–18 yr olds with profound mental retardation, 7144
inpatient treatment at residential care facility vs small community program, motor & eating adaptive skills, severely & profoundly mentally retarded physically disabled adults, 25558
medical & interdisciplinary review, utilization of antipsychotic drugs, institutionalized severely & profoundly mentally retarded, 15140
neuroleptic withdrawal & methylphenidate, dyskinetic symptoms, severely & profoundly mentally retarded adolescents & adults, 1906
observational analysis of on-task performance & student involvement, profoundly or severely mentally retarded students in special classes, implications for establishing norms for evaluating severely handicapped students, 18585
overcorrection, self injurious head banging, nonverbal profoundly mentally retarded 23 yr old male, 18006
overrepresentation in institutions, severely & profoundly mentally retarded American Indian children from birth to 19 yrs old, Canada, 2082
partial task training strategy, productivity & on-task behavior, institutionalized profoundly retarded 18–19 yr olds, 10127
picture prompt training, generalization & maintenance of complex vocational & daily living skills, severely & profoundly retarded 13–19 yr olds, 15442
pimozide, behavioral adjustment & discrimination learning, moderately & profoundly mentally retarded Ss with mean age of 15.7 yrs, 18120
professional preparation & teaching methods & classroom management & interaction with parents & other factors, teachers of trainable vs profoundly mentally retarded students, 15878
response-contingent learning in early intervention, profoundly retarded & multiply handicapped infants between ages 0–12 vs 13–24 vs 25–36 mo, 7134
response deprivation contingencies & response satiation requirements, self injurious air swallowing, profoundly mentally retarded 21 yr old female, 27902
self injurious behavior, avoidance vs self stimulation vs environmental controlling consequences at state hospital, 20–63 yr old severely & profoundly retarded patients & their residential staff, 10124
sensory extinction procedures via differential reinforcement, self injurious behavior, 23 yr old profoundly retarded & nonverbal & ambulatory male, replication of J. K. Luiselli's study, 12526
sex & level of retardation & effectiveness of reinforcement & punishment & DRO & lemon juice therapy & time out, self injurious & stereotyped behavior, profoundly mentally retarded Ss over 16 yrs old, includes bibliography, 15095
social vs dietary control, rumination, severely & profoundly mentally retarded 15–22 yr olds, 15379
soy polysaccharide added to liquid formula diet, bowel functioning, constipated & tube-fed & nonambulant severely or profoundly mentally retarded Ss, 14931
stomach distention vs caloric density of meals vs oropharyngeal vs esophageal stimulation, rumination, profoundly retarded institutionalized 18–34 yr olds, 28064
thyroid medication &/vs vitamins, IQ, institutionalized profoundly mentally retarded adults, 4477
toys as conditioned reinforcers & stereotypy, 13–15 yr old severely retarded & 22–26 yr old profoundly retarded males, 9439
toys that emitted vibration or light or sound, play & stereotyped behavior, profoundly handicapped children, 20090
training & supervision program, increase & validation of functional classroom tasks, teachers of severely & profoundly handicapped adolescents & adults, 15858
treatment & nontreatment scheduling with multielement manipulations, self injurious behavior, 5.5 & 3.5 yr old handicapped & profoundly or severely mentally retarded females, implications for generality of treatment effects, 15089
varied dosages of naloxone, reduction of self injurious behavior, 22 & 52 yr old profoundly retarded females, 27937
varying rates of auditory beats emitted by metronome, rates of stereotypic behaviors, 8–15 yr old profoundly handicapped children, 1479
visual & facial screening, suppression of self injurious finger-sucking, 18 & 19 yr old profoundly retarded males, 18026

Progestational Hormones [See Also Progesterone]
therapeutic amenorrhea induced by lynestrenol vs norethindrone, 15–44 yr old moderately to severely mentally retarded females, 2-yr followup, 18084
Progesterone
adrenergic alpha & beta antagonists, progesterone facilitation of lordosis behavior, rats, 3287
alcohol consumption prior to & during gestation, serum progesterone & testosterone & plasma & pituitary luteinizing & follicle-stimulating hormones, female rats, implications for role of progesterone in alcohol-related placental enlargement, 26697
castration & administration of progesterone in different dosages, specialized integumentary glands & secretion & scent marking, male musk shrews, 26556
daily estradiol vs progesterone injection, antidipsogenic & thermogenic response to icv prostaglandin, ovariectomized rats, 14054
estradiol & progesterone treatment of females & size of testing area & presence of conspecifics, male ejaculations & other sexual & affiliative interactions, pairs of rhesus monkeys, 19475
estradiol benzoate & luteinizing or follicle stimulating hormone, lordosis-promoting progesterone secretion, female prepubertal Topeka guinea pigs, 638
estradiol benzoate &/vs progesterone, sexual receptivity & receptor & serum hormone levels, lactating vs ovariectomized female rats, 13966
estradiol benzoate vs progesterone, lordosis response to cutaneous with vs without cervicovaginal stimulation by males vs artificially, female ovariectomized rats, 19426
estradiol benzoate with vs without progesterone, perception of odor of male urine & facilitation of lordosis, male rats, 23947
estradiol with vs without progesterone or testosterone, menstrual cycle & sexual motivation & activity, male & female Macaca fascicularis, 3337
estrogen with vs without progesterone, lordotic responses to specific mating stimuli, female golden hamsters, 26636
estrogen with vs without progesterone vs luteinizing hormone releasing hormone, sexual receptivity & preference, ovariectomized female rats, 16463
estrogens & progesterone, preoptic & hypothalamic & amygdaloid & other CNS areas, mammals, literature review, 16701
estrus & estrogen-progesterone treatment with vs without vaginal stimulation, tonic immobility & dorsal immobility response & lordosis, ovariectomized vs intact female rats, 23902
gonadectomy & estradiol vs estrogen &/vs progesterone treatment, food intake & body weight & lordosis, male & female Mongolian gerbils, 23899
hysterectomy, heat duration & progesterone-induced onset of estrous behavior, female cycling rats, 21436
intrahypothalamic infusions of synthetic heroin substitute, facilitation of lordosis, female rats treated with estrogen &/vs progesterone, 26746
intrahypothalamic progesterone metabolites & desoxycorticosterone, estrous behavior & progestin receptor binding, female rats, 21513
physiological & behavioral responses to exogenous estradiol benzoate & progesterone, ovariectomized female Topeka guinea pigs, 631
platelet MAO activity & estrogen & progesterone & testosterone serum levels, adult drug-free depressed inpatients, 17403
progesterone, adenylate cyclase activity & cyclic adenosine monophosphate levels on brain areas involving integration of sexual behavior, ovariectomized rats primed with estradiol benzoate, 29399
progesterone priming with vs without nest-building experience, later progesterone-induced incubation, ring doves, 11316
progesterone, 20–45 yr old females with moderate to severe premenstrual symptoms, 27934
testosterone vs estradiol vs sc vs intravaginal progesterone, proceptive & receptive tongue flicking & mount refusal, ovariectomized female marmosets, 3299
urinary pregnanediol levels, cognitive behavior & mood, 20–35 yr old females, 572
5-HT hypothalamic depletion vs intracerebral administration of 5-HT & agonists, sexual receptivity stimulated by progesterone & estradiol benzoate priming, female rats, 8488
Progestins [See Progestational Hormones]

Prognosis
abstinence & disulfiram, mood as predictor of treatment outcome, alcoholics, 10156
age at onset of heavy alcohol consumption, duration of problem drinking & resultant maladaptive characteristics, alcoholic patients, 24781
background & drug careers & prognosis, female vs male drug abusers assessed 1.9 & 4.7 yrs following treatment, followup study, 25583
cerebral ventricular size & its clinical significance, adult patients with schizophrenia or schizoaffective disorder of 2–20 yrs duration, 4215
clinical characteristics & prognosis, 16–55 yr old schizophrenic patients with vs without obsessive compulsive symptoms, 2–32 yr followup, conference presentation, 22403
clinical characteristics & time course, endogenous depression, Ss studied from age 10, 22-yr study, 9282
clinical course, 19–69 yr old depressed inpatients with vs without delusions, 1-yr followup, 19977
clinical significance of DSM-III diagnosis of alcohol abuse vs dependence, male alcoholics with mean age of 47 yrs, 12107
coexistent schizotypal personality & obsessive compulsive disorder, prognosis, treatment-resistant patients, 24653
consecutive suicide attempts & prognosis, patients treated in intoxication units of psychiatric vs emergency department of university hospitals, Finland, 6-yr followup, 2100
contributory factors to duration of psychoneurotic & psychosomatic disorders & admission to psychotherapy, 18–40 yr old clinic patients, 27836
course & prognostic importance of positive vs negative symptoms, formerly hospitalized schizophrenic patients, 2.5–5 yr longitudinal study, 17402
course of illness, schizophrenics seen in public health service, 2–10 yr longitudinal study, 3862
degree of impairment & prognosis, patients with cerebrovascular disease or atherosclerosis, 4-yr followup, conference presentation, 9546
demographic profile & duration of hospitalization & treatment outcomes, patients with schizophrenia or cyclothymic psychosis or neurosis or other disorders, 1961–78, Japan, 11982
diagnostic/predictor & outcome data, patients with chronic schizophrenia, 2–32 yr followup after discharge, 22088
discussion of prognosis in schizophrenia, 1307
eating patterns & psychiatric morbidity & occupational outcome, 7.2–13.5 yr olds at onset of anorexia nervosa, 8.7–15.3 yr followup, 14844
elements to estimate prognosis in psychotherapy, 9698
epidemiology & natural course & risk factors of phobic & obsessive compulsive disorders, adults, conference presentation, 1815
evaluation & outcome, patients presenting to emergency room with psychogenic or physically or drug-induced dizziness, 20198
factors related to prognosis following sex therapy, 16–68 yr old couples with sexual dysfunctions, 27714
family prognosis & treatment compliance & outcomes, physically abused children under 2 yrs old & their families, 2–6 yr followup study, 4625
immunologic natural killer cell activity & psychological & demographic factors, breast cancer prognostic risk status, 28–74 yr old females with Stage I or II breast cancer, 12232
initial admission immunoglobulin concentrations & prediction of need for followup hospital care, schizophrenic patients, 5-yr followup study, 24699
life events, treatment & posttreatment course, 22–60 yr old nonpsychotic females with endogenous vs nonendogenous depression, 4253
life stress & clinical course of illness, females with definite or classic rheumatoid arthritis, 15-yr followup, 1629
monetary compensation, course of posttraumatic stress disorder, motor vehicle accident vs sudden loss victims, 14580
neuroleptic drugs as possible confounding variable in neurologic soft signs examination, relationship between organicity & long term prognosis, schizophrenia, comment on findings of T. Kolakowska et al, 30771
neurological functioning & early clinical features & response to neuroleptics, outcome, adults with diagnosis of schizophrenia or schizoaffective disorder 2–20 yrs after onset of illness, 4502

neuropsychological test scores & ratings of treatment compliance & predicted outcome, hospitalized male alcoholics, 7489
outcome & prognosis of anorexia nervosa & bulimia, long term followup, literature review, conference presentation, 25003
outcome in academic & social & vocational & psychological adjustment, learning disabled children & adolescents, followup studies, 9461
outcome of psychiatric disorders following childbirth, 20–39 yr old mothers with postpartum unipolar or bipolar depression or schizophrenia or personality disorder with depression or paranoia, followup study, 14587
parent-child relations & absence of normal adolescent sexual behavior & fantasy & duration of illness, prognosis, male anorexic patients, 2–20 yr followup, conference presentation, 24874
parental bonding & age of onset & family history of affective disorder & prognosis, male vs female patients with bipolar affective disorder, 3858
personality & psychosocial & situational factors, tumor thickness & prognosis, 18–72 yr old patients with cutaneous malignant melanoma, 9629
predictive validity of prognostic scores based on multivariate & univariate analysis, patients with schizophrenia, 5-yr longitudinal study, 1335
predictors of improvement following psychiatric referral, patients with nonendogenous depressive disorders, 6- & 20-wk followup, 4257
predictors of survival & normal neurodevelopmental outcome, infants weighing 1000 g or less at birth tested at 6 & 9 & 12 & 18 & 24 mo postnatal age, 27666
premorbid personality characteristics at onset, social & job adaptation, patients with onset of chronic simple schizophrenia at 10–20 yrs, 6592
primary diagnostic groups among alcoholics, males entering VA alcoholic treatment program, 12-mo followup, prognostic & treatment implications, 10173
process of change in illness, 28–37 yr old chronically mentally ill, implications for response to treatment & life events, 24657
prognosis & treatment outcome, patients with pseudoneurotic vs pseudopsychopathic schizophrenia, followup of patients hospitalized 1938–62, Norway, 6522
prognosis, anorexia nervosa, Japan, 6886
prognosis of voice disorders, patients who received initial diagnoses at 6–13 yrs old, 9-yr followup study, conference presentation, 1496
prognostic evaluation of multichannel cochlear implant, deaf patients, conference presentation, 4560
prognostic significances of congenital heart disease, 1–10 yr olds with Down's syndrome, 1482
prognostic validity of premorbid adjustment measures, schizophrenic & psychotic patients, 5-yr followup, 8094
prolactin response to neuroleptic drugs, prognosis, female schizophrenic patients, 7155
psychiatric diagnosis & prognosis, 18–80 yr old problem medical patients, 30439
psychiatric hospital discharge, alcoholic patients, implications for prognosis, 5-yr followup, 4714
psychological profile as pretreatment indicator of survival after chemotherapy, males with testicular cancer, 12191
psychopathology & prognosis of puerperal psychoses, patients, 19950
psychophysiological measures as diagnostic aids, children with minimal brain dysfunction & hyperkinesis & attention deficit disorders, 14793
psychosocial or psychobiological factors, delay in seeking medical attention & tumor development & prognostic indicators & disease progression, patients with malignant melanomas vs cardiovascular disorders vs hamsters, 12287
severe life events & dexamethasone suppression test results & duration of illness, 18–80 yr old depressed inpatients, Scotland, 6593
sex & race, prognosis for 1st psychiatric hospital admission & outcome, White vs Black 15–55 yr old psychiatric patients, 2-yr followup, 12715
social & psychological & physical variables, prediction of good vs bad recovery, stroke patients, 1575
social prognosis, epileptic children, 9566
social worker's objectives & prognoses reported in case records, 20–66 yr old mentally retarded adults, 28117
standardized vs prognosis-guided method, recommendation of neuroleptic maintenance therapy, discharged paranoid psychotic patients, 7176
systems for diagnosis of schizophrenia, prediction of short term outcome, 11924
type of obsessions & severity of illness & prognosis, patients with atypical vs typical obsessive neurosis, 22125
validity of Cognitive Deficit subscale of Symptom Check List-90, prediction of outcome, 1st-episode schizophrenic inpatients, 3- & 6- & 12-mo followup study, 10843
validity of first-rank symptoms vs 9th International Classification Diseases vs DSM-III vs Research Diagnostic Criteria vs P. Berner's axia syndromes criteria, psychodiagnosis & prognosis, delusional 16–61 yr olds, Austria, 6–9 yr followup, 18984

Program Evaluation [See Also Educational Program Evaluation, Mental Health Program Evaluation]

alternative evaluation measure for juvenile diversion programs, recidivism, juvenile delinquents, 4623
assessment of parent-child interaction in intervention programs, parents with handicapped infants & toddlers, 30526
auditing technology transfer to developing countries, business and industrial personnel, 5073
auditing vs evaluation in terms of program evaluation, implications for social programs, 16081
comprehensive evaluation of psychology department clinic, 4797
deficiencies in evaluation research of quality circle program organizational outcomes, literature review, 26005
development of objective evaluation tool, assessment of training program effectiveness in business organizations, 28708
development of tools to facilitate participation in residential evaluation procedures, moderately mentally retarded, 18952
early intervention models & problems in outcome evaluations, mentally handicapped children & their families, review of studies conducted in 5 countries, 1975–83, 4249
early intervention program strategies & effectiveness, disadvantaged children, 12675
efficacy of child psychiatry model of child abuse & neglect prevention program evaluation, high risk pregnant females followed in 4-yr program of antenatal hospital department, conference presentation, 30825
ethical issues of confidentiality & expert testimony in program evaluation, evaluators with family court related clients, 7362
ethnography as naturalistic-qualitative evaluation of educational & social service programs, 7998
evaluation of antenatal program, prevention of child abuse, at risk populations, conference presentation, 30840
evaluation of behavioral training program, supervisory interactional skills, managers & their employees, 23208
evaluation of center-based educational & therapeutic intervention, cognitive development, 17–62 mo olds with mild to moderate cognitive delays, 2015
evaluation of client satisfaction & aftercare programs & needs assessments in rural community mental health centers, 20488
evaluation of drug information programs, 20554
evaluation of Family Support Centers, Air Force personnel, 7355
evaluation of halfway house, number & severity of offenses, female offenders who graduated from program, policy implications, 10128
evaluation of labor relations training program, management-union relations, 21–55 yr old corporation supervisors, 23201
evaluation of organizational training programs, 7796
evaluation of outcomes of purchased services in public service agencies, 12697
evaluation of Pilot Parents peer support program, parents of handicapped & developmentally delayed children, US vs Canada, 28121
evaluation of pretrial & police referral community-based diversion program, juvenile delinquents, Canada, 15415
evaluation of smoking prevention programs, coping skills & modification of attitudes, adolescents, 4722
evaluation of training program in interpersonal problem solving with staff members relative to mainstreaming, public high school principals, 15611

evaluation of training programs, 5050
evaluations of stress-reduction programs in worksites, blue & white collar workers, literature review, 3–6 mo followups, 2667
feedback research approach to program evaluation, evaluation of & redevelopment recommendations for corporate stress management program, managers & their spouses, 2635
framework for evaluation of supervisory training & management development programs, 7809
implementation of evaluation-research studies results, 8028
Instrument Based Program Monitoring Information System & Indicator Checklist, state monitoring of child day care services, 15277
learned helplessness perspective of community developmental program, survey of plantation employees, 23147
major components of state-conducted family support programs, families with handicapped children, implications for program development based on normalization & stress/coping philosophies, 28098
methodological rigor & positive-findings bias in evaluations of organization development interventions, review of research, 1978–83, 10759
minimum wage criterion, evaluation of case service costs & economic independence, vocational rehabilitation clients in various handicapped groups, 22772
naturalistic assessment of early intervention programs, mothers & their handicapped 3–24 mo olds, 30522
need for formal ethics review of methodology prior to implementation of social program evaluation research, 23378
needed components for comprehensive theory of evaluation of social programs, 22609
needs assessment & design strategy & pilot evaluation & follow-through, assembly line production & technical training development, 5059
nonequivalent dependent variable vs reversed treatment design, pattern matching logic in program evaluation, 23394
ordinal time series analysis, organizational behavior & public policy inputs & impacts, 19008
organizational behavior management & development, implications for vocational rehabilitation program evaluation, 22759
organizational behavior management, implications for vocational rehabilitation administration, comments on study by D. C. Patrick & T. F. Riggar, 22738
personality characteristics & ratings of program effectiveness, staff members vs residents of correctional halfway houses, implications for program development & staff selection & training, 15426
principles of data storage & retrieval, qualitative evaluations & educational research, field investigators, 16088
priority sort methodology, individual & group decision making in program planning & evaluation, 1689
program effectiveness evaluation, 10 wk school-based preventive support group program, 3rd–4th graders who were children of divorce, 5006
program evaluation, effectiveness of hospices, 30808
program evaluation, goals & activities of community mental health services, 7360
role in evaluation in industrial work unit for disabled persons, psychologists, 4726
time-series systemic analysis of operation of juvenile diversion program, police referrals to juvenile court, 9030
treatment construct validity of programs for prevention of smoking, adolescents, literature review, 25063
use of predicted outcomes in national sample as source of comparison for program evaluation, application to medical training program, 7524
utility of mood & quality questionnaires, assessment of needed improvement in tour services & programs, elderly clients of tour service, 13162

Program Evaluation (Educational) [See Educational Program Evaluation]

Program Evaluation (Mental Health) [See Mental Health Program Evaluation]

Program Planning (Educational) [See Educational Program Planning]

Programed Instruction

learning style, preferences for programed instruction vs independent study, gifted vs above average 6th–8th graders in rural schools, 28570
pedagogical & psychological precursors, programed instruction, 31177
programed instruction of empirical research methods, reduction of error of "judgment perseverence" in judicial decisions, district court judges on probation, West Germany, 1069
transition from teacher-controlled classroom program to student-controlled learning center, employee trainees with developmental disabilities, 5055

Programed Textbooks

computer assisted vs textual programed instruction & locus of control, acquisition of integrated science skills, preservice elementary teachers, 25753
study of programed text, self evaluation of number of correct responses, 27–33 yr old part-time college students, 18460

Programing (Computer) [See Computer Software]

Programing Languages (Computer) [See Computer Programing Languages]

Programs (Government) [See Government Programs]

Programs (Mental Health) [See Mental Health Programs]

Progressive Relaxation Therapy

applied relaxation, stress-related exhalation tic, 27 yr old male, 1- & 3- & 6- & 12-mo followup, 20336
counterdemand manipulation & progressive relaxation training in paradoxical intention therapy, sleep onset latency, 29–58 yr olds with chronic insomnia, 9828
hypnosis vs relaxation training vs systematic desensitization, conditioned aversions to chemotherapy, cancer patients, 20275
modeling & reinforcement & progressive relaxation, telephone dialing behavior & number recall, female with psychogenic amnesia, 22374
paradoxical intention vs graduated exposure vs progressive deep muscle relaxation training & consonance of treatment with primary reactivity patterns, treatment gains, severe & chronic agoraphobics, 27729
positive verbal suggestions about health & longevity during state of relaxed responsiveness, mortality rate, elderly nursing home residents, 27887
progressive & systematic relaxation & neck rolls & mantra chanting & breathing techniques, 65–92 yr old depressed geriatric nursing home residents, 7426
progressive muscular relaxation training, tinnitus, 28–76 yr old patients, 1879
progressive relaxation & biofeedback-assisted relaxation & stimulus control & paradoxical intention procedures, Disorders of Initiating & Maintaining Sleep, 18025
progressive relaxation & thermal biofeedback & cognitive strategies & self hypnosis & self management skills, pain, 22–35 yr old patients with sickle cell disease, 20369
progressive relaxation vs autogenic training, migraine &/vs tension headache, 20353
progressive vs self control relaxation, spontaneous bleeding & collateral symptoms, patients with hemophilia, 1882
psychological characteristics of Ss experiencing increase in anxiety during progressive relaxation vs meditation training, college students, 27918
relaxation & guided imagery training vs social contact, immunocompetence, 60–88 yr olds in independent-living facility, 4434
self directed in vivo exposure & paradoxical intention vs graduated exposure vs progressive deep muscle relaxation training, agoraphobia, severe & chronic patients, 18016
self instruction vs progressive muscle relaxation, impulsive & inattentive behavior on cognitive tasks, learning disabled children with mean age of 10.4, 30701
thermal biofeedback vs abbreviated progressive relaxation, mild to moderate hypertension, patients initially on drug therapy, 20338

Project Head Start

appropriateness of Head Start for minority families in 1980s & as a vehicle for upward mobility, comments on articles by V. Washington & V. J. Oyemade, 10397
changes in family life trends & challenges to Head Start program, 20711
children & their teachers in Head Start classrooms, 23069

community control & comprehensive services & cultural diversity of & parent involvement in Head Start, minorities, trends for 1980s, 10391
determination of results of Head Start as concluded in Westinghouse study, replies to views of E. Zigler & W. Berman, 10327
development & assessment of effectiveness, Project Head Start, 12940
early childhood education & possible inappropriate use of results of Westinghouse study in policy making, reply to comments by L. G. Humphreys & V. G. Cicirelli, 10398
effectiveness of Head Start Program, academic achievement, low income students who participated in program between 1970–79, longitudinal study, 31189
problems in early childhood education programs & need for education-based health services, chronically ill children, 15875
use of time & space, reinforcement of collective orientation vs individualism & self expression, Black Head Start vs White middle & upper middle class preschool teachers & their students, 2380
various play materials, social behaviors, handicapped vs nonhandicapped preschool age children in Head Start program, 2520
weakness of Head Start as vehicle for economic mobility & strategies for future directions, minorities, 10367
Projection (Defense Mechanism)
development of narcissistic organization through projective identification, psychiatric patients, 1380
epistemological projection theory of religion based on experimental analysis of H. Rorschach's human movement response & object relations theory, 29794
Freudian psychoanalytic theories of hallucinations & transformations present in psychoanalytic encounters, 30137
memory & "project" in dream content & Jungian analysis, 30589
modes of identification in interaction between analyst & analysand, male in 30's with obsessive neurosis & 35 yr old female with complex neurosis, conference presentation, 27813
mother's container function disturbance, excessive projective identification in child, female psychoanalytic patient, 14982
primitive psychic parasitism & insights of M. Klein & biological concept of fetal placental parasitism proposed by A. Giard, 2758
projective identification & countertransference, empathic process, 1746
projective identification, consulting relationship, clients & their consultants, conference presentation, 13160
projective identification in psychoanalysis & psychiatric training, 7549
psychoanalytic conceptualizations of projective identification, conference presentation, 15033
psychoanalytic view of history of development of mutual enemy & friendship projections, US vs USSR, 19699
psychological projections embodying disavowed characteristics of own group, US vs USSR, conference presentation, 14264
relationship between hysterical & projective identification on basis of ideas of Freud & M. Kline, 6388
role of awareness in reduction of stress by projection or repression or rationalization or denial mechanisms, college students, 6394
social cognition & promotion of defensive projection, college students, 19818
Projective Personality Measures [See Also Bender Gestalt Test, Childrens Apperception Test, Franck Drawing Completion Test, Human Figures Drawing, Rorschach Test, Rosenzweig Picture Frustration Study, Thematic Apperception Test]
ability of projective & objective methods of measuring fear of success to differentially assess motives & cognitions, male & female 14–15 yr olds, 11508
attitudes toward projective techniques, faculty in American Psychological Association approved clinical psychology programs, 15538
color preference & MMPI scores, chronic alcohol & drug addicts, 30257
convergent validity of TAT & Test of Humorous Phrases, psychodiagnostic implications, 5288
description & application of Levitt Conscious Preference-Rejection Test, discrimination of violent vs nonviolent defendants, male offenders, 8086
development of Comprehensive Object Relations Profile, measurement of object relations concepts & differential diagnosis, schizophrenic vs borderline vs neurotic Ss, 23418
projective vs nonprojective methods of assessment, 108
race/ethnicity, scores on Buss-Durkee Hostility & Guilt Inventory & Form A of Holtzman Inkblot Technique, Black vs Hispanic vs White male forensic patients, 18979
reliability of TAT & Rozenzweig Picture Frustration Study, rapid prediction of undisciplined behavior, pilots & cadets, 8067
test-retest reliability of Hand Test, institutionalized mentally retarded 19–69 yr olds, 9466
Projective Techniques [See Also Bender Gestalt Test, Childrens Apperception Test, Franck Drawing Completion Test, Human Figures Drawing, Projective Personality Measures, Rorschach Test, Rosenzweig Picture Frustration Study, Thematic Apperception Test]
analysis of drawings of houses & stages of development, females from 4.5–10 yrs old, longitudinal study, 3395
analysis of drawings, 9.5–12.5 yr old neuropsychiatric & 4–13 yr old psychotic patients, 3830
attitudes toward projective techniques, faculty in American Psychological Association approved clinical psychology programs, 15538
autogenic or stimulus-independent stories as instruments for dynamically oriented clinical assessment, children, 19873
clinical analysis of physical & temperament development through drawings, male twins followed from 2 to 5.3 yrs of age, 3377
cognitive-perceptual method for interpretation of early memories, psychodiagnosis & psychotherapy, 17776
Collaborative Drawing Technique, psychodiagnosis, families, 16179
Corman's Patte Noire & Family Drawing tests, perception & expression of family communication, families with 1 or more 6–8 yr olds, therapeutic implications, 17912
development & validity & reliability of Archetypal-9 Test, measurement of alexithymia, surgical & pain patients, 2880
developmental & cultural factors, drawings of family meal, 2–5 vs 6–11 vs 12–18 vs 19–98 yr olds, 3405
diagnostic validity of Picture Projective Test vs TAT, depressed vs psychotic patients, 2915
drawings of animals & development of space & form & perspective, 4.5–5.8 yr olds, 3440
identification themes & motivation underlying drawing of image of self, male vs female 9–12 yr olds from rural vs urban environments, 3499
live evaluation vs stage puppets vs 2-way interactive TV hand puppets, evaluation of intellectual & psychomotor & emotional characteristics, mentally retarded vs learning disabled vs emotionally disturbed special education 1st & 2nd graders, 13143
pictorial & verbal expression using Fairy Tale Test, schizophrenic 10–15 yr olds, 19992
projective assessment of self & other perceptions, 5332
projective identification & therapeutic interaction, reflection process, psychotic patients, 4356
psychological interpretation of drawings, children & adolescents, bibliography, 3407
split half reliability of Hand Test, psychiatric patients, 16186
systematic study of drawings as insight into mastery of antagonism between self & environment, children, 3374
use of projective space in Sceno-Test protocols & free drawings, 6–15 yr old psychiatric patients, 2848
use of puppets in therapeutic educational setting, children with learning or emotional problems, 2561
validity of nonverbal drawing techniques vs verbal report, description of pain location, 4.5–14 yr olds, 18969
Projective Testing Technique
experimental evaluation of pictures for projective tests, psychiatric patients, 13442
use of Helsinki test in educational diagnosis, 7747
use of projective testing, psychiatric consultation-liaison service, 6967
Projective Tests [See Projective Techniques]
Prolactin
acquisition of conditioned avoidance response, prolactin levels, male rats, 8435

acute vs chronic administration of clomipramine vs amitriptyline, prolactin & growth hormone & thyrotropin plasma levels, depressed inpatients, conference presentation, 12551
adrenalectomy, hyperprolactinemic-induced sexual behavior deficits, male mice, 16537
behavior therapy vs pimozide treatment, serum prolactin levels, 15–18 yr old female anorexia nervosa patients, 6975
benzodiazepines vs naloxone vs propranolol vs diisopropyl fluorophosphate, shock-induced renin & prolactin secretion, male rats, 24043
bromocriptine mesylate, serum prolactin levels, 18–50 yr old psychiatric outpatients with thioridazine-induced hyperprolactinemia, 25276
ECT, serum prolactin & thyrotropin levels, depressed 18–74 yr olds, 27690
ethanol, luteinizing hormone & follicle stimulating hormone & prolactin secretion, female rats, 5835
exposure to novel stimuli, prolactin response, male rats, 5723
fenfluramine, plasma prolactin levels, depressed patients, 18106
footshock vs forced running in activity wheel, habituation to repeated stress & corticosterone & prolactin & pituitary cyclic AMP, male rats, 5752
haloperidol & morphine, antinociceptive tolerance & withdrawal effects, hyperprolactinemic male rats, 29406
haloperidol plasma levels & plasma prolactin & therapeutic efficacy, 19–53 yr olds with paranoid schizophrenia, 7207
hyperprolactemia, neuronal activity in ventromedial hypothalamus following application of prolactin vs dopamine vs luteinizing hormone-releasing hormone, female rats, 23820
hyperprolactinemia induced by ectopic pituitary grafts & sc implants of testosterone vs estradiol & dihydrotestosterone, availability of active testosterone metabolites & inhibition of copulatory behavior, long term castrated male rats, 19376
injection of dopamine antagonist MJ-13980 vs haloperidol, pituitary dopamine receptor binding & serum prolactin concentrations & apomorphine-induced stereotyped behavior, male rats, 26684
intercorrelations between somatization & depression scores & demographic & psychological characteristics & CSF prolactin & cortisol levels, male vs female low back pain patients, Finland, 27584
intracranial prolactin, incubation behavior & food & water intake & body weight & gonad & reproductive tract tissue weight, ring doves, 8523
iv levotryptophan infusion, plasma prolactin & growth hormone levels, 24–42 yr old chronic schizophrenics receiving long term neuroleptic therapy vs healthy volunteers, 18044
lysine-8-vasopressin, mood & daily growth hormone & cortisol & melatonin & prolactin levels, depressed 37–67 yr olds, 22603
meta-chlorophenylpiperazine, release of plasma prolactin & cortisol & growth hormone, adult male rhesus monkeys, 13951
naloxone, ethanol-induced concentration of hypothalamic dopamine & serum & anterior pituitary levels of prolactin, male rats, 26743
naloxone, plasma prolactin & cortisol & growth hormone levels before vs after ECT, 30–71 yr old patients with endogenous vs schizoaffective depressive disorders, 30506
neocortical vs hippocampal lesions & repeated footshock stress, pituitary cyclic adenosine monophosphate & plasma corticosterone & prolactin level, male rats, 16477
nocturnal prolactin secretion, depressed male vs female inpatients, 22083
personality correlates of physical reaction to prolactin, maternity patients, 4-yr longitudinal study, 9899
physical & environmental stress & corticosterone, prolactin response, male rats, 14072
physical exercise at submaximal work loads, dental pain thresholds & plasma levels of ACTH & cortisol & prolactin & growth hormone, 23–44 yr old males, 3214
physical fitness & body composition, sleep & nighttime secretion of human growth hormone & prolactin & cortisol, 20 yr old male athletes vs nonathletes, 578
pituitary grafts & prolactin levels, copulatory behavior, male rats, 8468
pituitary homographs with prolactin vs domperidone vs haloperidol vs indomethacin administration following food deprivation, cold stress-induced gastric ulcers, male rats, 16462
prolactin & testosterone levels in venous blood, males with stage 2 alcoholism, 6658
prolactin cell autoantibodies in blood serum, 63–95 yr old Alzheimer patients with senile dementia vs patients with Down's syndrome, comments on study by A. Pouplard et al, 6840
prolactin, heroin self administration & development of morphine tolerance & morphine-induced analgesia, homografted vs sham-operated male rats, 16614
prolactin levels & dexamethasone suppression test results, patients with major depressive disorder, 6531
prolactin response to neuroleptic drugs, prognosis, female schizophrenic patients, 7155
pup stimulation, plasma prolactin levels, steroid-primed orchidectomized parental male rats, 8431
role of pituitary gland & prolactin, maternal behavior, hypophysectomized vs intact nulliparous female rats treated with steroids, 585
serum prolactin & luteinizing hormone & testosterone & estradiol levels, 24–37 yr olds with paranoid schizophrenia & delusions of homosexual content, 27357
stress & state anxiety & prolactin levels, 25–35 yr old females attending infertility clinic, 9979
thioridazine, serum prolactin level & occurrence of prolactin secreting pituitary chromophobe adenoma, male 42 yr old with paranoid schizophrenia, case report, 28004
thyroid releasing hormone-induced changes in thyroid stimulating hormone & prolactin & growth hormone, 19–69 yr olds with depression or alcoholism or schizophrenia or adjustment disorder, 24613
thyrotropin-releasing hormone stimulation test, thyroid-stimulating hormone & prolactin response, 23–36 yr olds with panic disorder, conference presentation, 22110
thyrotropin-releasing hormone, thyroid-stimulating hormone & clinical symptoms & prolactin levels, 26–63 yr old patients with acute major depressive disorder & unipolar & bipolar disorder in remission, 9277

Proline
hyperprolinemia, learning ability, PRO/Re vs CD-1 mice, 16390

Prolixin [See Fluphenazine]

Promazine
methylphenidate vs levo-promazine vs natrium valproate, EEG & minimal brain dysfunction symptoms, 5–13 yr olds hospitalized for hyperkinetic syndrome, conference presentation, 7167

Promethazine
low vs high doses of promethazine, nociception, male rats, 677
sedative effects of promethazine vs propionmazine vs diazepam, 73–95 yr old residents of geriatric home, Finland, 7266

Promiscuity [See Prostitution]

Pronouns
distribution of pronouns & terms of address in interviews & letters & speeches in Socialist Unity Party's publication "Neues Deutschland", German Democratic Republic, 19527
event & verb tense & presence of context, attribution of coreference of personal pronouns with verbs "to say" & "to ask," Ss with mean ages of 5.5 vs 7.0 vs 8.5 yrs, 6077
feminist attitudes & use of nonsexist pronouns in reference to occupational positions, female vs male college students, 21884
historical account of acquisition of personal pronouns, 1st born vs sibling, discussion of C. Cooley's 1902 work, 3456
inference making & verb semantics, resolution of anaphoric pronouns, college students, 21179
semantic vs formal factors & referent familiarity, identification of referents of gender-marked pronouns, 4–8 yr olds, Iceland, implications for German vs Icelandic formal gender systems & developmental patterns, 850
use of pragmatic information & contextual constraints, pronoun assignment, 19–37 vs 57–84 yr olds, 29624

Pronunciation
construction & validity of rating scale, measurement of voice & pronunciation quality, Dutch-speaking Ss, 130

developmental processes in children's production of their native language, pronunciation & final stops in CVC English words, adult native speakers of English vs Polish vs Spanish vs Chinese, 717
forms & causes of pronunciation errors & methods for pronunciation teaching & learning, speakers of English as a second language, West Germany, 4867
identification of /p/ & /v/ in English minimal pairs spoken by native Arabic speakers learning English, native English speakers, Jordan, test of contrastive analysis hypothesis, 16846
laryngeal & tongue movements during vowel & consonant production, control of individual speech gestures, adult Ss, 11360
left vs right hemisphere reading of pointed vs unpointed Hebrew spelling, performance on lexical decision & word pronunciation tasks, college students, Israel, 8392
orthographic vs phonetic knowledge of vowel alternation patterns, accessing of derivational morphological rules in pronunciation & spelling, 6th & 10th grade poor spellers, 21735
phonetic change in received pronunciation of vowels in English, Great Britain, 1949–66, 5960
phonic instruction & application of phonic rules in inferential learning of word pronounciations & reading education, 28428
priming effect & depth of automatic spreading activation in pronunciation vs lexical decision, college students, 29072
speech rate & Welsh vs British accent & attributional context, ratings of speakers on competence adjectives, listeners, 29975
spelling-to-sound regularity, pronunciation of low frequency words, criticism of articles by M. S. Seidenberg & Seidenberg et al, 21639
spelling-to-sound regularity, pronunciation of low frequency words, response to criticism of D. Norris & G. Brown, 21641
standard English with vs without Hawaiian pronunciation vs Hawaiian-English presentation of information in simple vs complex syntax, listening comprehension, Hawaiian-English vs standard English-speaking 2nd graders, 7620
strength of pronunciation rules & availability of lexical information, pronunciation of words & nonwords, college students, 14093
word frequency in delayed pronunciation task, lexical access &/vs word production stage, college students, 5449

Propaganda
ideology of Mao Zedong & manipulation of symbols, perceptions of science & education & art, political leaders, 1961–74, People's Republic of China, 29871
need for model of propaganda analysis in communications media, 14082

Property [See Ownership]

Propranolol
benzodiazepines vs naloxone vs propranolol vs diisopropyl fluorophosphate, shock-induced renin & prolactin secretion, male rats, 24043
bromoacetylalprenololmethane, propranolol induced blockade of beta receptors & effect on spread of memory trace, mice, 19429
cocaine vs lidocaine vs amphetamine vs monoamine antagonists, components of kindled seizures, male rats, 5928
dextroamphetamine &/vs haloperidol vs chlorpromazine vs phenoxybenzamine vs propranolol, play fighting, juvenile rats, 16554
dextrolevo-propranolol &/vs amphetamine, open field behavior, male rats, 16763
dose of propranolol vs chlordiazepoxide, conditioned timing behavior, male rats, 24022
long-acting propranolol, assaultive behavior, 27-75 yr olds with organic brain disease, 25294
novel experience prior to training or testing vs beta-endorphin vs naloxone vs epinephrine vs propranolol, retention of conditioned avoidance response, mice, 23988
phentolamine &/vs propranolol, epinephrine-induced hypoglycemia & anorexia, male rats, 8571
posttraining administration of epinephrine & pretraining iv propranolol & phenoxybenzamine, retention of appetitive task, male rats vs mice, 29478
propranalol vs atenolol administration, anxiety & heart rate & blood pressure & peripheral temperature, phobic 24–55 yr olds, 25285
propranolol, anxiety disorders, literature review, 1966–85, 4485
propranolol before vs after training, DRL response, male rats, 21586
propranolol, patients with anxiety & schizophrenia & other psychiatric disorders, 25278
propranolol, rage & belligerent behavior, aged patients with CNS lesions or disease, 4496
propranolol, reduction of anxiety, neurotic & encephalopathic male patients, conference presentation, 12585
propranolol, tonic-clonic leg jerking following withdrawal from imipramine, depressed & hypertensive 47 yr old overweight female, case report, 27957
propranolol vs adrenaline vs noradrenaline vs isoprenaline, operant conditioned barpressing, female rats, 5942
propranolol vs atenolol vs butoxamine, water intake, ovariectomized female rats, 5878
propranolol vs trimepranol, retention of conditioned avoidance response, male rats, 5943
propranolol, 32 yr old female with transitory spatial disorder, 4470

Proprioceptors
dissociation between joint position sense & vibratory sense, 53 yr old female & 61 yr old male with compressive cervical myelopathy, 30457
skill level & vision & proprioception in simple 1-handed catching, 18–32 yr olds, 21047

Prose [See Also Autobiography, Biography]
ability to recall & summarize prose passages, 18–26 vs 64–70 yr olds, 24119
adjunct questions & objectives, retention of verbatim & semantic information & concepts & principles in prose learning setting, literature review, 4847
alcohol or other stimulants, literary creativity, female & male poets & novelists, Finland, 21646
audio-only mode vs face-to-face condition, recall of affect-laden vs affect-free prose, female college students, 19139
context influences, recognition memory for typical & atypical script actions, college students vs aged, 8742
degree of memorization & ease of & motivation for learning & degree of liking & other factors, long term memory for prose, 13683
depth of processing vs idea unit level vs text organization, proportion recalled vs estimated recall of prose text, college students, 325
development of Prose Quantification System based on teacher ratings, judgment of quality of 5th graders' prose & transfer recall, elementary school teachers, 18666
grade level & decoding skill, use of context to facilitate word recognition & comprehension-monitoring processes in oral reading of prose, 4th–5th graders, 798
illustrative details, recall of main points in simple vs factual passages, college students, 714
litigant satisfaction vs legal adequacy in small claims court narratives, 29893
partial picture cues & repetition of contextual information & encoding, imagery & facilitation of prose recall, 6–6.9 yr olds, 11419
prior knowledge & elaborative processing, prose retention, college students, 297
properties vs order of presentation of characters & events in narratives, referent assignments, college students, 8221
prose & list learning, free recall, meta-analysis of list & prose learning literature, 8248
prose read under conditions of reading vs alternative perspectives, recognition memory & total & selective recall of passage, college students, model of encoding & retrieval processes, 23625
reading behavior & prose recall, 18–32 vs over 65 yr olds with average vs high verbal ability, 29639
sex role stereotypes & sex of protagonist, prose recall, male vs female high school students, 6060
text structure, short- & long-term retention for prose, elementary education majors, 21196
theoretical issues & instructional implications of self questioning, improvement of prose processing, students, literature review, 18512
transfer-appropriate-processing vs levels-of-processing reading theories & experimental design, recognition & memory for sentences & prose, college students, 21180

verbal stimuli presented with unrelated vs thematically-related materials, prediction for retroactive interference effects in recognition memory, college students, 5491
Prosencephalon [See Forebrain]
Proserine [See Neostigmine]
Prosocial Behavior [See Also Altruism, Assistance (Social Behavior), Charitable Behavior, Cooperation, Sharing (Social Behavior), Trust (Social Behavior)]
correspondence training, development of self care skills & helping behaviors, male 15–17 yr olds in residential group home, 27920
Developing Understanding of Self & Others Activities Kit, social & interpersonal skills instruction, elementary school students, 15702
developmental trends of agonistic behaviors among friends & acquaintances, severely emotionally disturbed 21–31 vs 40–82 mo olds in intervention program, 17364
empathy & presence vs absence of another person, sharing behavior, 6 yr olds, 16991
facial & full-length ratings of peer attractiveness, prosocial vs aggressive behaviors, male vs female 2.8–5.6 yr olds, 6153
gratuitousness as positive social measure, psychosocial patients, implications for charging of professional fees, conference presentation, 4770
high- vs low-stimulus conditions & sensation seeking & other personality traits, delinquency & helping behavior, 8th graders, 3543
high vs low empathy & affective perspective taking, machiavellianism & perceptions of prosocial motivation, male vs female 4th–5th graders, 19649
individual & group characteristics of prosocial interaction & person-group similarity, social status & peer popularity, male children in summer program for behavioral & social problems, 20072
limitation of rational-structural & goal/expectation approaches & application of structural goal/expectation approach to problem of public goods, college students, 27153
multiple vs single models of generous vs selfish vs inconsistent behavior during game, generosity, kindergartners vs 4th graders, 8862
parental disciplinary practices, learning from prosocial TV portrayals, 4th–5th graders, 3479
performance on Social Interest Scale & Social Interest Index, 19–64 yr old female inmates vs university employees, 12097
predictors of whistle blowing behavior in organizations, implications for prosocial behavior, 7846
process of forgiving as reframing of perceptions of self & others & God, implications for pastoral counseling, 14275
promotion of social learning in classroom, teachers of learning disabled students, 2550
prosocial behavior theory & origin of altruism & charitable behavior, 14439
prosocial behavior with close friend vs neutral classmate, 4th vs 6th vs 8th graders, 29666
psychological attachment predicted on compliance & identification & internalization, prosocial behavior & organizational commitment, 31–40 yr old nonfaculty college employees & graduating business students, 29987
response to mass emergencies, mental health, literature review, 9111
situational factors & sociometric status, prosocial behavior, kindergartners, 14222
sociability work as distinct & important form of labor, female volunteer workers, 17151
social cognitive ability & emotional expression & prosocial responses to peer's emotions, 2 & 3 yr olds, 16981
social interest & personality & sex role & activity, college students, implications for construct validity, 14501
social interest as fundamental concept of Adlerian individual psychology, 14520
social responsibility attitudes, willingness to serve aged &/or disadvantaged, 1st yr college business students, 10426
stories eliciting prosocial vs self protective display rules, prediction of protagonists' verbal & facial expressions in emotional situations, 1st vs 3rd vs 5th vs 10th graders, 11497
teaching interaction approach, development of social skills, disruptive & non-disruptive students, 15644
TV action level vs violent content, aggressive vs prosocial behavior, 39–75 mo old males, 17009
Prostaglandins
brain prostaglandin production, behavioral effects of ethanol, 60–90 day old short- vs long-sleep mice, 5851
daily estradiol vs progesterone injection, antidipsogenic & thermogenic response to icv prostaglandin, ovariectomized rats, 14054
exposure to delta-1-tetrahydrocannabinol, prostaglandin synthesis & arachidonate release, human lung fibroblast cells, 23943
histamine & prostaglandins, diagnosis & treatment of schizophrenia, 27308
indomethacin, ethanol-induced sleep time, male vs female C57BL/6 vs C3H/2 mice, 8543
injection of ethanol with vs without indomethacin into air sack of egg, tissue prostaglandin & growth retardation, chickens, 26722
isoproterenol & prostaglandin-stimulated lymphocytic cyclic adenosine monophosphate level, 73–87 yr olds with Alzheimer's disease vs no cognitive deficit vs healthy 21–36 yr olds, 17581
prostaglandin D-2 vs E-2 vs F-2 gamma, acute morphine dependence, rats, 16737
prostaglandin, neuronal tryptophan & serotonin uptake & release & serum tryptophan levels, male mice, 5871
prostaglandin, pentobarbital sleeping time & serotonergic system, male mice, 5872
prostaglandin precursor essential fatty acids, tardive dyskinesia, 33–67 yr old patients, 28007
prostaglandin, reproductive behavior, female paradise fish, 700
prostaglandins & precursor fatty acids & nonsteroidal anti-inflammatory drug interactions with ethanol & sedatives, sleep time & rotorod behavior & withdrawal & brain ethanol level, male mice, 19496
Prostheses
biofeedback training, psychosexual rehabilitation following penile implant, 43 yr old male, 4-yr followup study, 9820
CHORIMAC-12 cochlear implant with 12 channels, France, conference presentation, 2841
CHORIMAC-12 multichannel electrode cochlear prosthesis, lipreading & articulation & speech modulation & noise identification, 38–54 yr old males with implants, conference presentation, 4580
cochlear implantation of CHORIMAC-12, sound signal processing, deaf patients, conference presentation, 2810
computerized psychophysical measurement of CHORIMAC-12, deaf patients, conference presentation, 4559
criteria for patient selection for cochlear implants, conference presentation, 4579
development of hearing prosthesis to replace functions of inner ear, conference presentation, 2819
development of Nucleus Limited multichannel implantable hearing prosthesis, conference presentation, 2811
effectiveness of CHORIMAC-12 multichannel cochlear implant, 10–71 yr old pre- vs postlingually deaf patients, 7-yr longitudinal study, conference presentation, 4565
effectiveness of Nucleus Limited multichannel cochlear implant, 22–67 yr old profoundly deaf patients, conference presentation, 4562
electrical impedances for sine wave excitation at frequencies from 100–3000 Hz from implanted 12-electrode device in cochlea, male totally deaf in left ear & severely deaf in right ear, conference presentation, 2815
electrical stimulation or type of electrode material, presentation of morphological changes due to surgical implantation, humans & guinea pigs, conference presentation, 4568
evaluation of cochlear implants, prelingual vs postlingual deaf patients, 5-yr longitudinal study, conference presentation, 4550
extracochlear round window electrodes, pitch & speech discrimination, pre- vs postlingually deaf 27 & 33 vs 22 & 43 yr olds, conference presentation, 4561
formant vocoder device, speech perception, deaf patients, conference presentation, 4557
House single-channel cochlear implant, audiometric thresholds, child & adult patients, conference presentation, 4553
House-3M single-channel vs Vienna single-channel vs Nucleus Limited multichannel cochlear implant, speech discrimination & lipreading, deaf patients, conference presentation, 4576

need for caution in endocochlear electrode insertion surgical procedure, conference presentation, 4554
Nucleus Limited multichannel cochlear prosthesis with wearable speech processor, conference presentation, 2838
patient selection & operative approach, cochlear implants, 18–60 yr old patients with bilateral total sensory deafness, conference presentation, 8 mo to 3 yr followup, 4593
patient selection & prosthesis size & surgical procedures, cochlear implants, deaf 2–18 & male 54 & 55 yr olds, conference presentation, 4581
patient selection for cochlear implants, 12–60 yr olds, conference presentation, 4549
penile implant surgery, ejaculatory & orgasmic experience, 30–69 yr old males with psychogenic orgasmic dysfunction, 25349
psychosocial issues of readiness & appropriateness of vision prostheses & aids, visually impaired individuals, 10131
sex therapy, adjustment to penile prosthesis, case of 70 yr old male, 2-3 mo followup, 4263
signal processing by House-3M cochlear implant, consonant perception, 20–58 yr old profoundly deaf single channel implant patients, conference presentation, 2812
single-channel cochlear implant, 8 yr old male with bilateral sensorineural hearing loss, comments on study by G. R. Popelka & D. H. Gittleman, 30809
single-channel cochlear implant, 8 yr old male with sensorineural hearing loss, reply to comments by L. S. Eisenberg et al, 30832
speech comprehension via lipreading & electrostimulation, cochlear implant patients, conference presentation, 4556
Prostitution
demographic characteristics & categories of prostitution & social perception of others, prostitutes, Aruba, 27414
early socialization & birth order & education level & characteristics of male sex partners, female prostitutes, 20047
perceived need for interpersonal resources, drug addicts vs alcoholics vs prostitutes vs motorcycle racers & medical patients & drug rehabilitation patients vs males from general population, 11868
social problems & dimensions & perspectives of prostitution, India, literature review, 1454
Victorian moralistic vs progressive reform vs academic sociology vs psychoanalytic perspectives & history of prostitution, females, 9396
Protein Metabolism
chronic ethanol administration with vs without hypothermia, protein & RNA & DNA synthesis in brain, infant rats, 8598
hippocampal application of protein synthesis inhibitor anisomycin, formation of short vs long term components of working memory, male rats, 5904
inhibition of protein synthesis with anisomycin, avoidance conditioning & performance on leupeptin sensitive olfactory memory task, male rats, 11340
opioid-like activity in isolated peptides from wheat gluten hydrolysates, implications for schizophrenia & celiac disease, 561
Proteins [See Also Antibodies, Blood Proteins, Endorphins, Immunoglobulins]
accumulation of proteins & dyes by cerebellar Purkinje neurons & behavioral responses, male rats, 5819
casein- vs cereal-based diet & varied costs of procurement & expenditure, food intake & meal patterns & growth, 50 day old male rats, 26568
casein- vs cereal-based diets, growth & food intake in self selection paradigm, weanling male rats, 26577
casein vs soy diets with differential protein content, food intake selective behavior, cats, 16365
CSF white cell count & protein concentration & immunoglobulin G, patients with acute psychiatric disorders, implications for role of viruses in etiology of psychiatric illness, 27257
distribution of calmodulin in taste buds, rats, implications for role of calmodulin in taste function, 16441
hereditary hyperbilirubinemia, changes in cerebellar neurotypic & gliotypic proteins & in morphology & behavior, Gunn rats, implications for biochemical indicators of neurotoxicity, 19334
high frequency stimulation of perforant pathway & long term synaptic enhancement, hippocampus in vitro phosphorylation of protein F1, rats, 21431
immunoglobulin & antinuclear & lymphocyte & thyroid antibody levels & serum protein fractions, male vs female 25–65 yr old inpatients with schizophrenia or unipolar or bipolar depression, 24670
induction of physical dependence on ethanol, cerebral alteration in calmodulin levels, male rats, 21569
intragastric infusion of carbohydrates & fat & protein, appetite & total caloric intake, male monkeys, 13893
leucocyte assay for determination of capacity to produce alpha & gamma interferon, schizophrenic inpatients, 19964
nerve growth factor injections & neonatal ventromedial hypothalamus vs septal nucleus lesions, active avoidance task performance, rats, 8471
parachlorophenylalanine & fenfluramine pretreatment & tryptophan, 5-HT turnover & preference for protein diet, male rats, 14013
protein concentration & platelet imipramine binding, healthy 19–27 yr olds, implications for imipramine binding as marker for depression, 29384
protein F1 phosphoprotein, memory, rats, literature review, 16779
protein kinase C & protein F1, synaptic & behavioral plasticity, literature review, implications for spatial information storage, 23829
psychological stress, salivary protein & electrolyte & cortisol concentrations, females waiting for fine needle aspiration for diagnosis of breast tumor, 29306
self selection of protein diets with vs without amino acids, weight gain & protein intake & plasma & brain levels of amino acids, 1 day old chickens, 13889
specificity of pyrazine binding protein from olfactory mucosa, cows, 551
synthesis of ependymins following formation of memory & contribution to development of synapses, goldfish, 23833
varying doses of nickel added to diet, leverpressing for food on VI schedule & metallothionein levels, male rats, 8590
Protest (Student) [See Student Activism]
Protestantism [See Also Fundamentalism]
attitudes toward directions taken by funeral industry, United Methodist vs Roman Catholic vs Episcopalian clergy & funeral directors, 26967
religious orthodoxy & modernity, attitudes toward mental health services & mental illness & emotional problems as spiritual, members of evangelical vs middle continuum vs liberal Protestant churches vs college students, 3573
use of term Calvinism to denote opposition to individual & social improvement, psychologists, comment on view of G. W. Albee, 7962
values & social activism & school desegregation, White Catholic vs Protestant vs Black Protestant male clergy, 19711
Protozoa
development & use of computerized close-up video/photoamplifier system, measurement of circadian locomotor rhythm, Paramecium, 5267
Pseudocyesis
depression & endocrine secretory patterns, 30 & 38 yr old females with pseudocyesis, 1644
pseudocyesis at age 6 yrs & repressed anger at abusive mother, 23 yr old female, 17-yr followup, 12173
Pseudopregnancy [See Pseudocyesis]
Pseudopsychopathic Schizophrenia
prognosis & treatment outcome, patients with pseudoneurotic vs pseudopsychopathic schizophrenia, followup of patients hospitalized 1938–62, Norway, 6522
Psilocybin
hallucinogenic mushroom use, college students, 11715
Psychedelic Drugs [See Also Lysergic Acid Diethylamide]
pharmacologic & clinical properties & cultural significance of betel & kava & pituri plants, South Seas, 17179
social & intellectual attitudes toward psychedelic religious experience, 27110
Psychedelic Experiences
consciousness research using psychedelic drugs & nondrug techniques & perinatal & transpersonal realm of psyche, conference presentation, 29174
social & intellectual attitudes toward psychedelic religious experience, 27110

Psychiatric Aides
perceived impediments to psychiatric hospital discharge, psychologists vs psychiatrists vs social workers vs rehabilitation personnel vs registered nurses vs psychiatric aides, 20587
validity of verbal scale of A. G. Wesman's Personnel Tests for Industry, assessment of work performance, psychiatric aides from state hospitals, meta-analysis, 18941
Psychiatric Classifications (Taxon) [See Psychodiagnostic Typologies]
Psychiatric Clinics
cooperation between local agencies & family psychiatric wards, family admittance for assessment of child abuse, families with child abuse problems, conference presentation, 4400
development of automated Navy Mental Health Information System, outpatient mental health clinics, 7993
epidemiology of epilepsy, patients in psychiatric clinics, 6712
issues & problems in team-run psychiatric clinic within hospital center, France, 4552
prescribing of psychotropic drugs, physicians in psychiatric outpatient clinic, 7244
psychiatric service utilization & demographic characteristics, children attending outpatient clinics, Australia, 22371
use of ECT in private clinics vs public psychiatric wards, female vs male schizophrenic vs depressed patients, Chile, 27746
wet pack therapy, regressed psychiatric patients, 9824
Psychiatric Disorders [See Mental Disorders]
Psychiatric History [See Patient History]
Psychiatric Hospital Admission [See Also Psychiatric Hospital Readmission]
admission criteria & involuntary commitment, allegedly mentally ill & retarded persons, case law, 14345
admission to psychiatric hospitals & diagnostic & treatment complications, mentally retarded patients with psychiatric disorders, Denmark, 1983–84, 25500
adverse drug reactions, acute psychiatric admission rates, 18–87 yr olds, Israel, 20511
benefits & criteria & policy for psychiatric hospitalization of entire family, aggression & serious psychiatric problems, 9 yr old male & his family, Australia, 18240
civil commitment, mentally disordered criminals, 7406
diagnosis &/vs hospital admission by psychiatrist vs nonpsychiatrist, city vs country psychiatric patients, Australia, 1976–78, 2119
diagnosis based on DSM III, in- vs outpatient admission decisions, psychiatric patients, 2104
diagnosis of schizophrenia of schizoaffective type during psychiatric hospital admissions, Denmark, 1970–78, 7425
differential medical & psychiatric & demographic characteristics, patients admitted to medical psychiatric vs conventional psychiatric unit vs receiving psychiatric consultation on medical surgical unit, conference presentation, 20509
economy, sex differences in psychiatric admissions & help seeking, 15351
frequency of schizophrenia assessed by discharge diagnosis, patients admitted to hospitals for 1st time, Scotland, 3833
frequency of violent or fear-inducing behavior associated with psychiatric hospital admission, psychiatric patients, 10113
interactional model promoting cooperation for psychiatric hospital admission interviews, hospital staff & families, 12728
opening of geriatric psychiatry day hospital, referrals to inpatient service & other effects, patients over age 65 yrs with organic brain syndromes, Scotland, 7404
patient's admission as moment of conscious or instinctive sense of insufficiency, psychiatrists, 25478
predictive validity & reliability of Three Ratings of Involuntary Admissibility, application of involuntary admission criteria in psychiatric emergency rooms, psychiatrists & nurses & social workers & 14–87 yr old patients, 165
premorbid adjustment & physical attractiveness & adequacy of present interpersonal behavior & hospital adjustment before discharge, length of time before readmission, male vs female 18–56 yr old psychiatric patients, 24629
premorbid social competence & psychiatric outcomes, male vs female 1st-time admission psychiatric patients with affective vs personality disorders vs neuroses, 22714
psychiatric hospital admission & assaultive & fear-inducing behaviors, psychiatric patients, 20528
psychiatric hosptial admission vs discharge, homeless vs domiciled mentally ill, 18176
psychiatric ward admission, therapeutic milieu & other patient & staff reactions, 32 & 33 & 34 yr old male homosexuals with acquired immune deficiency syndrome or delusions of having disease & 27 yr old female drug abuser, 4669
sex & race, prognosis for 1st psychiatric hospital admission & outcome, White vs Black 15–55 yr old psychiatric patients, 2-yr followup, 12715
Psychiatric Hospital Discharge
case of Clark v Cohen & due process of law, patient with mental retardation in institution for 28 yrs, 24325
civil liabilities of government psychotherapists & agencies & release, mentally ill patients, 7522
client & hospitalization characteristics & diagnosis & mental health status & Medicaid benefit structure, length of stay & discharge patterns, psychiatric inpatients, 18253
liability in cases in which prisoners or patients under psychiatric care were released & subsequently killed or injured 3rd parties, case law, 27048
nature of treatment in & process of discharge from insane asylum, Italy, 19th century, 12710
number & type & diagnosis of symptoms & sociodemographic variables, decision of length of stay in psychiatric hospital, 18–75 yr old patients, 10061
perceived impediments to psychiatric hospital discharge, psychologists vs psychiatrists vs social workers vs rehabilitation personnel vs registered nurses vs psychiatric aides, 20587
physical & psychological dependence & behavior problems & treatment received, future hospital care, chronic psychiatric patients, 2098
possible premature release of psychiatric patient & subsequent assault on police officers, action brought against state employees due to lack of immunity, case law, 1049
professional reintegration, Ss released from psychiatric hospitals, 15420
psychiatric aftercare services, readmission & symptomatology & social adjustment, discharged psychiatric patients, Canada, 6-mo & 2-yr followups, 22685
psychiatric hospital discharge, alcoholic patients, implications for prognosis, 5-yr followup, 4714
psychiatric hosptial admission vs discharge, homeless vs domiciled mentally ill, 18176
ratings of factors that determine length of psychiatric hospital stay, psychiatrists vs psychologists vs social workers vs nurses vs administrators, implications for diagnosis, 30964
rehospitalization & social role at discharge, patients with schizophrenia, 1-yr followup, 20507
release criteria, involuntarily committed patients, case law, 14344
state appeals courts decisions that consider least restrictive dispositions & discharge requirements, civilly committed persons, case law, 27022
therapeutic continuity & triangulation, discharged hospitalized psychotic patients, conference presentation, 4673
treatment outcome at discharge vs after 6-mo, patients with nonbipolar psychotic vs nonpsychotic major depression, 17325
type of institutionalization & SES & subsidies received in long term psychiatric hospitalization, discharge vs relapse vs continued hospitalization, chronic patients, Italy, 15377
validity of 3 questionnaire tool, prediction of potential "against medical advice" discharges at time of psychiatric admission, adults from inpatient substance abuse ward, 21024
Psychiatric Hospital Programs [See Also Therapeutic Community]
anger management program, 9.8–14.8 yr old males with anger/aggression problems, 2115
biofeedback & relaxation & cognitive skills training as multimodal adjunct therapy, anger control & behavior modification, hospitalized 13–18 yr olds, 28139
claims for negligent infliction of emotional distress & malpractice against psychiatric care facility for drug rehabilitation, case law, 27055
cognitive behavioral techniques in group anger control training, aggressive behavior, 13–17 yr old male psychiatric inpatients, 18249

comprehensive psychiatric help, medical trainees & house officers, comments on article by D. B. Borenstein, 22819
comprehensive psychiatric help, medical trainees & house officers, reply to comments of R. T. Fintzy, 22808
day hospital-inn as alternative to hospitalization, psychiatric patients, 10088
description of psychiatric intensive care unit based on general hospital model, acutely psychiatrically ill patients, 2085
developments in token economies in psychiatric institutions vs mental health service system, implications for deinstitutionalization, 25532
effectiveness of social skills training, male 15–17 yr olds in psychiatric hospital with diagnoses of conduct or adjustment disorder, 25489
efficacy of therapeutic day trips, hospitalized psychotic patients & psychiatric staff, 10078
evaluation of brief inpatient family intervention, 15–45 yr old patients with schizophrenia or schizophreniform vs major affective disorder, 6-mo followup, 4381
group activity program for patients & professional staff as means of social restructuring, rehabilitation, chronically hospitalized psychiatric patients, 2081
group maturity workshop in acute psychiatric care facility, continued active role functioning, geriatric patients, 30938
guidelines for planning & implementation of nontoken behavioral ward management system, hospitalized psychiatric patients, 15398
history & activities of patient's rights & ethics committee, psychiatric patients, 25531
hospital & community mental health emergency triage program, psychiatric patients, 18179
implementation of new ward-round/consultation procedure, team member participation & discussion, hospital medical & nonmedical staff & psychiatric patients, 7416
initial screening interview, therapeutic potential & admission decision, applicants to treatment programs for pathological gamblers, 15394
integrated in- & out-patient services, Sweden, 10108
market research analysis, private psychiatric hospital's proposed adolescent inpatient substance abuse program, 22792
meals as free time in token economy program, reinforcement for performance, hospitalized chronically mentally ill patients who had previously had meals as token events, 22717
memory impairment, patients in psychodynamically oriented hospital treatment, 18235
mental health services, medical students & house officers of physician training centers, comment on article by D. S. Borenstein, 28365
multidisciplinary alternative mental hospital program, maladaptive behavior patterns & conflict, adolescent inpatients, 18286
multidisciplinary health care team in rehabilitation program, chronic psychiatric patients, Chile, 28160
perceptions of characteristics of psychiatric ward, patients & their relatives, 20515
public psychiatric hospital pilot program, psychosocial rehabilitation, acute hospitalized patients, 28177
social background & problems & SES & presenting complaints, male & female alcohol-dependent outpatients 25 yrs old & older in mental hospital treatment program, India, 12780
treatment modalities in therapeutically integrated inpatient programs, young adult chronic psychiatric patients, conference presentation, 12731
unique patient needs & multidisciplinary treatment approach & beneficial structural characteristics in psychogeriatric hospital unit, 10123
utilization of psychodynamic & behavioral therapy, hospitalized adolescents, 12717

Psychiatric Hospital Readmission

age at 1st hospitalization & compliance with drug therapy & drug or alcohol abuse & other factors, multiple hospital admissions, psychiatric patients, 30932
alternatives-to-hospitalization program, utilization of inpatient services, 18–64 yr old psychiatric patients with vs without history of psychiatric hospitalization, 30864
characteristics, psychiatric patients 15 to over 85 yrs old with multiple admissions, Denmark, conference presentation, 28162
client characteristics, probability of survival in community without rehospitalization, psychiatric inpatients or rehabilitation center for formerly hospitalized patients, 12756
family environment & psychiatric diagnosis & demographic variables, relapse & rehospitalization, discharged psychiatric patients, 15392
illness behavior & characteristics, rehospitalized 18–60 yr olds with bipolar affective disorder, 20513
long term training in community living vs traditional care, rate of hospitalization, 18–30 yr olds with schizophrenic disorders, 15302
outpatient treatment, probability of rehospitalization, schizophrenic patients, 25468
psychiatric aftercare services, readmission & symptomatology & social adjustment, discharged psychiatric patients, Canada, 6-mo & 2-yr followups, 22685
psychosocial rehabilitation strategies, prevention of rehospitalization, clients, 18290
recidivism rate, psychiatric inpatients, 2084
rehospitalization & social role at discharge, patients with schizophrenia, 1-yr followup, 20507
sectorized psychiatric services, patients with 3 or more admissions in community mental health service, Norway, 10020
social network interventions as crisis management strategy, prevention of psychiatric readmissions, 20–60 yr old chronic psychiatric patients with repeated hospitalizations, 2142
social skills training vs holistic health therapy, social skills & adjustment & relapses & rehospitalization, schizophrenic males evaluated 9 wk after treatment & for 24 mo in community, 20548
training in community living model & "The Bridge" urban outreach mental health program, psychiatric hospital readmission, psychiatric patients, 15304

Psychiatric Hospital Staff [See Also Psychiatric Aides]

conflicts in relationships & parallels to relationship between patient's parents, therapists & direct care staff in residential adolescent treatment facility, 12725
countertransference & acting out problems in treating psychiatric patient with acquired immune deficiency syndrome, hospital staff, 22710
hospital staff perceptions of difficult-to-treat patients, 18–57 yr old long term psychiatric patients, 4645
implementation of new ward-round/consultation procedure, team member participation & discussion, hospital medical & nonmedical staff & psychiatric patients, 7416
institutionalized patients & staff burnout, graduate nursing students in mental health/psychiatric nursing rotation, 20571
interactional model promoting cooperation for psychiatric hospital admission interviews, hospital staff & families, 12728
sex education program, discussion of patient sexuality & assessment & intervention strategies, psychiatric hospital staff, 4738
systems analysis vs cultural exchange methods of analysis of social system of moribund psychiatric hospital, hospital staff, implications for staff turnover & morale & professionalism, 22827

Psychiatric Hospitalization [See Also Commitment (Psychiatric), Psychiatric Hospital Admission, Psychiatric Hospital Discharge, Psychiatric Hospital Readmission]

age & sex & diagnostic & treatment characteristics, children & adolescents treated in Dr. Juan N. Navarro Child Psychiatric Hospital, implications for program planning, Mexico, 1980, 28166
alternatives to psychiatric hospitalization, US, comments on article by L. R. Mosher, 2008
asylum treatment by inebriety specialists, alcoholism, late 1800's, 2177

role in patient care in therapeutic milieu, psychiatric nurses, 7405
social support & life stress & work setting, burnout, female psychiatric & operating room & intensive care & medical specialty nurses, 18357
stages of emotional reactions to work with suicidal patients, 23–50 yr old psychiatric nurses, 31061
structure & process & effectiveness of psychotherapy, nurse therapists, 9716
theoretical basis for nursing diagnosis, mental health nurses, 22062
theoretical models & interventions used in therapy, nurse psychotherapists, 22436
total person perspective of nursing psychotherapy, 22820
university psychiatric nursing education, US, 1917–56, 22854
untargeted side effects of 1-wk inservice training in behavior therapy, psychiatric & student nurses, 4771

Psychiatric Patients

abnormal personality, response to MAO inhibitor & tricyclic antidepressant, 22–76 yr olds, 30777
activity therapy, cognitive deficits & character pathology, cognitively impaired psychiatric patients, 18301
administration of psychotropic drugs, vocational aptitude & interest scores, psychiatric inpatients, 30737
adult vs adolescent vs mixed interpretive approaches, clinical accuracy ratings of MMPI protocols, 12–18 yr old inpatients rated by clinicians, 2883
age & history of treatment with neuroleptic drugs, prevalence of tardive dyskinesia, female vs male chronic psychiatric patients, 6889
age & incidence of drug-induced parkinsonism, psychiatric patients over vs under 40 yrs old being treated with haloperidol, followup study, 18083
aims & advantages of psychiatric day hospitals, children, 12722
alcohol abuse, agoraphobic vs panic disorder vs simple vs social phobic vs generalized anxiety disorder patients, 27377
alcohol use during hospitalization, VA neuropsychiatric inpatients, conference presentation, 2123
alprazolam, adenylate cyclase activity, 33–65 yr old depressed patients, 1938
analysis of clinical psychiatric history reports, hospitalized psychiatric patients, Chile, 28176
analysis of drawings, 9.5–12.5 yr old neuropsychiatric & 4–13 yr old psychotic patients, 3830
analysis of phencyclidine content in hair vs blood vs urine, 18–55 yr old newly hospitalized patients with acute psychiatric illness, implications for diagnosis of phencyclidine intoxication, 1382

analytic group psychotherapy on locked mental health unit, psychotic inpatients, 22705
antinuclear antibody levels, 16–40 yr old female psychiatric patients with systematic lupus erythematosus, 3848
anxiety & depression as measured by MMPI & Taylor Manifest Anxiety Scale, WAIS scores, 15–78 yr old acute psychiatric inpatients, 30114
application of DSM-III Axes IV & V in hospital psychodiagnosis, psychiatric emergency patients, Italy, 22729
application of psychoanalytic knowledge, hospitalized acute surgical & psychotic patients, 15352
application of script theory, assessment of change in posttreatment transference dreams, 52 yr old female psychiatric patient, 20295
apprehension of estimation & need for social approval in psychological diagnosis, psychiatric patients & their psychologists, 14925
artwork as psychopathological expression, psychiatric & schizophrenic patients, Italy, 6477
assaultive behaviors, psychiatric outpatients, 2122
assessment of beneficiality of occupational therapy activities in psychiatric day care, middle aged ex-day-unit patients, 18284
assimilation by integration vs isolation, attitudes toward psychosis, schizophrenic patients in remission, implications for treatment, West Germany, 19965
attitudes toward efficacy of complexive therapy, neurotic patients, 20271
attitudes toward psychiatric vs oncologic vs general medical patients, medical assessment, 1st- vs 2nd-yr medical students, 7558
baclofen, tardive dyskinesia, 18–70 yr old psychiatric patients being treated with neuroleptic drugs, 27958
Beck Depression Inventory, measurement of general psychopathology vs depression, male college students vs psychiatric patients, 28962
benefits of affiliation between medical schools & investor-owned hospitals in treatment of mental disorders, 20519
benzodiazepine antagonist as ligand, positron emission tomographic studies of benzodiazepine receptors, monkeys vs healthy males vs male psychiatric patients, implications for neural drug concentration following chronic drug therapy, 30767
benzodiazepine therapy, psychoactive drug-induced confused state & abnormal EEG, 38–57 yr old patients, 7258
benztropine & high potency neuroleptic drugs, prevention of dystonic reactions, psychiatric inpatients, 28005
biographical & sociocultural & psychopathological & criminal data, husband killing & uxoricide, male vs female committed psychiatric patients, 9388
biopsychosocial analysis of transfer from medical to psychiatric care, hospitalized patients, 2113
bitemporal ECT, serum mineral levels before vs after ECT, 31–66 yr old patients with severe affective illness, 1711
Borna virus antibodies in blood serum, psychiatric patients, 9201
bromocriptine mesylate, serum prolactin levels, 18–50 yr old psychiatric outpatients with thioridazine-induced hyperprolactinemia, 25276
care of deinstitutionalized homeless mentally ill, 22644
case against deinstitutionalization of mentally ill, 22658
causes of failure of community based treatment program, 19–68 yr old psychiatric patients in kibbutz setting, Israel, 2033
changes in state mental health rights law following enactment of Mental Health Systems Act of 1980, 1078
characteristics & correlates of MMPI psychological change scores, psychiatric inpatients assessed at admission vs at completion of 9-wk program, 10761
characteristics & perceptions, 21–40 yr old patients refusing general hospital psychiatric inpatient treatment, South Africa, 2116
characteristics, assaultive male psychiatric patients who did vs did not provide visible cues of potential violence, 12114
characteristics of patients from state vs private psychiatric hospitals, 2074
characteristics, psychiatric patients 15 to over 85 yrs old with multiple admissions, Denmark, conference presentation, 28162
client characteristics & length of stay, hospitalized psychiatric patients, implications for ability of Health Authority to close psychiatric hospitals, England, 22724
client characteristics, persistence of unresolved grief over death of relative, 18–75 yr old psychiatric outpatients, 14673
client characteristics, probability of survival in community without rehospitalization, psychiatric inpatients or rehabilitation center for formerly hospitalized patients, 12756
client preparation & problem severity, understanding & attitudes & expectations of child psychotherapy, 6–12 yr olds & 1 of their parents, 27763
clinical & demographic characteristics, hospitalization, 20–39 yr old patients of psychiatric emergency room service, Canada, conference presentation, 2108
clinical & ethical issues in prosecution of psychiatric patients for assaults on staff, criticism of paper by L. A. Phelan et al, 29876
clinical & ethical issues in prosecution of psychiatric patients for assaults on staff, reply to criticism by T. G. Gutheil, 29889
clinical correspondence of complete MMPI vs abbreviated MMPI-168, male psychiatric patients, 26219
cluster analysis, differentiation by level of functioning & psychoticism & depression & aggression & treatment motivation, psychiatric patients, 17328
cognitive behavioral approach, social skills learning, 16–50 yr old psychiatric in- & outpatients, 12537
cognitive behavioral techniques in group anger control training, aggressive behavior, 13–17 yr old male psychiatric inpatients, 18249
cognitive model of vs effects of drug therapy on psychopathological phenomena, 4th-yr medical students vs psychiatric patients, conference presentation, 15125
collection of developmental information from family, screening for & treatment of CNS dysfunction, psychiatric inpatients, 18214
community day care center for long term & short term mental health services, psychosocial rehabilitation, mentally ill, England, 28195
community mental health center vs Medicaid programs, deinstitutionalization, mentally ill inpatients, 25408
community mental health strategies, mobilization toward employment, chronic mentally ill patients, 18190
community placement vs continued hospitalization, depression & psychosocial functioning, chronic psychiatric patients, 4605
community volunteer group, assistance to psychiatric patients, former psychiatric patients in aftercare program, 2144
community work readiness seminar, daily living skills, female chronic psychiatric patients, 12669
competency to purchase handgun, person previously committed involuntarily for mental illness, case law, 14330
compliance with referrals, patients in psychiatric emergency rooms, conference presentation, 10067
components of effective caregiving system, homeless & other mentally ill, implications for deinstitutionalization, conference presentation, 22645
computed tomography test results vs neuropsychological test performance, diagnosis of brain impairment, 9–15 yr old psychiatric patients, 22135
computer analysis of voiceprints, diagnosis of tardive dyskinesia, psychiatric patients who had been treated with long acting phenothiazines, 6741
computerized data on social conditions & diagnoses & treatment & admission procedures, patients admitted to hospital psychiatric ward, 1983–84, Italy, 22726
computerized tomography & cerebral asymmetries in diagnosis, psychiatric patients, 17292
concept of social energy & psychoanalysis, psychiatric inpatients, 1745
concordance of community adjustment ratings by self vs others at admission vs posttreatment, psychiatric patients aged under vs over 55 yrs, 20477
construction & reliability of Overt Aggression Scale, assessment of aggressive behavior, child & adult psychiatric patients, 13476
construction of life histories, determination of series of psychiatric "careers" leading up to institutionalization, psychiatric patients, 15399
construction of state of consciousness interview schedule, assessment of intrapsychic functioning & uniqueness of ethnic identity, Black community mental health council patients, conference presentation, 23415

content of grandiose ideas & delusions, English vs African vs Jamaican vs Continental European vs English speaking non-Europeans vs Indians vs Middle vs Far Eastern vs Caribbean psychiatric patients, 19967
cortisol nonsuppression assessed by dexamethasone, symptoms of glucocorticoid excess, psychiatric patients, 6582
cost benefit analysis of community mental health treatment programs & barriers in implementation, chronically mentally ill patients, 15281
cross cultural validity & factor analytic similarity of WAIS subtest scores, workers referred for psychiatric evaluation, Mexico, 16150
cross-sample generalizability of Fear Survey Schedule-III dimensions, invariance of phobic factors, noninstitutionalized phobics vs heterogeneous psychiatric inpatients, 26189
CSF & plasma arginine vasopressin concentrations, 2–82 yr old patients with neurological & psychiatric disorders, 1238
current laws & issues affecting right to refuse or consent to treatment, psychiatric patients, Canada, 24377
cyclandelate, memory function, 49–68 yr old male psychiatric patients with memory disorders, 18029
day hospitalization at Massachusetts Mental Health Center in vs intensive care unit, psychiatric patients, implications for deinstitutionalization, 25467
debrisoquin, CSF & plasma homovanillic acid levels, 21–65 yr old psychiatric inpatients, 17382
deinstitutionalization & civil rights, psychiatric patients, 22647
deinstitutionalization & psychiatric laws, quality of services, chronic institutionalized psychiatric patients transferred to outpatient health center, Italy, 15278
demographic & treatment & adjustment factors related to treatment expectations, treatment outcomes, male hospitalized psychiatric patients in VA general psychiatric service, 30937
demographic characteristics, prediction of use of injectable vs oral antipsychotic medication, outpatients, conference presentation, 12576
demographics & characteristics, community mental health center utilization, psychiatric patients, 1973–75 vs 1981–83, longitudinal study, Italy, 22646
depression & neuropsychological performance, depressed vs nondepressed inpatients, 22050
derived estimates of IQ from Luria-Nebraska Neuropsychological Battery, severely disturbed neuropsychiatric patients, 21017
design & function & scope of Psychiatric Patient Advocate Office, Canada, 24358
development & reliability & validity of survey to identify rehabilitation & accommodation needs, long term patients in psychiatric hospital, UK, 13413
development of easy-to-administer WAIS-R short forms for test-retest situations, 22–79 yr old psychiatric inpatients, 18942
development of model of systems approach to treatment, psychiatric patients, 30505
development of 1st stage screening rule, assessment of prevalence of schizophrenia vs affective vs nonaffective neurotic disorders vs antisocial personality in community, 20–59 yr old psychiatric inpatients, Israel, 22119
dexamethasone, levels of plasma corticosterone & cortisol, psychiatric inpatients, 6471
dexamethasone suppression test & cortisol, 16–94 yr old inpatients, 17336
dexamethasone suppression test, diagnosis & prognosis & treatment outcome prediction, psychiatric patients, literature review, 11903
dexamethasone suppression test, diagnosis of agoraphobia as atypical biological depression, 17–83 yr old agoraphobic vs psychiatric vs depressed patients, 1399
dexamethasone suppression test results & diagnosis, hospitalized psychiatric patients, 9273
dexamethasone suppression test, 6–22 yr olds hospitalized in psychopathology unit, 3832
diabetes treatment mismanagement as unconscious expression of transference, 27 yr old ambulatory female & 23 yr old hospitalized borderline female undergoing psychotherapy, 9665
diagnoses & clinical laboratory data, 23–94 yr old male psychiatric outpatients, conference presentation, 21999
diagnoses & length of treatment & mental health status at termination, psychiatric patients aged 17 yrs & younger, 30206
diagnosis & age & sex & education & civil status & occupation, patients hospitalized at psychiatric hospital rehabilitation service, Cuba, 30972
diagnosis &/vs hospital admission by psychiatrist vs nonpsychiatrist, city vs country psychiatric patients, Australia, 1976–78, 2119
diagnosis of conduct disorder & violent behavior, adolescent male hospitalized psychiatric patients, conference presentation, reprint, 30288
diagnostic usefulness of nasopharyngeal EEG recordings, 17–75 yr old psychiatric inpatients, 3914
differences in elevations in K-corrected vs uncorrected MMPI T scores, psychiatric vs medical patients vs nonpatients, literature review, 28964
differences in estimation of symptoms in rating scale for depression, physicians vs depressed inpatients, 22047
differential characteristics, patients in mental hospital vs psychiatric ward of general hospital, 22732
differential response to MMPI scales & subscales, psychiatric inpatients less than 40 vs 40–49 vs over 49 yrs old, 30152
direct participation in cost of psychiatric care, treatment outcomes & benefit to patient, psychiatric patients, recommendations for choice of payment options, 12372
discriminate validity, Psychiatric Diagnostic Interview, medical patients vs psychiatric inpatients vs outpatients, 19973
drawings of self & others in hospital art program, psychiatric patients, 6919
drug-free periods & neuroleptic & antiparkinsonian intake & organicity, tardive dyskinesia, psychiatric outpatients, conference presentation, 22601
drug therapy, countertransference processes, psychiatric patients, 22581
drug usage, 12–17 yr old psychiatric inpatients vs their parents, 27417
due process protections, mental patients & others involuntarily institutionalized, case law, 14347
early intervention in hospital setting, psychotic mothers & their infants, 30956
early intervention system in criminal justice system, deinstitutionalized psychiatric patients under legal arrest, 22660
economic discrimination under Medicare regarding outpatient care, elderly psychiatric patients, 10028
ECT, cardiac function as assessed by noninvasive systolic time intervals, 18–85 yr old psychiatric patients, 28061
educational strategy for marketing & implementation of occupational therapy clinical program for hospitalized psychiatric patients, occupational therapy students, 22811
educator rating scale, assessment of disturbances of intentionality vs group integration, child psychiatric patients, 4996
EEG abnormalities, violent juvenile delinquents vs adolescent psychiatric inpatients, 11873
EEG topography, understanding of drug action in CNS, psychiatric patients, 7227
effectiveness of questionnaire, detection of diazepam dependence, psychiatric outpatients, Czechoslovakia, 6673
effectiveness of WISC-R & Aphasia Screening Test, prediction of overall results of comprehensive neuropsychological evaluation, 8–16 yr old psychiatric patients, 27379
ego development, problematic ward behavior & length of hospital stay & predictive ability of Washington University Sentence Completion Test, 13–28 yr old hospitalized psychiatric patients, 20506
ego development, self esteem, 12–16 yr old diabetic vs psychiatric patients, 6441
emergency care, chronic psychiatric patients treated since beginning of illness in deinstitutionalization era, 18204
empirical correlates of normal & unelevated MMPI profiles, psychiatric inpatients, 30089
endorphins & enkephalins & psychopathology, psychiatric patients, 30119
environmental conditions & intrapsychic variables & duration & perceived intent & expectation, effects of sensory deprivation in psychiatric seclusion vs solitary confinement, patients vs prisoners, 27710
epidemiologic data of general hospital psychiatric outpatient clinic & services population, 13–85 yr old outpatients, 18252

epidemiology of adoption & depression & treatment success, 12–19 yr old emotionally disturbed psychiatric inpatients, 2118
epidemiology of committed suicides in psychiatric hospitals, psychiatric patients, 22715
establishment of residential apartments for chronic psychiatric patients, France, 4601
ethical problems & guidelines in community mental health support programs, chronically mentally ill patients, 15272
etiology, hospitalized patients with coprophagia, 22054
evaluation of organization & objectives & treatment process in occupational therapy on forensic psychiatric unit, psychiatric patients, Canada, 15430
evaluation of social skills training program, 25–41 yr old psychiatric inpatients, 4652
experimental procedures for validation of clinical evaluation, psychiatric patients, 9660
factor analysis of Comrey Personality Scales, psychiatric outpatients, implications for use of tests of normal personality traits with disturbed individuals, 2882
factor structure of Diagnostic Inventory of Personality & Symptoms, psychiatric inpatients, 18991
factor structure of Nurse's Observation Scale for Inpatient Evaluation, assessment of psychiatric nursing practice, short term psychiatric patients vs long term psycho-geriatric patients, Holland, 23425
factors in adherence to psychoactive medications, 18–65 yr old psychiatric outpatients, Israel, 9900
factors in psychiatric treatment of immigrants, illustrative case of 54 yr old Algerian male living in France, 7079
factors related to length of hospital stay & treatment outcome, psychiatric patients, 2096
familial context of crisis intervention house calls made by psychiatrists working for government hospitals, stabilized chronic & psychotic patients, Italy, 30657
family environment & psychiatric diagnosis & demographic variables, relapse & rehospitalization, discharged psychiatric patients, 15392
family participation in residential treatment, patients with anorexia nervosa, 30977
family surrogate or supplemental care & alternative living modalities as alternatives to psychiatric hospitalization, children, 25405
family therapy, long term psychiatric inpatients, comments on article by D. E. Hunter, 15043
family therapy, long term psychiatric inpatients, reply to comments of I. D. Glick & J. H. Spencer, 15050
family therapy, long term psychiatric patients, 15049
feedback about neuropsychological assessment findings, psychiatric patients & their families, 17300
feelings regarding parental role, inpatient schizophrenic Hispanic & alcoholic & suicidal & hallucinating & impulsive fathers in family treatment program, 9196
focal neurologic signs as guide for computerized scans, psychiatric patients, comments on article by E. B. Larson et al, 19872
forensic emergency psychiatry, comment on T. G. Gutheil's commentary on right to refuse treatment case of Rogers v Commissioner, 11673
frequency of abnormal dexamethasone suppression test results, endogenously vs nonendogenously depressed vs nondepressed psychiatric patients, 11971
frequency of violent or fear-inducing behavior associated with psychiatric hospital admission, psychiatric patients, 10113
function of line in freehand drawings, psychiatric patients & art students & artists, 6491
function of social support systems, mentally ill, literature review, 17305
gamma-vinyl GABA, 18–79 yr old patients with neuroleptic-induced tardive dyskinesia, 7164
gratuitousness as positive social measure, psychosocial patients, implications for charging of professional fees, conference presentation, 4770
group activity program for patients & professional staff as means of social restructuring, rehabilitation, chronically hospitalized psychiatric patients, 2081
guidelines for planning & implementation of nontoken behavioral ward management system, hospitalized psychiatric patients, 15398
halopemide, social contact & initiative & activity, 20–65 yr old female psychiatric patients, 9887
health & mental health program service planning & development, chronically mentally ill females, 25384
health care methodology, deinstitutionalized psychiatric patients who had been institutionalized for extended periods, 15273
health care provider awareness of concurrent medical & psychiatric problems & coordination of care, patients being treated in medical & psychiatric outpatient clinics, 28165
high vs low distress, DNA repair in lymphocytes, 19–59 yr old nonpsychotic psychiatric patients, 17374
higher frequency of negative Lewis blood type, psychiatric patients, 17399
historical background & developments in psychiatric day care, 18283
history & activities of patient's rights & ethics committee, psychiatric patients, 25531
history of physical & sexual violence, male & female psychiatric outpatients, 11938
history of political activism, former psychiatric inpatients, US, 30935
history of training in community living program & Wisconsin State Department of Health & Social Services, chronically mentally ill patients, 1972–84, 15264
history of Western treatment approaches & impact of 1981 Omnibus Budget Reconciliation Act & need for asylum, mentally ill patients, 30970
home care by trained nurse vs hospital outpatient service treatment, chronic psychiatric patients, India, 22672
home intervention, parental coping behavior & number of hospital stays, parents & deinstitutionalized patients with chronic schizophrenia, 1-yr followup, 1979
hospital & community mental health emergency triage program, psychiatric patients, 18179
hospital based program offering flexible services & orientation toward deinstitutionalization, psychiatric patients, 28179
hospital staff perceptions of difficult-to-treat patients, 18–57 yr old long term psychiatric patients, 4645
human occupation model, identification of self esteem & locus of control & interests & values & roles & habits & feelings of efficacy, dysfunctional 14–18 yr olds hospitalized with psychosocial problems, 4696
hypnosis as adjunct to psychotherapy, affective development, severely disturbed patients, 20426
hypnotherapy, male psychiatric patients with conscious & unconscious defenses & resistances, 7283
identification of patient characteristics predictive of need for long term care & development of classification instrument analogous to diagnostic related groups categories, VA chiefs of psychiatry & psychology services, 28148
impact of life experiences, chronic mental patients, 1254
impact of previous drug treatment & hospitalization & possible neurological disorder, motor disorders, 54–87 yr old psychiatric inpatients, 22013
implementation of 5th amendment privilege of right to remain silent, psychiatric patients with mean age of 32.6 yrs under emergency commitment provisions, 4661
importance of communication & informed consent regarding neuroleptic-induced dyskinesia, clinicians & their patients on drug therapy, 1941
incidence & causes of overweight & obesity, psychiatric & mentally retarded patients, implications for prevention, 27234
incidence of abnormal neurological findings, hospitalized psychiatric patients, 30483
incidence of assaults in psychiatric vs nonpsychiatric hospital, surveyed hospital staff, 2112
incidence of phencyclidine intoxication & clinical pattern & treatment course, involuntary psychiatric patients, 9255
incidence of physical disorders, outpatients of general hospital psychiatric clinic, 28138
incidence of serum antibodies to neurotropic viruses, 15–96 yr old psychiatric patients, 22065
indications & usefulness of sodium amytal interviews, 9–12 yrs old psychiatric inpatients, 24732
indications for psychiatric home treatment, 25441

influence of legal & consumer perspectives on deinstitutionalization of mentally ill, 22677
informed consent & access & release of medical records, psychiatric patients, 15363
interpersonal relations, hospitalized mentally ill children, 20527
interrater reliability of N. J. Andreasen's thought & language & communications disorder scale vs Brief Psychiatric Rating Scale, psychiatric inpatients & patients with schizophrenia vs affective illness, 28941
interrater reliability of translated version of Paykel's stressful life events scale, 21–63 yr old psychiatric patients, Italy, 13392
interview & role reversal psychotherapeutic techniques, self perception & body image, overweight nonpsychotic psychiatric patients, 20317
kibbutz community-based aftercare program, psychosocial adjustment & recidivism & rehospitalization, 38 yr old female chronic psychiatric patient, Israel, 12666
knowledge of acquaintance or relative having attempted or committed suicide as risk factor, psychiatric patients hospitalized for attempted suicide vs suicidal ideation, 1413
lecithin & piracetam, 64–81 yr old psychiatric patients with dementia, 9909
legally mandated deinstitutionalization & contemporary interpretation of artwork & nonverbal expression, psychiatric patients, Italy, 6470
level of aspiration & motor task performance, male chronic psychiatric inpatients, 20523
liability in cases in which prisoners or patients under psychiatric care were released & subsequently killed or injured 3rd parties, case law, 27048
liability suits brought against state facilities & officials, mentally ill persons, case law, 27053
limitation of right to refuse medication, committed psychiatric patients, case law, 1036
limitations of emergency shelters in meeting needs of mentally ill, implications for deinstitutionalization, 22643
lithium citrate with vs without neuroleptics &/vs tricyclic antidepressants, renal function & lithium ion clearance, psychiatric patients, 27977
lithium, thyroid function & antithyroid antibodies, psychiatric patients, 7216
long-latency event-related potentials, assessment of cognitive function, 10–17 yr old psychiatric & 6–16 yr old pediatric inpatients, 3784
madness as dominant ritual symbol of crowd & dynamics of long term ward, chronically mentally ill clients, implications for psychosocial rehabilitation, 2105
marital quality & utility of Ryle's Marital Pattern Test, 40–49 yr old married female psychiatric patients, 13395
marital status, schizophrenic or alcoholic psychiatric patients, 1236
marriage, couples in which both partners had chronic psychiatric disability, 17421
meals as free time in token economy program, reinforcement for performance, hospitalized chronically mentally ill patients who had previously had meals as token events, 22717
measurement of quantitative criteria, attention & activity, 1.5–11.9 yr old psychiatric patients, implications for differential diagnosis of attention deficit disorder & hyperkinesis, 9193
measurement of smooth pursuit eye movement, psychiatric patients, implications for psychodiagnosis, reply to comments by L. A. Abel, 14658
measures of smooth pursuit eye movement, psychiatric patients, comments on study of L. J. Siever et al, 14568
medical & legal implications of refusal of treatment, involuntarily hospitalized psychiatric patients, 1082
medical & legal issues of physical examinations by psychiatrists, female 35 yr old & male 30 yr old psychiatric outpatients with medical problems, 18349
meditation to assist in remembering rights & privileges, patients in psychotherapy, 20321
mental health legislation, Trinidad vs Tobago vs other eastern Caribbean territories, 27074
milenperone, aggressiveness & side effects, 66–89 yr old nonpsychotic psychiatric patients, 20379
MMPI responses, families of 12–18 yr olds entering psychiatric inpatient vs outpatient services, 17303
model of psychoanalytic hospital treatment based on transference-countertransference paradigms & object relations, 24 yr old female patient, 30947
molindone, elderly patients with psychiatric disorders, 22574
molindone hydrochloride, steady state kinetics & plasma half-life, 32–64 yr old male psychiatric inpatients, 28006
mood states, psychiatric outpatients vs adults referred for evaluation for driving under influence of alcohol, 19879
morbidity rate for mental disorders, 1st-time elderly psychiatric patients, USSR, 17342
more spacious accommodation in psychiatric ward, behavior, geriatric patients, 28169
mortality in mental hospitals, long-stay patients, Netherlands, replication of cohort study by R. Giel et al, 18242
mortality rate, current & former public psychiatric hospital & mental health clinic patients, 27386
multidisciplinary alternative mental hospital program, maladaptive behavior patterns & conflict, adolescent inpatients, 18286
multidisciplinary health care team in rehabilitation program, chronic psychiatric patients, Chile, 28160
multiphase VA domiciliary program, problem behavior, patients being transferred from neuropsychiatric & psychiatric services, 4654
network therapy course, service utilization by client, social networks for 15–70 yr old psychiatric clients, 18202
neuroleptics vs lithium, renal function, 21–71 yr old psychiatric patients, 15204
neurological illness & psychogenic disturbance, child & adolescent neuropsychiatric inpatients, 18246
neuropsychological & academic achievement correlates, statistically abnormal WISC-R verbal-performance discrepancies, 9–15 yr old psychiatric inpatients, 10811
New York State's Rockland County Unified Services, mental health care & services, young adult chronic psychiatric patients, 25381
nonverbal communication techniques, female 28 yr old with history of violent psychotic attacks who had assaulted her mother, 6953
normal bias vs response competition vs distractibility theories & processes & symptoms of thought disorder, 18–59 yr old psychiatric inpatients, 9320
number of previously identified factors, current emotional adjustment, 3.9–13.2 yr olds admitted to therapeutic center, 5–9 yr followup, 1370
nursing approach of behavioral contracting, case illustration of 36 yr old female borderline patients, 10099
occupational therapy in therapeutic community of psychiatric hospital, 15353
ombudsman in mental health, illustrative case examples, Canada, 25671
omission of pelvic examinations & need to conduct complete physical exam, female psychiatric patients hospitalized over 1 yr, literature review, 25357
organizational aspects of psychiatric emergency services & basic principles, psychiatric patients, Romania & France & Holland & US, 12673
origins & impact of deinstitutionalization movement, psychiatric & geriatric patients residing in board & care homes, 25426
origins & impact of deinstitutionalization movement, psychiatric & geriatric patients residing in board & care homes, comment on view of E. W. Markson, 25399
outcome of deinstitutionalization of mentally ill, review of study by H. B. Murphy, 22678
outline of effective community service system for deinstitutionalized chronically mentally ill, 22663
partial hospitalization program, psychiatric patients with minimal brain dysfunction, 18266
paternalistic vs civil libertarian perspectives of nonconsensual treatment, institutionalized psychiatric patients, 25518
patient characteristics, elderly former psychiatric patients consenting to vs refusing catamnestic examination, 7354
patient characteristics, patients in general hospital for whom psychiatric consultation was vs was not requested, 20504
patient competence & informed consent & factors in & functions of treatment refusal, psychiatric patients, 27692
patient population served & services rendered by university hospital's psychiatric inpatient unit, 1971–72, Canada, 7442

patient rights & professional ethics & situational dilemmas in mental health services, psychiatric patients, 25433
patient variables, lithium dosage requirements, psychiatric inpatients, 7203
patterns of alcohol & drug & phencyclidine abuse prior to hospitalization, 18–59 yr old psychiatric patients, 20526
peer review & mental health treatment report, psychotherapeutic processes & confidentiality, psychotherapists & their psychiatric patients, conference presentation, 18355
perceptions of characteristics of psychiatric ward, patients & their relatives, 20515

transference & countertransference in process of assessing emotional disturbance, 4–5 yr olds, 14591
transference phenomenon evolving only between analyst & patient & implications for Freudian psychoanalysis & psychotherapy, criticism of Freud's position, 27840
translation of Lustprinzip as "pleasure principle," implications for Freud's concept, reply to W. I. Grossman's criticism, 26119
unlearned response & developmental need as new motivational concepts of psychoanalytic theory, 50
use of automobile as narcissistic extension of self, 20 yr old White male, 17839
use of "conceive" vs "conception" by Freud vs J. Strachey's translation, 13312
4 contributions to analytical psychology of M. Fordham conveyed in his writings, 30566
Psychoanalytic Therapy [See Psychoanalysis]
Psychoanalytic Training
analogies in training, Western psychotherapists vs Xhosa healers, 6189
authoritarianism vs reciprocity in analyst-client & analyst-trainee relationship, 7550
capacity for negative capability in psychoanalytic supervision, 15467
change of intervention strategies during course of training, psychoanalytic therapist, case report, 22829
characterization of organization of psychoanalysis & its training systems in sociological terms, 12862
child analytic training, 1960–85, contributions of M. Fordham, 31048
conception of training as form of apprenticeship, Jungian analysts, 7530
critique of psychoanalysis training system, 18389
deviations in framework of analytic relationship, analytic process, analysts in training, 4767
elements in training of psychotherapists that form basis of psychoanalytic training, 15550
fragmented & pragmatic approach to training, Jungian psychotherapists, 7547
framework of training analysis, criticism of R. Langs's study, 4787
idealization of teaching psychoanalyst & psychoanalysis, psychoanalytic training, psychoanalytic candidates, 20611
Jung's concept of individuation & training of Jungian psychotherapists, 7516
negative supervisory reaction in psychoanalytic training, supervisees, 20599
parataxic interference in supervisory relationship, psychoanalytic supervisor & supervisee, 10208
positive aspects of Jung's concept of shadow & training of analytical psychologists, 7514
power & imposturous candidate in psychoanalytic supervision, psychoanalytic trainee, 28304
psychiatry & psychoanalysis & admission of nonmedical candidates to psychoanalytic training, comments on article by M. Sabshin, 25623
psychoanalytic research in psychoanalytic training, 2826
psychoanalytic setting & transference & countertransference & training analysis, conference presentation, 27808
psychotherapeutic treatment of psychosis & analytic training, 7529

regression & fantasies of persecution during psychoanalytic training, analyst trainees, 15470
theory & practice of psychoanalytic supervision, M. Fordham, 31093
training in child analysis, complement to training for work with adults, support for work of M. Fordham, 31037
Psychobiology
biological criteria for depression syndromes, 6489
biological revolution in psychiatry, Latin America, 25023
biopsychosocial model of compulsive drinking, alcoholics, 22194
combination of ethological & behavioral perspective of learning, 21181
combined psychobiological treatment, encopresis, 3–13 yr olds with no emotional problems vs family problems vs neurological deficits, 15098
historical & philosophical bases of psychobiology, reprint of W. Muncie's article, 25067
neuroendocrine & hormonal & immunological processes & mediation of psychological factors, psychobiological model of cancer, 12258
non-reductionist ethology & approach to biological foundations of psychological processes in comparative psychology, 28855
psychoanalytic vs biological diagnosis, endogenous depression, 3826
psychobiological factors & treatment, anniversary reactions, 21–79 yr old patients, 14818
psychobiological relationships between anxiety & depression & stress, 30230
psychosocial & behavioral & biomedical dimensions of etiology & pathology & clinical course of malignant neoplasms, 12161
statements & quotes from A. Meyer on psychobiology, implications for conceptual foundation of occupational therapy, 25556
stress & behavior patterns in psychobiological model of cancer, 12204
Theravade Buddhism & its school of Vipassana meditation & psychobiology of W. Reich, 18834
work of H. S. Liddell in psychobiology, 23777
Psychodiagnosis [See Also Psychodiagnostic Interview]
ability to accurately diagnose temporal lobe epilepsy, clinical psychologists, 27547
actuarial decision theory & DSM-III method of diagnosis, 1242
adult vs adolescent vs mixed interpretive approaches, clinical accuracy ratings of MMPI protocols, 12–18 yr old inpatients rated by clinicians, 2883
age & standard weight & episodic duration & age at onset & family variables & sexual history factors as distinguishing characteristics, females over age 18 classified as low vs normal weight bulimics vs restrictive anorexics, 20168
age of onset as major diagnostic criterion in DSM-III, 3.8–30.2 yr olds with pervasive developmental disorder, 11898
animist vs monotheist-cohesive vs individualist vs technological-individualist types of cultures, symptoms & diagnosis of depressive disorders, 1337
anxiety & incidence & nature of panic, 20–67 yr old patients, 1256
application of DSM-III Axes IV & V in hospital psychodiagnosis, psychiatric emergency patients, Italy, 22729
application of exploratory statistical methods to language pathology & diagnosis, 19–93 yr old acute stroke patients, 19011
application of K. Schneider's 1st-rank symptoms, diagnosis of schizophrenia, patients at university neurology clinic, 9298
apprehension of estimation & need for social approval in psychological diagnosis, psychiatric patients & their psychologists, 14925
assessment & identification of problem drinking, counselors, 22177
assessment & treatment technique, alcoholism, 31010
assessment of anxiety & anxiety disorders & use of behavioral testing, 22087
assessment of depression & anxiety using instruments varying in emphasis on physiological & behavioral items, 18–79 yr old chronic dialysis patients, 7334
assessment of sexual problems, couples, treatment implications, 1664
attempts to develop behaviorally defined criteria for insanity defense, 29890
autogenic or stimulus-independent stories as instruments for dynamically oriented clinical assessment, children, 19873
automated version of Bipolar Psychological Inventory, 16106
behavior model of paranoid behavior & relevant DSM-III diagnostic categories, 27307
behavioral assessment & psychiatric diagnosis & use of DSM-III, 14551
behavioral performance tests, assessment of solvent toxicity to nervous system, humans, conference presentation, literature review, 30393
Bender Visual Motor Gestalt Test for Young Children, psychodiagnosis of brain disorders, children with neurological diseases & learning disabilities, 4127
biochemical theory of etiology & current approaches to psychodiagnosis & treatment, schizophrenic patients, 27262
blood adenosine phosphate acid levels after chlorpromazine vs psychopathological symptomatology, diagnoses of psychoses vs personality disorders vs alcohol & drug abuse, psychiatric patients, conference presentation, 14554
Boolean Factor Analysis as alternative to empirical identification of psychopathological syndromes, comments on article by A. C. Weber & C. Scharfetter, 19999
borderline diagnosis & integration of self, comments on paper by A. Mitchell, 30174
canonical analysis of MMPI clinical & validity scales & WAIS subtest scores, psychiatric patients, diagnostic implications, 9213
causes & diagnosis of psychiatric morbidity in cancer patients, implications for training of doctors & nurses, 12238
causes for conflicting expert opinions in psychiatric testimony, 29862
certification of legal insanity & legal innocence & family & marital law, Spain, 11644
child molestation case of Neaveill v Indiana & claim for jury instruction regarding mental examinations, defendant & her husband & daughter, 24328
Children's Apperception Test, psychodiagnosis, 3–10 yr olds with low SES in psychological treatment, 6447
clarity of request for psychiatric consultation, type of psychiatric diagnosis, medical patients, 22004
classical vs sequential discriminative analysis, differentiation of 2 populations & their diagnostic traits, suicide attempters vs normal adults, 16194
classification of mental disorders based on videotaped consultations, general practitoners, 17367
clinical & behavioral features as diagnostic criteria, personality disorders, conference presentation, 27329
clinical characteristics & somatic symptoms, 6–12 yr olds with possible somatization disorder vs anxiety or affective disturbance vs conduct disorder, 22297
clinical features & suggestions for treatment, alexithymia, 3875
clinical nature & detection of psychiatric disorders, alcoholic vs nonalcoholic patients with liver disease, 6753
clinical role in chronic pain treatment & diagnosis, clinical neuropsychologists, 27667
clinical significance of DSM-III diagnosis of alcohol abuse vs dependence, male alcoholics with mean age of 47 yrs, 12107
clinical utility & validity of psychological inventory of personality & symptoms, measurement of psychopathology based on DSM-III criteria, 20–66 yr old psychiatric patients, 18992
cognitive ability & adaptation problems, 12 yr old female, psychodiagnostic implications, 6454
cognitive functioning & dexamethasone suppression tests as markers for depressive subtypes, patients with depression vs dysthymia vs schizoaffective disorder, 30221
cognitive intervention with A. A. Lazarus's BASIC ID approach to psychodiagnosis, counseling implications, 10052
cognitive-perceptual method for interpretation of early memories, psychodiagnosis & psychotherapy, 17776
Collaborative Drawing Technique, psychodiagnosis, families, 16179
comparison of 4 sets of diagnostic criteria, depressed 6–12 yr olds, 6579
computed tomography test results vs neuropsychological test performance, diagnosis of brain impairment, 9–15 yr old psychiatric patients, 22135
computer-assisted assessment in marital & family therapy, 27856
computerized clinical psychological test interpretations, 19878
concept of legal insanity & need for revised definition by psychiatric & legal experts, Spain, 29904

conceptual & methodological & clinical considerations in assessment of anxiety disorders, 22136
conceptual & procedural aspects & psychological standards, psychological assessment in personal injury litigation, 24412
confidence ratings of clinical judgments & diagnosis based on psychological tests or methods, clinicians, 18367
considerations in diagnosis, mania, conference presentation, 14618
construction of M Test, measurement of malingering, college students vs schizophrenic patients, 10784
content & scoring & reliability & validity of Kendrick Battery for Detection of Dementia in Elderly, differentiation between depression & dementia, aged, 5300
coping skills model for diagnosis & treatment of mental disorders, 30124
court opinion on rights to psychiatric examination, defendants, 24331
criteria for diagnosis of pathological gambling, 14697
cross validation of instrument for determination of control anxiety, paranoid schizophrenic 23–55 yr olds, 5339
current approaches to etiology & diagnosis & treatment of learning disabilities, children, 30317
cutoff scores & Connors 10-item Abbreviated Teacher Rating Scale, diagnosis of attention deficit disorder with vs without hyperactivity, 2nd & 3rd grade teachers, 1-mo followup, 15946
definitions & diagnostic criteria of obsessive compulsive disorder, female & male illustrative case examples, 17362
delusions & diagnosis, 18–59 yr olds with manic depressive psychosis & coexisting paranoid symptoms, 11–15 yr followup, 27315
demographic factors & psychiatric diagnosis & competency to stand trial & prediction formula, defendants, 24392
description of pseudoborderline syndrome, 17394
determination of criminal vs diminished responsibility, criminals, 1977–81, Portugal, 29896
development of forced-choice questionnaire, measurement of schizophrenia, adult patients, 16119
development of reactive computer dialog systems for psychodiagnosis, comments on article by S. S. Lavrov, 5264
development of screening procedure, psychodiagnosis of somatization disorder, female psychiatric outpatients, conference presentation, 6829
development of short neuropsychological screening battery, identification of cerebral dysfunction, brain damaged vs normal 9–14 yr olds, conference presentation, 5329
dexamethasone suppression test results & diagnosis, hospitalized psychiatric patients, 9273
dexamethasone suppression test vs DSM-III in diagnosis of dysfunctional cognitions, endogenous vs nonendogenous depression, depressed inpatients, 30247
dexamethasone suppression test vs DSM III vs Newcastle scale vs scale by M. Feinberg & B. J. Carroll vs Research Diagnostic Criteria, diagnosis, patients with endogenous depression, 1404
dexamethasone suppression test vs thyrotropin releasing hormone test vs Newcastle II depression rating scale, diagnosis, depressed patients, 14622
diagnoses of schizophrenia using 1st vs 2nd rank symptoms, hospitalized patients, 6556
diagnosis & characteristics, anorexia nervosa vs bulimia, 19–35 yr old female patients, 20124
diagnosis & classification of co-morbidity & depression, patients with anxiety disorders, 17307
diagnosis & classification of generalized anxiety disorder, 20–67 yr olds complaining of anxiety, 14571
diagnosis & treatment from psychoanalytic-developmental perspective, 18 yr old female with borderline states & cardiac involvement, 4307
diagnosis & treatment of enuresis & insomnia, literature review, 6842
diagnosis & treatment, 41 yr old female with affective disorder with psychosis & borderline & avoidant & schizotypal personality disorders, 24619
diagnosis & treatments involving EEG biofeedback for attention deficit disorders, 11 yr old male, 14866
diagnosis according to DSM-III nomenclature on 5 axes, 18–69 yr olds with chronic pain, implications for concept of psychogenic pain disorder as variant of depression, 24668
diagnosis in psychiatry, 9655
diagnosis of borderline personality disorder, 9226
diagnosis of borderline personality disorder & overlap with schizotypal disorders, 22040
diagnosis of borderline personality, reply to comments by J. Lerner, 30187
diagnosis of catatonia in schizophrenia & bipolar disorder, DSM III implications, 11995
diagnosis of conduct disorder & violent behavior, adolescent male hospitalized psychiatric patients, conference presentation, reprint, 30288
diagnosis of conversion hysteria, children & adolescents, 19951
diagnosis of covert complex partial seizures simulating psychiatric symptoms in psychotherapy, males in 20s & 30s, 22419
diagnosis of depression, children, 12025
diagnosis of depression, outpatients seeking care at primary medical care & community mental health centers, 12003
diagnosis of mental disorders & stereotypes of symptomatology, psychiatrists & psychologists & social workers, US vs Turkey, 11922
diagnosis of narcissistic personality disorder using DSM-III vs system of O. Kernberg vs system of S. Akhtar & J. A. Thompson, 24706
diagnosis of psychopathology from paintings by acutely ill hospitalized mental patients vs hospital staff workers & students, professional vs student mental health workers vs adults with no mental health experience, 24726
diagnosis of secondary depression, major depressive vs nondepressed vs dysthymic schizophrenic vs major depressive patients, conference presentation, 30092
diagnosis-related group vs community support maintenance organization models of mental hospitalization, 20481
diagnosis-related groups & costs & quality of mental health services, 20570
diagnosis using MMPI & therapy, 20–54 yr old alcoholic inpatients, 20556
diagnostic & demographic characteristics, defendants with repeated competency to stand trial evaluations, 17124
diagnostic & therapeutic value of Draw-a-Person vs Kinetic Family Drawings tests, illustrative case of 11 yr old male recovering from viral encephalitis, 2864
diagnostic complexities, psychogeriatric hospital admissions, 60–96 yr old geriatric patients, 22009
diagnostic criteria & reliability & validity of DSM-III anxiety disorders, 22031
diagnostic criteria & sex ratio & prevalence rates of dysphoric mood vs brief vs extensive depressive episodes vs major depression, 19–20 yr olds, Switzerland, conference presentation, 3805
diagnostic criteria & validity of DSM-III, depression, children, 1281
diagnostic criteria for aggressive conduct disorder, male 5–15 yr olds vs female child & adolescent patients, 22188
diagnostic distribution of occupational disability welfare applications, patients referred for psychiatric evaluation with schizophrenia vs mania vs depression vs undiagnosed psychosis, 14628
diagnostic homogenization, small group of psychotic patients, implications for treatment, 9793
diagnostic patterns before & during & after acceptance of lithium as therapeutic modality, schizophrenia & affective psychosis, 1967–77, Australia, 9318
diagnostic process of counseling, 28127
diagnostic profile of borderline syndrome & trends in treatment outcome, hospitalized children, conference presentation, 1260
diagnostic thresholds & definitions of mental illness in legal context, 17105
diagnostic utility of autonomic nervous system measures, assessment of unipolar depression, hospitalized patients with mean age of 63.8 yrs, 22041
diagnostic validity of Picture Projective Test vs TAT, depressed vs psychotic patients, 2915
diagnostic value of Meyer-Probst Encephalopathy Questionnaire, children with behavior disturbances, 5312
differential diagnosis & systematic psychiatric evaluation, 20 & 35 yr old females & 40 yr old male suspected of self injury, 30275
difficulty in detection of affective disorder, developmentally retarded 34 yr old male, 17529

difficulty in diagnosis of depression & anxiety, chronic dialysis patients, comments on N. G. Kutner's view, 28079
distinguishing of organic from psychogenic disorders, nonmedical psychotherapists, 24940
Draw-A-Person test, assessment of impulsivity, adolescents, implications for juvenile delinquency, 9398
drug induced dysosmia & dysgeusia presenting as depression, 45 & 71 yr old females, 1931
DSM-III criteria in psychiatric diagnoses in Manhattan State Hospital, criticism of article by A. A. Lipton & F. S. Simon, 24585
DSM-III criteria in psychiatric diagnoses in Manhattan State Hospital, reply to criticisms by H. Ford, 24602
DSM-III diagnosis & firesetting, child firesetters & psychiatric outpatients with mean ages of 9.4 & 9.9 yrs, 1426
DSM III vs checklist criteria of R. L. Spitzer et al vs Diagnostic Interview for Borderline Patients, diagnosis of borderline personality disorder, 17–45 yr old patients, 1343
EEG & pneumoencephalographic examinations, 4–62 yr old patients with psychoorganic syndromes, 27497
effect of prelingual deafness on development & personality & communication & cognition & socialization, diagnostic evaluation, deaf patients, 27628
effectiveness of Hutt adaptation of Bender Gestalt Test Configuration Scale, identification of emotional disturbances, male 13–16 yr olds, 2895
efficacy of Mini-Mental State & General Health Questionnaire for psychiatric assessment, patients with breast cancer, 13386
enlargement of brain lateral ventricles, clinical response to haloperidol vs thioridazine & psychopathology scores from rating scales, schizophrenic & schizoaffective psychotic patients, 9944
ethics & evaluation of psychiatric patients & psychiatry students & peer's psychiatrists, conference presentation, 2221
etiology & diagnosis, factitious physical & psychological symptoms, 26–56 yr old patients with severe personality disorders & schizophrenia, conference presentation, 1272
evaluation of sexual behavior patterns as diagnostic technique, 13–23 yr old females with eating disorders, 14848
examination of commitment certificates as indicator of insight into etiology of psychiatric disorders, family doctors, 19th century, Italy, 7942
existence & incidence of erotomania, comments on P. Ellis & G. Mellsop's assertions, 14641
factor structure & recommended uses of Symptom Check List-90-R, clinical assessment, literature review, 16129
factor structure of Diagnostic Inventory of Personality & Symptoms, psychiatric inpatients, 18991
false negatives on MacAndrew Alcoholism Scale & elevated repression scores, measurement of addictive personality, male chronic alcoholics vs drug addicts, 28937
family history & subsequent schizoid personality & diagnosis validity & symptoms, 5–14 yr old males with schizoid personality, 10-yr followup, 1402
family history of alcoholism as validating factor in diagnosis of neurotic reactive depression, 30–50 yr old female patients, 9358
family history vs study data collection methods, estimation of familial rates of affective disorder, major depressive & manic & schizoaffective patients, 27260
feasibility of computer administered individualized MMPI, patients at health maintenance organization, 8026
feminist perspective on assessment & goal-setting & intervention & effectiveness evaluation in sex therapy, heterosexual couples, 15047
fictional psychological evaluation report by Christian psychologist, 23 yr old suicidal Black male, 17449
frequency & pathognomonic value of K. Schneider's 1st rank symptoms, hospitalized psychiatric patients with diagnosis of schizophrenia vs endogenous depression vs mania vs unclassifiable vs organic psychosis, 1328
functional assessment tool, Alzheimer's patients, 9601
generalization of Posttraumatic Stress Disorder MMPI subscale, former World War II prisoners of war from Pacific vs European theater, 19974
Hamilton Rating Scale for Depression vs Carroll Rating Scale for Depression, 13–18 yr old patients with melancholic major depression, 5280
handwriting analysis, diagnosis of narcotic addiction during narcotic intoxication vs "narcotic hunger", addicts in psychiatric treatment, 15455
health check-ups by public health nurses, diagnosis & prevention of mental disorders, 5 yr olds, Finland, 12324
higher court approval of lower court decisions compelling physician to submit to mental examinations of fitness to practice, 24352
historical & theoretical & economic & social factors, frequency of psychiatric diagnosis, implications for 3rd party insurance & malpractice & peer review processes, 18412
historical shifts & current state of psychiatric diagnosis & clinical assessment, 22012
home environment & family structure & DSM-III diagnoses, preschool age children referred to child development unit, 24594
Horneyan theory of subjective experience of integrated self & diagnosis of borderline disorders, 6561
hospital mandate for psychiatric consultation, identification of psychiatric problems, patients referred for assessment of capacity to execute informed consent, 15393
human & computer information processing, clinical judgment & diagnosis, hypothetical schizophrenic male, 12310
hypnotherapeutic interspersal technique & multilevel family systemic treatment, diagnosis of secondary impotence, 42 yr old male, implications for eclectic orientation of family therapists, 25180
identification & family therapy & other treatment methods, borderline personality disorder, 1755
identification & management of depression, nonpsychiatric patients receiving medical care, implications for social workers, 18229
impact of familial history of affective illness, diagnosis of schizophrenia, comment on findings of K. S. Kendler et al, 30149
impact of familial history of affective illness, diagnosis of schizophrenia, reply to comments by C. Hayward, 30159
implementation of ideographic psychological instrument using microcomputer, 9192
incidence & diagnosis of depression, 6–17 yr old children of patients with bipolar depression, 14598
incidence & diagnosis of manic depressive illness, Black hospitalized psychiatric patients, 19958
influence of sexist attitudes in judgment of self dramatization behavior, hospital personnel viewing videotaped vignettes of male vs female actor & psychiatrist, 14659
informal psychological structure of human-computer dialog, psychodiagnosis, comments on article by S. S. Lavrov, 5268
instruction-set, attitudes measured by questionnaire on sex-role stereotyping in clinical functioning, psychiatrists & psychologists & social workers, replication of study by I. Broverman et al, 4779
integration of gender-role analysis into psychological assessment, 27278
internight variability of REM latency, female vs male 19–69 yr olds with major depression, implications for use of REM latency as biological correlate, 30085
interpretation of Rorschach protocols in diagnosis of psychoses, 17331
issues in diagnosis & treatment of Axis II personality disorders, literature review, 9352
legislative view of medicare vs diagnosis-related groups payment system of medical costs, 20468
Levine-Pilowsky Depression Questionnaire vs diagnosis based on Research diagnostic criteria vs DSM-III, diagnosis of depression, referrals to psychiatric liaison service following parasuicidal act, 17407
Levine-Pilowsky Depression Questionnaire vs DSM-III, assessment of depression, psychiatric inpatients, 5292
limitations of self report rating scales, diagnosis of depression, 14652
Manic Diagnostic Severity Scale, diagnosis & state measurement & prediction of lithium treatment response, 23–74 yr old manic vs other psychiatric patients, 6597
McGill Pain Questionnaire vs MMPI vs SCL-90-R vs State-Trait Anxiety Inventory vs rating scale, assessment of anxiety & depression, chronic pain patients with mean age of 45.6 yrs, 129
measurement of verbal vs spatial memory span & long term memory, brain impaired vs unimpaired medical patients, 1632

methodological psychology related problems in reactive computer diagnosis, personality types, 5247
Mini-Mental State Examination, measure of mild cognitive dysfunction, patients assessed before & after coronary artery bypass surgery, comments on use of test in work by A. M. Freeman, 15261
misdiagnosis of Crohn's disease as anorexia nervosa, 15 yr old female, 20243
MMPI critical item list, differentiation of borderline personality disorder from other personality disorders, 24–47 yr old psychiatric patients, 3911
MMPI profile vs Millon Clinical Multiaxial Inventory, diagnosis of personality disorder, Worker's Compensation patients, 10776
MPPI 24/42 code & code type & Millon Clinical Multiaxial Inventory high point codes, identification of & discrimination among personality disorders & clinical syndromes, patients, 8048
multidimensional assessment, predisposition for psychosis, adolescents, 9274
Munchausen's syndrome & other factitious illness, implications for treatment & prognosis, literature review, 20146
nature & diagnosis of psychopathology, mentally retarded 14–67 yr olds, 17524
need for consideration of cultural context in diagnosis & treatment, 32 yr old paranoid Indian physician, 12023
need for cross cultural diagnostic system, reply to criticism by H. Schwartz, 22141
need for psychiatric consultation in treatment, primary care patients with somatization disorder, 25362
need for psychiatric evaluation of suicidal characteristics, first admission patients in alcoholism treatment program, comment on findings of M. Berglund, 2180
neuropathology & accuracy of clinical diagnosis of dementia, patients 59–95 yrs old at time of death, 27630
new knowledge & sectarianism & differential classification schemes as sources of instability, psychiatric diagnosis, 20277
occurrence of psychiatric disorders & protracted symptoms, 19–37 yr old cocaine abusers, 22157
onset of schizophrenia diagnosed as neurosis, patients with schizophrenia, 27350
Organic Brain Damage Rating Scale to assess psycho-organic brain syndrome, 18–56 yr old patients, 20174
parent & teacher ratings of stress response patterns & psychiatric evaluation of DSM-III childhood disorders as criteria, validity of Stress Response Scale in diagnostic assessment, 5–14 yr olds with possible emotional disorders, 2876
parent-child agreement on presence & severity of child psychiatric symptoms, 6–18 yr olds & their parents, 22044
personality characteristics & assessment of risk for successful suicide, 6672
Personality Inventory for Children—Revised & age & developmental status, identification of cognitive impairment, 3–5 yr olds vs 7–13 yr olds referred for suspected learning problems, 28934
phenomenological criteria & psychiatric diagnosis, as-if personality disorder, 29 yr old female & 27 & 35 yr old males, 22052
positive vs negative findings on neurological examination & cognitive deficit compensation differences, performance on summary & localization scales of Luria Nebraska Neuropsychological Battery, patients with brain disorders, 12247
posttraumatic stress disorder & research validity gaps in DSM III, 1302
potential for misdiagnosis & treatment difficulties due to interaction of DSM-III Axis I & II disorders, 3 illustrative case examples, 19935
potential problems in use of Present State Examination in multicultural context, 8045
predictive validity & reliability of Three Ratings of Involuntary Admissibility, application of involuntary admission criteria in psychiatric emergency rooms, psychiatrists & nurses & social workers & 14–87 yr old patients, 165
presentation of vignettes from DSM-III casebook, agreement on diagnosis & treatment & referral, psychiatrists vs clinical psychologists vs social workers, 30165
presenting clinical symptoms & treatment, 25 yr old female with delusion that she was reliving her life, conference presentation, 24695
prevalence of Capgras syndrome vs delusional misidentification, hospitalized psychiatric patients, 14664
prevalence of DSM-III conduct & adjustment disorders, 9–18 yr old psychiatric inpatients, implications for diagnostic decisions & hospitalization, 28150
prevalence of major depression & usefulness of dexamethasone suppression test & thyrotropin-releasing hormone stimulation test in diagnosis, 20–86 yr old gynecological cancer patients, 22249
problems & limitations in psychiatric diagnosis, 8–17 yr old refugees, Indochina, 17730
problems in diagnosis of psychopathology, children, 11917
problems in DSM-III framework & suggestions for improved diagnostic criteria for dementia, 30415
problems in evaluation of psychological development, children, Mexico, 27256
problems posed by & diagnostic criteria for & treatment of Munchausen's syndrome, 27352
proportional volume & characteristics & disposition, patients referred by police for psychiatric evaluation in hospital emergency room, 28182
prospective payment relying on diagnosis-related groups & delivery of mental health services in Veterans Administration, 20485
psychiatric assessment, children under 6 yrs of age in day care center, 4-yr longitudinal study, 27248
psychiatric clerkship, attitudes & therapeutic approaches toward & diagnostic assessments of mental health patients, 25–28 yr old medical students, 22851
psychiatric diagnosis & intellectual functioning & academic achievement, emotionally disturbed inpatients vs special education students with mean ages of 115 vs 97.9 mo at time of admission, 22023
psychiatric diagnosis & prognosis, 18–80 yr old problem medical patients, 30439
psychiatric diagnosis across cultural boundaries, 1398
psychiatric diagnosis across cultural boundaries, comment on article by J. Westermeyer, 22115
psychiatric diagnosis, educational placement, inpatient vs outpatient children & adolescents, 24609
psychiatrist's role in assessment & treatment & as advocate, mentally retarded children & their families, 27810
psychoanalytic & systemic approach in familial evaluation, child psychiatry, 9679
psychodiagnosis & puppets in therapy, 5–11 yr old males, 1778
psychodiagnosis & use of psychotropic drug therapy, aggressive behavior, psychiatric & mentally retarded patients, 22592
psychodiagnosis of positive symptoms of schizophrenia, 12001
psychodiagnosis, psychiatry, 9640
psychodiagnostic interview & Schedule for Affective Disorders, diagnosis of simultaneous panic & depressive disorder, 22–62 yr old patients, 6514
psychodiagnostic test administration & interpretation as defined by legislation, involuntarily admitted psychiatric patients & females requesting abortions & patients with drug-related problems, Italy, 9188
psychodynamics & symptomatology & treatment, depression, 9684
psychological & demographic assessment, sexually abused 3–16 yr olds, 30290
psychological & social development & trends in diagnosis & treatment, children & adolescents with emotional disturbances, conference presentation, 20269
psychological assessment in standard health examination at child health centers, 5 yr olds, Finland, 20450
psychological assessment of neurosis, legal proceedings related to insurance claims & pension schemes & war victims, 9239
Psychological Screening Inventory, assessment of potential psychological maladjustment, 18–36 yr old male prisoners vs those transferred to mental hospitals, 15429
psychometric assessment & differentiation of behavioral variables & alexithymic characteristics, patients with irritable colons & duodenal ulcers, 27576
psychometric characteristics of schizophrenia & mania & schizotypal & narcissistic & borderline personality disorder categories of DSM-III, 15–29 yr old long term psychiatric inpatients discharged for 1 yr, 10774

psychopathic deviate scale 4 of MMPI & structured diagnostic interview, behavioral diagnosis of antisocial personality, military offenders, 9413
qualitative analysis of Benton Visual Retention Test scores, psychopathological diagnosis, neurotic & demented & schizophrenic & depressed patients, 1364
rating scales, assessment of childhood hyperactivity, clinical & research applications, literature review, 8042
ratings of factors that determine length of psychiatric hospital stay, psychiatrists vs psychologists vs social workers vs nurses vs administrators, implications for diagnosis, 30964
reactions to process of trial & conviction & incarceration as similar to stages of dying, prisoners, implications for assessment, 18294
reification process in psychodiagnosis & treatment, 1688
relevance of multiple criterion screen, female vs male 14–16.6 yr old students, 19971
reliability & factor analysis of H. Cleckley's criteria, identification of psychotherapy, institutionalized mentally ill offenders, 10787
reliability & validity & factor structure of revised Wechsler Memory Scale & subtests, identification of memory disorders, college students & general medical & alcoholic patients with organic brain syndrome, 2896
reliability & validity of Cognitive Capacity Screening Examination, identification & diagnosis of delirium & dementia, 16–75 yr old psychiatric patients, conference presentation, 5287
reliability & validity of Spanish translation of Physical Anhedonia Scale, detection of predisposition to schizophrenia, 19–23 yr old females, Spain, 10833
reliability of Axes I & II of DSM-II & DSM-III, psychodiagnosis, child psychiatrists & clinical child psychologists, 11878
reliability of axis V of DSM-III & effects of psychiatric diagnosis & age & ethnicity & marital status & sex, 20–60 yr old psychiatric inpatients, 27296
reliability of Clinical Analysis Questionnaire, simultaneous assessment of normal & pathological traits, 16189
reliability of psychiatric diagnosis in emergency room, patients subsequently hospitalized, 2099
reliability of signs & symptoms in assessment of schizophrenia, conference presentation, 3803
reliability of standard psychiatric rating scales of mood & affect, 18–44 yr old male schizophrenic inpatients, 8058
repertory grid technique vs clinical methods, assessment of family structure, comments on study by A. Karastergiou-Katsika & J. P. Watson, 25168
repertory grid technique vs clinical methods, assessment of family structure, reply to comments by R. Bryant, 25206
repertory grid technique vs family assessment scale, assessment of family structure & interaction, families of nonpsychotic psychiatric inpatients, 25188
Research Diagnostic Criteria endogenous scores vs dexamethasone suppression test vs family history of depression & alcoholism, depressed patients, 30245
Research Diagnostic Criteria vs J. C. Nelson & D. S. Charney's criteria for endogenous depression vs DSM-III melancholia, analysis of EEG sleep data & clinical characteristics, patients with primary unipolar depression, 3867
responses of "I don't know" for Mini-Mental State Examination, elderly patients with primary degenerative dementia vs primary major depression, 6464
retest correlations for Rorschach test variables, hospitalized patients with symptoms of depression &/or helplessness, conference presentation, 8074
revised version of Luria-Nebraska Neuropsychological Battery, assessment of cognitive functioning, 49–72 yr old patients with Alzheimer-type dementia vs alcoholic Korsakoff's syndrome, 24868
role of art therapist as diagnostician, implications for education in art therapy, reprint of previously published article, conference presentation, 25081
role of clinical psychoneuroendocrinology in assessment of altered brain-endocrine physiology & psychiatric illness, 20232
role of neurotransmitter receptor activity in etiology & diagnosis & treatment of depression, literature review, 1324
role of psychodiagnosis in education, elementary school students, 2572
role of traumatic imagery in models of posttraumatic stress disorder, reply to criticism by A. P. Haas & H. Hendin, 14577
Rorschach test, discrimination between parenchymal & cerebrovascular forms of dementia, 56–75 yr old patients, 6854
schizophrenia as process vs fixed collection of symptoms, 1351
self injury & diagnostic systems in psychopathology, 27244
sentence completion method, assessment of personality & development & psychopathology, literature review, 16168
separation of organic vs functional patients with combined use of Symbol Digit Modalities Test & Psychiatric-Organic scale of MMPI, 23–75 yr old male brain damaged vs psychiatric patients, Puerto Rico, 19870
serum cortisol & dexamethasone suppression test, diagnosis, psychiatric inpatients with mental disorders, 22091
service delivery paradigm, feedback of psychological assessment findings, 17786
significance of language to group identity & values & psychodiagnosis & psychotherapy, adolescents, 9747
social-cognitive analysis of diagnostic discrepancy & clinical inference, mental health clinicians, 30054
social contacts & confiding relationships & leisure activities as discriminating indices, depressed patients vs controls, 14592
social context of diagnostic procedure, clinical psychologists, 17280
social worker's initial conceptualization of presenting complaints & behavior from minimal information, female 13 yr old crisis, 25454
Spanish translation of scale for assessment of negative symptoms in schizophrenia, 10775
speech pause time & short REM sleep latency & cortisol nonsuppression, evaluation of psychomotor retardation, depressed 21–71 yr olds, 14611
stability of borderline personality disorder, patients, 3-yr followup, 11905
stability of Clifton Assessment Procedures for Elderly, clinical diagnosis, 67–93 yr old females with wide range of cognitive impairments & physical disabilities, 23461
standardized condition vs neutral response option, validity of Clinical Analysis Questionnaire, psychiatrically classified vs normal adults, 21008
statistical base rates vs probability scales vs random assignment, improvement of diagnostic capability of Diagnostic Inventory of Personality & Symptoms, psychiatric patients, 28920
statistical norms & reliability of Children's Depression Inventory, 8–16 yr olds, 16180
structural interviewing & Defense Mechanism Test, diagnosis of personality organization, borderline patients, 3808
structure & reliability & scoring system of German version of Social Interview Schedule, 18943
subjective psychiatric rating scales vs objective cognitive test scores, geriatric patients with dementia being screened for participation in experimental drug trial, 30364
suitability & clarity & clinical usefulness of various axes of DSM-II & DSM-III, clinical child psychologists & clinical psychiatrists, 11877
survey of training practices in psychodiagnostics & psychotherapy, directors of doctoral clinical psychology programs, 2240
symptoms & diagnosis of depression, 7–13 yr olds, Panama, 30107
symptoms of emotional instability & diagnostic categories, patients with borderline disorders, literature review, 1359
systems for diagnosis of schizophrenia, prediction of short term outcome, 11924
test battery scores on depressive symptoms used vs not used for melancholic subtyping in DSM III, patients aged 18 yrs & older with depression &/vs melancholia, implications for differential diagnosis, 14671
test–retest reliability of Schedule for Affective Disorders & Schizophrenia–Lifetime Version, diagnosis of major depression, 20–43 yr old females living near nuclear facility, 26193
theoretical basis for nursing diagnosis, mental health nurses, 22062
therapeutic techniques for occupational therapist's role in assessment & diagnosis, alcohol dependent patients after detoxification, 25604
time between initial psychiatric contact & diagnosis & stability of diagnosis, male vs female patients diagnosed as schizophrenic, 1972–83, longitudinal study, Denmark, 27340
toward diagnostic teamwork, psychologists & psychiatrists, 20567

training affiliation & experience & seniority & classification system used & theoretical orientation, interrater reliability of diagnosis, psychiatrists, Israel, 22840
training in analysis of & diagnosis based on paintings by patients, graduate students of art therapy, reprint of previously published article, 25662
transdisciplinary team process & multimodal assessment, multiply disabled children, 27232
transference & countertransference in process of assessing emotional disturbance, 4–5 yr olds, 14591
traumatic imagery in dreams vs waking states, diagnosis & treatment of posttraumatic stress disorder, criticism of paper by E. A. Brett & R. Ostroff, 14605
types & syndromes of 2nd order, 14567
use of ego-functioning rating scale developed by L. Bellak et al, assessment of self functioning of neuropsychiatric outpatients, neurologists & psychiatrists, 16115
use of EP data in psychiatric treatment & diagnosis, 1682
usefulness of combining Millon Clinical Multiaxial Inventory & MMPI, identification & discrimination of personality disorders & clinical syndromes, 2844
utility of Child Game Participation Questionnaire & Child Behavior Attitude Questionnaire, assessment of gender identify disorders, 8–14 yr old males vs females & their mothers, 23405
utility of ego defense mechanisms, assessment of psychological resilience & personality disorders, middle aged males who were socially disadvantaged in childhood, longitudinal study, conference presentation, 27381
utility of miniworkshop for teaching characteristics of personality disorders, medical students, 20563
utility of MMPI in assessing potential for suicide & substance abuse & violence, psychiatric patients, 26183
utility of MMPI in determining maladaptive personality/coping styles, medical patients, 26237
utility of oddity task in development of screening test to detect school failure, learning disabled 3–8 yr olds, 17507
validity & reliability of Intermediate Booklet Category Test, diagnosis of learning disabilities, 9–14 yr old learning disabled vs regular education students, 26195
validity of clinical & diagnostic history & questionnaires vs psychiatric interview, diagnosis of alcoholism, hospital patients, 12091
validity of DSM-III definition of stressors, posttraumatic stress disorder & avoidance symptoms, patients, 14579
validity of French version of B. Rimland's F2 questionnaire, differential diagnosis, 3–15 yr olds with severe disturbances or Down's syndrome with diagnoses of infantile autism or autism with associated symptoms, 24669
validity of General Behavior Inventory, diagnosis of cyclothymia, 15–21 yr old offspring of bipolar patients, 26222
validity of General Health Questionnaire vs Self Report Questionnaire, assessments of non-psychotic psychiatric disturbance in primary care settings, patients attending primary care units, Brazil, 18964
validity of Geriatric Depression Scale vs Dysthymic scale of Millon Clinical Multiaxial Inventory vs Beck Depression Inventory, measurement of depression, male alcoholic patients, 10842
validity of Kendrick Battery for the Detection of Dementia in the Elderly, elderly patients with dementia vs depression, 13432
validity of Matching Familiar Figures Test vs clinical ratings of behavior, measurement of impulsivity, hospitalized 12.5–17.4 yr old psychiatric patients, 153
validity of psychiatric diagnosis under conditions of patient pain & discomfort & medication, prevalence of psychiatric diagnosis, hospitalized surgical trauma patients, 28180
validity of questionnaire, assessment of depression, clinical patients, 26210
validity of Strub-Black Mental Status Examination vs Wechsler Memory Scale, assessment of memory performance, brain damaged vs routine medical patients, 16176
validity of Symptom Check List-90, assessment of psychosis, male prisoners awaiting trial, Great Britain, 29008
validity of translation of General Health Questionnaire & Clinical Interview Schedule, detection of minor psychiatric disorders, general practice clients aged 18 yrs & over, Italy, 16132
value of DSM-III Axes IV & V, psychodiagnosis, psychiatric inpatients admitted to acute ward, 27368
value of MMPI conversion "V", assessment of psychogenic pain, 18–65 yr old patients with organic vs nonorganic low back pain, 9576
Viennese Research Criteria vs diagnostic practices for depressive vs nonaffective psychotic disorders assessed by LICET system, survey of psychiatrists, France, conference presentation, 24700
WAIS age-decline-resistant vs -sensitive subtests, diagnosis of Alzheimer's disease, elderly patients, 6810
9-dimensional model of psychological assessment, 2846

Psychodiagnostic Interview

client attributes & therapist-client interaction characteristics during 1st interview, continuation of therapy, psychotherapy patients, 6–8 yr followup, 27764
clinical interview procedures, assessment of etiological factors, children at risk for schizophrenia reared in nuclear families vs kibbutzim, Israel, 5-yr followup, 3898
development & reliability of psychiatric interview scale, assessment of interview performance & training, 4th-yr medical students in psychiatry rotation, 158
development & validity & reliability of symptom rating scale, assessment of depression & mixed neuroses in psychodiagnostic interview, 18972
development of Consultation Situations Inventory, assessment of consultant interview skills, graduate psychology students, 12857
development of Role-Taking Interview, assessment of perceptions of social relationships, adolescents in crisis, 11855
direct patient computer interviewing, 11866
discriminate validity, Psychiatric Diagnostic Interview, medical patients vs psychiatric inpatients vs outpatients, 19973
effect of gathering problem-related information in 1st session & patient characteristics & suggestions for facilitation of information gathering, patients with hypochondriacal neurosis or depression or anxiety neurosis, 20310
exploratory intervention based on college adjustment scale, college students, 15882
family mapping as clinical informational tool, 26 yr old female & 37 yr old alcoholic husband, 2196
feelings & attitudes toward psychodiagnostic interview administered by lay interviewers, normal 9–18 yr olds, implications for epidemiological data research, 24201
feelings about client-centered therapy interviews in workshop with C. Rogers, participant, 9749
feelings about client-oriented therapy interviews in workshop with C. Rogers, participant, comments on article by S. Slack, 9744
indications & usefulness of sodium amytal interviews, 9–12 yrs old psychiatric inpatients, 24732
informing clients of limitations of confidentiality, disclosure in clinical interview, single mothers, replication & extension of findings of I. Muehleman & M. W. Haut, 25121
initial screening interview, therapeutic potential & admission decision, applicants to treatment programs for pathological gamblers, 15394
interview & role reversal psychotherapeutic techniques, self perception & body image, overweight nonpsychotic psychiatric patients, 20317
interview & scale, characterization of psychiatric problems & behavior disturbances, moderately & mildly mentally retarded 18–45 yr olds, 22204
interview assessment of grief process & support system & intrusion & avoidance, adult children seeking therapy after parent's death, 4309
interview schedule for use in initial stages of clinical behavioral assessment, children, 11879
interview treatments & cues for multiple personality & role playing, college students, implications for social psychology, 1381
introductory course in psychotherapy as group diagnostic intake procedure, patients & group leaders & therapists, 9753
Levine-Pilowsky Depression Questionnaire vs diagnosis based on Research diagnostic criteria vs DSM-III, diagnosis of depression, referrals to psychiatric liaison service following parasuicidal act, 17407
model for microcomputer-based mental health interview & update procedure, implications for gap between psychotherapy research & practice, 17849

multiple-impact therapy, pre-intake evaluation at day treatment program, emotionally disturbed 3–12 yr olds & their families, 15071
private vs public psychiatric interview, implications for psychiatric training, comments on article by N. E. Zinberg, 14924
psychodiagnostic interview & Schedule for Affective Disorders, diagnosis of simultaneous panic & depressive disorder, 22–62 yr old patients, 6514
psychodiagnostic interview & self report, differential diagnosis of major depression & dysthymic disorders, psychiatric patients with mean age of 13.1 yrs, 11927
reliability of abbreviated form of full Schedule for Affective Disorders & Schizophrenia, differential diagnosis & measurement of severity, unipolar depressed vs paranoid schizophrenic vs nonparanoid schizophrenic patients, 28969
sampling of hypothesis-congruent vs hypothesis-disconfirming information in psychotherapeutic interview, psychotherapists & college students, 1818
self reported vs interviewer ratings of individual symptoms of major depressive disorder, psychiatric inpatients vs clinically experienced interviewers, 20005
self reports on Center for Epidemiologic Studies Depression Scale vs diagnostic interview results, detection of major depression vs generalized anxiety, mothers of chronically disabled children, 18928
sodium thiopental, nonstructured interviews, schizophrenic patients with positive vs negative symptoms, conference presentation, 24704
structural interviewing & Defense Mechanism Test, diagnosis of personality organization, borderline patients, 3808
structured outline for problem-oriented initial family interview, family therapy supervisor & beginning family therapist, 15073
tasks for initial interview in counseling & psychotherapy, mentally retarded clients, 27795
test-retest reliability of Diagnostic Interview for borderline personality disorder, psychiatric patients, 11966
use of formal procedures & role of therapist's values in assessment in family therapy, 25197
utility of structured psychiatric interview for psychodiagnosis in pediatric practice, 7–11 yr olds & their parents, conference presentation, 25351
validity & diagnostic utility of Diagnostic Interview Schedule vs Psychiatric Diagnostic Interview, 18–82 yr old psychiatric inpatients, 2929
validity & psychometric characteristics of Diagnostic Interview for Borderline, 16–55 yr old hospitalized patients vs outpatients with borderline personality disorder vs schizophrenia vs other personality disorder, 18953
validity of Diagnostic Interview Schedule-Version III, 2912
validity of National Institute of Mental Health Diagnostic Interview Schedule for Children, 7–11 yr old psychiatric vs pediatric referrals, 13381
validity of structured pediatric psychosocial interview, measurement of affective dimensions, healthy vs hemophilic 6–16 yr old males, 20262

Psychodiagnostic Typologies

actuarial decision theory & DSM-III method of diagnosis, 1242
age & sex, prevalence of nocturnal enuresis according to DSM-III criteria, 4–16 yr olds, 9632
age of onset as major diagnostic criterion in DSM-III, 3.8–30.2 yr olds with pervasive developmental disorder, 11898
Alcohol Dependence Syndrome vs DSM-III concept of dependence, literature review, 14686
animist vs monotheist-cohesive vs individualist vs technological-individualist types of cultures, symptoms & diagnosis of depressive disorders, 1337
application of DSM-III Axes IV & V in hospital psychodiagnosis, psychiatric emergency patients, Italy, 22729
attitudes toward & use of DSM-III, academic psychiatrists, Canada, 7525
atypical posttraumatic stress disorder, comments on report by R. S. Schottenfeld & M. R. Cullen, 3836
Axis I psychiatric diagnosis of borderline patients, outpatients, 6–36 mo longitudinal study, 1247
basic information about sleep & diagnostic classification scheme for sleep disorders, 17651
behavioral criteria vs trait judgments, diagnostic reliability of personality disorders, 22081
biological revolution in psychiatry, Latin America, 25023
biological therapies as criterion "ex juvantibus" method, nosography of depression, 6480
categorization of emotional features of narcissistic personality disorder, 9338
changes in DSM-III substance use disorders, 22183
classification & phenomenology & etiology research in anxiety disorders, 22024
classification & symptomatology & course & outcome of major depression, adolescent psychiatric patients, 12015
classification of Ganser's syndrome, conference presentation, 3811
classification of illnesses with International Classification of Diseases in university health service, 18646
classification of mental disorders based on videotaped consultations, general practitoners, 17367
classification of postpartum psychosis, conference presentation, 24684
clinical characteristics & typology of acute paranoias, schizophrenic patients, 3893
clinical characteristics & utility of DSM-III for diagnosis, elderly patients with late onset organic mental vs major affective vs primary psychotic disorder, 1326
clinical diagnosis & classification, premenstrual changes, conference presentation, 27570
clinical significance of DSM-III diagnosis of alcohol abuse vs dependence, male alcoholics with mean age of 47 yrs, 12107
cluster analysis, differentiation by level of functioning & psychoticism & depression & aggression & treatment motivation, psychiatric patients, 17328
cluster analysis of Millon Clinical Multiaxial Inventory profiles, 20–68 yr old male veteran alcoholics, 6630
cluster analysis on items concerned with onset & development of depressive illness, classification & outcome, depressed inpatients, 5-yr followup, 3825
comparability vs noncomparability of published research on psychiatric disorders due to use of different psychodiagnostic classification systems, 2809
conceptual analysis & criteria for subtypes of Alzheimer's dementia, literature review, 20180
criteria for evaluation of clinical types of aggressive behavioral disorders, individuals with epilepsy, 17703
critical evaluation of positive vs negative symptoms of schizophrenia, 17301
data for inclusion of masochistic personality in revised version of DSM-III, adult patients in psychotherapy, 17371
degree of agreement between T. Leary's modes of interpersonal adjustment & DSM-III, classification of personality disorders, psychiatric inpatients, 27338
development & methods of National Institute of Mental Health's multisite Epidemiologic Catchment Area program, 1361
development & procedural applications & reliability of comprehensive taxonomic system for classification, males who have sexually assaulted adult females, 1446
development of operational criteria & identification of differential parameters, psychotic patients, conference presentation, 24667
development of positive vs negative symptoms construct & 2-syndrome concept of schizophrenia, 17327
development of 1st stage screening rule, assessment of prevalence of schizophrenia vs affective vs nonaffective neurotic disorders vs antisocial personality in community, 20–59 yr old psychiatric inpatients, Israel, 22119
dexamethasone suppression test in delusional vs nondelusional depression, 65 yr old male & 67 yr old female, preliminary evidence for psychotic & nonpsychotic depression as clinically distinct entities, 11958
dexamethasone suppression test results, analysis of Research Diagnostic Criteria classification guidelines for endogenous depression, patients, 9363
diagnosis & classification of co-morbidity & depression, patients with anxiety disorders, 17307
diagnosis & classification of generalized anxiety disorder, 20–67 yr olds complaining of anxiety, 14571

diagnosis according to DSM-III nomenclature on 5 axes, 18–69 yr olds with chronic pain, implications for concept of psychogenic pain disorder as variant of depression, 24668
diagnosis based on DSM III, in- vs outpatient admission decisions, psychiatric patients, 2104
diagnosis of catatonia in schizophrenia & bipolar disorder, DSM III implications, 11995
diagnosis of narcissistic personality disorder using DSM-III vs system of O. Kernberg vs system of S. Akhtar & J. A. Thompson, 24706
diagnosis using DSM III in psychiatric section of general hospital, psychiatric patients, 10107
diagnostic classification schema & historical overview of drug therapy, dream disorders, 27933
diagnostic criteria & reliability & validity of DSM-III anxiety disorders, 22031
diagnostic criteria & validity of DSM-III, depression, children, 1281
diagnostic validity of generalized anxiety disorder & panic disorder & relationship to major depression, 1266
dialectics of outrage & provocation in psychoanalytic therapy, male in 30's, 4310
discriminant analysis, discrimination between mental disorders, psychiatric patients, 6608
DSM-III & somatization disorder, psychiatric patients with somatic complaints, India, 17748
DSM-III classification, patients with active vs inactive suicidal problems, 20010
DSM-III criteria in psychiatric diagnoses in Manhattan State Hospital, criticism of article by A. A. Lipton & F. S. Simon, 24585
DSM-III criteria in psychiatric diagnoses in Manhattan State Hospital, reply to criticisms by H. Ford, 24602
DSM-III depressive subtype, response to tricyclic antidepressants, outpatients with mild to moderate depression with & without panic attacks, 12586
DSM-III reclassification of childhood autism, reprint, 30203
DSM III vs checklist criteria of R. L. Spitzer et al vs Diagnostic Interview for Borderline Patients, diagnosis of borderline personality disorder, 17–45 yr old patients, 1343
electrophysiology in classification & diagnosis & types of depression disorders, literature review, 27330
etiology & diagnostic classification system, vampirism, 14650
evolutionist approach to psychopathology & nosology of mental disorders, 30112
familial patterns & validity of concept, endogenous depression, Ss with major depressive disorder & their 1st-degree relatives, 24611
family relationship as primary validating criterion for DSM-III definition of schizotypal personality disorder, 30131
family vs clinical influence on origin of DSM-III concept of schizotypal personality disorder, 30160
formulation vs DSM-III in patient assessment during psychiatric training, 28284
frequency & treatment outcome, males in treatment vs recovering classified as Type I vs II alcoholics, 25608
grouping according to psychodiagnostic label, mean length of hospital stay & prospective payments to child psychiatric services, 6–15 yr old psychiatric inpatients, 12713
hebephrenic schizophrenia & DSM-III classification, comments on article by M. J. Sedler, 22107
historical basis for DSM-III distinction between schizoid & avoidant personality disorders, 9294
historical development of axis syndromes, conference presentation, 24636
historical shifts & current state of psychiatric diagnosis & clinical assessment, 22012
identification & hierarchical ordering of syndromal combinations of psychopathological symptoms, multidimensional psychiatric scale factors, psychotic inpatients, conference presentation, 24729
identification of patient characteristics predictive of need for long term care & development of classification instrument analogous to diagnostic related groups categories, VA chiefs of psychiatry & psychology services, 28148
inclusion of severity of illness in psychiatric diagnostic formulations, prediction of perspective health insurance consumption, 17737
independent distribution, DSM III & Diagnostic Interview Schedule syndromes, adults, 1265
integrated model of clinical-inferential & quantitative approaches to classification of language disorders, 36–61 mo olds with developmental language disorders, 20105
internal consistency & descriptive validity of DSM-III criteria, borderline & schizotypal personality disorders, inpatients, 17438
internal validity of DSM-III criteria for hypochondriasis, medical outpatients, 27501
International Classification of Diseases as official international classification system in psychiatry, 6458
International Classification of Diseases vs DSM-III, psychiatric diagnoses, Israel, 3841
international use of & experience with DSM-III, psychiatric diagnosticians, 11974
interrater reliability of diagnostic systems, schizophrenic patients, 6485
joint team approach, classification scheme for biological & psychological & clinical patient record, 9198
Levine-Pilowsky Depression Questionnaire vs DSM-III, assessment of depression, psychiatric inpatients, 5292
limitations in applicability of DSM-III to psychotherapeutic practices, response to article by V. C. Jampala et al, 17781
long term stability of subtypes of schizophrenia diagnosed by 4 diagnostic systems, schizophrenic patients, 1317
measurement of quantitative criteria, attention & activity, 1.5–11.9 yr old psychiatric patients, implications for differential diagnosis of attention deficit disorder & hyperkinesis, 9193
medical & psychodiagnosis of previously diagnosed referrals, patients with schizophrenia, implications for DSM-III criteria, case report, 30064
methodological & interpretive constraints in use of perceptual aberration & magical ideation scales, identification of psychosis proneness, implications for high-risk information processing research, 14637
Millon Clinical Multiaxial Inventory as measure of DSM III disorders, 2863
Millon Clinical Multiaxial Inventory as measure of DSM III disorders, reply to interpretation of T. A. Widiger et al, 2856
need for new DSM-III classification of serious psychopathology, children, reprint, 30227
need for separate classification of attention deficit disorder psychosis & treatment with imipramine, implications for research, 30703
neurotic reactive depression & situational major depressive disorder, comments on articles by G. Winokur & R. M. Hirschfeld et al, 9248
nosology & consistency of de Clerambault's syndrome, 1289
Nursing Adaptation Evaluation proposed Axis VI of DSM-III, functional self-care assessment, nurses & psychiatric patients, 22378
obsessive compulsive neurosis vs personality & DSM III vs psychodynamic classification of psychopathology, 1299
personality disorders in relation to psychotic syndromes, response to criticism by L. Gold, 6538
political vs scientific attitudes toward DSM-III, 11891
politics & DSM-III, criticism of article by T. E. Schacht, 11896
politics-science dichotomy & DSM-III, reply to criticism by R. L. Spitzer, 11892
postpartum psychosis as distinct entity, 18–31 yr old females, 11981
posttraumatic stress disorder & research validity gaps in DSM III, 1302
potential for misdiagnosis & treatment difficulties due to interaction of DSM-III Axis I & II disorders, 3 illustrative case examples, 19935
predisposing vs preparing factors & classification system, reflex epilepsies, human model for understanding mechanism of epileptic seizures, conference presentation, 30371
presence vs absence of melancholia, ECT response, 19–78 yr old depressed patients, 25088
prevalence of anxiety disorders & value of DSM-III in psychodiagnosis, patients referred to psychiatric outpatient clinic, 27302

prior course & characteristics of index episode & familial aggregation, patients with bipolar II vs bipolar I vs recurrent unipolar depression, 1292
problems in DSM-III framework & suggestions for improved diagnostic criteria for dementia, 30415
proposal of new classification category for manic states, 30234
proposal to reclassify depression of late life as biochemically based somatic disorder, elderly patients, 14546
proposed multiaxial classification system, male sexual dysfunctions, 14796
prototypic vs polythetic classification of personality disorders, accommodation of fuzziness & probabilistic membership, 22080
psychodiagnosis via 3 different clinical classification systems, schizophrenic patients & their parents & siblings, 17431
psychodiagnostic typology, defense style, 15–64 yr old psychiatric patients, 24617
psychometric characteristics of schizophrenia & mania & schizotypal & narcissistic & borderline personality disorder categories of DSM-III, 15–29 yr old long term psychiatric inpatients discharged for 1 yr, 10774
psychopathological model of borderline personality, criticism of O. Kernberg's analysis, 6566
relationship between psychotic syndromes & personality disorders, comments on discussion by H. W. Koenigsberg et al, 6512
reliability & frequency & concordance & demographic characteristics of subtypes of schizophrenia defined by 4 major systems, schizophrenic patients, 9252
reliability & validity of self report & interview measures, DSM-III Axis II personality disorders, 18978
reliability of Axes I & II of DSM-II & DSM-III, psychodiagnosis, child psychiatrists & clinical child psychologists, 11878
reliability of axis V of DSM-III & effects of psychiatric diagnosis & age & ethnicity & marital status & sex, 20–60 yr old psychiatric inpatients, 27296
Research Diagnostic Criteria vs DSM-III vs criteria of J. P. Feighner et al, classification of depression, literature review, 24717
review of definitions & criteria from psychodiagnostic typologies, alcoholism, 30264
revised DSM-III criteria for generalized anxiety disorder, lifetime rate, human females, 19898
schizotypal personality disorder as operational definition of M. Bleuler's latent schizophrenia, 30162
self injury & diagnostic systems in psychopathology, 27244
sociodemographic & psychodynamic & psychopathologic similarities & differences, 8–55 yr old females suffering from anorexia nervosa &/vs bulimia, clinical intervention & classification implications, conference presentation, 24941
somatic symptoms, unipolar vs bipolar depressed patients, implications for classification of depression, 9225
stability of factor structure of Arbeitsgemeinschaft fur Methodik und Dokumentation in der Psychiatrie, 9328
stability of MMPI code types, psychiatric patients, 22056
statistical & nosographic & etiologic approach of classification in diagnostic categories, 11–16 yr old males enrolled in specialized boarding school, 20765
subtypes of specific learning disability, literature review, 15-yr study, 30327
suggestions for improved classification of mental disorders, children & adolescents, USSR, 9286
suitability & clarity & clinical usefulness of various axes of DSM-II & DSM-III, clinical child psychologists & clinical psychiatrists, 11877
symptomatic criteria for diagnostic classification, anorexia nervosa & bulimia nervosa, conference presentation, 24906
syntactic classification scheme, 22–67 yr olds with aphasia, 27645
systems for diagnosis of schizophrenia, prediction of short term outcome, 11924
test battery scores on depressive symptoms used vs not used for melancholic subtyping in DSM III, patients aged 18 yrs & older with depression &/vs melancholia, implications for differential diagnosis, 14671
theory of "basic" disorders in psychiatry developed by G. Huber & revised according to dynamic structured theory, 1315
training affiliation & experience & seniority & classification system used & theoretical orientation, interrater reliability of diagnosis, psychiatrists, Israel, 22840
utility of Personality Inventory for Children as typology for psychopathology, emotionally & behaviorally disturbed children & adolescents, 1423
validity & interobserver reliability, World Health Organization schedule for Standardized Assessment of Depressive Disorders vs DSM-III vs Research Diagnostic Criteria vs Newcastle vs melancholia scales, depressive inpatients, Denmark, 18923
validity of affective & behavioral clinical features of DSM-III category of borderline personality disorder, patients with borderline vs affective disorders vs schizophrenic vs anxiety neurosis, 22124
validity of DSM III axis IV in assessment of relevance of stressful life events, depressed inpatients, 12029
validity of DSM III definition of posttraumatic stress disorder, alcoholic Vietnam veterans, 19998
validity of DSM-III subgroups of anxiety states & phobias, patients meeting DSM-III anxiety disorder criteria, 23483
validity of first-rank symptoms vs 9th International Classification Diseases vs DSM-III vs Research Diagnostic Criteria vs P. Berner's axia syndromes criteria, psychodiagnosis & prognosis, delusional 16–61 yr olds, Austria, 6–9 yr followup, 18984
validity of G. A. Foulds & A. Bedford's Delusions-Symptoms-States Inventory, psychiatric inpatients, 8095
validity of K. Leonhard's clinical-genetic classification of endogenous psychoses, inpatient schizophrenia probands & their relatives, 24727
validity of situational major depression as subtype of major depression, nonbipolar patients with situational vs nonsituational major depression, 1-yr followup, 9260
validity of 4 definitions & clinical & demographic & familial & psychosocial correlates, differentiation of endogenous depression, depressed inpatients, 24735
value of DSM-III Axes IV & V, psychodiagnosis, psychiatric inpatients admitted to acute ward, 27368
Viennese Research Criteria vs diagnostic practices for depressive vs nonaffective psychotic disorders assessed by LICET system, survey of psychiatrists, France, conference presentation, 24700
views & use of DSM-III, psychiatrists & psychiatric residents, US, 18376

Psychodrama

behavior contracts, psychodrama, clients, 20328
charismatic leadership, psychodrama & group processes, 20324
concurrent use of psychodrama & family therapy, 9798
creative drama & videotape playbacks, self & group observational skills & awareness & insight, 11 & 12 yr old females in therapy group, 30666
dynamics of catharsis & role in psychotherapy & psychodrama, 9694
group drama therapy, treatment resistance, hospitalized emotionally disturbed 13–17 yr olds, 15041
individual psychodramatic therapy, children & adolescents, 4317
integration of behavioral-cognitive techniques into psychodramatic group therapy, behavior & ego strength & introversive tendencies, delinquent 14–16 yr olds, 12427
nuclear war, overview of physical & medical effects & sociopsychological impact on urban & rural area dwellers, 11557
psychodrama & Hakomi therapy, 15052
psychodrama, self nurturing & self expressive role development & separation individuation, 19 yr old male, 9745
psychodynamic vs psychoanalytic use of dreams in psychodrama, adolescent psychiatric patients, 9790
utility of psychodrama in group psychotherapy & social skills training, deaf patients, 25203

Psychodynamics

adaptive capacity & psychodynamics of survivor syndrome, concentration camp survivors, 1217
alcohol drinking behavior, psychological/cognitive functioning, social drinking college students, implications for identification of at-risk social drinkers, 6304
anxiety as organizational phenomena & consultancy experiences, conference presentation, 12307
apragmatism & indifference & disinterest & desire in psychosis, delusions & hallucinations, 9228

attitudes & behavior toward dental pathology & self destructive behaviors toward teeth, chronic schizophrenic patients, implications for treatment, 1334
behavioral & personality & social support factors, maintenance of improved health changes in exercise & weight loss & smoking cessation, postcoronary patients, 6759
birthdays & holidays & weather phenomena, children's psychological & physical & behavioral anniversary reactions to death of family member, 4–17 yr olds & parents or guardians, 3501
borderline diagnosis & integration of self, comments on paper by A. Mitchell, 30174
clinical psychiatric aspects of induced & spontaneous abortion, 28050
conceptual & theoretical issues of emotion of anger, 21203
contributory psychological factors to etiology of Gilles de la Tourette's syndrome & psychotherapy as treatment, 26 yr old male with variation of Gilles de la Tourette's syndrome, case report, 30434
demographic & psychological & health & mobility characteristics, aged Ss living alone vs with spouse vs with children, 3396
demographic & psychological variables & patterns of bereavement, willingness to participate in support group, 50–89 yr old recent widows & widowers, longitudinal studies, 27862
depressed symptomatology & psychodynamics, male & female hospitalized vs outpatient preschoolers with suicidal thoughts &/vs behavior disorders, 28175
depression & dependence & inactivity & anxiety as psychological features, rheumatoid arthritis, 4109
depression following job promotion, Marine colonels, application of psychodynamic approach to stress & occupational psychiatry, 2649
development of conceptual model of process of falling in love, 11853
development of narcissistic personality & narcissistic ethics, 24721
development of questionnaire, assessment of social & cultural & psychological factors of coronary heart disease & stroke, 30–69 yr olds in clinic screening, Japan, 10802
diagnosis of borderline personality, reply to comments by J. Lerner, 30187
discriminant analysis of psychological characteristics, undetected sexually assaultive vs abusive vs coercive male offenders of female acquaintances, 20033
disease vs psychodynamic model of alcoholism, treatment, 2184
dynamics of cognitive appraisal & coping processes & short term outcomes of stressful encounters, 26–54 yr old married couples, 21910
emotional responses & psychologic states, 16–47 galactorrheic females, 24977
emotional roller coaster vs corporate failure models of upset, employees displaced by plant closing, 18709
emotional stress of loss of unborn child, cell-mediated immunity, 16–42 yr old females, 9990
employment status & subjective deprivation & political orientation & locus of control & orientation toward violence & riots, attributions & psychological consequences of unemployment, male school dropouts, England, 10434
etiological psychological & physiological factors, recurrent abdominal pain, children, reply to comments by L. Zeltzer, 17630
etiological psychological & physiological factors, recurrent abdominal pain, children, 17631
etiological psychological & physiological factors, recurrent abdominal pain, children, comments on article by P. J. McGrath & W. Feldman, 17702
etiology, psychogenic vs organic erectile impotence, 17696
existential group therapy, death anxiety in psychodynamic conflicts, 22 & 30 yr old battered wives, 1860
family & psychological & demographic variables, reading & math achievement, deaf 8–15 yr olds in residential state school, 15852
family composition & duration & role in relationship & personality correlates, resolution of joint task as evaluated by Joint Rorschach, cohabitating vs married couples, 29827
family psychodynamics, families with adolescents with schizophrenia vs psychosomatic disorders, implications for family therapy, 30076
fantasy & articulation of unconscious wish, 17239
feeling out of control during & frequency of bingeing & laxative use & age at onset & guilt, prediction of life impairment, females with frequent binge eating episodes, implications for DSM-III classification criteria, conference presentation, 24924
feminist therapy & theory & psychodynamics of eating disorders, females, 12175
food cravings & related symptoms during pregnancy as manifestations of personal & cultural symbols & underlying psychological problems, females, Sri Lanka, 30827

psychological elements of ethnicity, political behavior, Protestants vs Catholics, Northern Ireland, 6247
psychological factors in recovery, myocardial infarction patients under 70 yrs old, implications for psychosocial aftercare, 1-yr followup, 1544
psychological homelessness, 9 yr old female Muslim immigrant who was placed in children's home, UK, 12711
psychological phenomena associated with membership in majority & minority groups, high school students attending schools consonant or dissonant with parental SES, 28508
psychological screening instruments in interviews, determination of correlation between demographic & psychological profiles & pregnancy, couples admitted to in vitro fertilization program, conference presentation, 18149
psychological sequelae, multiple sclerosis patients, treatment implications, 14890
psychological sources & social conditions & cultural preconditions, violence against subgroups by governments & powerful groups, 6184
psychological themes of patients with acquired immune deficiency syndrome, 34 yr old heterosexual female, comments on study by J. W. Dilley et al, 22270
psychosocial correlates & illness features, family relations & adjustment, mothers & aunts & grandmothers & foster mothers of chronically ill children from birth to 11 yrs old, 12222
psychosocial correlates of suicidal behaviors, urban population of adults, Canada, 24744
psychosocial effects of occupational intermittent husband absence, wives of offshore oil rig workers, 11630
psychosocial effects on patients & family & friends & health care professionals, patients with acquired immune deficiency syndrome, 27687
psychosocial impact of cancer, 19–64 vs 65–86 yr old patients, 14830
rape, depression & anxiety & fear, 20–60 yr old victims assaulted 2–46 yrs earlier, 9408
research model that views mental health in context of unemployment, 14486
research on premenstrual syndrome & its symptoms, conference presentation, 27658
self psychology & child abuse, 1419
self psychology perspective of subjective experience & dynamics of depression, 10th grade & 29 yr old male & 33 yr old housewife, 1348
self reported desired weight & eating attitudes & depression & obsessional symptoms, 14–45 yr old anorexic inpatients assessed at hospital intake & discharge & 1-yr followup, conference presentation, 25477
sex differences in psychological response to unemployment, literature review, 10574
sex role attitudes & stress, sympathetic adrenal medullary hormone activity, male vs female college students, 21880
simulated chemical warfare field training exercise under high heat conditions, behavioral & physiological & psychological correlates, military medical unit personnel, 31417
social & psychological & somatic factors prior to & during & after illness, emotional reaction & health preoccupation & sexual adjustment 2 mo after 1st myocardial infarction, male 32–60 yr olds, Sweden, 18173

social & psychological & somatic factors prior to & during & after illness, sick role & attitude toward disease & work 2 mo after 1st myocardial infarction, male 32–60 yr olds, Sweden, 18174
social energy & dynamics of jealousy & interpersonal relationships, 1117
social interest as fundamental concept of Adlerian individual psychology, 14520
subliminal psychodynamic activation, cognitive measures of pathology, schizophrenic 21–59 yr olds, replication & criticism of study by L. H. Silverman et al, 11992
subliminal psychodynamic activation investigation, rejoinder to A. L. Porterfield & J. M. Oliver & R. Burkham, 12008
subliminal psychodynamic activation method, symptom intensification & enhanced adaptive behavior, 4355
subliminal psychodynamic activation, reply to comments by L. H. Silverman, 11985
subliminal psychodynamic activation, reply to L. H. Silverman's comments, 11991
subliminal psychodynamics activation investigations, reply to comments on work of J. M. Oliver & R. Burkham & K. C. Haspel & R. S. Harris & A. L. Posterfield & S. L. Golding, 12007
taxonomy of subjective meanings in psychogenic sexual dysfunction, males, implications for sex therapy, 20285
theoretical & clinical approaches to psychodynamics & psychotherapy of patient with narcissistic personality disorder, O. Kernberg vs H. Kohut, 22393
transactional analysis of father-daughter relations, female incest victims, 14976
transactional analysis, psychodynamics of nutritional nervosa, 7021
transformation of philo-Semitism into anti-Semitism in terms of group compliance & psychodynamic conflicts, 6199
unemployment, economic & medical & social & psychological impact, literature review, 2612
4-stage model of intercultural adjustment, intercultural training & psychological constructs in adjustment to unfamiliar environment, 19704

Psychogenesis [See Also Childhood Play Development, Cognitive Development, Emotional Development, Intellectual Development, Language Development, Moral Development, Perceptual Development, Personality Development, Psychomotor Development, Psychosocial Development, Speech Development]

close ties to surrogate mother & estrangement from biological mother, analysands, conference presentation, 4302
conceptual framework of developmental transitions in affective illness, 39 & 66 yr old males, 24607
development of narcissistic personality & narcissistic ethics, 24721
early mother-child relationship & personality development, etiology of alcoholism & relationship to abuse of other drugs, 6641
emergence of shame & development of object relations & self, 23 yr old male, 6606
Jungian analysis of role played by mother & stepmother characters in archetypal fairy tales & myths, 24065
multidisciplinary research in human psyche & psychic reality, 1179
neurotic personality development in interaction of neurotic adults with their children, theoretical perspective of K. Horney, 11976
object relations & identification in character pathology, 32 yr old female analysand with phallic-narcissistic character neurosis, conference presentation, 27779
painful feelings as developmental roots of self damaging behavior, 4 yr old male analysand, 7022
perceptual motor skills & cognitive & emotional development, orphans in state infants' home, Poland, 6030
problems in evaluation of psychological development, children, Mexico, 27256
psychoanalytic view of early deficits & integration of psychic structure, conference presentation, 3508
structural & developmental factors in self care, self destructive behavior, 6013

Psychogenic Pain

abnormal illness behavior & role of reinforcement & unconscious & forced compliance situation of self/other deception, psychogenic pain, implications for conceptualizations of cognitive dissonance theory, 6714
diagnosis according to DSM-III nomenclature on 5 axes, 18–69 yr olds with chronic pain, implications for concept of psychogenic pain disorder as variant of depression, 24668
differential diagnosis & benzodiazepine & antidepressant drug therapy, psychogenic coccygodynia 59 yr old patient, 9502
EEG power spectrum analysis & hemispheric specialization, pain perception, 20–54 yr old chronic somatogenic vs psychogenic pain patients, 20134
failure of psychiatry to address nonpsychotic psychogenic pain & psychosomatic illness due to K. Schneider's concept of psychopathy, 6807
severe leg pain & weakness, male Hispanic 8 yr old diagnosed with psychogenic pain, case report, 24992
spiritual experience & primal pain & transpersonal phenomena, 19833
value of MMPI conversion "V", assessment of psychogenic pain, 18–65 yr old patients with organic vs nonorganic low back pain, 9576

Psychohistory

attitudes toward maintenance & administration of occupied territories, leadership & psychopolitical & collective dimensions of psychohistorical process, public, Israel, 986
background of societal parricide, development of Freud's group psychology & analysis of ego, 57
biographical use of Gough Adjective Check List, assessment of personality differences, presidents, US, 27209
childrearing practices, Jewish national identity, before & after 70 AD, comment on views of H. Ebel, 26965
dependent & independent personalities of philosopher & theologian & teacher P. Abelard, 30036
educational reform movements & emergence of concept of latency, children, contributions to development of child psychology, 19th century, US, 22866
explanation via psychohistory of Hitler's success, 5202
grief over death in friendship of E. Gibbon & Lord Sheffield, 18th century, 21991
heroism & resistance vs accommodation & passivity, national identity, Jews, 26966
historical comparison of Sultan Abdul Hamid of Turkey vs King Philip II of Spain vs A. Hitler regarding personality traits of genocidal mentality, 26113
history of female adolescent behavior & development of gender roles, late 19th century to present, US, 21768
imagery & infancy gospels of Jesus' education & school behavior, implications for understanding formative elements of Western culture, 21809
incidence of gonorrhea & syphilis, children, US & Europe, 1848–1900, implications for sexual abuse, 20252
interpretation of historical account of dreams of Alexander the Great, 1184
methodological standards, psychohistorical data, 28874
models & divergent approaches in psychological historiography, 18847
models of knowledge & belief & human behavior & psychohistory, 7957
narcissism through psychohistory, 35 yr old Hebrew male & 34 yr old Native American male, 30140
nature of & emotional motivations for writing of political biography & psychobiography, writers, 29526
psychoanalysis of angry pacifistic personality & sexual strivings of B. Russell, 19837
psychoanalytic interpretation of dream cures of Asclepius of Epidaurus, late 4th century B.C., Greece, 11598
psychoanalytic interpretation of G. Flaubert's dreams & novel "Salammbo", 19549
psychoanalytic interpretation of visits to eternity & ideation of transference objects by Freud & E. Wiesel & Patient X & Jung, conference presentation, 26126
psychoanalytic meaning of Christ & M. Luther's theological development, 19710
psychoanalytic view of innocence of children & effects of R. Wagner's operas on A. Hitler, comments on works by A. Miller, 26102
psychohistorical analysis of quest for power of R. Nixon & A. Hitler, 27075
psychohistorical interpretation & determination of historical causality, 10756
psychohistorical interpretation of war in Vietnam & role of President Johnson, 11558

psychohistorical view of life of M. Wollstonecraft, 19891
psychohistorical view of psychosexual development & exercise of power by Catherine de Medici, 27057
psychological dependence of officers writing in journals, military collapse, 1920–40, France, 11564
relationship with daughters & reactions to their deaths, writings on childrearing in colonial times, clergyman C. Mather, 17th & 18th centuries, 21833
sexual behavior in novel Jin Ping Mei, wealthy household, China, late 16th century, 736
Slovenian folk culture & medicine & superstitions, childbirth & childrearing, 19th century, Yugoslavia, 11395
trust vs mistrust & control vs freedom for self gratification & psychoanalytic interpretation of presidency of J. Q. Adams vs A. Jackson, 24391
view of narcissism through psychohistory, comments on article by L. Golden, 30123
16th century childhoods of T. Platter & his son vs 20th century childhood of P. Aries, development of modern notion of adulthood, 21659

Psychokinesis
ability to increase target temperature, gifted psychic, reply to B. Millar's criticism of procedure & analysis, 2754
departures from theoretically expected distribution of numbers in random number sequences in psychokinesis precognition task, adult female S, 13292
experimental design & use of computers, test of psychokinetic ability, 10 mo old infants, 13288
method for deliberate psychokinetic induction, 14–17 yr olds, Hungary, 26089

Psycholinguistics
ability to refer with names & evolution of language, humans, implications for teaching language to nonhuman Ss, 11457
agrammatism as aphasic clinical category & need for consideration of method & theory of neurolinguistics & cognitive neuropsychology, 22221
comprehension & memory, sarcastic statements in conversation, college students, 16845
comprehension of Polish metaphoric phrases, 19–45 yr old applied linguistics & Polish philosophy & psychology students, Poland, 29511
conversation & iterative knowledge & intersubjectivity, 19534
conversation as context for psycholinguistic study of social behavior & speech production, implications for social skills psychology, 14084
criticism of J. Benjafield's application of psychological principles to history of language & derived hypotheses, 733
Lacan's theory of linguistic unconscious & desire & dream analysis method by J. Laplanche & S. Leclaire, 30604
linguistic stress & practice, adaptation & consistency of stuttering, 19–26 yr old males, 20107
performance on Illinois Test of Psycholinguistic Abilities vs Token Test, 5–6 yr olds, 13418
propositional vs imagery models vs surface structure vs hybrid theories, prediction of sentential synonymity judgments, 18–34 yr olds, 5966
psycholinguistics & psychoanalytic theory & identity formation as reflected in acquisition of person pronouns, infants & preschool age children, 24098
psycholinguistics & relational language instruction, 28450
psychological status of literal meaning of sentence, 14087
sociopragmatics vs psychopragmatics, language use in jokes vs dreams, partial support for Freud's theory, 24051
text cohesion & coherence assessed by recall of short stories, patients with schizophrenia or depression or organic brain disturbance, 9342
theory of orthographic evolution & linguistics, 11359

Psychological Adjustment [See Emotional Adjustment]

Psychological Correlates [See Psychodynamics]

Psychological Reactance
cognitive-mediational vs operant recording response vs multiple cueing stimuli models of reactivity in self monitoring, college students, 15105
degree of sex role stereotypy & causal attributions, relationship between varying amounts of noncontingent reinforcement & subsequent performance, male vs female college students, implications for learned helplessness & reactance theories, 17203
high- vs low-threat message regarding stimulus written by male, funniness rating of cartoon, females vs males, 3063
relationship between self esteem & reactance in achievement & persuasion contexts, college students, implications for worker motivation in organizations, 19814

Psychological Screening Inventory
Psychological Screening Inventory, assessment of potential psychological maladjustment, 18–36 yr old male prisoners vs those transferred to mental hospitals, 15429
use of psychological testing &/vs interviews during personnel selection process, recently graduated engineers, 15966

Psychological Stress
age & sex & epochal groups, responses to questionnaire items on worries & problems, 14–18 yr olds, 8907
artificial nutritional support & role of psychiatrist, psychological stress, 30–60 yr old females, 18145
bicycle exercise vs psychological stress, plasma norepinephrine & epinephrine levels & blood pressure & heart rate, patients suffering from cardiac neurosis, 19923
clinical evidence of heart disease & risk factors & psychosocial factors, prediction of coronary artery disease, valvular heart disease patients, 6731
cognitive task demands, subjective stress & blood glucose levels, 24–57 yr old insulin-dependent diabetics, 6751
confounding measures in conceptualization & measurement of life stress variables, reply to comments by R. S. Lazarus et al, 10765
confounding measures in study of psychological stress & adaptational outcomes, comments on article by B. S. Dohrenwend et al, 10770
doctor-patient relations & emotional stress & behavioral eccentricity & neurotic complaints & therapy or medical treatment attitudes & fixed attitudes, patients with neuroses vs kidney transplant, 6461
emotional stress of loss of unborn child, cell-mediated immunity, 16–42 yr old females, 9990
environmental & biographical indicators of personal or familial stress, diarrhea, 11–30 mo olds, 6749
exercise & emotional stress, EKG patterns, 18–32 yr old males, 11191
exposure to novel stimuli, prolactin response, male rats, 5723
exposure to pleasant comic film vs stress-inducing achievement task, facial expressions & heart rate & forced expiratory volume, 7.5–12 yr olds with bronchial asthma, 20145
family life & evidence of minimal brain dysfunction & psychological stress, schizophrenic 12–17 yr olds, 6624
fears & concerns regarding anesthesia, surgical patients, 9996
incidence of psychiatric disturbance & role of emotional stressors, children with asthma, 22310
life events & environmental & psychological stress & family & work environments & pain experience, ambulatory chronic low back pain patients, 20144
life events & psychiatric symptomatology & ego development, glycemic control & biomedical variables, insulin dependent diabetic 18 yr olds & older with vs without proliferative diabetic retinopathy, 20173
mental arithmetic task & submersion of hand in cold water, blood pressure & heart rate, 54–64 yr old identical vs fraternal male twins, implications for genetic component of coronary heart disease, 29253
mental arithmetic vs color discrimination task with vs without noise, cardiovascular activity, college students, 21356
mental task-induced strain & its after effects in intermittent noise, plasma cortisol levels, 20–28 yr old males, 29343
mental tasks & Type A behavior pattern, exaggerated physiological reactivity, 22–56 yr old managerial employees, 26554
muscle tension & skin temperature reliability of Psychophysiological Stress Profile, 23–52 yr old hospital patients, 26217
muscular relaxation, emotional stress & neuroses & psychosomatic disorders, 4460

parent & teacher ratings of stress response patterns & psychiatric evaluation of DSM-III childhood disorders as criteria, validity of Stress Response Scale in diagnostic assessment, 5–14 yr olds with possible emotional disorders, 2876
participation in "mourning" ritual, psychological symptoms, 18–45 yr old Spiritual Baptists, West Indies, 17723

hyperactivity syndrome as child, psychiatric status, 21–33 yr olds, 15-yr followup, 6900
impact of social anthropology on relationship between psychopathology & culture, 14556
incidence of negative & depressive & anxiety symptoms, chronic schizophrenic patients with vs without tardive dyskinesia, 19941

inequities & psychological effects of federal compensation, victims of Nazi persecution, West Germany, 29888
infant attachment relationship as predictor of psychopathology, male vs female 1 yr olds, 6-yr longitudinal study, reprint, 30177
integration of gender-role analysis into psychological assessment, 27278
interrater reliability of Comprehensive Psychopathological Rating Scale, doctors & nurses, Japan, 8081
interrelationships among drug abuse & other social pathology indices, 12086
interrelationships between child & general adult psychiatry, conference presentation, 17293
inventory for assessment of pathology in separation-individuation process, patients with borderline personality, 2877
lack of national & Jewish-religious identity, development of psychiatric symptoms, 23–60 yr old males, 24612
life event stress & coping style, psychopathology, male vs female college students, 17363
linguistic interpretation of forms of psychopathology, 6502
major psychiatric symptoms, homosexual 33 yr old male with acquired immune deficiency syndrome, 14851
manic autism & interactional psychopathology, depressed vs manic patients, 30139
Marxist-Leninist theory of personality & social determination of personality development & psychopathology, 29749
methodological principles of phenomenological psychopathology, 27342
methodological procedures for postmortem study of neurological & psychological parameters, depression, conference presentation, 10738
MMPI measures of psychological disturbance, 15–20 vs 31–41 yr old victims of father-daughter incest, 20058
model of psychopathological effects of unemployment, 13173
movement disorders, 2 mo–3.5 yr olds with borderline neuropsychic disease, 9565
multiple identification in pathological bereavement, 39 & 40 yr old female & 61 yr old male analysands, 30572
nature & diagnosis of psychopathology, mentally retarded 14–67 yr olds, 17524
need for new DSM-III classification of serious psychopathology, children, reprint, 30227
neuroendocrinological & psychopathological & psychosocial behavioral factors, male & female 9.8–19 yr olds with anorexia nervosa, 14914
obsessive compulsive neurosis vs personality & DSM III vs psychodynamic classification of psychopathology, 1299
onset of psychopathologic features, 6–24 yr old juvenile relatives of bipolar adults, 3-yr followup, 6465
parental psychopathology & influence & marital adjustment & family environment, firesetting & antisocial behavior, hospitalized 6–10 yr olds identified as firesetters & their parents, 30281
parental unipolar vs bipolar major affective disorder, coping behavior & incidence of psychopathology, 7–17 yr olds & their 26–47 yr old parents with affective disorders, 19942
pathological consequences of breaking the incest taboo in interfamilial relationships, children, 17447
perceptual strategies & verbal performance & psychopathology & Rorschach response, dyslexic children with mean ages of 8.1 & 9.4 & 10.1 yrs old, 24830
performance on span of apprehension task, children with parents with schizophrenia & unipolar & bipolar depression, replication of studies by R. J. Asarnow et al & D. J. MacCrimmon et al, 1308
positive health developmental model of psychopathology & treatment, example of P. B. Ossorio's deficit model, 27382
potential for further development of K. Jaspers' psychopathological theory, 9190
preexisting disorder & stress & personality & social support, prediction of psychopathology, 17391
prevalence of organismic distress during symbiotic phase & early pathology, 14666
prevalence of psychopathology, epileptic patients, comments on view of S. Whiteman et al, 30370
psychiatric diagnosis & psychological symptoms, 18–71 yr old impotent males, 12187
psychoanalytic integration of conflicts of power & powerlessness theories & deficit theories based on findings of neurobiology & disorders of self- & interactional-regulation, 41 yr old male, 27785
psychoanalytic theories of developmental role of rage & aggression in psychopathology & psychotherapeutic treatment, young male who had been victim of sadistic treatment by parents in childhood, 1795
psychoanalytic view of pathological bases & motivation, alcoholic patients, 27401
psychological states & emotional disturbances, patients with persistent headaches, 22306
psychopathological aspects, self mutilation, psychotic children & adults, 6595
psychopathological aspects, 14–60 yr olds with Gilles de la Tourette syndrome, 20160
psychopathological characteristics assessed by AMP scales, hospitalized male alcoholic patients undergoing withdrawal treatment, 25602
psychopathological characteristics, toxic oil syndrome food poisoning, Spain, implications for role of psychologists & psychiatrists in managing effects of disasters, 30424
psychopathological profile & course of illness, patients with schizoaffective psychosis vs bipolar affective illness vs paranoid schizophrenia, 19931
psychopathological structure & drug addiction, literature review, 6662
psychopathology & obsessive & compulsive personality characteristics, college students exhibiting nonclinical checking behavior, 19920
psychopathology & prognosis of puerperal psychoses, patients, 19950
psychopathology, deficits in neuropsychological functioning, patients with epilepsy, comments on experimental replication by K. A. Mochle et al & other studies, 30402
psychopathology of late period of combat-closed craniocerebral injury, war veterans with late nonpsychotic disturbances, 20119
psychopathology, patients with EEG pattern of rhythmic midtemporal discharges, 1578
psychophysiological anxiety model & psychopathology of bulimia, obese vs bulimic females, conference presentation, 25017
psychosexual development & psychopathological symptomatology, adolescent male delinquents with unrestrained sexual behavior, 17488
psychosocial & forensic factors, legal referrals to mental health service, 15–25 yr old Inuit vs Dene vs Metis Indians vs Whites, Canada, 1453
reassertion of finding of high rates of psychopathology due to biological or phenotypic traits, mates of schizophrenic women, reply to R. Shinkwin's comments, 30196
relevance of psychopathology to psychosomatic research, 1601
reliability & factor structure of Association for Methodology & Documentation in Psychiatry rating scale, quantitative psychopathology, 8052
reliability & validity of nurses evaluation rating scale, assessment of salient dimensions of psychopathology & nursing care requirements, psychiatric patients, 23464
reliability of Axes I & II of DSM-II & DSM-III, psychodiagnosis, child psychiatrists & clinical child psychologists, 11878
role of environment in development of infantile autism or Tourette's syndrome or attention deficit disorder or depression or borderline personality disorder, children, literature review, 30070
role of psychopathology as study of impairments to ability to behave normally vs deviant behavior, 27223
self injury & diagnostic systems in psychopathology, 27244
sensibility in psychopathology, 17346
sex role & other personality traits & psychopathology & response to treatment, male vs female agoraphobic outpatients, 20341
sociocultural changes & pathology, normal 13–19 yr olds, 26785
span of apprehension task, children vulnerable to psychopathology, comments on experimental replication by P. D. Harvey et al, 1251
structural-dialectical analysis of concepts of personality & health/illness & normal/pathological, 42
structural theory of image formation & psychophysiology & psychopathology, 3210

subliminal stimuli, unconscious psychopathological behavior, diagnostic & therapeutic implications, 11876
suitability & clarity & clinical usefulness of various axes of DSM-II & DSM-III, clinical child psychologists & clinical psychiatrists, 11877
systematic psychopathology & etiology of alcoholism, 24771
theory of psychic trauma of Freud vs A. Kardiner vs M. Klein & repression in context of Holocaust, categories of mental functioning & analytic activity, 7943
theory of psychopathology of K. Jaspers, 6511
trends & problems in research methodology of pathopsychology & developmental disabilities, children, 17611
universal myths & superstitions determining behavior of primitive people & children as underlying manifestations of schizophrenia, 9340
use of pathological gambling as insanity defense, gamblers engaged in criminal activity, 9028
utility of Personality Inventory for Children as typology for psychopathology, emotionally & behaviorally disturbed children & adolescents, 1423
validity of Swedish version of Comprehensive Psychopathological Rating Scale, schizophrenic & depressive 18–80 yr old patients, Sweden, 23486
validity of Symptom Check List-90, assessment of psychosis, male prisoners awaiting trial, Great Britain, 29008
ventriloquism, resolution of anxiety & conflict, 37 yr old male with murderous fantasy & unhealthy attachment to mother, 6551
verbal cognitive restructuring with vs without exposure & vomit prevention, binge eating & vomiting & weight & psychopathology, females with bulimia nervosa, 1-yr followup., 27750

Psychopathy

development of Hamburg Rating Scale for Psychic Disturbances, heart surgery patients, 8072
factor structure & cross cultural validity of R. D. Hare's psychopathy scale, identification of psychopathy, 20–60 yr old prisoners, England, 8103
integration & analysis of clinical & parental & teacher interviews & clinical observations, perceptions of behavior & life adaptation, children at risk for schizophrenia, Israel, 3930
lateral preferences, male prisoners with high vs medium vs low psychopathy, 12058
plasma phenylacetic acid concentrations, dominant hierarchical status, dominant vs nondominant male vervet monkeys, implications for human aggressive psychopathy, 23847
social systems framework for theory & treatment of morbid grief reaction, 14599

Psychopharmacology

antianxiety effects of & clinical response to benzodiazepines, 28001
behavioral & neuropharmacological effects of cholecystokinin & related peptides, conference presentation, 19518
benzodiazepines & their metabolites, binding affinity to benzodiazepine receptor & anti-anxiety activity, male rats, 16734
clinical & pharmacokinetic aspects of long term depot neuroleptic treatment, psychotic patients, 27970
computer system to store & process & retrieve clinical psychopharmacological data collected with standardized rating devices, National Institute of Mental Health & University of Pisa, Italy, 20956
counselors' guide to psychopharmacology of antipsychotic & antidepressant & antianxiety drugs & lithium salts, 7228
criteria for mechanisms of drug action & clinical effects of drugs, 5825
cybernetic vs rheostat model of psychotropic drug effects & dysregulation of depression, reply to comments of D. F. Klein, 21594
deranged cybernetic circuits & mechanism of psychotropic drugs, comment on dysregulation hypothesis of depression of L. J. Siever & K. L. Davis, 21536
development of EEG & application to study of drug effects, 5843
dopamine agonists vs antagonists, precipitation vs reduction of manic symptoms, patients, implications for therapy, conference presentation, 15192
EEG profiles of drugs affecting GABA synaptic activity by acting at GABA-benzodiazepine-barbiturate/picrotoxin receptors complex, male rabbits, conference presentation, 29454
effects of antipsychotics & antidepressants & antianxiolytic drugs on brain & nervous system & behavior & their clinical effectiveness, 29458
gangliosides, treatment of brain injury, comments on study by B. A. Sabel, 23991
gangliosides, treatment of brain injury, comments on study by B. A. Sabel, 24047
gangliosides, treatment of brain injury, rats, comments on study by B. A. Sabel, 23961
growth promoting gangliosides, neuronal development & treatment of neurological diseases & brain injury, comments on study by B. A. Sabel, 24019
growth promoting gangliosides, treatment of brain injury, comments on study by B. A. Sabel, 23955
intracranial self stimulation & drug discrimination paradigms, psychopharmacological effects of cholecystokinin, male rats, conference presentation, 19434
ip gangliosides, recovery of preinjury function & central sprouting & secondary degeneration, rats with brain lesions, implications for treatment of brain disordered humans, 23901
pharmacokinetics of citicoline, long-latent acoustical EPs, 43–67 yr old patients hospitalized for neurotic pathology, 22586
psychopharmacology & mystery novel "The Moonstone" by Victorian author W. Collins, 11373
psychopharmacology of new antidepressant drugs in treatment, 25309
psychopharmacotherapy, psychosis, conference presentation, 20416

Psychophysical Measurement

biased estimation in power law, 16199
bilateral electrodermal activity in response to tones presented simultaneously with induction of hypnosis, evidence for state theory of hypnosis & susceptibility, heart disorder patients & medical students, 20429
computer controlled psychophysical measurement of recovery in neural substrates for self stimulation of ventrolateral tegmentum vs lateral hypothalamus, male rats, 23375
computerized psychophysical measurement of CHORIMAC-12, deaf patients, conference presentation, 4559
considerations in testing models of human judgment & psychophysical measurement, comments on covariation judgment research of D. M. Lane et al, 16237
criterion shift rule of displacement of evaluative criteria toward simultaneous or recently experienced values, perceptual judgments, 13374
double judgment forced choice vs rating scale paradigms, response biases & attentional shifts in identification vs detection of thresholds, 21093
electric shocks & loud tones, assessment of how separate cross modal aversive events are integrated into judgments of pain, college students, 16227
empirical relative operating characteristics in discrimination & diagnostic tasks from experimental psychology & practical fields, measurement of human performance, 16226
encoding multiple-key response unit for use in computer-controlled psychophysical studies, 28891
evaluation by touch with vs without sight, tactile attributions of textiles, college students enrolled in textile courses, 8155
exposure to lingual vibrotactile magnitude estimation procedure, magnitude production, college students, 19039
fits of R. D. Luce's Gaussian multidimensional scaling/choice model vs L. L. Thurstone's model of category judgment to D. E. Kornbrot's unidimensional absolute identification data, 13634
G. T. Fechner's logarithmic law & S. S. Stevens's power law & L. L. Thurstone's comparative judgment law, psychophysical measurement, 10895
generation or construing of subjective quantities in psychophysics & scaling, 8044
grouping of data into categories in neuroscience experiments on chemical senses, 20961
integration of height & width in perceptual & memorial judgments, college students, 10893
lifting of boxes from floor to waist vs shoulder vs from waist to shoulder, perceived exertion via heart rate & body part discomfort, 31538

matching of loudness of single tone to loudness differences within tone pairs & magnitude difference estimation, 21–34 yr olds with normal hearing, 16281
methodology & hearing threshold, loudness matches in sensation level, 18–78 yr olds with tinnitus, implications for methodology, 22269
methodology for collection of psychophysical data on nasal chemosensory systems, fish & insects & reptiles & birds & rats & rabbits & mice & bats & cattle & dogs, literature review, 23822
perception of proportion of hues in monochromatic lights in 460–640 nm range, male college students, test of J. S. Werner & B. R. Wooten's average O, 16250
portable laboratory computer system, measurement of event-related brain potentials during performance of complex experimental tasks, humans, conference presentation, 23368
psychophysical & electrophysiological approaches, assessment of effects of neurotoxins on sensory functions, humans, conference presentation, 23379
range correction transformation vs standardization of responses, neutralization of individual differences in skin conductance responsivity, college students & 7.5–14 yr olds, 13862
single-session repetitive judgments, magnitude estimation scales for lingual vibrotactile sensation, college students, 13872
spatial interference in periphery, vernier acuity scaled to estimates of cortical magnification factor, experienced Os, 13570
statistical properties of threshold estimation from forced choice psychometric functions, 19020
stimulus properties & sensory discrimination, model for sensory analysis of psychophysical phenomena, 13345
use of funduscope & alignment laser, alignment of visual axis with predetermined fixation point, rhesus monkeys, 5215

Psychophysics

concepts related to biological image motion processing, literature review, 10933
criterion-setting theory & features of category scaling, model for absolute judgment, 21043
perceptual psychology & physiological physics in E. Mach's "Knowledge and Error: Sketches on the Psychology of Enquiry", 10694
psychophysical concepts of Prince A. Auersperg, 29340
psychophysical properties & nature of sensory systems mediating perception of force & weight, literature review, 26292
specific hypotheses from psychophysical laws on shape of rational agent's risk preference function, 15955

Psychophysiologic Disorders [See Psychosomatic Disorders]

Psychophysiology

audience participation in sessions of Society for Psychophysiological Research, 15489
Bayesian inferential methods, response definition in psychophysiology, 19364
behavioral manifestations of alexithymia, comments on physiological changes & psychotherapeutic events in study by M. L. Glucksman, 25142
biofeedback & physiological responses in psychotherapy, comments on study by M. L. Glucksman, 25089
biofeedback & physiological responses in psychotherapy, comments on study by M. L. Glucksman, 25129
biofeedback & relaxation techniques in psychotherapy, comments on study by M. L. Glucksman, 25117
clinical process & outcome methodology in investigation of systematic desensitization & psychophysiology, 21–37 yr old dental phobics, 27900
developments in psychophysiological & neurobiological & biophysical aspects of memory & learning, literature review, 21362
education on physiology of their feelings & phobic responses, 58 yr old female with agoraphobic & claustrophobia & 60 yr old male with phobia, implications for social work, 18209
emotion & emotional stress, modification of autonomic nervous & immunological & psychoneuroendocrine & muscular-skeletal systems & development of psychosomatic illness, literature review, 9506
experimental design, prestress physiological adaptation, literature review, 11194
functional structure of placebo response, 18–24 yr old healthy males, 8580
horror vs documentary music of film, psychophysiological stress responses, male college students, 11200
image-somatic response-meaning model for imagery & psychophysiology, implications for experimentation & psychology & education & arts & mythology, 3197
imagery & psychophysiology of sensory & motor response, 3198
inter- & intrasession reliability, psychophysiological poststress adaptation, college students, 13859
lability & strength of nervous system, stable & dynamic components of wrestling style, wrestlers, 11201
laboratory dive analog & negative tilt approaches to study of bradycardic reflex, 570
learning of unfamiliar computerized maze, retention & reaction time & heart & respiratory rates & phasic changes, human Ss, 6-wk followup, 8451
Marxist-Leninist approach to study of psychophysiology of work, 31491
mental imagery & medicine & psychoneuroimmunology, 3196
methodological & research strategies in study of psychophysiology of anxiety, 14620
monitoring physiological responses with biofeedback & clinical events & processes in psychotherapy, 25115
pathophysiology of involuntary laughter, 29 yr old male with multiple sclerosis & 52 yr old male with hypertension & diabetes & 35 yr old female with brain infarctions, 3781
Pavlovian scientific philosophy & brain physiology, 571
perceptually-based linear predictive analysis, analysis of naturally & synthetically produced vowels in psychophysical domain, 21354
physiological data & monitoring, review of psychotherapeutic processes, clinical Os, comments on study by M. L. Glucksman, 25123
physiological responses & biofeedback in psychotherapy, comments on study by M. L. Glucksman, 25152
problems within scope of psychophysiological research, conference presentation, 565
psychological characteristics, migraine vs tension headache patients, reply to criticism by P. Drummond, 20220
psychophysiological & behavioral responses to meditation & personality correlates, 8265
psychophysiological measures as diagnostic aids, children with minimal brain dysfunction & hyperkinesis & attention deficit disorders, 14793
psychophysiological methods & counseling psychology, 10056
psychophysiological methods of measuring IQ, 13382
psychophysiological parallelism vs psychophysiological identity, comments on article by I. Natsoulas, 23875
psychophysiological processes as basis in education, conference presentation, 574
psychophysiological response to success vs failure, humans, 11184
psychophysiological symptoms & multisensory imagery treatment approach, posttraumatic stress disorder, male accident victim, 4148
psychophysiology & significance of motivation in muscle tension patterns during continuous perceptual motor task, college students, 583
psychophysiology of classical conditioning learning & anticipation, 8448
psychophysiology of mental retardation, literature review, 6682
psychophysiology of Orthodox prayer & meditation, 6203
psychotherapeutic events & physiological responses, comments on study by M. L. Glucksman, 25139
stage scoring vs computer quantification of tonic EEG activity, study of sleep electro- & psychophysiology, 18–40 yr old males, 74
structural theory of image formation & psychophysiology & psychopathology, 3210
test-retest reliability & concurrent validity of mental stress test & indices of reactivity to stress, measurement of cardiovascular change, males, 19363
theory & imaged stimuli & physiological responses, literature review, 3215
univariate & multivariate classical & biometric approaches, estimation of role of genetic & environmental factors in individual differences in behavior & in psychophysiological measures, 13863

validity of groin skin temperature as physiological measure of psychosexual arousal, 21–35 yr olds, 19367
validity of translation of Morningness-Eveningness Questionnaire, assessment of personality type & correlation with body temperature, 18–27 yr olds, Japan, 18954
verb vs object oriented syntactically ambiguous sentences, pupillary responses, 19368
Psychosexual Behavior [See Also Bisexuality, Erection (Penis), Eroticism, Exhibitionism, Extramarital Intercourse, Female Orgasm, Fetishism, Frigidity, Heterosexuality, Homosexuality, Human Courtship, Hypersexuality, Impotence, Incest, Lesbianism, Male Homosexuality, Male Orgasm, Masturbation, Pedophilia, Premarital Intercourse, Premature Ejaculation, Prostitution, Rape, Sex Roles, Sexual Arousal, Sexual Deviations, Sexual Function Disturbances, Sexual Intercourse (Human), Sexual Masochism, Sexual Sadism, Transsexualism, Transvestism, Vaginismus, Virginity, Voyeurism]
absence of father during childhood, object choice in adulthood, & relations with ex-lover 27 yr old male lawyer in analysis, 25098
age at first experience & age & sex of first partner & satisfaction experienced in first encounter, psychosexual development, male homosexuals, Uruguay vs Spain, 11702
analysis of human sexual behavior & experience & dysfunctions, 1097
attention focus on self vs partner & high vs low vs ambiguous partner responsiveness, sexual responsiveness, 21–31 yr old males, replication of study by J. G. Beck et al, 19749
attitudes & sexual relations & functioning, alcoholic husbands & their wives, 14746
availability of contraceptives, initiation of sexual activity, 13–17 yr old females, 910
biased reporting of sexual intimacy with patients, psychologists, 4758
biofeedback training, psychosexual rehabilitation following penile implant, 43 yr old male, 4-yr followup study, 9820
boundary & negotiation & consciousness constructs in gender relations, 17158
causes of relational vs early date rape, 20060
childhood sexual victimization experience, adult social & psychological & sexual functioning, female 18–57 yr olds victimized as children or adolescents, implications for treatment, 30269
chlorpromazine, quality of sexual activity, schizophrenic females, conference presentation, 15179
chronic physical illness & psychological adaptations, sexual behavior, patients, 20109
cognitive developmental stage, adjustment to sexuality, adolescents, 11392
commencement of bisexual activity, change in sexual behavior & relationship with spouse, 32–60 yr old wives, 24424
conceptions of eros as mystery, neo-tantric vs brahmacharya vs orgasm-oriented 30–60 yr olds, 14404
continuum of emotional & sexual inclinations & love object orientations, self defined heterosexual females vs lesbians, 14399
dating & sexuality, widowed or divorced 60–92 yr olds, 26883
degree of sexual activity, sexual attitudes & social practices & choices of popular singers, female 8–17 yr olds vs 21–22 yr olds responding about own adolescence, 1973–83, conference presentation, 11510
determinants of sexual & dating behavior, 12–18 yr olds, 14231
development of male & female versions of sexual behavior inventory, adult couples, 10782
development of Sexual Psychopathology Scale from F. Thorne's Sex Inventory, measurement of sexual aggressiveness, college students vs convicted sex offenders, 13426
educational program, recognition of social & peer pressures leading to early sexual involvement & parental reinforcement of knowledge, 11–15 yr olds & parents, implications for prevention of sexually transmitted diseases, 18150
elective interval & postpartum tubal sterilization, psychiatric morbidity & psychosexual & physical effects, female 23–45 yr olds, 1-yr followup, 7318
erotomania, 44 yr old female with schizophrenic symptoms, 14608
estrogen &/vs androgen administration, sexual arousal vs physiologic response & interpersonal aspects of sexual behavior, premenopausal females who had hysterectomies with vs without oophorectomy, 20415
ethical dilemmas regarding sexual & intimacy boundaries, clients & therapists, 12811
evaluation of sexual behavior patterns as diagnostic technique, 13–23 yr old females with eating disorders, 14848
evolutionary perspective on demographic characteristics & sexual histories & reproductive success, White human females, 24425
factors predictive of sexual aggression against women, 18–47 yr old males, 22171
frequency of heterosexual coitus &/or genital stimulation, menstrual cycle patterns & basal body temperature, female college students 7 yrs postmenarche, implications for conception, 13842
gender identity & sex role expectations & performance, sexual function & satisfaction, 17–43 yr old heterosexual couples, 29923
geriatric sex problems & counseling & sexual medicine, 12639
government policies for development & dissemination of self related information & health services & sex education in public schools, adolescents, US, 31183
guided imagery of female sexual assertiveness, sexual arousal, male college students, 3643
guidelines for dealing with unethical professional practice involving sexual activity by colleague, counselors, 12837
humanistic egalitarianism, sexualization of therapeutic relationship, clients & psychotherapists, implications for education & alternatives for therapists at risk for sexually abusive behavior, 4801
hypnosis & imagery, sexual function & dysfunction, bibliography, 25057
incidence of oral sex, male vs female adolescents, 3531
marital & sociodemographic & intermediate variables, duration of breast feeding & postpartum sexual abstinence, Yoruba females, western Nigeria, implications for family planning, 27087
marital quality & sexual involvement with spouse, bisexual 24–59 yr old husbands, 24442
marital therapy, sexual satisfaction, spouses whose primary complaint was not sexual, 17905
masochistic sexual behavior & death, 32–45 yr olds, 20032
mediation intervention, psychological damage due to sexual intimacy with therapist, female patient, 4735
modification of sexual practices & level of promiscuous sexual behavior as means of preventing acquired immune deficiency syndrome, homosexual males, conference presentation, 3647
oral estrogen treatment, sexual physiology & behavior, 21–53 yr old presurgical male to female transsexuals, 4505
participation in sexual activity as predictor of friendship formation, 7th–9th graders, 6103
peer influence, sexual attitudes & behavior, Black & White 7th–9th graders, 26949
perception of swingers as deviant sexually & on demographic & social & political & economic issues, nonswingers, 9108
perceptions of sexual norms & engaged vs steady vs casual dating trends, male vs female college students, 15-yr followup, 20754
pornography's roots in male sexual strategy/fantasy & predisposition for polygamy, contemporary male frustration & aggression toward female & monogamous patterns of sexuality, 14403
prenatal exposure to diethylstilbestrol, sexual activity level & functioning, 17–30 yr old females, 30756
proposal of vagina-man concept to describe constellation of psychosexual symptoms & behavior patterns & personality traits, male patients, 27327
psychoanalysis of angry pacifistic personality & sexual strivings of B. Russell, 19837
psychological dynamics of sexually abusing behavior toward patients, psychotherapists & psychoanalysts, 10257
psychological profiles & psychotherapy, compulsive sexual behavior, gay & bisexual males, 17958
psychosexual & interpersonal dimensions of sexuality, 22–57 yr old diabetic vs nondiabetic females in long term relationships, 24983
psychosexual behavior, Black vs White college students, 3622
psychosexual behavior, college students, 17159
psychosexual history, females with bulimia, 17544
pubertal androgen or estrogen development & friends' sexual involvement, sexual motivation & involvement, 12–15 yr olds & their parents, 24230
quality of sexual relationship & sexual dysfunction, 26–45 yr old couples with diabetic partner, 30414
radiation treatment &/vs surgery, sexual function, 24–54 yr old females with cervical cancer, 9991

refutation of myths surrounding sexual intimacy between mental health providers & consumers, 4800
relationship factors, prediction of causal attributions about sexual experiences, male vs female graduate & undergraduate students, 17155
reported sexual attraction to clients, male vs female psychologists aged 45 yrs & younger vs 46 yrs of age & older, implications for training, 18391
role of Rockefeller Foundation as supporter of sex research for over 40 yrs, 9058
roles of drugs & sex & art & theater & music in Beat & hippie & punk & new wave countercultures, 11578
sampling differences in sexual activity, male vs female college students & their partners, 27103
self esteem & contraceptive knowledge & sex anxiety & communication about sex with partner, prediction of contraceptive use, college students, 19754
self monitoring propensities & orientations toward sexual relationships, male vs female college students, 27211
sex & marital intimacy, wives vs husbands, clinical implications, 24435
sexual & contraceptive experience & knowledge level, sex education needs & interests, rural 14–19 yr old high school students, 13041
sexual behavior, college students, Spain, 3631
sexual behavior, development of sexually transmitted disease, adolescents, 17008
sexual behavior in novel Jin Ping Mei, wealthy household, China, late 16th century, 736
sexual behaviors & attitudes & concerns, sexually active never-married female vs male college students, 27093
sexual experience & dysfunction & physical & sexual abuse, 19–50 yr old alcoholic females, implications for recovery programs, 30258
sexual experience, self confidence & self esteem, male vs female 17–71 yr olds, 3637
sexual fantasy content & activity patterns, males with inhibited sexual desire vs erectile dysfunction, 17641
sexual function & behavior & hormonal profiles, 17–60 yr old males with chronic epilepsy, 14826
sexual functioning & attitudes, males & females with spinal cord injuries, suggestions for rehabilitation counseling, 2160
sexual intimacy in therapy & update on malpractice insurance & claims, psychologists, 4742
sexual satisfaction & marital happiness, 21–64 yr old bisexual & heterosexual males in open marriages, 24423
sexuality & psychosexual development, aged, 11390
situational contexts & preferences & functions of sexual fantasies, male vs female sexually experienced college students, implications for college health personnel, 18538
social & psychological & somatic factors prior to & during & after illness, emotional reaction & health preoccupation & sexual adjustment 2 mo after 1st myocardial infarction, male 32–60 yr olds, Sweden, 18173
staff sexual anxiety & management of sexual issues & problems, disturbed adolescents in inpatient treatment programs, 28173
stage of dating relationship, intimacy behavior & expectation of peer behavior, pregnant female 16–19 yr old abortion clinic clients vs 17–19 yr old female student nurses, 26890
tamoxifen vs testolactone & dihydrotestosterone vs aromatized testosterone, sexual functions, normogonadotrophic oligozoospermic vs eugonadal vs agonadal 21–46 yr old males, 30731
thioridazine induced inhibition of sexual response, males vs females, 1951
treatment program, recidivism & family relations & comfort with sexuality, sex offenders, followup study, 28197
varieties of sexualized countertransference, 9711
wedge resection of ovaries, sexual life, 21–40 yr old females with Stein-Leventhal syndrome, 28063

Psychosexual Development

ability to discriminate males from females, toy choice & aggression & peer playmate selection as sex typed behaviors, 21–40 mo olds, 29694
amount of TV viewing, sex role development, literature review, 21757
attitudes toward & performance regarding sexual habilitation of chronically ill & disabled infants and children, registered occupational therapists, 25636
beating fantasies & their role in female sexual development, 7 yr old female analysand, 17800
biological maturation & peer relations in socialization process, females studied from age 8–25 yrs, longitudinal study, 21669
childhood sexual abuse, psychological & sexual adjustment, female college students, 30267
cognitive developmental stage, adjustment to sexuality, adolescents, 11392
delineation of 3-stage progression toward homosexual identity, "new gay" lesbians, criticism of work of H. L. Minton & G. J. McDonald, 6278
demography & family relations & sex education & childhood & adolescent sexual behavior, psychosexual development, college students from different geographical regions, 8846
development of preadolescent sexuality program in residential treatment center, school age patients, conference presentation, 30969
developmental research on identity formation processes, lesbians, 8835
drawings of male & female figures, sexual differentiation & identification & anxiety, pre- vs postmenarcheal 7th & 8th grade females, 934
early childhood sibling loss, psychosexual development & separation anxiety & survivor guilt & self esteem & pregnancy issues, female analysands, 30571
events in sexual development as possible cause of perversion, 4018
family size vs ordinal position vs sibling gender vs spacing, sex role development & social competence, college students, 19752
father's profession, social & sexual development of child, families, 24301
feminine behaviors during childhood & adolescence, nuclear vs marginal male transvestites who had shown period of fetishism, 24753
fetishism as incomplete resolution of oedipal stage of development, 3972
formulation of biological model of stages of development of homosexual identity, 6301
Freudian views of identification & superego formation as compensation for lost narcissism vs response to object loss & fear of castration, 21799
Freud's view on provision of sexual information to children, 897
genital ambiguity & discordance between chromosomal patterns & gonadal histology & gender identity disturbance, 15 yr old chromosomal female, 12226
geriatric sex problems & counseling & sexual medicine, 12639
mother's employment, development of sex role stereotypes, 5–7 yr olds, reply to article by L. M. Jones & J. L. McBride, 26878
nature & society & sex differentiation & gender formation, 17171
nonconflictual identity vs conflict/defense etiological hypotheses of gender disturbance, 5–13 yr olds who practiced cross-gender behavior, conference presentation, 11525
pairs of dolls differentiated by behavioral vs biological cues, gender classification & constancy, male vs female 2.6–4 yr olds, 3490
parent-child factors, gender role socialization, 4–12 yr old tomboys vs non-tomboys & their parents, 24241
parental attitudes & sex role socialization practices, gender role preferences, male vs female kindergartners & 3rd graders, 29710
parents' sex roles & oedipal fixation, sex role development, college students, 3516
pathological psychosexual development & blocked symbolization, illustrative cases of 23 yr old & middle aged male narcissistic patients in analytical treatment, 12385
perception of parental childrearing practices, sex role development, adolescents, 19697
pitfalls in research on sexual identity development, 3505
prenatal exposure to exogenous estrogen, sexual orientation, 17–30 yr old females, 4482
preoedipal attachments, feminine development, 4.5 yr old female, 6113
psychoanalytic interpretation of virgin-madonna-whore complex, human males, 19777
psychoanalytic view of role of mother-daughter relationship in daughter's psychosexual development, 8811

psychohistorical view of psychosexual development & exercise of power by Catherine de Medici, 27057
psychological sexual identity, acquisition of rational vs absorbing vs escapist vs modeling experiences, 19–72 yr olds, 17164
psychosexual development & psychopathological symptomatology, adolescent male delinquents with unrestrained sexual behavior, 17488
psychosexual fixation & object relations, erogenous preferences, 22–70 yr old females, 19768
reinforcement of sex role behavior by peers & teachers, male vs female 21–25 mo olds, 8836
relationships & emotional experience, gay identity development, married male, application of G. A. Kelly's personal construct theory, case report, 27178
roles in resolution of adolescent oedipal issues & development of cohesive self, rabbi-tutor or coach-umpire as community parental surrogates, 909
selective imitation of same-sex adults, 3 & 4 yr olds, implications for sex role development, 3533
self reports about participation in sexual activities & feelings about sexual experience at present vs between 20–30 yrs old, male vs female 60–85 yr olds, 9056
sexual ambiguity in early childhood development, parental attitudes, families, 2-yr longitudinal study, 26898
sexual identification & gender identity, father-present vs -absent males, 27098
sexual orientation as destiny, implications for homosexuality, 6279
sexuality & psychosexual development, aged, 11390
single parent & broken homes, emotional & psychological functioning & sexuality, children, 29828
social class, defeminization, male homosexuals, 3630
theory of development of heterosexual or homosexual gender identity & roles, healthy & hermaphroditic humans & animals, pediatric implications, 24947
TV as source of counterstereotyped information, social knowledge & sex role development, children, 21756

assessment of thought disorder, patients with psychotic depression vs chronic paranoid schizophrenia, reply to comments by S. R. Kay, 27281
assessment of thought disorder, patients with psychotic unipolar depression vs chronic paranoid schizophrenia, 27282
attitudes toward illness & social support & communication, families of psychotic patients, 1350
behavioral pathology similar to atypical psychosis, 16–62 yr olds with temporal lobe disorders manifested as complex partial seizures, 27679
biological antagonism between epilepsy & psychosis, 3801
biological marker of fasting plasma serine levels & serine hydroxymethyltransferase activity, depressed patients with vs without psychotic features, 30238
blood adenosine phosphate acid levels after chlorpromazine vs psychopathological symptomatology, diagnoses of psychoses vs personality disorders vs alcohol & drug abuse, psychiatric patients, conference presentation, 14554
brain histopathology, patient with atypical form of Creutzfeldt-Jacob disease corresponding to Gerstmann-Straussler syndrome with associated psychosis, case report, 30433
Capgras syndrome as manifestation of postpartum psychosis, 24 yr old female, 14589
carbamazepine & haloperidol, psychotic symptoms, 22–64 yr old psychotic male patients, conference presentation, 22514
carbamazepine, plasma levels & EEG activity & manic symptoms, patients with manic depressive vs schizoaffective psychosis, conference presentation, 15128
cases involving neurasthenia & psychotic & cerebrovascular accident patients, assessment of & suggestions for treatment & drug therapy, psychiatrists, conference presentation, 6959
causes of death related to stress in psychiatric hospitals, inpatients with nonorganic psychosis, Norway, 10114
cerebral atherosclerosis autopsy findings, patients with epilepsy & associated psychosis, 30395
characteristics of hallucinations, 8–16 yr olds with conduct or emotional disorders vs late onset psychoses, 14596
characteristics of patients who gouge out their eyes, 26 yr old male & 33 yr old female psychotic inpatients, 3834
child vs adult psychoses, literature review, 19912
chlorpromazine, patients with functional psychoses, Czechoslovakia vs Zambia, 7245
chlorpromazine vs meperidine, phencyclidine psychosis, 20–32 yr old male inpatients, 1921
chromosome abnormalities, 2–20 yr olds with autism vs other psychoses vs Asperger's syndrome, 17345
client characteristics, psychotic patients who did vs did not comply with outpatient treatment, 2038
clinical & pharmacokinetic aspects of long term depot neuroleptic treatment, psychotic patients, 27970
clinical characteristics & utility of DSM-III for diagnosis, elderly patients with late onset organic mental vs major affective vs primary psychotic disorder, 1326
clinical characteristics, hospitalized psychotic patients who refuse antipsychotic drug therapy, 1966
clinical definition & treatment of postpsychotic depression, 11934
clinical manifestation & course of psychogenic psychosis, 11919
clonazepam, 33–48 yr old females with atypical psychosis or schizophrenia-like psychosis & epilepsy, 4 case reports, 15139
clozapine vs fluperlapine, 64–80 yr old patients with Parkinson's disease & drug-induced psychosis, 25322
codeine & acetaminophen, acute psychotic symptoms, 20 yr old White male, 9916
communications & emotional cohesion, seriously ill psychotic patients in halfway house, 15290
compulsion in neurosis & psychosis & psychosomatic ailments, 17288
contribution of psychoanalysis to management of psychosis in National Health Service, Great Britain, 15007
corticosteroid/dopamine hypothesis for psychotic depression, 1369
creative concentration measurements & patterns of urinary excretion & water metabolism, 28–55 yr olds with self induced water intoxication & psychosis, 17433
creativity & evolution of psychosis, 20 yr old male artist, 9315
crepuscular hysteria & neurotic delirium vs psychotic delusions, patients, 19956
cultural beliefs, impediments to conventional therapy, 24 & 27 yr old Nigerian & Togoese females with atypical psychosis, UK, 9236
Cushing's disease presenting as atypical psychosis followed by sudden death, 37 yr old female, 12198
cyanide & oxygen, pyknosis of leucocytes, healthy vs neurotic vs psychotic individuals, 6498
decontamination in transactional analysis with functional psychoses & borderline conditions, 9700
depressive symptoms & familial psychopathology, depressed inpatients with vs without psychotic mood congruent vs incongruent features, 19905
description of "psychotizing" bonds in terms of identification process, 28 yr old female analysand with schizophrenia, conference presentation, 27782
development of acute psychoses following bupropion treatment, 35–75 yr olds, 12550

development of schizophrenic psychoses & incidence of epileptic seizures & brain damage, 6–16 yr olds, 6436
development of scientific phenomena & syndromes of psychosis, 5191
dexamethasone suppression test response, psychiatric patients with depression & psychosis vs schizoaffective psychosis, 30110
dextroamphetamine with vs without lithium pretreatment, activation euphoria & dextroamphetamine-induced psychosis, schizophrenic 18–53 yr olds, 22598
diagnosis & drug treatment in sanatorium, patients with psychoses & neuroses, Czechoslovakia, 7262
diagnosis & treatment of late onset psychoses, 45–65 yr old patients, 14555
diagnosis & treatment, 41 yr old female with affective disorder with psychosis & borderline & avoidant & schizotypal personality disorders, 24619
diagnosis of psychosis, 48 yr old female with myasthenia gravis, 9202
diagnostic distribution of occupational disability welfare applications, patients referred for psychiatric evaluation with schizophrenia vs mania vs depression vs undiagnosed psychosis, 14628
diagnostic homogenization, small group of psychotic patients, implications for treatment, 9793
diagnostic validity of Picture Projective Test vs TAT, depressed vs psychotic patients, 2915
dilation of cerebral ventricles, patients with schizophrenia & other psychotic illnesses, 30237
discussion of Freud's treatise on D. W. Schreber's case, criticism of J. S. Grotstein's study, 4344
dissociation & psychotic symptoms & transient psychosis, comments on article by S. Steingard & F. H. Frankel, 22132
dissociation & psychotic symptoms, reply to comments of R. Thweatt, 22126

psychoeducational perspective & psychosocial impact of disability & rehabilitation counseling, 22749
psychological techniques & factors in rehabilitation, chronic mental patients, Cuba, 7476
psychosocial &/vs drug therapy, activity level & social adjustment, schizophrenic patients, 6957
psychosocial rehabilitation & self help advocacy groups, families of mentally ill persons, 2126
psychosocial rehabilitation program as model of nursing care, chronic psychiatric patients, 22740
psychosocial rehabilitation strategies, prevention of rehospitalization, clients, 18290

psychosocial treatment focusing on loss & grief, alcoholics, 2182
public psychiatric hospital pilot program, psychosocial rehabilitation, acute hospitalized patients, 28177
relative success of deinstitutionalization in mental health vs mental retardation services, shift to psychosocial rehabilitation model, 2137
research participation as therapy, schizophrenic 26 yr old, implications for psychosocial rehabilitation, 2157
residential treatment model emphasizing community rehabilitation, 13–19 yr old psychiatric inpatients with concurrent chronic medical disabilities, 2095
scope of psychosocial rehabilitation & need for nonbiological treatment methods, persons with severe psychiatric disabilities, 2127
services for occupational & housing & other needs, intellectually retarded young adults, 2129
short term audiovisual group, social skills training, psychiatric inpatients in transition from hospital to community setting, 30661
social isolation & rehabilitation, children, literature review, 20544
social network interventions as crisis management strategy, prevention of psychiatric readmissions, 20–60 yr old chronic psychiatric patients with repeated hospitalizations, 2142
social skills training & rehabilitation, schizophrenic patients, 25564
therapeutic mental health program, community adjustment, chronic psychotic patient, 15418
training in community living model & "The Bridge" urban outreach mental health program, psychiatric hospital readmission, psychiatric patients, 15304
training in community living model of psychiatric care, development of community support program, rural Wisconsin communities, 15271
training in community living program, chronically mentally ill patients, 15300
validity of Street Survival Skills Questionnaire, measurement of adaptive behavior for independent living, mentally retarded 18–55 yr olds, 26214
volunteer service-learning programs, development of self esteem & social responsibility, troubled youth, 10007
welcoming committee training groups using task-centered approach, psychosocial training, institutionalized older adults, 22734

Psychosocial Resocialization [See Psychosocial Readjustment]

Psychosomatic Disorders [See Also Anorexia Nervosa, Bulimia, Hypochondriasis, Pseudocyesis, Psychogenic Pain]
affective stimuli, cognitive attribution & unconscious sensitive verbal responses & alexithymia, psychosomatic vs somatic vs psychoneurotic patients, 9184
age & attachment to mother & wife's anxiety regarding pregnancy, couvade syndrome, expectant fathers, Sweden, 6719
aggression, patients with depression vs psoriasis, 6446
anger & hostility & anxiety & depression, somatization & hypochondriacal fears & beliefs, nonpsychotic psychiatric outpatients & medical patients & medical & law students & business employees, 3786
anthropological-integrative psychotherapy, examination of disproportions & deficiencies & compensatory hypertrophy & conflicts in structures of communication, cardiac neurosis patients, 14984
anxiety & depression & psychosomatic complaints & behavior problems, parents & siblings of 4.7–18.1 yr olds with end-stage vs progressive renal disease, 27549
archetypal themes of thirst & drinking & psychosomatic disorders, implications for psychotherapy, 7091
attribution of life problems to dysphoric affect &/vs physical illness in conversion process, physiological correlates, 20–62 yr old patients with chronic pain with no somatic cause, 6878
Balint-group episode technique, access to unconscious to work out conflict, patients with psychosomatic disorders, 9779
behavioral inhibition & obsession & confiding about traumatic experience, psychosomatic disease, 6837
benztropine mesylate & systematic desensitization & supportive psychotherapy, 55 yr old female with hyperhidrosis of palms & feet, case report, 30499
brief behavioral psychotherapy, psychosomatic & anxiety disorders, primary care patients, 4437
brief strategic therapy, 64 yr old male with psychosomatic complaints, 7004
clinical characteristics & somatic symptoms, 6–12 yr olds with possible somatization disorder vs anxiety or affective disturbance vs conduct disorder, 22297
clinical features of depressive vs catatonic vs organic vs psychogenic stupor, hospitalized 16–64 yr olds, 6801
clinical manifestation & course of psychogenic psychosis, 11919
cognitive group therapy, behavior change through monitoring complaints, clients with psychophysiological disorders, 12470
cognitive therapy & behavior modification, psychophysiological complaints, children, 20372
compensation, 28–58 yr old claimants with accident neurosis, 1–7 yr followup, 1386
compulsion in neurosis & psychosis & psychosomatic ailments, 17288
concrete-sensitive & affective & conceptualizing & evaluative complaints, defense mechanism formation, patients with neurotic & neurotic-like states & somatic illnesses, implications for differential diagnosis, 6821
contributory factors to duration of psychoneurotic & psychosomatic disorders & admission to psychotherapy, 18–40 yr old clinic patients, 27836
cultural symbolism of body & psychosomatic symptom formation in bodily space-time & health, Northern Yaka, Zaire, 30381
cultural traits & psychosomatic manifestations, Greece, 17601
depression & anxiety & somatization & obsession-compulsion & interpersonal sensitivity & physical health, 19–64 yr old parents whose children died from accident vs chronic disease, 6449
development of findings scales from Psychic Sociocommunicative Findings Sheet & psychodynamic interpretation, establishment of neurotic patterns of interaction, patients with neurotic or psychosomatic complaints, 26239
development of screening procedure, psychodiagnosis of somatization disorder, female psychiatric outpatients, conference presentation, 6829
differential perceptions of condition, 18–59 yr old patients with psychosomatic respiratory or gastrointestinal disorders vs physicians & nurse practitioners, 12214
differential psychological & neurological processes in etiology of schizophrenia vs psychosomatic disorders, literature review, 6428
distinguishing of organic from psychogenic disorders, nonmedical psychotherapists, 24940
DSM-III & somatization disorder, psychiatric patients with somatic complaints, India, 17748
emotion & emotional stress, modification of autonomic nervous & immunological & psychoneuroendocrine & muscular-skeletal systems & development of psychosomatic illness, literature review, 9506
equilibrium tests for & role of limbic system in vertigo of psychosomatic vs olfactory origin, psychiatric & traumatized patients, 12216
etiology of psychogenic polydipsia, 17 yr old female, 14854
evaluation of methods of content analysis of alexithymic speech samples, psychoneurotic & psychosomatic patients with ulcerative colitis & Crohn's disease, 1240
failure of psychiatry to address nonpsychotic psychogenic pain & psychosomatic illness due to K. Schneider's concept of psychopathy, 6807
familial aggregation & DSM-III diagnosis of somatization disorder, male vs female psychiatric outpatients, 27519
family conflict & family therapy, 16 yr old female with extreme itching & scratching behavior & her parents, case report, reprint, 25190
family psychodynamics & transactions, etiology of anorexia nervosa & borderline personality organization & other psychosomatic disorders, 12229
family psychodynamics, families with adolescents with schizophrenia vs psychosomatic disorders, implications for family therapy, 30076
family support & marital satisfaction & farm functioning, self reported psychosomatic stress symptoms, wives of dairy farmers, 1515
feminine psychology & etiology of psychoasomatic symptoms, human females, 24911

"frozen grief" reflected in dreams & inability to mourn, alexithymic patients with multiple psychosomatic symptoms, therapeutic implications, 6899
gastroesophageal reflux & Barrett's syndrome presenting as globus hystericus, 46 yr old male, 22014
gender & age & life stress & perception of social support & relationship with deceased, prediction of postdisaster depression & somatization risks, bereaved family members & friends of deceased disaster victims, 6733
genetic factors, somatoform disorders, monozygotic vs dizygotic twins treated for neuroses & borderline psychotic disorders & their co-twins, 27677
group analysis, illustrative case of 27 yr old male with psychosomatic disorders, 1829
history of psychosomatic medicine in context of psychiatry, 17745
holistic psychosomatic model of illness, 14790
hypnotherapy, psychosomatic disease & neurosis, 12–16 yr old male & female & adults, 7286
hypnotherapy, psychosomatic medicine, 7287
hypochondriacal & depressive symptoms, family practice outpatients with somatization disorder, 27643
incidence of diagnosis of somatization disorder, parents whose children were abused or legally removed from home, 30248
incidence of emotional & psychosomatic disorders & alcoholism & attempted suicide, adolescent & adult immigrants, France, conference presentation, 6433
interaction of personality traits & external stressors in concubine syndrome & use of interactional model in assessment & treatment, 27 yr old female with chronic headaches triggered or reinforced by husband, 14817
MAO inhibitors, treatment of somatically related depression, 41 yr old female with food sensitivity & 39 yr old male with chemical intolerance, 15203
model of effect of sociocultural stressors on psychosomatic symptoms within context of modernization, 20140
muscular relaxation, emotional stress & neuroses & psychosomatic disorders, 4460
need for psychiatric consultation in treatment, primary care patients with somatization disorder, 25362
neurophysiological mechanisms & clinical features & role of vomiting in anorexia nervosa & bulimia & mental handicaps & pregnancy, literature review, 27631
overlooked medical conditions that cause psychological symptoms, 4203
painful spontaneous skin bleeding in Garner-Diamond syndrome, female patient with borderline personality structure, 9599
paradoxical intention & exposure in vivo, psychogenic nausea, 29 yr old female & 26 yr old male, 6-mo followup, 4439
paradoxical treatment, anxiety-related somatic complaints, 45 & 57 & 58 & 61 yr old males, 17812
parent-adolescent relationship, development of psychosomatic disorders, 14910
patterns of life event characteristics, qualitative nature of anxious or depressive or psychosomatic symptoms, patients, 27245
personality & psychosomatic factors, cancer, literature review, 1519
phenelzine, atypical somatization & affective & anxiety disorders, adult females, conference presentation, 12547
physiological differential diagnostic criteria, psychogenic tics, children, 9619
positive & negative life events & social support, illness, 18–27 yr old Navy submarine school students, 4194
prevalence & personality correlates & anxiety, avoidant paruresis, male college students, 1602
psychic factors, arrhythmias, implications for drug therapy, 1603
psychoanalytic consultation, unmotivated psychosomatic patients, 17876
psychoanalytic view of mother-baby communication & organization of somatic & psychic experience, future psychosomatic pattern, 6750

fundamental frequency during reading episode & phonetograms & pubertal stages & endocrine analysis, prediction of voice puberty, 8–9 yr old female singers, conference presentation, 765
psychological experience of 1st ejaculation, 13.5–15.4 yr old males, 19555
pubertal androgen or estrogen development & friends' sexual involvement, sexual motivation & involvement, 12–15 yr olds & their parents, 24230
pubertal development as cause of adolescent disturbance vs related to psychosocial variables, literature review, conference presentation, 29562
pubertal status, parent-child relations, 7th grade males & their parents, 8989
pubescent developmental crisis in Gandhi's autobiography, 8879
social processes & societal view of puberty, psychosocial development & mental health, adolescents, 14236
timing of maturation & puberty, perceptions of family relations, 10–17 yr old daughters & sons & their parents, 24097
Pubescence [See Sexual Development]
Public Attitudes [See Public Opinion]
Public Health Service Nurses
education & experience, perceived skill in assessment & referral services to families with chemical abuse problems, public health nurses, 4719
field work program in well-baby clinics, bonding & parenting skills, social work students & public health nurses & 23 & 24 yr old females & their 4 & 9 mo old sons, case reports, Israel, 30895
Public Health Services
adult education & community health programs, India, implications for social policy, 1992
cognitive behavioral psychotherapy, outpatients, 27926
commodity view of energy, family welfare & public health & government policy, 29902
evaluation of organizational activities of public health clinics serving poor, indigent clients & clinic staff, 25443
outpatient clinic program for linguistic skills, deaf & hearing children with personality disorders, 28094
policy & practices of National Health Service drug dependence units, England & Wales, 15463
provision of family-centered services by public agencies, 15287
psychological assessment in standard health examination at child health centers, 5 yr olds, Finland, 20450
public & mental health systems, Cuba vs Puerto Rico, 7342
public health & medical & educational & economic factors, infant mortality, families, Sri Lanka, 6462
public health strategies, facilitation & maintenance of smoking cessation, literature review, 25593
quality of position, job satisfaction & staffing of public mental health services, public psychiatrists, comments on article by K. Leehey & J. Misiaszek, 25387
quality of position, job satisfaction, public psychiatrists, 25424
value of cognitive behavior training & applications to social problems, public health psychologists, 28357
Public Opinion
age of child & method used in fictitious newspaper article about male child's suicidal death, impression of victim & reactions to family, 16–65 yr old citizens, 17480
analysis of Watergate era & Reagan presidency using L. DeMause's group fantasy model, 1065
attitudes toward alternate police operational strategies, 18 yr olds & older, 11656
attitudes toward female participation in different sports, members of town general population, 17166
attitudes toward international political leaders, 1080
attitudes toward maintenance & administration of occupied territories, leadership & psychopolitical & collective dimensions of psychohistorical process, public, Israel, 986
attitudes toward psychologists & psychiatrists & physicians & counselors & teachers & scientists, college students with nonpsychology majors & their parents, 18809
attitudes toward punishment & treatment of offenders, general public, 30985
birth in Zeeland & sex & living distance from power plant & political affiliation, attitudes toward civil use of nuclear power, 19–65 yr old Zeeuwen Ss, Netherlands, 17139
consistency of public opinion on state & national policy issues, adults, 14365
current events & conditions & TV coverage, public concern & policy, 7-yr longitudinal study, 704
demographic & background variables & TV vs newspaper exposure to political content, adults, implications for validity of exposure measures, 8633
demographic variables & satisfaction of social needs, adults, Poland, 1977–80, 17057
education & national liberalism & religious heterogeneity, anti-Semitism, public, US vs West Germany vs Austria vs France, 27085
educational background & support for Presidents Reagan vs Carter, early high expectations for achievement & gradual disillusionment, public, 1981–82, 14386
erosion of public's good opinion of medical profession & dissatisfaction with cost of medical care, 25377
extent & nature of reaction to TV film "The Day After", public viewing audience, 11372
ideology &/vs tolerance for political & social groups & issues, public, New Zealand, 17126
impact of 2-day jail sentences, traffic safety & court operations & law enforcement & public opinion, driving while intoxicated cases, 17108
knowledge of government sources of revenue & preferences for level of taxation, adults, UK, 24246
marital & educational status & sex & race, perception of employers' responsibility to provide drug or alcohol or family counseling or child day care, Black vs White adults, 26030
methadone maintenance treatment & public opinion, literature review, 28259
national survey, characteristics of those supporting vs opposing prayer in public schools, 1974 & 1980 & 1982, US, 27062
natural experimental & control settings, research on effects of TV on public opinion, 29498
newspaper investigative series on rape, public opinion & policy, newspaper readers & policy makers, 710
officer communication style, citizen satisfaction with telephone interaction, police officers & citizens, 13161
patterns of TV viewing & perceptions of hazards of new technology, Scotland & England, 2725
perceived injustice in receipt of government benefits, attitudes toward political leaders & government institutions, college students & urban residents, 11684

perception of psychiatry, psychiatrists & general public, 20278
perceptions of fairness of tax system vs increased tax rates, tax evasion, public, 29870
perceptions of inequalities in daily activities, adults, Poland, review of sociological studies from 1960–80, 17049
perceptions of seriousness of various crimes, general public & police officers, England & Wales, 24783
political attitudes & economic knowledge & status & personalization phenomenon, attribution of economic control to any president vs President Reagan, adults, 17132
politics of nuclear arms control & psychology, 11670
psychological equivalence & awareness & response-ability in nuclear age, 11569
public image, psychiatrists vs psychologists vs counselors vs teachers vs physicians vs scientists, 12879
public opinion about nuclear energy, late 1970's to present, 2722
public opinion on antisocial behavior, 22–60 yr olds, 12049
public opinion toward sex education & birth control services for adolescents, implications for public policy, 22681
race & sex, knowledge about & attitudes toward nuclear weapons & nuclear war, Black vs White 15–74 yr olds, 29776
reasons & strategies for changing negative public & professional perception of ECT, 6949
relative & cumulative impact of policy & personal proximity & partisanship, evaluations of presidential performance, college students, 19744
safety effectiveness data, attitudes toward mandatory seat belt use laws, drivers, 29899
social condemnation & perceived frequency & mutability of phenomena, perception of social problems, public, 9118
Take a Bite Out of Crime campaign, crime prevention perceptions & attitudes & behavior, adult survey respondents, 5956
terrorist attacks, fear & worry & attitudes toward political reconciliation of Palestinian problems & support for counterterrorist measures, public, Israel, 29874
tolerance attitudes, political behavior & culture & public policy & elitist theory of democracy, public, 17109
utility in determination of public opinion attitudes & dissemination of information on sensitive issues, survey of responses to radio broadcast on family planning, Israel, 16843
views of seriousness of criminal offenses, heads of households, 3969

Public Policy [See Government Policy Making]

Public School Education

academic achievement differences, Black vs Hispanic vs White public vs Catholic high school students, 18520
attendance at public vs parochial kindergarten program, English & reading & mathematics achievement, 6–7 yr old parochial 1st graders, 28409
case of Board v Rowley & interpretation of appropriate public education in Education of Handicapped Act, 11683
Catholic vs public education, promotion of cognitive development & approximation of common school ideal, high school students, 18513
Catholic vs public school education, academic achievement, high school students, 18534
child-study movement, music textbooks & education, 31190
class & race & ethnicity, local public school expenditures, 25761
comprehensive evaluation, autistic behavior, 5–17 yr olds in self contained unit in public schools, 23139
countertransference responses & problems & recommendations for effectiveness enhancement, mental health clinician in affluent public school setting, 28631
determinants of academic achievement in reading & writing & mathematics & science & civics, 10th graders in public vs private school, test of private school superiority hypothesis, 18531
development of artistic judgment & expression, public art school students, 18468
interagency model for transition from correctional institutions to public school programs, juvenile delinquents, 28220
judicial interpretation of free appropriate public education for handicapped children, 21876
legal precedents involving educational issues & Education for All Handicapped Children Act, students with severe handicaps, 11666
methodological issues in studies on Catholic vs public high school effects on academic achievement, comments on studies by T. Hoffer et al & J. D. Willms & K. L. Alexander & A. M. Pallas, 18522
minority academic achievement, Black & Hispanic seniors in public vs Catholic high schools, 23010
national survey, characteristics of those supporting vs opposing prayer in public schools, 1974 & 1980 & 1982, US, 27062
need for fine arts education, public schools, 12955
New Right's authoritarian assault on public school curriculum & threat to education, US, conference presentation, 10368
parents' occupations & type of curriculum & postschool plans & attendance at government vs Catholic vs independent school, academic achievement, 12th graders, Australia, 31225
participative management in administration of public education, 18455
perception of adaptation to American public schools, Hmong & Vietnamese & Korean students & parents & American counselors & teachers, 15789
private vs public schools & 20th century innovations, common school's egalitarian ideal, 31128
rational behavior skills instruction, personal perception orientation & emotional outlook & concepts before vs after training in public school, 15–19 yr old emotionally disturbed & learning disabled students, 10494
right to public education under Education for All Handicapped Children Act, case law, 1054
role of public schools in child care provision, 7587
school desegregation programs, public school enrollment trends, Whites, 1968–76, 25754
single-sex Catholic vs mixed-sex Catholic vs public schooling, cognitive outcome & academic achievement, high school students, 25791
structure equation approach, evaluation of theoretical model of private & public schooling, high school students, 22963

Public Sector [See Also Government, Government Agencies]

alternative advise movement, Denmark, 7372
extent of masculine vs feminine traits, male vs female professionals from public vs private sector, Jamaica, 1103
historical & legal roots & consequences for management, union shop in California public employment, 28729
job characteristics & organizational climate, top managers from public vs private sector, Israel, 23233
managerial skills training & development in public sector, management personnel, UK & Republic of Ireland, 25996
models for productivity improvement in public sector organizations, implications for personnel management, 13210
participative management in public sector steel plant, 28736
procedural concerns of mediated negotiations in public resource allocation disputes, 11575
public vs private sector work environment, attitudes toward older employees, female vs male 24–67 yr old supervisors, 28747
response to federal government attempts to realign domestic responsibilities for provision of human resources, state & local & voluntary & private policy informants & business executives, 14381
social investing & its ramifications for public employee pension funds, 23244
strategies for productivity & human resources management & quality of worklife, implications for public personnel management, 13218
team building & organizational redevelopment, improvement of productivity & quality of worklife changes at county community mental health center, employees, 13205

Public Speaking

features of oratory in political speeches, affiliative responses such as applause & cheers, M. Foot vs M. Thatcher, Great Britain, 29515
instructional desensitization vs placebo vs waiting list psychotherapy groups, reported confidence & affect & anxiousness & behavioral manifestations of public speaking anxiety, college students, 4430
management of humor in public speaking performance, members of public speaking club, 17194

Public Transportation

overall road & public bus accident & pedestrian involvement rates & characteristics, Hong Kong vs Japan vs UK vs US, 5020

photo-bus-route-map intervention, access to mass transit system & applicability across routes & destinations, educable mentally retarded 22–26 yr olds, 2146
picture-prompt card training, public transportation problem solving skills, moderately mentally retarded 18–20 yr olds, 4-mo followup, 15444
Public Welfare Services [See Community Welfare Services]
Puerto Rican Americans [See Hispanics]
Puerto Rico
geographical dimensions & family & concealment of infection & poor treatment compliance, tuberculosis, citizens, Puerto Rico, 30408
interpretation of machismo as result of SES of males, Puerto Rico, implications for clinical practice, 27700
nervios, 20–45 yr old females, Puerto Rico, 1286
participation in host society's economy, attachment to in-group & ambivalence toward host society, employed male Cuban exiles, Puerto Rico, test of theory of E. Banacich & J. Modell, 26962
predictive validity of Spanish translation of WISC-R, Puerto Rican 10.4–14 yr olds, Puerto Rico vs US, 28991
public & mental health systems, Cuba vs Puerto Rico, 7342
social support needs & resources, 65–85 yr olds, Puerto Rico, 16873
Pulse (Arterial) [See Arterial Pulse]
Punishment
age differences & positive vs negative consequences, allocation & distribution of punishment, 4–8 yr olds, 11500
attitudes toward punishment & treatment of offenders, general public, 30985
behavioral program with contingent electric shock, severe aggressive behavior, 20 yr old institutionalized dually diagnosed deaf male, 18002
benzodiazepine antagonist Ro 15-1788, punished vs unpunished response under FI schedule, pigeons, 19516
changes in attitudes toward corporal punishment & in behavior & symptoms, 10–17 yr olds in residential community for maladjusted children tested at entrance & after 3 terms, 15369
contrast between rewards received & duration & predictability of punished vs nonpunished penoids as indicator of tolerance for delay of reward, diazepam-reduced release of punished behavior, male rats, 26751
defendant's power & conformity status & degree of deviance & activity significance of offense, levels of assigned punishment, college students, 21941
environmental conditions & intrapsychic variables & duration & perceived intent & expectation, effects of sensory deprivation in psychiatric seclusion vs solitary confinement, patients vs prisoners, 27710
forms of ostracism in society, conference presentation, 962
immediate reinforcement & delayed punishment using shock, key pecking behavior, pigeons, implications for processes regulating self control, 3083
midsegment punishment during extinction on every vs 4th vs 1st trial, vicious-circle behavior, male rats, 19197
mild punishment & overcorrection & reinforcement of alternative behavior, reduction of self-injurious behavior, 12 yr old autistic severely retarded male, 11-mo followup, 25251
movement suppression time out, suppression of self injurious & dangerous & inappropriate poking behavior, psychotic & moderately & severely retarded 9–21 yr olds, 15112
naloxone vs diprenorphine vs ketocyclazocine vs ethylketocyclazocine, punished vs unpunished food reinforced operant responding, male rats, 21498
need for establishment of goals for legal/justice system & relation to selection of appropriate form of treatment & punishment, offenders, 30991
noncontingent punishment, expectation of success, introverted vs extraverted college students, 14512
observation of coworker receiving actual vs threatened reduction in pay as punishment, attitudes & behaviors, temporary clerical employees, 23279
operant conditioning model of reinforcement & punishment, medication adherence, patients with schizophrenia, 22526
ostracism & legal case against leaders of Old Amish Church, male 33 yr old former member, implications for sociobiology of individual rights, conference presentation, 982
percentage of shocked acquisition & goal-punished extinction trials, extinction of escape conditioning, rats, support for stimulus-directive interpretation of self punitive behavior, 26590
postaggression shock punishment, subsequent behavior, dominant vs isolated male mice, 13711
problem solving attitudes & behavior, intensity of parental punishment, Mexican American & White & Black mothers of 3–5 yr olds, 9011
professional accountability & modifications to shock device in treatment of aggressive behavior, 20 yr old institutionalized dually diagnosed male, 18001
proportion of correct responses by child, intensities of rewards & punishments, 25–44 yr old mothers vs 43–69 yr old grandmothers of 4–8 yr olds, 17059
punishment & treatment techniques, modification of misconduct in lifestyle, disruptive male student, 18565
punishment, response latency, extraverted male college student, 19856
reparation as alternative to juvenile criminal justice system, juvenile delinquents, England, 25539
retribution & adjudication in criminal justice system, Canada, 1070
rewards vs punishment, discrimination learning, children, meta analysis, 3427
sense of guilt & need for punishment in characters in C. Dickens's "Great Expectations", 19544
shock punishment intensity vs duration vs frequency, species-typical aggressive display, Siamese fighting fish, 26591
solitary confinement as punishment, inmates, literature review, 2140
victimization & salience & attribution, attitudes toward different forms of criminal sanctioning, community residents & legal & correctional personnel, support for work of A. L. Stinchcombe et al, 24364
Punishment (Capital) [See Capital Punishment]
Pupil (Eye)
alaproclate, pupillary response to tyramine vs phenylephrine vs pilocarpine eye drops, 17–58 yr old depressed patients, 1960
contrast reversal of checkerboard pattern of variable check size & contrast, pupillary responses, adult female Ss, 13594
optical phase transfer functions & pupil diameter, discrimination of spatial phase, 215
prolonged mental load, speed & acceleration of initial phase of pupillary reflex before vs after 6 hours of work, telephone exchange operators, 10631
pupil size, steady state monocular accommodation, 20–30 yr olds, 23580
pupil size vs direction of gaze, attribution of facial emotional expression, college students vs 8–13 yr olds, 9116
stimulation of posterior medial lateral suprasylvian area, pupillary constriction, cats, 21282
verb vs object oriented syntactically ambiguous sentences, pupillary responses, 19368
Pupil Dilation
auditory stimulus probability, task-evoked pupillary response, college students, 23873
movement-related pupillary responses during self triggered finger flexions, college students, 5721
natural copulation vs artificial vaginal stimulation & pelvic neurectomy, pupil diameter, female rats, 21464
Puromycin
intracranial puromycin injection in regions in & around preoptic area, steroid-induced lordosis & diffusion of puromycin, female rats, 26732
Putamen
aphasia & agraphia, 64–81 yr olds with small infarcts in posterior & lateral putamen & internal capsule, 30469
caudate-putamen vs posterior cortex lesions, spatial maze learning & overshadowing-potentiation effects, male rats, 13935
distribution of 9 neurochemicals in caudate nucleus & putamen & other brain areas, rats & deceased 56–88 yr olds with Parkinson's & Alzheimer's disease, 16426
dopamine vs apomorphine injections into nucleus accumbens vs amygdala vs ventral tegmental nucleus vs extrapyramidal nuclei vs caudate putamen vs globus pallidus, spontaneous climbing behavior, female mice, 21493

in vitro metabolism of beta-endorphin using membrane homogenates of postmortem putamen, patients with schizophrenia, 1372
morphine, behavior induced by dextroamphetamine injections into caudate putamen, female rats, 11350
Pyramidal Tracts
growth of fibers from intact pyramid into spinal gray matter, recovery of manual dexterity, monkeys with unilateral pyramidal lesions, 26611
origins & connections & functions of corticomotoneuronal component of pyramidal tract-corticospinal system, humans & nonhuman primates, literature review, 23825
Pyromania
DSM-III diagnosis & firesetting, child firesetters & psychiatric outpatients with mean ages of 9.4 & 9.9 yrs, 1426
Q Sort Testing Technique
investigation of lesbian identities using Q-methodology, 17–58 yr old self defined lesbian females, 11700
Q-sort, assessment of individual differences in attachment security, 12–36 mo olds, 6161
Q sort of attitudes representing value congruencies regarding future, Ss from 47 countries, 24561
Q sort of Jungian typology & character analysis, introverts vs extraverts, 24532
Q-sort questionnaires vs psychotherapy process measures of transference, patients, 17845
Quadriplegia
borderline personality disorder, quadriplegic 35 yr old male, 12290
computer art therapy as adjunct to conventional rehabilitative art therapy, quadriplegic & cerebral vascular accident & brain trauma patients, 20291
extraversion & emotional adjustment, rehabilitation patients with traumatic vs nontraumatic disabilities associated with chronic pain vs motor loss, 22300
function of auditory hallucinations, 21–38 nonverbal quadriplegic institutionalized mentally retarded patients, 27466
hysterical quadriplegia following status epilepticus, 18 yr old female with neurogenic & psychogenic seizures, 1222
intellectual level & behaviors reflecting "effectance", quadraplegic 9 mo to 12 yr olds, 9525
multilevel systemic approach, 8 yr old quadraplegic female with phobic symptoms & deteriorating mood following fulminant meningitis, implications for child psychiatry, conference presentation, 25070
nature of employment, paraplegic & quadriplegic employees, implications for vocational rehabilitation, 18306
object permanence, cerebral palsied quadraplegic 9 mo to 12 yr olds with various levels of mental retardation, 1550
purpose in life, spinal cord injured paraplegic vs quadriplegic males, implications for rehabilitation, 17664
self image & image of others & institutional & social integration, handicapped adolescents with cerebral motor disabilities, 7719
Quails
colored &/vs flavored food & lithium chloride injection to induce sickness, acquisition of color & taste aversions, ducks vs geese vs pigeons vs quail vs chickens, 11070
genetically selected &/vs imprinted color preferences, perceptual learning, quail chicks, implications for mediation of implicit gene & learning effects, 3138
methyl parathion dosages, susceptibility to domestic cat predation as measured by brain cholinesterase activity, bobwhite quail, 639
neonatal gonadectomy, sexual differentiation, Japanese quail, 604
rearing experiences, development of aggressive & sexual behavior, male quails from lines selected for high vs low mating frequency, 3099
sex of other & previous opportunity to copulate with females, social proximity, male Japanese quail, 16367
sex of other, social proximity, male vs female Japanese quail, 16368
Quality of Life
attitudes toward adversity & loss situations, stamina, 70–80 yr old community residents, 30012
attitudes toward nuclear war & nuclear power, distress & depression & drug use & quality of life, 19–24 yr old males & females, 21805
availability & importance to overall life quality & happiness & satisfaction of environmental features, construction workers & their wives from remote rural community, Australia, 23305
care practices & organization & management & physical environment & activities in hospital wards vs nonhospital residential homes, severely or profoundly retarded 18–35 yr olds, 12726
chronic back pain, perceived quality of life, rehabilitation patients, 17568
created vs discovered meaning in life, 17237
development & validity of quality of life questionnaire, multidimensional measurement of response to ecological domains, volunteers with mean age of 38 yrs, 13414
divorce, quality of life & psychological changes & recovery & persistence of anger & loneliness, divorced males vs females & their children, 10-yr followup, conference presentation, 11638
farm size & income vs individual attributes, subjective well-being & expectations for future quality of life, farm operators, 11828
focused instruction & modeling & behavioral rehearsal & feedback as group assertiveness training techniques, interpersonal relationships & quality of life, mentally retarded adults, 9815
Heideggerian phenomenological approach to nursing science & quality of life, 14538
institutionalization & stigmatization & decreased social interaction & loss of control, self esteem & concept, elderly in long term care, implications for nursing, 15395
job satisfaction & job complexity & occupational status & quality of life, males & females, implications for H. Wilensky's proposition, 23241
leisure activities as means of improving quality of life & integrity of family, Alzheimer's disease patients, 4173
major influences on quality of life, 54–96 yr old prevocationally deaf vs later onset hearing impaired females, 14868
multiple indicators multiple causes structural equation model, assessment of new drug therapy in terms of improved life quality, psoriasis patients, implications for cost effectiveness studies, 30748
needs assessment, rural economically disadvantaged elderly, 781
neuropsychological impairment & stroke-related medical risk factors & neurobehavioral data, quality of life & duration of cerebral ischemia symptoms, cerebral revascularization surgery candidates, 22222
organizational factors, psychological quality of life, clerks & 1st line supervisors & technicians & managers, 18755
perceived quality of life, 24–52 yr old severely mobility disabled individuals, 30466
perception of effects of long term neuroleptic medication on patient's quality of life, patients & clinicians, conference presentation, 12545
perceptions of quality of life & social environment & handling of reality, Ss aged 14 yrs & over who do vs do not use drugs, Mexico, 26886
placement into independent housing & competitive employment, subsequent quality of life & placement success, mentally retarded 26–67 yr olds, 8–10 yr followup, 25552
problems in evaluation of activity & life consequences, 23–69 yr olds with multiple sclerosis, 20191
quality of life & intellectual development & behavior, 3–9 yr olds in single vs multiple child families, China, 11394
quality of life, cancer patients, review of research, 12186
quality of life factors, medical decision making & use of mechanical life support systems, physicians & 69 yr old male with chronic pulmonary disease, 9992
quality of life, long term psychiatric patients living in group or boarding or private homes, implications for expansion of community services, 15299
quality of life, patients undergoing renal dialysis vs transplantation, 1987
quality of life research, Canada & US, review of research since 1975, 17027
reliability & validity of quality of life index, assessment of health & occupation & self acceptance, graduate nursing students vs 24–75 yr old dialysis patients, 13416
role in development of guidelines for promotion of quality of life & personal life satisfaction for mentally retarded, American Association on Mental Deficiency, 30324
sensorimotor exercises, quality of life, 8–14 yr old autistic males, implications for physical education, 7725
suicide vs homicide rates & quality of life, 1971, 4012

use of mortality statistics from states of US in 1931, confirmation that suicide more likely & homicide less likely in regions where quality of life was better, implications for cross national study of D. Lester, 24782
validity & reliability of quality of life index, measurement of satisfaction with nursing care & personal control, cancer vs diabetic vs colostomy patients, 13452
work & social satisfaction, quality of life & depression, male entrepreneurs & managers, Netherlands, implications for organizational development, 31450
work environment & relationship factors, 25–55 yr old junior- & mid-level executives, India, 7825
Questioning
addition of embellishing details & prequestions, free recall of text, college students, 21191
adjunct questions & objectives, retention of verbatim & semantic information & concepts & principles in prose learning setting, literature review, 4847
applicant's question placement & purpose & structure, employment screening interview outcome, interviewees, 15961
approaching problems & asking questions in educational technology, 12893
awareness of inconsistencies in game instructions & willingness to question child vs adult, kindergartners through 6th graders, 29598
development of question asking, 4–6 yr olds, 6037
development of questioning conventions & degrees of politeness, 7–16 yr olds, 3544
developmental patterns of preference for complexity & unknown & search strategies & questioning, mentally retarded 7–12 yr olds vs CA & MA matched normal children, 9470
ecological validity of adjunct questions, college students in biology course, 18497
evaluation of instructional program to increase knowledge of sources of information, question-answering abilities, 6th graders with high vs low vs average reading ability, 15704
inserted question aids &/vs E provided macro structure of passage, text recognition, 2nd vs 5th vs 9th graders, 14170
interspersed postpassage questions, reading comprehension, 2nd graders reading at grade 3 level, 25794
model for training in questioning skill effectiveness, counselor trainees, 10256
modification of question-answer relationships method for reading instruction, 22972
notetaking vs review of instructor's notes & higher-order practice questions &/vs corrective feedback, factual & higher-order performance, college students, 25817
organizationally chunked vs conventionally ordered presentation of material & intervening vs nonintervening postquestion vs testlike conditions, comprehension of visually learned material, college students, 15681
pedagogy of questioning in humanistic education, lectures given by P. Freire, 25762
perceptions of development & adoption of inquiry as classroom innovation, elementary & middle/junior high & high school teachers & college teachers, 25773
physical-orienting vs semantic-orienting questions, memory for unrelated pictures, college students, 5493
picture of disabled hypothetical classmate, nature of questions, 1st vs 3rd vs 5th graders, implications for mainstreaming, 23088
prerequisite relations among text-based inference question tasks, identification & validation of reading comprehension traits, 6th grade good vs poor readers, 15893
question order, eyewitness accuracy, 18–44 yr olds, 21943
question training & quality of questions asked, reading comprehension & recall, 7th & 8th graders, implications for development of comprehension strategies, 31201
questioning strategies during art museum tour for teacher or parent or guide, gifted children, 13106
questioning strategies in classrooms, cognitive development & promotion of social skills, 18464
reading of narrative vs expository story passages, ability to answer text-based inference &/vs paraphrase questions, 3rd graders, 23015
reading of relevant text material with higher vs lower order questions preceding vs following text, degree of required attention, college students, 13626
response to questions rated for anxiety content & visual imagery & difficulty & Ss' emotional state, direction & frequency of lateral eye movements, college students assigned to high vs low anxiety groups, 26511
responses to contingent query requests for clarification, young adults with autism or pervasive developmental disorders vs mild to moderate mental retardation, 1484
responses to neutral vs specific contingent queries from mother vs E, 1.7–3.7 yr olds, 19568
self training in family therapy methods of positive connotation & circular questioning, social worker & psychiatrist, 15533
situational variables that decrease pressure to conform to adult, leading question responses, 3rd & 6th graders, implications for simple classificatory logic, 29558
student & classroom characteristics, science inquiry skill, 17 yr old male vs female Whites vs non-Whites, 7646
study techniques involving self questioning, reading comprehension, college students, 15754
superordinate vs subordinate mathemagenic postquestions, cognitive capacity engagement during reading task & subsequent performance on recall posttest, college students, 20671
theoretical issues & instructional implications of self questioning, improvement of prose processing, students, literature review, 18512
training in question generation, reading comprehension & quality & form of generated questions & accuracy of predicted comprehension, 6th graders, 31179
use of questions &/vs highlights vs straight text format, effectiveness of computer assisted instruction, college & graduate students, 31212
validity of Pearson-Johnson taxonomy of reading comprehension, responses to textually eplicit vs implicit vs scriptally implicit text comprehension questions, 4th–5th graders, 15945
wording of interrogatives, accuracy of eyewitness recollections, college students, 29978
5 lead questions in career counseling, career counseling practitioners, 28675
Questionnaires
administration of light vs heavy alcohol consumption questionnaire, estimates of alcohol consumption, 24–57 yr old alcoholic inpatients, 20046
ambiguity & questionnaire without questions & response style, college students, Netherlands, 18916
Areas of Change Questionnaire, identification of prevalent problems in marital therapy, family & marriage therapists, 22459
attitudes toward spouses & their marriage & marriage in general, validation of marital questionnaire, 18–50 yr olds who were happily married vs filing for divorce, 5343
bias of overlapping items on French version of body focus questionnaire, correlations between scales, 20–30 yr old students, France, 13390
characters of family stress induced by child's chronic illness & construct validity of long & short forms of Questionnaire on Resources & Stress, parents of 6–14.9 yr olds with cystic fibrosis vs renal disease, 30406
computerized interactive version of D. J. Mulhall's Personal Relations Index, 20–66 yr olds, 10838
configural frequency analysis, questionnaire items measuring suicidal tendencies, 29019
construct validity of Dutch version of Maudsley Marital Questionnaire, assessment of marital discord, 30–47 yr old married couples, 20983
construct validity of Self Description Questionnaire & relation to age & sex & academic measures, multidimensional measure of self concept, 11–18 yr olds, 23125
construction & factor analysis of questionnaire, measurement of phenomenological dimensions of happiness, 17249
construction & reliability & validity of Group Environment Questionnaire, assessment of group cohesion, sports teams, 20987

construction & validation of Child Improvement Locus of Control Scales, assessment of parental beliefs about influences on improvement or recovery of their children, parent of autistic or physically ill children, 23424
construction of Children's Negative Cognitive Error Questionnaire, 4th–6th & 8th graders with vs without self reported symptoms of depression & low self esteem & evaluation anxiety, 28978
construction of Community Residents Survey questionnaire, needs assessment of community competence & functioning, community residents, 23435
construction of marital satisfaction scale, 20–60 yr old married couples, India, 23412
construction of reliable & valid questionnaire, measurement of impulsivity, 5285
construction of self report questionnaire to identify social problems, surgical & medical patients & psychiatric outpatients & social work clients, 18937
construction of short form of Self Report Inventory for Depression, 156
construction of 2-part questionnaire, measurement of role conflict & job satisfaction & situational anxiety & meaning of work, Black industrial workers, Africa, 20988
content validity of GSM-1 questionnaire, measurement of inclination toward mysticism, college students, 8088
convergent & discriminant validity of Body Esteem Scale, assessment of body awareness, college students, 23430
convergent validity & temporal stability & age-related patterning, home observation & Infant Behavior Questionnaire as measurements of infant temperament, infants tested at 3 vs 6 vs 9 mo old, 24223
correlation of 4 conservatism questionnaires, prediction of humor responses, college students, West Germany, 28996
correlational design, assessment of response rate difference between face-to-face interviews & mailed questionnaires, implications for social change surveys, 13340
cost-effective method for distribution of questionnaires, return rate of questionnaires, females, 2806
description & copies of Attitudes Toward Divorce Scale & Attitudes of Adolescents Toward the Family Scale, 27006
development & factor & item analysis of shortened version of Questionnaire on Resources & Stress-Short Form, assessment of stress & social support, parents of handicapped & mentally retarded & motorically & sensory impaired 8 mo–47 yr olds, 13460
development & reliability of rating questionnaire, measurement of love styles, college students, 13421
development & reliability of Social Competence Questionnaire, college students, 4992
development & validity & reliability of Computers and Robots Attitude Questionnaire, 13–16 yr old secondary school students, 7766
development & validity & reliability of Family Functioning in Adolescence Questionnaire, 14–18 yr olds, 160
development & validity of Counselor Perception Questionnaire, measurement of cognitive growth during counselor supervision, counselor trainees, 8051
development & validity of quality of life questionnaire, multidimensional measurement of response to ecological domains, volunteers with mean age of 38 yrs, 13414
development & validity of questionnaire for nursing research methods course, college students, 20825
development & validity of Smoking Self Efficacy Questionnaire, measurement of self efficacy for resisting urge to smoke, cigarette smokers with mean age of 39.6 yrs, 16128
development of Achievement Motive Questionnaire, measurement of achievement motive & sport performance, adults engaged in weekly athletic activities of majoring in or attending classes in physical education, 26209
development of divorce impact questionnaire, assessment of perceptions about children's reactions to divorce, parents of 3rd or 5th graders from disrupted vs intact homes, 10825
development of forced-choice questionnaire, measurement of schizophrenia, adult patients, 16119
development of Life Philosophy Scale, measurement of general & situational locus of control at work, factory employees at all hierarchy levels, 8070
development of Multimethod Job Design Questionnaire, interdisciplinary measurement of job design, supervisory & nonsupervisory employees, 2873
development of Offer Self-Image Questionnaire translation, adolescents, West Germany, 2920
development of pay satisfaction questionnaire, measurement of satisfaction with pay level & benefits & raises & structure & administration, professional & managerial & technical employees, 20996
development of problem solving questionnaire, 16149
development of questionnaire assessing concerns in choice of birth control method, 14–45 yr old females, conference presentation, 23488
development of questionnaire, assessment of attitudes toward having children, couples from family planning vs infertility vs antenatal clinic, Scotland, 14294
development of questionnaire, assessment of social & cultural & psychological factors of coronary heart disease & stroke, 30–69 yr olds in clinic screening, Japan, 10802
development of questionnaire, measurement of dietary restraint & disinhibition & hunger, 17–77 yr old dieters vs free eaters, 5344
development of self report questionnaire, measurement of ego strength, 6th graders, 8050
development of Single Parenting Questionnaire, assessment of parenting factors that relate to child adjustment, divorced custodial parents, 5342
development of tools to facilitate participation in residential evaluation procedures, moderately mentally retarded, 18952
diagnostic value of Meyer-Probst Encephalopathy Questionnaire, children with behavior disturbances, 5312
difference-of-2-occasions factoring of Clinical Analysis Questionnaire, measurement of primary depression & other state factors, adult Ss, 18934
discriminant & convergent validity of cognitive & somatic anxiety questionnaire, distinction between cognitive vs somatic modes of anxiety, individuals in stress & anxiety self management course, 8111
discriminative & concurrent validity of parent-child version of Areas of Change Questionnaire, assessment of parent-adolescent relationships, families with alcoholic vs depressed father, implications for family therapy, 16143
effectiveness of questionnaire, detection of diazepam dependence, psychiatric outpatients, Czechoslovakia, 6673
electronic mail vs oral interview & written questionnaires as data collection methods for organizational research, nature of responses & response rate, business personnel, 16097
factor analysis & validity & reliability of Strain Questionnaire, measurement of behavioral & cognitive & physical stress, 17–58 yr olds, 145
factor-analysis-derived vs standard scales of SCL-90 questionnaire, information about effectiveness of diazepam vs clorothepine, neurotic patients, conference presentation, 5289
factor analysis of item responses on depression measures, assessment of conceptual distinctions among depression factors in Clinical Analysis Questionnaire-Form A, college students, 16144
factor analysis of McGill Pain Questionnaire, differential diagnosis & classification & treatment decisions in pain syndromes, chronic pain patients, support for R. Melzack & K. L. Casey's hypothesis, 5347
factor invariance of Life Satisfaction Index across income level & age groups, 55–95 yr olds, 8117
factor structure of Children's Behavior Questionnaire-Scale B & cognitive ability & family adversity, assessment of behavior problems, children rated by teachers at ages 5 & 7, New Zealand, 5001
factor structure of Illness Behavior Questionnaire, measurement of abnormal illness behavior & validity as diagnostic tool, 29010
factor structure of McGill Pain Questionnaire, discrimination in pain perception, comments on study by D. C. Turk et al, 26231
factor structure of revised self description questionnaire & self concept inferred by self vs others & academic achievement, 5th graders, 10543
factorial validity of Work Motivation Questionnaire, female vs male general physicians & dentists, 26253

Finnish Pain Questionnaire, differentiation of descriptions of pain, male coronary heart disease vs female low back pain patients, 16147
foundation & psychometric properties & uses of Older Americans Resources & Services methodology, assessment of functional capacity & use & need of generic services, aged, 23432
health belief model questionnaire, prediction of drug compliance, health maintenance organization patients, 1918
improvement of cooperation to mail questionnaires, professional groups, 8030
information from youth clinic questionnaire, communication between patients & physicians, hospitalized 10–25 yr olds, 30974
integration of text formatter & BASIC, generation of randomized psychological questionnaires, 5219
interrater reliability & concurrent validity of Family Resource Questionnaire, assessment of social support, 43–87 yr old stroke patients, 2884
interview vs mailed questionnaire, interviewer effect on response to assessment of depression & life satisfaction following bereavement, elderly adults, 20955
item & reliability & factor analyses of English vs Chinese version of General Health Questionnaire, bilingual college students, Hong Kong, 5294
Levine-Pilowsky Depression Questionnaire vs diagnosis based on Research diagnostic criteria vs DSM-III, diagnosis of depression, referrals to psychiatric liaison service following parasuicidal act, 17407
Levine-Pilowsky Depression Questionnaire vs DSM-III, assessment of depression, psychiatric inpatients, 5292
Maudsley Obsessional Compulsive Questionnaire, measurement of checking & worrying vs contamination & cleaning vs doubts & intrusive thoughts, male vs female 18–25 yr old students, Italy, 9174
McGill Pain Questionnaire, assessment of tonic vs phasic pain perception models, 21–27 yr olds, 13404
McGill Pain Questionnaire vs MMPI vs SCL-90-R vs State-Trait Anxiety Inventory vs rating scale, assessment of anxiety & depression, chronic pain patients with mean age of 45.6 yrs, 129
Monte Carlo baselines for interrater reliability in Position Analysis Questionnaire, raters, implications for job analysis research & practice, 28784
new scoring for General Health Questionnaire, measurement of chronic illness vs good health, 136
Nijmegen questionnaire, screening & assessment of shortness of breath & peripheral & central tetany, hyperventilation syndrome patients, 9631
overall & within group question position, item omission rate on mail survey, association members, implications for sampling & multivariate analysis, 5227
perceptions of staff as fair vs tyrannical & validity of Prison Life Questionnaire, prisoners, 15441
predictive validity of Cognitive-Somatic Anxiety Questionnaire, distinction between predominant vs secondary anxiety mode, 21–47 yr olds, clinical implications, 26251
previous experience with pain & pain perception during labor & reliability of McGill Pain Questionnaire, 17–38 yr old females, 151
questionnaire vs brochure vs questionnaire & brochure, marketing response to health maintenance organization, civil service & college personnel, 2736
questionnaires vs hormone level tests, stress assessment & management, business & industrial personnel, 167
ranking of desired properties of behind-the-ear hearing aids, hearing impaired 16–74 yr olds, 22615
rater affective feelings & demographic factors, neutral responses to structured questionnaires about supervision & personnel policies & job & work factors & commitment, employees, 16136
reliability & generalizability of Fear Survey Schedule & Fear Questionnaire across samples & gender & nations, measurement of phobic dimensions, review of research, 116
reliability & validity & item analysis of Simplified Health Questionnaire, detection of school maladjustment, junior high school students, 18678
reliability & validity of balanced attributional style questionnaire, 131
reliability & validity of questionnaire, measurement of locus of control, 13–17 yr olds, 28972
reliability & validity of self report ego strength questionnaire & correlation with 16PF subtest & school conduct, 16124
reliability & validity of sociological surveys & self report questionnaires & structured interviews, measurement of intimacy, 5349
reliability of Bilingual Background & Bilingual Self Rating Questionnaires, 2867
reliability of Clinical Analysis Questionnaire, simultaneous assessment of normal & pathological traits, 16189
reliability of family tree questionnaire, assessment of family history of drinking problems, inpatient alcohol abusers, 13437
reliability of self completion vs interview administered Short-Form Alcohol Dependence Data Questionnaire, 20–53 yr old alcoholics, Brazil, 13427
reliability of Swedish version of Illness Behavior Questionnaire, assessment of somatic syndromes, 20–70 yr old patients, Sweden, 18971
semantic analysis of S. Fischer's Body Focus Questionnaire, 18920
situation-specific coping list, assessment of coping patterns prone to migraine development, 20–58 yr old migraine patients, 1642
social network questionnaire, index of types of social support & predictions of adjustment, 5th–8th graders, 14230
suggestions for questionnaire design for parapsychology research, 23331
tension mannequin questionnaire, assessment of subjective tension levels across muscle sites, 20–85 yr olds before vs after relaxation training & frequent vs less frequent headache sufferers, 4210
use of General Health Questionnaire & Chinese translation of Clinical Interview Schedule, prevalence of mental disorders, urban residents, Taiwan, 6486
use of questionnaires in clinical practice as diagnostic screening tools of patient history, pediatricians, 25080
use of raffle for monetary prizes, response rate to mailed questionnaire about respiratory symptoms, 10749
use of Severity of Alcohol Dependence Questionnaire, 18–60 yr old problem drinkers, 6668
utility of Child Game Participation Questionnaire & Child Behavior Attitude Questionnaire, assessment of gender identify disorders, 8–14 yr old males vs females & their mothers, 23405
validity & reliability of questionnaire, measurement of autonomous vs dependent style of behavior, 9th & 10th graders & 2nd yr technical students, 7770
validity & reliability of self assessment questionnaire for patient educators, 1st–3rd-yr family practice medical residents, 13456
validity & theory verification of Teacher Concerns Questionnaire, preservice & inservice teachers, 10551
validity of evaluation questionnaire, assessment of interpersonal skills & humanistic qualities, medical residents, 20572
validity of French version of B. Rimland's F2 questionnaire, differential diagnosis, 3–15 yr olds with severe disturbances or Down's syndrome with diagnoses of infantile autism or autism with associated symptoms, 24669
validity of General Health Questionnaire vs Self Report Questionnaire, assessments of non-psychotic psychiatric disturbance in primary care settings, patients attending primary care units, Brazil, 18964
validity of K. O. Fagerstrom's Tolerance Questionnaire, measure of nicotine tolerance & physical dependence to cigarettes, smokers, 26229
validity of objective personality tests, differential diagnosis, neurotic vs alcoholic vs schizophrenic Ss, 5333
validity of PGI Health Questionnaire, assessment of neuroticism, neurotic psychiatric outpatients, 29007
validity of questionnaire, assessment of depression, clinical patients, 26210
validity of questionnaire, assessment of negative attitudes toward medication, relatives of schizophrenic patients, 2902
validity of Street Survival Skills Questionnaire, measurement of adaptive behavior for independent living, mentally retarded 18–55 yr olds, 26214
validity of translation of General Health Questionnaire & Clinical Interview Schedule, detection of minor psychiatric disorders, general practice clients aged 18 yrs & over, Italy, 16132

validity of translation of Morningness-Eveningness Questionnaire, assessment of personality type & correlation with body temperature, 18–27 yr olds, Japan, 18954
validity of Vragenlijst Recent Meegemaakte Gebeurtenissen, measurement of recent life events & altered health status, 2927
Quinine
electrical stimulation vs lesions of medial or lateral septal areas, preferences for sodium chloride saccharin vs acetic vs quinine solutions, male rats, 16505
intraoral infusions of quinine hydrochloride, development of adultlike aversive reactions of chin scraping & paw treading, hyperthyroid vs normal 8 vs 10 vs 12 vs 14 vs 16 day old rat pups, 11337
ip administration of 2-deoxy-dextro-glucose, drinking behavior & glucoprivic feeding, male rats adapted to quinine-adulterated water, 14065
paraventricular hypothalamic norepinephrine, unconditioned saccharin preference & conditioned taste preferences & quinine aversion, male rats, 16709
prefeeding vs lithium chloride vs quinine, behavioral structure of anorexia, male rats, conference presentation, 29345
Quinine Sulfate [See Quinine]
Rabbis
attitudes toward suicide & recognition of suicide lethality, Protestant vs nontraditional vs Catholic vs Jewish vs Eastern religious clergy members vs educated laypersons vs other mental health professionals, 27402
image of ideal housewife, traditional Jewish-Oriental rabbis, 19th & 20th centuries, 17172
psychoanalytic view of "dybbuk" possession, female rabbi in 19th century Eastern European Hasidic community, 10693
Rabbits
age & role of maternal presence, home odor preferences, young & mother hares, 3123
circadian rhythms & internal synchronization of physiological functions, rabbits, 23849
classical conditioning of nictitating membrane in rabbits as model for study of learning & memory & aging, 23692
compound conditioning vs stimulus compounding, summation & configuration in nictitating membrane response, rabbits, 19213
cue similarity & US magnitude, appetitive differential conditioning of jaw movement response, rabbits, 367
intragastric hexose infusions of glucose & fructose & galactose, food intake, rabbits, 21377
pretrial UCS priming, acquisition & performance of eyeblink response, male rabbits, 19227
rate of sodium deficiency correction, rabbits, 5745
Race Attitudes [See Racial and Ethnic Attitudes]
Race Relations [See Racial and Ethnic Relations]
Racial and Ethnic Attitudes [See Also AntiSemitism, Ethnocentrism, Racism]
analysis of American Psychological Association annual convention programs for cultural & ethnic content & emergence of policy statements, 1977–82, 31071
appropriateness of failure to help & source of helping request, willingness to help Black recipient, White female college students, 24506
attitudes toward South Africa & Blacks vs Whites, Whites vs Asian Indians, South Africa, implications for work of W. G. Sumner & T. W. Adorno et al, 24271
auto- & heterostereotyped attitudes, aboriginal vs Anglo-Australian 9th & 11th graders, Australia, 31256
cognitive & motivational correlates &/vs types of intergroup contact, recognition of faces of own vs other ethnic group members, 11753
contribution of language use to group stereotypes, Westerners vs Chinese Ss speaking English vs Cantonese, 17039
convergent & discriminant validity of ethnic attitude measures &/vs role & perspective taking tasks, White 2nd–4th graders, 18968
correlations between measures of symbolic racism & prejudice & personality & sociopolitical attitudes, measurement of continuity & change in racism & interracial contact, White voters & rural residents, 11602
education, democratic commitment & ideological refinement & intergroup attitudes, survey respondents, 2291
effects of race on counseling & psychotherapy, meta-analysis, 25090
empirical studies of racial attitudes, South Africa, literature review, 29795
ethnolinguistic identity, attitudes toward Flemish vs French speaking Ss & hypothetical Ss presented as insiders vs outsiders, 17–18 yr old Flemish males, Belgium, 19660
factors affecting nondisclosure in psychotherapy with White therapist, Black clients, criticism of C. R. Ridley's study, 17774
factors affecting nondisclosure in psychotherapy, Black clients, criticism of C. R. Ridley's study, 17759
inpatient treatment, medical & socioeconomic & psychological goals & self identity & racial & group consciousness, Black alcoholics, 28248
inter- vs intragroup ethnic stereotyping, Spanish vs Malaysian vs American college students, 3575
length of tenure & ethnic origin & integration beliefs & preferred teaching method, expectancy bias, elementary school teachers, Israel, 15591
life stress & race & culture, counseling & social support services, racial minorities, 30916
model for effects of prejudice &/vs symbolic racism &/vs rational choice, opposition to busing & mediation by expected costs, Blacks vs Whites, 14282
normative & social structural explanations for changes in racial tolerance, 1958–78, 21814
overheard criticism which did vs did not involve ethnic slur of Black winner vs loser of debate, evaluation of debater's skill, White college students, 14461
parental attitudes, development of racial attitudes, Black 4–5 vs 6–7 yr olds, 2.5 yr longitudinal study, 26881
parental attitudes vs social & political factors, affective orientation toward vs cognitive judgments on racial minorities, 18–42 yr old adult children, 6204
participation in host society's economy, attachment to in-group & ambivalence toward host society, employed male Cuban exiles, Puerto Rico, test of theory of E. Banacich & J. Modell, 26962
perception of White target identified as Black in indirect dyadic interaction, White college students, 17225
perceptions of Black vs White SES, commitment to affirmative action policies, Whites, 17048
preferences for similar vs dissimilar counselor characteristics, 17–52 yr old Black college students, 28105
prejudice levels & accented speech of test taker, scoring of ambiguous WISC-R responses, 17–56 yr old test scorers & White vs Hispanic children, 23130
prejudicial attitudes, verbal communication & written discrimination responses to Black & White clients, Black vs White counselors, 18233
projection & assumed similarity in ethnic intergroup trait attribution, Amhara vs Tigre vs Oromo college students, Ethiopia, 6368
purpose & development of Ebony group, social adjustment, Black children placed in White foster homes, England, 7386
racial & ethnic stereotyping as defensive mechanism in interracial therapeutic relations & need to accept patient's individuality, 16 & 24 & 28 & 35 yr old Black male & female & Puerto Rican female clients & their White female therapists, 22421
racial awareness & attitudes & self concept, Black 4–6.5 yr olds, reprint, 29747
racial prejudice resulting from image of criminals as young Black males, likelihood of gun ownership, White males, 26977
racial self esteem, personal self esteem, Black high school students, 8918
racial terminology in descriptions of individuals in manipulated photographs, adults from various social classes, evidence of cultural mechanisms supporting discrimination & acceptance of miscegenation, Colombia, 8960
reactions to Black vs opposite sex vs glasses-wearing vs wheelchair-bound vs facially disfigured vs obese child, White nursery school students through 3rd graders, 24228
request for expression of degree of agreement with demands favoring foreigners proposed by minority source, agreement, college-aged natives vs foreigners, Switzerland, 3681
scientific & moral justifications for Aryanism during 19th & early 20th centuries, France & Germany, 999

semantic differential with vs without mention of race, assessment of attitudes toward Blacks, White male & female college students, 28625
social & psychological factors of hostility & prejudice between ethnic groups, immigrants vs migrants, 11594
statistics & attitudes on interracial marriage, Koreans, Japan, 1965–79, 26999
stereotyped attitudes, interactions with outsiders & in-group behavioral patterns, members of racial & ethnic groups, 8953
theoretical & ideological barriers to study of race & racism in development of industrial societies, US, 8961

Racial and Ethnic Differences

academic achievement & self concept of ability & self esteem, Black vs White college bound students, 15750
academic achievement, adolescent White vs Black students, England, 23013
acceptance & attitude toward childhood autonomy, Black vs White low SES mothers of 84–126 mo olds, 19715
age & race & educational level & occupation, incidence of physical & mental disorders, male Black vs White Navy personnel, 1974–79, 14558
age & racial & ethnic differences & adjustment & academic achievement & personality traits, mainstreamed learning disabled 10th graders, 1472
age & racial differences, incidence of suicide, Singapore, 4009
age & sex, sexual & contraceptive knowledge & attitudes & behavior & communication patterns & demographics, White vs Black vs Hispanic vs Asian 16–25 yr olds, 26925
alcohol history & attitudes toward drinking & treatment referral, Black vs White alcohol abusing & dependent patients in emergency room, implications for treatment & prevention, 28223
alcohol use & trait anxiety, 25–40 vs 41–55 vs 56–74 yr old female vs male Catholic ethnic vs Northern European & non-ethnic vs minority drinkers, 14415
anxiety & eating behavior, lower SES obese vs nonobese American Indians vs Whites, 4187
apperception of jokes & cartoonlike drawings aimed at same vs other's group, Jewish vs Arab high school students, Israel, 3530
attitudes & social networks & knowledge about contraception & reproduction, 13–20 yr old Mexican American vs White pregnant adolescents & mothers, 885
attitudes toward science & science education, 9 vs 13 vs 17 yr old Hispanic vs White vs Black students, 25856
attractiveness ratings of photographs of White females vs males, female vs male Cruzan vs American residents, Virgin Islands, 9112
auto- & heterostereotyped attitudes, aboriginal vs Anglo-Australian 9th & 11th graders, Australia, 31256
awareness of multicultural perspectives & cross cultural differences, counseling psychologists, comments on articles by F. M. Smith, J. M. Casas & W. J. Lonner & J. H. Katz & F. A. Ibrahim, 30902
Behavior Rating Profile vs J. R. Mercer's Teacher Questionnaire, in-school adaptive behavior rating, Black vs Hispanic vs White 7 yr olds & their teachers, implications for unbiased assessment, 31343
birth order, acceptance vs rejection of race concept, physical anthropologists, 11818
career planning attitudes, Chicano vs White junior & senior high school students, 18560
characteristics at admission to chemical dependency program vs at 6-mo followup, 10–23 yr old White vs American Indian drug abusers, 18330
class & race & ethnicity, local public school expenditures, 25761
client satisfaction with & test reliability of Spanish vs English versions of Client Satisfaction Scale, Hispanics vs non-Hispanics, replication of research of R. E. Roberts, 23414
commitment to involvement & expectations of significant others & other obstacles, utilization of senior centers, Black vs White male vs female aged of varying socioeconomic status, 28095
communication training workshop, intercultural couples at college counseling center, 2574
conceptions of femaleness & maleness, White & Black male vs female 17–74 yr olds, 6296
conceptualization & operationalization & measurement of racial identity, cross-cultural counseling process research, Black students, reply to criticism by J. E. Helms, 31314
construction of ethnic & gender identities through sports & social attitudes toward sports as defining marginal position in society, females & ethnic minority groups, UK, 18696
contrasting hair color & facial expression & profile types in photographs, selection of photograph of mate preferred in long term husband-wife relationship, male & female college students, test of minority-type mating advantage, 29970
counseling & psychotherapy, Asian-American clients, literature review, 30577
cultural assimilation & expectations, pathological consequences & counseling, comments on articles by F. M. Smith & J. M. Casas & W. J. Lonner & J. H. Katz & F. A. Ibrahim & K. H. Inouye & P. B. Pedersen, 30920
cultural background & age of child, valuation of social competence in parenting style, parents of 8–18 yr olds of European vs Japanese ancestry, Hawaii, 27008
culture vs socioeconomic differences, family helping behavior, Black vs White elderly parents of adult children, 9003
deficit vs difference models of early childhood intervention & cognitive ability, Blacks & Whites, comment on views of E. Zigler & W. Berman, 10345
degree of acculturation & cognitive style, performance on verbal & nonverbal intelligence tests, Anglo vs Mexican American 4th–5th vs 8th vs 12th graders vs college students, 14157
demographic & clinical characteristics & incidence of mental disorders, 18–65 yr old Black vs White males vs females vs Puerto Rican males addicted to opiates, implications for treatment, 30285
depression & suicidal tendencies & delinquency & psychomotor retardation & academic difficulties, children with French mothers & North African fathers, France, conference presentation, 6020
determinants of work attachment, 34–38 yr old Black vs White married females, 2682
determination of cultural bias in Miller Assessment for Preschoolers, assessment of risk for communication disorders, male vs female Black vs White 3–5.5 yr olds, 26257
development of internalization of concept of death, Jewish vs Moslem vs Christian vs Druze 10 yr olds, Israel, 14153
Differential K Theory & delay of reproductive effort & extraversion & neuroticism, Mongoloids vs Caucasoids vs Negroids, 24568
dimensions of reading attitudes, 3–5 yr old Mexican vs Anglo vs Black Americans vs other ethnic groups, 25852
early childhood education & possible inappropriate use of results of Westinghouse study in policy making, reply to comments by L. G. Humphreys & V. G. Cicirelli, 10398
effects of race on counseling & psychotherapy, meta-analysis, 25090
ethical issues in counseling gender & race & culturally distinct groups, counselors, 12686
ethnic background, dexamethasone suppression test results, patients with major depressive disorders, reply to comments of J. R. de la Fuente & J. Sepulveda Amor, 17334
ethnic background, results of dexamethasone suppression test, patients with major depressive disorders, Mexico, comments on article by J. I. Escobar, 17329
ethnic differences, alcohol misuse, foreign-born psychiatric inpatients, 6664
Ethnic Student Training Group, Hispanic & Black & Asian & Native American & Jewish American counselor trainees & staff, 4776
ethnicity & gender & age, peer preferences, Black vs White vs Hispanic deaf vs hearing 3–5 yr olds, 22291
ethnicity & SES & employment status of wives, census respondents, Hawaii, 24265
ethnicity & sex, preference for gender-stereotypic job applicants, Micronesian vs US college students, Guam, 3627
extent of & attitudes toward alcohol abuse & help-seeking behavior & treatment considerations, Black vs White female alcoholics, 28237
factor analysis of containment theory & juvenile delinquency, female vs male Black vs White high school students & residents of correctional institutions, 27454
factor structure of New South African Group Test, White vs mixed race African speaking vs White vs Indian English speaking 13 yr olds, South Africa, 13405

factorial stability of California Achievement Test, male vs female Black vs Hispanic vs White 5th vs 7th graders, 2580
familial patterns of mental retardation, family members of Black vs White mildly vs severely mentally retarded children, reprint, 30328
father's occupational status & education & mother's education & respondent's ability & high school curriculum & grades, predictors of postsecondary educational attainment, Black vs White high school seniors, 31242
female counselor race & physical attractiveness, client impressions & expectations, Black vs White female college students, 28119
formation of personality components prior to old age, male vs female Black vs White 15–60 yr olds, South Africa, cross cultural test of E. H. Erikson's development theory, 24211
foster parent-foster child experiences & relations with biological parents & cultural differences in foster placement, Vietnamese & Haitian & Khmer refugee/entrant unaccompanied minors, 24284
frequency of nonnarcotic drug use, criminal activity, Black vs White male narcotic addicts, 27442
gender & race & SES, self esteem, Black vs White 11th graders, 11533
gender & race salience, person organization & recall, college students, 11768
geographic & occupational mobility, nostalgia & identity discontinuity, male vs female White vs non-White 18 yr olds & older, test of F. Davis's hypothesis, 3725
grade level & gender & race, musical style preferences & discrimination skills, 1st vs 2nd vs 3rd graders, 18525
heart knowledge & parental exercise & father's occupation & ethnicity, frequency & type of exercise, male vs female 7th–8th graders, implications for heart disease, 22264
help seeking behavior & problem perception, Asian American vs White college student counseling center clients, 28649
hypothesis of C. Spearman on nature of differences on IQ tests, Blacks vs Whites, 18910
incidence & diagnosis of manic depressive illness, Black hospitalized psychiatric patients, 19958
inferential vs superficial judgment vs intentional learning instructions, face recognition, White vs Black college students, 6354
initial experiences with task failure vs success & observation of peers' task outcomes, achievement expectations, lower-class urban Black vs middle-class rural White male vs female 3rd graders, 2422
inter- vs intra-racial interaction, social evaluation of standard vs empathic assertion in conflict situations, Black vs White college students, 9107
inter- vs intragroup ethnic stereotyping, Spanish vs Malaysian vs American college students, 3575
interethnic similarities & differences in response to pain, Black vs Irish vs Italian vs Jewish vs Puerto Rican facial pain patients, 1599
internal vs external attributions & antecedents to drinking, American Indian vs White college student social drinkers, 29928
internal vs external vs mixed locus of control dyads, performance on cooperative board game, Chinese-American vs American 8–10 yr old males, implications for role of cultural context in socialization, 3489
Introversion–Extraversion & General Occupational Themes scales score differences of Strong-Campbell Interest Inventory, Hispanic vs Anglo male vs female college students, 24558
language as therapeutic concern & culturally different counseling psychologists, comments on articles by F. M. Smith & J. M. Casas & W. J. Lonner & J. H. Katz & F. A. Ibrahim & K. H. Inouye & P. B. Pedersen, 30914
Leadership Opinion Questionnaire, assessment of leadership style typologies, male vs female White vs Black business administration & management college students, 14445
life event cognitive appraisals & experiences, Hispanics vs Whites vs American Indians with mean age of 31.9 yrs, implications for etiology of physical & mental disorders, 1234
majority vs minority status, outcomes of outpatient methadone maintenance vs drug free residential vs outpatient treatments, Blacks vs Whites vs Mexican Americans, 12763
mathematics & reading achievement & causal attribution & attitude toward school success & class behavior, teacher ratings & science achievement, desegregated Black vs White male vs female junior high school students, 20725
methodological concerns in study of birth seasonality, schizophrenic Blacks vs Whites, comments on study by B. J. Gallagher, 24618
methodological issues in comparative racial analysis of wife abuse, Black vs White wives, 14712
minority advances in performance on College Board Scholastic Achievement Test, comments on article by L. V. Jones, 20821
mortality due to accidents vs poisonings vs violence, Black vs White naval personnel, 28663
narcotic addiction status & city, criminal activities, Black vs White vs Hispanic narcotic addicts in methadone maintenance, 17475
need for prevention & rehabilitation in adoption & foster care services, Black & ethnic group families, UK, 30875
neuroleptic dosage requirements, Asian vs White psychiatric patients, replication of study by K. Lin & E. Finder, 22593
nomination vs rating method & activity content, assessment of intergroup relations in classroom, female vs male junior high school students of Western vs Middle Eastern origin, Israel, 20753
nonverbal behaviors & classroom communication style, White vs Choctaw Indian 5th & 6th graders & their teachers, 7664
nonverbal communication & classroom interaction & attitudes, Black vs White teachers & students, 2458
numbers & timing of hospital contacts & nature of services & reasons for contacts before age 17, White vs Black juvenile delinquents, implications for role of medical events in development of maladaptive behavior, 6660
occupational prestige, mortality rates, Black vs White alcoholics, 24758
occupational status & economic sector location & subjective view of social class & SES, world view & social tolerance & political attitudes, Blacks vs Whites, US, 8959
origins of research & training in role of racial & ethnic minority variables in counseling process, 12804
own-race bias in construction of lineups using Black & White "suspects", Black vs White college students in mock criminal investigations, 11646
partner's sex role & children, marital adjustment, 18–65 yr old Black vs White couples, 1023
patterns of heroin & inhalant &/vs other drug abuse & treatment, Chicanos vs other ethnic group members admitted to drug treatment programs, 1975–81, 10164
perception of fry register vocalizations, Black vs White 17–23 yr old females with standard southern English vs Black dialect, 19091
perception of increased proportion of female incumbents, prestige & desirability of high status occupations, Black vs White male vs female college students, replication of J. C. Touhey's findings, 13039
perceptions of family & school environment, educational & occupational aspirations, Anglo Australian vs Greek vs Southern Italian 16 yr olds, Australia, 14227
performance on WAIS, parents vs their children of European vs Japanese ancestry, Hawaii, reanalysis of data of J. C. DeFries et al from Hawaii Family Study of Cognition, 24140
period & cohort patterns, migration, Black vs White 14–24 vs 45–59 yr old males, 6146
pleading guilty & racial & ethnic group membership & prior court experience, speed of legal processing, Whites vs Blacks vs Chicanos, 1977–79, 17143
political-economic conservatism & racism & attitudes toward social & law & order issues & militarism, Blacks vs Whites, 6202
positive prejudice, attitudes toward ethnic minority, college students as members of majority ethnic group, Australia, 6198
potential causal factors in prevalence of hypertension & differential response to antihypertensive drug therapy, Blacks vs Whites, conference presentation, 9920
predictive variables of personality & social background, choice of scientific majors, White vs Black natural vs social vs nonscience college majors, 25833
preference for Spanish- vs English-language TV vs radio, Mexican Americans, implications for ethnic segmentation in advertising & marketing, 23324

prejudicial attitudes, verbal communication & written discrimination responses to Black & White clients, Black vs White counselors, 18233
prevalence of severe dementia, Black vs White female vs male residents, 17663
problem solving & self appraisal, White vs urban vs rural Black college students, 23614
process & content of attributional thinking, Black vs White 7th graders of different SES, 15785
pseudo-transference in interracial psychotherapy, Black client & White therapist, 30596
psychoeducational assessment, racial & ethnic minorities, children, implications for test bias ethical & legal issues, 28607
psychophysical state of health & coping style & locus of control, Israeli spouses of dialysis patients born in Asia & North Africa vs Europe, 14908
psychosexual behavior, Black vs White college students, 3622
psychosocial & forensic factors, legal referrals to mental health service, 15–25 yr old Inuit vs Dene vs Metis Indians vs Whites, Canada, 1453
psychosocial adaptation & body build & length of residence in Corpus Christi, Mexican American vs Anglo adolescents, 19687
race & age & social skills, judgments of quality of children's role play performance, Black vs White 8 yr olds vs college students, 14224
race & ethnicity & culture & class & sex, subgroup formation & interaction in lunch court setting, White vs Black vs Chicano urban high school students, 13028
race & parity & prenatal care & SES & home environment, labor & delivery complications & birth weight & cognitive & motor development, Black vs White adolescent vs adult mothers & their infants, longitudinal study, 21688
race & sex & psychiatric symptoms & violent behavior, incarceration vs hospitalization, adolescents, 1700
race & sex & public vs private sector & educational level, employer recruitment methods, high school & college graduates, 20850
race & sex, job placement decisions by personnel officers, high school & college graduates, 20845
race & sex, knowledge about & attitudes toward nuclear weapons & nuclear war, Black vs White 15–74 yr olds, 29776
race & sex, religious behaviors & attitudes, Black vs White college students, 1973 vs 1983, 25842
race & subjective well-being, noninstitutionalized Black vs White adults, meta-analysis, 14290
race &/vs alcohol consumption, monthly vs seasonal vs day-of-the-week trends in homicide, Black vs White victims, 1973–83, 12031
race &/vs intelligence, political efficacy, Black vs White junior high school students, 26885
race &/vs SES differences on intelligence tests, Blacks vs Whites, examination of Spearman hypothesis as discussed by A. R. Jensen, 23501
race by social class stereotyped perceptions of females, female vs male college students, 21887
race, disproportionate teacher referrals for special education placement, Black male students, 18597
race effects in objective indices & subjective evaluations of job performance, Black vs White employees, meta-analysis, 23186
race, prosecutorial decisions, homicide defendants, 29897
race vs social class, participation in leisure activities, Black vs White adult urban residents, 11600
race/ethnicity, scores on Buss-Durkee Hostility & Guilt Inventory & Form A of Holtzman Inkblot Technique, Black vs Hispanic vs White male forensic patients, 18979
racial & ethnic factors, abuse with electric cords, 2–17 yr olds, 30304
racial & SES differences vs tests' loading according to Spearman hypothesis, IQ test performance, Blacks vs Whites, reply to A. R. Jensen's criticism of criticism by present author, 23500
racial composition, acute-care hospital patients, 7350
racial differences in performance on IQ tests, Blacks vs Whites, comment on conclusions of J. G. Borkowski & A. Krause, 1186
racial differences in performance on IQ tests, Blacks vs Whites, reply to comments by A. R. Jensen, 1166
racial vs SES differences in IQ test performance & test of Spearman's hypothesis, Blacks vs Whites, reply to criticism by L. G. Humphreys, 23502
ratings of academic competence & reading ability & work habits & classroom behavior & creativity & home background, reading grouping decisions, elementary school teachers & Black vs White 4th–6th graders, 31143
rearing environment & helping behavior & maternal interactions with child & ways of releasing tension, IQ & response style on WISC, Black 7–10 yr olds adopted by middle-class White vs Black families, 24139
reasons for drinking or not drinking or ceasing to drink, drinkers vs abstainers vs former drinkers of Caucasian vs Chinese vs Filipino vs Japanese vs Hawaiian vs mixed Oriental & Caucasian ancestry, Hawaii, 21893
reliability & validity of Children's Drug-Use Survey, 4th–6th graders in western community vs 9–12 yr old Native Americans, 18970
reliability of Boehm Test of Basic Concepts, Hispanic vs non-Hispanic kindergartners, 15930
reliability of Standford Achievement Test-Hearing Impaired Version, Black vs White vs Hispanic primary to secondary school students, 25941
religiosity, correlations of mother- vs father-child vs husband-wife blood pressure, Jewish European vs Asian vs North African vs Israeli parents & their 17–18 yr old children, Israel, 20150
reporting of illnesses & disability & decision to seek medical attention, Mexican Americans vs Blacks vs Whites, 1-yr longitudinal study, 9964
residential segregation & color stratification, Blacks vs Hispanics in Philadelphia, reply to comments by I. Goldstein & C. White, 24274
residential segregation & color stratification, Blacks vs Hispanics in Philadelphia, comments on conclusions of D. S. Massey & B. P. Mullan, 24269
school counseling needs, culturally diverse gifted students, 31316
school desegregation, academic achievement & self esteem & intergroup relations, minority & White children, situational analysis of research, 18550
self concept & self appraisal & ability to deal with racism & preference for long vs short term goals & social support & leadership experience, prediction of academic achievement, Black vs White college students, 4-yr longitudinal study, 15770
self esteem & ethnic identity & behavioral adjustment, Anglo vs Chicano 8th–9th graders, US, implications for clinical practice, 900
SES & age & life-change events, vulnerability to psychological stress, Blacks vs Whites, 1195
SES & race or ethnicity, anxiety & functional & health status & coping ability, Black vs Hispanic vs White 1st acute myocardial infarction patients, 6-mo & 1-yr followups, 22246
SES, self esteem & academic achievement & achievement orientation, Black vs White 5th graders, 2462
sex & locus of control, attribution of responsibility for good vs bad outcomes, Black vs White 3rd & 6th grade leaders, comments on paper by D. Brown et al, 11551
sex & race & academic class, student apathy measured by Purpose in Life Test, Black female vs male college students, 28500
sex & race & congenital heart disease & maternal smoking during pregnancy & maternal weight at delivery, growth rate, Black vs White children with Down's syndrome tested at birth & 4 mo & 1 yr & 7 yrs of age, 17505
sex & race, preferred traits of prospective infant, Black vs White male vs female 6th–7th graders, 11483
sex & race, prognosis for 1st psychiatric hospital admission & outcome, White vs Black 15–55 yr old psychiatric patients, 2-yr followup, 12715
sex & racial differences, incidence of borderline personality, White vs Black vs Hispanic psychiatric inpatients, 6484
sex & SES, gross motor development, Black vs White infants during well-baby visits in 1st 2 yrs, longitudinal study, 26814
sex role attitudes, male vs female Black vs White college students, 19771
sex role orientation & stereotypes/attitudes toward marriage, male vs female Greek- vs Anglo-Australian young adults, Australia, 17149
sex roles & race & demographic characteristics, physical symptoms of distress, 18–79 yr olds, 1105

shifts in mix of occupations in economy & racial composition of occupations, occupational convergence, Black vs White females, 1910 vs 1930 vs 1950 vs 1960 vs 1970, 8965
sibling variables, perceptions of family learning environments, Anglo-Australian vs Greek vs Southern Italian 16 yr olds, Australia, 29722
social & geographical characteristics of pharmacy patronage, Blacks vs Whites aged 60 & older, 2737
social adjustment & academic performance background, college adjustment & academic achievement, Black vs Chicano college students in predominantly White college, 20729
social background & sex & academic vs athletic context, achievement goals & motivation & attribution of success or failure to ability vs efforts, Anglo vs Mexican American high school students, 20721
social group salience, interethnic cooperative-competitive behavior, Anglo American vs Hispanic college students, 19791
social status & intellectual ability, school-related attitudes & educational & occupational aspirations, Anglo-Australian vs Greek vs Southern Italian 11 yr olds, 4-yr followup, Australia, 23012
social support & support effects, population subgroups of different sexes vs ethnic origins vs age, literature review, 6351
sociocultural factors & ethnic differences, mental disorders, 6586
stability & change in self perception & achievement, Black 8th graders surveyed initially in 5th grade, 8849
stability of IQs assessed by WISC-R, male vs female 6–16 yr old Whites vs Blacks vs Mexican Americans with learning disabilities or behavior disorders or mental retardation, 22202
status & quality of racial/ethnic minority counseling research in relationship to counselor & client variables, literature review, 30890
stress & coping behavior & psychological well-being, elderly Asians vs Caucasians, Canada, 16904
structured exploratory analysis of Raven Progressive Matrices & Vocabulary subtest of SRA Primary Mental Abilities Test, familial resemblance of cognitive abilities, White vs Japanese American families, 23780
student & classroom characteristics, science inquiry skill, 17 yr old male vs female Whites vs non-Whites, 7646
student race & severity of hearing loss, estimates of appropriate testing placement, hearing impaired students, 4971
student race & sex & grade level, interactions in classrooms, Black vs White kindergarten through 5th graders & their teachers, 15792
student's race & assessment data indicating normal vs borderline/ambiguous vs mildly mentally retarded, psychoeducational expectations & diagnostic & placement decisions, school psychologists, 31340
substance abuse & dependence & ethnicity, 30309
teacher communication patterns, male vs female Black vs White kindergartners to 7th graders & Black vs White teachers, 18547
temperament & behavior disorders, 5 yr old males from middle class vs Puerto Rican lower class families, reprint, 30283
theory & current practice in cross-cultural counseling & assessment, comments on articles by F. M. Smith & J. M. Casas & W. J. Lonner & J. H. Katz & F. A. Ibrahim & K. H. Inouye & P. B. Pedersen, 30919
theory of spatial-relational dyslexia, White vs Aboriginal Australians, reply to criticisms of A. A. Pontius, 9426
training in Japanese face-digit pairs, subsequent Japanese face recognition, female college students, implications for other-race effect, 19132
transcultural adoption, intellectual development & school success & emotional adjustment, Southeast Asian children who had been adopted 4–12 yrs earlier by French speaking families, Belgium, 14328
Type A vs B behavior, job performance & psychosomatic complaints & career progression, francophone vs anglophone white-collar employees, Canada, 2624
use of time & space, reinforcement of collective orientation vs individualism & self expression, Black Head Start vs White middle & upper middle class preschool teachers & their students, 2380
utilization of nutrition site services, Black vs White 60–98 yr olds, 10019
validity & reliability of fear of accidental death & injury scale, male vs female White vs non-White 12th graders & college students, 128
validity of Children's Assertive Behavior Scale by L. Michelson & R. Wood, Black vs White male vs female 3rd–5th graders, 28611
validity of structured exploratory data analysis, familial & ethnic influences on cognitive abilities, criticism of article by S. Karlin & D. Carmelli, 23772
values & social activism & school desegregation, White Catholic vs Protestant vs Black Protestant male clergy, 19711
voluntary vs directed unreciprocated help from Black vs White groupmate, respect & liking for helper, White male Air Force trainees, 11722
White cultural bias & needs of diverse populations in counseling psychology, 30899

Racial and Ethnic Relations

age & sex & race of older adults, perceptions of aging, Black & White 1st–6th graders, 8875
assertiveness in interaction with teachers, Black college students in Black vs White university, 10429
bilingualism & current federal policy toward bilingual education, implications for intercultural relations, 20691
classroom racial composition, cross-race & same-race friendships, Black & White 4th–7th graders, 7665
cooperative learning methods based on contact theory, intergroup relations & academic achievement, minority & majority students in desegregated elementary & secondary schools, literature review, 12991
dual patriotism following independence in 1960, prolonged conflict between groups & lack of resolution, Greek vs Turkish ethnic group members, Cyprus, 1960–85, 29759
inter- vs intra-racial interaction, social evaluation of standard vs empathic assertion in conflict situations, Black vs White college students, 9107
low SES & Black ancestry, racial prejudice & residential segregation from Whites vs Blacks, Puerto Ricans, 26970
management of interethnic conflict in manufacturing organization, India, 20926
multicultural curriculum research & development in experimental University Laboratory School, preschoolers through 12th graders, Hawaii, 31195
pretour information booklet & intergroup contact, stereotyped attitudes in intellectual vs social vs political areas, Israeli tourists, Egypt, 11584
prior intergroup relations & cognitions & context & personal experiences, anxiety resulting from fear of negative consequences for self & evaluations by group members, Hispanic college students, 11741
program for promotion of racial integration, college students, 2472
racial terminology in descriptions of individuals in manipulated photographs, adults from various social classes, evidence of cultural mechanisms supporting discrimination & acceptance of miscegenation, Colombia, 8960
ratio of minority & majority members in group, organizational interaction, Black & White supervisors, 7824
resegregation in desegregated schools & teacher attitudes, selection of grouping principles & classroom learning & behavior, elementary school teachers & Black & White 5th graders, 13026
residential segregation & color stratification, Blacks vs Hispanics in Philadelphia, reply to comments by I. Goldstein & C. White, 24274
residential segregation & color stratification, Blacks vs Hispanics in Philadelphia, comments on conclusions of D. S. Massey & B. P. Mullan, 24269
ritual content & meaning, cultural & political expansion & intergroup contacts, members of tribal societies in Strickland-Bosavi area, New Guinea, 11592
social psychological & local areas' racial demography, long term effects of school desegregation on assimilation, Blacks, 11587
social representations of street disturbance, media vs participant accounts, 24250
strategies & perspectives in making of multi-racial society, West Indian & Asian immigrants, UK, 993
theoretical & ideological barriers to study of race & racism in development of industrial societies, US, 8961

Racial Differences [See Racial and Ethnic Differences]

Racial Discrimination [See Social Discrimination]
Racial Integration [See Social Integration]
Racial Segregation (Schools) [See School Integration]
Racism
administrative nonsupport & faculty misconceptions & stereotypes & defective student relations, racism & dropout rate in higher education, minority students, 18564
apartheid & role of clinical psychologists, South Africa, 20578
birth control & women's movement, attitudes concerning family planning & racism & genocide, Black females, implications for social work, 1102
low SES & Black ancestry, racial prejudice & residential segregation from Whites vs Blacks, Puerto Ricans, 26970
model for effects of prejudice &/vs symbolic racism &/vs rational choice, opposition to busing & mediation by expected costs, Blacks vs Whites, 14282
overheard criticism which did vs did not involve ethnic slur of Black winner vs loser of debate, evaluation of debater's skill, White college students, 14461
political-economic conservatism & racism & attitudes toward social & law & order issues & militarism, Blacks vs Whites, 6202
racial prejudice resulting from image of criminals as young Black males, likelihood of gun ownership, White males, 26977
racism & sexism, same-sex relationship behaviors, Black females 20 yrs & older, 3679
social values, attitudes toward immigration restriction act, psychiatrists & American Psychiatric Association, 1880–1930, 28351
stigma reversal & reverse discrimination in treatment of majority vs minority groups, implications for public policies, 17047
Radial Nerve [See Spinal Nerves]
Radiation
acupuncture & tomography, chronic pain, 20–81 yr old patients, 18158
amphetamine, social behavior before vs after ionizing radiation, mice, conference presentation, 5919
area postrema lesions & solitary tract damage, attenuation of conditioned taste aversions induced by gamma radiation, male rats, 26616
chlorpromazine & amitriptyline HCl & haloperidol, thermal response to radiofrequency radiation, female rats, 11306
decision theory for modeling of perspectives in management of environmental hazard of radon release, 2721
exposure to ionizing radiation with vs without naloxone, onset of analgesia, 30 day old male mice, 16502
flashblindness data, prediction of visual thresholds & adaptation following microsecond exposures to electron beam, 10926
intrahypothalamic injection of carbachol or atropine, radiogenic hypodipsia, rats, 16720
long term radiation exposure, immune competence & open field behavior & plasma corticosterone & morphological lesions, male rats, 23886
neutron pulse of 500–675 rad, task performance, monkeys, implications for pilot performance, 11239
nuclear magnetic resonance, differential diagnosis of groups of dementia, 1262
nuclear magnetic resonance imaging of hydrogen in body water & fat, implications for assessment of organic pathology & functional psychoses, 1223
radiation- vs lithium chloride-induced conditioned taste aversions, anesthetized male rats, 5567
radiation treatment &/vs surgery, sexual function, 24–54 yr old females with cervical cancer, 9991
2-yr exposure to low-level microwave radiation, behavior & corticosterone levels & immunology & serum chemistry & growth & metabolism & longevity & cause of death, rats, conference presentation, 13895
Radiation Therapy
aftereffects of megavoltage radiation therapy for medulloblastoma, patients, literature review, 2011
Radical Movements [See Political Revolution]
Radicalism (Political) [See Political Radicalism]
Radio
characteristics of radio commercials, recall, consumers, implications for advertising, 18803
exposure & quality of attention to TV vs radio vs newspaper coverage of foreign affairs, international political socialization, 12–16 yr olds, 883
generalized schema & nodes as predictors of retention & recall of story & events of televised vs radio shows, preschoolers vs college students, 8738
interactive radio & social support & promotion of community mental health, Canada, 3341
preference for Spanish- vs English-language TV vs radio, Mexican Americans, implications for ethnic segmentation in advertising & marketing, 23324
radio broadcasts using subliminal relaxation messages & discussion as primary prevention activity, surveyed listeners, 2019
repetition & creative execution in simulated radio newscasts, perceived humor, adults, 31579
use of audio media & role in personal & social lives, children, literature review, 11479
utility in determination of public opinion attitudes & dissemination of information on sensitive issues, survey of responses to radio broadcast on family planning, Israel, 16843
Radiology
2-deoxyglucose mapping of electrically stimulated midbrain reticular formation, male rats, 21428
Rage [See Anger]
Railroad Trains
expression of affective emotions & degree of affect in interpersonal relationships, managers & subordinates in rail transportation industry, 31531
psychiatric aspects of rail suicide, suicidal vs accidental railway death victims, England, 20063
safety issues & mental concentration & working hours & work environment, work problems & health & personal well-being, 21–65 yr old suburban train drivers, Australia, 28764
suicide by train & mental illness, 15–89 yr old suicide victims, Denmark, 1979–82, 24785
Random Sampling
cooperative societies & Ss as solution to problems of obtaining random population surveys, India & South Africa, 5261
multiple case studies & ethnographic techniques & random sampling in site selection, qualitative evaluation in educational policy analysis, 18419
procedure for analysis of simulated random samples, detection of heterogeneity associated with intercept in linear regression, 13478
Rank Difference Correlation
race &/vs SES differences on intelligence tests, Blacks vs Whites, examination of Spearman hypothesis as discussed by A. R. Jensen, 23501
racial & SES differences vs tests' loading according to Spearman hypothesis, IQ test performance, Blacks vs Whites, reply to A. R. Jensen's criticism of criticism by present author, 23500
racial vs SES differences in IQ test performance & test of Spearman's hypothesis, Blacks vs Whites, reply to criticism by L. G. Humphreys, 23502
Rank Order Correlation
BASIC program for ranking statistical data, 13377
Pearson correlations vs multiple regression vs continuous vs discrete discriminate analysis, behavioral consistency over time & context, 21030
primitive measures of utility with rank order equivalence, interpersonal comparisons in cooperative solving of mixed-motive situations, college student dyads, 3687
Rape
amended rape legislation & devaluation of victim, 11659
assessment of behavioral self blaming & affect & adjustment of rape victims, nursing students, 15480
attitudes toward rape, police officers, 27422
attribution of causal & moral responsibility of victims of rape vs robbery, male vs female college students, India, 6363
causes of relational vs early date rape, 20060
classification of psychopathological states resulting from rape, 6638
crisis intervention time-limited group therapy with female/male cotherapists, 20–41 yr old female rape survivors, 25195
current psycholegal status of rape trauma syndrome, implications for expert testimony, 11657

development & procedural applications & reliability of comprehensive taxonomic system for classification, males who have sexually assaulted adult females, 1446
differential sexual socialization & relative deprivation, date rape, male college students, 27415
fear of rape, 19–35 vs 36–50 vs 51–65 vs 66 yr old & older urban females, 11851
group discussion & therapy, alcoholism & sexual assault, females, 2198
handwriting psychology & automatic writing under hypnosis, identification & specification of traumatic experiences, 20 yr old female victim of attempted rape, conference presentation, 6666
identification & treatment of sexual abuse by husbands, wives, 7084
marital rape, treatment implications, 27411
measure of attitudes toward women, 18–35 yr old rapists, detained at mental health center vs incarcerated, 24801
mental anguish, female & male child & adult victims of sexual assault, 6639
newspaper investigative series on rape, public opinion & policy, newspaper readers & policy makers, 710
perceived carelessness & time of attack, attributions about rape victims, nursing students, 4743
personality & motivations & experience & aggressive tendencies & exposure to media depictions that portray rape myths, beliefs in such myths, male college students, 24788
personality factors & circumstances of assault, prediction of degree of resistance to sexual assault, 19–72 yr old females, 6635
provision of rape prevention & control services in accordance with Public Law 94-63, survey of community mental health center directors & other administrators, 22654
psychic trauma & psychodynamics associated with rape & recommendations for psychotherapeutic technique, victims of rape & sexual assault, 27439
psychodynamics, 19 & 22 & 27 & 28 yr old rapists, 12043
rape & cultural myths & cognitive styles & self monitoring levels, marital therapy, rape victims & their husbands, 12437
rape as a social problem & political & legal issue & inconsistencies in paradigm of critical criminology, Italy, 9404
rape awareness media campaign, knowledge of & attitudes about sexual assault, male vs female residents of rural areas, 1154
rape, depression & anxiety & fear, 20–60 yr old victims assaulted 2–46 yrs earlier, 9408
reactions & causal attributions & coping behavior & psychological adjustment to rape, 16–76 yr old female rape victims, 24792
reported functions of sexual violence, 18–60 yr old convicted incarcerated rapists, 12109
resistance strategy & rape completion & injury, rape victims, 1447
responses to victim's behavior & legal issues in rape trials, 20–74 yr old jurors, 17116
responsibility attribution of rape, social perception of victim & assailant, 9110
self efficacy predictions vs actual performance in heterosexual interaction, male rapists vs child molesters vs non-sex-offender prison inmates vs high vs low SES community males, 30303
sexual assault research & counseling models & formation of support group, female rape & incest victims, 22467
sexually related role play & self report of behavioral assertiveness, incarcerated male rapists vs child molesters, 27441
slides vs passage and/vs photographic presentation & dress of rapist & victim, attribution of rape responsibility, college students vs 50–74 yr olds, 29998
sociobiological views of rape & reproductive success, 17445
spontaneous dissociations & hypnotizability, perpetration of sexual offenses, 17–35 yr olds convicted of rape or pedophilia or incest, 3968
test-retest reliability of rape index, measurement of arousability to rape cues, rapists, 16130
treatment of rape co-victims & psychoanalytically oriented crisis intervention, 17825
use of volunteers & personal referrals & public education & staff commitment, proactive sexual assault treatment organizations, 10042
vulnerability & reactions to rape, mentally retarded vs mentally ill vs epileptic patients, 6435

Raphe Nuclei
arginine vasotocin & electrolytic lesions in raphe dorsalis vs raphe pontis nucleus, sleep induction, cats, implications for sleep wake cycle, 596
calcium ion concentrations, activity of serotonin-containing dorsal raphe neurons, male mice brain slices, implications for treatment of mood disorders, 21330
chemical vs electrical lesions of substantia nigra vs locus ceruleus vs midbrain raphe, ECS-induced muricide inhibition, olfactory bulbectomized male rats, 19407
chronic lithium & rubidium, muricide induced by raphe lesions vs olfactory bulbectomy, rats, implications for manic depression, 5777
drugs influencing serotonergic neurotransmission & raphe nuclei lesions, dominant-subordinate behavior in competition for water & water intake, male rats, 26571
electrical stimulation & quipazine & tryptamine, self stimulation of median raphe nucleus & lateral hypothalamus, rats, 29348
electrolytic vs 5,7-dihydroxytryptamine lesions of nucleus medianus raphe, acquisition of radial maze task, adult male rats, 29367
injection of arginine vasotocin into pineal recess, decreased 5-hydroxyindoleacetic acid levels in raphe dorsalis nucleus & induced slow wave sleep, cats, 537
intrathecal administration of methysergide &/vs yohimbine, antinociception induced by stimulation of nucleus raphe magnus vs nucleus reticularis paragigantocellularis, male rats, 21364
lesions of dorsal & median raphe nuclei, development of spontaneous obesity, obese female rats, 3254
long term exposure to diazepam, sensitivity to 5-HT & GABA in dorsal raphe nucleus & GABA receptor binding & bicuculline seizure threshold, male rats, 23967
organization of projections from raphe nuclei to neocortex, male rats, 3165
pharmacological vs high frequency electrical stimulation of midbrain raphe & locus ceruleus, recovery cycles of EPs to light in visual cortex, rats, 5774
rebound sleep following deprivation, 5-hydroxyindoleacetic acid & 5-HT concentrations in dorsal raphe nucleus & thalamus, male rats, 16504
serotonergic neurotoxin injections into right vs left frontal cortex, serotonin concentrations in cortex & median raphe & spontaneous activity, rats, 3274
stimulation of central gray matter & raphe nuclei, jaw opening reflexes evoked by stimulation of high vs low threshold fibers of infraorbital nerve afferents, cats, 3248

Rapid Eye Movement
cigarette smoking, rapid visual information processing, male college students who are experienced smokers, 11290
dexamethasone suppression test & all night sleep EEG, REM latency & density, 16–61 yr olds with depression, 22092

Rapid Eye Movement Dreams [See REM Dreams]
Rapid Eye Movement Sleep [See REM Sleep]
Rapport [See Interpersonal Attraction]
Rasch Model [See Item Response Theory]

Rat Learning
acute curare paralysis, robust visceral learning, rats, experimental replication, 26650
irrelevant incentive & habit learning & motivation, rats, 21223
trimethyltin exposure, serial pattern learning, rats, 26661

Rating
accuracy of teachers' rating of academic ability in mathematics or English, 2nd graders & their teachers, 7755
age of rater & S, perceptions of child's aggression & withdrawal & peer ratings of behavior, teachers & 1st & 4th & 7th graders, 29756
applicability of play criteria, ratings of nursery school children's play, 17–45 yr olds, 941
application of contextual measure of threat by G. G. Brown & T. Harris, rating life events in psychiatry using Social Readjustment Scale, 20272
Behavior Rating Profile vs J. R. Mercer's Teacher Questionnaire, in-school adaptive behavior rating, Black vs Hispanic vs White 7 yr olds & their teachers, implications for unbiased assessment, 31343

behavioral style, objective vs parental rating of activity level, 4–8 yr olds, 3548
classroom demonstration of concensual vs independent procedure in measurement of personality, college students, 2400
concurrent validity of Comprehensive Tests of Basic Skills & teacher's ratings, achievement in 5 curricular areas, 4th–5th grade teachers, 20805
contextual associations, rating of personality characteristics, college students, 11766
criteria for rating similarity of pairs of simulated event related brain potentials, researchers with 9 mo through 10 yrs of experience in field, 13815
delayed vs immediate rating conditions, accuracy of behavior ratings & performance evaluation of videotaped graduate student lecturers, college students, 16109
development of method for rating cognitive responses to diagnosis of cancer 3 vs 6 vs 9 vs 12 mo postdiagnosis, 18–70 yr olds with breast cancer or lymphoma or Hodgkin's disease, 12246
evaluative vs observational training method for evaluative vs observational rating task, rating accuracy in performance appraisal, college students, implications for management training, 31471
explanation of method & n. aning of trait ratings, test of systematic distortion hypothesis, college students, 18998
factor analysis of Brazelton Neonatal Behavioral Scale vs nurses' perception of behavior, 3–4 day olds, 2923
gender of leader & successful performance information before vs after presentation, ratings on leadership, male vs female college students, 9091
initial impression & centrality of appraisal task, biases in recording of performance-related information, college students, implications for organizational behavior, 24501
intercorrelation & differences among rating dimensions as used by individual raters, unstandardized standard deviation measure of halo effect, 16167
interrater reliability & development of measurement method, assessment of depth of life's meaningfulness, college students, 8041
job enrichment & satisfaction, job ratings on skill variety & task identity & significance & autonomy & feedback, college students, 10621
job knowledge of ratee familiarity, conceptual similarity schemata & rating & true score covariance & halo error in rating baseball player's performance, college students, 18734
rank ordering of stimuli, subsequent magnitude ordering of same & other stimuli, college students, 13638
ratee heroism vs level of success & strategy & gender, performance perception & rating, college students & managers, 31436
rater characteristics & attitudes, rating errors & accuracy, 38–60 yr old female supervisors, 20876
receipt of "satisfactory" vs "outstanding" performance appraisal, organizational commitment & attitudes toward appraisal system, federal employees, 23194
self esteem, rating bias in evaluation of peer oral presentation performance, college & graduate students, 19820
self rating vs evaluation by others, assessment of effectiveness of trazodone vs amitriptylinoxide, depressed patients, 27935
self ratings vs rating by experts with thoughts presented randomly vs in context, prediction of speech anxiety & performance, college students in rhetoric class, 13371
self vs peer vs supervisor performance ratings for simulated counseling interviews, 21–55 yr old graduate students, implications for training, 28302
sex of child & rater, interrater agreement on behavior of maladjusted 6–13 yr olds in residential treatment, childcare workers, 14708
stability of ratings of student temperament, teachers & preschoolers to 5th graders, 6- & 12-mo followup, 18655
stimulus presentation order & observation method, ratings of performance anxiety, college students, 8011
teacher ratings vs classroom observation of hyperactivity & inattentiveness & defiance & role of halo effect, 6.4–7.6 yr old males, 31297
teacher's rating vs observation in natural setting, measurement of popularity & sociability, 31–71 mo olds, 13383
technique for obtaining ratings of bipolar temperament, exceptional infants, 1696
text description with instrumental vs impulsive aggression, rating of aggressiveness on semantic differential, high school students, 17023
validity of teacher ratings of classroom behavior, differentiation of attention deficit disorders, 7.2–11.5 yr olds with attention deficit disorder with vs without hyperactivity, 7693

Rating Scales

adaptation of Likert scaling for use with children, 6–8 yr olds, implications for occupational therapy, 5330
age differences in factor structure of Philadelphia Geriatric Center Morale Scale, measurement of well-being, Ss aged 65–74 vs 75 yrs & over, 23453
analysis of internal structure of social competency scale by R. W. Levenson & J. M. Gottman, male vs female college students, 20994
application of contextual measure of threat by G. G. Brown & T. Harris, rating life events in psychiatry using Social Readjustment Scale, 20272
attitude scale, measurement of beliefs about pain, patients with chronic low back pain, 30384
Bayley Scales of Infant Development, characterization of abilities, full-term & preterm 1 yr olds, 773
checklist of factors associated with low attainment in mathematics, male vs female 9–10 yr olds, 28479
construct & concurrent & discriminant validity of Career Decision-Making Self Efficacy Scale, college students, 10828
construct validity of Dyadic Trust Scale, measurement of trust, married couples, 18986
construct validity of irritability & emotional susceptibility scales, 23419
construct validity of MacAndrew Scale of MMPI, character orientation & pattern of alcohol intoxication, 16–20 yr old misdemeanor offenders, 5321
construct validity of rating scales, assessment of coping behavior related to occupational stress, managers & professionals in manufacturing firm & osteopathic hospital, 28975
construction & reliability & validity of teacher-child rating scale, assessment of school competency & problem behavior, teachers & their kindergarten through 6th grade students, 31337
construction & reliability of Lifestyle Satisfaction Scale, assessment of satisfaction with residence & community & associated services, mentally retarded 20–67 yr olds in intermediate care facility vs apartment vs nursing home setting, 8077
construction & reliability of Overt Aggression Scale, assessment of aggressive behavior, child & adult psychiatric patients, 13476
construction & validation of Objectivism Scale, assessment of individual differences in use of empirical data & rationality in judgments & beliefs, college & graduate psychology students, 23450
construction & validation of Teacher Rating of Social Skills-Children, teacher assessement of student social skills, kindergartners to 6th graders & teachers, 31315
construction & validity of Heterosocial Skill Observational Rating System, female college students, 143
construction & validity of Levels of Attribution & Change Scale, assessment of levels & loci of causal attributions about self select problem, college students, 10822
construction & validity of rating scale, measurement of voice & pronunciation quality, Dutch-speaking Ss, 130
construction of Children's Handwriting Evaluation Scale, measure of rate & quality of penmanship, 3rd–8th graders, 25929
construction of Emotional Distress Scale, evaluation of emotional distress, 22–87 yr old patients with malignant blood diseases, 5351
construction of measure to assess subjective response to stressful life experiences, psychiatric outpatients vs nonpatients, 21005
construction of metric scales, estimation of seriousness of punishable offenses, students, 8116
construction of rating scale, measurement of pioneering-innovating motive, professional personnel, India, implications for socioeconomic transformation, 23267
construction of scale for assessment of patient participation in treatment & relationship to outcome, hospitalized patients with personality or schizophrenic or schizoaffective or major affective or conduct or adjustment disorders, 2866

construction of scale to assess dimensions of family functioning, college students & married 25–75 yr old parents, 13397
content validity, children's version of Family Environment Scale, 3rd & 7th graders, 13455
correspondence between Arbeitsgemeinschaft fuer Methodik und Dokumentation in der Psychiatrie system & Comprehensive Psychopathological Rating Scale, depressive & manic & schizophrenic 15–77 yr olds, 26255
cutoff scores & Connors 10-item Abbreviated Teacher Rating Scale, diagnosis of attention deficit disorder with vs without hyperactivity, 2nd & 3rd grade teachers, 1-mo followup, 15946
development & evaluation of behaviorally referenced rating system for heterosocial skills, college students, 8113
development & reliability & validity of Individual Scale assessment of willingness to publicly behave differently than others, college students, 2904
development & reliability of psychiatric interview scale, assessment of interview performance & training, 4th-yr medical students in psychiatry rotation, 158
development & reliability of rating questionnaire, measurement of love styles, college students, 13421
development & validation of attitude scale, measurement of attitudes toward pupil profiling, teachers, 31333
development & validation of Children's Self-Report Psychiatric Rating Scale, clinical & normal 6–13 yr olds, 16122
development & validation of Home Musical Environment Scale, 2nd graders & their parents, implications for music education, 10789
development & validation of Landau social emotional climate scales, assessment of instructional characteristics & teacher-pupil & pupil-pupil relationships, 13151
development & validity & reliability of symptom rating scale, assessment of depression & mixed neuroses in psychodiagnostic interview, 18972
development & validity of Circumplex Model of Marital & Family Systems, assessment of marital & family dynamics, 141
development of Hamburg Rating Scale for Psychic Disturbances, heart surgery patients, 8072
development of Infant Tenderness Scale, measurement of mother's perception of infant's physiological & contact needs, 15–32 yr old mothers, 13396
development of ranked activities daily living scale, function ability, poststroke patients, 5298
development of Rasch-type loneliness scale, employed & disabled & jobless adults, 10792
development of rating scale, identification of physical & cognitive & emotional & interpersonal requirements of athletic activities, US Naval Academy midshipmen, 20998
development of rating scales, assessment of content & style of careers counseling interviews, 13465
development of scale for measurement of attitudes toward management of mentally retarded children, parents, India, 28932
dexamethasone suppression test vs thyrotropin releasing hormone test vs Newcastle II depression rating scale, diagnosis, depressed patients, 14622
differences in estimation of symptoms in rating scale for depression, physicians vs depressed inpatients, 22047
differences on ratings of behavior on Portland Problem Behavior Checklist, teachers of male vs female kindergartners through high school students, 23028
dimensionality & factor satisfaction in Body Cathexis Scale, male vs female college students, 19866
disattenuated correlation of behaviorally anchored vs mixed standard vs Likert-summated vs forced choice vs simple graphic rating scales, performance appraisal, review of research, 5275
educator rating scale, assessment of disturbances of intentionality vs group integration, child psychiatric patients, 4996
efficacy of factor derived scores on Philadelphia Geriatric Center Morale Scale, Ss aged 65 yrs of age & older, 8089
evaluation of rating scales for measurement of burden of psychiatric illness on family, deinstitutionalized patients with severe & chronic psychiatric illnesses, 16113
exploratory intervention based on college adjustment scale, college students, 15882
factor analysis of Bayley's Infant Behavior Record profiles, 3–24 mo old identical vs fraternal twins, 762
factor analysis of Hamilton Rating Scale for Depression, patients, 16157
factor analysis of Home Observation for Measurement of the Environment scores, low income Black & White urban mothers of 13–30 mo olds, 8110
factor analysis of item scores on 2 clinical rating scales, assessment of distinction between disorders of thought structure vs thought content, patients with schizophrenic vs nonschizophrenic disorders, 22121
factor analysis of items in teacher ratings on Children's Behavior Rating Scale, identification of cognitive deficits, 5–15 yr olds in regular & special education classrooms, 23127
factor analysis of Rotter's Internal External Locus of Control Scale & Levenson's Locus of Control Scales, measurement of general adjustment, college students, 133
factor analysis, Pupil Control Ideology Scale, college & graduate students majoring in education, 23108
factor structure & cross cultural validity of R. D. Hare's psychopathy scale, identification of psychopathy, 20–60 yr old prisoners, England, 8103
factor structure & reliability of Waksman Social Skills Rating Scale, screening for social skills treatment programs & their evaluation, kindergarten through high school students with vs without emotional disturbances, 15947
factorial & discriminant validity of Center for Epidemiological Studies Depression scale, assessment of self esteem & trait & state anxiety & depression, parents in family support programs for child abuse & neglect, 16166
factorial validity of Conners Teacher Rating Scale, psychological evaluation for placement in classes for emotionally disturbed or behavior disordered or learning disabled or educable mentally retarded, 6–14 yr olds, 15890
factorial validity of Physical Estimation & Attraction Scales, college students, 10832
Geriatric Evaluation by Relative's Rating Instrument, assessment of cognitive & social functioning & mood, patients over age 55 yrs with mental decline, 16174
Hamilton Rating Scale for Depression vs Carroll Rating Scale for Depression, 13–18 yr old patients with melancholic major depression, 5280
interrater & internal reliability of cognitive therapy scale, assessment of therapist competence, cognitive behavioral therapists, 8063
interrater & test-retest reliability of Scale for Assessment of Negative Symptoms, chronic schizophrenic 20–45 yr olds, 23459
interrater reliability & concurrent validity of Expanded Glasgow Outcome Scale & Stover-Zieger scale, assessment of recovery outcome, 5–79 yr olds with severe head injury, 20995
interrater reliability & construct validity of Negative Symptoms Rating Scale, measurement of negative symptoms in "defect state" schizophrenia, 18–35 yr olds with schizophrenia or bipolar disorder or schizoaffective illness or personality disorder, 23445
interrater reliability & internal consistency & factor structure & discriminant validity of Cognitive Therapy Scale, evaluation of competence in treating depression, cognitive therapists, 21022
interrater reliability of Comprehensive Psychopathological Rating Scale, doctors & nurses, Japan, 8081
interrater reliability of N. J. Andreasen's thought & language & communications disorder scale vs Brief Psychiatric Rating Scale, psychiatric inpatients & patients with schizophrenia vs affective illness, 28941
interrater reliability of Teacher Rating Scale of Behavior Rating Profile, learning disabled 3rd–5th graders & regular vs resource room teachers, 31353
limitations of self report rating scales, diagnosis of depression, 14652
maternal depression & sex & child psychiatric status, ratings of child on & validity of Child Behavior Checklist, mothers of 93–155 mo old psychiatric outpatients, 16134
McGill Pain Questionnaire vs MMPI vs SCL-90-R vs State-Trait Anxiety Inventory vs rating scale, assessment of anxiety & depression, chronic pain patients with mean age of 45.6 yrs, 129
methodologies for factor analysis, non-normal Likert variables, 10872

mianserin vs zimeldine, profiles of changes in activity during treatment assessed by Montgomery-Asberg Depression Rating Scale, depressed 20–82 yr olds, conference presentation, 30761
microcomputer vs O generated scores on Hamilton Rating Scale for Depression, depressed patients, 2868
MMPI Against Medical Advice scale, prediction of premature termination from inpatient alcohol treatment, hospitalized male alcoholics, 10837
Modified Cooper-Harper decision-tree rating scale vs 5 design variations of same, estimation of mental workload in aircraft-simulator, pilots, 23479
Organic Brain Damage Rating Scale to assess psycho-organic brain syndrome, 18–56 yr old patients, 20174
parent & teacher ratings of stress response patterns & psychiatric evaluation of DSM-III childhood disorders as criteria, validity of Stress Response Scale in diagnostic assessment, 5–14 yr olds with possible emotional disorders, 2876
PASCAL computer program, assessment of interrater reliability & calculation of kappa statistic of nominal scales, 5279
predictive validity & reliability of Three Ratings of Involuntary Admissibility, application of involuntary admission criteria in psychiatric emergency rooms, psychiatrists & nurses & social workers & 14–87 yr old patients, 165
predictive validity of optimality vs complication scales, behavioral assessment, infants tested 48 hrs after birth, 150
predictive validity of scale developed by R. W. Bortner, assessment of Type A behavior & mortality rate, 35–64 yr old twins & singletons, Finland, 6-yr followup study, conference presentation, 8083
proposal & evaluation of joint use of positive-nomination & rating scales, identification & discrimination of sociometrically rejected & neglected children, 2nd–6th graders, 28929
psychometric comparisons & validity & interrater reliability & rating bias of behaviorally anchored vs summated rating scale, instructors' performance, college students, 7760
psychopathological characteristics assessed by AMP scales, hospitalized male alcoholic patients undergoing withdrawal treatment, 25602
rating procedure using algebraic vs subjective differences between numbers & corresponding objects, interval-scale measurements for individual Ss, 10778
rating scales, assessment of childhood hyperactivity, clinical & research applications, literature review, 8042
reliability & factor structure of Association for Methodology & Documentation in Psychiatry rating scale, quantitative psychopathology, 8052
reliability & validity of Child Behavior Checklist & related scales, school-based assessment of social competence & behavior problems, female 9 yr old & male 8 & 10 & 12 yr olds, 13144
reliability & validity of Children's Depression Inventory & Child Depression Scale & Personality Inventory for Children, measurement of depression & anxiety & self esteem, 3rd–6th graders & their parents & teachers, 13458
reliability & validity of Hemodialysis Stressor Scale, measurement of stress associated with hemodialysis, Ss with end-stage renal disease, 26235
reliability & validity of modified Hamilton Rating Scale for Depression, 18–61 yr old psychiatric inpatients, 5319
reliability & validity of Modifiers & Perceived Stress Scale, measurement of perceptions of stressful life events & anticipation of & responsibility for events & amount of social support, adult males, 28980
reliability & validity of nurses evaluation rating scale, assessment of salient dimensions of psychopathology & nursing care requirements, psychiatric patients, 23464
reliability & validity of Positive Behavior Subscale of Social Performance Survey Schedule, college students, 147
reliability & validity of quality of life index, assessment of health & occupation & self acceptance, graduate nursing students vs 24–75 yr old dialysis patients, 13416
reliability & validity of Unpleasant Events Schedule, measurement of frequency & aversiveness of stressful life events, normal adults & depressed Ss, 146
reliability of Andreason's Scale for the Assessment of Thought & Language & Communication Disorders, rating of verbal communication impairment, schizophrenic vs manic schizoaffective vs depressed vs hospitalized orthopedic patients, 9316
reliability of Bilingual Background & Bilingual Self Rating Questionnaires, 2867
reliability of Pyramid Scales, criterion-referenced measure of adaptive behavior, developmentally disabled persons, 10812
reliability of rating scales, measurement of adaptive processes, adolescent psychiatric patients vs diabetics vs high school students, 20984
reliability of scales to assess stages of marital conflict, 19–28 yr old married couples, 28946
reliability of standard psychiatric rating scales of mood & affect, 18–44 yr old male schizophrenic inpatients, 8058
reliability of student course & teacher evaluation instrument, college students, 20815
research design choices of sampling characteristics & measure characteristics & developmental processes in marketing research, meta-analysis, 16112
response style on suicide ideation scale & suicide desire & preparation & hopelessness & desirability, clinicians' ratings of intent, 16–52 yr olds with suicide ideation, 30273
robustness of cognitive & affective conative descriptors across scales & products with different semantic & psychological intensity, female homemakers, 10683
scale measurement of hassles vs uplifts, physical & psychological health, 16–18 yr olds, implications for school counseling, 28624
Self Rating Depression Scale vs Beck Depression Inventory vs Hamilton Rating Scale for Depression, measurement of treatment outcome, meta-analytic comparison, 17838
self vs teacher assessed measures of Type A coronary prone behavior vs teacher-rated measure of hyperactivity/problem behavior, 8–17 yr old students vs teachers, 20806
sex &/vs age, old vs new standard scores of Family Environment Scale, 13–19 yr old White females vs males, 28947
sex role generalizability of occupational prestige ratings, college students, 19767
statistical correction of halo error in overall job performance rating scales, 16102
statistical norms for revised Missouri Children's Behavior Checklist-Parent form, parents of 9–14 yr olds, 16177
subjective psychiatric rating scales vs objective cognitive test scores, geriatric patients with dementia being screened for participation in experimental drug trial, 30364
SUPOS 7 subjective rating scale, measurement of mental states & emotional stress & physical actualization, males & females, implications for prediction of psychological breakdowns, 10771
use of ego-functioning rating scale developed by L. Bellak et al, assessment of self functioning of neuropsychiatric outpatients, neurologists & psychiatrists, 16115
use of Family Environment Scale in family therapy, 5281
utility of Connors Abbreviated Rating Scale, screening for attention deficit disorder with hyperactivity, 6–9 yr olds, 23409
utility of rating scale for identification of patients who could benefit from pain management program, 23–64 yr old patients, 26176
utility of rating scales, measurement of primary process content in 19th & 20th century paintings, college students, 21004
validity & reliability & factor analysis of Children's Depression Scale, male vs female 10–13.8 yr olds, 26190
validity & reliability & utility of counselor rating scales, review of 3 counseling journals, 1974–84, 8102
validity & reliability of attitudes toward work scales, measurement & prediction of work schedule preferences, utility company workers, 16131
validity & reliability of quality of life index, measurement of satisfaction with nursing care & personal control, cancer vs diabetic vs colostomy patients, 13452
validity & sensitivity of nonverbal objective measures based on continuous observation vs self report, assessment of labor pain behavior, primiparae giving natural childbirth, 13398
validity of Cognitive Deficit subscale of Symptom Check List-90, prediction of outcome, 1st-episode schizophrenic inpatients, 3- & 6- & 12-mo followup study, 10843
validity of Eppendorfer Mood & Drive Scale, assessment of effect of therapy & course of affective psychosis, 16170

validity of global assessment scale, description of patient characteristics & measurement of change after short term dynamic psychotherapy, 21–35 yr old neurotic outpatients, 1312
validity of Hamilton Rating Scale for Depression vs Bech Rafaelsen Melancholia Scale vs Montgomery Asberg Depression Rating Scale, 20–60 yr old depressed inpatients, 26228
validity of interview rating scales, discrimination between depression & anxiety, 7–14 yr old hospitalized medical patients, 8066
validity of Kansas Parental Satisfaction Scale, married mothers & fathers, 28968
validity of Millon Clinical Multiaxial Inventory drug abuse scale, 18–55 yr old drug abusers, 10796
validity of National Teacher Examination vs teacher supervisor ratings, prediction of employment success, elementary education student teachers, 23417
validity of short form of Maternal Behavior Rating Scale on interactive behavior, mothers & mentally retarded 1–3 yr olds, 28982
validity of Social Readjustment Rating Scale, measurement of perceived stress in becoming nursing home resident, pharmacists & graduate students & nursing home administrators, 13419
validity of Swedish version of Comprehensive Psychopathological Rating Scale, schizophrenic & depressive 18–80 yr old patients, Sweden, 23486
value of Brief Psychiatric Scale & AMDP Scale & L. Sullwold's self rating scale, assessment of schizophrenia, chronic schizophrenic 23–59 yr olds, 9331
3rd-party judgments & interview rating scales, measurement of recall & interpretation of commitment to information in medical consultations, patients attending general practitioners, Great Britain, 9678
9-Affective Dimensions scale, multidimensional measurement of affective responses to music, junior high & high school & college students, 10781
Ratio Reinforcement [See Fixed Ratio Reinforcement, Variable Ratio Reinforcement]
Ratiocination [See Logical Thinking]
Rational Emotive Therapy
biofeedback & rational-emotive therapy, migraine, case example of 15 yr old female, 4250
clinical models of attributional consequences & cognitive & rational-emotive therapy, 20301
cognitive-behavioral & conjoint therapy techniques, bingeing & vomiting patterns, 15–35 yr old female bulimic clients, 18-mo followup, 25231
cognitive style & counselor credibility, attitudes toward Rational-Emotive Therapy session, college students classified as thinking vs feeling types, 22509
contributions to rational emotive therapy of H. Young, lower class individuals, 27774
emotional & cognitive rehearsal procedures in rational-emotive imagery, assertiveness, nonassertive college students, 4454
emotional control card for rational-emotive imagery, 7074
group treatment with rational-emotive therapy & masturbation exercises & social skills training, males with sexual dysfunctions, 17715
hypnosis & Rational Emotive Therapy, 33 yr old borderline severely anxious female, case report, 25039
irrational vs rational beliefs in negative reactions to failure & irrational cognitions & maladaptive emotions vs rational beliefs & adaptive emotions, college students, 19847
misconceptions about rational emotive therapy, 27847
multimodal behavioral treatment, body weight & cognitions & family relations, 13–21 yr old females with anorexia nervosa, 12340
properties of rational-emotive therapy, 4293
psychotherapeutic recommendations, rational emotive therapy, "emotionless robot" clients, 27846
psychotherapeutic techniques in rational emotive therapy, lower class clients, 27845
rational behavior therapy, self efficacy, retirees, 14981
Rational-Emotive Education group counseling, self concept & locus of control, learning disabled 8–11 yr olds, 1845
rational-emotive perspective & rehabilitation counseling, 22758
rational emotive therapy & cognitive behavior therapy & specific types of resistance, voluntary & involuntary psychotherapy clients, 20299
rational emotive therapy, alleviation of maladaptive emotions & behaviors, caregivers of Alzheimer's disease patients, 7050
rational emotive therapy, cognitive misconceptions, adolescents from working class backgrounds, 27848
rational emotive therapy concept of acceptance & Biblical principle of forgiveness, Bible Belt Christians, 27844
rational emotive therapy, self esteem & image, lower class & fundamentalist Christian & uncooperative adolescent clients & those with limited intelligence, 27843
rational self counseling in short term culture free cognitive therapy, prevention & treatment of alcoholism, implications for Blacks, 28238
use & desirability of audiotaping homework assignments of disputation of irrational beliefs in rational-emotive therapy, 4370
Rationalization
role of awareness in reduction of stress by projection or repression or rationalization or denial mechanisms, college students, 6394
Rats [See Also Norway Rats]
acquisition & maintenance of licking & bar bites & barpresses, Maudsley reactive vs nonreactive strain male rats, 26439
age & strain, aggressive behavior, male rats, implications for use in aging & aggression research, 3098
age differences, copulatory behavior, male rats, 3102
age differences, odor preference following odor-illness pairing, weanlings vs young vs old-age adult rats, 29216
aggression & mortality & social stress, male rats in burrowing habitats & colonies, 23696
antagonizing effects of 2-phenylpyrazolo(4,3-c)quinolin-3(5H)-one, diazepam-induced pharmacological & electrophysiological & biochemical effects, rats, 3322
antinociceptive & temperature responses to morphine, male vs female Sprague-Dawley vs Wistar-Furth rats, 16674
avoidance conditioning performance & open field ambulation & defecation & intertrial responding, sublines of Roman High vs Low Avoidance rat strains, 481
body temperature circadian rhythm, preference for warmer vs cooler environment during night vs day, male rats, 23845
capsaicin, neurophysiological processes, neonatal & adult mammals, implications for pain research, literature review, 687
chlordiazepoxide & sodium amylobarbitone, partial reinforcement extinction effect in runway & Skinner box, rats, 670
CNS stimulating & depressant & neuroleptic & tranquilizing drugs & cholinergic & cholinergic blocking drugs, conditioned avoidance responses, gerbils vs mice vs rats, 29446
concaveation vs prepubertal cohabitation with lactating rats, incidence of pup killing & parental behavior, virgin female & male Wistar vs Sprague-Dawley rats, 3112
continuous iv infusion technique using head attachment & harnessing, physiological & psychological stress, rats, 23384
daily exposure to mouse, food consumption, mouse killer vs non-mouse killer male rats, 13774
daily food intake regulation prior to experience with mice, mousekilling, male rats, 11120
defensive behaviors, wild vs laboratory rats vs 1st-generation rat offspring of wild trapped parents, 26417
development of social play, juvenile rats, 468
differentiation for avoidance performance, inbred sublines of Roman High vs Low Avoidance rat strains, 482
exposure to novelty stress during pregnancy & environment following parturition, maternal behavior & time spent in nest building & nursing, female rats & their offspring, 13898
fixed vs variable duration inescapable shock, acquisition of shuttle escape response & behavioral changes, rats, 376
group housing vs isolation, eating & sleeping & drinking patterns in social stress, rats, 467
light vs tone as feature-positive stimulus, generalization & strength of CR, rats, 377
olfactory discrimination of individual littermates, adult male rats, 8335
ontogenetic adaptation, development of ingestive behavior, pre-weanling vs 20 day old rat pups, 5530
open field ambulation & lightness-darkness test & extraversion, rats, 5598

parental behavior, monogamously housed vs virgin male vs female vs individually housed male Long-Evans rats, 26421
photopic spectral mechanism, rats, 16444
place localization training with vs without cues, place navigation, 21–64 day old rats, 373
postpartum vs cycling estrus, mating behavior, female rats, 5602
prenatal hormonal events & prepuberal social rearing conditions, sexual behavior, male rats, 5775
preputial glands, preference for urine of male vs female pups, mother rats, 16532
presence of novel taste & spatial contiguity between taste & tone, potentiation of auditory aversions, rats, 3082
rat-trap device for elicitation of acceleration brain concussion, awake rats, 23392
rates of open field ambulation & defecation & prior attack conditioning, aggression level, rats, 5609
removal of pups during parturition vs before vs near term Cesarean delivery, maternal response to newborn vs older rats vs hamsters & infanticide, female primiparous rats, 19285
restricted pup & male exposure, maternal aggression & incidence of olfactory exploration of intruder, nulliparous female Wistar rats, 26429
role of male's penile spines & cups in induction of luteal activity in female & in removal of copulatory plugs from vaginal tract, rats, 26541
role of superior colliculus in visual perception, rats & hamsters, literature review, 498
selective pressures on evolution of high & low frequency hearing, wood rat vs grasshopper mouse, 11048
sensitivity to electric shock & discrimination learning & open field behavior & emotionality, phenotypic differences in avoidance learning, selectively bred rats, 3077
septal lesions, open field gregariousness, rats reared in group vs individual cages prior to lesions, 26608
short term image memory, rats, 5529
signal for pellet delivery, development & maintenance of polydipsia on fixed vs variable time schedules, rats, 372
social & experiential factors, development of motor activity, rat pups, 8363
social & hormonal factors, infanticide & its suppression, adult male Long-Evans rats from breeder vs raised in laboratory, 26420
superior colliculus damage, visual perception & orientation response, rats & hamsters, literature review, 607
superior colliculus removal, visual perception & orientation response, rats & hamsters, literature review, 608
varied palatable supermarket diet, body weight & onset of hoarding behavior, male rats, 23765
Raven Coloured Progressive Matrices
construction of revised Raven Coloured Progressive Matrices, assessment of effect of laterality of lesions & language impairment, patients with left vs right brain damage vs aphasia, 12195
correlational analysis of WISC-R & Raven Coloured or Standard Progressive Matrices, hearing impaired 6–16.5 yr olds, 2569
Raven Progressive Matrices
correlational analysis of WISC-R & Raven Coloured or Standard Progressive Matrices, hearing impaired 6–16.5 yr olds, 2569
faking cognitive deficit, pattern of scores on Standard Progressive Matrices, military personnel vs forensic patients with head injuries or tumors or suspected organic impairment, 18909
learning potential assessment device of R. Feuerstein, identification of deficient cognitive functions on Raven Standard Progressive Matrices, 3rd–9th graders, 6094
scores on Raven Standard Progressive Matrices, high vs low ability students in 1st–5th grades vs 8 yr olds in school for deaf/mute, Peoples Republic of China, 18620
scores on Standard Progressive Matrices, 13–15 yr old males whose parents were 1st cousins, 478
Raynauds Disease [See Cardiovascular Disorders]
Reactance [See Psychological Reactance]
Reaction Time
ABCDE vs QWERTY keyboard layout in microcomputer skills program, speed of single key processing, 8 vs 12 vs 20 yr old inexperienced keyboard users, 31204
absolute judgment & varying response time on light position task, performance & speed accuracy trade off, college students, 5407
age & duration of practice with transcendental meditation-Sidhi program, performance on WAIS Digit Symbol & Picture Arrangement scales & line crossing measures, 20–79 yr olds, 17986
age, lexical decision making, young vs elderly adults, 3434
age, phonemic processing RT during picture recognition task, male vs female children vs adolescents vs adults, 14152
ambient illumination color & foreground/background color pairings, choice reaction time task on color CRT, male & female Ss, 23558
anesthetic phencyclidine vs ketamine, auditory & visual thresholds & RTs, baboons, 26701
attentional demand of task, RT, human Ss, 8141
auditorily presented sentences containing phonemes similar to target, time needed to detect target phoneme, college students who were native speakers of English, 10947
automatic facilitation vs subjective expectancy explanations of sequential effects in serial RT, human Ss, 13642
average movement velocity, RT & spatial accuracy, 21–24 yr olds, 206
basic vs superordinate vs subordinate level category differentiation, object identification RT, college students, 283
behavior therapy stuttering program, RT, 19–33 yr old male stutterers, 12515
Broca-Sulzer effect, stimulation parameters & RTs & neuropsychological correlates, literature review, 2985
canvas hammock apparatus, tactile stimulation & contact placing RT, cats, 28894
capability of achromatic system of transient responding, response to comments by S. H. Schwartz, 8175
carbidopa/levodopa administration, movement velocity & RT & tremor & visual evoked responses & electroretinography, 59–72 yr old healthy volunteers, 673
changeovers to alternate behaviors, operant interresponse times, rats, 26396
choice RT & underlying processing & nonprocessing states, college students, 21158
cognition & RT in picture-phrase matching task, college students, support for naturalness principle of C. E. Osgood, 29092
communicative situations, averaging & regulation of stability of individual RTs, dyads of Ss with same vs different positive RTs in picture identification task, 17207
compound samples & prechoice signals, RT in delayed matching-to-sample, 18–23 vs 65–73 yr olds, 19570
continuous visibility of word, word frequency effect in recognition & speed of lexical decisions, college students, test of locus of frequency effect in verification model, 715
continuous vs flashed targets for motor coordination, manual pointing &/vs eye movement RTs & speed-accuracy tradeoff & variation in range effect, 15–21 yr olds, 23526
contour contrast & binocular suppression, RT, experienced Ss, 16240
control of movement & ability to dissociate RT from movement complexity, 12–40 yr olds, 21055
control of variables in lexical decision task, reaction times, 17–45 yr olds, 13682
cooperative & competitive vs individual conditions, problem solving effectiveness & time, 6th graders, 756
crossed vs uncrossed RTs to visual stimulus & performance of dichotic listening task, 21 yr old female with agenesis of corpus callosum, implications for bilateral speech representation, 4164
daily & specific vs general practice, long term memory interference & speed of fact retrieval, college students, 316
degree of concurrent memory load & depressed vs nondepressed adjectives, efficiency & automaticity of self schema processing, female depressed vs nondepressed psychiatric patients, 14630
degrees of speed stress, error tendencies in early processing of same-different judgments of letter pairs, adult Ss, 26318
delayed alternation & delayed response deficits, 24–65 yr old male patients with frontal lobe disease vs amnesia from Korsakoff's disease vs surgery for anterior communicating artery aneurism, 27555
developmental trends of jumping RT, mentally retarded 7–18 yr olds, 1494
dextroamphetamine, auditory & visual RT & detection thresholds, baboons, 16654

diazepam, visuomotor RT, adults, 8517
diazepam vs triazolam, auditory & visual thresholds & RT & duration of drug effect, male baboons, 24002
dichotic vs visual presentation of word pairs with pre- vs postvocalic minimal phonemic contrasts, RT, 57–84 yr olds with severe aphasia, 4190
differences in form vs duration, binary-choice RT, 18–33 yr olds, 201
distraction & RT performance, test of H. J. Eysenck's activation theory of personality, 24538
drug experience, time before falling asleep behind wheel on closed track & subsidiary RT during prolonged driving, college students, 23295
E- vs S-controlled paradigm, confidence & response time, college students, 19056
electrical stimulation to paw during foreperiod of RT task, EPs in medial lemniscus vs thalamic nucleus vs internal capsule vs anterior gyrus, cats, 13913
EMG RT of left vs right finger extensor muscles during wrist extension movement, patients with Parkinson's disease & asymmetrical neurological signs, 20267
evaluation of compatible vs incompatible noise letters, RT & physiological responses, college students, implications for continuous flow model of human information processing, 13865
experimental factors before & after "point of no return" of motor response, controlled & ballistic stages of response preparation, college students, 26295
extraversion & introversion & neuroticism, RT & movement time, college students, 2965
eye gaze & eye movements away from target, accuracy of visual discrimination, mildly mentally retarded 17–25 yr olds, 27468
gross motor RT & speed of internal cognitive processes, 54–73 yr olds with Parkinson's disease, 24917
hand-response device compatibility & reaction time of uncrossed hands, 10902
incongruent color-words presented to left vs right visual half field, vocal RT & errors in report of color, dextral vs sinistral Ss, 26503
individual differences, error & correct choice RTs, 18–36 vs 58–75 yr olds, 8788
information processing & reaction & movement time & offensive ability, baseball team members, 19048
initiation vs completion of motor responses to decelerated vs accelerated conditions during different points in cardiac cycle, cardiac interbeat interval length, 20–27 yr olds, 13854
intensity judgment RT in gustatory processing, tasters vs sensitive vs less sensitive nontasters of phenylthiocarbamide, 21049
interstimulus interval & heterogeneity of difference, speed of same-different judgments of visual patterns, college students, 13567
introduction of probe flash at other than expected location in visual field, RT , college students, 10917
introversion vs extraversion & neuroticism, nervous system response to visual RT & signal detection task, male college students, 16231
investigation of inhibitory effect associated with externally controlled covert orienting in visual space, college students & staff, 13520
IQ levels & practice effects, RT & fine motor task performance, 6–21 yr olds of varying MAs, 24817
irrelevant facial features, RT to facial presentations, college students, 13547
keyboard & screen-based microcomputer response media, response speed of continuous performance task, college students, 7985
lateralization of EPs in cued RT task with words vs dot patterns, adults, conference presentation, 5704
learned visual discrimination task with experimentally provoked environmental confusion, RT, severely mentally retarded, 20091
level detector modeled after postinhibitory rebound neurons, detection of change in auditory perception RT, 16403
levels of interpolated arm exercise, choice reaction latency & movement speed, male college students, 8163
line curvature & time limit, tracing accuracy, adults, 19051
manual/oral motor reaction times & speech disfluencies as result of delayed auditory feedback, normally speaking female college students, 23587
measurement instruments, interpretation of age related behavioral slowing, 28917
memory set size vs types of probe vs interference in recognition memory, retrieval time, college students, 329
method to assess transition times between head-up signal & vocal vs manual response to head-down display, senior staff officer pilots vs 20–36 yr old nonpilots, 16090
microcomputer system for collection of response times simultaneously with written protocols, 28913
misprimed words in lexical decision task, classification speed & accuracy & orthographic checking process, college students, implications for criterion-bias vs search model of mispriming errors, 284
mobility of excitation vs inhibition in nervous system, extraversion & neuroticism, college students, 26547
name codes vs physical features of noise letters, visual discrimination RT, college students, implications for discrete vs continuous information processing models, 253
necessary conditions for reaction time to increase logarithmically with number of choices, college students, exploration of Hick's law, 10901
need for research on concept of starting &/vs stopping response to beginning & end of same perceptual event, 10899
negative contrast stimuli at various background luminances, motor RT, adults, 13560
negatively vs positively affected words, processing & RT, college students, replication of R. Hoosain & C. E. Osgood's study, 16298
noise letters preceding target letter by stimulus onset asynchronies, choice RT, female college students, 2978
number of movement parts & changes in movement direction, programing motor RT, 17–35 yr olds, 198
orientation & length of Hebrew letter strings, lexical decision RT , college students, Israel, 10970
pacing speed & rigidity constraints, classification task accuracy & response time & heart rate, 20–30 yr old industrial inspectors, 25971
parafoveal attention, congenitally deaf vs hearing college students, 17645
pattern orientation, time required in identification of line drawings of natural objects, college students, 26315
performance on conceptual speeded inference tasks requiring different abstraction processes, paranoid vs nonparanoid patients with schizophrenia, 24697
performance on RT & speeded classification tasks, learning disabled vs non-learning disabled college students, 15829
pictures, voice frequency & RT measures of formulating single long sentences vs multiple short sentences, adults, 5964
Pollyanna & congruence principles, speed of trait inference, 21–46 yr olds, 6359
positioning in hammock vs in hands of E, contact placing RTs, cats, 28893
practice on digit or letter targets, incorrect target-present & correct target-absent responses in visual search when digit other than target was present, college students, 13559
precued choice vs simple RT, test of F. C. Donder's subtraction method, college students, 13507
precuing methods in study of motor programing of hand & digit & duration of keypress response, 23–31 yr olds, 21064
presentation of target letter in either vs both of 2 locations in visual display, RT task with divided attention, female college students, 2979
presentations of stimuli words to left vs right visual field, RT for identification of English words & distinctions between open & closed class forms, English speaking adults, 26521
programing of different movements during execution of other movement vs identical successive movements, finger movement choice RT in right &/vs left hand, 17–33 yr olds, 23523
psychoticism & measures of extraversion & neuroticism & signaled vs unsignaled reaction time, male 18–31 yr olds, 24574
random variability & Stroop phenomenon & cognitive processes & RT durations, implications for empirical verification of theory, 18917
reaction time histograms obtained from achromatic stimuli, studies by S. H. Schwartz & M. S. Loop vs K. Kranda, 8178
reaction time in processing proprioceptive information, patients with Parkinson's disease, 9537

reaction times to lateralized flashes of light, assessment of interhemispheric transfer of information, 32–51 yr old commissurotomy patients, 23832
relation between simple & complex RT & psychometrically determined mental performance, 20–61 yr olds with mean IQ of 119.5 vs college students with mean IQ of 120.5, 17265
remembered behaviors &/vs previous trait inferences, trait judgment RT, college students, 17195
repeated-stimulus superiority & inferiority effects, RT in identification of letters & digits, college students, 26223
response-signal interval, interference between manual vs vocal RT & movement tasks, replication of R. McLeod's finding that movement phases are equally attention demanding, 342
role of short term memory in learning delayed reaction vs alternation, cats, 5563
RT crossover & aging & socioeconomic functioning, schizophrenic patients vs 1st-degree relatives, 19907
RT method of studying aggression, awareness of aggressive response contingencies, college students, 2802
RT, screening for brain disease, 18–70 yr olds, 1551
RT to monaurally presented verbal stimuli, 3.9–4.2 yr olds, implications for right hemispheric superiority, 26819
scopolamine vs age & stimulus complexity, information processing time measured by RT & latency of P300 component of event related EP, 19–33 yr old females, 8525
script-typical vs -atypical actions, RT & memory, college students, 29146
semantic information in preceding test word, recognition RT, college students, 10974
semantic satiation, category membership decision latency & lexical priming, college students, 287
semantic stimulus-response compatibility & average movement velocity & foreperiod duration, choice RT, right-handed Ss, 5398
semantic vs physical vs phonetic nonorthographic vs orthographic matching & recall of previously presented nouns, response latency in recognition of word, college students, 13647
separate activation vs coactivation in simple letter detection task, RT, college students, 3001
serial position curves for RT & accuracy in visual search for individual array items, college & graduate students, test of model of overlapping processing of characters, 26313
shift of attention to cued spatial location, RT to subsequently presented target light, college students, 13588
sleep deprivation followed by naps & abrupt awakening near circadian peak or trough in body temperature, RT & cognitive performance during quasi-continuous tasks, 18–30 yr olds, 13866
spatial ability, speed vs accuracy of mental rotation processing of familiar vs unfamiliar alphanumeric stimuli, college students, 236
speed of cognitive processing performance & intelligence, high- vs intermediate- vs low-mental ability Ss, 16303
speed of feature extraction processing in visual system, 19–30 yr olds, 16255
speed of information processing, academically gifted 7th graders, 23001
speed vs accuracy vs general failure vs natural feedback, reaction vs movement time vs accuracy in guided aiming movement task, 14–16 yr olds, 11447
state & trait anxiety & relaxed vs stressful conditions & complexity of analogical reasoning task, RT & error rate, college students, mixed support for cue utilization vs attentional vs memory capacity theories of anxiety & performance, 11817
statistical norms for RT & pursuit rotor & hand tapping & arm-hand steadiness psychomotor tasks, male & female 1st–10th graders, 19637
stimulus-response compatibility & background noise level, P300 latency & RT, reply to comments by A. Magliero et al, 13821
syntactic complexity &/or unnaturalness, processing time for sentence comprehension, college students, support for G. Opacic & C. E. Osgood's theory, 11361
target letter with compatible vs incompatible noise, EMG & choice RT in letter discrimination task, adults, implications for response competition, 19062
task demands & E expectations, increase in time to scan object in visual mental image, college students, 26316
temazepam vs nitrazepam, mental processes regulating RT skills, college students, 646
temporal characteristics of visual letter noise, facilitation vs interference of reaction time to target letter, female college students, 23547
tensing of agonist & antagonist muscles in anticipation of performance of task, contingent negative variation amplitude & RT, 17–36 yr olds, 13845
true & false variability of sentences, decision time for reasonableness judgments & memory representations for concepts, college students & college-educated adults, 29112
Type A vs Type B self schemata, speed of processing & memory interference, college students, 27212
unexpected road hazards, perception response time, 18–40 vs 50–84 yr olds, 23152
unitization in familiar vs unfamiliar letter sequences & word superiority, performance on same-different RT tasks, adults, 13640
up vs down vs left vs right judgment of location of features of naturalistic & geometric shapes, college students, 16252
use of semiparametric vs parametric models of response time in psychometrics, 10855
use of word vs arbitrary letter to indicate right-left vs up-down orientation & location judgments, RT, college students, 29050
variability of kinematic & EMG timing parameters & average movement velocity, premotor & motor RTs, 20–35 yr olds, 23519
verbal & modality-specific coding in tactual-to-visual & visual-to-visual matches, 7–8 yr olds vs 20–28 yr olds, 19610
verbal vs symbolic traffic signs, RT, college students vs 65–77 yr olds, implications for highway safety, 8736
viksen vs compound of viksen & trazepam, heart rate & blood pressure & RT, 2nd-stage hypertonic 31–56 yr olds, implications for treatment, 5892
visual representation in comprehension of high imagery sentences, college students, improvement of methods & retest of conclusions by A. L. Glass & J. K. Eddy, 19109
visual stimulus intensity & complexity, bimanual vs unimanual RTs, 20 yr old acallosal male, 14878
visual stimulus intensity & degradation & stimulus-response compatibility & practice, vocalization latency in letter naming task, college students, 21081
visual vs auditory stimulus intensity, motor system RT, college students & faculty, 2968
visually vs auditorily oriented residential vs day schools, vocal & verbal RTs in tasks of increasing phonetic complexity, 7–14 yr old hearing impaired students, 13072
word repetition, long term recognition memory predicted by RT & P300, male college students, 23809

Reactive Depression

acupuncture, treatment outcome, patients with reactive vs endogenous depression vs primary affective illness, 15230
alprazolam vs amitriptyline, patients with reactive vs neurotic depression, 15148
conceptualization of reactive depression, Trinidad & Tobago, 17381
EP to warning stimulus & contingent negative variation, 21–53 yr olds with vs without reactive vs endogenous depression, longitudinal study, 1290
mianserin vs nomifensine, endogenous & reactive depressive patients over 20 yrs old, conference presentation, 30732
neurotic reactive depression & situational major depressive disorder, comments on articles by G. Winokur & R. M. Hirschfeld et al, 9248
paroxetine vs amitriptyline, somatic symptoms & moods & side effects, 18–60 yr olds with endogenous vs neurotic-reactive depression, 20375
platelet MAO activity & psychiatric disorder in probands, predisposition to bipolar affective disorders & reactive depression & alcoholism, parents & siblings of probands, 22137
predictors of outcome at 6 & 20 wks, untreated reactive or neurotically depressed community volunteers, 1349
therapeutic efficacy & side effects of nomifensine vs maprotiline vs imipramine, patients with endogenous vs reactive depression, 7169
types of reactive depression, 12–17 yr olds, 6573
validity of situational major depression as subtype of major depression, nonbipolar patients with situational vs nonsituational major depression, 1-yr followup, 9260

Reactive Psychosis
brief reactive psychosis with syndrome compatible with anticholinergic intoxication, 19 yr old female patient, implications for diagnosis, 30058
clinical features of emotional responses, psychopaths with reactive psychosis, 6671
reactive disorder manifested as perturbation of conscience following relocation to city & subsequent loss of cultural identity, young Mapuche Indian female, case report, Chile, 27274
Reactive Schizophrenia [See Reactive Psychosis, Schizophrenia]
Readability
alternatives to readability formulas, 15934
computer analysis of readability, abstracts from occupational therapy journals, 22744
conceptual tempo & passage readability & error type & reading ability, metacognitive ability on reading error detection task, above vs below average 6th grade readers, 23002
level of readability in print advertisement, recall & attitudinal judgments & purchase intent, adults, 31585
multiformula readabilities of content textbooks in 6th–9th grades, implications for conceptual density & comprehension performance, 4848
original vs revised grammatical structure, recall & comprehension of basal reader stories, 2nd graders, 18465
rapid serial visual presentation of texts varying in difficulty, reading comprehension, college & graduate students, 296
rescaling & reliability & validity of grade equivalent units of Degree of Reading Power test, assessment of readability of reading materials for 1st grade through graduate school, 28590
textbook usability estimate checklist, reading comprehension, students, 20672
Readaptation [See Adaptation]
Reading [See Also Braille, Oral Reading, Remedial Reading, Silent Reading]
ability to learn reading & writing, students before age 6, 2428
activation of semantic & phonological coding processes during reading, adult Ss, 19100
attitude toward reading & self reported reading behaviors, gifted males vs females in 1st–12th grade, 28520
attitudes toward & preferences in reading, elderly active vs inactive readers, 26938
books as toys vs for reading, infants & toddlers, bibliography, 8739
computer controlled device, measurement of spatial coordinates in decoding braille texts, blind readers, 13359
computer programs to facilitate gathering & analysis of data on reading & studying of text passages, 26171
computer supported reading vs reading text on paper, reasoning task, college students, implications for man-machine systems design, 2695
contextual constraints & misspelling, eye movement patterns & fixation during reading, skilled readers, 254
contextual constraints & parafoveal visual information in reading, college community members, 2957
conversational & personal & instrumental uses of literacy, deaf adults who sign vs hearing vs deaf 3–21 yr olds & their hearing vs deaf parents vs schoolteachers, 20205
dimensions of reading attitudes, 3–5 yr old Mexican vs Anglo vs Black Americans vs other ethnic groups, 25852
drama, exploration of story through reading, 10 yr old students, 25759
hemispheric specialization in normal reading, response to comments by M. Coltheart on article by J. L. Bradshaw & N. C. Nettleton, 19344
language & cognition in control vs information processing models of reading, 8227
learning to read assisted by microcomputer, vision- and language-impaired learning disabled teenage boy, 13057
left vs right hemisphere reading of pointed vs unpointed Hebrew spelling, performance on lexical decision & word pronunciation tasks, college students, Israel, 8392
loneliness, mass media consumption, college students, 9121
mental rotation & naming of normal vs backward letters, 11–13 yr olds with reading disabilities, 9424
metacognitive strategies for studying from text, 15768
method for assessment of ability to use closed circuit TV reading machine, Ss with substantial vision loss, 25562
multiple & selective attention to letter & configural information in printed words, 2nd graders after 1 yr of reading instruction, 19572
musical reading, literature review, 5395
nature of orthographies & reading-acquisition process & prognosis for successful learning, comments on article by H. Stevenson, 11358
number signals, text recall & reading, college students, 29142
oculomotor behavior in reading isolated words, 19059
participation in library-oriented motivational intervention program, use of & attitudes toward library or librarian & reading, 8th graders & junior high librarians, 2402
popular view of vs recent literature about use of print vs TV & children's cognitive development, 8784
presentation of pictures, learning to read words in Kanji script, kindergartners, 18485
prose passage reading & comprehension task while performing concurrent tasks, use of phonological codes in reading, college students, 5480
psychoanalytic view of text reading interpretation, 5995
reading ability & grade & study time, processing & reading & learning from text in immediate vs delayed recall paradigm, 5th vs 8th vs 11th graders vs college students, 6047
reading behavior & prose recall, 18–32 vs over 65 yr olds with average vs high verbal ability, 29639
reading eye movement patterns, native Chinese vs English vs Chinese & English readers, 23573
reading from microfiche vs video display terminals with negative vs positive appearing images & printed paper copy, fatigue & performance, humans, 23291
reading goal & availability & amount of required resource, text processing & recall, college students, 16317
reading in classroom group vs individual vs summary & restatement condition, reading comprehension, learning disabled 3rd–6th graders, 18592
reading interests, male vs female hearing impaired vs normal hearing 9–12 yr olds, 24993
reading preferences, Black vs White male & female kindergartners through 5th graders, 13044
right hemisphere, normal reading, humans, further comment on article by J. L. Bradshaw & N. C. Nettleton, 19320
right hemisphere specialization, reading, reply to comments by M. Coltheart, 19317
silent vs overt articulatory suppression, impairment of rhyme judgments, college students, 3039
specific vs general objectives & target information high vs low in content structure of text, secondary task RT & reading time & free recall, college students, 10954
stenographic vs print word presentation, capacity of both hemispheres to detect same words, 22–71 yr old right handed stenographers, 13823
stimulus parameters, legibility of character- & word-stepped text visual displays, college students, 5255
teaching methods & neuropsychological differences & sentence comprehension strategies in reading Chinese characters, Peoples Republic of China, 18463
temporal characteristics of eye movements & assumed processing during reading, college students, 5410
types of inferences generated during reading & representations in memory, college students, 19159
use of Lisp Machine to study reading processes, 26338
validation of 1st-time-read-yesterday survey technique, evaluation of computer-directed continuous media investigation, magazine subscribers, Holland, 26084
verbal & nonverbal aspects of group storyreading & literacy socialization, 3–5 yr old students, 2350
visualized braille reading on closed circuit TV & cross-modal transfer of learning, congenitally blind 12–50 yr olds who had light projections of 2–6 mo, 20171
Reading Ability
ability for understanding of instructions & communication of steps in sequence & rephrasing of verbal messages, 6 & 7 yr olds with learning disabilities, 3-yr longitudinal study, 20082
ability to discriminate & decode letters & sequences & read words, reaction time, good vs poor 2nd–4th grade readers, 13013

ability to read regular & nonsense & exception words, dyslexic vs normal 6.5–14.3 yr olds implications for development of spelling-sound rules & word-specific associations, 27482
assessment of reading ability & methods for teaching reading, dyslexic students in regular elementary & secondary classrooms, 13066
background & experiences & earlier cognitive development, reading ability, children assessed at birth & ages 3 & 5 & 7 & 9 yrs old, 26874
beginning vs skilled readers, perceptual span & eye movements, 7–11 yr olds & college students, 21724
bilateral otitis media with effusion & hearing loss, IQ & verbal comprehension & expression & reading ability & behavior problems, children diagnosed at age 5 yrs & followed up at ages 7 & 11 yrs, 17670
bivariate path model, familial resemblance for reading ability & symbol processing speed, families with reading disabled child, 5659
book ownership & home reading time & school environment, academic achievement, successful vs nonsuccessful kindergartners, Israel, 28474
characteristics of phonological processing & problems in learning to read & write, literature review, 12135
cognitive reflexive-impulsive styles & level of reading capabilities & socio-cultural surroundings, children with legastenic disturbances, 4068
common visual dysfunctions, reading ability, children, 12245
comparison of 2 Aachen Aphasia Test profiles, changes in reading & writing ability, 56 yr old with Wernicke's aphasia, 20264
conceptual tempo & passage readability & error type & reading ability, metacognitive ability on reading error detection task, above vs below average 6th grade readers, 23002
criterion validity & difficulty levels & internal consistency reliability estimates of Degrees of Reading Power test, prediction of reading abilities, 15949
decoding & comprehension ability, reading skills, implications for reading disabilities, 14757
deficiencies in semantic memory, performance on dichotic listening recall tasks, 9.1–12.9 yr old male disabled readers, 27481
design of studies of different reading abilities, reading disabled & normal children, comments on article by J. E. Backman et al, 26135
development & cognitive correlates, reading ability & achievement, skilled & less skilled 3rd vs 5th grade readers, 31238
directed approach to teaching mathematics, reading & mathematics skills, elementary school students, 15628
Directed Listening-Language Experience Approach remedial program, 35 yr old female with aphasia & alexia, 4933
EMG biofeedback vs relaxation training vs remedial teaching, reading accuracy & speed & comprehension, 4th–5th graders with reading disabilities, implications for special education & teacher training, 20785
experimental curriculum of metacognitive knowledge about reading, improvement of use of reading strategies, 3rd–5th graders, 18489
explicit phonetic analysis of speech & reading acquisition, literature review, 804
extraversion, reading performance, female vs male 7–8 yr olds, 20730
eye movements, learning to read & reading disability, children, 12140
general vs task specific self vs didactic instruction vs practice training, error detection ability & comprehension monitoring during reading, 4th graders, 10361
grammatical well formedness ability, awareness of ongoing reading comprehension, skilled vs less skilled 4th & 5th grade readers, Australia, 22996
high vs low level advance organizers, detail vs thematic subsequent free recall of text, 16 yr olds with high vs low reading ability, 25775
highlighted vs cloze conjunctions vs typical text format, expository text comprehension, 5th & 7th graders with high vs medium vs low reading skill, Canada, 28477
illustrations & ability, literal vs inferential vs total comprehension of abstract vs concrete passages, 6th graders, Australia, 8767
incidence of hyperlexia, 5–18 yr olds with autism or pervasive developmental disorders, 30104
interrelation of word recognition & spelling & reading comprehension & writing skills in literacy acquisition, 1st graders, 2-yr longitudinal study, 29616
letter vs word recognition, 3rd graders vs college students, implications for linguistic levels during reading, 26812
level of reading progress, nonlexical vs lexical substitution errors & phonological mediation on word reading tests, 6 yr olds, 28492
logic in reading-level design in research on reading ability, reply to comments by P. Bryant & U. Goswami, 26153
map features represented by labels with vs without symbols vs mimetic drawings & verbal information, recall of text, good vs poor 5th–6th grade readers, support for conjoint retention hypothesis, 28410
meaning & grammatical relationships implied by cohesion in text, miscues in oral vs general reading & recall of cohesive & central items, male 6th grade poor readers, 15765
meaning focused nontraditional remedial reading program, reading ability, female 8th grader with poor reading ability, 20763
mnemonic imagery strategy, prose recall, junior high school students at above vs below average reading ability, 22968
multivariate path analysis of reading ability & symbol processing speed & spatial reasoning, reading disabled 7.5–12 yr olds & their nuclear families, 4067
naming rate & vocabulary retrieval & reading ability, reading impaired or dyslexic vs bilingual vs normal 2nd graders, 3-yr longitudinal study, 27487
Nelson-Denny Reading Test vs American College Testing Program scores, prediction of reading ability, freshmen college students, 25885
normal vs poor reading proficiency & classificatory ability assessed by free sort vs associative grouping task, adolescent males, test of substrata factor theory, 871
note taking & text signals, recall, college students classified as good vs average vs below average readers, 2427
oral reading & listening to easy vs hard expository text, comprehension & recall, good vs poor 6th grade readers, 23008
oral syntax vs syntax complexity of basal readers, 1st–3rd graders, 4856
out-of-level vs on-level Gates MacGinitie Reading Tests, score differences & reliability, 4th–5th grade poor readers, 5014
parental involvement in paired vs relaxed reading, reading ability, 8.6–10.3 yr olds with low reading ages, 11431
part vs whole visual motor preference, phonics vs whole word reading approach, reading disabled & nondisabled elementary school readers, 25765
passivity as source of poor reading comprehension, poor readers, implications for teaching methods, 15629
Peabody Individual Achievement Test vs Woodcock Reading Mastery Tests, diagnosis of reading ability, learning disabled 6.6–14.8 yr olds, 25893
phonological deficit & reading & spelling of nonwords, 10 yr old male with developmental phonological dyslexia, case report, 24843
phrasing &/vs repeated readings, free & cumulative recall of idea units & narrative categories, 5th grade good vs poor readers, 10388
prerequisite relations among text-based inference question tasks, identification & validation of reading comprehension traits, 6th grade good vs poor readers, 15893
prior knowledge & oral reading accuracy, miscues & reading comprehension, 3rd graders, 13015
profiles of text learning strategies, college freshmen who were good vs poor readers, application to design of remedial instruction, 25874
ratings of academic competence & reading ability & work habits & classroom behavior & creativity & home background, reading grouping decisions, elementary school teachers & Black vs White 4th–6th graders, 31143
read only &/vs notetaking &/vs generation of paragraph summaries, comprehension & application & analysis & synthesis & evaluation of prose material, high vs low reading ability, college students, 28467
reading & spelling skills, male prisoners who read at or below 5th grade level, 12751

reading ability & grade & study time, processing & reading & learning from text in immediate vs delayed recall paradigm, 5th vs 8th vs 11th graders vs college students, 6047
reading ability & operativity, reading skills & metareading & memory & metamemory, 2nd vs 4th graders, 800
reading ability & prior knowledge, prediction of text comprehension of intact vs topic-sentence- vs topic-and-concluding-sentence-deleted prose paragraphs, high- & average-ability 5th & 6th graders, 4878
reading ability, comprehension rating of altered vs unaltered passage & ability to locate anomalous words, 7th & 8th graders, 10409
reading ability, language comprehension & production & grammaticality, 8 yr olds, implications for assessment of reading disabilities, 14171
reading ability, semantic processing efficiency of basic vs superordinate level descriptions & high vs low typicality during memory verification tasks, 2nd–3rd vs 5th–6th grade disabled vs normal readers, 20087
reading ability, solving of story problems in pictorial format vs matching problems in verbal vs telegraphic format, 3rd–7th graders, 7644
reading comprehension ability, use & awareness of strategies that can affect learning environment vs can be observed vs are internal, college students, implications for remediation, 15796
reading difficulty of required textbooks & reading comprehension ability, determination of minimum reading ability, teacher education program applicants, 25747
reading level, coding strategies in braille learning, children with normal vs retarded reading ability, 17634
reading of narrative vs expository story passages, ability to answer text-based inference &/vs paraphrase questions, 3rd graders, 23015
reading proficiency in English & ability to perceive ambiguity & mental ability, English- vs Hebrew speaking college students who spoke English as 2nd language, US vs Israel, 18519
reading retention & comprehension, fast vs slow 5th grade vs college student readers, 14137
reading skill & sensitivity to interword constraint, poor vs good readers in 6th grade vs college, 10405
reading skill & special processing, 9–12.7 yr old dyslexic readers, 27479
reading vs writing to dictation skills, evidence of dyslexia without dysgraphia, mentally retarded 10 & 11 yr old males, Italy, 24818
repeated measurement of reading performance instability, learning disabled vs emotionally handicapped vs nonhandicapped 3rd–9th graders, 18582
research on cognitive nature of learning to read & write, literature review, 11469
review of tests in E. W. Warncke & D. A. Shipman's "Group Assessment in Reading", 23135
role of experience in use of orthographic structure, good vs poor 6th grade readers vs 4th grade average readers, 11468
saccadic eye movements in span of letter recognition in reading task, good vs poor 5th grade readers, 16961
scale & angle & character style of text on CRT, proofreading speed & accuracy, experienced CRT users, human factors implication, 26310
selection of written phrase to match auditory tone pattern, 6th grade normal vs poor readers, 8743
short term memory for rhyming & nonrhyming sentences in kindergarten, reading ability in 1st grade, children, 828
simultaneous rapid alternating stimulus naming & reading measures, differentiation of impairment & sequencing & attention-organization ability & prediction of later reading performance, dyslexic 2nd graders tested since kindergarten, 20790
speed of word encoding & lexical & semantic access, reading ability, college students, critique of study of processing speed by R. J. Chabot et al, 8233
stability & classification of specific reading retardation, students 7 yrs old at first testing, 4-yr longitudinal study, New Zealand, 20732
standard intelligence measures &/or teachers' ratings vs learning efficiency test, prediction of reading ability over time, English & Asian 2nd graders whose abilities tested in mentally retarded range, England, 18637
standardized psychoeducational tests in screening program, prediction of reading & math ability-achievement score discrepancies on WISC-R vs Peabody Individual Achievement Test, 1st–5th graders, 15895
syntactic comprehension deficits, reading & aural comprehension, good vs poor 4th grade readers, 24825
temporary memory skills, early reading ability, 2nd graders, Japan, 11435
test on typewritten pages vs CRT screen, reading time between vs within pages as measure of continuous vs discontinuous skill acquisition & expression, college students, 11007
test variability & instructional variables, explanation of reading level of learning disabled child to parents, regular & special education teachers & reading specialists, 13116
text variables & verbal ability, discourse memory performance, 18–28 vs 61–75 yr old students vs 63–75 yr old nonstudents, 26828
thematic organizer strategy, text comprehension & recall, 5th graders vs 4th–6th grade poor readers, 31210
typical vs atypical items, incidental & cued & self generated & free recall tasks, good vs poor junior high school readers, 21685
use of analogy, reading of real vs nonsense words, kindergarten through 2nd grade students, 31186
validation of components theory of reading ability based on verbal coding efficiency model of reading skill, 13415
verbal vs visual-perceptual or phonetic stimulation of right vs left hemisphere, event related potential amplitudes & reading & spelling ability, dyslexic children, 6675
visual & phonological & naming processes & context & memory & comprehension strategies as possible causes of reading failure, conference presentation, 9465
Woodcock-Johnson Psycho-Educational Battery Oral Language/Verbal Ability vs Broad Reasoning/Reasoning clusters, learning disabled 2nd–5th graders with different mathematics &/vs reading abilities, 15820
word decoding ability, reading acquisition & skill & disability, implications for remedial education, 15851
words & nonwords containing regular vs homographic spelling patterns, reading performance & decoding processes, dyslexic vs nondisabled good vs poor reading 3rd–4th graders, 14778

Reading Achievement

active comprehension training & self questioning, reading achievement & comprehension, 4th–5th graders, 7605
attendance at public vs parochial kindergarten program, English & reading & mathematics achievement, 6–7 yr old parochial 1st graders, 28409
attitudes toward reading theory & instructional methods & professional role & criteria for pupil success, classroom instruction, elementary school teachers, implications for teacher education, 4815
background knowledge, test scores & performance on Nelson-Denny Reading Test, college students, 20800
changes in reading attainment, males & females assessed at age 15 & 26, 11-yr longitudinal study, 21726
cognitive & motivational & affective deficits, passive failure in reading, elementary school students, implications for reading instruction, literature review, 28481
cross-age peer student tutoring program, reading, underachieving 10–11 yr old tutors & 6–8 yr old tutees, 10355
cross-age vs peer tutoring, reading achievement, learning disabled & behaviorally disordered 1st–6th graders, 20783
curriculum bias in standardized & criterion-referenced reading achievement tests, elementary education, implications for educational placement, 20823
defense mechanisms & anxiety & self concept & teaching methods, learning to read, children, 20685
development & cognitive correlates, reading ability & achievement, skilled & less skilled 3rd vs 5th grade readers, 31238
development of semantic & syntactic sensitivity, reading skills & achievement on oral language tasks, 1st vs 2nd vs 3rd graders, 31241
direct instructional teaching technique with vs without counseling vs drama, self esteem & reading, 8 yr old poor readers, 28548
excusing students from regular classroom activities for instrumental music study, reading & language & mathematics achievement, 6th graders, 18523

family & psychological & demographic variables, reading & math achievement, deaf 8–15 yr olds in residential state school, 15852
family behaviors & interaction, reading & mathematics achievement, hearing impaired 10–12 yr olds, 1524
hearing stories read aloud in native language by parent volunteers, reading achievement in English, Cantonese-speaking 4th graders, 7621
home environment & quantity of instruction & leisure time TV watching & reading, reading achievement & attitudes, 9 yr old students, 2444
individual differences in visual & linguistic skills necessary for learning to read, kindergartners, 1-yr longitudinal study, 15731
inservice training program, reading instruction knowledge & attitudes & student achievement, elementary teacher participants & their 2nd–5th graders, 10297
instructional strategies & management system, reading failure & language skill, teachers & students, 20701
level of reading progress, nonlexical vs lexical substitution errors & phonological mediation on word reading tests, 6 yr olds, 28492
measures administered in kindergarten or 1st grade, prediction of later learning problems & reading achievement, meta-analysis of 1960–84 studies, 15905
model of proficiency in English & obtaining responses to requests & reading achievement, Hispanic & Black 3rd grade 2nd language learners, 18533
neurological impress method & presenting technique, reading achievement, reading disabled students, 23068
neuromotor measures, prediction of reading achievement & language performance, kindergartners & 1st graders, 16965
normal vs poor reading proficiency & classificatory ability assessed by free sort vs associative grouping task, adolescent males, test of substrata factor theory, 871
parental help in home, reading performance, 8–15 yr olds in special education school for children with moderate learning difficulties, 18603
peer tutoring & teacher compliance with prescribed methods, reading achievement, 1st graders, 2-yr longitudinal study, 25790
phonemic segmentation skill & reading achievement, 1st graders, implications for reading education, 2442
practice of correct symbol reversals, reading achievement, 1st graders, 15746
prediction of academic achievement in math & reading by use of cognitive tasks & material & teacher ratings, male vs female students tested prior to kindergarten & at grades 1–10, 28491
predictive validity of correlates of reading & spelling & mathematical learning disabilities, kindergartners, 1-yr followup, 15769
prereading curriculum, reading achievement, kindergartners & kindergarten teachers, 22986
reading & mathematics achievement & personal & social & educational adjustments, physically disabled students in regular elementary school, 23023
reading & mathematics achievement tests, prediction of teacher ratings of student grade level & selection of appropriate tests, behaviorally disturbed children & adolescents attending special school, 28584
reading achievement, automatic recognition of familiar vs less familiar words vs pseudowords superimposed on pictures, 4th graders, 13006
recreational reading selections, high vs average vs low achieving 4th–6th graders, 15774
repeated study & retesting on reading assignments, acquisition & retention of rote vs conceptual material, slow vs fast learning college students, 7750
revised version of Tent series of Children's Embedded Figures Test, prediction of early reading achievement, kindergartners through 4th graders, 20798
sex differences, reading achievement, high school sophomores & seniors, 15747
stability & classification of specific reading retardation, students 7 yrs old at first testing, 4-yr longitudinal study, New Zealand, 20732
study methods, test scores on content area examinations, college students in reading course, 10416
superordinate vs subordinate mathemagenic postquestions, cognitive capacity engagement during reading task & subsequent performance on recall posttest, college students, 20671
teacher training in explicit verbal explanations vs classroom management in reading instruction, reading skills & achievement, 5th grade teachers & their low reading students, 31180
test taking skills & strategies, achievement on standardized reading tests, elementary school students, 10423
traditional instructional methods & Piagetian theory, arithmetic & reading & writing & constructivism, primary school students, conference presentation, 20684
training in text strategies in remedial reading program, reading achievement & comprehension, 4th–6th graders, 7708
treated vs untreated visual defects, intelligence & reading & mathematics & athletic ability, 10 yr olds, 12284
validity & reliability of informal reading inventories, assessment of reading achievement, 10517
verbalization of comprehension strategies, reading achievement & self efficacy & ability attributions, 4th & 5th graders with reading comprehension deficiencies, implications for remedial education, 7728
WISC results categories suggested by A. Bannatyne, prediction of later reading achievement, kindergartners through 4th graders, 1970–75, Australia, 13145
2 yrs of tutoring, mathematics & reading achievement, disadvantaged 3rd & 6th graders, 22944

Reading Comprehension

ability to recognize real words from orthographically correct vs incorrect pseudowords under visual vs aural vs bimodal conditions, reading disabled 8–11 yr olds, 22213
ability to understand deictic content of pronouns vs locatives vs motion verbs in oral vs written language vs picture selection tasks, 2nd graders, 21719
ability to write summaries of expository vs narrative prose, 4th–5th graders, 21734
acquisition of visual equivalences between colors & printed words, auditory reading comprehension & oral naming of printed words, severely mentally retarded teenage males, 22207
active comprehension training & self questioning, reading achievement & comprehension, 4th–5th graders, 7605
activities to improve comprehension skills, creative & gifted students, 31276
analysis of college methodology textbooks for suggestions for teaching reading comprehension to children, 22889
approaches to reading instruction in content areas, learning disabled students, 2498
articulatory suppression, reading latencies & retention of text, 7.9–8.6 yr olds, Greece, evidence for role of phonological recoding, 29638
attention & motivation & comprehension in learning with understanding, implications for teaching, 13698
attentional cues to reading rate vs meaning followed by repeated readings, fluency & comprehension in retelling of story, 3rd graders, 12978
behavioral remediation program, oral reading errors & comprehension, moderately mentally retarded 11–17 yr olds, 31299
causal relationships & story information & macrocloze exercises & story trees & inferential questions, comprehension, 10.1–12.7 yr old learning handicapped readers, 28580
classroom training procedures, strategies for text comprehension, poor readers, review of experiments, 15658
cognitive ability & reading knowledge, reading comprehension, 10 yr olds, 8727
cognitive style & field dependence-independence, reading comprehension, students, comments on study by M. M. Pitts & B. Thompson, 10455
cognitive style, reading comprehension test performance, profoundly hearing impaired students, 9520
complexity of computer-based instructional text editors & reading comprehension & computer enjoyment & previous computer experience, word processing performance, 29–38 yr old female clerical & administrative workers, 31435
component processes in reading comprehension & moving-window paradigm, reply to comments by J. H. Danks, 21151
comprehension & conceptual structure of translations of Ovid's "Metamorphoses" & Grimms' "German Folk Tales", 29531
comprehension & preferences for short form vs psychoeducational report vs question & answer format of psychological reports, parents of learning disabled or retarded or gifted children, 28653

comprehension of anaphoric relations in stories, 3rd vs 6th graders, 10413
comprehension of individual words, sentence comprehension, college students, 3037
comprehension of simple stories through successive written or heard summaries, secondary students, France, 25818
confidence ratings & inference verification after reading multitopic passage, accuracy of self assessment of text comprehension, college students, 10964
confusions that reversible letters create in reading process as misperception vs mislabelling, dyslexic vs normal 9.3–11.5 yr olds, 12125
conversational noise & locus of control & field dependence-independence, comprehension & retention of text excerpts, college students, implications for effect of learning strategies on academic achievement, 25810
cooperative goal structures in mixed vs homogeneous dyads, reading comprehension, learning disabled & non-learning disabled 2nd–8th graders, 4934
declarative & procedural & conditional knowledge in direct instruction method, reading comprehension, 20669
decoding & comprehension ability, reading skills, implications for reading disabilities, 14757
definite vs indefinite reference & number of discourse referents, reading comprehension & time, college students, 282
degree & type of reading comprehension instruction in social studies texts & teachers' editions, 4th & 6th graders, 18461
designing of written texts for information users, 5958
development & validation of Simon-Dole Listening Comprehension Test, measurement of listening comprehension as predictor of reading comprehension, 5–7.2 yr olds tested in kindergarten vs 1st grade, 25902
development of measure of working memory capacity & relation to reading comprehension skill, college students, replication of research by M. Daneman & P. A. Carpenter, 13613
dictionary or concept vocabulary instruction, comprehension of basal stories, average vs above average 5th grade readers, 31220
direct instruction method, reading comprehension & education, 20688
discussion group vs advance organizer direction setting activities, reading comprehension, Black learning disabled high school students, 31278
EMG biofeedback vs relaxation training vs remedial teaching, reading accuracy & speed & comprehension, 4th–5th graders with reading disabilities, implications for special education & teacher training, 20785
field dependence-independence, reading comprehension of literary vs expository text types, 6th graders, 20715
fill-justified vs ragged right margin text, reading speed & comprehension, college graduate students, 26288
fluency & comprehension level, comprehension of sentences in isolation vs at end of paragraphs with vs without adherence to given-new structure, aphasic 23–80 yr olds, 17564
general vocabulary knowledge &/vs Black language "sounding" skills, figurative language comprehension, Black vs White 7th graders, educational implications, 15735
general vs task specific self vs didactic instruction vs practice training, error detection ability & comprehension monitoring during reading, 4th graders, 10361
grade level & decoding skill, use of context to facilitate word recognition & comprehension-monitoring processes in oral reading of prose, 4th–5th graders, 798
grammatical orientation & control of constituent command constraint, comprehension of complex sentences, reading disabled 7–10 yr olds, 1490
grammatical well formedness ability, awareness of ongoing reading comprehension, skilled vs less skilled 4th & 5th grade readers, Australia, 22996
height of target propositions & elaboration, free recall of target propositions within paragraphs, college students, 23633
high vs low family frequency words, literal & inferential social studies text comprehension, 5th graders, 10421
high vs low level advance organizers, detail vs thematic subsequent free recall of text, 16 yr olds with high vs low reading ability, 25775
high vs low level proposition in text structure, oral vs silent reading rate & comprehension & cognitive processes, college students, 16324
high vs low verbal divergent thinking ability, reading processes & recall of material read, 6th graders, 25811
highlighted vs cloze conjunctions vs typical text format, expository text comprehension, 5th & 7th graders with high vs medium vs low reading skill, Canada, 28477
illustrations & ability, literal vs inferential vs total comprehension of abstract vs concrete passages, 6th graders, Australia, 8767
illustrative details, recall of main points in simple vs factual passages, college students, 714
imagery before or after story reading, story comprehension & recall, 3rd–4th graders, replication & extension of findings in study by M. Sadoski, 10422
inference & reactivation of antecedents by anaphor during reading, college students, 29097
inference making & verb semantics, resolution of anaphoric pronouns, college students, 21179
informative feedback, retention of initial responses to factual vs guess questions on text comprehension task, school age children, 6078
InQuest investigative questioning procedure, listening & reading comprehension, elementary school students, 20704
interrelation of word recognition & spelling & reading comprehension & writing skills in literacy acquisition, 1st graders, 2-yr longitudinal study, 29616
interspersed postpassage questions, reading comprehension, 2nd graders reading at grade 3 level, 25794
irrational beliefs & reading comprehension, college students, 19118
item response patterns on reading comprehension test, hearing impaired students with mean age of 13.6 yrs, implications for testing & educating hearing impaired students, 2553
kanji vs kana processing in oral reading vs reading comprehension vs lexical decision tasks, 46 yr old aphasic female with deep dyslexia, Japan, 1476
local-global vs literal-inferential multiple choice test questions, question answering strategies & use of knowledge sources in reading comprehension, 3rd graders, 10541
map construction vs map study procedures vs question-answering vs rereading text organization teaching method, recall of expository passages, 6th graders, 22926
meaning & grammatical relationships implied by cohesion in text, miscues in oral vs general reading & recall of cohesive & central items, male 6th grade poor readers, 15765
memory & use of schemata & social contextual interactions, language comprehension & production, male dyslexic school age children, 6679
metacognitive strategy for teaching inferential comprehension, 4th–6th graders, 28449
moving-window procedure, identification of processes in text comprehension, readers, comments on study by K. F. Haberlandt & A. C. Graesser, 21147
multiple vs single elaboration dyads vs individuals, processing of descriptive vs procedural technical passages, college students, 15692
need for caution in interpretation & provision of tables of statistically significant differences in subtest scaled scores on Test of Reading Comprehension, 28599
nonawareness vs nonproduction ability explanations, text summarization deficiencies, 9th vs 11th graders vs college students, 31227
oral reading & listening to easy vs hard expository text, comprehension & recall, good vs poor 6th grade readers, 23008
oral reading to self vs audience vs silent reading with vs without listening, reading comprehension & recall, college students, 10411
oral vs silent reading of own vs peer dictated vs adult written stories, free recall & inferences, 1st–3rd graders with different decoding abilities, 10399
orientation & length of Hebrew letter strings, lexical decision RT , college students, Israel, 10970
original vs revised grammatical structure, recall & comprehension of basal reader stories, 2nd graders, 18465
paragraph framing, comprehension of relationship between sentences & paragraphs, students, 15729

paragraph organization & topic structure of text, sentence reading times & comprehension, college students, 8213
passage containing predictable vs unpredictable target word from preceding context, memory & comprehension of text, college students, 314
passage dependency of multiple-sentence reading test items, assessment of reading comprehension, 51–73 yr olds with vs without aphasia, 16165
passage presented on printed page vs computer with vs without textual manipulations grouped by reading ability, 10372
passivity as source of poor reading comprehension, poor readers, implications for teaching methods, 15629
performance on working memory span test & vocabulary & lexical decision & letter matching tasks, prediction of reading comprehension, 18–60 yr olds, 5448
personally relevant language materials, auditory comprehension & speech perception & naming & reading comprehension, 47–73 yr olds with aphasia, 9492
phrasing &/vs repeated readings, free & cumulative recall of idea units & narrative categories, 5th grade good vs poor readers, 10388
prerequisite relations among text-based inference question tasks, identification & validation of reading comprehension traits, 6th grade good vs poor readers, 15893
presentation of topically relevant vs irrelevant outline & existing subject knowledge prior to studying instructional text, recall of text material, college students, 15654
prior knowledge & oral reading accuracy, miscues & reading comprehension, 3rd graders, 13015
progressive cloze technique as remedial strategy, reading comprehension, 23091
properties vs order of presentation of characters & events in narratives, referent assignments, college students, 8221
prose passage reading & comprehension task while performing concurrent tasks, use of phonological codes in reading, college students, 5480
question training & quality of questions asked, reading comprehension & recall, 7th & 8th graders, implications for development of comprehension strategies, 31201
rapid serial visual presentation of texts varying in difficulty, reading comprehension, college & graduate students, 296
rauding rescaling method, measurement of absolute units of reading comprehension, college students, 10518
read only &/vs notetaking &/vs generation of paragraph summaries, comprehension & application & analysis & synthesis & evaluation of prose material, high vs low reading ability, college students, 28467
reading ability & prior knowledge, prediction of text comprehension of intact vs topic-sentence- vs topic-and-concluding-sentence-deleted prose paragraphs, high- & average-ability 5th & 6th graders, 4878
reading ability, comprehension rating of altered vs unaltered passage & ability to locate anomalous words, 7th & 8th graders, 10409
reading comprehension ability, use & awareness of strategies that can affect learning environment vs can be observed vs are internal, college students, implications for remediation, 15796
reading difficulty of required textbooks & reading comprehension ability, determination of minimum reading ability, teacher education program applicants, 25747
reading in classroom group vs individual vs summary & restatement condition, reading comprehension, learning disabled 3rd–6th graders, 18592
reading instruction with vs without group counseling, self esteem & reading skills & coaches' perceptions of attitudes, college football players, 2560
reading of narrative vs expository story passages, ability to answer text-based inference &/vs paraphrase questions, 3rd graders, 23015
reading of relevant text material with higher vs lower order questions preceding vs following text, degree of required attention, college students, 13626
reading paper vs computer displayed passages, self paced reading time & comprehension, college students, 13505
reading retention & comprehension, fast vs slow 5th grade vs college student readers, 14137
reading speed vs comprehension & cognitive ability & performance on information vs linguistic processing tasks, female college students, 5469
reciprocal teaching strategy, text comprehension & comprehension monitoring, students, 22967
relationship between spelling rules & sounds, reading comprehension, children vs adults, Denmark & US, 6068
repeated reading, free & cued recall & retention & persistence of errors in expository reading task, graduate education students, 16306
retelling vs illustrating generative learning strategy, free recall & comprehension of reading passage, 4th graders, 10337
right-brained instructional strategies, reading comprehension, students with reading disabilities, 13122
schema theory as psycholinguistic model of English as 2nd language reading, implications for building & activation of background knowledge in classroom, 10324
semantic representations, comprehension & memorization of texts, children, 26821
sensitivity to thematic representations of plot units vs specific content of stories in memeory, comprehension & generation of narrative, college students, 23858
short vs long context inducing metaphoric vs literal target reading, comprehension, college students, 3024
skills required for reading comprehension, 23006
social & psychological family environment dimensions, deaf 10–12 yr old students with high vs low performance in reading comprehension & mathematics concepts & computation, 15818
spacial ability vs cognitive restructuring vs reading comprehension, mathematical problem-solving performance, 3rd–7th graders, 28493
story structure vs word study & dictionary usage instruction, reading comprehension, 4th graders, 20707
strategies &/vs abilities training, factual recall & sequencing & inference in prose comprehension, educable mentally retarded children & adolescents, 23082
strategies for learning from expository text, middle school students, implications for teacher-student interaction, 22942
strategy & sequenced materials, inferential comprehension, 4th–5th graders with reading disabilities, 7709
study skill training procedure, oral retelling of printed expository material, 11 yr olds with learning disabilities, 7686
study techniques involving self questioning, reading comprehension, college students, 15754
syntactic comprehension deficits, reading & aural comprehension, good vs poor 4th grade readers, 24825
TELLS Fact or Fiction advance organizer & guided probing technique, listening comprehension & standardized test performance, learning disabled high school vs elementary students, 10479
text based vs syntactic comprehension vs schema theoretic information processing perspectives, foreign language reading comprehension, research & pedagogical & testing implications, 8189
text organizational vs traditional instructional techniques, comprehension of narrative vs expository passages in intact vs scrambled structures, 6th graders, 15707
textbook usability estimate checklist, reading comprehension, students, 20672
thematic organizer strategy, text comprehension & recall, 5th graders vs 4th–6th grade poor readers, 31210
training in question generation, reading comprehension & quality & form of generated questions & accuracy of predicted comprehension, 6th graders, 31179
training in text strategies in remedial reading program, reading achievement & comprehension, 4th–6th graders, 7708
transformation of teaching into learning strategies, reading comprehension abilities & motivation, 10347
utilization of cloze & standardized reading tests, investigation of effect of sentence combining on reading comprehension, college students, 15939
validity of Pearson-Johnson taxonomy of reading comprehension, responses to textually eplicit vs implicit vs scriptally implicit text comprehension questions, 4th–5th graders, 15945
value analysis discussion & reading controversial news articles, political attitudes & reading comprehension, secondary students in history classes, 25841

variation in methods of encoding advance organizers while reading essays, memory for organizers & subsequent essay content, college students, 15641
verbalization of comprehension strategies, reading achievement & self efficacy & ability attributions, 4th & 5th graders with reading comprehension deficiencies, implications for remedial education, 7728
word & sentence & text level processing & word reading times, text comprehension, college students, 13625
word frequency vs inferiority disadvantage, detection of letters with vs without requirement to read for comprehension, college students, analysis of attentional factors vs unitization hypothesis, 10978

Reading Disabilities [See Also Dyslexia]
ability to recognize real words from orthographically correct vs incorrect pseudowords under visual vs aural vs bimodal conditions, reading disabled 8–11 yr olds, 22213
abnormalities & unilateral visual neglect in writing & reading & drawing, right brain damaged patients, 22290
acquisition of reading skills & development of reading disorders, 30320
activity theory & L. S. Vygotsky's approach to learning, learning disabilities & reading problems, reading disabled children & adults, 15837
age, intrinsic & extrinsic motivation orientation, reading disabled vs normal 3rd–7th graders, Canada, 31279
anxiety & maladaptive strategies & conflicting motives & causal attributions, reading disabled 26 & 43 & 45 yr old males, 12133
behavior problems, backward reading vs reading retarded students during 1st 3 yrs of schooling, Australia, 23075
bivariate path model, familial resemblance for reading ability & symbol processing speed, families with reading disabled child, 5659
classification of reading & spelling disability, 18 yr old female with spastic quadriparetic cerebral palsy, 14821
cognitive factors at school entry, prediction of specific reading retardation & reading backwardness, kindergarten through 2nd grade students, 3-yr longitudinal study, Australia, 23074
cognitive reflexive-impulsive styles & level of reading capabilities & socio-cultural surroundings, children with legastenic disturbances, 4068
computer software, students with reading & other learning disabilities, 18616
concurrent predictive validity of neuropsychological instruments & intelligence measures, prediction of academic achievement, 6.5–8.5 vs 8.5–11 yr olds with reading disabilities, 23114
decoding & comprehension ability, reading skills, implications for reading disabilities, 14757
design of studies of different reading abilities, reading disabled & normal children, comments on article by J. E. Backman et al, 26135
development of grammatical system, comprehension of complex sentences, normal vs reading disabled children, comments on analysis by C. Stein et al, 14756
development of reading skills & interest in reading activities, illiteracy prevention, school age children with reading difficulties, 28441
direct instructional teaching technique with vs without counseling vs drama, self esteem & reading, 8 yr old poor readers, 28548
early intervention programs, prevention of reading problems, 6 & 6.5 yr old boys, 13077
EMG biofeedback vs relaxation training vs remedial teaching, reading accuracy & speed & comprehension, 4th–5th graders with reading disabilities, implications for special education & teacher training, 20785
encoding differences, reading disabled vs normal reading 3rd graders, 20088
eye movements, learning to read & reading disability, children, 12140
failure to memorize basic number combinations as risk factor for lack of numerical competence, children with reading disabilities vs attention deficit disorder, 20075
grammatical orientation & control of constituent command constraint, comprehension of complex sentences, reading disabled 7–10 yr olds, 1490
hand superiority for tactile processing in remediating reading, reading disabled 8–13 yr old males, 2547
innate vs acquired automatic information processing, 8–11.9 yr olds with attention deficit disorder with vs without hyperactivity vs reading disabilities, 30055
interpretation of temporal complement constructions & deficit in grammatical system, reading disabled children, reply to criticism by H. Goodluck, 14780
literacy skills, adults who did vs did not have childhood reading disabilities, test of developmental lag hypothesis of reading disabilities, 1488
mental rotation & naming of normal vs backward letters, 11–13 yr olds with reading disabilities, 9424
motor training as teaching aid, children with reading & writing difficulties, 7722
multivariate path analysis of reading ability & symbol processing speed & spatial reasoning, reading disabled 7.5–12 yr olds & their nuclear families, 4067
naming rate & vocabulary retrieval & reading ability, reading impaired or dyslexic vs bilingual vs normal 2nd graders, 3-yr longitudinal study, 27487
need for collaboration in identification & treatment of children with reading disabilities, elementary school teachers & school counselors, 25875
neurological bases for some forms of reading disorders, implications for remedial reading instruction, 9436
neurological impress method & presenting technique, reading achievement, reading disabled students, 23068
organic curriculum approach, remedial reading, male 6th grader & 20 yr old female with severe language comprehension problems, 23095
part vs whole visual motor preference, phonics vs whole word reading approach, reading disabled & nondisabled elementary school readers, 25765
performance on visual letter string matching, left- vs right-parietal lesion patients, implications for reading disorders, 22257
predictive validity of ABC Tests & Reversal Test, diagnosis of reading learning disabilities, 1st graders, 4994
processing of short vs long vowels vs vowel digraphs, male 3rd–5th graders with reading disabilities, 20080
reading & writing assessment & behavior problems within family context, family members, 30323
reading ability, reading disabled junior & senior high school students assessed in 3rd grade, longitudinal study, 10524
reading ability, semantic processing efficiency of basic vs superordinate level descriptions & high vs low typicality during memory verification tasks, 2nd–3rd vs 5th–6th grade disabled vs normal readers, 20087
reading disability program development, learning disabled children, East Germany, 28565
reading error patterns & style, 7.6–8.6 yr olds with specific reading disability, 1474
reading retardation, antisocial behavior & work histories, 14 yr old males, 4-yr followup, 4069
reinforcers & motivational techniques in university reading center tutoring program, 6–14 yr olds with reading difficulties, 28522
remedial treatment, children with reading disorders, 10476
right-brained instructional strategies, reading comprehension, students with reading disabilities, 13122
semantic vs phonological processing skills, deep dyslexic-type errors in word recognition responses, 7–8.8 yr olds with severe reading disabilities, 6694
semantic vs phonological strategies, consecutive vs interrupted vs scrambled oral anagram construction, 8.1–9.1 yr old dyslexic vs reading retarded children, 12134
sensory integration therapy, postrotary nystagmus & equilibrium reactions & visual-motor integration, reading disabled children, 27732
standardization of writing speed measure & large print version of WISC-R coding subtest, 3rd–10th graders, implications for testing learning disabled children, 28948
stimulus duration & contrast & frequency, visual persistence, reading disabled 7.4–11.1 yr old males, 6695
story composition, 11.1–11.9 yr olds with learning vs reading disabilities, 2530

strategy & sequenced materials, inferential comprehension, 4th–5th graders with reading disabilities, 7709
syntactic comprehension deficits, reading & aural comprehension, good vs poor 4th grade readers, 24825
training in giving feedback to parents tutoring their 9.4–11 yr olds with reading deficits, parent involvement & children's reading levels & student behaviors, 3rd-yr female teacher trainees, 31144
treatment methods for reading disorders & dyslexia, children in special education classes, 31295
uniform field flicker masking of visible persistence at range of spatial frequencies, examination of role of low-level visual deficit in reading disabilities, reading disabled 12 yr olds, 17530
upright vs angular presentation of letters in right vs left hemifield, discrimination & mental rotation RTs, reading disabled 11–13 yr olds, 14751
use of orthographic structures, performance on memory search & lexical decision tasks, 5th & 6th grade disabled readers vs reading age 2nd & 3rd graders, 12131
utility of WISC-R vs perceptual speed test vs identical pictures test vs Peabody Individual Achievement Test, assessment of reading disabilities, 7.8–16.9 yr olds, 20807
visual & phonological & naming processes & context & memory & comprehension strategies as possible causes of reading failure, conference presentation, 9465
Visual-Aural Digit Span Test as criterion, validity of sequential processing factor of Kaufman Assessment Battery for Children, reading disabled 8.3–12.4 yr olds, 2894
word decoding ability, reading acquisition & skill & disability, implications for remedial education, 15851

Reading Education

active comprehension training & self questioning, reading achievement & comprehension, 4th–5th graders, 7605
active involvement books & games, reading education, learning disabled students, 23077
activities to improve comprehension skills, creative & gifted students, 31276
analysis of college methodology textbooks for suggestions for teaching reading comprehension to children, 22889
analysis of number & types of reading events portrayed in 5 basal reading series for 1st–8th grades, 22946
applications of semantic mapping technique in reading education, 22955
approaches to reading instruction in content areas, learning disabled students, 2498
attentional cues to reading rate vs meaning followed by repeated readings, fluency & comprehension in retelling of story, 3rd graders, 12978
attitudes toward & use of basal readers, public elementary school teachers, 15616
attitudes toward reading theory & instructional methods & professional role & criteria for pupil success, classroom instruction, elementary school teachers, implications for teacher education, 4815
beginning literacy & use of preschool & primary level basal reading series intended for readiness & beginning reading, 22987
book dictation & printing project, reading & writing skills, 4 yr olds, 22989
Chicago Mastery Learning Reading program in inner city schools, 15672
classroom training procedures, strategies for text comprehension, poor readers, review of experiments, 15658
cognitive & motivational & affective deficits, passive failure in reading, elementary school students, implications for reading instruction, literature review, 28481
cognitive reading strategies, bilingual vs monolingual 3rd & 5th graders, 23016
comparison of language oriented vs routinized performance teaching methods, reading education, comment on M. A. Evans & T. H. Carr's analysis, 22979
comparison of language oriented vs routinized performance teaching methods, reading education, reply to E. R. Shapiro's view, 22940
computer assisted instruction, basic academic skills in reading & math, educable mentally retarded & learning disabled & emotionally impaired & culturally different elementary aged children, 15871
computer assisted remedial reading technique, 1st–3rd graders, 20687
computer software for informal assessment of learning disabilities in mathematics & science & reading comprehension & word processing & cognitive processes, 28610
context vs isolation in reading education, beginning readers, comments on article by B. Nemko, 10326
coordination & curricular congruence in remedial reading programs, 20667
curriculum bias in standardized & criterion-referenced reading achievement tests, elementary education, implications for educational placement, 20823
declarative & procedural & conditional knowledge in direct instruction method, reading comprehension, 20669
defense mechanisms & anxiety & self concept & teaching methods, learning to read, children, 20685
development of reading skills & interest in reading activities, illiteracy prevention, school age children with reading difficulties, 28441
dictionary or concept vocabulary instruction, comprehension of basal stories, average vs above average 5th grade readers, 31220
direct instruction method, reading comprehension & education, 20688
discourse text structure analysis & micro- & macrostructure & story grammar techniques, implications for reading & recall instruction, 20683
discussion group vs advance organizer direction setting activities, reading comprehension, Black learning disabled high school students, 31278
discussion of environmental reading program, 15678
drama, exploration of story through reading, 10 yr old students, 25759
educational measurement & diagnosis & decision making in reading education, comments on papers of R. D. Turlington & G. N. Tirozzi et al & E. J. Elliot & R. Hall, 13136
efficacy of oral reading corrective feedback, 22964
empathetic approach, miscue analysis of child's oral reading, teachers, 22945
engagement in discussion of story, development of confidence in discussing own reading & recall, pupils, 28440
evaluation of closed captioned TV, reading education, elementary school students & their teachers, 20686
experimental curriculum of metacognitive knowledge about reading, improvement of use of reading strategies, 3rd–5th graders, 18489
experimental project in instructional concentration, reading & language & speech production skills, 6.1–8.9 yr old profoundly hearing impaired students, 31291
exploration of concepts & language & literature & symbols in beginning reading instruction, young children, 15635
fading technique, assessment of oral reading errors, 7–8.6 yr old males with dyslexia, 18598
focal attention vs contextual theories, word recognition learning through visual exposure, 1st graders, 4891
general vs task specific self vs didactic instruction vs practice training, error detection ability & comprehension monitoring during reading, 4th graders, 10361
hearing stories read aloud in native language by parent volunteers, reading achievement in English, Cantonese-speaking 4th graders, 7621
illustrations in Ginn vs Lippincott beginning reading materials, picture dependence & spoken vs written language model of text construction, 10332
individual differences in early experience with language & reading, need for individualized reading & reading readiness programs, kindergarten students, 15722
individualism & collectivism in social perspectives in Children's Choices Books, 20703
individualized program for general reading readiness skills, braille reading, mainstreamed visually impaired students, Israel, 25881
individualized reading as instructional procedure, 10317
individually prescribed vs free-choice games vs training materials & formal instruction, motivation to learn to read, 1st graders, 4843
InQuest investigative questioning procedure, listening & reading comprehension, elementary school students, 20704

inservice training program, reading instruction knowledge & attitudes & student achievement, elementary teacher participants & their 2nd–5th graders, 10297
instruction in global method vs language experience approach, reading education, 20710
International Reading Association's research in reading education & teaching, 20678
K-W-L procedure for reading instruction, development of active reading of expository text, 22966
language experience approach integrated with basal reader at primary level, 7597
learning environment & writing & reading instruction at Mast Way School, implications for role of teacher as learner, 22947
limitations of research methods of classroom reading instruction, 31127
literacy instruction, military personnel, US, 25777
materials & time use & instructional foci, classroom vs remedial reading instruction, 1st–8th graders & classroom vs remedial reading teachers & supervisors, 10348
meaning focused nontraditional remedial reading program, reading ability, female 8th grader with poor reading ability, 20763
metacognitive approach to instructional decision making, teachers, implications for comprehension training in reading education, 15718
methods for teaching functional reading, severely retarded &/or retarded autistic adolescents with limited English proficiency, 2506
model of reading process based on S. Krashen & T. Terrell's distinction between reading learning & reading acquisition, 22980
modification of question-answer relationships method for reading instruction, 22972
need for assessment of story awareness in early reading curriculum, preschool children, 28435
need for collaboration in identification & treatment of children with reading disabilities, elementary school teachers & school counselors, 25875
neurological impress method & presenting technique, reading achievement, reading disabled students, 23068
objectives for pre-1st-grade reading program, 22938
opinions on reading instruction changes in merit pay program, elementary school teachers vs principals vs central administrator, 18449
oral reading of original chants or poems as literacy learning strategy, kindergartners, 22974
oral reading to self vs audience vs silent reading with vs without listening, reading comprehension & recall, college students, 10411
organic curriculum approach, remedial reading, male 6th grader & 20 yr old female with severe language comprehension problems, 23095
organizational patterns & instructional methods & trends in university-based reading clinics, clinic directors, 20668
paragraph framing, comprehension of relationship between sentences & paragraphs, students, 15729
part vs whole visual motor preference, phonics vs whole word reading approach, reading disabled & nondisabled elementary school readers, 25765
passage presented on printed page vs computer with vs without textual manipulations grouped by reading ability, 10372
passivity as source of poor reading comprehension, poor readers, implications for teaching methods, 15629
peer tutoring & teacher compliance with prescribed methods, reading achievement, 1st graders, 2-yr longitudinal study, 25790
phonemic segmentation skill & reading achievement, 1st graders, implications for reading education, 2442
phonic instruction & application of phonic rules in inferential learning of word pronounciations & reading education, 28428
phrasing &/vs repeated readings, free & cumulative recall of idea units & narrative categories, 5th grade good vs poor readers, 10388
picture & printed vs spoken vs printed word matching, acquisition & retention of reading & transfer of matching-to-sample performance, mentally retarded children, 7716
prereading curriculum, reading achievement, kindergartners & kindergarten teachers, 22986
private collection of crayons & paper via "writing suitcase", promotion of curiosity in reading, young children, 12987
problem solving model for teaching reading skills, 15720
process-based writing instruction program, lower level 3rd graders, 20705
pyramid taxonomy of reading theory, 20645
question training & quality of questions asked, reading comprehension & recall, 7th & 8th graders, implications for development of comprehension strategies, 31201
reading & language instruction, interaction between text information & background experiences & knowledge, Polynesian-Hawaiian kindergartners through 3rd graders who speak nonmainstream English dialect, Hawaii, 18479
reading by phonics or letter-training vs visual or word-training, transfer of learning, male vs female college students, implications for language teaching, 4873
reading-language arts methods class, use of whole language approach in elementary education, college education students, 22879
reading strategies, kindergarten students, implications for teaching, 7622
reading texts as introduction to culture of literacy, preschool students, Australia, 28422
reciprocal teaching strategy, text comprehension & comprehension monitoring, students, 22967
recreational reading program, reading attitudes & behaviors, 2nd graders, implications for change in teacher's attitudes & practice, 15686
reinforcers & motivational techniques in university reading center tutoring program, 6–14 yr olds with reading difficulties, 28522
related reading materials, reading education, 22992
repeated practice reading stories, reading rate & comprehension & number of speech pauses & word recognition accuracy, less able 4th–6th graders, 10342
retelling vs illustrating generative learning strategy, free recall & comprehension of reading passage, 4th graders, 10337
role conflict & ambiguity in occupational stress & perceived level of burnout, public school reading specialists vs teachers vs guidance counselors vs school psychologists vs school social workers, 20659
schema theory & reading education, pre- & postreading instructional activities, 10373
school book contest used to encourage reading enjoyment & parental involvement, elementary school faculty & students & their parents, 28424
school vs home-based literature enjoyment program, use of libraries & attitudes toward reading, male vs female 2nd graders, 31203
selection of basal reader series, US, 22934
sight word instruction with sign language, primary school children in special & regular classrooms with normal hearing, 20714
spoken sound of words from computer along with printed forms during reading practice, 1st graders, 12985
story mapping with cloze technique, reading comprehension, 5th graders, 22973
story reading strategies, language skill development, limited English speaking & monolingual elementary school students, 22952
strategies for learning from expository text, middle school students, implications for teacher-student interaction, 22942
study methods, test scores on content area examinations, college students in reading course, 10416
suggestions for basal reading vocabulary instruction, 7619
suggestions for teaching reading activities, blind children, 4954
summary of E. B. Huey & L. S. Vygotsky's work on inner speech & oral language & reading, 4810
sustained silent reading, attitudes toward reading & reading achievement, 4th graders, India, 10316
teacher directed vs taped previewing, oral reading, learning disabled 8.6–11.5 yr olds, 31293
teacher-made examples to elicit student-generated examples based on experience, vocabulary building, 7591
teacher training in explicit verbal explanations vs classroom management in reading instruction, reading skills & achievement, 5th grade teachers & their low reading students, 31180
teaching methods & first moments in reading education, 20695

teaching strategies integrating science concepts with reading-language skills improvement, achievement on life science concept test, 7th graders, 28423
techniques & social & psychological factors in failure of literacy tutoring, middle aged Hispanic migrant female, 13047
text organizational vs traditional instructional techniques, comprehension of narrative vs expository passages in intact vs scrambled structures, 6th graders, 15707
thematic organizer strategy, text comprehension & recall, 5th graders vs 4th–6th grade poor readers, 31210
token economy program, attendance at literacy course, semiliterate prison inmates, 4692
toy selection & visual discrimination tasks, sight-word reading skills, autistic female 5 yr old & male 13 yr old, implications for reading instruction, 28555
training in giving feedback to parents tutoring their 9.4–11 yr olds with reading deficits, parent involvement & children's reading levels & student behaviors, 3rd-yr female teacher trainees, 31144
training in text strategies in remedial reading program, reading achievement & comprehension, 4th–6th graders, 7708
use of humorous literature in critical reading instruction, 22991
use of parental & other volunteer help with reading, primary school head teachers, UK, 10309
use of sign language in reading readiness programs, preschool age children, 22932
use of student-created reading skills cards as teaching aids, 15684
use of vocabulary instruction in reading education, 1st–5th grade teachers, 20666
variation in methods of encoding advance organizers while reading essays, memory for organizers & subsequent essay content, college students, 15641
visual techniques in reading education, reading vocabulary, illiterate prison inmate, 22769
visual vs nonvisual method for teaching reading, normal 7–14 yr olds reading 1 yr below grade level, 20692
vocabulary & word decoding & guided & motivational techniques, oral & silent reading, elementary school students, 20696
word decoding ability, reading acquisition & skill & disability, implications for remedial education, 15851
word list for computer assisted instruction in elementary school based on computer software programs, 7590
word supply vs phonic drill error correction procedure, oral reading, learning disabled 12.5–14.3 yr olds, 31294

Reading Materials

active involvement books & games, reading education, learning disabled students, 23077
alternatives to readability formulas, 15934
analysis of number & types of reading events portrayed in 5 basal reading series for 1st–8th grades, 22946
attitudes toward & use of basal readers, public elementary school teachers, 15616
beginning literacy & use of preschool & primary level basal reading series intended for readiness & beginning reading, 22987
Chicago Mastery Learning Reading program in inner city schools, 15672
client education about cerebral angiography via standard text vs text prepared in light of information processing, retention & memory of text, patients & nonpatients, 12638
evaluation of preprimer basal reading series using N. S. Johnson & J. M. Mandler's story grammar, 1st graders, 31182
factual vs fictitious passage with vs without illustrations, recall of text content, middle school students, 11445
individualism & collectivism in social perspectives in Children's Choices Books, 20703
individually prescribed vs free-choice games vs training materials & formal instruction, motivation to learn to read, 1st graders, 4843
language experience approach integrated with basal reader at primary level, 7597
oral syntax vs syntax complexity of basal readers, 1st–3rd graders, 4856
original vs revised grammatical structure, recall & comprehension of basal reader stories, 2nd graders, 18465
reading materials targeted to practice recommendations, adherence to standards of medical care, resident physicians, 28285
reading texts as introduction to culture of literacy, preschool students, Australia, 28422
recreational reading selections, high vs average vs low achieving 4th–6th graders, 15774
related reading materials, reading education, 22992
selection of basal reader series, US, 22934
virtues of "trash" reading, development of critical literary sense, high school students, 23020

Reading Measures [See Also Gates MacGinitie Reading Tests, Metropolitan Readiness Tests]

additional practice & instruction, word comprehension in analogies, learning disabled 7th–8th graders, 7701
background knowledge, test scores & performance on Nelson-Denny Reading Test, college students, 20800
criterion validity & difficulty levels & internal consistency reliability estimates of Degrees of Reading Power test, prediction of reading abilities, 15949
curriculum bias in standardized & criterion-referenced reading achievement tests, elementary education, implications for educational placement, 20823
format & direction changes of Stanford Achievement Test & Metropolitan Achievement Test & Comprehensive Tests of Basic Skills, assessment of reading achievement, implications for testing learning disabled students, 10562
level of reading progress, nonlexical vs lexical substitution errors & phonological mediation on word reading tests, 6 yr olds, 28492
Medical College Admission Test Reading subtest vs Nelson-Denny Reading Test, prediction of medical school achievement, medical students, 13425
need for caution in interpretation & provision of tables of statistically significant differences in subtest scaled scores on Test of Reading Comprehension, 28599
Nelson-Denny Reading Test vs American College Testing Program scores, prediction of reading ability, freshmen college students, 25885
passage dependency of multiple-sentence reading test items, assessment of reading comprehension, 51–73 yr olds with vs without aphasia, 16165
Peabody Individual Achievement Test vs Woodcock Reading Mastery Tests, diagnosis of reading ability, learning disabled 6.6–14.8 yr olds, 25893
performance on standardized reading tests, placement in mainstream gifted programs, gifted Hispanic bilingual children, 28533
regression equations of H. E. Nelson & P. McKenna, assessment of premorbid Full Scale IQ on WAIS vs Schonell Graded Word Reading Test vs National Adult Reading Test, patients with Alzheimer's disease, 27575
reliability of alternate forms of Analytical Reading Inventory & Basic Reading Inventory & Ekwall Reading Inventory, 4th graders, 23113
remediation of hypothesized component deficits &/vs known academic deficits, effect size on Standard Diagnostic Reading Test, 8–11 yr olds with learning disabilities, 13121
review of tests in E. W. Warncke & D. A. Shipman's "Group Assessment in Reading", 23135
screening of Diagnostic Analysis of Reading Errors, differentiation among special populations, learning disabled vs emotionally disturbed vs gifted vs regular education 13–16 yr olds, 31382
selection & validation of reading test, prospective Civil Service employees, 5323
simultaneous rapid alternating stimulus naming & reading measures, differentiation of impairment & sequencing & attention-organization ability & prediction of later reading performance, dyslexic 2nd graders tested since kindergarten, 20790
statistical analysis of reading test, measurement of reading comprehension of informative text, 3rd–6th graders, 7746
test-retest reliability & criterion validity of commercial basal mastery reading tests, measurement & study/reference & comprehension & vocabulary skills, 4th–6th graders, 10561
test taking skills & strategies, achievement on standardized reading tests, elementary school students, 10423
utilization of cloze & standardized reading tests, investigation of effect of sentence combining on reading comprehension, college students, 15939

Reading Readiness

aspects of reading readiness, reading readiness material analysis inventory, literature review, 10380

beginning literacy & use of preschool & primary level basal reading series intended for readiness & beginning reading, 22987
construction of parent instrument & Individualized Language Awareness Testing at Beginning of Reading Instruction, assessment of metalinguistic awareness, kindergarten students, 1.5-yr followup, Belgium, 18675
individual differences in early experience with language & reading, need for individualized reading & reading readiness programs, kindergarten students, 15722
individualized program for general reading readiness skills, braille reading, mainstreamed visually impaired students, Israel, 25881
left-right spatial discrimination, letter production & performance on reading readiness tests, kindergartners & 1st graders, 10408
Reading Skills [See Also Reading Comprehension, Reading Speed]
ability to discriminate & decode letters & sequences & read words, reaction time, good vs poor 2nd–4th grade readers, 13013
acquisition of reading skills & development of reading disorders, 30320
acquisition of visual equivalences between colors & printed words, auditory reading comprehension & oral naming of printed words, severely mentally retarded teenage males, 22207
book dictation & printing project, reading & writing skills, 4 yr olds, 22989
characteristics of home & school & preschool & day care environments, attitudes toward literacy & development of reading & writing skills, preschool age children, 23030
child's IQ & level of aspiration & intervention strategies & parental SES & literacy level, development of early reading skills, 5.8–6.7 yr olds, Canada, 11418
cognitive development training, verbal fluency & word recognition ability, 5th graders in bilingual classes, 18506
cognitive procedures for naming letters vs naming words they comprise vs reading of 1st vs 4th order approximations of English typographical forms, college students, 16316
conceptual tempo & passage readability & error type & reading ability, metacognitive ability on reading error detection task, above vs below average 6th grade readers, 23002
context vs isolation in reading education, beginning readers, comments on article by B. Nemko, 10326
decoding & comprehension ability, reading skills, implications for reading disabilities, 14757
deficit in phonological processing abilities, performance on reading & spelling & immediate memory tasks, 21 yr old female college student, 22215
development & cognitive correlates, reading ability & achievement, skilled & less skilled 3rd vs 5th grade readers, 31238
development of reading skills & interest in reading activities, illiteracy prevention, school age children with reading difficulties, 28441
development of semantic & syntactic sensitivity, reading skills & achievement on oral language tasks, 1st vs 2nd vs 3rd graders, 31241
graphical & animated microcomputer instruction, reading & writing & communication skills, deaf 3.2–8.5 yr olds, 23090
group counseling & remedial reading program, reading skills & self concept, secondary school remedial readers, 2527
high vs low verbal divergent thinking ability, reading processes & recall of material read, 6th graders, 25811
home-based parental program, development of early language & reading skills, American Indians from birth to 4 yrs of age, Canada, 15680
home environment & parental influence, reading skills & habits, children, 21661
interactive vs reading-to-writing vs writing-to-reading models, evaluation of reading & writing skills, 2nd vs 5th graders, 20819
left-right spatial discrimination, letter production & performance on reading readiness tests, kindergartners & 1st graders, 10408
lexical analogy in interpretation of ability to read aloud nonwords embedded in words, male phonological dyslexic patient, comments on study by V. A. Bradley & M. E. Thomson, 6677
lexical decision & models of visual recognition of bisyllabic words, college students & staff, 10906
linear programed vs competency-based computer lessons vs textbook reading & worksheet assignments, music notation reading skills, nonmusic major college students, 31187
orthographic syllabic structure & development of use of lexical access & storage code, 3rd vs 5th vs 7th graders vs college students, 8758
presentation of single words on card forming simple declarative sentences vs word strings, recall of words, 3rd grade skilled vs unskilled readers, replication of J. T. Guthrie & S. J. Tyler's study, 8709
problem solving model for teaching reading skills, 15720
psychometric approaches of G. Rasch vs L. A. Guttman to analysis of reading skill hierarchies, graduate students vs 9th vs 11th vs 12th graders, 26274
reading ability & operativity, reading skills & metareading & memory & metamemory, 2nd vs 4th graders, 800
reading achievement, automatic recognition of familiar vs less familiar words vs pseudowords superimposed on pictures, 4th graders, 13006
reading error patterns & style, 7.6–8.6 yr olds with specific reading disability, 1474
reading instruction with vs without group counseling, self esteem & reading skills & coaches' perceptions of attitudes, college football players, 2560
reading skill & sensitivity to interword constraint, poor vs good readers in 6th grade vs college, 10405
repeated practice reading stories, reading rate & comprehension & number of speech pauses & word recognition accuracy, less able 4th–6th graders, 10342
saccadic eye movements in span of letter recognition in reading task, good vs poor 5th grade readers, 16961
structured training in listening skills vs passive listening, improved reading scores, elementary school students in remedial reading group, 20690
teacher training in explicit verbal explanations vs classroom management in reading instruction, reading skills & achievement, 5th grade teachers & their low reading students, 31180
training in text strategies in remedial reading program, reading achievement & comprehension, 4th–6th graders, 7708
use of orthographic structures, performance on memory search & lexical decision tasks, 5th & 6th grade disabled readers vs reading age 2nd & 3rd graders, 12131
use of student-created reading skills cards as teaching aids, 15684
word decoding ability, reading acquisition & skill & disability, implications for remedial education, 15851
Reading Speed
articulatory suppression, reading latencies & retention of text, 7.9–8.6 yr olds, Greece, evidence for role of phonological recoding, 29638
attentional cues to reading rate vs meaning followed by repeated readings, fluency & comprehension in retelling of story, 3rd graders, 12978
definite vs indefinite reference & number of discourse referents, reading comprehension & time, college students, 282
EMG biofeedback vs relaxation training vs remedial teaching, reading accuracy & speed & comprehension, 4th–5th graders with reading disabilities, implications for special education & teacher training, 20785
fill-justified vs ragged right margin text, reading speed & comprehension, college graduate students, 26288
hand usage & contextual constraint, Braille reading speed, right handed vs ambidextrous blind 18–64 yr olds, 14881
high vs low level proposition in text structure, oral vs silent reading rate & comprehension & cognitive processes, college students, 16324
paragraph organization & topic structure of text, sentence reading times & comprehension, college students, 8213
parallel clausal structures, reading time & sentence comprehension, college students, 718
reading acquisition speed, left & right temporal & parietal event related potentials during word naming task, 5.1–6.2 yr olds, 16932
reading from microfiche vs video display terminals with negative vs positive appearing images & printed paper copy, fatigue & performance, humans, 23291
reading paper vs computer displayed passages, self paced reading time & comprehension, college students, 13505

reading speed vs comprehension & cognitive ability & performance on information vs linguistic processing tasks, female college students, 5469
scale & angle & character style of text on CRT, proofreading speed & accuracy, experienced CRT users, human factors implication, 26310
sentences segmented by phrase vs clause with new vs given information, reading speed, 286
shorthand-type script for printed texts, increased reading speed, 5957
text characteristics, reading rates for text scanned across TV monitor, college students, 5409
text characteristics, reading rates for text scanned across TV monitor, 14–76 yr old with low vision, 6814
use of Lisp Machine to study reading processes, 26338
Readjustment (Psychosocial) [See Psychosocial Readjustment]
Readmission (Hospital) [See Hospital Admission]
Readmission (Psychiatric Hospital) [See Psychiatric Hospital Readmission]
Realism (Philosophy)
impact of new philosophy of science on psychology, reply to comments by D. F. Leary & S. A. Muliak & W. L. Stroud, 7958
impact of realism on philosophy of science, implications for psychology, comment on P. T. Manicas & P. F. Secord view, 7961
importance of biographical data & relationship to philosophy of science, comment on interpretation of P. T. Manicas & P. F. Secord, 7976
realism & instrumentalistic construal of intentional attribution, 29974
realism & philosophy of science, implications for psychology, comment on P. T. Manicas & P. F. Secord's view, 7966
relationship of realist approach & transcendental realist approach to psychology & new philosophy of science, comment on views of P. T. Manicas & P. F. Secord, 7955
Reality
analysis of D. Bohm's developing postmodern thought & proposal for postmodern vision of reality & A. N. Whitehead's philosophy of prehensive wholeness, conference presentation, 16067
concept of psychic reality & related problems in psychoanalysis, middle aged professional male, conference presentation, 4272
conception of synchronicity of C. Jung & experience of reality & sense, humans, 60
conservation tasks presented as reality vs appearance/reality format, incidence of conserving response, 4.7–7 yr olds, England, 14181
development of psychoanalytic theory & practice in relation to representation & interpretation of action & experience, 4312
development of understanding of appearance-reality distinction, preschoolers, 26823
elaboration on social constructionist theory, reply to comments by G. Nettler & A. Kukla, 20937
fantasy & reality in Oedipal phase, 6097
Freudian conceptualization of psychic reality & comments on contributions of R. Schafer & J. A. Arlow, conference presentation, 4362
identification with psychic vs real world, neurotic patients, implications for Jungian analysis, 12396
influence of mental activity in development of physical reality, 7975
interpersonal theory perspective of role of reality as pathogen & in treatment, conference presentation, 1783
interpretation of psychic reality & developmental influences & unconscious communication in psychoanalysis, 4351
models of psychic reality in psychoanalysis, conference presentation, 2780
nondiscursive rhetorical levels of curing seance ritual, transformation of self & cultural construction of reality & action, Kaluli, Papua New Guinea, 29804
perceived reality of TV, emotionally disturbed vs nonhandicapped males with mean age of 10 yrs, 12011
perceptions of quality of life & social environment & handling of reality, Ss aged 14 yrs & over who do vs do not use drugs, Mexico, 26886
power & reality in psychotherapeutic relationship, 4343
psychoanalytic concept of psychic reality, summary of contributions of R. Michels & J. A. Arlow & R. Schafer & R. S. Wallerstein & their replies & discussion, conference presentation, 2788
psychoanalytic levels of consciousness & reality & knowledge, 20946
psychoanalytic perspective on constructivism, discussion of papers presented at Symposium of William Alanson White Society, 54
psychotic splitting, individual & sociological & cosmological reality, 9308
reality classifications of fantasy figures, preschoolers vs 2nd vs 5th graders, 3451
reality, conformity in formation & unanimity & breakdown periods of majority opinions, female college students, 11784
reality in J. Ashbery's poem "Self Portrait in a Convex Mirror", 24067
reality orientation in ward-based program, institutionalized elderly, 30959
reification process in psychodiagnosis & treatment, 1688
relationship between values & attitudes about reality, epistemological consistency & disciplinary trends, activist psychologists & college students, comments on articles by G. A. Kimble & by L. Krasner & A. C. Houts, 14528
role of technical rationalism & bourgeois individualism in creation of view of reality, 32
social constructionism & knowledge of world, comments on article by K. J. Gergen, 20940
social constructionist movement in modern psychology, comments on article by K. J. Gergen, 20944
social reality in psychoanalytic processes, case illustrations, 25102
Reality Testing
auditory signal detection, reality testing, hallucinating vs nonhallucinating schizophrenic patients, 24614
psychoanalytic object relational view of cyclical engagement-disengagement of objects observed in peek-a-boo behavior, young female infant, 11504
Rorschach measures of aggression & object relations & reality testing & self-object differentiation & splitting, male college students vs borderline vs transsexual adults, 9394
Reality Therapy
characteristics of inner picture album in reality therapy, 30612
integration of reality therapy into program of domestic violence shelter, battered females, 30611
need for reality therapy in school settings, elementary & junior high school students, 31341
reality orientation classes, hospitalized psychogeriatric patients, 2080
reality therapy & rehabilitation counseling, 22757
reality therapy assessment handouts, evaluation of needs, clients, 30556
reality therapy, improvement of patient compliance, medical patients, 30555
traditional vs modified reality orientation with shaping & reinforcement of social interaction, nonstructured ward behavior, 52–89 yr old female hospitalized psychogeriatric patients, 8-wk follow-up, 7014
Reasoning [See Also Inductive Deductive Reasoning, Inference]
ability to distinguish between causal & teleological explanation, 12th grade biology students, Israel, 2440
acquisition of sentient-nonsentient & animate-inanimate distinction, 4.2–4.9 vs 5.3–5.8 vs 6.3–6.7 vs 7.3–7.7 yr olds, implications for causal reasoning & social cognition, 870
adaptation of personal construct theory to classroom instruction of psychological concepts & abstract & relational thinking skills, college students, 15659
age & health & education & sex, state & trait anxiety & reasoning & problem solving test performance, 40–59 vs 60–79 yr olds, 30173
age & level of causal reasoning & cognitive style, prediction of comprehension of safety & prevention, 3.2–8.9 yr olds, 26817
analogical reasoning skills, hearing vs deaf 14–19 yr olds, 9617
analysis of test items' information processing demands, development of nonverbal reasoning tests, 10–11 yr olds, 26249
assumption of binary logic, model for analysis of qualitative logic in time concepts, adolescents, criticism of paper by J. Crepault, 848
causal reasoning & developmental change, children during preschool years, 14140

computer assisted instruction, facilitation of thinking skills, 4 yr olds in nursery school, 2398
computer-generated problem solving activities, reasoning & critical thinking, 4 yr olds in nursery school, replication & extension of authors' earlier study, 31208
computerized vs paper-&-pencil version of arithmetic reasoning test & ability, mean test scores, 18–25 yr old military recruits, 28977
construct validity of 3 Piagetian tests, logical thinking & reasoning & verbal & spatial abilities & SES & school achievement, female vs male 9–16 yr olds, Finland, 10801
counterfactual reasoning, accuracy in prediction of outcome of future personal events, graduate business students, 10967
curriculum for development of reasoning & speaking abilities, mildly retarded students, USSR, 7729
determination of rules used for inference of causal relationship, 3–4 vs 7–8 vs 11–12 yr olds, 21731
development of analogical reasoning, average vs above-average 3–6 yr olds, 877
development of economic reasoning, 4–5 vs 6–7 vs 8–9 yr olds, educational implications, 8783
differently valenced & expected situations, phenomenal representation of different types of reasoning, college students, 11746
exploration- vs instruction-based computer assisted training of procedural device knowledge, use of analogical reasoning from abstract vs concrete memory device representations, college students, 31194
formal vs postconcrete vs concrete operational reasoning, academic performance, college students, Venezuela, implications for prediction of science & mathematics achievement, 2436
free-running temperature & sleep-wake cycles during temporal isolation of circadian rhythms, performance efficiency of serial search vs verbal reasoning vs manual dexterity tasks, 22–79 yr olds, 3191
fuzzy cognitive maps for representation of causal reasoning, 26272
hierarchy of formal cognitive structures, principled moral reasoning & development, 10th graders, implications for education, 8684
hypnotically-induced age regression, maturity of moral reasoning, college students regressed to ages 15 vs 12 vs 9 vs 6, 6026
imagination & mathematics & informal reasoning, 8225
individual differences in ability, reasoning of syllogisms, college & graduate students, 16290
instruction requiring reasoning & molecular model usage, posttest achievement in chemical bonding, male vs female high school chemistry students, 10383
internal consistency vs self interest pursuit models of rational choice, 10981
laboratory grouping according to reasoning ability, science achievement & gains in reasoning ability, college elementary education students, 4854
Lawson's formal reasoning test, prediction of achievement in science vs mathematics, male vs female 9th & 10th graders, Israel vs US, 2431
levels of abstract reasoning ability in locus of control development, junior high school students & college students, 11381
memory capacity limitations in reasoning, 5.5–6 yr olds, 26827
model for analysis of qualitative logic in time concepts, adolescents, 806
model for analysis of qualitative logic in time concepts, adolescents, reply to criticism by J. Montangero et al, 807
model of learning process of ethical reasoning, implications for counselor education, 12852
mood & performance on cognitive tasks, summary of results of previous research, 332
mood before vs during vs after telephone vs grammatical reasoning tasks, experienced phone operators vs college students, 5512
number of combinations & elements in problem & role of short term memory, problem solving task performance, college students, 19165
Oral Language/Verbal Ability & Broad Reasoning clusters of Woodcock-Johnson Tests of Cognitive Ability, overcompensating suppressor effects & student abilities appraisal, learning disabled 7.3–11 yr olds vs gifted 7.3–12 yr olds, 31357
organization of temporal meanings & role of perceived cues, concept of duration, 5–8 yr olds, criticism of J. Montangero's study, 809
organization of temporal meanings & role of perceived cues, concept of duration, 5–8 yr olds, reply to criticisms by J. Crepault et al, 846
organization of temporal meanings & role of perceived cues, concept of duration, 5–8 yr olds, 845
performance on verbal analogy & classification problems assessed by process execution, college students, 271
permission schema, deductive reasoning, college students, 8193
Piagetian stage level & age & sex & feedback, proportional judgment hypothesis testing, 7 & 9 & 11 yr olds, 21706
postprimary education, reasoning skills in argument construction, 1st vs 4th yr high school vs college vs graduate students vs nonstudents with vs without bachelor's degree, 15696
principles of generative transmission, salience vs facility, selection of causal rules, 3 vs 5 vs 7 yr olds, 16953
prior beliefs, statistical judgment, college students, 29078
prior mathematics & science coursework, 1st order direct vs multiple proportional reasoning task, male vs female 9th–12th graders, 23003
procedures for assessment of value & assumption of order in theories of economic behavior, 10709
reasoning & judgments & justifications on obligation & strength of obligation & rule utility in interpersonal events, 6 vs 8 vs 10 yr olds, 24237
reasoning about social conventions & physical laws & logical necessities in another country or planet, 6 vs 8 vs 10 yr olds, 21715
reasoning, avoidance of mathematics, females, implications for mathematics education, 25707
recursive regularities in analogical reasoning & individual differences, 23607
reflectivity vs impulsivity, motivation & social behavior & reasoning, 3rd grade males, 29667
research on analogical reasoning & relation to problem solving & knowledge acquisition, implications for cognitive psychology & artificial intelligence, 8192
role play vs structured discussion intervention, positive justice reasoning & perspective taking, 1st–3rd graders, 15674
set inclusion & linear ordering relationships embedded in text, recall & interaction between truth & distance in responses & ability to draw inferences, 6.3–18.1 yr olds, 14172
sex roles, perceptions of & use of justice vs care conceptions of morality, male vs female college students, 21968
state & trait anxiety & relaxed vs stressful conditions & complexity of analogical reasoning task, RT & error rate, college students, mixed support for cue utilization vs attentional vs memory capacity theories of anxiety & performance, 11817
suitable mood & attuning for task, performance on grammatical reasoning test, psychology vs engineering college students, 333
trade books vs textbooks, instruction in context areas & development of thinking skills, elementary school students, 15662
type & quality of implementation of science teaching strategy & reasoning ability, engagement assessed by on- & off-task behavior, middle & high school students taught by student teachers, 25823
type of & intermittent vs continuous noise, semantic processing & syntactic reasoning, 16–19 yr olds & college students, 5475
variables to block occurrence vs hinder completion of problem solving strategy, logical errors in basic reasoning, 5.8–6 yr olds, Great Britain, 14154
various altitudes & hypoxia, performance on logical reasoning task, naive 19–52 yr olds, replication of experiments by T. J. Crow & G. R. Kelman & D. M. Denison, 5141

Rebuttal [See Professional Criticism Reply]

Recall (Learning) [See Also Free Recall]
ability to recall & summarize prose passages, 18–26 vs 64–70 yr olds, 24119
acquisition phase vs selective reminding procedure, learning of word lists for free recall, college students, 21184
active vs passive modality effects with silently presented tactile input, recency recall, college students, 11013
age, long term retention of FI curvature as index of recall memory, 3- vs 30-mo old male rats, 29196
age, recall memory performance, 16–24 vs 58–81 yr olds, 3412
alcohol &/vs nicotine, acquisition & recall task, college student smokers, 26700

alcohol intoxication, oral recall of prose at varying presentation rates, male students, 19483
alphabetic vs nonalphabetic suffix, serial recall of letters presented with Optacon visual display, college students, conference presentation, 13673
Anna Thompson story & delayed memory test, recent vs delayed recall of culturally relevant material, demented vs nondemented community vs institutionalized elderly Jewish patients, 13435
anxiety, recall of self vs other modeling of counselor-client interaction, counselor trainees, 10214
attended vs unattended lists of whole & smaller constituent letters, recall by order of report vs temporal pairs vs letter size & sensory retention, female 18–51 yr olds, 21177
attention directed to specific choice & relevant information, recall of information, college students as consumers, 7918
audio-only mode vs face-to-face condition, recall of affect-laden vs affect-free prose, female college students, 19139
auditory & temporal factors & modality effect, immediate recall, college students, 19129
auditory & visual interference, immediate recall of melody, college students, 3040
auditory vs visual modality & suffix effects, serial recall of melodic vs harmonic musical materials, 18–79 yr old professional musicians & music students, 21188
auditory vs visual presentation of grouped lists, recall, adults, 5488
auditory vs visual presentation of words, word learning & immediate & delayed recall, medical students, 21169
autobiography vs self reference vs pleasantness rating tasks, adjective recall, college students, 8254
automatic & strategic aspects of knowledge retrieval in relation to associative memory model by J. G. Raaijmakers & R. M. Shiffrin, college students, 11028
biased cues & portion of relevant information retrieved, contingency judgments, college students, 3016
blind conditions, coding of location of objects, sighted & blind children with mean age of 8.8 vs 10.9 yrs, 14875
categorization level, sight word learning & recall, 5.9–6.7 prereading 1st graders, 4887
category name cues with vs without extralist cues, recall of categorized word lists, college students, 29155
cause of target event & presence & timing of questions, inferences & recall, 4.5–5 vs 7.5–8 yr olds, 6088
characteristics of radio commercials, recall, consumers, implications for advertising, 18803
CHARM model of cued recall, comments on article by J. M. Eich, 29124
cinematic cutting, evaluation & retention of film & recall of cuts, college students, 13667
clause position in multiclause sentences followed by spoken or written word vs picture probes, matching to semantic vs surface form & word recall & recognition, college students, 26356
clustering & imagery vs study strategies vs free recall instructions, free recall task, young vs middle aged adults vs aged, 8776
coding & communicative setting, recall & verbal reports of unfamiliar places, college students, 21185
comprehension & recall of stories, children, literature review, 29605
comprehension of nonverbal metaphoric similarity, figurative language production & comprehension, 5 vs 7 vs 10 yr olds, 29593
consecutive explanatory vs parallel descriptive text structures, retelling of text or its reproduction, patients with brain damage vs receptive vs motor aphasia, 6832
consistency of affective states at learning & recall, recall ability, 4.6–5.6 yr olds, lack of support for state dependent theory, 29596
context & category cues, recall of episodic information from memory, 2nd vs 4th graders vs college students, 11401
context vs no context in letter deletion task, recall & application of missing letters, college students, 29125
contextual knowledge & self- vs other-selection of computer command names, recall of context knowledge & names, 18–60 yr olds, 26362
correction vs evaluation vs expansion vs memorization of narrative, text recall, mental patients, 9214
correlational structure of recall for visual material vs nonsense syllables & words, 8–9 vs 12–13 vs 16–17 yr olds, 6036
cued recall vs forced choice recognition vs 2nd encoding task as practice after initial learning, delayed recall with semantic vs phonemic cue, college students, 5500
datedness, recall & recognition of general knowledge & confidence ratings of feeling-of-knowing, 18–34 vs 60–75 yr olds, 29119
deficiencies in semantic memory, performance on dichotic listening recall tasks, 9.1–12.9 yr old male disabled readers, 27481
degree of noise arousal & sentence completion vs passive reading & determined vs undetermined sentences, short vs long term sentence recall, male intermediate students, 3421
depth of processing vs idea unit level vs text organization, proportion recalled vs estimated recall of prose text, college students, 325
development of Prose Quantification System based on teacher ratings, judgment of quality of 5th graders' prose & transfer recall, elementary school teachers, 18666
dexamethasone administration prior to avoidance conditioning, ACTH-induced recovery of extinguished response, male rats, 11266
different context from original, retention & retrieval of learned responses, 3 mo olds, 14180
direct vs observational learning, selective attention & central-incidental memory, kindergartners, 10418
disruption of recall vs recognition, amnesic people without history of alcoholism vs with alcoholic Korsakoff syndrome, 30404
efficiency of remembering concurrently presented series of letters & digits, 18–22 vs 59–84 yr olds, 3055
elaborations to relationships among key concepts in sentences, cued recall & recognition performance, college students, 323
electrical stimulation of amygdala & hippocampus & parahippocampal gyrus & impact of unilateral afterdischarges, recall of response words in paired associates task, patients with epilepsy, 24903
emotion portrayed nonverbally, emotional errors in recognition memory & recall, college students, 19135
emotional arousal using adrenaline, recall & recognition, college students, 29123
encoding congruence, incidental free & cued recall, 18–30 vs 64–78 yr olds, 8724
encoding instructions, retrieval processes in recall & recognition memory, college students, 326
encoding of ongoing sequence of behavior from self vs other's perspective, judgments of personality & ability & nonverbal style similarity & cued recall, female psychology students, 24500
encoding of relational vs item-specific episodic information, free vs cued recall, 2nd vs 5th graders vs college students, 29576
environmental context during training & testing & item/context imagery of listed objects, recall, college students, 10995
environmental cues recall instructions vs multiple learning contexts, context-dependent forgetting, college students, 321
expectation & consumption of alcohol vs placebo, recall from long term memory & metamemory, male moderate to heavy drinkers, 29460
expectations & recall & evaluation of social encounter, college students evaluated as introverts vs extroverts, 3734
experiential deprivation & CA & nature of stimuli, visual vs verbal recall & mnemonic competence, 5–8 yr olds, 29647
factual vs fictitious passage with vs without illustrations, recall of text content, middle school students, 11445
focal attention vs contextual theories, word recognition learning through visual exposure, 1st graders, 4891
frame anticipation, recall of objects, college students, 8250
generalized schema & nodes as predictors of retention & recall of story & events of televised vs radio shows, preschoolers vs college students, 8738
generation vs read task, recognition & recall of sums from multiplication tables, college students, implications for L. A. McElroy & N. J. Slamencka's lexical-activation hypothesis, 303
genuine vs simulated forgetting, feeling of knowing & recall, college students, 13691
group & position of items, short term memory & recall, college students, 16321
haptic manipulation & verbal rehearsal & visual imagery in geometric study organizer, recall of textbook information, learning disabled & other mildly handicapped secondary students, 13065

high vs low need for power & high vs low gain in 3-methoxy-4-hydroxyphenylglycol, recall of story content, 16–29 yr old college students, 3211
high vs low persistence level, retention & recall of nonsense syllables under anticipation method of acquisition, male vs female college students, 29117
high vs low verbal divergent thinking ability, reading processes & recall of material read, 6th graders, 25811
homogenous vs heterogenous word lists presented twice, prediction of recall during 1st vs 2nd presentation, college students, 13694
hypnosis as retrieval cue, posthypnotic amnesia on recall task, highly hypnotizable college students, 345
hypnosis, learning & recall of visually presented material, high- vs low-hypnotizable college students, 5523
hypnotic suggestions for complete vs selective amnesia, clustering of recalled items in subject categories, college students, 11041
identity model based on short term & long term memory components, comparison of anticipation & study-test methods in cued recall & recognition, 11002
illustrative details, recall of main points in simple vs factual passages, college students, 714
imagery before or after story reading, story comprehension & recall, 3rd–4th graders, replication & extension of findings in study by M. Sadoski, 10422
imagery mnemonic instructions, imaginal mediator reports in paired associate learning & recall of concrete vs abstract concepts, college students, 8247
imagined vs visible loci, recall using method of loci as mnemonic device, college students, 19140
immediate recognition test & cued recall & priming in word recognition, inference of predictable outcomes, college students, 13679
implicit theories & evaluation of group process & performance, college students, 19797
instruction in tardive dyskinesia, recall of instructions, 26–66 yr old schizophrenics with vs without tardive dyskinesia, implications for treatment, 25290
instructions to remember vs forget stimulus words, recall test performance, college students, evidence for retrieval inhibition, 13657
intentional forgetting strategy, retrieval inhibition, college students, 23630
interactive imagery, recall of printed advertisement, college students, 20920
interactive vs noninteractive imagery, recall of advertisements, college students, conference presentation, 19127
knowledge of items vs estimation of difficulty, prediction of own vs others' recall of paired associate lists, college students, 8253
lack of structural constraints, ability to use context & category cues to search associative memory for episodic information, 2nd vs 5th graders & college students, 788
level of readability in print advertisement, recall & attitudinal judgments & purchase intent, adults, 31585
linguistic information presented in American Sign Language vs fingerspelled vs printed English, serial recall, deaf signers vs hearing college students, 22283
loci mnemonics vs progressive-elaboration instruction, memory & recall & recognition of concrete word series, college students, 23627
loud vs quiet uncontrollable vs loud controllable noise, recall of positive vs negative trait words & mood state, female college students, 26370
maintenance of steady state alcohol level, psychomotor performance, nonalcoholic 20–37 yr old males, 19465
map features represented by labels with vs without symbols vs mimetic drawings & verbal information, recall of text, good vs poor 5th–6th grade readers, support for conjoint retention hypothesis, 28410
map recall & learning strategies & performance, young adult vs middle aged vs aged females, 24158
mathematical model of immediate recall of word lists of different lengths, college students, 29151
meaning & grammatical relationships implied by cohesion in text, miscues in oral vs general reading & recall of cohesive & central items, male 6th grade poor readers, 15765
memory & retrieval of proper names, 20–23 vs 40–59 vs 60–80 yr olds, 26815
memory demands, encoding & recalling of consecutive linear movements, 18–32 vs 33–47 vs 48–62 vs 63–77 yr olds, 8796
mental age & IQ, recall of uncategorized words from long-term store, mentally retarded adolescents, 14784
misleading postevent information, descriptions of perceived vs suggested memories, college students, 19156
mood & depression, memory & recall, response to criticisms by A. M. Isen & H. C. Ellis & J. D. Mayer & G. M. Bower, 13661
mood & encoding demands, memory & recall, mildly depressed Ss, comments on work by L. Hasher et al, 13654
mood state & sentence type & retention interval, recall of target words in episodic memory, college students, 5377
muscarinic anticholinergic serum levels, recall & recognition memory, 25–49 yr old chronic schizophrenic inpatients taking neuroleptics, 18093
narration of documentary program, recall & recognition performance, 53–86 yr olds, 29633
noise, recall of word lists having weak & strong associations, college students, 13692
note taking & content & academic success, processing & recall of lecture information, college students, 15738
note taking & text signals, recall, college students classified as good vs average vs below average readers, 2427
number of drinks imbibed, accuracy of recalled alcohol consumption, 25–54 yr old males, 17185
number pairs presented with vs without rectangle, recall, adults, 5505
number signals, text recall & reading, college students, 29142
omission vs commission error retrieval failures & feeling of knowing, college students, 5495
oral lorazepam, immediate & delayed recall, 19–36 yr olds, 5895
oral reading to self vs audience vs silent reading with vs without listening, reading comprehension & recall, college students, 10411
organization & recall of strongly vs weakly scripted story narratives, 5 vs 10 yr olds, 844
organizational vs item-specific effects, recall of classmates' names, 1st vs 3rd vs 5th graders, 8703
organized vs randomized statement & script use, recall, college students, 11019
orienting conditions, free recall & semantic & acoustic cued recall performance, 20–40 vs 60–80 yr olds, 24161
original vs revised grammatical structure, recall & comprehension of basal reader stories, 2nd graders, 18465
orthographic vs phonetic memory coding using cued recall, 10.9–14.4 yr old dyslexic readers, 22210
orthographic vs semantic priming, word retrieval, college students, 5483
partial picture cues & repetition of contextual information & encoding, imagery & facilitation of prose recall, 6–6.9 yr olds, 11419
pattern of recall of interpersonal communication & interaction, prediction of accuracy, informants, 1153
perceptions & recollection of program content & perceptions of media bias, hostile media phenomenon in TV coverage of Beirut massacre, pro-Israeli vs pro-Arab vs neutral college students, 3718
performance on object permanence task, development of ability to carry out intention based on memory vs habit, infants tested up to 12 mo old, 815
photographs of stimulus persons with vs without verbal trait descriptors, recall of trait information, college students, 10973
phrasing &/vs repeated readings, free & cumulative recall of idea units & narrative categories, 5th grade good vs poor readers, 10388
physical-orienting vs semantic-orienting questions, memory for unrelated pictures, college students, 5493
picture study & paired associate recall tasks, use of categorical organization vs clustering vs elaboration mnemonic strategies, learning disabled vs non-learning disabled 9–17 yr olds, 14779
pictures vs words & recall level, hypermnesia, college students, 13685
position & type of headings, recall & retrieval from familiar & unfamiliar text, 11–12 vs 14–15 yr olds, 24129

prediction of item recallability in free & cued recall tasks, college students, 310
presentation of cue from passive avoidance task following ECS-induced amnesia, recall & recovery from amnesia, rats, 21427
presentation of single words on card forming simple declarative sentences vs word strings, recall of words, 3rd grade skilled vs unskilled readers, replication of J. T. Glithrie & S. J. Tyler's study, 8709
presentation of topically relevant vs irrelevant outline & existing subject knowledge prior to studying instructional text, recall of text material, college students, 15654
priming with taxonomic vs functional modes of categorization, recall & style of recall, preschool age children vs college students, 14185
prior knowledge & information ordering & reading ability & style, immediate vs delayed recall of unfamiliar information, 8th graders, 2424
prose read under conditions of reading vs alternative perspectives, recognition memory & total & selective recall of passage, college students, model of encoding & retrieval processes, 23625
question training & quality of questions asked, reading comprehension & recall, 7th & 8th graders, implications for development of comprehension strategies, 31201
radioreceptor assay in screening for cognitive toxicity of anticholinergic drugs, chronic & stable psychiatric outpatients, 20393
rate of identification of item information & memory span difficulties, learning disabled 6th grade males, conference presentation, 18595
reading ability & grade & study time, processing & reading & learning from text in immediate vs delayed recall paradigm, 5th vs 8th vs 11th graders vs college students, 6047
reading behavior & prose recall, 18–32 vs over 65 yr olds with average vs high verbal ability, 29639
reading goal & availability & amount of required resource, text processing & recall, college students, 16317
reading vs self generation of word list, recall, college students, 10999
recall & comprehension of metaphors, 2nd vs 4th vs 6th graders, 6093
recall & recognition of words & nonwords & real-time network processing & adaptive resonance theory, 13660
recall & recognition schema theory, learning in-tune singing, children, 11466
recall & recording of positive events, positive affect & coping effectiveness, college students & Coast Guard Academy cadets, 29171
recall of high frequency words from lexicon, college students, evidence for frequency-ordered lexicon, 29129
recall of lesson components after 1 vs 2 vs 5 days, prekindergarten & kindergarten students in daily vs alternate day programs, 15723
recall of similar personal experiences, empathic understanding of other's feelings, 3rd graders, 8855
recall of statements by strong vs weak same- vs opposite-sex group applicants & evaluation of applicants, role of familiarity in categorization process, male vs female college students, 17231
recall of word lists while happy vs sad, college students, replication of study by G. H. Bower et al, 13700
recall of words with semantic vs self reference encoding question, 2nd graders through adults, 8774
relaxation training & mnemonics, attention & anxiety in face-name recall, 61–82 yr olds, 9683
repeated reading, free & cued recall & retention & persistence of errors in expository reading task, graduate education students, 16306
repetition & levels & categorization & processing strategy, retention of technical text, college students, 29122
repression sensitization & stress content of situation, recall of mock crime, college student eyewitnesses, 19152
retention test, performance on subsequent test on same material, college students, 2583
retrieval cues, recall of incidentally learned words, college students, 13672
retrieval of information from long term memory, 58–72 yr olds, 3441
retrieval order instructions, accuracy of recall of autobiographical memories, college students, 21183
retroactive interference, verbal recall, 20–50 yr old nonparanoid vs paranoid schizophrenics, 3927
same or related vs unrelated sentence topics & individual differences, proactive interference in recall, college students, 13652
self schema & listening to stories with Black vs White vs animal characters, recall, Black 6–7 yr olds, 21733
self vs other reference, recall of trait adjectives & nouns, college students, 19141
semantic & evaluative & self referent orienting tasks, memory & cognitive effort & somatovisceral effects, female college students, 19098
semantically related primes of noncapital cities, feeling of knowing vs recall & recognition of target capital cities, college students, 13649
severity of stuttering, recall & recognition of high visual imagery words in reading passages & hemispheric EEG alpha asymmetries, 12–44 yr old male & female stutterers, 20102
sex role stereotypes & sex of protagonist, prose recall, male vs female high school students, 6060
short term forgetting & accuracy of delayed vs immediate recall, 17–28 vs 62–84 yr olds, 23634
signal detection theory & methodological problems in research on effects of hypnosis on memory, 16333
signals to organization of text, recall, college students, 29141
significance of similarity of situations during memorization & recall, 29137
simultaneous task presentation & level of difficulty, recall & attention, depressed patients, implications for depressive cognitions, 9287
simultaneous vs sequential presentation of visual stimuli, immediate ordered recall, college students, 26359
soccer knowledge & interest, recall of real vs simulated scores, college students, 29144
stimulus duration, partial report performance, college students, 16272
stimulus picture followed by rehearsal interval vs no rehearsal time, identification of picture or its name, college students, 3058
storage of numbers in auditory & visual short term memory, digit-span recall, college students, 302
strategies &/vs abilities training, factual recall & sequencing & inference in prose comprehension, educable mentally retarded children & adolescents, 23082
strategies for cognitive use & organization & recall of performance information, evaluation of multiple targets, college students, 21145
strategies for serial order recall of items in texts, high school students, 8730
structural complexity of stories & vocabulary ability, recall & organization of narrative retellings, learning disabled 7–12.5 yr olds, 20085
structure provided during acquisition & recall of textual material, recall & recognition, field independent vs dependent college students, 29136
subjective organization, temporal contiguity of recall in multitrial sequence, male college students, 13688
subsequent performance, recall & immediate & delayed evaluation of previous level of ratee's performance, college students, 29145
subset of list items as cues, facilitation vs inhibition of recall of words from list, literature review, 3054
superordinate vs subordinate mathemagenic postquestions, cognitive capacity engagement during reading task & subsequent performance on recall posttest, college students, 20671
task orientation & attention shifts vs natural category size, recall of familiar vs unfamiliar words, 312
taxonomic category of words & intertrial interval, recall & skin conductance response, college students, implications for habituation & proactive inhibition in short term memory, 23874
teaching methods for imagery of categories from interrogative words & for recall of some content words, hearing impaired children, 28579
temporal distinctiveness theory of recency & modality, recall of word pairs, college students, 13659
text structure & presence of goal-directed behavior, delayed vs immediate recall of stories, 5504
text variables & verbal ability, discourse memory performance, 18–28 vs 61–75 yr old students vs 63–75 yr old nonstudents, 26828

thematic-fantasy play & story familiarity & adult intervention, story recall, 4.7–13 yr olds, 14187
thematic organizer strategy, text comprehension & recall, 5th graders vs 4th–6th grade poor readers, 31210
theory of determinants & mode of response & level of musical experience, immediate recall of short melodies, college vs high school students, 11455
time elapsed between events as potent cue accompanying storage & retrieval of memories, rats, 23661
topic familiarity, speed of original learning vs recall, 7th–8th graders, implications for mastery learning programs, 25812
trait self consciousness & public & private self awareness, recall of people's names & characteristics in introduction situation, female college students, 6337
typical vs atypical items, incidental & cued & self generated & free recall tasks, good vs poor junior high school readers, 21685
underlying processes & importance & distinctiveness of stimulus words & applicability to one's self, recall & incidental encoding of stimulus words, college students, 13656
unrestrained recall of acquaintances & subsequent categorization, computerized model of recall process, college students, 274
use of complementary vs abstract vs unpredictable sentences, bizarreness effect in free recall, 18–25 yr olds, 29120
use of indirect external memory cues for elimination of solutions in retrieval problem, preschoolers, 26873
vague vs specific instructions & delayed vs immediate task conditions, recall of temporary ordered story events in logical sequence vs presentation order & memory on picture-sequencing task, 6 vs 8 yr olds vs college students, 24118
variables affecting subjective organization during posthypnotic amnesia, college students, 5478
variation in scheduling of TV advertisements, brand recall & recognition, college students, 5490
verbal vs visual presentation, recall & text comprehension, 5–6 yr olds, 11441
visual displays, recall by row vs column in large capacity memory, college students, test of P. M. Merikle's display-instruction compatibility hypothesis, 21170
word category size & strength frequency, retrieval processes in perceptual recognition & cued recall, college students, 313
word frequency & list length, long term serial position curve & recall, college students, 29131
word length, recall of names of common objects in pictures, 4–10 yr olds, 16922
wording of interrogatives, accuracy of eyewitness recollections, college students, 29978
words arranged in distinctive vs same visual patterns, recall performance, college students, 23622
words varied in imagery value with imagery vs semantic rehearsal instructions & type of recall test, hyperamnesia & correct recall, college students, 13690

Recency Effect

active vs passive modality effects with silently presented tactile input, recency recall, college students, 11013
auditory & temporal factors & modality effect, immediate recall, college students, 19129
dynamic versions of N. H. Anderson's information integration theory for personality impression, 17259
primacy & recency effects in memory for episodic spatial events, male rats, 5554
primary memory vs use of temporal or contextual cues, recency effect in free recall, 16313
priming between newly learned vs well-known associates in lexical decision, 13680
recency effect, perception of ambiguous figures, college students, 29063
temporal distinctiveness theory of recency & modality, recall of word pairs, college students, 13659

Receptive Fields [See Also Cutaneous Receptive Fields, Visual Receptive Fields]

moving air-jet stimulation, neuronal activity in dorsal column's receptive field, rats, 23882

Receptor Binding

activation of diazepam & chlordiazepoxide receptors in amygdaloid complex, anxiolytic effects & analgesia, rats, 24040
activation of testosterone-sensitive cells, inhibition of extinction in conditioned food aversions, male vs female rats, 13964
acute vs subacute administration of amitryptyline vs desipramine vs citalopram vs viloxazine, GABA "B" receptor activity as possible indicator of antidepressant drug mechanism, male rats, 16757
affinity for binding at sigma opioid vs phencyclidine receptor site, male rats, 14023
alpha-adrenergic receptor function in platelets & prostaglandin-stimulated cyclic adenosine monophosphate production, schizophrenic 19–65 yr olds, 30156
alpha-2 adrenergic receptors, antinociception & prevention of drug-induced writhing response & displacement of clonidine from binding sites, male mice, 3304
amygdala-kindled seizure stage, density of benzodiazepine receptor binding in amygdala vs hippocampus, male rats, 16519
anticholinergic agent tolerance & decrease in acetylcholine agonists, increased binding to muscarinic receptors in brain & motor inhibitory actions of pilocarpine, male rats, 16703
antidepressant drugs & forced swimming, rapid down regulation of beta-adrenergic receptor binding as measure of neural adaptation, male rats, implications for drug therapy, 19437
antidepressant drugs, binding & interaction between alpha & beta adrenergic receptors, male rat brain slices, 16758
antidepressant drugs, histamine-H_1 receptors, rats & guinea pigs, 16646
antidepressant drugs vs psychotropic agents & ECS, GABA B receptor binding in frontal cortex, male rats, 24000
anxiety peptide, rat & human brains, 527
apomorphine-induced sterotypy & spiroperidol binding to haloperidol-treated striatum as animal model of tardive dyskinesia, female rats, implications for role of striatal dopamine receptors in tardive dyskinesia, 26673
apomorphine vs dextroamphetamine, stereotyped behavior & activity level & binding of spiroperidol, male rats with experimentally induced diabetes mellitus, 11333
arylcycloalkylamines vs benzomorphans vs cyclazocine vs other phencyclidine-like drugs, synaptosomal dopamine uptake & radioactive phencyclidine binding & turning behavior, male rats, 11307
benzodiazepine agonists &/vs food deprivation, actions at benzodiazepine receptor sites leading to hyperphagia or anorexia effects on food consumption, male rats, 26641
benzodiazepine antagonist as ligand, positron emission tomographic studies of benzodiazepine receptors, monkeys vs healthy males vs male psychiatric patients, implications for neural drug concentration following chronic drug therapy, 30767
benzodiazepine binding site heterogeneity, literature review, conference presentation, 29276
benzodiazepine binding site interactions of CGS 9896 & CGS 8216 in areas of brain, male rats, conference presentation, 29388
benzodiazepine receptor agonists & antagonists & inverse agonists, GABA benzodiazepine receptor binding, conference presentation, 29436
benzodiazepines & their metabolites, binding affinity to benzodiazepine receptor & anti-anxiety activity, male rats, 16734
benzodiazepines, receptor-mediated chemotoxis of human monocyte, implications for drug therapy, 21582
beta-phenylethylamine & its metabolites, binding of 3H-flunitrazepam in rostral forebrain, female mice, 29477
binding activity & behavioral actions of peripheral-type benzodiazepine, review of research, 16751
binding of corticosterone & dexamethasone assessed by number & affinity of cytosol receptors in in vitro hippocampus & hypothalamus, male vs female rats, 21331
binding of imipramine to platelet membranes, patients with agoraphobia & panic attacks vs depression, 24672
binding of radioactive dopamine antagonist spiperone to lymphocytes, acute unmedicated schizophrenic patients vs healthy vs psychiatric controls, 17317
binding of radioactive serotonin to serotoninergic receptors in visual centers & frontal cortex, dark-reared & monocularly light deprived rats, 11140
biochemical & neurophysiological findings on depression & antidepressants, literature review, 22089

blood platelet uptake of 5-HT, unipolar vs bipolar depressed patients, 6562
carbamazepine & diazepam, amygdala-kindled seizures at central & peripheral-type benzodiazepine binding sites, male rats, 16831
catecholamine high affinity binding sites in blood cells, medicated vs unmedicated schizophrenic patients, 17298
changes in platelet imipramine binding, 9–17 yr olds with nocturnal enuresis, 6901
characteristics of muscarinic cholinergic receptors on human skin fibroblasts, patients with major affective disorder, 1341
characterization & effects of antidepressant drugs, temperature sensitive high affinity serotonin binding, rats, implications for treatment, 16651
cholecystokinin binding in hippocampus & frontal cortex & amygdala & temporal cortex & caudate nucleus postmortem membrane preparations, deceased schizophrenic patients, 17335
chronic caffeine, adenosine vs benzodiazepine receptor vs adenosine uptake sites in brain, adult male mice & pups of females started on caffeine 1 day postconception, 16706
chronic clorgyline vs amfonelic acid, density or dissociation constant of tritiated spiperone binding to cortical beta-adrenergic vs striatal dopamine receptors, male rats, 16715
chronic haloperidol followed by peptides in withdrawal phase, response to apomorphine & striatal tritiated spiroperidol binding, male rats, implications for treatment of tardive dyskinesia, 16560
chronic haloperidol injections &/vs ECS, high affinity binding of imipramine to cerebral membranes, male rats, 21365
chronic nicotine administration, adrenergic & muscarinic binding sites in cerebral cortex vs corpus striatum vs hypothalamus/thalamus vs brain stem vs heart ventricles, male rats, 26759
chronic phenobarbital vs ethanol, binding characteristics of radioactive flunitrazepam in cerebellum & cortex, male mice, implications for development of tolerance & dependence to ethanol & barbiturates, conference presentation, 16696
chronic reserpine with vs without chronic imipramine or GABA agonists THIP or baclofen, beta-adrenergic & radioactive GABA receptor binding in cerebral cortex & hippocampus, male mice, implications for mechanism of antidepressant action, 24036
clorgyline &/vs pargyline, apomorphine-induced stereotypy & spiroperidol binding, rats, 29394
computer analysis of digitized autoradiographs, dopamine & serotonin binding sites in basal ganglia or neocortex, male rats, 11139
concentration of trazodone & its metabolites & isomers in brain areas & receptor binding as indicator of anxiolytic action at benzodiazepine vs alpha-2-adrenergic receptor sites, male rats, implications for mechanism of therapeutic action, 29476
conditioned suppression &/vs electric footshock & naloxone injection, pain threshold & opioid receptor activity, mice, 3233
cytoplasmic glucocorticoid receptor content in lymphocytes & dexamethasone suppression test, depressed adults, 9250
daily sleep wake & muscle activity cycles, binding of tritiated flunitrazepam to synaptic plasma membranes in frontal lobe & cerebellum, rats, 16402
desipramine, platelet binding sites for imipramine representing 5-HT receptor & prolactin response to tryptophan, 26–36 yr old healthy males, 11279
diazepam-binding inhibitor, endogenous brain polypeptide, rats, 11138
diazepam vs premazepam followed by leptazol, binding of hippocampal & cerebellar benzodiazepine receptors, male rats, 21557
dopamine receptor agonist treatment, locomotor activity & haloperidol-induced increase in specific spiperone binding sites in striata, male mice, 26656
duration of immobilization stress, high affinity choline uptake & synthesized acetylcholine release & quinuclidinyl benzilate binding, female rat hippocampal preparations, 21373
ECS, muscarine cholinergic receptor binding in cerebral cortex & anterograde amnesia, rats, 19399
ECS, opioid receptor binding in hypothalamus vs hippocampus vs caudate nucleus vs frontal cortex vs brain stem, male rats, 26593
ECS treatment vs antidepressant drugs, hypothermic response to 8-hydroxy-2-(di-N-propylamino)tetralin produced at serotonin receptors, male mice, 23974
EEG profiles of drugs affecting GABA synaptic activity by acting at GABA-benzodiazepine-barbiturate/picrotoxin receptors complex, male rabbits, conference presentation, 29454
electric footshock, functional changes in opioid agonist & antagonist receptor binding & analgesia & behavioral changes, male rats, 26592
electric shock, sulfhydryl & phospholipid groups of endogenous opioid agonist & antagonist receptors in synaptic membranes, male rats, 21433
endogenous imipraminelike material from brain, imipramine binding & serotonin uptake in brain & platelet preparations, rats, 19335
estradiol benzoate & angiotensin II, site & mechanism of action of estrogen in brain, male vs female rats, 653
ethanol feeding vs in vitro ethanol addition, diazepam & flunitrazepam receptor binding in cerebral cortex synaptosomal membrane tissue, male rats, conference presentation, 16778
ethanol, presence in urine of fractions which inhibit benzodiazepine receptor binding, males with vs without family history of alcoholism & rats, 26755
fenfluramine, thermogenesis by activation of brown adipose tissue via mitochondrial guanosine diphosphate binding, female rats, 29451
fluoxetine, analgesic effects of morphine in tailflick paradigm & its affinity for opioid receptors & discriminative stimulus properties, rats, 16664
gestational & neonatal styrene administration, spiroperidol binding to dopamine receptors & behavioral activity, rats, implications for safety in plastics industry, 8630
haloperidol treatment over 30–90 days, apomorphine-induced behavior & striatal spiperone binding & choline acetyltransferase activity, 6.5 vs 13 vs 27–30 mo old mice, implications for tardive dyskinesia in elderly, 682
high affinity cannabinoid binding sites in brain membranes labeled with 3H-5-trimethylammonium delta-8-tetrahydrocannabinol, guinea pig ileum & rat brain membranes, 19478
human vs salmon cacitonin injections into periaqueductal gray & midline pontine reticular formation, receptor binding & analgesic properties, male rats, 21502
hypothalamus nuclear estrogen receptor levels, sexually responsive vs nonresponsive male rats, 8420
imipramine &/vs lithium, free vs bound thyroxine quotients & thyrotropin-stimulating hormone secretion, recurrent major depressive 20–65 yr olds, conference presentation, 15200
imipramine binding & serotonin uptake in platelets, depressed patients, 18111
imipramine binding & serotonin uptake, 13–17 vs 22–35 yr olds with obsessive compulsive disorder, 17437
imipramine vs ACTH, noradrenergic receptor activity & responsiveness of norepinephrine-coupled cyclic adenosine monophosphate generating system in cerebral cortex, male rats, 19436
immunological study of hypothalamic ventromedical nucleus, rats, 8400
in vitro vs in vivo ethanol, radioactive t-butylbicyclophosphorothionate binding to GABA receptor complex, rats, 26754
injection of dopamine antagonist MJ-13980 vs haloperidol, pituitary dopamine receptor binding & serum prolactin concentrations & apomorphine-induced stereotyped behavior, male rats, 26684
interactions of buspirone & TVX Q 7821 with 5-hydroxytryptamine receptor binding sites in brain membranes, bovines, 29465
intrahypothalamic progesterone metabolites & desoxycorticosterone, estrous behavior & progestin receptor binding, female rats, 21513
involvement of 5-HT in mechanism action of hallucinogenic agents, rats, 16637
lack of muscarinic receptors on skin fibroblasts, patients with affective illness, implications for diagnosis, 22077
lesions of serotonergic pathway induced by 5,7-dihydroxytryptamine, alpha adrenoceptor activity assessed by binding in cortex & hippocampus & hypothalamus, male rats, 21460
levorphanol vs dextrorphan exposure, ethanol- vs morphine-induced conditioned taste aversion, rats, implications for role of opiate receptor in alcohol-opiate interaction, 3164

light microscopy autoradiography, determination of neuroanatomical localization of phencyclidine/sigma-opiate receptors, rats, 21325
long term administration of baclofen, 5-HT head twitching & 5-HT_2 receptor binding sites, male mice, 8585
long term exposure to diazepam, sensitivity to 5-HT & GABA in dorsal raphe nucleus & GABA receptor binding & bicuculline seizure threshold, male rats, 23967
maternal nicotine, development of sites for nicotine binding in fetal brain, rats, 26676
metaxylene, central adrenergic receptor binding in hypothalamus & diencephalon & cortex & cerebellum & feeding & drinking behavior, female mice, 29470
monoamine turnover & binding to monoamine & other receptors, 56–94 yr old Alzheimer's disease vs depressed patients vs adults who committed suicide, conference presentation, 1221
morphine dependence & protracted abstinence, regional alterations in CNS radioligand binding, male rats, 29395
morphine sulfate-containing sucrose solution vs sucrose, clonidine & dihydroalprenolol & spiperone binding, F-344 vs BUF strain mice, 21491
muscimol, benzodiazepine receptor binding & hypnotic activity, male mice, 16595
N-ethoxycarbonyl-2-ethoxy-1-2-dihydroquinoline, spiperone & piflutixol binding to striatal dopamine receptors, male rats, 14022
nicotine &/vs saline vs mecamylamine vs hexamethonium, locomotor activity & nicotinic stimulant effect & binding of acetylcholine to nicotinic receptors, rats, 26695
non-benzodiazepine anxiolytics, benzodiazepine receptor modulation & therapeutic efficacy, conference presentation, 29400
nortriptyline & metabolites, binding to brain muscarinic acetylcholine receptors, male rats, 16827
olfactory bulbectomy, increased estrogen receptor binding in amygdala & sexual behavior, female rats, 615
pantoyl-GABA, cholinergic neurotransmission in CNS, mice & rats, implications for treatment of Alzheimer's disease, 534
peripheral benzodiazepine binding site ligand PK 11195, anxiogenic effects of chlorodiazepam in social interaction vs punished drinking test, male rats, 26659
phenylpiperazines, anxiolytic actions without interaction at benzodiazepine & GABA complex, animals & humans, conference presentation, 29450
phospholipase & morphine injections into periaqueductal gray, behaviors & fatty acid release & opiate-binding, rats, 16770
pimozide vs haloperidol vs trifluoperazine, hypothalamic self stimulation rate intensity functions, male rats, implications for role of dopamine receptor binding, 26702
pirenperone vs ketanserin vs pizotifen & serotonin agonist, discriminative stimulus effects of LSD & spiroperidol binding to striatal dopamine receptors, male rats, 21565
PK 11195 & RO5-4864, shock-induced suppression of drinking & benzodiazepine binding sites, male rats, 16487
platelet alpha-2-adrenergic dysfunction assessed by clonidine vs yohimbine binding to membranes before vs after chlorpromazine treatment, differentiation of positive vs negative symptoms disorder, 22–39 yr old male schizophrenic inpatients, 30775
platelet alpha 2-adrenoceptor number & urinary 4-hydroxy-3-methoxyphenylglycol excretion & age at onset, drug-free 23–63 yr old major depressive patients, 30210
platelet imipramine binding as trait marker & clinical characteristics, patients with euthymic vs depressed bipolar vs unipolar affective disorder, 27264
platelet imipramine binding, females during pregnancy & postpartum, 7333
platelet imipramine binding, 16–87 yr old hospitalized psychiatric patients, 9898
postnatal handling between birth & 21st day, glucocorticoid receptor concentrations in brain regions, rat pups, 11163
premazepam in vitro, antagonistic-agonistic interaction with benzodiazepine binding sit... in cortical vs cerebellar synaptosomes, rats, 13954
prenatal antiandrogen flutamide or propylene glycol & subsequent gonadectomy & im estradiol benzoate, estrogen-activated female sexual behavior & muscarinic binding in hypothalamus, male rats, 21371
properties of alpha-bungarotoxin binding sites in fetal brain membranes, humans, implications for cigarette smoking, 26532
protein concentration & platelet imipramine binding, healthy 19–27 yr olds, implications for imipramine binding as marker for depression, 29384
quantitative autoradiographic localization using sulpiride, identification of dopamine receptor binding sites in brain, male rats, 26496
radioactive etorphine & naloxone binding to caudate nucleus opioid receptors in postmortem brains, schizophrenic patients, 14646
radioactive imipramine binding in brain tissue & platelets, hypertensive vs normotensive rats, 11150
radioactive yohimbine & dihydroergocriptine & clonidine, characterization of platelet alpha adrenoceptors, 23–73 yr old depressed patients, 6483
repeated doses of clenbuterol vs desipramine & imipramine & phenelzine & zimeldine & mianserin, beta-adrenergic receptor density & response, male rats, 16739
Ro5-4864 vs Ro5-3663 vs Ro15-1788 vs CGS 9896, clonazepam-induced hyperphagia & actions at benzodiazepine receptor sites, male rats, 11278
saturability & stereospecificity of radioactive naloxone, assessment of opioid receptor binding, female rats, 16422
selectivity of benzodiazepines, brain receptors, rats, 29301
sensitivity & density of platelet alpha-2-adrenoceptors, drug-free & lithium carbonate-treated depressed patients, 11929
sensitivity to cholinergic drugs & muscarinic receptor density & affinity, 3–6 vs 9–12 vs 27–30 mo old rats, 538
somatostatin receptors in brain vs pituitary vs pancreas, rats, implications for cognitive function & extrapyramidal motor system control, 5713
specificity of pyrazine binding protein from olfactory mucosa, cows, 551
structural isomers of acetylpyridine, electrophysiological response of single pyridine-sensitive cells, crayfish, 21524
subacute soman intoxication, regional sensitivity of neuroleptic receptors, rats, 8617
thyrotropin-releasing hormone analog, regulation of receptors for thyrotropin-releasing hormone, rats, 3327
tricyclic antidepressants imipramine & desmethylimipramine, red blood cell uptake & binding, humans, 16671
triethyl lead chloride, hot plate responsiveness & antinociception & hippocampal binding capacity of benzodiazepine receptor sites & Substance P levels, male rats, 16564
tritiated spiroperidol, labeling of dopamine & serotonin receptors in frontal cortex, male rats & postmortem humans, 16414
uptake & sensitivity to 1-methyl-4-phenyl-1,2,3,6-tetrahydropyridine in substantia nigra, embryonic rats, conference presentation, 19319
vagotomy, pyloric cholecystokinin binding & receptor sites, 19409
Vmax values & serotonin uptake by platelets, twins with infantile autism or developmental language disorder, 19943
1 vs .5 mg endosulfan & methysergide pretreatment, 3H-5-hydroxytryptamine binding in frontal cortical membrane & aggressive behavior, 3–5 wk old rats, implications for serotonergic system involvement in neonatal neurotoxicity, 29492
24 hr vs 8 day exposure to naltrexone, brain opioid binding activity & analgesic potency of morphine in tailflick test, male rats, 16838
Receptors (Neural) [See Neural Receptors]
Recidivism
age & prior commitments & unemployment & marital status, recidivism, shock, probationers vs parolees vs straight probation vs Ss sentenced to residential facilities or half-way houses, US, 15406
alternative evaluation measure for juvenile diversion programs, recidivism, juvenile delinquents, 4623
criminal activity & personality traits, recidivists, 12066
delinquency before age 13 & school problems & family background, subsequent delinquency, 14 yr old male property vs violent offenders, 5-yr followup, Japan, 9385
demographic & psychiatric characteristics, repeated attempts vs actual suicide, suicide attempters, Denmark, 3-yr followup, 27458
failure in group home program, mandatory institutionalization, female & male 14–17 yr old juvenile delinquents, implications for reform of juvenile justice system, 15436

family & parental relations during childbirth, recidivism, male law offenders, India, 1414
family status & SES background & DSM-III classification of developmental disorders & offenses & recidivism, 12–18.9 yr old male incarcerated juvenile offenders, 6653
IQ & personality traits, male vs female recidivists vs 1st offenders, 17466
kibbutz community-based aftercare program, psychosocial adjustment & recidivism & rehospitalization, 38 yr old female chronic psychiatric patient, Israel, 12666
participation in general equivalency diploma preparation program, rearrest rates, male probationers, 15443
recidivism, Black & Hispanic emergency room alcohol abusing patients, case report, implications for treatment, 28222
recidivism rates, male convicts classified as exhibitionists vs pedophiles vs sexual assaulters, 10-yr followup, 17483
reconviction rate, released male prisoners who rejected employment placement service, 12-yr followup, 15438
statistical client-baseline matching method & variable definition of recidivism, evaluation of effectiveness of 6 juvenile diversion programs, juvenile delinquents, 18302
treatment program, recidivism & family relations & comfort with sexuality, sex offenders, followup study, 28197
urinary free cortisol levels, male violent offenders vs recidivist arsonists, 20068
validity & reliability of Level of Supervision Inventory classification instrument, assessment of rehabilitation needs & recidivism risk, offenders in halfway houses, 23416
validity of statistically derived prediction instruments & sample selectivity, recidivism, criminals, 8104
vulnerability factors, recidivism, 7.6–15.6 yr old juvenile offenders, 4023

Reciprocal Inhibition Therapy
conditioned reflex model & reciprocal inhibition in psychopathology, 20365

Reciprocity
attribution, self disclosure reciprocity & liking, male vs female college students, replication of study by D. A. Taylor et al, 21931
cooperative vs inverse reciprocity models, prediction of actions during strategic arms control talks, negotiators, US vs USSR, 1969–79, 29773
efficacy vs empathy motivated helping & recipients' inability to reciprocate, evaluation of recipients' competence, male vs female college students, 21944
functional components of reciprocity, maintaining close friendships, male vs female college students, 6343
keeping track of another's needs, desired communal vs exchange relationship & opportunity for other to reciprocate, college students, 29941
moral systems & indirect reciprocity, conference presentation, 1116
move to savannah in hominid evolution, development of cooperative foraging & reciprocal exchanges of information & resources, 5653
nonrecursive model & reciprocity of student-faculty interaction, academic performance, freshman & sophomore college students, 10427
opportunity to reciprocate & self esteem, help seeking behavior, college students & 12–13 yr olds, 3529
reciprocity & self monitoring, self disclosure with new acquaintance, college students, 24482
similarity & reciprocity, dyadic friendship choices, 3rd & 6th graders, 14209
social skills training, play behavior & reciprocity with peers, 5.7 vs 6.3 vs 7.8 yr old females, 7598
spontaneous vs obedient vs reciprocal behavior with positive vs negative outcome, perception of behavior, 5 vs 9 yr olds vs young adults, 29696

Recognition (Learning)
acoustic-phonetic information in speech signal & context of meaningful vs semantically anomalous sentences, spoken word identification, college students, 5472
age & linguistic integration & demands on working memory, memory for facts & inference & recognition, 18–23 vs 60–72 yr olds, 29579
age of acquisition & meaningfulness of word, word associations availability, 9th graders, 11410
age, phonemic processing RT during picture recognition task, male vs female children vs adolescents vs adults, 14152
amodally complete vs equivalently truncated vs open figures, latency to identify, adults, 29042
asymmetrical scanning & perceptual asymmetries, perceptual bias toward left half-faces in face recognition, 5418
basic & subordinate level naming of objects in outline drawings, 50–66 yr olds with agrammatic Broca's aphasia vs 55–65 yr old fluent aphasia, 27507
basic vs superordinate vs subordinate level category differentiation, object identification RT, college students, 283
bilateral vs unilateral ECT, priming effects & recovery of recognition memory & word completion ability, depressed patients, 322
Boston Naming Test, measurement of recognition-cued word-finding ability, 60–85 yr olds, 19616
brain damage with vs without aphasia, recognition & imitation of Amer-Ind gestures vs American Sign Language signs, 55–86 yr olds, 27526
category structure of sequences of bar charts with simulated symptom patterns, recognition & categorization & retention, college age Ss, model of category learning processes, 21175
changes in environmental context, recognition memory, college students, 26358
clause position in multiclause sentences followed by spoken or written word vs picture probes, matching to semantic vs surface form & word recall & recognition, college students, 26356
cognitive activity & material organization, recognition or reproductive vs creative utilization level of learning, 13–14 yr olds, 6081
cognitive processes in word recognition & recognition failure, 3023
color, naming & recognition of everyday objects, college & graduate students & 20–35 yr old medical students & nurses & doctors, 11016
conceptual identification process in cognitive processing, literature review, 23602
concreteness vs imageability of laterally displayed words, performance on visual lexical decision & comparison & recognition tasks, adults, 13542
context of word pairs, retrieval processes in recognition memory tasks, female college students, 29147
context, word recognition, 3rd vs 5th graders vs college students, implications for spreading activation process & expectancy-based attention, 8793
contextual knowledge, encoding & sentence recognition, college students, 11025
criterion design evaluation of treatment to increase recognition of similes, hearing impaired college students, 31300
cued recall vs forced choice recognition vs 2nd encoding task as practice after initial learning, delayed recall with semantic vs phonemic cue, college students, 5500
cueing of spatial position of target letter, recognition accuracy, college students, 21121
datedness, recall & recognition of general knowledge & confidence ratings of feeling-of-knowing, 18–34 vs 60–75 yr olds, 29119
depth of processing, recognition memory for normal vs inverted photographs of faces, college students, 13678
differential word recognition strategies in Braille reading, blind 12.1 yr olds & congenitally blind 22–30 yr olds vs sighted children with mean age of 10.5 yrs, 17652
difficulties of recognition of melodic memories, college music students, implications for teaching methods, 13010
disruption of recall vs recognition, amnesic people without history of alcoholism vs with alcoholic Korsakoff syndrome, 30404
elaborations to relationships among key concepts in sentences, cued recall & recognition performance, college students, 323
emotion portrayed nonverbally, emotional errors in recognition memory & recall, college students, 19135
emotional arousal using adrenaline, recall & recognition, college students, 29123
encoding instructions, retrieval processes in recall & recognition memory, college students, 326
environmental context, recognition memory for word lists, college students, 19161
faces & words presented continuously at varied rates, recognition performance & intelligence & automatic memory processes, college students vs mildly retarded Ss, 24823

focal attention vs contextual theories, word recognition learning through visual exposure, 1st graders, 4891
forced-choice recognition tests, response bias in advertising context, literature review, 23328
forgetting rates in visual & auditory continuous recognition memory task, 18–23 vs 38–50 vs 60–74 yr olds, 26836
formerly encoded & presently needed information, recognition achievement & visual discrimination, support for theory of levels of processing, 11030
fornix transection following pre-operative training, memory of running recognition task with visual-spatial configurations, monkeys, 3256
free recall of word lists presented at varied rates, subsequent recognition of items, college students, 29139
generation vs read task, recognition & recall of sums from multiplication tables, college students, implications for L. A. McElroy & N. J. Slamencka's lexical-activation hypothesis, 303
global cognitive development & sex & word abstractness, word recognition ability, 1st graders, 8804
grade level & field dependence & degree of figure-ground separation in stimulus presentation, recognition of computer-generated pictures on monochrome monitors, 2nd–4th graders, implications for instructional software design, 31167
haptic object identification, college students, 19044
horizontal vs vertical word orientation & letter symmetry & report order variables, left vs right visual field word recognition, right handed college students, 5665
hypnosis & imagery training, naming behavior, 46–59 yr olds with Broca's aphasia, 28010
identification of parafoveally presented letter flanked by confusable vs nonconfusable letter on foveal vs peripheral side, college students, examination of basis for confusability-asymmetry interaction, 13544
identity model based on short term & long term memory components, comparison of anticipation & study-test methods in cued recall & recognition, 11002
imagery dimensions, pictorial vs verbal concept identification, 17–38 yr olds, 29135
individual differences, visual recognition memory & cardiac vagal tone, 6 mo olds, 24094
inserted question aids &/vs E provided macro structure of passage, text recognition, 2nd vs 5th vs 9th graders, 14170
intentional vs incidental paradigm, recognition of noun as function of imagery value, college students, 5485
interruption vs no interruption during arithmetic task, recognition memory of arithmetic problems, college students, support for stop-signal procedure for detection of inhibited thoughts, 29140
inverted letters vs letter order &/vs mirror-reversed words, word recognition RT, female vs male dextral vs sinistral school age children & adolescents & adults, 11412
item repetition & priming between newly learned associates, activation decay functions, college students, 11018
iv administration of diazepam & hyoscine, recognition memory, 20–52 yr olds, 8601
length of stimulus onset asynchrony in semantic priming, target word recognition, college students, examination of dual process model vs C. A. Becker's verification model, 21173
letter vs word recognition, 3rd graders vs college students, implications for linguistic levels during reading, 26812
lexical ambiguity & word recognition, 2nd vs 4th vs 6th graders, 19642
list organization, item recognition RT, college students, 11004
live vs playbacks of infants' isolated single call type, maternal recognition, squirrel monkey mothers & their infants, 16386
local & global determinants of recognition of vector patterns under transformations, 22–51 yr olds, 2975
memory set size vs types of probe vs interference in recognition memory, retrieval time, college students, 329
methodological issues in recognition memory & encoding of semantic information, aged, literature review, 8763
mirror effect of old/new items in classes of stimuli, recognition memory, 13658
mood state during initial viewing of pictures of happy vs sad facial expressions presented to right vs left hemisphere, recognition, college students, 10962
motivational processes & expectancies, free recall & recognition & organization of learning material, 299
muscarinic anticholinergic serum levels, recall & recognition memory, 25–49 yr old chronic schizophrenic inpatients taking neuroleptics, 18093
naming rate & vocabulary retrieval & reading ability, reading impaired or dyslexic vs bilingual vs normal 2nd graders, 3-yr longitudinal study, 27487
omission vs commission error retrieval failures & feeling of knowing, college students, 5495
oral stimulus recognition test, measurement of short term memory, elderly paranoid patients, 3816
orthographic information, recognition & RT, college students, Japan, 13664
orthographically similar words vs nonwords separated by short stimulus onset, activation vs inhibition of recognition, adult Ss, 21171
perception & recognition of color-form compounds, 4 mo olds, 14141
perceptual fluency with word vs nonword stimuli, discrimination of old from new items, college students, 305
perceptually & nonperceptually based components in semantic activation during word recognition, college students, 13655
phonetic vs semantic thought processing, recognition, college students, implications of noise effects, Spain, 29121
photographs presented alone vs followed by unrelated vs related verbal information, subsequent picture recognition, college students, 11031
picture stimuli manipulated by prior exposure & depth of processing, recognition & naming latency & perceptual memory, college students vs 5–10 yr olds, 21689
prenatal exposure to polychlorinated biphenyls, visual recognition memory, 7 mo olds, 1581
presence vs absence of removable orthodontic appliance, oral form recognition, male adolescents with mean age of 13.8 yrs, 9488
presentation of low vs high imagery words, recognition assessed by signal detection analysis, depressed 58–88 yr olds, 30190
presentation of vertically written word to left vs right visual field & spelling-to-sound regularity, word identification, right handed Ss, 8402
presentations of stimuli words to left vs right visual field, RT for identification of English words & distinctions between open & closed class forms, English speaking adults, 26521
printed contextual information in form of sentence vs isolation with superimposed noise, word recognition, normal-hearing Ss, 5442
prose read under conditions of reading vs alternative perspectives, recognition memory & total & selective recall of passage, college students, model of encoding & retrieval processes, 23625
pseudohomophone-word vs nonword-word primed letter strings, lexical activation for word recognition based on use of grapheme-grapheme rules vs phonology, adults, 21168
quiet vs multitalker babble, nonsense syllable recognition, 18–28 yr old normal hearing Ss, 19085
rate of identification of item information & memory span difficulties, learning disabled 6th grade males, conference presentation, 18595
rated truth of & prior study of parts of statements, recognition, college students, 19126
recall & recognition of words & nonwords & real-time network processing & adaptive resonance theory, 13660
recall & recognition schema theory, learning in-tune singing, children, 11466
recognition memory of trait adjectives, college students classified as high vs low in private self consciousness, 3752
recognition memory task organized in categorical structure, fluent vs nonfluent aphasic vs nonaphasic cortical brain injured Ss, 17690
recognition of consciously attended vs imagined vs subconsciously perceived words, college students, support for theory of cognitive-state monitoring, 16334
recognition of derivational word forms on lexical decision task, agrammatic patients with Broca's aphasia, 27544
recognition of homonyms vs synonyms vs idiomatic phrases, school age children, 16968
recognition of script-based inferences via abstract script memory store, college students, 13687

repeated practice reading stories, reading rate & comprehension & number of speech pauses & word recognition accuracy, less able 4th–6th graders, 10342
repeated-stimulus superiority & inferiority effects, RT in identification of letters & digits, college students, 26323
repetition priming, ability to inhibit simple thoughts & actions about speeded category & rhyme judgments of word pairs, college students, 11010
scopolamine hydrobromide, free recall & recognition of dichotically presented nouns, female Ss, 5838
script context in reading, word recognition in lexical decision making, college students, 5474
self generation vs reading of words at encoding & retrieval & repetition of generation operations, word recognition & memory & generation effect, college students, 5489
semantic & episodic priming, dissociative effects for lexical decisions & episodic recognition, college students, 19116
semantic information in preceding test word, recognition RT, college students, 10974
semantic vs phonological processing skills, deep dyslexic-type errors in word recognition responses, 7–8.8 yr olds with severe reading disabilities, 6694
semantic vs physical vs phonetic nonorthographic vs orthographic matching & recall of previously presented nouns, response latency in recognition of word, college students, 13647
semantically related primes of noncapital cities, feeling of knowing vs recall & recognition of target capital cities, college students, 13649
severity of stuttering, recall & recognition of high visual imagery words in reading passages & hemispheric EEG alpha asymmetries, 12–44 yr old male & female stutterers, 20102
short blank intervals between presentation of successive pictures, subsequent picture recognition, reply to comments by M. J. Watkins, 11017
signal detection theory, recognition of neutral vs emotive stimuli, depressed vs nondepressed college students, 27363
slide sets of homogeneous vs heterogeneous pictures varying in ratio, recognition memory for slides, college students, 13665
speech perception & word recognition & lexical access, 21135
speed & accuracy in identification of infant facial expressions of emotion, male vs female college students, evidence for primary caretaker hypothesis of evolution of child care skills, 14451
spelling of immediately preceding item, lexical decisions about spoken words, college students, 5461
stimuli presented in auditory &/vs visual modalities, detection & recognition performance, sonar operators, 23294
stimulus size, word & face recognition, right handed college students, 13564
storage of incidental order information in form of combination items derived from subjective grouping of memory set items, college students, 5503
structural vs semantic vs self reference processing strategies, performance on decision & retention & recognition tasks following pictorial advertisements, 5453
structure provided during acquisition & recall of textual material, recall & recognition, field independent vs dependent college students, 29136
study of word list, immediate vs long term recognition & word fragment completion task ability, 19–35 vs 61–81 yr olds, 11430
study time & subsequent familiarization with black & white patterns, visual recognition memory, infant pigtailed macaques, implications for human infant memory development, 29194
successive processing ability & question aids, story recognition, mentally handicapped high school students vs mental age-matched 1st graders, 17522
target face uniqueness & accuracy of verbal description of photographs, identification accuracy, college students, implications for legal processes, 8144
time course of phonological code activation in English vs Chinese writing systems, native speakers of English vs Cantonese, 5976
time delay in word vs design recognition, adults with mean ages of 30.6 vs 64.3 yrs, 21708
training in Japanese face-digit pairs, subsequent Japanese face recognition, female college students, implications for other-race effect, 19132
transfer-appropriate-processing vs levels-of-processing reading theories & experimental design, recognition & memory for sentences & prose, college students, 21180
unfilled intervals between presentations of successive pictures, subsequent picture recognition, comments on article by R. W. Proctor, 11029
variation in scheduling of TV advertisements, brand recall & recognition, college students, 5490
verbal stimuli presented with unrelated vs thematically-related materials, prediction for retroactive interference effects in recognition memory, college students, 5491
verbal vs nonverbal central fixation, visual field & cerebral hemisphere superiority in word recognition, college students, replication of study by W. F. McKeever & M. D. Huling, 19342
visual imagery & recognition memory for face, male vs female college students, 19142
visual memory development, face recognition, 7–15 yr olds, 19591
visual recognition memory, monkeys with bilateral hippocampectomy & unilateral amygdalectomy, implications for amnesic mnemonic disorder in humans, 5808
visual word recognition model combining word identities & visual features with retinal & spatial & word- & sentence-centered coordinate systems, 29091
word category size & strength frequency, retrieval processes in perceptual recognition & cued recall, college students, 313
word imageability, word processing ability of right hemisphere using recognition memory task, right handed college students, 21182
word length &/vs frequency, word recognition & lexical decision tasks, college students, 5460
word recognition & encoding frequency of occurrence & temporal order & spatial location, test of automatic encoding deficit, patients with Korsakoff's syndrome vs frontal lobe damage vs chronic alcoholism, 17610
word recognition in vocabularies of specific sizes, 18–30 yr olds, application of signal detection vs choice theory, 21190
word repetition, long term recognition memory predicted by RT & P300, male college students, 23809
word vs pseudoword lists with priming, recognition & perceptual identification, alcoholic males with vs without Korsakoff's psychosis, model of amnesia, 24877
words & nonwords containing regular vs homographic spelling patterns, reading performance & decoding processes, dyslexic vs nondisabled good vs poor reading 3rd–4th graders, 14778
1-trial object recognition, rats, 26388
Reconstructive Psychotherapy [See Psychotherapy]
Recorders (Tape) [See Tape Recorders]
Recovery (Disorders)
behavioral & personality & social support factors, maintenance of improved health changes in exercise & weight loss & smoking cessation, postcoronary patients, 6759
bilateral representation of language functions, recovery following language therapy, male vs female aphasics, 1625
booklet vs oral method of teaching cognitive control of anxiety in preparation for hysterectomy, pain & distress & length of hospital stay, 30–55 yr old females, 10125
cerebral ischemia & severity of lesions, dichotic listening patterns & language recovery & memory, right handed 31–75 yr old aphasic patients, 6-mo study, 27638
coping instructions & severity of illness & intrinsic sensitivity to & objective level of noise, coping ability & recovery, male surgical patients, 12734
degree of self care during recovery stages, patients with left vs right side hemiplegia following stroke, 30362
delabeling & relabeling in Gamblers Anonymous vs Alcoholics Anonymous programs, recovery rate, participant O & members of Gamblers Anonymous & Alcoholics Anonymous, 22463
denial & repressive style, information gain & rehabilitation outcome, 30–75 yr old myocardial infarction patients, 2164
detoxification, recovery of neuropsychological performance, alcoholics, 7-wk & 13-mo followup, 7505
development of ranked activities daily living scale, function ability, poststroke patients, 5298
drug use & social change & treatment & recovery, heroin addicts, reporting abstinence from opiates, followup study, 2201

etiology & type & severity & onset & age factors, speech recovery in rehabilitation program, 21–60 yr olds with residual aphasia, USSR, 7305
experience dependent recovery of cognitive functioning, 20–40 yr old alcoholics, 12770
first hand account of illness & recovery, schizophrenic patient, commendation of article printed in "American Journal of Psychiatry", 27300
hospital-based psychological counseling, physical recovery, 18–60 yr old medical & surgical patients, Australia, 28184
incomplete recovery from index episode & residual symptoms & inferior social adaptation, risk for depressive relapse, patients with primary unipolar depression, 27292
integration & sealing over defensive organization of recovery styles, schizophrenic patients, implications for individualized treatment planning, 30117
interrater reliability & concurrent validity of Expanded Glasgow Outcome Scale & Stover-Zieger scale, assessment of recovery outcome, 5–79 yr olds with severe head injury, 20995
ip gangliosides, recovery of preinjury function & central sprouting & secondary degeneration, rats with brain lesions, implications for treatment of brain disordered humans, 23901
left hemisphere ischemic infarctions, performance on digit & noun dichotic listening tests, right handed 31–75 yr old aphasic patients, 6-mo longitudinal study, 27637
multidisciplinary team approach, physical & psychological rehabilitation, postmastectomy patients, 7435
neurological & psychological aspects of post-concussion symptoms, illustrative cases of 20 & 40 yr old male head injury patients, 1672
practice of tasks, recovery of verbal & visuospatial functioning, alcoholic males, 12047
prediction of language recovery using Porch Index of Communicative Ability, 38–92 yr old stroke patients with aphasia, 27607
pretreatment attitudes & knowledge & psychological adjustment & recovery following surgery, female patients undergoing laparoscopy for sterilization vs primary vs secondary infertility investigation, 28078
profoundly moving cognitive-emotional existential experiences, termination of heroin addiction, 25–76 yr old former addicts, 1431
psychological factors in recovery, myocardial infarction patients under 70 yrs old, implications for psychosocial aftercare, 1-yr followup, 1544
recovery & neural reorganization assessed by dichotic listening & tachistoscopic visuo-perceptual tasks, 11 yr olds with congenital left vs right brain damage, 20216
recovery of consciousness & speech, EEG coherence, comatose patients, 6785
sex differences, recovery from aphasia following stroke, 22–76 yr old patients, 4195
social & psychological & physical variables, prediction of good vs bad recovery, stroke patients, 1575
social relationships, recovery, 20–87 yr old myocardial infarct patients, 9528
spontaneous recovery of language ability, 48–80 yr olds with aphasia due to stroke, 22292
stages of recovery of consciousness, patients in prolonged coma following severe craniocerebral injury, 20138
state anxiety & recovery & cortisol & noradrenaline excretion pre- vs post-operatively, middle ear surgical patients, 28068
styles of adjustment to illness & expectations of surgery & course of recovery & activity patterns, coronary artery bypass graft surgery patients, 7347
successful treatment for anorexia nervosa, cardiac & psychological improvement, 18 yr old female, 15249
treatment strategy based on defense & conditioning model with hypnosis, urges to drink during recovery, alcoholics, 18332
Type A behavior, recovery from coronary artery disease, patients with acute myocardial infarction, 1–3 yr followup, 4110
urinary free cortisol levels & infradian rhythms, 15–82 yr old recovered depressive patients with dexamethasone nonsuppression, 6534
urinary incontinence & mobility & personal hygiene & feeding ability, 3 mo poststroke 47–93 yr olds, implications for rehabilitation, 1662

Recreation [See Also Athletic Participation, Baseball, Basketball, Camping, Childhood Play Behavior, Dance, Doll Play, Football, Gambling, Sports, Swimming, Television Viewing, Tennis, Traveling, Vacationing]
characteristics & incidence of participation in orienteering, females aged 10 yrs & over, New Zealand, 29750
classification system based on psychological benefits of participation, leisure activities, Ss aged 65 yrs & older, 3540
commitment & leisure behavior, 31389
community-school approach, attitudes toward & expectations about integration of education & leisure, staff members vs local residents vs local authority members, Scotland, 4876
congruence of outdoor recreation activity dimensions, residents of urban vs suburban vs rural environments, 26048
crowding in outdoor recreation as normative concept, 26043
demographic characteristics & knowledge of & attitudes toward animals, motivations for participation in birdwatching, birdwatchers, implications for wildlife management, 14497
demographic characteristics, recreation & generic housing form, household members, implications for environmental planning, Canada, 31557
development of youth leisure policies, Sweden, early 1900s, 3614
efficacy of therapeutic day trips, hospitalized psychotic patients & psychiatric staff, 10078
group vs individual development & consumption of leisure & recreational activities, members of Conwood Naturalists, England, 3673
high-risk outdoor adventure program, promotion of personal potential, illustrative case of well-adjusted 35 yr old female, 22474
hobbies & transport, 47–86 yr old patients with Parkinson's disease, 22301
modification of hobbies within reeducation system, juvenile delinquents, 10134
numberplate vs bicycle transect method, estimation of outdoor recreation intensities & their ecological impacts, Netherlands, 5146
prediction of leisure time exercise behavior, lower-limb disabled males, 20157
recreation & life cycle forces & socio-environmental elements, life satisfaction levels, retirees, 11397
recreational reading program, reading attitudes & behaviors, 2nd graders, implications for change in teacher's attitudes & practice, 15686
role of play as survival tool, 6019
sex differences & sex role orientation, recreational preferences & time spent in recreation, college students, 3742
sites of nature experience, 18–30 yr old landscape architecture students, implications for outdoor recreation planning, 18792
social & psychological conflict within environment, implications for recreation & leisure policy, 13273
social psychological aspects of measuring of work & leisure, 18699
social units & participation, recreation activities, 29934
sociodemographic & behavioral indicators of participation in fishing vs hunting, 25-yr longitudinal study, 14524
sociodemographic characteristics, participation in nonconsumptive wildlife-oriented activities near home, surveyed Ss over 15 yrs old, US, 1980, 14521
state intervention in sport & physical recreation, UK, 18694
teaching of macrame as recreational activity & social skills training, disabled 19–33 yr olds, 18298
temporal stability of recreation demand model in terms of distance & population, paddle canoe-camping trip participants, 25946
user attributes & visit characteristics & perceived site problems, management strategy preferences, float anglers, 16047
utility of mood & quality questionnaires, assessment of needed improvement in tour services & programs, elderly clients of tour service, 13162
validity & reliability of task attributes methodology, description of leisure behavior, college students vs urban full time employees, experimental replication, 27186
work vs recreation periods, rate of cigarette smoking, 20–35 yr olds, 6308

Recreation Areas [See Also Playgrounds]
demographic characteristics & information recall & enjoyment & mindfulness & beliefs in how much was learned, visitors to visitor centers, Great Britain, implications for environmental education, 31562
human behavior theory concepts, design of naturalistic zoo exhibits, 16040
numberplate vs bicycle transect method, estimation of outdoor recreation intensities & their ecological impacts, Netherlands, 5146
sites of nature experience, 18–30 yr old landscape architecture students, implications for outdoor recreation planning, 18792
Recreation Therapy [See Also Art Therapy, Dance Therapy, Music Therapy]
aquatic & gym program, fine motor performance & rhythmic sense & position in space & behavior, 1st–6th graders with communication & coordination & behavioral & emotional disorders, 13113
assessment of continuing education needs, activity therapists, 31087
downhill snow skiing as therapeutic recreation, amputees & blind clients, 2152
dramatic productions & literature, elderly in nursing homes & residential care homes & other supportive environments, 30980
leisure & recreation interests & needs, hospitalized elderly, 30954
movement & physical activity programs, self concept & body image, handicapped children, 2166
psychomotor therapy, symbolic representation & expression, 3.5 yr old non-speaking male, case report, 27701
recreation programs, elderly residents of rural communities, 30869
recreation therapy, activity involvement & social interaction, mentally retarded 16–65 yr olds, 1869
recreational breaking off periods, chronic psychiatric outpatients, 9657
role of activities consultant, 31047
running as recreational therapy & physiological effects, disabled children, literature review, 2169
sports participation as therapy & life enhancement, physically disabled, 2145
Recruitment (Military) [See Military Recruitment]
Recruitment (Personnel) [See Personnel Recruitment]
Red Nucleus [See Mesencephalon]
Reductionism
comprehensive theoretical vs reductionist thinking in clinical literature, examples of therapist-patient & mother-child relations, 25110
epistemology & methodology of reductionism vs constructivism, conference presentation, 8735
Reentry Students
cognitive restructuring program, effective management & prioritizing commitments, females re-entering college, 25907
course in science & technology careers, reentry adult college students, 2377
crisis intervention counseling, stressors & problems of returning to college, married 30 yr old female nursing student with 2 children, 13138
development of career counseling model based on feminist therapy, females re-entering college, 25897
life experiences, fear of success & identity status, college females aged 18–23 yrs vs 30 yrs & over, 20723
